Chapter 8281

Although Xia Ruoxue said that there was no one around the bright star sea, it was absolutely safe.

However, ye Chen still didn't dare to make too much noise. He was obsessed with the two women in the water, and also maintained the most gentle posture.

Between infatuation, the aura of the bright star sea continued to converge on Ye Chen.

Ye Chen had only one word in her heart:

Cool!

After soaking for three days, ye Chen, Xia Ruoxue and Wei Ying all improved their accomplishments under the nourishment of the bright star sea aura.

Ye Chen is still a six storey sky in the hundred flail realm, but he has taken a big step, and is not far from the seven storey sky.

When this battle of supreme merit is over, ye Chen is confident of a breakthrough in promotion!

Xia Ruoxue and Wei Ying, two girls, have been happy with Ye Chen for three days, and their mood is also quite happy, but it's a pity that Ji Siqing is not here, and there is one less person. After all, there are some regrets.

And the aura of the bright star sea, absorbed by the three people, the aura Light is also indifferent.

Xia Ruoxue felt a little sorry and sighed, "I'm afraid it won't be long before this bright sea of stars will completely exhaust its energy and dissipate between heaven and earth."

Ye Chen hugged Xia Ruoxue and said with a smile, "it doesn't matter. Anyway, we've got the benefits."

Xia Ruoxue thought it was the same, so she smiled with relief and said, "also, we are going back. The day when the Taishang merit war begins is coming."

Ye Chen nodded and left here with Xia Ruoxue and Wei Ying to return to the star moon realm.

In these three days, ye Chen breathed a sigh of relief because he did not encounter the strong in the Shura world.

Now that Taishang's virtue war is imminent, he naturally doesn't want to cause any trouble.

"Brother Ye Chen, you are back."

As soon as the three came back to the star moon world, they saw Wu Yao bouncing over and greeting them.

"Sister Wu Yao, what's the matter?"

Ye Chen smiled.

Wu Yao said, "Zihuang fairy palace sent another person to inform you that the supreme meritorious war will start. You contestants can start first. The battlefield location is called the fire god world. I asked them where the fire god world is, and they said that the coordinates could not be revealed."

Ye Chen frowned and said, "how can we go without revealing the coordinates?"

Wu Yao said, "they said that there is a transmission array in the ancient city of heaven, which is the only way to the fire god world. You can pass through the ancient city of heaven." He handed Ye Chen a map.

Ye Chen took the map and immediately captured the coordinates of the ancient city of heaven. His eyebrows frowned deeper and said, "it's so troublesome to send another one. What's going on in Zihuang fairy palace, and where is the fire god world?"

Xia Ruoxue said, "the God of fire, the legend is the moral God. Based on the real world fire, the world opened up by oneself is also a major barrier to maintain the fire."

Xia Ruoxue is in charge of the Xingyue cult. She obviously knows more than ye Chen.

Ye Chen has never heard of the legend of the fire god world, but Xia Ruoxue has heard of it.

"In other words, this fire god world is a world built on fire?"

Ye Chen was surprised. He knew the importance of the fire. No matter how the real world, the universe and the stars change, whether they multiply or destroy, the fire will not go out.

As long as the energy of the fire is still there, even if the universe is destroyed, it will be reborn in the ashes!

The mission of Zihuang fairy palace is to guard the fire of reality.

Xia Ruoxue said, "yes, this supreme meritorious war was actually held in the fire god world, and the purple fairy palace is not afraid to hurt the fire?"

Ye Chen shook his head and said, "the moral God is an expert in the world, mysterious and unpredictable. He must have his reason for this arrangement. We'd better go to the fire god world as soon as possible and get ready for the war."

The battle of supreme merit is extremely important for ye Chen. He must win the championship.

Only by winning the championship can we save the goddess of heaven and the demon emperor, and we can get the atmosphere to fight against the ruins.

"OK, let's go!"

Xia Ruoxue nodded.

Ye Chen, together with Xia Ruoxue and Wei Ying, summoned the disciples in the star moon circle who had received the invitation to fight for meritorious deeds, and prepared to go to tiangucheng together to participate in the battle for supreme meritorious deeds.

Ren Feifan, ye Yishen, demon emperor and others came out to send them off.

Ren Feifan said, "Ye Chen, I have seen the moral God, and he also promised to put the pure heart snow lotus into the champion reward. As long as you can win the champion in this supreme merit war, you can get the pure heart snow lotus."

Ye Chen's heart was full of blood, "I know, master Ren, demon emperor, I will try my best!"

Pure heart snow lotus is a spirit thing that allows the demon emperor to completely solve the soul crisis. Ye Chen will not miss it.

The demon emperor sighed and said gratefully, "Ye Chen, please don't put too much pressure on yourself this time. It doesn't matter if you can't get it."

After a pause, he took Yu Chi Yao's hand and said with a smile, "I can marry Chi Yao. I have no regrets in my life."

Ye Xie said: "grandson, you should be very careful in the Taishang merit war. That guy is difficult to deal with."

Ye Chen's heart was cold, and he thought of the strong posture of returning to dust at the demon emperor's wedding, which was also a burst of fear, and said, "don't worry, Grandpa, I'll be careful."

Last time, ye Chen was able to defeat GUI Chen. After all, he relied on a little luck.

This time, if the two fight again, it's hard to say who will win.

After the failure of Guichen, the magic ancestor Wutian will also accelerate the process of integration, making Guichen more powerful.

Suddenly, ye Chen thought of something and said, "Grandpa, can the strong without time and space cross the long river of time and space?"

Hearing this question, ye evil god was stunned and asked, "why do you suddenly ask this?"

Ye Chen talked about his own affairs in the chaotic space, the Xuan demon world, and even the Kirin world.

After saying that, ye Chen can feel the dignity of Grandpa and Ren extraordinary.

After a few breaths, ye evil god said, "the mysterious man you met may be in the layout. From his behavior, he belongs to the reincarnation camp and is not a threat to you. More importantly, he is infected with the cause and effect of Wu Zu. As a disciple of Wu Zu, he is helping you."

"As for wuwuwuspatiotemporal and chaotic space, what great changes have taken place? I will investigate with Ren Feifan. At present, what you need to do is to participate in the supreme merit war and win

Chapter 8282

Thinking about everything clearly, ye Chen wanted to communicate with the little Kirin in the reincarnation diagram of martial arts. Although the little Kirin was a little unhappy, he still said, "master, I'll shut up first and continue to practice swallowing the sky. I hope I can help you clear the obstacles when I leave the customs."

Ye Chen nodded gently.

Ren Feifan saw that it was almost the same. He said, "go, I'll wait for you to triumph."

Ye Chen said, "yes!"

At that moment, ye Chen said goodbye to everyone and went to Tiangu city with Xia Ruoxue and Wei Ying.

But just then, a figure rushed out!

It's Chi Feixue I haven't seen for a long time!

Chi Feixue originally followed

Chapter 8283

I saw a woman in a red dress, with several men, striding over, and it turned out to be fan Xingyan in the thousand Star Palace.

Ye Chen was surprised to see fan Xingyan and said, "it's you."

He caught it on fan Xingyan again

Chapter 8284

That robe, called "ten thousand sword Robe", is said to be left by an ancient great power. Its defense is extremely strong. It is invulnerable to weapons, water and fire, and ten thousand methods. It can even resist the breath of no time and space!

Unfortunately, there is a seal on the robe of ten thousand swords, which is difficult for even Wuliang masters to open.

The purpose of holding the ten thousand swords conference in the Lord's mansion is to invite all martial artists to work together to break the seal.

The leaflet makes it clear that whoever can break the seal belongs to wanjian robe.

At present, a large part of the fighters in the ancient city of heaven are ready to participate in the battle of supreme merit.

Those who dare to go to war must have superior strength.

If you work together, you really have a great chance to break the seal of the ten thousand sword robe.

"Ye Chen, are we going to participate in this 10000 sword conference?"

Xia Ruoxue also saw the contents of the leaflet and hesitated to ask.

Ye Chen wanted to say no, after all, it was important to fight for supreme merits, but his heart suddenly jumped and caught a familiar mystery.

That's actually related to Xu Feng lingzu!

"Xufeng lingzu? Is this ten thousand sword robe the robe of Xufeng lingzu?"

Ye Chen's eyes narrowed slightly, and in an instant, he saw the ancient mystery picture.

In the past, the ancient god of Tuo emperor came and waved the ancient sword of heavenly sin to kill Xufeng lingzu.

However, relying on the robe of ten thousand swords, Xu Feng lingzu stubbornly blocked the killing of the ancient sword of sin, but was injured and not killed.

Finally, Xu Feng lingzu fled to the real world, and the 10000 sword robe was also regretted to be lost.

The ancient sword of heavenly sin is the most powerful artifact. How sharp is the edge of killing.

It is conceivable that the ten thousand sword robe can block the killing of the ancient sword of sin, and its defense is strong.

Ye Chen was shocked on the spot. Unexpectedly, Xu Feng lingzu's ten thousand sword robe fell into the ancient city of heaven.

If you get the ten thousand sword robe, won't you be able to resist the edge of the ancient sword of heaven's sin?

Ye Chen's heart beat faster.

"Ye Chen, what's the matter with you?"

Xia Ruoxue saw that ye Chen looked different, and the willow eyebrows frowned slightly and asked.

Ye Chen didn't answer, but fan Xingyan grabbed the leaflet in their hands, tore it in two, and threw it on the ground. She was quite disdainful: "what 10000 sword conference, I think it's a trick of Duobao

Tianjun, trying to delay our time. Let's go to the fire god world immediately to prepare for the supreme meritorious war."

Hearing this, ye Chen frowned slightly. If the ten thousand sword robe was just an ordinary magic weapon, he naturally wouldn't care.

But now, in the dark, ye Chen caught the secret of heaven and peeped into the truth of the ten thousand sword robe. How can he be indifferent?

That ten thousand sword robe, but once the robe of Xu Feng lingzu, was even enough to resist the edge of the ancient sword of heaven sin. He didn't want to miss such an important treasure.

"Our soldiers are divided into two ways. Ruoxue and Wei Ying, you follow Miss Fan and go to the fire god world first. I'll stay and see the details of the 10000 sword conference."

Ye Chen pondered for a moment and made a decision quickly.

Xia Ruoxue and Wei Ying were shocked when they heard Ye Chen's words.

Fan Xingyan was also surprised and said, "what, you want to stay alone? What if Wei Chi lie acts against you? I have received reliable news that he is ready to take refuge in Duobao Tianjun, and it is absolutely impossible to let you go easily!"

Wei chilie in her mouth is the owner of Tiangu city and the organizer of the ten thousand sword Conference!

Ye Chen said in a deep voice, "the ten thousand sword robe may not be as simple as it looks on the surface. I have to go and have a look!"

Fan Xingyan keenly perceived something and said, "do you know the origin of the ten thousand sword robe?"

Ye Chen waved his hand, but said nothing more. "Miss Fan, take my people to the fire god world first, and I'll meet you again when the ten thousand sword conference is over tomorrow."

Xia Ruoxue didn't want Ye Chen to stay alone. She took his hand and said, "if you don't go, I won't go either."

Wei Ying also resolutely said, "I'll stay too."

Ye Chen smiled bitterly and said, "the ten thousand sword conference is not simple, but many people hinder it. Go to the fire god world and wait for me first."

After a pause, he said to Fan Xingyan again, "Miss Fan, please, for the sake of the demon girl..."

Fan Xingyan heard Ye Chen mention it

Chapter 8285

That's the jade pendant that master Yan Xingtian gave him!

Yan Xingtian said that with this jade pendant, he could find Xia Yu in the supreme meritorious war and ask the other party to take care of him.

Xia Yu once received the favor of Yan Xingtian and was instructed by the latter. His martial arts were very strong.

With his care, Ye Chen will certainly be much easier in the virtue war.

But at this moment, the jade pendant keepsake in Ye Chen's arms made an unusual change, vaguely echoing with the man on the left hand side on the roof of the Lord's mansion.

"Is this man Xia Yu?"

Ye Chen was surprised and looked at the man on the left.

The man also seemed to notice that there was a slight fluctuation in his cold face, glanced at Ye Chen, and his eyes showed a trace of surprise.

"Xia Yu, you are distracted!"

On the other side, the man who confronted him gave a sneer, and his eyes suddenly burst into flames. Seizing this once-in-a-lifetime opportunity, the long sword burst out like lightning and stabbed Xia Yu in the heart.

Xia Yu's face changed greatly, and the masters confronted each other. The most taboo was distraction.

He was distracted by his opponent and was immediately in a very dangerous situation.

"God's way of heaven, Yellow Dragon Sword spirit!"

In the crisis, Xia Yu shouted violently, and the long sword exploded into a billowing wave, turning into a simple and powerful Yellow Dragon, entrenched on the sword, and fought back at the man.

"Hehe, is this the sword technique you learned secretly with old man Yan Xingtian? That's all!"

The man disdained to smile, his wrist shook, and his sword soared.

I saw that the man's sword was as thick as the earth's rock and soil, and faintly showed the color of gold, with a trace of glory and nobility in its simplicity.

Xia Yu's Huanglong sword gas collided with the man's geotechnical sword, and suddenly burst into a fierce wave.

"Cough..."

Xia Yu snorted, coughed violently, and was immediately hit.

He finally lost the first hand, but this confrontation was instantly downwind. Under the attack of the rock and earth sword, his body was faintly petrified, which was very terrifying.

"Why is this breath so similar to the emperor's book?"

Ye Chen looked at the man's burst of rock and earth sword, and was suddenly surprised.

In the dark, he was surprised to find that the man's rock and earth sword, breath and the legendary emperor God book, very similar!

The book of the emperor of the earth, which is one of the treasures of the three emperors, is currently in the hands of the goddess of heaven.

Naturally, there is no relationship between the man and the goddess, but it is inconceivable that his sword technique is interlinked with the emperor's divine book.

"Situ Chen, your rock god blood..."

Xia Yu looked at the man incredulously with a pale face.

"Unexpectedly, even if I have only half a drop of rock god's blood, it is enough to exert my power."

"Xia Yu, today is your death!"

"The other half of your blood belongs to me!"

The man named Situ Chen's eyes burst into murderous anger, and with the power of the earth and rock, he frantically beheaded Xia Yu.

Xia Yu's face sank, and suddenly bit the tip of his tongue, burning blood essence. His momentum exploded instantly, and his hair fluttered.

"Ancient Shinto, sky orange inflammation!"

Under the burning of Xia Yu's blood essence, the sword Qi also soared, and the orange red flame that burned his eyes was like a startling wave overturning, billowing out of his sword, stirring the wind and cloud of heaven and earth.

"Sky orange flame!? you actually learned this sword!?"

Situ Chen was shocked. This sky orange flame, but the sword technique born to bury reincarnation, was very overbearing.

The world in those days

Chapter 8286

He couldn't escape the sword of Chi Feixue anyway.

At the critical moment, Situ Chen separated a part of his aura and turned it into a shield, which could block the sword of concubine Chi's blood.

But he was distracted and was immediately hit back by Xia Yu.

The sword Qi of Xia Yu's sky orange flame rushed up like a burning wave, and forcibly hit situ Chen's body out.

"Puff!"

Situ Chen vomited blood like a broken kite and fell to the ground in great confusion.

Xia Yu also gasped violently because his blood essence was consumed too much.

Chi Fei's beautiful eyes were strict, but she was like a cold-blooded and ruthless killing machine, and she pursued situ Chen with her sword.

Situ Chen's pupils contracted, full of panic.

Unexpectedly, today he fought a decisive battle with Xia Yu, but was targeted by a killer of jimiegong.

"What a cruel woman! Chi Fei's blood, the territory of our city Lord's mansion, is not up to you to go wild in jimie palace!"

At this time, only a thunderous sound exploded.

A powerful, bearded man, like a wild beast, shot out of the city master's mansion and blasted his fist at Chi Fei's blood.

Chi Fei's blood changed slightly and hurried back.

The big man didn't pursue, snorted, and stood there with his hands on his back. He had a momentum of standing on the mountain, which made people dare not invade.

"The city Lord is coming."

There was a commotion among the many warriors outside the city Lord's mansion.

This bearded man is the Lord of the ancient city of heaven, Wei chilie!

Wei chilie glanced at Chi Feixue, then turned his eyes, but among the crowd, he accurately locked Ye Chen's position, sneering:

"The Lord of reincarnation, the former vice Lord of jimie palace, has become your woman?"

His eyes were fierce, and he saw at a glance that the real master behind the defeat of situ Chen was not Chi Fei's blood, but ye Chen!

Hearing Wei chilie's words, the eyes of the whole audience gathered on Ye Chen, in an uproar.

"Is this the Lord of reincarnation?"

"Six layers of sky in Baijia territory? Am I right?"

"With him, how can we fight against wanxu?"

Many martial artists showed a look of surprise and shock. They couldn't believe it.

After all, on the surface, ye Chen's cultivation realm is indeed worse.

However, Wei Chi lie did not have any contemptuous expression, full of dignity, and said, "Lord of reincarnation, did you hurt the people in my city master's mansion to be an enemy?"

Ye Chen glanced at situ Chen and said, "Yuchi city master, is this man your man?"

Wei Chi lie said, "no, brother situ has the blood of rock god, and even has been instructed by Lord Duobao. He is not my subordinate, but the guest Qing and Dharma protector of my Lord's mansion, and he is also my friend!"

Ye Chen's heart was cold, and he didn't expect that situ Chen was actually related to Duobao Tianjun.

And the blood of the rock god, what is it?

Is it related to the emperor's book?

Ye Chen subconsciously glanced at Xia Yu. He had many questions in his heart, and immediately said to Wei Chi lie:

"Lord Yuchi, today's matter is just a misunderstanding. I have no intention of being an enemy with you. If there's nothing wrong, I'll leave first."

When Wei chilie heard that ye Chen was leaving, he was surprised. He frowned and said, "Lord of reincarnation, why don't you go so soon and have a cup of tea at my house?"

Ye Chen said, "when the ten thousand swords conference starts tomorrow, it's not too late for me to harass the Lord again."

Wei chilie heard that ye Chen was not going to the fire god world, but was going to participate in tomorrow's ten thousand swords conference. His eyes lit up and he said with a smile, "very good, very good, then tomorrow's ten thousand swords conference, I'm waiting for the Lord of reincarnation."

Ye Chen said, "sure."

At that moment, ye Chen also stopped staying, leaving with Chi Fei's blood and Xia Yu.

Wei chilie looked at the back of the three people leaving, his eyes flickered, and quietly ordered a servant: "go and report to Lord Duobao, the Lord of reincarnation is coming..."

.....

After leaving the city Lord's mansion, ye Chen found a quiet place, summoned the wish star, and went up with Chi Fei's blood and Xia Yu.

Xia Yu fought with situ Chen, his blood essence was seriously lost, and he also suffered a little internal injury.

Ye Chen took out some elixirs to replenish blood and Qi, and then used the eight trigrams heaven elixir to heal him.

Xia Yu recovered slightly and breathed a long sigh of relief.

Ye Chen said, "are you all right?"

Xia Yu was silent for a moment, grateful and ashamed, "it's all right, Lord of reincarnation, thank you for saving."

Ye Chen took out a jade pendant and said, "do you recognize this jade pendant?"

This jade pendant is the keepsake Yan Xingtian gave him.

Xia Yu was even more ashamed and said, "naturally, I recognize this jade pendant as a gift to master Yan Xingtian. I just didn't expect that the person who finally came to see me with the jade pendant was actually the famous Lord of reincarnation."

"I can care for others, but I am not qualified to care for the Lord of reincarnation."

Ye Chen put away the jade pendant and said, "brother Xia Yu's cultivation is strong. If he hadn't been distracted by me, he wouldn't be so embarrassed."

In fact, Xia Yu's cultivation has reached the late stage of immeasurable realm. He is extremely strong and stronger than Chi Fei's blood.

If it weren't for ye Chen's appearance, which distracted him and missed the battle opportunity, he might not have lost to situ Chen.

Xia Yu was still ashamed and said, "if it weren't for the Lord of reincarnation to save me today, I would definitely die."

Ye Chen frowned slightly and asked tentatively, "who is situ Chen? I think his sword technique has a thick smell of earth and rock, which is very similar to the book of the emperor of the earth. What's the matter?"

The book of the emperor of the earth, one of the three emperors' treasures, is currently the magic weapon of the goddess of heaven.

If we can find out the truth of the emperor's book, it will be greatly beneficial to the recovery and even strengthening of the goddess!

Hearing Ye Chen's inquiry, Xia Yu seemed to fall into memories. He was fascinated for a while, and then his eyes became cold, as if washed by water. He said, "Lord of reincarnation, have you ever heard of the God of rock?"

Ye Chen frowned and said, "God of rock? Forgive me for being ignorant, I haven't heard of it yet."

Xia Yu said "Hmm" and said in a deep voice, "the legend of the God of rock is very long ago. It's normal for you to have never heard of it. He is the caster of the book of the emperor of the earth."

Hearing this, ye Chen was surprised and said, "the God of rock, is the caster of the book of the emperor of the earth?"

The book of the emperor of the earth, which is one of the treasures of the three emperors, is extremely powerful.

It's conceivable that this rock god can cast such an artifact.

Xia Yu said, "that's right! According to legend, the God of rock is the demon God who dominates the earth and rock."

"Long, long ago, he was the Supreme Master of the demon God family in wuwuwuspacetime!"

Ye Chen was stunned: "the Supreme Master of the demon God clan?"

Xia Yu said, "yes, when the rock god Tianzun ruled, the demon God family was the most powerful existence among the four God families without time and space! Even the ancient god family should avoid its edge!"

Chapter 8287

"When the God of rock ruled the world, no Lich ancestor or feather emperor had been born."

Hearing this, ye Chen was shocked.

In this way, the rock god Tianzun can be said to be the ancestor of the demon God family, which is much older than the Lich ancestor Shen Tu Wan'er today.

Xia Yu then said, "later, the God of rock accidentally fell. The emperor's book was an artifact forged before his death, containing his lifelong efforts. If you can take charge of the emperor's book, you can take charge of the majesty of the earth and rock."

Ye Chen's mind moved and asked solemnly, "situ Chen, does he have the blood of the God of rock?"

Xia Yu pondered for a while and said, "to be exact, he only has half a drop of blood."

Ye Chen was stunned and said, "half a drop of blood?"

Xia Yu said, "yes, that situ Chen, in fact... Is my younger martial brother. We came from the same school."

"Ten thousand years ago, we accidentally got a drop of blood. That drop of blood is a drop of God's blood left after the fall of the God of rock!"

"The power of that drop of divine blood is extremely vast. If you can refine it, you can get some magical powers of the rock god Tianzun. My younger martial brother and I want to turn against each other..."

Speaking of this, Xia Yu's tone was a little sad.

Ye Chen was also silent, thinking that the God blood of the rock god must be amazing, otherwise, Xia Yu and situ Chen would not turn against each other.

Xia Yu sighed, shook his head and said, "in the end, none of us can compete with each other, so we have to take half a drop of blood alone."

"That half drop of rock god's blood completely transformed us from the middle of immeasurable realm to the late of immeasurable realm."

Hearing this, ye Chen was shocked.

Only half a drop of blood can make people promoted so violently.

The energy of the divine blood left by the God of rock is so magnificent!

Xia Yu said, "however, if it's only half a drop of blood, it can't give play to the magical power of the rock god Tianzun. At least a drop of blood is needed."

"My younger martial brother and I decided to fight for ten thousand years. After ten thousand years, the martial arts competition will be decisive. Whoever wins will get the other half of the blood."

"In these ten thousand years, I have been looking for strong people everywhere, constantly cultivating and improving, just to defeat my younger martial brother and capture the other half of the blood in the battle!"

Ye Chen understood, his eyes flashed, and said, "so today is the day you fight?"

Xia Yu nodded and said, "yes, in the past ten thousand years, I have visited many experts. Yan Xingtian, once the king of the divine world, taught me the martial arts of the divine way of heaven, and also passed on my sword technique of heaven orange inflammation. I was very confident, but I didn't expect..."

Ye Chen recalled the fight between Xia Yu and Situ Chen just now. He apologized and said, "sorry, if it weren't for me, you wouldn't be so embarrassed."

Xia Yu smiled bitterly, waved his hand and said, "the Lord of reincarnation, in fact, it's none of your business. I'm just inferior to others."

"Over the past ten thousand years, I have made progress, but my younger martial brother has made greater progress. He has obviously been instructed by Duobao Tianjun. With only half a drop of blood in his body, he can burst out the majesty of the rock god Tianzun, which I can't compare with."

In the battle just now, Situ Chen's sword technique has a thick smell of earth and rock, and the killing is quite strong, even similar to the emperor's book.

At this time, Ye Chen suddenly realized.

No wonder that situ Chen's sword technique breath is actually connected with the earth Emperor God book. It turns out that there is half a drop of rock god blood in his body, and he can also exert his power.

Ye Chen looked at Xia Yu's lonely appearance and comforted him with wide words: "brother Xia Yu, you don't have to be too lost. At least, half a drop of rock god blood in your body hasn't been lost."

Listening to Ye Chen's comfort, Xia Yu nodded and said, "too."

After a pause, he said, "it's just that my blood consumption is too serious. When the supreme merit war begins, I'm afraid I can't help you."

Ye Chen said, "it doesn't matter. It's enough for you to tell me the secret of the rock god."

Ye Chen actually didn't expect outsiders to fight for supreme merit.

Today, when saving Xia Yu, ye Chen was also satisfied to know the origin of the rock god Tianzun by accident.

He faintly caught the mystery of heaven. The God blood left by the God of rock was not only a drop.

In this world, there is still the Taoist legacy of the rock god Tianzun. If you can get it, it is enough to change your life against the sky!

This day, ye Chen, Xia Yu and Chi Feixue rested on the star of wish.

here we are

Chapter 8288

Wei chilie smiled like an old fox, walked to the wooden frame in the center of the hall, and lifted the black cloth on it.

As soon as the black cloth was lifted, a vast and magnificent breath suddenly appeared.

On the wooden shelf, I saw a silver robe with a golden sword embroidered on it. The sword was fierce, as if it would fly up at any time, turn into a sword array, and kill people. It was an extremely fierce robe.

"Please see, this is the supreme robe left by an ancient great power at that time, called the ten thousand sword robe!"

"It is said that this ten thousand sword robe is extremely powerful, both in attack, killing and defense. Together with the ten thousand sword array, it kills everything and resists everything. It is really a rare artifact treasure in the world!"

Wei Chi lie pointed at the ten thousand sword robe, and his tone was sonorous and powerful.

The eyes of all martial artists were attracted by the ten thousand sword robe, and a commotion sounded.

Ye Chen's eyes also fell on the ten thousand sword robe.

I saw a trace of mottled marks and some strange lines on the ten thousand sword robe, which seemed to be a seal prohibition.

But even if there is a seal and prohibition, the smell of the ten thousand sword robe is still invincible.

"Is this the robe of ten thousand swords, the artifact treasure left by the ancestor of Xufeng spirit?"

Ye Chen's eyes were slightly bright and his mind was flashing.

This ten thousand sword robe, which once resisted the highest blow of the ancient god of Tuodi, has a very strong defense. If he can get it, it would be better.

Wei chilie then said, "it's a pity that there is a seal on this ten thousand sword robe. The seal can't be released. No one can wear this robe."

Someone said, "if you insist on wearing it, what will happen?"

Wei Chi lie's voice became a little cold and said, "if you insist, there will be only ten thousand swords through your heart. Anyone who doesn't believe it can come up and try."

Listening to Wei chilie's words, many martial artists were silent, but no one dared to try rashly.

Wei Chi lie smiled and said, "of course, as long as you untie the seal, you can successfully take charge of this 10000 sword robe."

"My cultivation is shallow and I am unable to break the prohibition. Today I specially invite you to try. You are all people who are ready to participate in the war of supreme merit. Your cultivation is strong. Maybe you can break the prohibition of this 10000 sword robe."

Listening to Wei chilie's words, many martial artists talked about it one after another, but no one stood up.

The smell of the ten thousand sword robe is quite fierce. It is obviously not easy to break the ban on it.

If you are a little careless, you may even be backfired by the sword Qi!

In the hall, an old man sitting on the VIP seat slowly opened his mouth and said, "Lord, is it true that who can untie the prohibition on the ten thousand sword robe and who can take the clothes away?"

Wei Chi lie said, "naturally it's true."

The old man snorted and said, "my name is Dao Bailong. If I pursue my origin, I can say I was born in the Sanshen family. My ancestor is a figure of the first clan of the Dao family in wuwuwu time and space. I recognize this 10000 sword robe, which is the top power of the Sanshen family in those days. The robe of the elder Xufeng lingzu is extremely precious. You are actually willing to take this dress out and give it away. Where is there such a cheap thing in the world?"

"Isn't there fraud in this?"

The crowd heard the old man's words and was in an uproar and shock.

The old man, who was born in wuwuwuspatiotemporal Sanshen, even revealed the origin of wanjian robe, which immediately made the whole martial arts audience respectful.

Listening to Dao Bailong's question, Wei chilie smiled and said, "master Dao laughed. In front of you, where dare you cheat?"

"Just, this ten thousand sword robe is a demon in my heart."

"I think about it day and night, and I want to untie the prohibition on this 10000 sword robe. Over time, it turned into a heart demon, and I can't sleep all day."

"If someone can untie the ban of this ten thousand sword robe, he will untie the demon for me and fulfill my wish. I am willing to give this treasure as a gift."

The words were sincere, not false.

All the talents suddenly realized that Wei chilie held this 10000 sword conference to solve his demons.

The old man named Dao Bailong frowned when he heard Wei chilie's explanation, then nodded and said, "well, I'll make a fool of myself and see if I can untie this demon for the city Lord." Then he stood up.

Wei chilie arched his hand and said, "I can't wait!"

Dao Bailong strode to the 10000 sword robe and looked at the thousands of gold swords embroidered on the robe. His expression was also dignified.

The eyes of Ye Chen, Xia Yu, Wei chilie, situ Chen, and all the martial artists gathered on him.

"Scattered God's real blood, can't be limitless, break it for me!"

Dao Bailong suddenly drank heavily, and the light of blood burst out between the old fingertips. Unexpectedly, he burned his blood on the spot, turned into a vast vitality, and poured it into the 10000 sword robe.

Unexpectedly, he wanted to break the seal on the robe of ten thousand swords by brute force.

WOW!

With the infusion of the blood energy of the knife white dragon, a burst of bright divine light burst out on the 10000 sword robe.

The crowd watched with bated breath, but suddenly, in the bright light of God, thousands of golden sword Qi burst out, hissing and killing the sword white dragon mercilessly.

Dao Bailong's expression changed greatly, and he used his power to defend his body, but the golden sword's killing was extremely fierce. He severely broke his body guard's vigorous Qi, instantly cut him black and blue, bleeding, and many wounds were deeply visible.

Chapter 8289

"Ah ah ah!"

Dao Bailong sent out a burst of sad screams, and retreated in embarrassment.

Several disciples hurriedly held him, but they saw that he was already a bloody man, seriously injured, and no longer had the courage just now.

"Failed!"

The martial artists present, seeing this scene, couldn't help but take a breath.

This knife white dragon was born in the blood of Sanshen, but the attempt to break the ban of the ten thousand sword robe failed on the spot, and even was seriously injured by the backfire.

The seal of this ten thousand sword robe is a little too strong.

"Unfortunately..."

Wei Chi lie sighed, looked around the audience, and shouted, "master Dao Bailong regrets the failure. I don't know who else can solve my troubles?"

Everyone looked at each other, but no one dared to stand up.

Wei Chi lie said again, "the seal of this ten thousand sword robe must be loose after the impact of the elder Dao Bailong. If you continue, you can break the seal and fulfill your next wish."

Hearing Wei chilie's words, on the VIP seat in the hall, another old man stood up and said, "I take the liberty to try."

Wei chilie was overjoyed and said, "OK!"

I saw the old man go to the ten thousand sword robe and lay an array, but in the blink of an eye, the ten thousand sword robe broke back and broke the array, and the old man was also seriously injured.

Everyone was in an uproar, but they didn't expect that the seal of the ten thousand sword robe was so powerful.

Then, several masters of immeasurable realm were inspired to subdue the 10000 sword robe.

But without exception, they all failed.

In the past hour, I tried more than a dozen people, but none of them succeeded. All of them were bitten by the ten thousand sword robe and cut into serious injuries.

Inside the hall, there was a smell of blood, and the atmosphere was quite depressing.

Everyone's mood is extremely dignified.

The seal of this ten thousand sword robe is stronger than everyone's imagination.

Seeing this, Wei Chi lie's expression also became extremely gloomy. His eyes turned and fell on Ye Chen, saying, "Lord of reincarnation, why don't you try to break the seal of this ten thousand sword robe? Are you coming to our house today to see the excitement?"

Ye Chen laughed and said, "Lord Yuchi, if I can really break the seal, do you really give me this 10000 sword robe?"

Wei Chi lie said, "naturally, it's true. Will I cheat you in front of so many people?"

Ye Chen smiled and said, "well, this is what you said. I hope the Lord of the city will not renege on his promise."

With that, ye Chen strode out and came to the center of the hall.

Xia Yu tried to stop talking, but he didn't speak at last.

So many masters failed in their attempts.

He is very worried about ye Chen.

But seeing ye Chen's self-confident appearance, maybe he has a way.

Seeing that ye Chen finally wanted to fight, the eyes of all the martial artists in the audience were shining.

They also wanted to see if ye Chen had the ability to break the seal on the robe of ten thousand swords.

Ye Chen's eyes narrowed slightly, looking at the ten thousand sword robe, and his palm gently stroked the pattern on the robe.

Vaguely, ye Chen caught the flow of aura on the robe.

This ten thousand sword robe, which was once the body protecting robe of Xufeng lingzu, has given birth to spirituality.

The seal prohibition above is actually the protective layer formed automatically after the wanjian robe and its owner are lost.

This ten thousand sword robe, waiting for the day of reunion with the master, is not allowed to be touched by outsiders.

Therefore, except for Xu Feng lingzu, anyone who tries to get contaminated with the ten thousand sword robe will suffer the most severe retaliation!

"Are you waiting for your master?"

Ye Chen sighed gently. Xu Feng lingzu's injury was too serious and he could not hide in seclusion. It was impossible to wait for this ten thousand sword robe.

WOW!

It seems that you can understand Ye Chen's words. On the robe of ten thousand swords, there is a special brilliance, such as starlight, sword light, sunshine, washing people's hearts and souls.

The martial artists present were stunned to see such a strange scene.

Ye Chen has been instructed by the martial arts of Xu Feng lingzu. He is half of the descendants of Xu Feng lingzu.

Therefore, when he touched the ten thousand sword robe, the ten thousand sword robe recognized his existence.

Ye Chen felt the seal on the robe of ten thousand swords receding like a tide.

He did not need to do anything, nor did he need to deliberately break the prohibition. All the seals and prohibitions disappeared.

In the surprised eyes of the whole audience, a burst of golden light flashed, and the ten thousand sword robe had been worn on Ye Chen.

Ye Chen is wearing a ten thousand sword robe, a silver robe, embroidered with a golden flying sword, which is very gorgeous.

Golden sword Qi circles Ye Chen and keeps turning.

Ye Chen at this moment is like the master of ten thousand swords.

He doesn't need to refine and subdue anything. This ten thousand sword robe seems to be a part of his body.

On the sword robe, there is a continuous blue atmosphere.

This ten thousand sword robe, as soon as it returns to Ye Chen, is actually perfect and the wind of dawn, integrated together.

Everyone felt the morning wind and the sharp sword, and they were completely stunned.

"What... What's going on?"

"Has the Lord of reincarnation made a move?"

"When will this ten thousand sword robe be subordinated to him?"

The martial artists present were stunned.

They didn't see ye Chen's hand, and the ten thousand sword robe turned into streamer and spread over Ye Chen.

It seems that ye Chen was originally the owner of this dress, and Wei chilie was just a possessor.

Seeing ye Chen's effortless efforts, he untied the seal of the ten thousand sword robe, and even completely accepted it. Wei chilie was also stunned and couldn't believe his eyes.

"This... This..." he couldn't say a word for a long time.

Ye Chen looked at Wei chilie and said with a smile, "Lord of the city, fortunately, I have untied the seal on the robe of ten thousand swords. Have your demons dispersed?"

Wei chilie was stunned and speechless.

Ye Chen then said, "as agreed, this ten thousand sword robe belongs to me. Goodbye."

With that, ye Chen winked at Xia Yu, turned around and left, for fear that Wei Chi lie would repent.

"Wait!"

At this time, a cold cry sounded.

The person who spoke was not Wei chilie.

I saw a proud young man with several attendants coming in from outside the hall, holding up a token with the word "evil" printed on it, loudly saying:

"I'm a disciple of Duobao Tianjun, xingduanlang! According to the order of Duobao Tianjun, the leader of the evil sect, I came to Tiangu city today to collect 10000 sword robes. I have no other intention. Please don't panic."

Seeing the young man and the evil sect token, the martial artists present immediately made a commotion.

Wei Chi lie was even more like a smiling, respectfully greeted, and said, "it's an expert under the noble emperor of Duobao. Nice to meet you, nice to meet you!"

Ye Chen's eyes were cold when he saw the young man.

This young man, he knows, is called Xing duanlang, and he has fought before.

Chapter 8290

When ye Chen went to the secret realm of Tianxin and captured the mysterious flowers and plants of Tianxin, he fought with xingduanlang.

This man is the apprentice of Duobao Tianjun, and his cultivation is quite good.

Ye Chen didn't expect to meet him in the Lord's mansion.

"Where is such a coincidence? Is it not that Wei chilie, who deliberately found it, didn't want to give me this 10000 sword robe?"

Ye Chen looked extremely cold, and many thoughts flashed in his heart. Looking at Wei Chi lie's proud appearance, he should have guessed that it was probably ten to ten.

Xing duanlang glanced at Ye Chen, knowing that the ten thousand sword robe was on Ye Chen, but he still asked Wei Chi lie:

"Wei chilie, where is your ten thousand sword robe? My master takes a fancy to your magic weapon. It's your blessing. Quickly present the ten thousand sword robe. My evil sect will not treat you badly. What elixir and spirit stone do you want, although the lion opens his mouth."

Wei Chi lie wondered, "this adult, the robe of ten thousand swords, has returned to the Lord of reincarnation."

Xing duanlang snorted and said, "what Lord of reincarnation, who has the courage to rob what my master likes?"

Ye Chen also laughed angrily when he heard the words of Xing duanlang and said, "I just want to rob. What can you do to me? Even in the purple fairy palace, your bullshit master is not qualified to cover up the sky."

Xing duanlang was furious, stared at Ye Chen, and said, "bold! How dare you discuss the leader of the evil sect! Lord of reincarnation, do you want to die?"

Behind the star breaking waves, those strong men who had always been with them pulled out their weapons and became extremely nervous with anger.

Ye Chen snorted, also took out a token, and said, "the double ninth order is here. If the double ninth immortal comes in person, do you evil people want to tear your face with the double ninth immortal?"

On the token, the word "Double Ninth" is printed, which is the double ninth order left by fan Xingyan to Ye Chen.

The double ninth order appears. If the double ninth immortal comes, any action that dares to disobey the double ninth order is disobedience to the double ninth immortal, which is equal to the enemy of the whole Zihuang fairy palace decent sect.

Seeing this token, Xing duanlang and several followers of the strong changed their looks.

Wei Chi lie's face also changed. He never thought that ye Chen could get the double ninth order.

He secretly exchanged eyes with Xing duanlang, and they were all extremely afraid.

If there was no order for the Double Ninth Festival, they might have acted immediately and forcibly left Ye Chen here.

But ye Chen took out the double ninth order, but no one dared to act rashly.

In Zihuang fairy palace, although decent and evil factions are at odds, they always maintain the final bottom line and do not completely tear their skins.

Neither Duobao Tianjun nor Chongyang immortal is absolutely sure that they can destroy each other.

"You... Where did you get the double ninth order?"

Xing duanlang stared at Ye Chen, and even his voice trembled.

Ye Chen snorted and said, "you don't care where I got it. You have only two choices,
