### Chapter 8502

Ye Chen looks at ye luo'er. Ye luo'er on the stage also finds Ye Chen.

The two looked at each other with complicated expressions.

Ye Chen and the goddess of heaven are about to fight. Ye luo'er's coming to Qinglai domain this time is likely to work for the goddess of heaven.

Ye Chen wanted to go up and reunite with ye luo'er, but under the shadow of the heavenly daughter, such a wish was difficult to realize.

The fighting continued.

After a few more battles, it was Ye Chen's turn.

Ye Chen's opponent is a girl.

This girl looks familiar. What ye Chen has seen before is actually a descendant of the ancient beast God, Yunluo water.

Under the challenge arena, there is a bearded old man, who is yunluoshui's grandfather and dragon beard venerable.

Previously, when he was in haotianyu, ye Chen met these two masters and grandchildren before entering haotianyu.

The dragon beard venerable also presented the Zhaowu plume to Ye Chen.

At that time, ye Chen asked Xiaoqing to stay and practice martial arts with Yunluo water.

Later, in the summoning ceremony of zushen peak, Xiaoqing was summoned. Ye Chen wanted to apologize to Yunluo waterway, but it was a pity that she couldn't be found later.

Unexpectedly, he and yunluoshui were reunited in the arena at the moment.

"Master Ye Chen, it's you."

Yun Luoshui looked at Ye Chen in some consternation, and his eyes turned again, saying, "where's Xiaoqing? Isn't she by your side?"

Ye Chen glanced at Yunluo water and felt her blood breath, which was much more refined than before.

It seems that Xiaoqing's accompanying Yunluo water to practice martial arts has also greatly improved her beast God blood and strength.

Today's Yunluo water, cultivation is quite good.

Even ye Chen needs at least three moves to defeat her without using weapons and magic weapons.

"Xiaoqing, she's not here. Why are you here?"

Ye Chen smiled bitterly and asked in doubt.

Yun Luoshui curled his lips and said, "my grandfather was afraid of the dark chaos in haotianyu before, so he took me away. In fact, my beast God's blood revived. Where can I be afraid of the people in the death world of Yan demon?"

Ye Chen shook his head and said, "your grandpa is right."

At the beginning, the dark Master behind Hao Tianyu was not ordinary people, but Hong Chunqiu!

If Yunluo water and dragon beard venerable don't run, they may be killed by Hong Chunqiu at any time.

Hong Chunqiu's strength is really too strong, and even ye Chen is extremely afraid.

He fought with Hong Chunqiu. If the double ninth immortal didn't come and suppress him, he would have to take off a layer of skin if he didn't die.

Yun Luoshui mumbled helplessly, "forget it, master Ye Chen, I don't want to fight with you. Your strength is too much higher than me. I'm not your enemy."

Words fall, Yunluo water then looked at the referee elder on the sideline and shouted, "I admit defeat!"  
Jump off the stage.

The audience present, seeing yunluoshui admit defeat, was in an uproar.

On the surface, the cultivation of Yunluo water is much higher than that of Ye Chen.

However, people did not expect that Yunluo water actually conceded.

The referee elder was also stunned for a moment, and then announced: "the player conceded, and the winner is Ye Feng of the black dragon sect!"

Ye Chen didn't use his real name when signing up, but borrowed Ye Feng's name, which is also the identity of the black dragon gang.

With Yunluo water admitting defeat, ye Chen also jumped down.

Ye Feng came forward and said excitedly, "boss, you can. Your reincarnation power has made others admit defeat directly, invincible!"

Ye Chen smiled, too lazy to explain.

The fighting continues, in

Chapter 8503

"I heard that the reward for the champion of martial arts is a rock god bone. The goddess needs this God bone, and I can't give up!"

Ye Luo'er's eyes were firm.

She looked for divine blood for the heavenly daughter, but she couldn't find it, but she heard something better.

That is, the bones of the gods!

The Champion Award of this martial arts ceremony is the skeleton of the God, which was left by the former rock god Tianzun.

The divine bone of the rock god Tianzun is of great value to the goddess.

Because the earth Emperor God book in the hand of the goddess of heaven is cast by the God of rock.

If you can fuse the rock god bone, the goddess of heaven can give full play to the power of the earth Emperor God book, which is invincible against the sky.

The present situation of tiannv is very dangerous.

Ren Fanfan wants to kill her.

Ren Feifan is too strong, so strong that she has almost no chance to live once she takes action.

She wants to fight, unless it is to explode the power of the emperor's book to the peak.

Ye Luo'er also knows this, so this rock god bone, she must not give up.

This is the only hope for the heavenly daughter to live!

If you can't get the rock god bone, the goddess of heaven will definitely be killed by Ren extraordinary.

Tiannv is very strong. Unfortunately, Ren Feifan is stronger.

"Rock god bone?"

Ye Chen's eyebrows jumped, and he had already absorbed a drop of rock god's blood, but he had never seen the bone of the rock god's heaven.

A drop of divine blood, the energy is so magnificent, if the whole divine bone, I don't know how terrible it is.

Under the light of Tianji cave, ye Chen also knew the importance of this rock god bone to tiannv.

"I'd better take charge of such an unnatural treasure!"

Ye Chen's eyes coagulated, subconsciously still wanted to seize Yan Shengu, so that he could take the initiative.

"OK, brother ye, let me experience your skill!"

Ye Luo'er saw that Ye Chen refused to give in, and his eyes were also burning with the idea of war. His aura surged all over and rushed to the sky.

The sky turned golden, and bursts of dragon roared.

In an instant, the golden curtain of heaven, with its fairy air blowing out and the ancient air converging, evolved thousands of golden dragons. Each golden dragon has ten claws, showing a perfect and perfect atmosphere.

That's the nine heaven magic, the weather of the Dragon God breaking the formula!

"The Dragon God is like me, breaking the sky with a sword!"

Ye Luo'er was surrounded by thousands of golden dragons, all centered on her. She seemed to be the avatar of the legendary Dragon God and dominate the dragon family in the heavens.

With a soft drink, the void was torn apart, and in the depths of the mysterious nothingness and space, majestic energy came, and the sky turned into a golden giant sword.

On the giant sword, hundreds of millions of dragon shadows surround it, which is powerful and unparalleled.

Ye Luo'er kneaded the formula and moved, and the Dragon God's huge sword was to kill Ye Chen in the air.

The sword was so fierce that the atmosphere of the whole Qinglai area was stirred up. Between heaven and earth, the Dragon roared, and the thunder was turbulent, shocking people's minds.

The audience present was shocked to see ye Luo'er's such a terrible blow.

"Luo'er, you are trying to kill me!"

Ye Chen was also surprised. Unexpectedly, ye Luo'er broke out his strongest killing move and directly used the Dragon God's formula to break the sky.

The Dragon God's formula of breaking the sky is one of the nine gods, and the legendary nine gods is actually transformed from the thirty-three gods, which originates from the time and space of non existence and contains the mysterious energy of non existence.

At this moment, ye Luo'er, wielding the Dragon God's giant sword, has a trace of divine power.

Obviously, she has studied and practiced this dragon god breaking formula to a state of perfection, and even can communicate with everything.

Such a powerful killing move, as long as ye Chen is slightly careless in dealing with it, he will be killed alive.

Ye Chen's face sank, and he didn't dare to be careless.

Bang, aura explosion.

On Ye Chen's body, there was a dazzling golden light, which was the light of reincarnation.

"Wings of freedom, open!"

"Cut the sky nine swords, the holy king!"

Ye Chen urges the reincarnation blood vessel to directly open the wings of freedom.

WOW!

The sacred and glorious wings spread behind Ye Chen, and thousands of Ancient Runes circulated on them.

With the blessing of the power of the wing of freedom, ye Chenning's weathered sword, cut the sky and wielded nine swords, such as the holy king, such as the overlord, with the ferocity of the sword to the extreme.

The audience around, feeling Ye Chen's breath, immediately in an uproar.

"This is... The breath of reincarnation!"

"So this guy is the Lord of reincarnation!"

Everyone knew Ye Chen's identity and exclaimed one after another.

Although Ye Chen's cultivation on the surface is only nine layers of heaven in the hundred flail realm, the wings of freedom unfold, and the nine swords in the sky are in full bloom. The breath and fighting spirit he erupts are much more fierce than the strong in the general boundless realm.

Bang!

Ye Chen's nine swords of cutting the sky collided with ye lu'er's Dragon God giant sword.

The intersection of the two extreme swords immediately burst into a shocking sword.

Fortunately, this martial god challenge arena has a solid prohibition, otherwise, the sword Qi of the two people fighting will be enough to flatten a thousand miles!

Ye Chen felt bursts of strong dragon power, constantly invading, and then degenerated after repeated steps.

Ye Luo'er also received a huge shock, and her face was slightly pale, but she forced herself to endure, and even changed into a dragon, and grabbed Ye Chen's head with a dragon's claw while Ye Chen retreated.

"Luo'er, why bother?"

Ye Chen sighed sadly. He never thought that he would fight Ye Luo'er one day.

Ye Luo'er worked so hard, obviously to repay the cultivation of the goddess.

Chapter 8504

She knew that Ye Chen was very strong, so her moves were fierce. Only in this way could she have a chance to win.

"Six reincarnations \* \* \* return to the long river, the world appears, the heavens and all worlds, all creatures, submit to me!"

Ye Chen didn't want to work hard anymore. He opened his arms and sang an ancient spell in his mouth.

The breath of reincarnation blood surged and turned into a long river.

This is the long river of reincarnation, which can subdue all creatures and transcend all souls.

Six samsara method, once ranked

Chapter 8505

It can be said that the remains of the gods are enough to take care of the Immortal Emperor, and the value is too great.

Ye Chen couldn't believe it. Qinglai chamber of Commerce was really willing to give him the rock god bone. There must be another price behind this.

Lu Shan pondered for a while, and said quite meaningfully, "in fact, in this year's martial arts ceremony, the Champion Award is Yan Shengu, which I also think is too valuable, but this is what night mother means, and I just do it."

Ye Chen said, "who is the night mother?"

Lu Shan said, "Yemu is the founder of our Qinglai chamber of Commerce and a great God. This Qinglai domain was actually the territory of the God of wind, but later Yemu grabbed it and became the place for our chamber of Commerce to settle down."

Lu Shan's words fell, and many elders around him, as well as Liu Xin, showed surprise on their faces.

Obviously, these things are very secret in the Qinglai chamber of Commerce and generally will not be disclosed to the outside world.

But now, Lu Shan directly told ye Chen that he obviously attached great importance to Ye Chen.

Ye Chen was stunned. When he first came to Qinglai domain, he felt that this place was related to the God of wind.

But he didn't expect that the Qinglai chamber of Commerce had nothing to do with the God of the wind.

This chamber of Commerce was founded by a god named "night mother".

This world is also the territory robbed by night mother from the God of wind!

Lu Shan then said with a smile, "I saw the Lord of reincarnation today, and finally realized that the night mother wanted to give you the rock god bone."

"Reincarnation is extremely powerful. This rock god bone will strengthen your reincarnation."

Lu Shan's eyes motioned, and Liu Xin closed the box and handed the gold sandalwood box containing the rock god bone to Ye Chen.

Ye Chen took this golden sandalwood box and immediately felt the extremely heavy weight. It seemed that what was inside was not a piece of bone, but the stars, the earth and the universe.

Lu Shan said with a smile, "Lord of reincarnation, we will be friends in the future. If I am in trouble in the future, please help me."

Ye Chen heard this, and his heart was cold.

Qinglai chamber of Commerce gave him the rock god bone. It was really not completely costless, but asked him to help in the future.

"If I can help, I will."

Ye Chen thought for a moment and agreed.

This rock god bone is too valuable, too valuable. If it is taken away so plainly, ye Chen is a little uneasy.

Lu Shan was overjoyed and said, "then thank you, Lord of reincarnation. Don't worry, our chamber of Commerce pays most attention to fair trade, which will not make it difficult for you to do, nor will it let you do anything against your original intention."

Ye Chen said, "that's good. Thank President Lu for his understanding."

Lu Shan nodded and called out, "deacon Su, come in."

The voice fell, and another woman pushed the door into the VIP room. It was the wife of the patriarch of the ancestral cult,

Chapter 8506

Liu Xin wanted to be a listener, but Su Rong objected. The two turned against each other and became enemies from friends.

Ye Chen naturally stands on Su Rong's side, but this matter is, after all, an internal matter of the Qinglai chamber of Commerce, and he will not meddle indiscriminately.

Lu Shan said, "Lord of reincarnation, you are not an outsider, so don't be shy."

Su Rongmei's eyes turned and suddenly smiled and said, "president, since the Lord of reincarnation is not an outsider, it's better to let him be the listener of the night mother."

The whole audience was shocked when he said this.

Liu Xin was even more surprised. She gnashed her teeth and shouted, "Su Rong, you are crazy! How important the listener is, how can you give it to an outsider..."

Lu Shan's eyes lit up, waved his hand to stop Liu Xin, and said, "I said, the Lord of reincarnation is not an outsider!"

After a pause, his face was full of smiles, and he said to Ye Chen, "night mother has praised reincarnation many times, saying that the avenue of reincarnation is the ultimate truth."

"When the Lord of reincarnation reaches the peak, the chaotic world of the separation of the gods can be ended and the final order can be established."

"The Lord of reincarnation is the future master of gods and the king of gods!"

"Why don't you, brother ye, how about being the listener of Qinglai chamber of Commerce? I think Yemu should also want to see you."

Su Rong's words made Lu Shan suddenly enlightened.

Looking at the whole audience, there is really no one more qualified than ye Chen to listen to the oracle of Yemu.

These ordinary people, when they meet the night mother, must grovel like ants.

But ye Chen is different. Even in the face of the ruler of the night, the legendary night mother supreme, he is also qualified to be equal!

"I also feel that it is a great honor for our chamber of Commerce to let the Lord of reincarnation be the listener."

"No! The identity of the listener is too important. We must be careful about this."

"Deacon Liu Xin deserves so much credit that she must be the listener!"

The elders present expressed their opinions one after another, and quarreled again. Some agreed and some opposed.

Liu Xin's face was hard to see the extreme. Looking at Ye Chen, it was also with hatred and anger.

The listener can get the blessing of Yemu, which is of great benefit. She doesn't want to be robbed by Ye Chen.

Seeing the noisy appearance of the elders, Lu Shan immediately frowned and said in a cold voice, "go out first, and I'll talk to brother Ye alone."

Seeing Lu Shan's cold face, the elders quickly stopped arguing and silently turned away.

Su Rong and Liu Xin also left, and the gate was locked.

In the VIP room, only Ye Chen and Lu Shan are left.

"Brother ye, you really don't want to be the listener of the night mother?"

"According to legend, the night mother is the source of darkness and the God who dominates the night."

"She was originally qualified to ascend to the throne of the God of death and take charge of the way of death, but unfortunately, she was later defeated by the God of rock. The power of darkness and death was also taken away by the God of rock and passed to the sea king demon."

Lu Shan's voice is deep and mysterious, telling Ye Chen the ancient secret.

The former rock god Tianzun is the Supreme Master of the demon God vein.

The supreme artifact of the demon God vein, the sky demon Xinghai, is his magic weapon.

The spirit of the celestial demon Xinghai, the sea king demon, was initially his subordinate.

He defeated Yemu, captured the orthodoxy of darkness and death, and passed it to the sea king demon.

The king of the sea, who became the God of death, set up his own house, betrayed the God of rock, and was finally suppressed by the God of rock.

It can be said that if there was no rock god, the sea king could not ascend to the throne of death.

The most qualified person to ascend the throne of death is the night mother!

"Yemu was once the master of darkness. If you become a listener and see Yemu, you can see the mystery of darkness. It will be much easier to fight against the Death Cult later."

Lu Shan looked at Ye Chen with burning eyes and gave him good guidance.

Ye Chen felt the mystery and strength of the night mother.

But when he suddenly called him a listener, he still couldn't adapt, shook his head and said, "President Lu, the cause and effect behind this listener seems quite complex, and I can't casually get involved."

"By the way, where are your former listeners?"

Lu Shan sighed gloomily and said, "the former listener is actually the ancestor of my Lu family. His name is Lu Dongxuan. He was once a strong man without time and space, and participated in forging the emperor's holy knife."

Ye Chen was immediately stunned and said, "the emperor's holy knife? Was it forged by your Lu family's Shizu?"

Lu Shan said, "no, to be exact, my Lu family's Shizu was actually the ignition boy who cast the knife at that time. The real knife maker was the supreme god of the apocalypse and the leader of today's God of Death Cult."

"Brother ye, I know the emperor's holy knife is in your hand."

"Perhaps, from the moment you get this knife, your fate is doomed to entangle with the Death Cult and never die."

Ye Chen was shocked in his heart and whispered, "originally, the maker of my emperor's holy knife is actually the leader of the death cult?"

Lu Shan nodded and said, "yes, when the Apocalypse supreme cast the knife, it had not fallen into darkness."

"Later, he succeeded in forging a knife, exhausted all his vitality, and had no choice but to fall into darkness and establish the death cult."

"The supreme apocalypse, also known as tianqixing, can also be said to be the most powerful weapon refiner in wuwuwuspacetime."

Ye Chen finally knew the casting origin of the emperor's holy knife, and felt like a dream.

He didn't think that the person who forged this knife was the leader of the death cult.

Lu Dongxuan, the master of Lu Shan, once participated in the casting of knives. He was an ignition boy.

Chapter 8507

Lu Shan said, "not long ago, my Shizu caught the breath of darkness. He went out to investigate, but never came back."

"I suspect that he has been killed by people of the death order, and the life card left in the chamber of commerce is completely broken."

"But I feel that my Shizu may not be dead yet, but I don't know where he is lost."

"Alas, no matter how he lives or dies, I have no listeners in Qinglai chamber of Commerce, and I can't hear the teachings of Yemu. The road ahead is very slim."

"Brother ye, why don't you condescend to be the listener of our chamber of Commerce?"

Ye Chen still frowned and said, "the cause and effect of this matter is too complicated, and I still can't get involved at will."

Seeing that ye Chen always refused to agree, Lu Shan sighed, quite disappointed, and offered a scroll of ancient pictures, saying, "brother ye, you don't want to be a listener, but can you help me once and ask Ye Mu about the fate and whereabouts of my Shizu?"

This ancient picture is a dark and mysterious picture.

On the hill where countless corpses and blood are piled up, nightingales are flying. Surrounded by countless nightingales, there is a graceful girl in black.

The majestic majesty of darkness and death gathered on the girl. It was obviously just a painting, but when ye Chen saw it with his eyes, he seemed to see the scene of a sea of corpses. He suddenly felt his heart shaking and thought, "this is the legendary night mother?"

Lu Shan said, "brother ye, how about it?"

Ye Chen's face sank slightly. Lu Shan asked him to ask Ye mu. In fact, he was asked to be a listener.

"President Lu, I only help you once, but I'm not sure if I can see ye mu."

Ye chendao.

He is not interested in being a listener of Qinglai chamber of Commerce, but he can make a move.

Lu Shan was overjoyed and said, "brother ye, thank you. One time is enough. I just want to know the whereabouts of my Shizu."

Ye Chen nodded and stared at the painting. Like a blessing to the soul, he knew the way to communicate with Ye Mu without Lu Shan opening his mouth.

He gently stretched out his palm, gathered his aura, and poured his spiritual power into the painting. At the same time, he guarded his mind with the reincarnation holy soul day.

Boom!

When ye Chen's spiritual power penetrated into it, his mind was violently distorted, and the scene in front of him changed, and he was instantly dragged into a dark world.

The world, sky and earth are all dark colors, with blood flowing everywhere. The smell of blood is rich, and there are bodies and bones floating in the blood.

In the distance, a girl, with her back to Ye Chen, stood on a mountain of bones, surrounded by nightingales.

That is the picture Ye Chen saw in the painting, but now it appears in front of him alive.

The strong depression of darkness and death almost made him breathless.

Fortunately, ye Chen had the reincarnation holy soul and heavenly protector, but he didn't suffer any damage.

Looking around, he saw dark temples standing in the distance, and the ancient and distant singing sound came from many temples.

All the chants are praying for the darkness and for the Nightingale girl standing on the corpse mountain.

Ye Chen was quite far away from the Nightingale girl, but she could clearly see her figure, her snow-white neck exposed in black, and the fine hairs on it were clearly visible.

This Nightingale girl is naturally the legendary night mother.

Ye Chen stared at Ye Mu's back and wanted to say something. He asked Lv Dong about the whereabouts of xuanshizu, but his throat seemed to be blocked by something and he couldn't say anything.

At this time, ye Chen suddenly felt a change coming from the reincarnation cemetery.

The new tombstone trembled unexpectedly.

That is the tombstone of the eternal night demon God!

The Holy Light Immortal Emperor said that the eternal night demon God was his old enemy.

He believed in light, and the night demon God believed in darkness.

The eternal night demon God is the next reincarnation power.

Can it be said that the breath of night mother actually stimulates the eternal night demon God to wake up?

However, the change of the tombstone, just shaking moment, is to calm down, there is no longer any difference.

The Nightingale girl slowly turned around, and a pure face with pink and jade features appeared in front of Ye Chen.

The girl's appearance is stunning.

In this world of darkness and death, she seems to be a clean flower with no expression on her face, which is so cold that it is inhuman.

Ye Chen didn't speak, but she seemed to know ye Chen's purpose. With a gentle wave of her hand, a rune flew out and fell into Ye Chen's hand.

After ye Chen got the talisman, the world in front of him suddenly twisted and collapsed. His spirit was in a burst of tearing pain. His eyes were in a trance. When he looked at it, he found that he had returned to the real world. Lu Shan was looking at him with bright eyes.

Lu Shan saw a black talisman suddenly appear on Ye Chen's hand. He couldn't help but be overjoyed and said, "brother ye, how's it going?"

Ye Chen was also a little confused. He picked up the Fuzhao and saw that the Fuzhao was printed with the words "Ming Wuqu".

"The supreme mother of the night didn't speak, but gave me this talisman."

Ye Chen handed the talisman to Lu Shan.

Lu Shan took a look, looked at the words on it, and was unsure. He murmured, "Ming Wu area... Is my Shizu in the Ming Wu area? It's a world like the ruins of doomsday..."

Seeing that Lu Shan's face was not very good-looking, ye Chen asked, "President Lu, is this invisible area very dangerous?"

Lu Shan pondered for a moment, waved his hand and said, "brother ye, thank you very much. Since Lord Ye gave me advice, I will check it myself, so I won't bother you anymore. You're also working hard."

"It takes a lot of energy to listen to the oracle of the night mother. After each listening, you often need to rest for a month. You have to take care of your body."

Ye Chen said with a smile, "it doesn't matter, President Lu. I wish I could help you."

Ye Chen's spiritual strength is strong, and he has the reincarnation holy soul day guard. Even if he meets the night mother face to face, the consumption is not large, which is completely within his acceptance range.

Lu Shan was very forthright and said, "brother ye, if you want any reward, just ask."

Ye Chen thought of Zu xuantu and said, "President Lu, if you can, I want to ask you about a person's whereabouts."

Lu Shan said, "who?"

Ye Chen said, "it's a woman named Lu Hechan, who is said to have been the saint of Hao Tianyu."

Ye Chen can't solve the secret behind Zu xuantu alone. He needs Lu Hechan's help!

Lu Shan was surprised and said, "what are you asking about her?"

Ye Chen said, "I have something very important to discuss with Miss Lu."

Lu Shan's face sank slightly. He didn't know about Zu xuantu, but he knew Lu Hechan's special identity.

Lu Hechan is not only the saint of haotianyu, but also the granddaughter of the former ancestor god king. It can be said that she is the descendant of the gods, and her identity is very noble.

## Chapter 8508

If an ordinary person wants to inquire about Lu Hechan's whereabouts, Lu Shan must make the other party pay a huge chip.

But ye Chen inquired, and Lu Shan naturally would not charge any more fees. At that moment, he murmured:

"I don't know where this Lu Hechan is, but I know that she took refuge in Ren tiannv after she separated from the ancestor god king."

"I heard that Ren tiannv is yours... Cough... Brother ye, if you want to know the whereabouts of Lu Hechan, maybe you can ask tiannv."

Ye Chen was stunned and said, "heavenly daughter?"

He never thought that Lu Hechan's whereabouts were actually related to Ren tiannv.

Lu Shan said, "yes, you can ask tiannv."

Ye Chen was silent and frowned.

Lu Shan said, "brother ye, is there anything difficult to hide?"

Ye Chen waved his hand and said, "no, President Lu, thank you for your clues."

Lu Shan said with a smile, "you're welcome." With another sigh, "it's my regret that you won't be the listener of the night mother."

Then he took Ye Chen out.

Outside the VIP room, Su Rong, Liu Xin, and many elders were waiting. When they saw Lu Shan coming out, they bowed.

Lu Shan shouted, "I'll discuss the matter of the listener later, but the Lord of reincarnation is always the most suitable candidate in my heart. You all go back!"

Everyone was in a mood and said in unison, "yes."

Then he turned and left.

Ye Chen followed Su Rong out. Liu Xin was also angry and had no choice but to leave.

An elder who supported Liu Xin followed her.

After they left the chamber of Commerce, they walked into a secret alley, and the elder murmured:

"Deacon Liu, you take great credit. Are you so willing to hand over the power of the listener to outsiders?"

Liu Xin gnashed her teeth and said, "what if you are unwilling?"

The old man said, "it's better to invite the murderous venerable out of the mountain and teach the boy of the Lord of reincarnation a lesson."

Liu Xinmei's eyes flashed: "murderous venerable?"

She knows the murderous venerable, who is a strong man behind the Qinglai chamber of Commerce.

Qinglai chamber of Commerce always has some conflicts when doing business outside.

At this time, someone is needed to safeguard the interests of the chamber of Commerce.

There is a special escort team in the chamber of Commerce. The murderous venerable, who was once the leader of the escort team, has now abdicated.

It is said that the murderous venerable was a strong man in the later period of wuliangjing. He was once one of the ten Heavenly Kings and the guardian of the xiaoxinghe family, the ancestor of the Xiao family.

Later, Xiao Xinghe lived in seclusion, and the murderous venerable also left the Xiao family and joined the Qinglai chamber of Commerce.

Now, Xiao Xinghe is working for the ancient emperor Yu Huang again, but the murderous venerable can't go back.

The weapon in the hands of the murderous venerable was once forged by Xiao Xinghe himself. The killing is quite fierce.

On the surface, the strength of the murderous venerable completely surpasses Ye Chen.

But Liu Xin frowned gently and said, "that boy is very lucky. I'm afraid it's not easy to kill him."

She also knew that ye Chen was extremely lucky, and it was almost impossible to kill him.

The elder laughed and said, "it's difficult to kill, but with the strength of the murderous master, it's easy to hit the boy hard."

"We just need to teach him a lesson so that he doesn't dare to be a listener, that's enough."

Liu Xin's eyes lit up and said, "yes! If the murderous master is willing to fight, he can severely teach Ye Chen that boy, hehe, if you dare to offend me, Liu Xin, I must ask him to pay the price!"

.....

Qinglai area, a dark barren mountain.

A woman appeared at the foot of the barren mountain. It was Liu Xin.

"Little girl Liu Xin, I want to see the murderous master."

Liu Xin bowed down, and her voice was quite respectful.

Soon after her voice fell, there was a cold laugh on the barren mountain.

Only listen to the black gas surge on the mountain, gathering a majestic figure, full of bloodthirsty killing intent.

That's the strong man behind the Qinglai chamber of Commerce, once the guardian of the Xiao family and the murderous venerable!

The breath of the murderous venerable is very strong, and it has reached the level of the eighth heaven in the boundless realm and the quasi Immortal Emperor.

The strong people at the level of quasi Immortal Emperor are rare even if they look at the whole Taishang world.

"Little girl, why did you come to me?"

The murderous venerable looked down at Liu Xin with a shadow in his eyes.

"Venerable, I want to ask you to go out of the mountain and suppress the Lord of reincarnation!"

"The Lord of reincarnation, an outsider, is delusional and wants to snatch the throne of the listener. We must teach him a lesson!"

Liu Xin knelt down and said to the murderous venerable.

The murderous venerable's eyes flashed, and he knew everything under the insight of the secret of heaven. He smiled and whispered, "if you want to ask me to do it, it's OK, but in the future, you must submit to me and listen to me. You can do whatever I ask you to do, and you can't violate it."

Liu Xin listened to the words of the murderous master, and her heart was shocked. She didn't want to be a servant of the murderous master.

Turning her eyes, Liu Xin looked calm and said with a smile, "venerable, as long as you can teach the Lord of reincarnation for me and help me become the listener of night mother, I will promise anything."

She thought that as long as she became the listener of the night mother, once the power was in her hand, she would no longer be afraid of the murderous venerable.

With a glow in his eyes, the murderous venerable turned around Liu Xinjiao's good figure and said with a smile, "no problem, Miss Liu, you have made great contributions to the chamber of Commerce and obtained the boundless heart of the demon ancestor. I also support you as the listener of the night mother."

"The president was deceived by the Lord of reincarnation, and I personally came forward to express my interests in front of him."

Liu Xin said with great joy, "thank you, venerable."

She knows that the murderous venerable holds a high position of power. Even if she abdicates and retreats now, she still has a huge say in the Qinglai chamber of Commerce.

If he is willing to support, her position as a listener will be secure.

.....

At this moment, ye Chen followed Su Rong back to her mansion and cooked tea in an elegant Pavilion.

Ye Feng, yunluoshui and others, ye Chen settled elsewhere.

"Do you really refuse to be the listener of the night mother?"

Su Rong poured Ye Chen a cup of tea and asked softly.

"No, the causality is too complicated. I'm ready to go."

Ye Chen raised his tea cup and took a faint sip, with myriad thoughts in his heart.

He is going to meet the heavenly daughter and ask Lu Hechan's whereabouts.

Chapter 8509

If we can find Lu Hechan and unlock the secret of Zu xuantu, it is possible to restore the body of Xuanhan jade, and even break the dark prohibition of the tablet of the emperor of heaven!

Su Rong heard that ye Chen was going to leave and sighed gently, but she didn't ask for anything, because she knew that ye Chen didn't belong to her.

"After you leave, be careful. My brother may want to kill you."

Su Rong whispered.

"Your brother?"

Ye Chen was stunned for a moment and didn't react for a moment.

"Have you forgotten that I was born in the ghost kingdom

Chapter 8510

Ye Chen was in a riot all over. He dodged around the back of the murderous venerable. The palm of his hand stirred the energy of the Soul Eater, turned into a black awn arrow, and shot at the latter's head.

The power of the quasi Immortal Emperor is really too strong.

If there is a face-to-face confrontation, ye Chen has little chance of winning.

If you want to win, unless it's a sneak attack.

Ye Chen wants to use the power of the soul devouring bead to invade the spirit of the murderous venerable, and then use the heaven and earth mother source palm, or the emperor's holy knife, so that there is a glimmer of hope to kill the other party.

"Good boy, how dare you attack me?"

The murderous venerable was surprised and angry.

He never thought that under such a huge gap, Ye Chen dared to fight back and wanted to sneak attack him.

However, as a quasi Immortal Emperor, he reacted very quickly.

Bang.

The spirit of the slayer erupted and evolved into a bloody killing barrier, protecting the spirit and fighting back against Ye Chen.

Ye Chen rushed into the killing barrier, and immediately felt the boundless idea of killing, rushing in like a flood.

His head buzzed, his heart swayed, and he was forced to retreat.

"Kill crazy knife, break it!"

The murderous venerable shouted wildly, his blood was bloody and murderous, his hair was raised one by one, and the thunder mantra sounded all over his body, deafening. In his hand, he killed Ye Chen in the air.

Ye Chen immediately choked, and was ready to pull out the emperor's holy knife desperately.

But at this time, an ice Phoenix sword burst out of the void in the distance, and a sword fell, hitting the murderer's murderous knife.

All the killing knife gas disappeared in an instant.

Between heaven and earth, only Bing Huang's sword intention is left.

Ice and snow Phoenix emerged in the void, and the divine singing sound came from the depths of distant space and time, like the echo of gods and gods, solemn and solemn.

A woman as noble as a goddess, as graceful as ice and snow, as bright as the sky, appeared from the distant sky and stepped forward.

"Heavenly sister!"

Ye Chen saw this woman and was immediately shocked.

This woman is Ren tiannv.

Beside Ren tiannv, there is a woman in black, ye luo'er.

Ren tiannv came through the air. As soon as she came down, the violent ice and snow idea froze this space-time.

Just now, he was still arrogant and arrogant. Suddenly, his breath stagnated, his eyes showed a look of fear, and his teeth chattered.

"Ren... Ren tiannv, it's you!"

The murderous master's face was full of terror. Even if he was a strong man of the quasi Immortal Emperor, he was also extremely sad and weak in front of the goddess.

Because the goddess of heaven is the real supreme Immortal Emperor, and the existence of the highest peak of martial arts in this world!

The goddess glanced sideways at the murderous venerable, looked at the void corner not far away, and said, "who else is hiding there? Get out of here!"

When the voice fell, I saw a woman coming out of the clouds in the sky, shivering and pale. It was Liu Xin.

Liu Xin clenched her teeth and wanted to maintain the stability of Tao Xin, but under the pressure of the goddess, she even had difficulty breathing. Endless fear and awe surged from the depths of her blood.

"Kneel down."

Tiannv's voice is cold and without any emotion.

Liu Xin trembled uncontrollably and knelt directly in front of the goddess.

The murderous venerable couldn't resist the majesty of the goddess, and knelt down obediently. The unruly air on his face had already turned into panic.

Ye Chen was also quite shocked to see tiannv's invincible appearance.

It seems that the goddess of heaven took the red flame nature pill, and her injury healed. After breaking, she stood up. The power of the Immortal Emperor was even stronger than before.

"The Lord of reincarnation is my man, and you have no right to touch him."

The goddess looked coldly at the murderous venerable and Liu Xin, and said indifferently.

The murderous venerable and Liu Xin were almost broken under the pressure of the fairy emperor of the goddess of heaven, and did not dare to refute at all.

"Yes, my lady, I'm wrong..."

He was as unruly as a murderous venerable, and immediately bowed his head to admit his mistake.

Liu Xin clenched her teeth, but suddenly summoned up courage and said, "I'm right, Ren tiannv, I tell you, this is the supreme territory of Yemu, and you are not qualified to make trouble here!"

The heavenly daughter smiled and said, "well, good, in front of me, you still have the courage to speak, not timid."

"I have no intention of being an enemy of Yemu, and you are not qualified to represent Yemu. You don't even have the qualification to listen to Yemu."

"In the face of Ye mu, I'll spare you once today. Next time you dare to touch my people again, I'll call you broken bodies!"

The words fell, and in the eyes of the heavenly daughter, there was also a passing obliteration, a flick of her fingers, and a sword light shot out.

Poof!

The murderous venerable "ah" screamed, and the left arm had been cut off by the goddess Qi Gen.

"Get out."

Tiannv indifferent way.

"Yes, yes, yes! Thank you for not killing her!"

The murderous venerable twisted his facial features and covered his broken arm, but he didn't dare to complain. Instead, like being pardoned, he repeatedly thanked the goddess for her kindness, and then hurriedly left with Liu Xin.

Ye Chen saw that the murderous master fled, and his heart was also full of hidden worries.

Tiannv is so invincible that even the strong man of the quasi Immortal Emperor exists like a pig and dog in front of her.

Can you really fight with her when you fly to the heaven Xuan realm?

Or did you listen to Ren Feifan's arrangement and let Ren Feifan kill tiannv directly, and it's all over?

"Little guy, are you okay?"

Tiannv smiled at Ye Chen and asked calmly.

"Sister tiannv, I'm fine."

Ye Chen looked at tiannv and ye luo'er standing aside. Her mood was quite complicated, and she asked again:

"Sister tiannv, why are you here?"
