

Physician 851

Chapter 851

In the twinkling of an eye, it turned into a red hundred Zhang spear!

There was a crackle.

This hundred Zhang spear will break through everything in front of you!

"Ding!"

The power of one blow cannot be stopped!

A violent air wave suddenly surged, the dazzling fire flickered, and the bottom of the Dragon washing pool trembled violently.

Zhang Zhenting's smile is stiff!

This breath is actually the art of medical God!

It is said that ye killed the heaven and healed the gods. He didn't think so. Now, is it true!

Ye Chen can't have the Taoist skills of the master of Taoism, but how could he master so many things in his twenties?

Who is standing behind him?

It can't be the God of medicine!

Duan Huaian is not qualified to cultivate such talents!

He no longer hesitated, just wanted to resist!

The hundred Zhang spear has disappeared!

All the fury is gone!

Because ye Chen's real Qi in the elixir field has been unable to support.

"Damn it!"

Ye Chen tries to hold back the pain!

Dantian is so disordered that it can't be used without Guangwu Dao. It's the same with medicine!

He can only cut the dragon to ask the sky sword to insert on the ground, gasps unceasingly.

His face turned pale.

Despicable daocong!

Although Zhang Zhenting does not understand why the power will disappear, but also dare not talk nonsense!

If you don't kill Ye Chen now, you won't have a chance in the future.

"Ye Chen, today, I will personally send you on the road! I'll take your head! I'll show you the difference between genius and trash

Whirling with sword, stir up the whole dragon washing pool!

The Dragon washing pool is rolling!

The sword in Zhang Zhenting's hand shoots out all kinds of violent flames in the water!

When the sword idea and his own momentum are brewing to the extreme, he cuts off with one sword!

This sword, startling the world, weeping ghosts and gods!

No matter who it is, it can be killed!

His eyes are full of madness!

It's so easy!

At this moment, he is the God of heaven and earth!

After killing ye Shitian, he told Kunlun Xu!

The more high he will be in the middle of Kunlun, the more exciting he will be!

The sword is about to be cut!

Suddenly, the whole dragon washing pool vibrated! Xilong pool is divided into two parts!

At the same time, the sound of two startling roars resounded through the whole Xilong pool!

Even more resounding through qianjue square!

Ring through Kunlun void!

Zhang Zhenting was completely frightened by the sound of thunder!

He found that the sword in his hand was broken on the spot!

Can think, this voice in the pressure is how terrible!

"Are those two ancient beasts?"

He did not care to kill Ye Chen. He turned his head and looked at the direction of the fight between the two beasts!

Empty!

The dragon and beast are gone!

Even he found that everything around him was too quiet!

It's like the eve of a storm!

He had an ominous premonition that there was something cool behind him.

Very cold.

This feeling is too bad!

"No, I can't stay here any longer. I have to kill ye Shitian immediately and leave!"

No longer hesitating, he looked at Ye Chen and offered a dagger in the palm of his hand!

Towards Ye Chen again!

"Are you sure?"

A voice of indifference and disdain sounded!

From ye Chen!

Before the dagger arrived, Zhang Zhenting saw a smile on the corner of Ye Chen's mouth.

There was no confusion.

To the extreme!

It's like he's not going to die!

Why is it that Dantian is so confused?

"Ye Jingtian, don't think you pretend like this, I dare not kill you! Today, no matter what, you must die! "

"Oh."

Ye Chen nodded with interest, and then continued: "since daocong has offended me, I will take time to erase daocong myself after today's Kunlun xudabi is over."

Hearing this, Zhang Zhenting wants to laugh!

Beyond our means!

His momentum ascends, seeing that the dagger is about to pierce Ye Chen's body, an invisible pressure actually envelops him!

Even, he found the top of his head black!

His dagger stopped.

Then, he felt the sound of breathing behind him!

He turned his head stiffly.

When I see the picture behind me, my breath seems to be stagnant, and my face is pale to the extreme! Because there is a huge blood dragon floating behind him!

The blood dragon's bloodthirsty eyes stare at him, his tusks open, and his anger is extremely obvious!

The sound of breathing alone is like a gale!

He swallowed and his head slowly turned back!

Because he didn't dare to look at it!

At the moment, when ye Yichen is standing on his shoulder, he thinks he will be hurt!

Although the body is like a cat, but the momentum is like an emissary from hell!

Especially the blue and red eyes!

Oops!

This look alone is even more terrible than Kunlun's powerful one!!

Who would have thought it was from a cat!

"Kneel down!"

Suddenly, the cat on Ye Chen's shoulder spoke!

Sleeping trough!

Zhang Zhenting's eyes almost glared out!

Even if this guy is not a cat, is an ancient monster, it is impossible to speak!

Before he could react, an inexhaustible pressure swept over the talking cat!

"Plop!"

He was out of control and knelt down on the spot!

He wanted to stand up and found it was a luxury!

The power of the cat is even better than that of the virtual king!

What the hell is this!

He's scared, he's scared!

There is an ancient blood dragon behind, and a fierce beast with unknown origin in front of him!

The key is that the existence of these two adverse days seems to be protecting Ye Chen!

How could it be!

Ye Chen mouth outline a smile, light way: "you seem very surprised?"

Zhang Zhenting dare not speak at all!

His body trembled and his head lowered.

"Tell me the secret of daocong. This is the only way for you."

Zhang Zhenting shook his head, just wanted to be brave, he found that the tail of the blood dragon wrapped around him!

Suddenly tight!

He can't breathe!

From white to red, and finally blue!

He slapped the dragon tail hard, but it was no use.

"I said

Hearing this, the blood dragon's strength relaxed a bit, and Zhang Zhenting was able to breathe.

"Come on, I'll listen." Ye Chen light way.

Zhang Zhenting took a look at the cold eyes of Xiaohuang, opened his mouth, and suddenly, a killing intention shot out of his mouth!

Straight take ye Chen eyebrow heart!

To touch the eyebrows, Xiaohuang snorted: "garbage, look for death!"

The figure twinkles, Xiao Huang blocks Ye Chen's body in an instant, and the concealed weapon falls on him instantly.

Nothing on the spot.

Zhang Zhenting's face changed greatly. This is a power hidden in the patriarch's body. The general strong can't stop it, even if the virtual King's realm is impossible. The patriarch's purpose is to prevent this situation, but he was easily blocked!

"Die!"

Xiao Huang's palm print was directly patted on Zhang Zhenting's chest!

Before he reacts, the vitality dissipates and turns into blood mist directly!

Chapter 852

After all this, Xiao Huang jumped down and came to the right side of Ye Chen. He said, "this guy has been controlled by blood essence for a long time. He is just a puppet. It is impossible to get something valuable from him. I will go to daocong with you some other day."

Ye Chen nodded. He just wanted to say something. Xiao Huang stretched out and said, "break through quickly. There are signs of collapse in the washing dragon pool. Try to break through to the seventh layer of holy land before this."

Ye Chen no longer hesitates. The disorder collision of Dantian makes him suffer to the extreme. He sits cross legged and continues to break through!

Xiao Huang walks silently on the right side of Ye Chen, and two different pupils release the cold light.

The blood dragon is suspended on the left side of Ye Chen, and his blood gas is condensed to the extreme.

One dragon and one beast are extremely domineering, just like Ye Chen's two Dharma protectors.

Xiao Huang looked at the blood dragon and said, "is it time to start?"

Only Xuelong can understand this sentence.

That's the consensus they've reached when they're completely consuming energy.

XUELONG takes a deep look at Ye Chen in the breakthrough and nods.

After a few seconds, one dragon and one beast raised their heads.

There are two rays of light all over the body!

The light is more and more dazzling, forming a Taiji eight trigrams trend!

Surround Ye Chen!

The mysterious stone was even more shocked!

The hundred tombstones of samsara cemetery have changed slightly!

All of a sudden, the sound of a dragon chant makes the washing dragon pool roll up!

Then, a fierce animal roar is also through the wash dragon pool, toward the distant land.

That two crisscross wrapped Ye Chen's light to the sky!

The mountain carrying the Xilong pool is even more violent!

Vision!

A vision of heaven and earth!

On the washing dragon pool, Ji Siqing and Wei Ying opened their eyes. They knew that if they didn't leave, they would die!

What's going on under the key!

Never been quiet from the beginning!

They both gaze at the two beams of light that cross into the sky.

There was a trace of fear in my heart.

It's a deep fear.

Mr. Jingshui stares at the rolling wash dragon pool. He is not sure how ye Chen is under it!

Such a vision and pressure, this boy can not bear!

He felt that his surroundings had begun to collapse!

Xilong pool is gradually exhausted.

He quickly to the living several humanity: "leave quickly! Go to qianjue square! If you are a little late, you must be buried here! "

Everyone knew the seriousness of the matter and took it out of the cave.

Only Ji Siqing and Wei Ying did not leave.

There was hesitation in their eyes.

"Why hasn't Ye Chen appeared yet? What the hell is this guy doing? "

Words just fell, the whole mountain began to collapse! The boulder fell down!

"Let's go! With my understanding of him, he may have left long ago! If you don't leave, you and I will be buried here! "

Two beautiful shadows no longer want to, quickly toward the outside.

Just left, countless boulders blocked the cave.

.....

At the moment, the Kunlun void is a series of visions.

Originally bright day, instantly turned into night.

The animals shake!

Whether it is the captive spirit beast, or the mount under the body, and even the fierce beast in the mountain forest, all ran and roared.

All the monsters and animals kneel down and roar up to the sky!

The voice wails, as if to greet what kind of arrival!

This kind of picture only appeared a few times in the history of Kunlun!

But ten years later, Kunlun was no longer peaceful!

Because the man who is really against the heaven is born!

.....

Kunlun xuye family.

In a courtyard deep in the courtyard.

An old man who was practicing suddenly opened his eyes. There was a deep horror in his eyes!

The stone carving of a monster in front of him was broken on the spot!

"This vision The image of a group of animals

as like as two peas in the eyes of the old man, the old man's eyes are wide.

The master even told him that the appearance of this vision represented the official appearance of the man in destiny.

This person may endanger all his master's virtual layout in Kunlun!

Even the Bureau of the hundred sealed people will be completely cracked!

"Who the hell is it?"

Just then, an old goatee appeared.

This man is now the head of the xuye family in Kunlun!

The master of the Ye family stopped, arched his hands, and said to the old man, "elder, I don't know what happened. All the Ye family's mounts and spirit beasts all look up to the sky and how! Several stone tablets of my Ye family are even more broken! Please give me some adviceThe old man nodded: "such a vision, my master had expected, this vision shows one thing, Kunlun Xu was born should not be born of existence!"

"This man is not only the virtual enemy of Kunlun, but also the most dangerous existence of your Ye family! It's very likely to destroy all of you! "

The master of the Ye family was completely frightened when he heard this sentence, and even said, "who in the end? Elder, you must tell me! If you are proficient in the algorithm of heaven, you must have a way to see through it! "

The old man is no nonsense: "I also want to know the true face of that man, today I will use 20 years of life for a result!"

Language down, the hands of the elderly sacrifice a plate!

The array plate is strange, emitting purple light. It's not Kunlun virtual thing at all!

The old man forced out a drop of blood essence, mouth chanting, the array disk constantly rotating, faster and faster.

"With a life span of 20 years, I ask God's power to break through the mystery of Kunlun and find the threatening man! The door of the soul array, open it

Point it out!

Endless light covers the whole courtyard.

Seeing this scene, the Ye family leader is also a bit afraid.

I don't know how the old man used to be!

Fortunately, this person is the elder of his Ye family, not the enemy.

Suddenly, the light converged! Gradually formed a picture of the ancient city under the sea.

The old man's eyes were fanatical and sneered.

There are three fuzzy figures in the picture!

A young man, a dragon, and a strange figure.

He vaguely felt that the strange figure had different eyes.

This figure must be Xiao Huang!

Xiaohuang of the Dragon washing pool noticed what the first time! Look in one direction!

"You dare to spy on me! Go back

With a roar, its unused red pupil blooms strange runes!

This Rune seems to have come from hell.

No one can watch!

Then, Kunlun xuye family thousands of miles away!

The picture of the old man was broken on the spot!

"How can it be! Someone actually cracked my technique! What kind of strength does this need? "

"Poof!"

A mouthful of blood!

An invisible force vibrated in the air, and his body flew out!

The master of the Ye family is completely confused.

The strength of the old man he can be better than anyone else, but at the moment, someone even hurt him?

He tried to recollect the picture, only a red flash.

The red light even made the master of his level feel afraid.

"What the hell is this?"

Chapter 853

After a few seconds, the head of the Ye family finally came to his senses and quickly helped the old man up: "elder, how do you feel?"

The old man snorted coldly, which directly opened the arms of the Ye family master.

On the surface, he is a guest elder of the Ye family, but in fact, he is of noble status!

Even ye Fudong, the master of the Ye family, must obey him!

The old man reluctantly stood up, stretched out his hand, and wiped the blood stains on the corners of his mouth.

His face was so cold that he didn't expect his technique to be broken!

What is that strange figure in the picture?

He tried to recall the picture in his memory, but only remembered three figures.

"Fudong, can you see everything in the picture just now? Can the young man look clear? "

Ye Fudong, the master of the Ye family, shook his head: "the picture is too vague for me to distinguish."

"Do you remember the environment?"

Ye Fudong pondered for a few seconds and then said, "elder, it seems to be an ancient city. The ancient city is at the bottom of the water and its walls are dilapidated. Moreover, I can feel the thunder and lightning in it. As for other things, I don't know

The old man narrowed his eyes and murmured: "underwater ancient city? There are so many ruins of the ancient city of Xuxia in Kunlun that the information is almost useless. The only clue now is that pair of blue and red eyes

"It doesn't look like a human being. It's too small. It should be some kind of animal. But how can Kunlun Xu have this kind of animal?"

No longer thinking about it, he took out a piece of white paper from the storage ring and drew a picture with his memory.

It was an unknown shadow.

With a pair of different pupil!

Enough to deter.

The old man handed the portrait to Ye Fudong and said, "judging from the situation just now, this little thing is even more terrible than that young man. The key is that his red pupil is a little strange, and he can break my skill mercilessly. This kind of person is not ordinary. You ye family has some means in Kunlun Xu. Help me to investigate."

Ye Fudong was puzzled: "elder, my Ye family has been in seclusion all the time, but I ask the external affairs of Kunlun void. This time, in order to find out the object with different pupils, will it have an impact?"

The old man snorted coldly: "at this time, what influence are you still having? The Ye family is going to die. Do you still talk about the influence?"

Hearing this, ye Fudong's expression was stunned, and he immediately said with a bitter smile: "elder, I understand. I'll tell you to go on."

After a few steps, he suddenly thought of something. He stopped and turned to the old man and said, "elder, one more thing. Didn't you ask me to investigate the Ye family genealogy some time ago? There are many people who have contacted the Tianjiang stone tablet on the genealogy. Unfortunately, many of these people did not end well.

Most of the remaining people are living in Kunlun. Except for one. "

Old man white eyebrow a pick: "who?"

Ye Fudong explained: "at that time, a mole ant who couldn't do enough to fight with me for the position of master of the house. I drove them out of the Ye family. I used some means to make them die in pain. However, it seems that the couple still have a child in China, named Ye Tianzheng. Ye Tianzheng married a daughter of a martial arts family in Huaxia secretly and gave birth to another son.

I don't know if that guy deliberately disagrees with the xuye family in Kunlun, naming his grandson Ye Chen.

This name is the name engraved on the Tianjiang stone tablet at the beginning. It is also a taboo of the Ye family. The ancestors did not allow future generations to take this name, but after the man left the Ye family, it happened to be so Do you think these guys have anything to do with that thing

"I've doubted it many times, but China's aura is thin. Even if the old guy has that thing, it's useless. Besides, the old guy died more than ten years ago, and he can't struggle for anything.

After that, an elder of the Ye family put the ashes and tablets of the old man and his wife into the ancestral hall. "

"If you need to deal with it, I'll send someone to Huaxia to find Ye Tianzheng."

Ye Fudong naturally did not know that ye Tianzheng's family had come to Kunlun Xu for a long time. Although he knew that there was a trace of the Ye family's blood in China, it was impossible for him to touch some things of Kunlun Xu.

When the old man heard Ye Chen's name, his eyes narrowed slightly: "you can't let go of any possibility. Since ye Chen's name was engraved on the falling stone tablet that day, it is likely that it was deduced from heaven.

Although Huaxia can't pose any threat to the xuye family in Kunlun, for the sake of safety, we'd better send someone to have a look. It's better to bring all three of the family to you for interrogation! If it has nothing to do with it, kill it! "

Ye Fudong's eyes twinkled with a trace of cruelty. Although the old guy was mercilessly driven out by him, he was always a little unhappy in these years. If the descendants of the old guy could be wiped out, he would be shaking with anger under the spring.

Two people fight for a lifetime, did not expect, in the end, or he severely trampled under the feet!

.....

At the same time, the rubble collapsed.

The water in the Dragon washing pool is gradually disappearing, gradually toward the bottom of the pool. The light of Xiaohuang and Xuelong also gradually disappeared, all of which penetrated into Ye Chen's elixir field and eyebrow heart.

Now ye Chen has broken through to the eighth level of Holy Land!

It's only a step away from the ninth floor.

Ye Chen roared, covered with the light of the stars, the spring of the dragon pool disappeared completely!

I don't know where.

And ye Chen is at this time suddenly open eyes!

"Enter the ninth floor of the Holy Land! Come on

Ye Chen mobilizes the whole body's ability, gathers all the energy in one place, directly breaks through the shackles of the eighth layer!

Boom!

The collapse of the whole mountain was even more severe, and countless boulders rolled down.

The blood dragon chants, the huge body coiled, for ye Chen shelter wind and rain.

"Click, click, click!"

The stone fell on the blood dragon and turned into powder.

Dust billows.

And ye Chen's body, is to spread the crackling sound.

The physical body seems to have experienced some transformation, and it has a trace of Dao Yun.

"Finally, we have reached the Ninth level of the holy land. Unfortunately, this place is going to be destroyed. Otherwise, we will be able to break through the holy land at one fell swoop."

"Xilongchi is really a good place. If you put it in a normal place, it will take at least a year to break through so many realms. Now it takes more than a day to solve the problem completely. This trip has not come in vain."

Ye Chen stood up and gently waved a fist. It was the billow of the air, and a boulder in the distance was broken into pieces.

The more you go to the back, the more you can break the mountains and rivers with one fist.

Now, although he has entered the nine levels of the holy land, one step away from the holy King's realm, it is impossible for some strong people in the holy King's realm and returning to the empty realm to move him!

Even he can easily kill the strong in these realms.

As for the virtual Kingdom, some of the early strong, he may be able to withstand a few points with the help of cards, and even seriously injured.

Chapter 854

But if you encounter the existence of the peak of the virtual Kingdom, it will not be so easy.

After all, the more backward, the greater the gap.

But today's biggest harvest is not myself, but Xiao Huang.

Although there are not too many changes in Xiaohuang's body after evolution, the power of different pupils and the power of communication are too strong!

Blue pupil contains supreme thunder, easy to control.

As for the red pupil, he doesn't know.

Ye Chen turns his head and just wants to ask Xiao Huang, but he finds that there is a burst of snoring in his ear. The next second, he notices that Xiao Huang is lying on the sword of chopping dragon and asking heaven, sleeping soundly.

If you can't help shaking your head, you will change your hobby.

Ye Chen picks up Xiao Huang and takes the sword back to the tomb of reincarnation. Then he takes a look at the blood dragon and finds that the momentum and body of the blood dragon are just like real dragons!

Although it lost the energy of the Dragon washing pool and gradually recovered the shadow, it was more substantial than before.

The blood evil spirit on the body is extremely strong, as if it is drilling out from the nine you sea of blood!

A look in the eye actually makes people have a sense of fear.

"Blood dragon, come back."

The top of the head of the Dragon chants through, the blood dragon empty shadow directly into Ye Chen's body.

Everything returned to calm.

.....

At the same time, on the qianjue square.

Mr. Jingshui and several other geniuses fell on a broken arena.

"Come out, come out!"

"This time how so fast, not to say that there are three days, this is only one day."

"Whatever he is, don't you find that everyone has a strong sense of breakthrough."

"Really, look at Ji Siqing. The light of her breakthrough is golden. At least she has broken through several small realms. Who can tell me what kind of cultivation Ji Siqing is now?"

The crowd was chattering and excited to the extreme.

After all, the real genius comes from the Dragon washing pool!

All of a sudden, someone with sharp eyes found what: "no, why go in so many people, come out on a few?"

"It seems that ye Chen of the medical God gate is not there. Did he fall into it?"

"And the Taoist genius who didn't come out. What happened inside?"

The sound was getting louder and louder, and it almost overshadowed everything.

Duan Huaian and the medical God gate also noticed that ye Chen did not come out, and the mountain behind him was constantly collapsing.

Because he was worried, Duan Huaian came to Ji Siqing and said, "Miss Ji, do you know if ye Chen has come out?"

He is very clear that the relationship between Ji Siqing and ye Chen cannot be concealed.

Ji Siqing took a look at Duan Huaian and said seriously: "master Duan, to be honest, I have never seen Ye Chen again since I came into it. Even if there is a change in Xilongchi, I haven't seen him come out."

"But according to my guess, ye Chen should have left early when I broke through."

Xiaobi rushed up and said excitedly, "Miss Ji, but we have been paying attention to the outside. We haven't seen him at all. Even if we leave, he can't even call and shout. Will ye Chen still be there... "

Ji Siqing hesitated. She took a look at the sinking mountain, and the dust rose. There was a trace of worry in her eyes.

If ye Chen is really in it, he will surely die!

At the present level of disorder, no one can get in.

"This guy's life is so hard, it shouldn't happen."

Duan Huai'an looked at Ji Siqing's expression. With the answer in his heart, Duan Huaian turned to Xiaobi and Lao Xue: "no matter whether ye Chen is alive or not, we must wait for him to come out, even for ten days or a month!"

Yes, master

Now.

Mr. Jingshui on the challenge arena is very displeased with the noise below. He steps out and shakes his true Qi, opens his mouth and spreads the sound wave!

"Noisy!"

As soon as this was said, the whole world was quiet.

Most of the people present dare not displease Mr. Jingshui.

Mr. Jingshui is angry enough to splash blood on mountains and rivers!

After a few seconds, Mr. Jingshui kicks a vicious look at Duan Huai'an.

Ye Chen's existence destroys all his plans. If ye Chen dies, the anger in his heart will be borne by the medical God gate!

Then he continued, "since everyone wants to explain, I'll explain it to you."

"According to the precedent, Xilongchi should have lasted for three days. These three days are enough to let the Tianjiao of Kunlun empty cross several small realms! This is what you are looking forward to participating in the battle of virtual genius in Kunlun!

But this time there was an accident. Mr. Jingshui let everyone down!

This time, not from the inside out of the favored son of heaven, all fall! Bury the life and wash the dragon pool!

This is the answer you want. "

Hearing Mr. Jingshui's words, everyone took a breath. Those geniuses really fell.

It's a pity.

If those people know that Xilongchi is so dangerous, they can't let their disciples go there!

Suddenly, three old men came out of the crowd.

They are the elder of Daozong, the Dharma protector of Yunhai sect and an elder of Lingxi sect.

Among them, the three dead geniuses were cultivated by them.

I thought that entering the top ten would be safe, but I didn't expect that my apprentice and the hope of the clan would die like this!

How should they go back and explain to the Lord!

If you are angry, you should hold the axe in your heart! This Xilong pool has been extremely stable for thousands of years. Why does it happen now? This time? I'm afraid it's not that simple. "

The Dharma protector of Yunhai sect also nodded and said, "the patriarch has orders. If we don't even know the cause of death, how can we explain to the patriarch! Please tell us the reason

The elder of daocong stepped out step by step and said the same: "Mr. Jingshui, your status is excellent. We shouldn't have offended you. But you brought our disciples in but didn't bring them out. You should also have some responsibility."

Looking at the situation of people forcing the palace, Mr. Jingshui's face is very ugly!

There are so many clans in Kunlun. Who dares to treat him like this!

He just wanted to say something, but Yu Guang noticed Duan Huaian again.

Suddenly thought of what, the right foot raised, suddenly fell!

An air wave which destroyed the withered and decayed instantly rushed away.

The faces of those palace forcing elders changed greatly. Even if they were blocked by genuine Qi, they still couldn't help stepping back a few steps, and the blood was surging up.

"Hum! I hate being threatened! If I didn't have a certain responsibility, the three of you would have drifted away like the dust! "

"Of course, with the sign of" mirror water ", I will tell you the truth

"I can also tell you very accurately that the death of those talented disciples was his killing! It's not an accident

"The collapse and destruction of the Dragon washing pool is also man-made, not an accident!"

Chapter 855

"Boom

As soon as the words came out, they exploded in everyone's mind.

They had no idea that Xilongchi was so rebellious that things inherited from ancient times were destroyed by others!

The key is who has this ability!

It is so cruel to kill so many disciples!

What complaint! What hatred!

Lingax sect, Yunhai sect and daocong are not small sects!

The elders and Dharma protectors of the three sects also had a strong sense of anger!

Three steps together to step out of a step, cold voice: "please also mirror water Mr. clearly!"

Mr. Jingshui did not talk nonsense. He stretched out his hand and suddenly pointed to Duan Huai'an of the medical God gate!

Then the indifferent voice fell like this: "Ye Chen, a disciple of the medical God sect, disturbs the rules and acts recklessly! In order to revenge others, destroy the ancient relic Xilongchi by force! It is to kill other geniuses by some means! Such behavior!

Duan Huai'an, I ask you, do you want to be responsible for the God of medicine? "

"Ye Chen is dead. Should this responsibility be borne by your medical God gate?"

Cold words ring through, the whole world suddenly quiet down! Then burst out!

The three elders who lost their love immediately offered cold sword to the door of medical God!

And the surrounding dark crowd is surrounded by!

Ye Chen's behavior completely angered the whole clan of Kunlun!

Kill the genius, regardless of everything!

Disturb the rules, destroy the dragon pool!

No matter it's any crime, it's enough to destroy the nine ethnic groups!

Seeing that the killing intention of the three people wants to fight Duan Huai'an, Ji Siqing's toes are light, and instantly block all the people in the door of medical God!

"Ji Siqing, what are you doing! Ye Chen is dead. Do you have to protect the door of medical God! Would you be a little too nosy! "

"Don't think others let you, I Ling ax clan will let you!"

The elder of linghuzong holds a huge axe in his hand. The opportunity to kill is released!

His apprentice, who had been trained for almost 20 years, died like this!

How can he not be red eyes!

Ji Siqing pointed his sword at the crowd, and his cold voice came: "ridiculous! Is what Mr. Jingshui says! Why did ye Chen want to kill your disciples of lingfu sect? What's the benefit to him? "

"What's more, I and others are also on it. We have witnessed the whole process. Your disciples just can't bear the strength of the Dragon washing pool!"

Wei Ying also stood up: "it is so! If ye Chen did, how could we get hurt? Don't you all have brains? "

"You

Three eyes look at Mr. Jingshui.

"Mr. Jingshui, what is the truth?"

Mr. Jingshui touched his beard and sneered: "Ji Siqing, even everyone is indulging in cultivation. Those who are in the game can't see through some things, but I can feel it clearly when I stand on the bank!"

"Ji Siqing, I ask you, is the power of thunder and lightning to kill those people? And ye Chen also knows thunder skill! "

"What's more, there is no one else in the whole Xilong pool except that boy. You are making a breakthrough. Naturally, you can't do it under my eyes! It's not ye Chen. Who else will there be? "

"In the end, the boy killed the way he walked. The smell of blood in this man was too strong. He was cold and merciless. It was nothing to him to kill a few talents!"

Ji Siqing was speechless.

After all, ye Chen never showed up at the bottom of the Xi Long pool, and the power to kill others comes from the Xi Long Chi. If you really want to count it up, ye Chen is most likely.

Ji Siqing just wanted to say something, and the three elders rushed over. Their weapons were vertical and horizontal, and the meaning of the sword seemed to tear everything apart.

"Hum! Any word from others can incite you. I will protect the door of medical God today. How about it?"

At this time, Duan Huaian stood up and said to Ji Siqing: "Miss Ji, this matter has nothing to do with you. You don't need to do anything. I just hope you can help me take care of my disciples. They focus on alchemy and medical skills all their life, and their martial arts strength is no match for others."

Huaian's three big swords are gone!

"The people of the medical God's gate are open and aboveboard. If it is really done by my apprentice, Duan Huai'an is willing to undertake it! If it was not done by my apprentice, no one would want to move the door of the God of medicine

Words fall, Duan Huaian whole body released a violent breath, step by step out, momentum constantly climbing!

When the momentum reaches the peak, the sword moves, and the sword's meaning seems to turn into a monster!

In the twinkling of an eye, he went to the elder of Ling axe sect!

"Ding!"

The beast is mercilessly torn.

The elder of linghuzong retreated a few steps, and Duan Huaian did not move.

Visible deterrence!

But now Duan Huai'an has to face three people. The elder daocong and the elder yunhaizong will not give Duan Huaian a chance to breathe! Coming from two directions!

Duan Huaian can only face the challenge in a mess!

In the face of one or two people, Duan Huai'an may still be qualified to block, but in the face of the three powerful patriarchs, Duan Huaian instantly fell into a state of exhaustion!

"Bang!" Duan Huai'an was beaten back for more than ten steps, and his robe was broken!

He has not yet stabilized his body shape, Ling ax sect elder is to fly away, an axe from the sky!

Duan Huai'an resists with his horizontal sword. The power of concussion is furious. He can't help spitting out a mouthful of blood any more!

The elder of Ling ax sect sneered: "Duan Huai'an, you're a good teacher! If you don't die, sooner or later, you will go into the devil's way and make K unlun empty! Since you like your apprentice so much, I will personally send you on the road and let you master and apprentice meet in the underworld! "

The three strong ideas swept away, devouring all vitality.

Ji Siqing and Wei Ying changed their faces and rushed out with their swords!

But Ji Siqing has not gone a few steps, but an old woman is in front of Ji Siqing.

It's elder Ke!

"Elder Ke, please get out of the way!" Ji Siqing has some anger on his face.

Elder Ke shook his head: "Siqing, you are still young, you have excellent talent, you should not be involved in such things. You and the people of the door of medical God are not the same. Since ye Chen has died in the Xilong pool, it is time to put aside your obsession. "

Chapter 856

"The most important thing in kunlunxu is talent and men. Although you crush people in Kunlun Xuda competition, don't forget that kunlunxu is not as simple as you think. The real top sects and those hidden talents will not take part in such competitions!"

"Stop it. The contest is over. You should come back with me. The next thing you have to face will be more serious."

Ji Si snorted coldly and turned the sword. The true Qi of Dantian gathered wildly. He wanted to shake off elder Ke, but he did not expect that elder Ke's hand firmly held her sword.

Elder Ke shook his head and took out a token from his arms: "I taught this sword skill. Do you want to use it against me? But if you don't let me go again! Don't disobey the leader's order

Ji Siqing looks pale when she sees the token. She is very clear about the strength of elder Ke. Compared with elder Ke, she is like an ant and a giant elephant. She can't shake it at all!

Even if elder Ke broke out with all his strength, Mr. Jingshui would not be able to hurt her.

"As if you agreed."

Elder Ke's indifferent voice fell.

Then, she even appeared in front of Ji Siqing.

A point in Ji Siqing's eyebrows.

Ji Siqing was unable to move in an instant.

It's this ancient technique again!

Ke Chang old general Ji Siqing picked up, then swept a glass of water Mr. water, light way: "the medical God of things and Siqing has nothing to do with! If you let me know that you secretly attacked Siqing and Ji Jia, I promise that even if you have a big virtual network in Kunlun, I can tear it mercilessly! "

Threat!

Cold threat!

Helpless, Mr. mirror water can only nod: "don't worry, that face I still want to sell a few points."

Ke elder no longer pay attention to, indifferently swept the door of medical God, directly left!

It's not her ruthlessness!

But Ji Siqing's blood and talent, related to the whole clan and Kunlun Xu!

As for ye Chen, even if she was surprised and surprised today, how about it!

That person is a fan root after all, can only become Ji Siqing's passer-by!

In other words, the clan and power behind Ji Siqing don't look up to Ye Chen!

Ye Chen is not qualified!

Only then let Ke elder restrain Ji Siqing!

To the extent that Ji Siqing is such a beautiful girl of heaven, her marriage and emotion can not be determined by her. Even the clan's interference ability is even greater than that of Ji family!

This is one of the rules of Kunlun Xu!

.....

After Ji Siqing and elder Ke left, no one could help the door of medical God.

Even if Wei Ying hands, the strength is very small!

Because the door of medical God should face all the sects besides lingjizong, Yunhai Zong and daojong!

How can a declining medical school withstand the anger and crusade of hundreds of sects!

Duan Huaian fought to death to protect his disciples from being hurt!

This is what a master should do!

But because he has to take care of his disciples, there is no time to deal with them. At the moment, he is already scarred!

Xiao Bi and Lao Xue are also hurt by sword Qi and Dao Qi.

Mr. Jingshui on the challenge arena is carrying his hands behind him and his eyes are full of fun.

This feeling of being in charge of the world is very good.

It's easy for him to kill a clan!

What's more, it is such a weak and small clan!

"Bang!"

The elder of daocong slapped Duan Huaian on the chest, and Duan Huaian flew out.

The power of one person is too small after all.

No matter how high he is!

He spat out a mouthful of blood and barely supported it with his sword.

"Master!"

Xiaobi and old Xue rush to the past and protect Duan Huaian.

Xiaobi wants to take out a pill she refined not long ago, but finds that her own refined pill has no great effect on the current master's state!

The elder of lingfu sect sneered when he saw that the door of medical God was already a powerful bow. He sneered: "since you are all here, I will sacrifice my lost apprentice with your blood!"

With an axe raised, endless Qi gathers! Axe means heaven! It's radiant!

This axe is like an axe to the sky!

Once it falls, no one can bear it!

Xiaobi and old Xue see this scene, turn around, eyes firm, but also open their hands to protect Duan Huaian!

"Although our medical God's door is only a branch of medical Taoism, it has declined to this point! But the disciples of the medical God sect are not cowards

They did not blink their eyes, fearless and awe inspiring!

The elder of lingax sect sneered and sneered. His axe was getting closer and closer. He even saw these people turn into a blood mist!

Just then!

"Boom!"

The collapsed mountain of Xilongchi is directly exploded!The sky is full of boulders!

It's like a meteorite falling on the earth! Clouds of smoke and dust rolled like waves.

Everyone was stunned by this scene!

Isn't the Dragon washing pool collapsed? What the hell is that sound?

Second collapse?

They're going to be deafened!

Countless eyes subconsciously towards the rolling smoke, but they can not see anything clearly.

The elder of Ling ax sect who lost his mind for a moment did not care. He rolled up the momentum and continued to chop!

"Who the hell moves my door of medicine to try!"

Suddenly, a startling roar swept through the smoke and dust!

The sound was like a mysterious sound from the Ninth Heaven.

Gradually, a dark shadow appeared in everyone's sight!

The shadow is too fast!

As fast as the naked eye can hardly catch it!

In a flash, has come to the door of medical God and other people in front of!

Xiao Bi and Lao Xue are excited to the extreme when they hear the familiar voice!

This voice is Ye Chen!

Ye Chen is not dead!

"Today, with me here, no one can move you, no one!"

Ye Chen stood in front of all the people in the door of medical God coldly!

He saw the teacher Duan Huaian's body full of scars! I saw more sword marks on Xiao Bi and Lao Xue!

He's angry!

He wants to kill!

I want to kill people!

This group of practitioners can only bully the soft and fear the hard!

It's really mean of so many families to deal with one medical school!

This is the world where the strong are respected. People's lives are just like grass roots. If you are strong, you can kill them.

This is a world of the strong and the world of indifference. Regardless of the truth, they will mercilessly wield the sword of killing. If you don't kill people, people will kill you.

In this case, he Ye Chen carries a killing name today!

Ye Chen suddenly raised his head, bloodthirsty eyes shot at the axe of the elder lingax sect!

Extremely cold!

"You hurt my master! I want you to pay for your life

Ye Chen's right fist is full of crazy thunder and fire!

At the same time, the power of the blood dragon coiled on his arm, giving him infinite blessing!

The strength of the Dragon washing pool has not completely dissipated. Now he is strong enough to burst out!

But not enough!

Ye Chen is forcing out a drop of blood essence again!

The essence blood disperses, turns into a blood fog, the blood fog envelops the whole body!

At the moment, he is the God of death from hell!

"Die for me!"

Chapter 857

Roar through everything, see ye Chen whole burst out, body like rocket general rushed out!

After that, the fist with endless force directly hit the axe!

Fist to axe!

This scene, shocked everyone's eyes!

People's first reaction is that ye Chen does not want to die!

Even the practitioners dare not play like this!

What's more, Ling axe sect is famous for its strength!

Who dares to do so!

The elder of lingax sect has seen Ye Chen clearly, and his anger is more and more roaring!

"Little beast, you killed my apprentice! In that case, I'll give you one life for another! "

"Touch!"

Finally, ye Chen's fist smashed on the axe.

A torrent of weather waves spread in all directions.

Time seems to be still, space seems to solidify.

I don't know how long it took, the peace was broken!

Ye Chen didn't turn into a blood mist!

How could it be!

But at the moment, the elder of Ling axe sect is staring at the big eyes and shaking the arm distance.

He even felt a tsunami of power devouring!

This This son of a son from the holy land?

Or a door of medicine!

How could it be!

"Click!" A sound, in the eyes of all, the axe actually appeared a crack!

Shocking crack!

After that, they are directly reduced to pieces!

Fall down!

Everyone in the square is petrified!

Duan Huai'an of the medical God gate is also stunned. He knows Ye Chen, and he knows that ye Chen is Ye Yan Tian. But this power is impossible!

Wei Ying's eyes, which are full of cold air, are also shocking.

And Mr. Jingshui on the challenge arena is totally confused!

He had no idea that ye Chen had such a terrible power after a day's absence!

What a freak this is!

There is only one sentence in everyone's mind:

in the human body, shoulder to shoulder God!

"Ling Jizong, I will send you on the road in person!"

With a roar, ye Chen's eyes are red, his fist is carrying endless waves, tearing all obstacles, and smashing on the chest of Ling axe sect elder!

"Crash!"

The blood is dying! Instant penetration!

At the same time, ye Chen's power does not have any convergence!

With the body of Ling ax sect elder, it fell from the sky!

"Bang!"

Until the fist hit the ground, the sound of the earthquake resounded through the thousand Jue square!

Crack after crack spread!

The cold wind rises, and the meaning of death covers the whole audience.

Silence.

No one dares to say a word more.

The only thing you can do is to stare at the body.

Who could have thought that someone would have cracked an elder of Ling axe sect with one blow!

This is a damn punch!

Sleeping trough!

Ye Chen's body stained with blood, more people feel terrible.

Step by step, he walked towards the other two people.

"Yunhaizong, you were there just now, right? In that case, take your life!"

Ye Chen instantly moved!

His whole body is full of red evil spirit!

Eyes burning with anger!

He needs to vent his inner strength!

These high-ranking beings are to be slaughtered by him himself today!

Obviously, the Dharma protector of Yunhai sect didn't expect Ye Chen to come back from the dead. The flame on the key body is too strong.

It's not a holy land at all!

Even beyond the realm of returning to emptiness!

The Taoist elder's eyes narrowed slightly and said: "the boy has changed so much that he may have used the secret method to improve his strength! What's more, his breath seems to come from the Dragon washing pool! It must be influenced by the Dragon washing pool. This power is very short. We don't have to be afraid! "

The Dharma protector of Yunhaizong nodded. He didn't dare to take it lightly. The sword in his hand vibrated gently and chopped it with one sword!

The sword will explode directly!

How terrifying is the momentum of Yunhai sect's Dharma protector now?

Thousand Jue square, mountains and rivers concussion, the sky black pressure.

That momentum forced all the powerful people around him to fight back and step backward.

This is true of all the onlookers, not to mention Ye Chen.

Endless pressure lock Ye Chen, let Ye Chen is very uncomfortable!

But then what!

"War!"

Take a deep breath, suppress the shock in the heart, ye Chen roared.

Now he has entered the nine levels of holy land, almost the holy King's realm, and his real combat power is approaching to return to the virtual realm! What did the elder in the early stage of Xuwang state count in his eyes!

Ye Chen still did not move the sword, relying on the body!

He wants to extract his whole body with strength!

And a clear voice appeared in his mind: "tomb owner, my mo family just has a body training method and fist meaning, which is just suitable for the tomb owner's present state!"

"The pattern of the tomb owner's rampage now is extremely suitable for stepping into this road."

Ye Chen receives naturally!

Two messages come to mind.

"Ten Thousand Buddhas Vajra fist"!

In ancient times, Mo's family had a strong sense of boxing. One blow was like the meaning of Ten Thousand Buddhas, falling from the sky!

Refining Dacheng, one blow can crack mountains and rivers!

Mo man, a practitioner of Mo family in ancient times, found it in a secret place of Kunlun.

The secret of this exercise is supreme and obscure!

Extremely complicated!

Every time you step into the body, you have to experience life and death! Finish the creation!

Although it is a remnant, Mo man of the Mo family also made great achievements.

"Mo Ning'er, why give it to me now?" Ye Chen has a wonderful way.

Mo Ning'er replied: "tomb owner, before that, your body did not have the conditions to cultivate these two skills. Even if it was given to you, it would only affect you and easily lead to backfire. But since you entered the Dragon washing pool, the biggest change is not a breakthrough in cultivation, but a change in your physical body. It's just that you haven't found it. "

Ye Chen doesn't pay attention to it any more. He feels the Vajra fist of Ten Thousand Buddhas and roughly understands it!

No longer hesitating, roared: "ten thousand Buddha Vajra fist!"

In an instant, his fist around a circle of gold!

Gold is more and more prosperous!

After that, he smashed the sword meaning of Yunhaizong's Dharma protector.

"Again

Yunhaizong's Dharma protector was afraid. The axe could break it, not to mention his sword.

He can only try to avoid it!

But how can Ye Chen's current state allow, direct collision!

"Pa!" The sword broke again!

Yunhaizong's Dharma protector was a little flustered. He quickly took out a jade pendant. He just wanted to force blood essence to induce the power of the jade pendant. The golden light instantly devoured him.

He even felt a peaceful and strong contradictory force!

He holds his breath and stares at Ye Chen.

At this moment, he seemed to face not the fist, but the power of Buddhism!

How can a person who kills Taoism have something to do with Buddhism and Taoism!

the most taboo in the battle of the strong is to be absent-minded!

One second time, ye Chen's fist fell down, and the golden light smashed on the body of the man!

Body tears on the spot!

"Hiss!"

Seeing this scene, those who originally surrounded the door of the God of medicine and practitioners were completely frightened!

One was by accident. What about the two?

Chapter 858

Accidental fart!

The crowd broke away!

No one dares to get close to Ye Chen and the door of medical God again!

In their eyes, this evil spirit can't move!

Otherwise, if this blow hits them, they can't bear it!

Even the clan will be destroyed!

Most of them were small families.

Xiaozongmen can't stand such twists and turns.

But at the moment Ye Chen slightly gasps, his body's blood is too much.

So much to the eye.

But it's not his.

It's all other people's blood.

His face was ferocious.

The blood made him sober.

Now he is like a killing machine without emotion.

Living on blood.

Bloodthirsty and cold.

A look will make the countless door back.

This is one of the cruel rules of Kunlun. The weak always fear the strong and don't care about their identity.

His understanding of the way of killing became stronger and stronger, and the blood dragon in his body became stronger and stronger, and even broke out constantly.

It's as if you're going to rush out of your body at any time.

Ye Chen turned around and his eyes fell on the Taoist elder: "now it's your turn. Do you want me to do it or do you want to cut your head? I don't want your daocong's blood to taint my casual clothes, because your daocong's blood is too dirty. "

The elder of daocong swallowed and salivated.

If it was normal, he would have killed him, but now he dare not!

He knows his strength.

The two elders were defeated by Ye Chen's fist, let alone him.

Now ye Chen's momentum is too strong.

So strong that he can't believe it!

He really wants to know what the hell is the secret!

It's a change! Like a new life!

Is this boy not afraid of the end of the back bite!

He was completely flustered at the sound of heavy footsteps approaching in his ear.

What did he think of? He looked at Mr. Jingshui in a hurry. At present, in qianjue square, only Mr. Jingshui's strength can crush everything!

Even if ye Chen is strong again, he will become a dead dog in Mr. Jingshui's hand!

"Mr. Jingshui, help me! You said that you can't kill people in the arena. Ye Chen has violated the rules and should be killed! Kill

Ye Chen snorted coldly: "no one can save you!"

Language down, ye Chen once again hit!

This blow, golden light spread, tear everything!

Once you hit the body, you will die!

Just as the Ten Thousand Buddhas Vajra fist burst out, an old man with cold eyes stood in front of the Taoist elder!

Mr. Jingshui, of course.

If he doesn't do it again, it will be a real mess!

"Ye Chen, you know what's wrong!"

Mr. Jingshui said coldly, with endless pressure!

"Go away!"

Ye Chen is not afraid!

Although I know Mr. Jingshui's strength is enough to crush him, how about that!

His way is to kill.

Any existence that can't kill him will only make him stronger!

He is ready to pay the price and hurt the people of this altar!

"Ye Chen, you destroy Kunlun's battle of genius and the ancient Xilong pool! Kill others for no reason! You know, you can't kill people if you leave the arena! "

Hearing this, ye Chen laughed!

The rules are in the hands of a few!

How ridiculous!

"I care about you, mirror water or stagnant water! If I didn't come out just now, who will be responsible for the life of all the people in the medical God gate! Are they in the arena! If that's your rule, I'll tell you! I Ye Chen is going to break the rules of this bullshit

Ten Thousand Buddhas Vajra fist explodes away! The light of Buddha is everywhere!

"Well, I can't help myself!" Mr. Jingshui grinned coldly, five fingers in front of a grasp, want to buckle Ye Chen's hand!

But soon found a strong air wave collision!

Ye Chen's strength is more terrible than he imagined!

He stepped back a step, but still caught Ye Chen!

His voice sounded: "do you feel the difference between you and me now? It's a natural moat! I have practiced in Kunlun for a long time. How can you, a stinky boy with more than 20 years of bone, resist it! You can't touch a hair of mine

At the moment, ye Chen only feels that all the strength has disappeared.

He wanted to break free and found it impossible!

"Damn it!"

Mr. Chou's mouth is still in the mirror!

"Don't struggle, put your spirit out, I will let you die more happily!"

Mr. Jingshui knows that everything is under his control.

He is now in a state where he can crush everything and make rules. As for ye Chen, he was really shocked. The more he was, the more he could not stay.

Must die!

Otherwise, ten years later, it will definitely threaten his existence!

At this time, he suddenly found that ye Chen's mouth showed a crazy smile.

It's a little bit creepy!

The next second, "click!" One sound!

Ye Chen ignores the controlled hand!

Just twist it!

Then the other hand, the God thunder is full of, one palm thunders to clap!

"Pa!"

A very clear voice sounded!

"You said I couldn't touch you! I will not only touch you, but also slap you

Mr. Jingshui's face was photographed by the palm of the air wave and endless force!

The red mark is very clear!

At the same time, the mouth a mouth of blood spit out!

No one thought that ye Chen would break his arm and slap him!

This is a water mirror, sir!

In the world, no one dares to fan the mirror water!

Only Ye Chen at the moment!

Mr. Jingshui never thought of it!

He stares at Ye Chen's crazy smile!

He was so angry!

For ye Chen, how about breaking his arm? He is a doctor who can't help others, but he can be cured in minutes!

This is his advantage!

"Looking for death!"

Mr. Jingshui was completely angry and offered an array plate in his hand, and the strong man's blow fell on the array plate.

The array plate carries the power of thunderbolt and smashes fiercely on Ye Chen's chest!

Ye Chen flew out on the spot!

It's hard for a strong man to stop him when he is angry!

Ye Chen has done his best!

At the same time, Mr. Jingshui didn't stop at all, and offered a green sword!

This is the second time he has used his sword in so many years!

How angry I am!

"Ye Chen, I want you to die!"

"No one can save you!"

The sword is like a green dragon!

Heaven and earth shake, all things crawl!

Most of the practitioners in the field spit out a mouthful of blood!

Can't bear it!

Visible power!

The cold death spread! As if to devour Ye Chen!

Ye Chen looks at Xiao Huang in the distance!

He communicates with ideas!

But found that Xiaohuang is still asleep! No response at all!

Grass! The key moment falls off the chain!

Ye Chen gnaws his teeth, no longer hesitates to communicate directly with the reincarnation cemetery!

At the critical moment, a huge Dan Ding falls in front of Ye Chen!

The Ancient Runes of Dan Ding broke out!

Green Dragon Sword meaning, directly swallow!

Then, a cold voice slowly fell down!

"Sorry, you can't touch him! I'll just say it once! "

All the people around me can't react. Mr. Jingshui's most powerful attack was directly blocked!

What kind of power does this need!

What's the Dan Ding?

Why do they have ancient meanings.

In the surprise of all, a figure slowly fell.

It's a girl.

The girl is like a light cage in the smoke and dust, with a trace of special charm.

That beautiful eye son is suffused with a trace of cold, red lips show a sense of pride.

She had no fear at all!

At the same time, there is an old man beside the girl.

An old man who doesn't know his accomplishments!

Ye Chen saw the girl a little confused, she knew! Luoyao!

Luoyao from danxu Tower!

What's the matter with this girl?

Chapter 859

"How could you be here?"

Ye Chen looks at the Luoyao in front of her body, or opens her mouth.

Luo Yao turned around, blinked at Ye Chen and whispered, "Mr. Ye, have you forgotten our agreement?"

"You promised me to go to danxu tower with me when the battle of Kunlun virtual genius is over."

Ye Chen suddenly realized.

After all, Luoyao helped him a lot in the killing place, so he agreed to come down.

But I didn't expect this girl to take it seriously.

"Mr. Ye can't play tricks." Luo Yao tried.

Ye Chen shakes his head: "since I promised, ye Chen will not play tricks on me. But this matter is the grudge between Mr. Jingshui and me. If you involve the Luo family, will you..."

Before the words were finished, Luoyao's red lips outlined a curve of evil spirits: "Mr. Ye, Mr. Jingshui is connected with the heaven in Kunlun, but he is not qualified to infiltrate our Luo family and danxu tower."

"Since I have a promise with Mr. Ye, no one can take your life!"

"Thank you." Ye Chen said thanks.

Luo Yao shook her head and said with a confident expression: "Mr. Ye, I'm sure that even if I don't come, it's not so easy for Mr. Jingshui to move you, right?"

"Well, Mr. Ye, first of all, you should take good care of your wound, and then you can leave the rest to me."

Ye Chen nods and no longer talks.

Mr. Jingshui's strike, if not for his strong body, ordinary people might have turned into blood fog.

Even if it is a return to the virtual realm, do not want to resist.

But there was not much real Qi in him. Besides, he was injured. It was very hard to kill the old man Jingshui completely.

Let's take a look at the strength of Luoyao.

Luo Yao turns her head and smiles away. She stares at the angry Mr. Jingshui in the distance.

"I didn't expect that Mr. Jingshui, who is famous for his reputation in Kunlun, actually made such a move to a younger generation. He really lost the face of many powerful people."

The words dropped gently, and the crowd was in a commotion.

What happened today?

Ye Chen that madman contradicts mirror water Mr. also calculate, incredibly still have a woman also dare to do so?

Shame?

I'm afraid Mr. Jingshui doesn't know how to write dead characters!

Mr. Jingshui's eyes narrowed slightly. He felt that the ancient tripod was familiar to him, but he could not say it again. He said to Luoyao, "who are you? Know where this is! "

"This is qianjue square, the place of Kunlun virtual genius battle! And the young man behind you breaks the rules and kills the innocent! This kind of person, I deal with him only for the sake of heaven! I advise you to get out of the way. Your accomplishments may not be able to withstand my attack! "

With the green sword in Mr. Jingshui's hand, Ling lie's intention to kill breaks out.

If this matter is not handled correctly, where will his reputation go?

Luoyao steps out, a trace of purple air around her body: "what if I have to protect him?"

"Let's see you on the road together!"

Mr. Jingshui turns into a shadow in an instant!

Ye Chen that slap incomparably clear, the cheek burning pain seems to be humiliation!

Anyway, ye Chen must die!

Since the little girl in front of me also don't know the height of heaven and earth, then he solved it together.

The wind roars and the dust spreads!

Mr. Jingshui's killing intention is like a giant beast, which devours Luoyao mercilessly.

But Luoyao stood still, staring at each other with interest, as if he didn't care about anything.

Just as Mr. Jingshui's green sword broke through the air and the strong force came, the old man around Luoyao moved.

Five fingers on the ancient tripod!

The rickety body holds the tripod with one hand!

At the same time, the ancient tripod is extremely flexible in his hands.

In the end, he smashed it out!

"Ding!" The sound of a fierce spark, a wave after another rippling open!

There are several practitioners who are close to us, and they fly out without warning!

Gu Ding and Qing Jian are still in a stalemate.

There was no winner!

Mr. Jingshui's cold smile seemed stiff.

He set off a storm in his heart, staring at the old man who didn't know the depth of his cultivation!

Who is this old man? Why is it so powerful!

Look, this cultivation is definitely not under him!

And obviously, the old man is protecting the girl's existence.

"Stop it. My young lady is not happy. The consequences will be very serious."

The old man opened his mouth, his voice was very light, as if he were talking about a very common thing.

"Who the hell are you?" Mr. Jingshui increased his strength and said angrily.

"I'm just a idle cloud and a wild crane. I came out this time just to protect the young lady from any harm. After so many years of disappearance, she finally went home and could not bear hardships any more." The old man continued. "Nonsense, since you don't say your identity! Today I will break your ancient tripod

Mr. Jingshui stepped on the tripod with a light toe, then his wrist trembled, and a bloody cold light suddenly shot out.

Too fast!

The sharp whistling sound, broke the solidification of everything, as if tearing the thousand Jue square!

The old man shook his head and pinched the formula with his fingers. Then, he pointed to the ancient tripod.

In an instant, the mouth of the ancient tripod spurted out a sword meaning.

The sword is dense and dense, like falling stars, with the potential of extinction, facing the cold light of Mr. Jingshui.

The sword's meaning soars to the sky, and the way of heaven shakes.

Seeing this, Mr. Jingshui's pupils suddenly contracted.

This power, this ancient tripod, what did he think of!

Danxu Tower!

Is this old man from danxu tower!

"Bang!"

Between the electric light flint, two forces collide.

Heaven and earth have no light, sun and moon are colorless!

The air waves were like a nuclear bomb, and there was a huge pit on the ground where they were!

The surrounding arena is even more dispersed!

There are even torn swords intended to go to the periphery!

Those onlookers hastened to retreat. They thought that Mr. Jingshui would crush him. But now it seems that the old man who suddenly appeared should not be underestimated!

"Boom!"

Where we pass by, plants and plants do not grow! What a mess!

Even the array of qianjue square appeared cracks and began to collapse.

How to stop the attack of two strong men!

"I made it very clear. Why didn't you listen? Your identity is not ordinary, but my miss is the same! I hope so. "

The old man said.

His tone is not a consultation at all, but an order!

After that, Mr. Jingshui and the old man separated instantly.

The ancient tripod was firmly put on the ground by the old man, and he returned to Luoyao again.

But Luoyao turned her head and said to Ye Chen, "Mr. Ye, now you know the strength behind me. It's too late to join me."

In Luoyao's eyes, ye Chen's martial arts talent and chance are good, but compared with her alchemy, there is too much difference!

Ye Chen should be immersed in alchemy!

Chapter 860

Ye Chen took a deep look at the old man and could not be calm for a long time in his heart.

I thought danxu tower and Luo family had no great reputation. Now it seems that the family behind Luoyao is not simple!

Otherwise, how could there be such a strong guard!

Mr. Jingshui took back the green sword and said, "are you from danxu tower?"

But the old man didn't answer.

He didn't care about anything. The only thing he had to do was not let Miss do anything.

Otherwise, the master will be angry, and he will not want to live.

But at the moment, the people around are completely how to open the pot!

Only because they heard three words in their ears!

Danxu Tower!

They never dreamed that the person who saved Ye Chen came from danxu Tower!

Danxu tower is an extremely mysterious force in Kunlun, and also the supreme palace of Kunlun Xudan road!

There are not only top Dan masters there, but also top-level strong ones!

In order to go to danxu tower to ask for a pill, countless strong men even willing to give up their dignity!

Over time, the strong of Kunlun Xu naturally feared and revered danxu tower.

It's better to offend the top sect than to offend the master of danxu Tower!

Most importantly, danxu Town, where danxu tower is located, has a strict invitation mechanism!

If there is no power to take you, there is no chance to step in!

If you step in by force, you will die!

Because of its strictness, the danxu tower is too mysterious compared with many places in Kunlun, just like a hermit's land.

Now that the people here finally come out, can the onlookers not be excited!

They even understand why the old man used the ancient tripod as a weapon!

As long as the strong danxu tower will be like this!

Looking at Mr. Jingshui's fear, Luo Yao said with a cold smile, "Jingshui, didn't you just want to kill me? Why didn't you do it? I'll stand here and never fight back. "

Mr. Jingshui hesitated for a few seconds. Although he was very unhappy in his heart, he still bowed his hand and compromised: "this lady, ye Chen of the medical God gate and I have some personal enemies. Please don't stop me. As for the matter just now, I'd like to apologize to miss."

"Miss can make any request to me, and I will spare no effort to meet it."

Mr. Jingshui has compromised!

He has no choice.

Because of the mysterious old man's existence, he can't get any closer.

Even if he wanted to shake the old man, he would have to pay a great price.

It will never be so unless you have to!

At present, the only way is to let the girl give up guarding Ye Chen.

He even thought in his heart that ye Chen was just a waste. At most, he had some adventures and opportunities. Why did so many beautiful women with different identities like him?

Before Ji Siqing, after this girl!

These two women, regardless of their strength or identity, are enough to let Ye Chen look up to ah!

"What do you think, miss? I would like to offer an ancient Dan Ding as an apology

Mr. Jingshui offered a red red cauldron.

There are lines of dragon and Phoenix on the tripod, which are full of ancient rhyme.

If alchemy, the effect must be excellent!

That's what they like!

The people of danxu tower naturally recognize the value of this tripod.

This is what he got years ago in a dangerous and secret place, and he has been collecting it carefully.

Not even willing to show it to others.

But now, it is the pain to give up!

Just ask Ye Chen to die! To vent the hatred of the heart!

As soon as the ancient Dan Ding appeared, the sense of desolation spread out, and there was an air wave all around.

Countless pairs of eyes looked at the proud girl.

Waiting for a reply.

An ancient Dan Ding is worth a cheap life.

For the people of danxu tower, it should be more precious.

Let all people did not expect is, suddenly, the girl is facing the eyes of countless people, step out!

The whole body of the veil floating, dancing in the wind, like a girl falling from the sky.

Beautiful side.

However, the girl's eyes burst out with extreme pressure and sound waves:

"ridiculous! This rubbish Dan Ding still dare to take out disgrace! You can't send a beggar! "

As soon as the words were said, the crowd took a breath!

Garbage Dan Ding? Send the beggar?

This ancient thing is rubbish in the eyes of young girls!

That's crazy.

Even Mr. Jingshui was twitching at the corners of his mouth, and his face darkened. He could not accept this reality.

Just as he was about to speak, the girl took a few steps again!

Each step with a cold word, ring through the thousand Jue square!

"Sorry? Do I need your apology"Mirror water! Since you want to know my identity, I will tell you! I'm from danchitalo

"If you think your strength or your connections in Kunlun can shake the Luo family, just do it!"

Looking at Mr. Jingshui's shocked face, Luo Yao continued to say:

"besides, ye Chen is a member of our Luo family. If you dare to move him, you will be against danxu tower, and against those strong people of top sects!"

"What kind of bullshit Kunlun battle of virtual genius you're holding? It's ridiculous! Many of the top talents I know haven't come. Do you really think you're connected? In the eyes of those who are really strong, you are just a mole ant! What kind of a thing

Step by step.

Luoyao took seven steps!

But Mr. Jingshui's face is pale now!

He should have killed in such a rage!

But the girl's identity made him completely impossible to be angry!

Danxu tower has only one Luo family!

There is an ancient Dan master in the Luo family, who still exists in the world!

Every year the plum blossom is in full bloom, and the leaders of Kunlun Xu's real top sect will visit in person!

Only this level of relationship, no one dares to move!

How does Ye Chen of the key medical God door relate to this huge thing!

The crowd was completely silent.

That innumerable way vision again looks to Ye Chen, this moment, only leaves envy and jealousy.

Ji Siqing guarded Ye Chen for five years!

Now being taken away by elder Ke makes them feel happy!

But at this moment, another Miss Luo came. They really wanted to spit out old blood.

Ye Chen doesn't know how to make alchemy. How can the Luo family like it?

At the moment, ye Chen's expression is strange. He looks at the back of Luoyao.

I really can't imagine why the eldest lady of such a top family would stay in the killing place for so long?

Still concentrate on alchemy?

As for it!

Is there any secret in it?

In the silence, Mr. Jingshui suddenly arched his hand and said, "it's Miss Luo's family. I visited your father several decades ago. Unfortunately, your father was refining pills and didn't see him. If you offend me today, Jingshui must go to danxu tower to make amends. "

Luoyao snorted coldly. Just as she was about to say something, the old man beside her said, "Miss, it's almost all right. Don't forget the relationship between you and the master now. If this person pokes things into Luo's house, it will be troublesome for you."

"And the dog will jump off the wall when he is in a hurry. The identity of the mirror water is not so simple. If he really exerts his full strength, you and I will not necessarily leave."
