

Physician 821

Chapter 821

"Puff

Jianghuai blood gushes out!

Under the collision of this force, the face looks pale!!

"Click, click, click!"

Vaguely, all the people below clearly heard the bone fracture sound!

Not from ye Chen, but from Jianghuai!

The next second, Jianghuai screamed in horror, and his body flew out on the spot!

He could feel how badly hurt he was!

Seeing that he was about to fall off the arena, he forced a drop of blood essence, which was sacrificed and wrapped in blood mist.

At the same time, take a golden pill.

I feel better.

He took a foot in the ring with his right hand and wanted to return to the arena, only to find a young man with a cat in his arms!

It was Ye Chen.

He shot a big arrow in his sleeve.

The arrow is black, the speed is extremely fast, so short distance, there is no possibility of dodging.

This is his master gave him a way to protect his life!

Enough to hurt most of the strong at the critical moment!

Once stabbed, Dara Jinxian can not be saved!

He wants Ye Chen to die!

How can he be kicked out of the arena by a waste.

The arrow is about to touch Ye Chen's chest. Suddenly, he finds that the cat's eyes open!

That look, like a bloodthirsty ancient beast!

A single glance made him shiver behind his back, and the blood stopped flowing!

An invisible pressure completely devoured him.

"Pa!"

His eyes widened, for the cat stretched out her pink hand and held the arrow directly.

But he knew that there was an ancient magic power in the arrow, which could not be resisted by human practitioners, let alone a cat!

In the open eyes, the arrow broke and the toxicity disappeared.

Under one foot, he felt the metamorphosis of Ye Chen's strength! At least on the return to the virtual realm!

This is shocking enough, but I didn't expect that the cat in this guy's arms is even more terrifying!

It's like a big devil!

Before he reacts, Ye Chen's killing intention breaks out. Once he steps on it, his right foot roars out again!

This time, it hit the chest of Jianghuai!

In an instant, a huge blood hole pierced through!

Without reservation, the body flew with blood, a parabola, heavily hit under the challenge arena!

This is far from over. Ye Chen's five fingers open, and the spear originally belonging to Jianghuai flies into his palm.

Ye Chen arm a shock, long gun with the sound of howling, fly out!

It is also with the idea of a towering gun, from the sky, inserted in the eyebrows of Jianghuai.

Air waves rippling, dust splashing, head smashing, headless corpse, detonating everyone's eyes!

Jianghuai is dead!

Dead to everyone's surprise!

I thought that Jiang Huai would crush Ye Chen under the challenge arena, but I didn't expect that it was Jiang Huai who fell off the challenge arena and didn't even have the qualification to live!

"Are qingluan Zong all these vulnerable wastes?"

Ye Chen holds Xiaohuang in his arms, such as plum blossom independence, but the cold voice blows in everyone's ears.

This sentence, ye Chen said to qingluan Zong!

This moment, the scene is quiet to the extreme.

It's even suffocating.

It was not until a cold wind came out of qianjue city that all the people couldn't help but fight with a spirit of excitement.

"Boom!"

The next one, boiling under the field!

It even affected the remaining arena that was being eliminated.

"The medical God gate's ordinary root waste actually killed qingluan Zong's Jianghuai with two feet!"

"I didn't dream. That guy is holding a cat. Jianghuai is not even qualified to resist!"

"No resistance! Is this a real faggot who was kicked off the ring five years ago? "

"Just now, the power of that guy is going back to the void! How can it be! "

It's a mess!

Unbelievable!

No one would have thought that the one they least expected to win!

It's even like a dream.

At this moment, their eyes changed in awe!

At this moment, they are only dignified and frightened!

Xiao Bi and old Xue of the medical God gate are completely stunned!

I don't know what to say!

The medical God gate actually won?

But Ji Lin is lying on the chair, eating potato chips, a white eye Ye Chen: "this guy does not pretend to be forced to die? But the strength is really strong, and I don't know what he did! And what about the orange cat in her arms? When did this guy start raising cats? Ji Si's beautiful eyes on the referee's bench were still worried. Seeing this scene, the stone in my heart fell to the ground completely.

It seems that her worry about ye Chen is superfluous.

The real Ye Chen is back.

The clearest thing about all this is Zheng Lao. He looks at Ye Chen doubtfully, and for the first time he has a curious heart.

A boy who has clearly entered the holy land to practice is actually crushing the strong one who is about to enter the realm of returning to emptiness?

This is not only described with terror, it is simply evil!

At the moment, he can't see the depth of the boy!

"Jianghuai!"

All of a sudden, Hua ruohuan and the other two disciples in the area of qingluan sect saw the headless corpse and uttered a complete cry of surprise.

It's a shame that the disciples of qingluan sect came to such an end!

Even the elder of qingluan Sect on the referee's bench also exuded a strong anger.

He tried to do it several times, but found a girl's eyes staring at him.

As if as long as he hands, the girl will do it!

"Ye Chen, you want to die! The battle of the challenge arena is over. Why are you so cruel! Do you know how important Jianghuai is to us qingluan clan! You are making people angry

Hua ruohuan roared!

"Elder martial sister, please go to war!"

"Elder martial sister, I also request to fight! I want this boy to feel the horror of qingluan clan's sword! "

Hua ruohuan knows the horror of Ye Chen! But she and ye Chen have a feud! It's up to her!

She wants to kill everything at all costs!

She wants Ye Chen to enjoy endless torture!

"You two get out of here, and give me the medical God's waste!"

With that, Hua ruohuan pulls out his sword and prepares to step on the challenge arena!

Ye Chen should not have recovered the elixir field, this is the best chance!

"Elder martial sister!"

"Elder martial sister!"

The two talented disciples of qingluan sect, Lian busi Dao.

After all, the more behind the wheel battle, the more favorable! They hope that the elder martial sister will fight in the end!

At this time, the young man's indifferent voice on the challenge arena slowly dropped: "you talk too much nonsense. Since you all want to fight, how about I let you go together! After all, I don't want to spend any more time on your garbage! "

As soon as the words were said, the audience was immediately ignited.

They are finally relieved from ye Chen's crushing of the Yangtze River and Huaihe River. However, they did not expect that ye Chen would challenge the three people in one breath?

How dare a disciple of medical school dare to challenge three top talents of qingluan sect?

Chapter 822

crazy!

A complete madman!

Mr. Zheng frowned and advised: "Ye Chen, this is not a joke. Although you have to face the wheel battle, it is better than one to three. Arrogance also needs capital! It will be too late to pay for your life! "

Ye Chen ignored Zheng, but looked at Hua ruohuan and the other two people: "of course, if you are afraid, I can kill one by one."

"It's just too challenging!"

The three of them rushed to the top of their heads in anger. They could not help but stepped on the arena together!

Once Ye Chen defeats these three men, it will definitely become the most wonderful war ever!

The key is that all this comes from a common waste!

Who could have thought of it!

"Ye Chen, since you are determined to die, we Qingluan sect will help you!"

"Only, you will soon understand how ridiculous your decision is today."

Language down, if Huan and the rest of the two people, the momentum of the body rose!

To the extreme!

Three green spirit swords are offered directly, and the atmosphere of the whole arena is completely changed!

It's impossible for one person to kill three people!

Unless you enter the realm of virtual king!

But Ye Chen is so old, not to mention the virtual Kingdom, even if it is difficult to return to the virtual realm!

In the face of these three people, Ye Chen did not dare to take it lightly and put Xiaohuang carefully in the corner.

I thought everything was stable, but I didn't expect that Xiao Huang opened her eyes and came to Ye Chen's shoulder again.

As if to fight with Ye Chen.

"If you want to follow, follow. If you are in danger, you should pay attention to yourself."

Language down, two cold shoots out, it is the two qingluan Zong disciples!

No hands left, once touched, the body will be mercilessly torn!

Ye Chen takes out a sword from the samsara cemetery. His strength and body have been changed for a long time because of refining God thunder and improving cultivation.

The sound of "sonorous" is constantly ringing, and the sword meaning is towering, which is blocked by Ye Chen in an instant!

Arm some tiny hemp vibration meaning, but does not affect Ye Chen's strength at all!

Round sword idea, but he inherited ten thousand sword Zun!

In addition to Wan Dao Jian Zun, who dares to use a sword in front of him now!

The reason why Hua ruohuan didn't make a move is to observe Ye Chen for fear of accidents.

Master, be careful of Ye Chen!

She dare not have any carelessness!

Seeing that the two younger martial brothers are about to devour Ye Chen, he makes a quick move!

The green spirit sword in the hand is like a dragon flying through the sky.

The green light tore up the space, and the violent cremation sound was too frightening,

gusts of cold wind, solidified the challenge arena and the whole thousand Jue square!

In this moment, the whole world fell into a dead silence.

This is the way of huaruohuan!

For this day, he prepared too long!

"Green Luan cloud travel sword, chop!"

This move is extremely dazzling!

The strong breath even makes Ye Chen hard to breathe.

Ye Chen finds that Hua ruohuan is stronger than before!

It's obvious that Granny Hua used a secret method on this guy!

Ye Chen felt that his heart beat, as if with this sword sweeping, stopped beating.

This discovery, let his heart, suddenly sink, his look became ugly.

The crisis came all of a sudden.

The breath of death seems to sweep everything in the arena.

For a time, ye chenru was deeply mired and hard to extricate himself.

"Elder martial sister, we give you a hand!"

Under the sword idea, the two younger martial brothers came directly to the back of Hua ruohuan and forced out a drop of blood essence!

Blood essence and true Qi are flowing away!

The vision vibrates, the green Luan cloud travels the sword as if transforms into a green Luan, the body unceasingly huge! Full of Fairy Spirit!

Qingluan keeps getting close to Ye Chen, its huge mouth opens, as if it can swallow together.

Ye Chen is more dangerous than lucky!

"Looking for death!"

In that cold light, such as dragon sweeping, to swallow Ye Chen, in the blood almost coagulation moment, ye Chen cold ah way!

That originally refined in the body of God thunder power burst out!

His whole body is entangled with crazy arc!

This is quite different from the thunder and lightning of this life talisman! More powerful, even out of control!

Ye Chen's whole body seems to form a ray of light!

"Thunder breaks nine days!"

This move is part of Duan leiren's memory and one of the few wealth left to Ye Chen.

Only by cooperating with Duan leiren's skill can Shenlei exert his full strength!

Ye Chen carries innumerable thunder meaning, the air explodes and opens, under one sword, all things change. Under a sword, the world vibrates. "Boom!"

There are cracks in the whole arena, and the array is about to collapse!

A trace of God's thunder devoured the sword in his hand. Not only that, but also the immortal fire in his eyebrows surged out!

Thunder and fire!

Hua ruohuan, they did not expect Ye Chen to have such power. Under the influence of God thunder and immortal fire, the three people's mouths overflowed with blood!

I was bitten back!

Not at all!

"Still want to resist, in this case, I will let you feel what fear is!"

Ye Chen roars, his eyes are extremely fierce.

Now he is surrounded by thunder and fire! Hold up the sword, thunder and lightning fall!

"Click!"

Qingluan cloud travel sword meaning, directly split!

The body of the three is a full five or six steps backward!

It's still unbeaten!

The breath on the challenge arena is too oppressive. Hua ruohuan seems to feel that a storm is coming. He quickly says to the two people around him: "bad, leave quickly!"

"If you want to go, have you asked me?"

Ye Chen roared! Thunder burst! The wind howled.

Red thunder light, such as Dao Dao Jian Yi falls!

The momentum of terror descended like a mountain and suppressed all sides.

Qianjue square is ten miles around. The breath is controlled. The rest of the arena stops fighting. They find that their accomplishments are suppressed!

What power is it!

Innumerable eyes look at Ye Chen holding lightning. At the moment, it seems that ye Chen is the master of the world.

Once it's down, it's like a giant horse that's unstoppable.

"Down!"

Finally, the power fell!

The array of the challenge arena is shattered and can't bear it at all!

The fall of the sky, as if into three together, to Hua ruohuan and the other two people!

The whole body of these three people seems to be imprisoned and unable to move!

Who could have thought that ye Chen could even trigger thunder and lightning?

Isn't this guy a disciple of the medical God sect? How can you become an attribute!

Seeing the sword fall, the smile on three faces solidified.

Sad face!

They want to block, but how to block it!

It's not the same level at all!

His face was full of fear, his face was full of horror.

Even the two qingluan disciples could not bear the pressure any more, so they knelt down in front of Ye Chen!

They want to live!

"Lord, please kill us!"

Words have not been said, the power of violence will devour the flower if Huan and these two people!

Three bodies, Qi Qi into blood fog!

There's no body!

The air is filled with the smell of blood, making the whole world completely quiet

Chapter 823

Qianjue square, never as quiet as this moment.

It was as if a needle had fallen to the ground.

Ye Chen killed the outer disciples of qingluan sect. They may understand.

Even if they killed Jianghuai, they could only accept the facts in front of them.

However, ye Chen faced two talented disciples of qingluan sect, and Hua ruohuan, how could he have killed so simply!

Hua ruohuan is even a confirmed candidate to enter the top ten!

It is also the greatest hope of qingluan Zong!

but at the moment, this hope is turned into a bubble.

Who can accept it!

It took ten seconds for the silent crowd to come!

The movement became more and more loud and noisy.

"Is this really the waste of the medical God gate? How How to become so overbearing

"Isn't Duan Huai'an of the medical God gate unable to use martial arts? It was also wiped out by daocong. How can a waste without a Dantian teach such a disciple? "

"Don't you see the end of qingluan sect who offended the medical God? If ye Chen hears you, he may come to wipe you off! "

Countless people look at Ye Chen, only fear and horror remain in their eyes.

They know very well that if they can kill the three talented disciples of qingluan sect with such ease, their strength is likely to be above the realm of holy king and even the realm of returning to emptiness. The breath of entering the holy land that ye Chen bursts out is just to paralyze the public.

Most of the people present boasted that they did not have the strength of Hua ruohuan, so they did not dare to speak ill of the door of medical God behind Ye Chen.

This guy is a real madman, who knows if he will be reckless in the next second.

At the moment, an old woman on crutches is under the challenge arena.

The face full of wrinkles is ferocious!

Her body trembled!

An invisible anger swept through!

Hua ruohuan died!

Her favorite apprentice is dead!

So he was killed by that little beast.

She thought it was too late!

She regretted herself, even more hated Ye Chen of the door of medical God!

It's like a child raised by her own hand, and it's just like being destroyed!

At this time, no one in her heart can understand the pain!

"Pa!"

She stood up, powerful momentum swept, behind the chair on the spot broken into powder, and then a startling roar rang through the whole thousand Jue square!

"Ye Chen! I'm going to kill you! You little beast, how dare you kill my lover! Give me back my joy

The words fall, the flower mother-in-law can't help, in the hands of the crutch paint completely off, the silver light is incomparably dazzling!

It seems to be a weapon that I don't know whether it's a gun or a sword!

Although I don't know the origin, the power of this weapon is terrible enough!

It can't be stopped by anyone present!

There is a strong flame on the crutches. The flame takes shape, and the temperature around is raised by more than ten degrees!

Some close to the people, their clothes are burning deformation!

Seeing that mother-in-law is going to face the challenge arena, a beautiful image is slowly falling down, and it is blocking in front of the flower mother-in-law.

The sword in Qianying's hand danced, and a wall of ice suddenly appeared.

Fire and ice collide!

Almost equal!

"As the elder of qingluan sect, do you regard our judges as air? If you insist on doing so, don't blame me, Ji Siqing

The cold voice fell like this, showing the unquestionable genius of the girl.

Ye Chen on the challenge arena saw Ji Siqing's hand for the first time. He knew Ji Siqing was very strong, but he didn't expect to be so strong!

The power of the crutch is blocked like this!

Although Ji Si retreated a small step, but after all, she was a temporary move!

"What is the real strength of this girl?"

Ye Chen murmured.

At the moment, mother-in-law Hua saw Ji Siqing in front of her, and her eyes were cold: "Ji Siqing, are you so determined to protect this little beast? In the place of killing, I think I let the little beast go in your face, but now it seems that I am wrong! I should have killed the little beast

"Even if you are the referee, ye Chen can't walk out of the thousand Jue square alive today!"

"You can protect him for a while. Can you protect him for the rest of his life?"

Although she does not think of revenge today, she is not afraid of!

It is always a disaster for this boy to stay. What's more, she has agreed with Ye Chen to fight a war, which is just an opportunity.

Ji Siqing's body is full of a sense of killing. When the wind blows, her sleeves dance and her hair flutters. Her eyes glance at the flowers, and her mother-in-law says, "can I protect him for the rest of his life? Let alone, tens of thousands of people have seen the result just now. It is obvious that you qingluan sect disciples are not as good as human beings. Are you going to turn over if something happens? If this is the case, then you, the elder of qingluan sect, are not so good! "

Granny Hua's face was red and red. Just about to say something, the Taoist of Nanming quietly came to her side and patted her on the shoulder and gave her a sign in the eyes: "give it to me."

The flower mother-in-law hesitated for a few seconds, or nodded, back a step.

"I hope you know that Hua ruohuan and the other disciples are too important to the sect. If the master knows the result, he will be angry. At that time, you and I will be the first targets of anger!"

Nanming Taoist's eyes narrowed slightly. Then he looked at Ji Siqing and said, "Miss Ji, you and I are both judges. We should know that this arena is the place for martial arts to compete. Just point it out. But some of them were killed for four hours on purpose

"And! Since ye Chen killed people in defiance of the rules just now, all the order here has been destroyed by him. If he goes on like this, it will only turn qianjue square into a battlefield for killing, which goes against the original intention of the talent battle of xuzongmen in Kunlun. "

"I don't think we should allow such a murderous guy to act recklessly."

Obviously, Nanming Taoist doesn't want to leave Ye Chen!

He must die!

Ji Siqing did not speak, but Qiu Rongcheng of Jue Wuzong stood up and said: "Siqing, I have observed this young man many times. From the beginning, this guy's Tao seems to be killing Tao. I feel that if this guy continues to indulge, it will definitely be a nightmare of Kunlun Xu. This unstable factor must be tried to kill it in advance! If you give him 20 years, he will become the highest in Kunlun! "

Ji Siqing naturally couldn't pay attention to it. He said, "Taoist Nanming, some things are done by the general trend. What I saw just now is true. Ye Chen is not wrong. If it is wrong, it is also the problem of qingluan sect."

Hearing this, ye Chen on the challenge arena feels warm.

Five or six years later, Ji Siqing's character has become more and more cold, but his feeling of himself has not changed.

Chapter 824

Although I don't know the reason why they help themselves, it doesn't matter.

Now he has the strength to cover the wind and rain for this woman and repay those old kindness.

Knowing that Ji Siqing would say so, the Taoist of Nanming held out his hand, pointed to Ye Chen and said, "Ji Siqing, I don't care about the passing, just the result! How long did it take to kill so many people! If the elimination goes on, I'm afraid the number of participants in Kunlun will drop sharply! "

Nanming Taoist put his hands behind his back, walked forward a few steps and continued: "in a sense, ye Chen's behavior has broken the rules! The whole game is because of him! This kind of person must not stay! "

"No matter whether you agree or not, and whether you are in the position of that little animal, you have no right to object! Six referees can vote when they have objection to something! The minority is subordinate to the majority! This is Mr. Jingshui's proposal! Ji Siqing, do you remember? "

Hearing Mr. Jingshui, Ji Siqing and other referees changed their expressions completely.

If we want to say that the real authority of this competition is Mr. Jingshui!

A hundred years ago, he personally created this flourishing age, and it has continued to this day.

Not only that, but also Mr. Jingshui's apprentice is famous all over the world. He is the first person in kunlunxu to abandon the nature of the clan to accept an apprentice!

The elders of many clans in Kunlun are disciples of Mr. Jingshui!

You can see the light of contacts!

Few people in Kunlun void are willing to offend this rebellious, powerful and respected old man!

Ji Siqing clenched his fists and bit his teeth. He said seriously, "I know what Mr. Jingshui said! I have no opinion! "

"Good!" The Taoist of Nanming looked at the other four and said, "those who think ye Chen should not be dealt with, please raise your hands!"

Words down, but no one raised their hands!

Except for Ji Siqing's lonely show hand!

Except for her, all the judges were on the side of Nanming Taoist.

Even Mr. Zheng is so!

Of course, he is optimistic about ye Chen, but ye Chen's killing heart is too heavy. This kind of person is very likely to take a detour in the future!

At that time, the loss will be the whole Kunlun void!

Don't let the small lose the big!

Nanming Taoist was very satisfied with the result and said with a sneer, "Ji Siqing, the result is very obvious now. Do you want to stop it?"

Ji Siqing bit her lips. She couldn't let Ye Chen have an accident. She hesitated for a few seconds. She pointed with her sword and gently touched her toes, and came to the arena.

In front of Ye Chen.

"This is your decision, but I still want to protect him! If you want to move him, ask my sword to answer first

Ji Siqing is very clear, ye Chen's strength is really strong, even can crush three strong, but if faced with these referees and official forces, he will surely die!

At this time, if she does not stand up to protect Ye Chen, who will protect it!

She can't watch ye Chen happen!

The mother-in-law of qingluan clan saw this scene, but she looked at Ye Chen: "little beast, are you hiding behind women all your life? Don't mention, I really look down on your little white face who only depends on women. "

"Without Ji Siqing, you may have died five years ago. How can you stand here?"

Ji Siqing just wanted to say something, but one hand was patted on her shoulder.

She was stunned.

In normal times, the opposite sex touched her shoulder and was killed by her sword, but she knew it was Ye Chen's hand.

"Leave it to me."

A magnetic sound sounded.

Then, ye Chen's body and her brush past, is to block in front of her body.

Ji Siqing found for the first time that ye Chen's originally weak shoulders had become much wider.

This is no longer the shoulder of a frustrated teenager, but the shoulder of a man.

A man of determination.

"But you can't stop their strength..." Ji Siqing hesitated.

Ye Chen smile, very gentle: "you have to believe me."

All of a sudden, he turned and his gentle smile stopped! His face was suddenly gloomy, and his whole body suddenly turned bloody!

Vaguely, the sound of a dragon's chant sounded in his body.

Ye Chen's cold eyes shot at granny Hua and Taoist Nanming and others, saying word by word: "you are such a group of respectable things. If you want to attack me, I don't have any problem, but there is an account to calculate!"

He pauses for a few seconds, and then, fiercely reaches out his hand and points to the elder of qingluan sect, Granny Hua!

Word by word: "old woman, do you remember the oath you made in the killing place before? Now get up here and die

The sound was so loud that it was like the thunder of the Ninth Heaven exploding in everyone's heart!

The foundation of qingluan clan is confused!

Nanming Taoist is also confused!

Qiu's eyes almost burst out!

Xiaobi of the door of medical God covered her mouth! Ji Lin, who is eating snacks, shakes his wrist and spills all the snacks!

All the people present seemed to be suppressed by Ye Chen's anger!

No one would have thought that in such a situation, ye Chen of the medical God gate let an elder of the sect go up to die?

This is not an ordinary small clan!

This is qingluan sect!

And this elder is still the flower mother-in-law!

Granny Hua's reputation in Kunlun is very deterrent!

Although Xu is not a top player in Kunlun, it is not a small generation who can shout at her so much!

Everyone thinks Ye Chen is crazy!

This is the last struggle before garbage dies!

But did not expect, at this time, the flower mother-in-law to smile, Yin Sen's smile!

The next second rickets the body, the footstep lightly, strides directly into the challenge arena above!

Face to face with Ye Chen!

Cold air surging, let the whole world seem to solidify!

This change came so fast that Granny Hua took the challenge!

An elder who has been famous for a long time should be challenged by an unknown younger generation!

Why does mother-in-law Hua respond to such a great disparity?

Do you want to kill Ye Chen to avenge Hua ruohuan?

This is the best explanation!

Nanming Taoist finally couldn't help but say, "Granny Hua, what are you doing, your identity, and dealing with this boy?"

Mother in law Hua replied, "a few days ago, I met this boy, but I have this agreement! I thought the boy didn't dare to fight in the current situation. Now it seems that this guy wants to struggle before he dies. Then I will let him understand what is the real fear

Nanming Taoist no longer spoke. Anyway, it was all dead. This little beast died in front of the young talents of numerous clans in the hands of qingluan sect, which may be more effective than the execution of official forces!

Ji Siqing shakes his head. It's time to come.

She may not worry about anything, but this war, she is really worried.

The difference in strength is too great.

Ye Chen only enters the holy land. Even if he can break out the peak of the holy King's realm or return to the early stage of the virtual realm, he is still not enough to face granny Hua!

Chapter 826

After all, there is hardly any one who can still live in her sacrifice!

What's more, a seriously injured waste!

Her weapon is a part of the ancient spirit stone, but ye Chen's sword does not know what kind of goods, how to stop it!

Just as her crutch was carrying the will of heaven and earth, she found that the boy had closed his eyes.

"Hum!"

The flower mother-in-law snorts coldly, condenses the strength to the extreme, the entire thousand Jue square faintly has a trace of vibration sound.

It's absolutely appalling.

Touch the leaf with crutches!

Ye Chen opened his eyes, and his strong self-confidence spread out. He directly threw away the sword in his hand!

Just holding a silver needle that can hardly be seen by the naked eye, he rushed up.

At this moment, the audience are confused.

Ji Siqing and Wei Ying have strange expressions. They know ye Chen well among many people, but this is really hard to understand!

Abandon the sword and resist with the body?

What a fool this is to make such a decision!

There might have been a chance for the whole corpse to be turned into blood fog on the spot.

In the eyes of countless people's doubts, ye Chen takes advantage of the power to break the gods!

A sense of desolation came from him!

The power outside the arena seems to be completely absorbed, and the aura in the air is also crazily condensed!

Yeah?

Granny Hua felt something was wrong.

There was even a little uneasiness in her heart.

It's like something's going to happen.

All of a sudden, she found that ye Chen's five fingers were open and crazily grasped her crutch.

"Click!"

Ye Chen can feel that the closer he is, the more his arm seems to be broken!

It was more than he could bear.

No longer hesitating, ye Chen eyebrow heart of the fire is suddenly transferred to the hand.

Fire, lightning around at the same time, ye chenqiang to resist the pain in his hands, break through all obstacles, directly holding the crutch.

"Ah

His veins burst out and he roared like a wild beast.

At the same time, taking advantage of the power of the gods to break through thoroughly.

The power of crutches is mercilessly transferred!

Take advantage of the situation!

"This is..."

Granny Hua felt something wrong and wanted to take back her crutches, but she didn't expect to hear a startling roar!

"Your weapon, I'll take it!"

"Boom

Take advantage of the power of the gods to break out in a moment, the whole sky is like the end of the day!

Even more, there are some shocking traces in the arena.

Ye Chen takes advantage of all the potential on the other hand's arm and strides out. The other hand holds the crutch with the force of the sky.

The flower mother-in-law is aware of the crisis, just pinch Jue to stop, an extremely frightening force breaks out from ye Chen's body!

The boundless air waves are rippling away!

"Touch!"

Mother in law Hua's crutches are taken away by Ye Chen!

At the same time, an invisible force pushed her away!

She almost fell to the ground!

To the extreme!

Who could have thought that ye Chen's attack had such destructive power.

Key she also found that ye Chen's power seems to be the same as her!

What the hell is this!

Such power is absolutely impossible to appear in such a waste body!

The flower mother-in-law reacts thoroughly and steps out: "mole ant, return my weapon to me!"

"Give it back to you?"

Ye Chen coldly smiles, the violent force on the arm has not dissipated!

His eyes are overflowing with crazy color!

"If you want to take it back, you must have the life to take it back!"

The language falls, ye Chen strides three steps toward a direction, the body assumes javelin posture, the right arm that clenches crutches erupts suddenly!

Let go!

It's a raging force!

The crutch suddenly turned into a meteor and went away towards the ice sword left by the thousand mysterious girls outside!

Meteorite falling to the earth is not so spectacular!

"Bang!"

Ten seconds later, in the eyes of countless people, the crutch was inserted into the place of the ice sword!

More than 100 meters, even deep into the clouds!

If it is not for the distance that practitioners can gaze at with the naked eye, ordinary people can't find it at all.

Such a distance, it is very difficult for ordinary practitioners to get it back!

What's more, what's more, it's something that can be left behind and inserted in it. Who dares to touch it!

Everyone was in a daze.

They simply did not expect that ye Chen not only withstood the two moves of Granny Hua, but also made granny Hua so embarrassed in the second move!What a genius this is!

The sound of exclamation rippled in the crowd like a wave!

Ji Siqing slightly open mouth, beautiful eyes are full of confusion, dream she did not expect such a result.

What did this guy go through? For a moment, she even thought that his future achievements might compete with ye Shitian, who shocked Kunlun Xu.

The Taoist of Nanming had a trace of killing intention in his eyes. For the first time, he had a strong desire to kill Ye Chen.

The existence of the key Ye Chen, far more than the controllable factors!

No longer hesitating, he said to the flower mother-in-law on the stage: "hurry up and kill this boy!"

The flower mother-in-law ignored, completely angry! Rush towards Ye Chen quickly!

"Little beast, you want to die!"

Ye Chen coldly smile, he looked around, did not fight back, but the fingers pinched pitifully.

When the spirit stone is shot out, the array eye will play an important role in the challenge arena.

In an instant, everything in the challenge arena is invisible to the outside world.

His identity of killing heaven can not be revealed. Once exposed, only the dead can see it.

In his eyes, Granny Hua is the dead man!

Seeing ye Chen set up an array, Granny Hua sneered: "mole ant, are you afraid that everyone knows how miserable your death is?"

Her momentum is climbing, almost to the extreme!

At this moment, she is even a god!

Crush all the gods!

"Ants, kneel down and die!"

Endless pressure to go! But it was completely dissolved by Xiao Huang.

Ye Chen was playing with the silver needle in his hand, raised his head and said, "before you die, I will tell you a secret, how about it?"

The flower mother-in-law one Zheng, subconsciously way: "what?"

Suddenly, ye Chen moved!

Endless power to the silver needle!

The body of God thunder crazy gush out!

Red God surrounded by thunder, like a Thor.

Granny Hua naturally felt the power of God thunder, and her eyes widened: "how can it be? This is the power of God thunder, you You are... "

The silver needle in Ye Chen's hand instantly moved, and a roar resounded: "I also have a name, named ye Shitian!"

In an instant, the light was shining all over the place!

"Whoosh!" The silver needle broke free of Ye Chen's arm and flew out!

"Boom!"

The power of heaven and earth is used as much as possible! Red thunder package!

Boundless energy, condense, the small silver needle actually expands on the spot!

In the twinkling of an eye, it turned into a red hundred Zhang spear!

The spear around shenlei!

Lin Qingxuan's silver needle is strong, if you add the power of God thunder!

Who can stop it!

Flower mother-in-law's eyes stare big, is all incredible!

There are only three words in her mind - ye Shitian!

Ye Chen is Ye Yan Tian!

How could it be!

Chapter 827

impossible!

The flower mother-in-law denies on the spot!

But when she felt the power of the hundred Zhang spear, she had to believe it!

How can a waste grow so fast!

There is no explanation except ye Shitian!

Ye Shitian likes to wear a mask. He is also easy to face. No one has seen his true face.

Most of Kunlun Xu only knew the existence of Ye Shitian, which was like a nightmare. Once it came out, it would inevitably lead to the Kunlun Xu earthquake!

Ye Shitian controls the gods, thunder, fire, and even medicine. His roots are less than 30.

All the things in this moment and in front of the youth coincide!

At this moment, mother-in-law Hua is absolutely sure that ye Chen is ye Shitian!

Shit!

How did he end up provoking this evil spirit!

The key point is that the place she is stepping on now is the place where thousands of Xuannu warn the world!

Ye Shitian is a close disciple of qianjue Xuannu. What qualification does she have to touch in such an identity!

Once touched, thousands of Xuannu are furious, maybe the whole qingluan clan is not enough to bear it!

Can't help her reaction, ye Chen that carries the God thunder hundred Zhang long gun to break through the air!

The wind is howling and the opportunity to kill is shrouded!

Lock her down!

She was very clear that she had no choice at all. Although she was injured, she could only force a drop of blood essence to stop her.

Even if you burn, you have to survive!

The power of blood essence has not been released yet. The spear has been broken directly!

Essence blood turns into blood mist on the spot!

Can't stop!

The earth trembled violently with the glare of fire and thunder.

God thunder furiously devoured the body of the flower mother-in-law!

Countless thunder and lightning cover everything!

Under the power of God thunder, people are vulnerable ants!

"Bang!"

The flower mother-in-law can no longer bear, the body flies out!

A mouthful of blood is spewing out!

Finally, he hit the corner of the challenge arena.

She just wanted to stand up, but ye Chen did not have any stay, rushed over again.

Ye Chen is very clear that he has exerted a part of the power of God thunder and silver needle, and the power of his elixir field has been exhausted.

Therefore, ye Chen must be in the flower mother-in-law weakest time hand!

Otherwise, the consequences will be unimaginable!

Hold it in the void, cut the dragon and ask the sky sword to sacrifice directly!

Hold the palm of your hand and kill the sky!

The peaceful arena, boundless air waves were stirred up.

The wind blows! Big waves.

Ye Chen raises the dragon and asks the sky sword, and cuts directly at the head of Granny Hua.

Granny Hua's face changed greatly. Although she was afraid of Ye's killing the sky, she burst out a strong desire to survive between life and death!

"Even if you are ye Shitian! If I kill you today, I will be famous for Kunlun void! "

Granny Hua clapped her hands on the challenge arena, and her old body rose into the air.

At the same time, a jade pendant was offered in the hand.

On the jade pendant is written the word qingluan.

This is the amulet given to her by the elder of qingluan sect.

Once it erupts, it's enough to destroy everything.

She wanted to use it in the face of the strong of the virtual king and the source of Tao.

But I didn't expect to use it on ye Shitian's body!

The key to her original initiative!

The jade pendant of qingluan is suspended on the challenge arena, and instantly condenses into a momentum of breaking the sky.

It's under great pressure! It makes it difficult to breathe.

Even gradually, a shadow floated from the jade pendant!

It's just a thought of the supreme elder of qingluan sect!

Mother in law Hua quickly knelt down: "elder Taishang, please suppress that boy. This boy killed several talented disciples of qingluan clan! The method is cruel, never stay! If we don't die today, the consequences will be unimaginable. It may even threaten the foundation of our clan! "

The empty shadow glanced at Ye Chen and said, "it's just waste into the holy land. The aura of the elixir field is exhausted. Since you dare to move my disciples of qingluan sect, you can erase it!"

The red light flickers, and the virtual shadow turns into a sword meaning of destroying the withered and decaying, and is ready to devour Ye Chen.

Granny Hua smiles!

This is her chance!

When the shadow of the supreme elder condenses the sword meaning, Xiao Huang, who has been lying on the shoulder of Ye Chen, roars and leaps fiercely!

Hairy little hand, stretch out claws, crazily toward qingluan jade pendant to grab!

"A brute, dare to challenge the authority of the supreme elder! I don't know what to do

Words just fell, flower mother-in-law's smile suddenly stiff!

Because she found that the yellow cat actually touched the jade pendant of qingluan without a trace of injury. She opened her mouth and swallowed up the shadow of the supreme elder!

Devour thoroughly! She even saw that there was a touch of fear in her eyes!

Obviously, I'm afraid!

This is the power of the supreme elder. How can you be afraid of an ordinary cat!

At this time, ah Huang's body fell on the ground, and a flash of light. Faintly, the shadow of a wild beast appeared from ah Huang's body, but soon disappeared.

"This orange cat is an ancient monster, and this blood..."

Before she finished speaking, Granny Hua noticed a sword coming!

It's Ye Chen!

Now, where does she have the courage to block!

People against the sky, plus a monster against the sky, how can she stop it!

Her frightened eyes could only see the Dragon beheading and Sky Sword crossing her neck.

"PATA!"

One of the heads landed directly and the blood spilled out.

At the same time, the shielding array on the challenge arena could not withstand the impact of the internal air waves and broke into pieces.

Everything is clear.

Under the stage.

Countless people look forward to it, because after a few minutes, there is no movement!

Key, they can't see what's going on inside!

Ji Siqing closed his eyes calmly on the surface, but in fact, his spiritual consciousness spread.

Watch everything.

If ye Chen is dead, she will be the first time to return to Ye Chen's body, at least scenery burial!

This is the only thing she can do for ye Chen.

"Sister, if ye Chen died, would you cry?" Ji Lin was sentimental.

Ji Siqing still did not speak.

All of a sudden, there was a voice from the quiet crowd!

"Look, the arena can see clearly again!"

"What's the matter? No, there's blood! Somebody's down! Ha ha, it must be the waste of the medical God's gate. The mother-in-law of qingluan clan is just crushing! "

Soon, however, the voice of the speaker stopped.

Because a shaggy head rolled down the ring.

Extremely ferocious.

It is rolling at the feet of Nanming Taoist.

"It's granny Hua! Granny Hua is dead! My head was cut off! How can it be! "

"Boom

The crowd off the field exploded! When everyone sees the head, he is cold behind his back!

The elder of qingluan sect was killed by an ordinary disciple of the medical God sect!

How could it be!

What a huge gap!

What happened in the arena just now!

They want to find the answer, but their eyes are fixed on the figure of a young man standing proud.

Chapter 828

The young man held a cat in his arms, which seemed harmless to human beings and animals.

But this moment, it is to let everyone feel the fear from the soul!

Even those close to the arena subconsciously step back.

Wei Ying in the crowd stares at the headless body on the challenge arena, and a touch of fright appears on Jue Han's face.

That kid didn't die?

And killed the elder of qingluan sect?

How could it be!

There was a storm in her heart!

She and ye Chen contact time is not small, more than most of the present know ye Chen, but simply did not expect Ye Chen to grow so fast!

Soon, Wei Ying recovered from her fright, and a smile of disapproval appeared on her lips.

"Ye Chen, ye Chen, no matter how strong you are, if you come across me, you will still lose, and you will lose. Your existence is a threat to the girl. If you don't die, the girl will not be able to give me her body completely. Naturally, my plan will not be completed! "

"In that case, we may as well wait and see."

With that, Wei Ying is heading for one of the challenge arena. It's her turn.

At the same time, Ji Siqing opened her eyes. She could feel that Ji Lin's small hand was holding her hand, which was painful.

"Elder sister, ye Chen unexpectedly..."

Ji Lin's mouth is huge and his face is unbelievable!

Is this the son of a bitch she knows!

Waste?

If this is still a waste, then all the people in the whole Kunlun village are rubbish!

Ji Siqing glances at the challenge arena, and ye Chen also looks at this side.

With four eyes facing each other, Ji Siqing exhaled a breath.

In her beautiful eyes, the splendor rippled, staring at Ye Chen deeply, her beautiful face was full of surprise, surprise and shock She wants to see through Ye Chen.

But found that she has been very familiar with the man, this moment unexpectedly incomparable mystery.

Mysterious want to let people can't wait to understand.

"Ye Chen, what kind of secret do you have

.....

At the moment, the body of Nanming Taoist is shaking, and he stares at the ferocious head under his feet!

He had no idea that Granny Hua was really dead!

Those qingluan sect disciples who were killed may be nothing!

But a famous elder of qingluan sect was killed in front of so many people. This is an insult of qingluan sect!

If ye Chen does not die, how should he account for it!

"Ye Chen, how dare you! How dare you kill my elder of qingluan clan

With a roar, the Taoist of Nanming stepped forward to the challenge arena!

Without the slightest hesitation, he offered his sword and went towards Ye Chen's chest.

He can feel that ye Chen's real Qi has been exhausted, and his body is just the weakest time. If he doesn't start now, when will he wait!

Ye Chen naturally didn't expect that the Taoist of Nanming would suddenly attack him. He wanted to react, but it was too late!

His body is too weak!

In front of such a villain, he was in a mess.

Ji Siqing is aware of something wrong, quickly towards Ye Chen!

But obviously it's too late!

She is too far away from ye Chen!

"Damn it!"

Ji Siqing did not hesitate to force blood essence and blood, but found it impossible!

"Taoist Nanming, if you dare to move Ye Chen, I will commit suicide to qingluan sect, and I will do what I say!"

She can only threaten it, but it's no use at all!

On the contrary, the sword meaning of Taoist in Nanming is even more terrible!

It's invisible to the naked eye.

Seeing that the long sword is about to pierce into Ye Chen's body, ye Chen has even become extravagant!

Xiaohuang wants to help, but finds that his body is firmly held by Ye Chen!

It growls in anger, it doesn't work.

Seeing that the long sword is about to pierce Ye Chen's heart, an old figure comes quickly.

"Who dares to move, my medical God?"

This roar, earth shaking!

It reverberates in qianjue square.

Countless people look for the source of the figure, but find that the other party is too fast to capture.

Eyes are full of surprise.

Here comes the master!

Here comes Duan Huai'an, head of the medical God sect!

Then, the violent wind came like a tornado!

An old voice opened in the sky, carrying a magic sword, imposing momentum!

Nanming Taoist felt the crisis behind him. He was afraid of change. His blood was shining. The sword broke through all the shackles without hesitation and went to Ye Chen's chest!

The blade has penetrated a few millimeters!

In the shadow of the fall, more and more ready!

The voice of anger is unrivalled: "Nanming beast! Hurt my apprentice! Look for death! Duan Huaian blows out!

This palm rolls up the true spirit of ten miles around!

Ten miles above, the bloodbath, the beast roared, as if a giant beast from Duan Huai'an's hand gushed out!

Extremely tyrannical and tyrannical, once touched, will not die!

Nanming Taoist's face changed greatly. He didn't care to kill Ye Chen, so his sword collided with him!

"Boom!"

An earth shaking sound pierced through.

The sword of Nanming Taoist turned into pieces on the spot, and countless pieces flew!

It can be seen how terrible Duan Huaian's palm is!

Nanming Taoist thoroughly see the people who do it!

He thought of countless possibilities, but he didn't expect it would be Duan Huaian!

Isn't this guy abolished by daocong!

How could this force break out!

Before he could wait for him, Duan Huai'an's palm pierced all the pieces and blasted mercilessly on the chest of the Taoist of Nanming.

"Puff

Nanming Taoist spit out a mouthful of red blood on the spot!

It is in the dull hum, the body heavy smash flies out!

At the same time, the fierce air waves spread in all directions, and the arena under Ye Chen and Duan Huai'an collapsed!

It's splashing dust!

They stepped into the dust and disappeared.

After a few seconds, the wind blows and the dust blows away.

There was a scream in everyone's ears. When we looked along the line of sight, we found that one of the judges, the Nanming Taoist, had a broken bone in his chest! Blood keeps coming out of your mouth!

Unable to groan and panic!

Hiss

Seeing this scene, everyone at the scene took a breath of cold air.

"Who did it! How could you crush the Nanming Taoist! What kind of power is it going to take? "

"I can't think of such a bully!"

Suddenly, the sharp eyed man stared at the old and the young, and exclaimed in surprise:

"the old man The old man is not Duan Huai'an, the leader of the medical God sect! The Kunlun virtual genius who was once abandoned in the elixir field! He's back

"What! He He actually stepped into martial arts again! My God

The next moment, the field was in a state of uproar and boiling. Everyone was shocked, and his face was even more shocked.

Most people here know one thing!

The decline of the medical God gate began with Duan Huai'an being abolished!

But if Duan Huai'an rises again, and ye Chen, who became the God in the first battle today, who dares to say that the medical God gate is a garbage sect!

Chapter 829

Duan Huaian's appearance has changed everything, but also subverted everyone's cognition.

The situation originally controlled by the Nanming Daoists was completely transferred.

Controlled by Duan Huaian!

Kunlun virtual is the strong for respect, Duan Huai'an at the moment revealed the strength is too terrible!

Almost crush the Nanming Taoist!

Ye Chen looked at Duan Huai'an in front of him and said, "master, you are here at last."

Duan Huaian turned and touched his beard: "even if I don't come, I believe you won't have any problems."

"What's more, today is the first time for us to step out of the door of the God of medicine. How can we not come? I want to see my good disciple win the battle of genius."

Words fall, four figures fall together!

It was the other four referees except Ji Siqing.

Nanming Taoist, as the referee of this game, was injured in qianjue square. This is a big event!

One of the old people just wanted to help Nanming Taoist, but he was stopped by Nanming Taoist.

Nanming Taoist took the next pill, stood up, staring at Duan Huai'an, and said, "Duan Huai'an, do you know what you are doing! Mr. Jingshui is standing behind the battle of Kunlun xuzong's genius! Do you believe it or not, even your doctor's door will be wiped out at that time! "

Mr. Zheng also said: "Duan Huai'an, you really have a little too much. It's taboo to hurt the referee."

Qiu Rongcheng of Jue Wuzong also offered a cold sword, with the blade pointing to Duan Huai'an!

In his eyes, ye Chen is an obstacle between him and Ji Siqing. He thought Ye Chen would be killed by Nanming Taoist, but he didn't expect to kill Duan Huai'an on the way.

This section of Huai'an is so destructive that it has broken the rules. It is undoubtedly seeking death!

He stood beside the Nanming Taoist without hesitation and said to Duan Huai'an: "headmaster Duan, although you don't know when you will recover your strength, do you know the rules set by Mr. Jingshui? If any external force dares to interfere with the game, it will be punished! "

"If I were you, I would kneel down in front of Taoist priest Nanming and beg for forgiveness. Maybe I will give you a whole body."

After saying these words, Qiu Rongcheng looks at Duan Huaian with some pride. Now their master and apprentice are completely finished. Look how arrogant they are!

Duan Huai'an faces the public's accusation, his hands are behind him, his momentum is released, giving people a sense of pressure!

Even most of the people present did not know what strength Duan Huaian was!

"Mr. Jingshui, I naturally respect him, but my apprentice, I also want to save! Nanming, an old brute, openly starts his hands on the disciples of the medical God sect. Can I just sit back and ignore it?"

"If you think the same as this old beast, even try to move Duan Huai'an's disciples, I promise, I will let you understand what kind of character Duan Huaian was decades ago!"

Threat!

Cold threat!

The faces of several referees changed slightly, because Duan Huai'an was not abolished in Dantian. He was one of the best in Kunlun. He killed people without blinking an eye!

If it wasn't for the daocong, Duan Huai'an might have been the existence of the xuzong clan in Kunlun!

Naturally, the Taoist of Nanming didn't eat this set. He wiped the blood from the corners of his mouth, pointed the weapon in his hand at Duan Huai'an and said, "don't quibble for me! Even if you love your disciples, you should not be so presumptuous! Ye Chen killed so many important people in qingluanzong. This competition is a contest, but your apprentices are all killed! Shouldn't we suppress such people? Is this fair to others? "

Duan Huai'an glanced at Ye Chen and replied, "can't the arena of Kunlun void determine life and death? Now that you're on the challenge arena, you've got your life and death! "

"In other words, the whole Kunlun empty genius, no one should die, only the disciples of the medical God sect deserve to die!"

Duan Huaian step out, the sound rippled like a ripple, very deterrent!

It's his anger!

Those practitioners who are close to the challenge arena are suddenly full of blood and spit out a mouthful of blood!

At the same time, Nanming Taoist, Zheng Lao and Qiu Laocheng turned pale!

Although they didn't do it, they felt Duan Huaian's supreme anger.

What kind of state can the power of sound wave reach!

Is it possible that the strength of Huaian now far exceeds that of the virtual king!

In this way, they are helpless!

Nanming Taoist felt that they were a little weak, so he held out his finger to Ye Chen: "Duan Huai'an, since you are determined to break the rules, it is to prepare to fight against our referee group, Mr. Jingshui, and the xuwanqianzong sect of Kunlun! A useless disciple, is it worth your destiny to block up the door of medical God? "

Before he finished speaking, Duan Huaian disappeared in his place.

In a flash, he even appeared in front of the Nanming Taoist.

The wind blows!

It's stormy!

Five fingers together, one hand to shoot!"Pa!"

The slap hit the Taoist in the face of Nanming without any struggle, and even several teeth flew out.

The powerful force blows the Nanming Taoist again!

If it was not for Zheng Lao blocking a trace with the technique, the consequences would be unimaginable!

"I'll just say it once again. My apprentice Duan Huai'an, if anyone dares to use the word" rubbish "again, there will be no amnesty for killing him

After a slap, Duan Huai'an stands like this.

his eyes are like thunder, and he stands proud and arrogant. He is extremely domineering.

Even like the devil from the middle of the Shura hell, the whole body is filled with the atmosphere of tyranny.

Today is an important battle for ye Chen's return, as well as for Duan Huai'an's return.

If he is not happy, his master and his disciples will make a big fuss about it, so what!

When the audience saw this, they were silent.

Even a few of the most ferocious people who just scolded retreated to leave the place early.

Ye Chen saw this scene, he found that the master and the strength of that day to wake up the sharp contrast, like Nirvana rebirth general, incomparable.

Is this the reason why the master was closed and late.

And Xiao Bi and old Xue, who were under the stage, were already full of tears!

They never thought the master would have such a side!

Since they entered the door of medical God, they were doomed to be inferior!

They feel inferior, even if others bully them, they dare not fight back.

It can only be tolerated.

The disciples of the medical God sect have lived in depression for a long time.

Why?

It is because of the decline of the door of medical God! Master Duan Huai'an will no longer step into martial arts! Become a waste man and a joke!

And today, the strong return of the master, is undoubtedly in the release of a signal!

Since then, the door of medical God is no different from any one!

And the disciples of the medical God sect are not defeated by any one!

On the challenge arena, the Taoist of Nanming was helped up by Mr. Zheng. He looked at Duan Huai'an's wild animal like eyes, and his sharp and incomparable eyes pierced his heart like a knife.

He lost completely! There's even no right to fight back.

Chapter 830

Looking at this scene, Mr. Zheng sighed, took out an array plate and threw it out, as if determined to say: "this thing is doomed to end in a bad way. In this case, it is time to use that power. We can't let people break the rules of Mr. Jingshui! The master and apprentice of the medical God sect should be wiped out. It's a pity that the boy is so talented

"Good!"

The others nodded! Fingers pinch Jue, a ray of light is in the palm of the hand.

Ji Siqing under the stage saw this scene, his face changed greatly, and he even said, "be careful!"

But it's too late!

It's made of five kinds of blood essence, and an ancient rune is condensed.

The rune is suspended in the air, and the formation potential of the array is formed.

Then, the place of the array split, and the shadow of a huge fierce beast suddenly formed!

This is a blood wolf with nine ferocious heads.

Eyes cold, with killing intention!

Fangs seep into people and look down on everything.

The crowd exclaimed at the nine blood wolves!

"This is This is Mr. Jingshui's ancient killing array, Jiulong candle magic array! This array was originally created by Mr. Jingshui. Even the elders of the array League were not rivals at that time! It must have been Mr. Jingshui who gave it to the referee's bench. Now the two men of the medical God's gate are dead! "

"No matter how strong Duan Huai'an is, he can't resist the Jiulong candle magic array."

Listening to the voices coming from his ears, ye Chen's eyes are slightly narrowed. Although he has never heard of this array, from the perspective of momentum, this array is absolutely not the master and he can carry!

He even smelled a trace of the same smell from those blood dragons as that of the reincarnation graveyard.

This ancient array is not ordinary and extremely dangerous.

Who is Mr. Jingshui!

Since Huai'an knows the situation, we don't want to know the situation! Now, what we have to do is to leave. I'll hold the nine animals, and you'll leave as soon as possible

"And remember to expose your other identity!"

Duan Huai'an knows that ye Chen is Ye Yantian. If you report Ye Zhitian's identity, you can definitely reverse the situation a little bit, or even gain temporary security.

But all this is only temporary, in the absence of absolute strength before the exposure of identity, will only die faster!

At that time, the door of medical God will be strangled in the cradle before it grows up.

This is the cruel rule of Kunlun Xu.

Ye Chen couldn't walk. He drew out his sword and said in a cold voice, "master, since the power of Mr. Jingshui is so powerful, we can learn from it."

Duan Huaian hesitated for a few seconds, or nodded: "good!"

Words fall, two figures with swords rushed out.

However, the nine headed blood wolves were shaking their ferocious fangs and heads. With a tap of the soles of their feet, cracks appeared on the ground.

Visible power.

The cracks spread like a blade toward Duan Huai'an and ye Chen.

With a gentle stroke, the sword breaks open naturally.

Duan Huaian's eyes are tinged with coldness, but he knows the legend of Mr. Jingshui, who is almost talented and respected by countless people.

Even the strength is extremely frightening!

No clan dares to offend!

This kind of people's strength can not be despised. Once despised, it is to seek death.

He bent his right foot and released his energy. His body was almost ten meters in the air. The real Qi of Dantian surged on the sword like a tide.

"Ask Cang Yun Hai sword, break!"

A roar, a hundred foot sword suddenly burst out, directly killed on the head of a nine blood wolf.

"Click!"

Decapitation! The blood is shooting!

Duan Huaian's heart is happy, just want to cut the second head of nine blood wolves!

But I didn't expect that the severed head was born again!

His body was stunned, but he didn't react completely. Nine blood wolves, with their big mouths, rushed directly to Duan Huai'an.

Duan Huaian wants to dodge, but he finds an invisible force that seems to imprison him!

Suddenly, he thought of something, looked down and found himself in the array.

This ancient array has the power of binding!

"Touch!"

The body of nine blood wolves directly hit Duan Huaian's chest. No matter how strong he is, he still can't help his blood rising! The body smashed to the ground.

A deep pit appeared in the arena, and the dust was splashed.

"Roar!"

Nine blood wolves roared, under the ferocious head, the cold fangs bite toward Duan Huai'an.

Once touched, under the force of nine heads, it must be torn on the spot.

The rest of the judges laughed coldly at the scene.

Nanming Taoist is more gloomy way: "Duan Huai'an, even if you restore the Dantian, how about it! What you have to face is Mr. Jingshui. The top sects of Kunlun Xu have to give Mr. Jingshui some face. This is why no one has made trouble in the battle of Kunlun Xu genius for so many years! Today, you are the master of garbage clan. Do you really think you can take charge of everything? It's ridiculous"Everybody, let's see Duan Huai'an on the road in person!"

Five fingers pinch Jue, a trace of blood instantly wrapped nine blood wolves.

The blood wolf's body is more and more huge, even with a trace of rhyme between the wave!

Just when the fangs are about to touch Duan Huaian, a figure blocks Duan Huaian in front of him.

"Beast, go back!"

Ye Chen blows out his sword directly. The blood dragon roars in his body, and the power of the endless blood dragon is swallowed up.

The sword fell, and the whole body was in a rage. The momentum was towering!

"Ding!"

Ye Chen's sword severely hit the fangs of nine blood wolves!

But it doesn't work!

Only violent Mars!

Even if ye Chen lost most of his true Qi in the battle just now, it can't be so!

"Little brute, don't waste your strength. I have to admit that you have the strength to rank in the top 20 among all the talents. However, this array is specially designed by Mr. Jingshui for the strong. Don't try to break it. If I were you, I would kneel down on the arena and beg for mercy. Maybe I will make your death less painful!"

The voice of Nanming Taoist came out.

At the same time, the nine blood wolves suppressed again!

Ye Chen didn't care about everything. He wanted to let the blood dragon rush out of his body, but he found that there was a force hindering the blood dragon from rushing out!

Suppress everything in the array!

Damn it!

"How about kneeling? Of course, you can't kneel alone. The old thing behind you should also kneel down! Mr. Jingshui is not something that ordinary people can offend

Nanming Taoist continued!

"I care whether he is mirror water or dirty water. If you dare to touch my master, I will kill him too!"

In a word, such as thunder, dominate the world, no one can resist!

That thunderous roar shocked the whole arena, and everyone's eardrums hurt, as if to be torn.

That breath is even more tyrannical.
