

Physician 861

Chapter 861

Luoyao originally wanted to continue to tease, but after listening to the old man, she still swallowed the lies in her mouth.

Later, she said to Mr. Jingshui, "now my Luo family is going to take ye Chen away. Do you have any opinion?"

Mr. Jingshui's eyes flashed a little sinister.

He can't let Ye Chen go, but now danxu Taluo's home is out, and he can't control some things.

He could use some means to capture the old man and the girl, but in this way, he completely offended the Luo family.

When the family of Dandao was angry, the consequences were extremely serious.

He took a deep look at Ye Chen and Xiao Huang, who was sleeping in the distance.

There was a burning pain in the cheek.

Shame on you!

He clenched his fist and said, "since the Luo family wants to protect this boy, I won't fight! But if one day this little animal is dead, it can't be counted on my mirror water head. "

He is naturally willing to let Ye Chen go, but the Luo family can't protect Ye Chen all his life!

As long as you give him a chance, he will kill him mercilessly!

And the door of medical God!

What Luo's family wants to protect is Ye Chen. The disappearance of the door of medical God has nothing to do with him!

He will let Ye Chen feel what is pain and nightmare!

Luo Yao snorted coldly and ignored Mr. Jingshui. Instead, she looked at Ye Chen and asked, "Mr. Ye, the matter here is over. Would you like to go to danxu tower with me?"

The old man around Luoyao also said to Ye Chen: "boy, we are helping you. You have no choice. According to the style of that guy, you must kill all the people. You can't go to the original place any more. During this period, you and the doctor's gate should go to danxu tower. There is no doubt that it is the safest place to stay. When the wind is over, or Mr. Jingshui forgets it, then It's not too late to come out low-key, or with your current strength, in Kunlun Xu certainly can't last a week.

It's cruel, but it's true. "

Ye Chen nodded and just wanted to talk, but Lin Qingxuan's voice rang out.

"Disciple, I suggest you go to the danxu tower. Dan Dao and medical Dao are the same. Even in ancient times, to be exact, Dan Dao was just a branch of medical Dao. It's very suitable for me to teach you the way of supreme medical God. There's no harm in going there."

"Of course, I also want to meet an old friend. After so many years, I don't know if the old friend is still alive."

"There's nothing wrong with the old man's suggestion. I'll just listen to it once. Most importantly, I have a hunch that there is an opportunity to open the tombstone."

"Mo Ning'er and I don't have much energy. Now we have to activate the remaining tombstones as soon as possible."

With Lin Qingxuan's suggestion, ye Chen couldn't refuse any more. He looked at Luoyao and said, "it's OK for me to go, but I need to take some people with me. I can't help myself when I die."

Luoyao showed a smile, the smile is very sweet.

"Mr. Ye, don't worry about this. Although the examination and approval of danxu tower is strict, I can still bring some people in. It's not so easy for you to move the mirror water inside. You can come out after the storm."

Ye Chen looks at the master Duan Huai'an and Xiaobi and asks, "Shifu, Xiaobi, laoxue, would you like to go to danxu tower?"

Duan Huaian lost his mind for a moment, and finally nodded.

But Xiaobi was a little excited. She pinched herself hard. She was sure it wasn't a dream. She said in a trembling voice, "can I really go to danxu tower?"

From the moment Xiaobi entered the door of the God of medicine, she had a great love for Dan Dao, and she had been immersed in it for more than ten years.

In her heart, danxu tower is the existence that she can only look up to all her life.

But now, she has a chance to enter it. Can she not be excited?

Seeing Xiaobi's excitement, Luoyao came forward, took Xiaobi's hand and whispered in a low voice: "you are Xiaobi's sister. What I say is natural. What's more, you seem to like Dandao very much?"

Xiao Bi Meng nodded: "I want to be a top Dan teacher. This is my dream. "

With a trace of tenderness in her eyes, Luoyao took out an ancient book: "since sister Xiaobi likes it, it should be a gift for meeting. When I'm inside, I'll have a little bit more competition with sister Xiaobi. "

Xiaobi was at a loss, and her breath was even more rapid. For her, all these things far away were realized.

Although I don't know what the ancient books in front of me are, the miss of the Luo family of Dandao family took it out. How could it be bad!

"Miss Luo, I'm sorry for it..."

Luo Yao took a look at Ye Chen and joked to Xiaobi: "Mr. Ye is my friend, but also the person that my Luo family cares about very much. You are ye Chen's schoolmate and younger sister. Naturally, I will please you. Take it."

Luo Xiaobi takes a look at Ye Chen and nods at the latter, and happily accepts it.

"Ye Chen, it's almost time for us to go." Luoyao road.

What does Ye Chen think of? He looks at Wei Ying not far away. He finds that Ji Siqing is not with Wei Ying. According to Ji Siqing's character, how can he leave.

Wei Ying seemed to see through what ye Chen was thinking and sighed: "Ji Siqing was taken away by the patriarch of zongmen and forcibly taken away. The master behind her does not seem to want some things to shake Ji Siqing's cultivation heart. "

Ye Chen one Zheng, this just thought before Ji Siqing wants to help oneself, also by a woman called Ke elder to stop.

It seems that the clan behind Ji Siqing still looks down on himself.

It's normal to think about it. Ji Siqing is the most gifted disciple of their clan for thousands of years, which is extremely precious.

The starting point and end point of her path are much higher than those of ordinary practitioners.

What's more, the clan behind Ji Siqing has a long history.

Such a huge thing, whether it is the door of medical God or himself, is not enough to see.

But this is only today, what about a year later?

Who can predict his future?

At the moment, ye Chen burst out with strong self-confidence, her eyes twinkled, and then she looked at Wei Ying: "then you go with me."

Wei Ying, however, waved her hand and refused: "Mr. Ye, I still have Jue Han Zong behind me. Some things still need me to deal with, so I can't leave for the moment."

"I'll come to you naturally when all the affairs of juehan sect are finished."

Ye Chen did not persuade what, Wei Ying has evil blood cold body, at least can not have an accident.

In addition, Xilong pool extracts soul and body. It's impossible for Wei Ying to control Wei Ying completely. Naturally, he doesn't need to worry.

"Come on, get in the car."

The old man beside Luoyao opened his mouth. The next second, he pinched the formula with his fingers, and the purple air was swirling around him.

When the purple Qi dissipated, there appeared a spirit beast carriage.

Duan Huai'an and Luo Yao get on the bus, but ye Chen doesn't.

"Ye Chen?"

Luoyao is on the bus.

Ye Chen did not pay attention to, but toward the Taoist elder, eyes cold.

Chapter 862

Ye Chen stopped and said faintly, "I said that all three of you will die. Since those two are on the road, you should also go."

"The enmity between you and me is far from over."

The patriarch was completely frightened and subconsciously hid behind Mr. Jingshui.

Mr. Jingshui did not expect Ye Chen to be so arrogant. He said angrily, "Ye Chen, don't think you can do whatever you want with danxu Taluo's house behind you! Today, as long as I'm here, I won't let you kill anyone else! "

Ye Chen held a silver needle in his hand and suddenly raised his head: "is it?"

"I don't believe Ye Chen!"

"The man I am going to kill will die today."

That silver needle shoots out, a mysterious breath overflows!

Surrounded by the breath of supreme medical God.

It's Lin Qingxuan's silver needle!

But this time ye Chen controlled the vision, the silver needle did not turn into a hundred Zhang spear, just a cold light.

Mirror water Mr. sees Ye Chen actually plans to use a needle, in the heart disdain especially Sheng!

"Silver needle, you want to kill people under my eyes? It's beyond our means

With a wave of his sleeve robe, a golden light wall suddenly formed!

Strong enough to resist everything.

But soon, there was something wrong with his expression!

Because the wall of golden light breaks!

It's unbeaten!

How could it be!

He hastily sacrificed the green sword, but it was too late!

Silver needle with a strong breath, did not enter the heart of the Taoist elder's eyebrows!

The eyebrow center is like a plum blossom in full bloom, gorgeous and cold.

And the smile of the elder who won the lottery was fixed.

He never dreamed that he would die on a silver needle.

The silver needle disappeared.

His body fell to the ground, and a violent breath burst out of his body.

Daozong elder turned into a blood mist on the spot!

The blood even splashed on Mr. Jingshui's whole body.

It's shocking.

This scene happened to be seen by the old man beside Luoyao. His eyes shrunk and he said in a soft voice, "eh?"

Luoyao heard the voice and said curiously, "what's the matter?"

The old man rubbed his eyes and shook his head: "it's nothing. Maybe I'm seeing flowers."

.....

At the moment, Mr. Jingshui in the distance clenched his fist and was extremely angry. He just promised to protect this man, but he was killed by Ye Chen immediately!

It was like another slap in his face!

Then look at Ye Chen that Pan chill cold eyes, as if in ridicule him!

"Ye Chen! Luo family to protect you for a while, can not protect you for a lifetime! From today on, you are the enemy of our mirror water, but also the enemy of 100 schools! You'd better hide in danxu tower all your life! If one day you come out, most of the clans of kunlunxu will hunt you down, and then you will die! I swear

A startling roar rang through.

Filled with endless anger and anger!

Ye Chen's cold eyes did not have the slightest fear, word by word: "don't worry, I will come out soon. When I come out, I will find you in person, and then cut off your head!"

Mr. Jingshui laughed when he heard this!

Everyone here laughed!

A boy who has entered the holy land wants to kill Mr. Jingshui?

He's crazy!

Do you really think there's a family of elites standing behind you, invincible in the world?

"Ye Chen, since you are so arrogant and want to kill me, I will help you! I will give you two years. Today, two years later, you and I will step into qianjue square and take the cold sword of qianjue Xuannv as an oath to fight in this battle! How dare you

Mr. Jingshui is worried that ye Chen will not come out of danxu tower for a long time. He has no choice but to give ye Chen two years' time to motivate him!

Luoyao on the car came down: "Ye Chen, don't promise him."

Then he sneered at Mr. Jingshui and said, "Jingshui, you are a good abacus. You, a man who has practiced for thousands of years, declared war openly with a younger generation for two years. Even a hundred years would be unfair!"

Before she finished speaking, a magnetic and confident voice rang out beside Luoyao: "I promised, but I want to change a condition."

Luo Yao was stunned and stared at Ye Chen: "are you crazy? What are you talking about! Get in the car

Ye Chen ignored Luo Yao, but locked his eyes on Mr. Jingshui and said, "two years is too long. After two months, you and I will fight for life and death here! A thousand people can only walk out of the square alive! How dare you? "

"Boom

Tens of thousands of people in qianjue square seem to burst their heads!

Ye Chen's short words are like thunder bombing in the ear.

Two months?

The waste entering the holy land should challenge Mr. Jingshui, who has become famous for thousands of years in Kunlun!How easy is it to shake a tree!

Even if you want to die, it's not so!

At this moment, even Mr. Jingshui can't react.

He thought Ye Chen would refuse, but he did not expect Ye Chen to accelerate his death time.

So what's the reason he didn't do it?

"Hum! Since you are dead, I promise you! If you don't show up in two months, I'll take the people to danxu tower myself

"Oh."

Ye Chen spits out a word and turns to get on the car.

"Let's go."

Luoyao rushed to catch up with him and said it with all his heart, but ye Chen had no intention of changing his mind.

She knows Ye Chen has a card and talent, but this talent should be used on the Dan Road, not arrogance!

Two months, and challenge Mr. Jingshui?

She's mentally retarded.

The old man around Luoyao said: "Miss, you can never wake up a person who pretends to sleep. Mr. Ye is also an adult. Let him bear some decisions."

Luo Yao takes a deep look at Ye Chen, sighs and stops talking.

Ye Chen also closed his eyes.

Naturally, he was sure that he did not use the reincarnation cemetery this time because Lin Qingxuan and Mo Ning'er did not have much energy. Once the rest of the tombstones were triggered, he would be qualified to challenge Mr. Jingshui!

He can't evade this barrier!

He must be killed in any danger! Kill without hesitation!

What's more, he has Xiao Huang.

Ye Chen glanced at Xiao Huang beside him.

I'm so angry at the sight that this guy is still asleep!

The dragon in the pool of coax and wash the water again!

This sleepiness is worse than it was before evolution!

It's not reliable!

.....

I don't know how long it took, but the carriage finally stopped.

Ye Chen wakes up from practice, opens his eyes and finds a strong aura.

"Mr. Ye, here we are."

Luo Yao got out of the car and said.

Ye Chen and the medical God gate and others got off the car, and found themselves stepping into a fairyland like land.

There are many buildings and tall buildings.

It's full of aura.

Especially a danta in the central place!

Dan tower directly into the sky, far away, even higher than the Oriental Pearl of Shanghai's magic.

Chapter 863

There are more than ten dragons carved around the pagoda, which are very lifelike.

The dragon head is ferocious, as if overlooking all mortal ants.

A glance from afar, an invisible pressure is wrapped in Ye Chen, extremely cold.

As if once there is any disrespectful action, there is no doubt that he will die.

Even the blood dragon inside the body also felt something, angry roar.

"It seems that this danxu tower is like an artifact, and I don't know what the top is."

Ye Chen looks around again, closes his eyes and feels slightly. He finds that the ancient array covers everything.

Although Ye Chen has a lot of attainments in array and aura, he can't see through such array.

It's almost perfect, even invisible to the eye.

Let alone open this array, almost delusion.

The blood light of the array spreads, and the red rune is like a wandering dragon. There is a hidden way to kill.

Once anyone breaks in by force, he will be killed by the array mercilessly!

Even if the virtual Kingdom, the source of the road strong!

Luo Yao takes a look at Ye Chen, and finds that ye Chen finally has a look of horror, covering his mouth and laughing.

She coughed gently, raised her turbulent chest and patted it. The chest trembled, and the spring was infinite.

"Mr. Ye, this is my territory at least. If you have any need, please tell me that Luoyao still has some say in danxu town."

"When I come to Luoja, there are all kinds of Dan Ding and medicinal materials. It's also convenient for you to refine some ancient pills."

"Now, I'll take you to meet my father! With your talent, enough to make my father shocked! However, my father has a bad temper and looks at me in the eyes

Ye Chen nods and doesn't say much. He wanted to try to communicate with the reincarnation cemetery, but Lin Qingxuan inside has no more activity, as if he has forgotten him.

What he is most concerned about now is how to activate the remaining tombstones.

After all, the power of ancient powers was too strong.

Although there are many people living in Dan Dao, there are also many strong martial arts people here, and their strength is much higher than those outside. You must be careful.

"Mr. Ye, are you listening to me?" Luo Yao angrily said, she found that this guy has been absent-minded.

Ye Chen reacts to come over, smile: "of course heard, go."

.....

Half an hour later, danxu Taro's house.

It has a long history and covers a vast area.

The gate is made of ancient Xuan wood, which is fragrant.

There is a stone tablet on the top.

There are two characters on the stone tablet: Luojia.

Only these two words, ye Chen is feeling an invisible killing.

It seems to warn anyone who enters the Luo family.

The gate is guarded by four strong men, and the realm is covered. However, from the perspective of breath, it is at least above the realm of returning to emptiness, even the realm of virtual king.

Absolutely strong!

They look at Ye Chen and the people of the door of medical God with their bad eyes. They really can't understand why Miss brought these people in.

In addition to the strength of an old man to see, the rest of the gap is too big.

"Miss, these are..."

Luo Yao snorted coldly: "these are my important guests. Remember, you can't neglect them!"

The four gatekeepers were puzzled, but they still nodded.

They are only servants. They can't offend the guests brought by miss.

At the moment, the atmosphere in Luo's hall is rather strange.

Luo Wu ya, Luo Yao's father, sat on the top of the table. Beside him stood a woman.

She is Luo Wuyuan's second wife, Miao Xianjun.

On the right side of Luo Wuyuan is a dignified middle-aged man. Beside the middle-aged man stands an evil and charming youth.

The middle-aged man and the evil spirit youth come from the family of Dandao Cui.

The middle-aged man is the head of Cui family, Cui yuan!

The evil spirit youth is Cui yuan's only son, Cui Ruicheng! Danxu tower is one of the rare elites in a hundred years!

It's also the only candidate who has the chance to attack gaodanta in danxu array!

Cui's and Luo's are also in laws. After all, they made a marriage in the previous generation.

Should have been laughing, but now Luo Wuyuan can't laugh at all!

Luoyao disappeared for many years, I don't know where to go.

Luo family uses all means, all cannot find!

Almost let Luo Wuyuan angry!

But I didn't expect that Luoyao came back a few days ago, but she didn't stay at home for a few days and disappeared again!

Even took an elder of Luo family!

This is going to make Luo Wuyuan angry!

Now that Cui's family has come to see Luoyao, how should he account for it!

He can only say that Luoyao is not well, so he refused for the time being!

"Uncle, since Luoyao is not feeling well, my father and I will not disturb me. I am refining the ancient black jade magic body pill these days. If the refining is successful, all the diseases and pains can be easily removed. I will send one to Luoyao myself." "Goodbye, uncle!"

Cui Ruicheng arch hand road.

Luo Wuyuan nodded, embarrassed: "Ruicheng, I'm really sorry. When Luoyao recovers, I'll bring her to make amends."

He wanted the Cui family to leave quickly.

But before the words were finished, a clear voice sounded outside the door!

"Dad, I'm back! This time I paid a great price to bring ye Chen back! The elixir of Ye Chen... "

When the gate opened, Luoyao's voice stopped abruptly.

Looking at the Cui family two people in front of her, her joyful face is extremely ugly.

But what looks worse is Luo Wuyuan!

It's completely dark!

He just said that Luoyao was not feeling well. As a result, the girl ran to hit her face!

Isn't this a fuckin 'father!

He was so angry that a mouthful of old blood gushed out!

Cui yuan calmed down, took a look at Luo Wuyuan and said in a cold voice, "brother Luo, it seems that your daughter is not in any big trouble! What's more, it seems to be very vigorous and vigorous! "

Luo Wuyuan just wanted to explain something. Cui yuan didn't give him a chance. He directly took Cui Ruicheng's hand: "Ruicheng, let's go!"

"Compared with Dan Dao, there is no doubt that Dan Dao is more important for women! Rui Cheng, from today on, we can understand the way of elixir. After a few days, we will attack danxu tower again! We should let some people know who is the real climbing! "

Cui's father and son left directly, but also passed by Ye Chen.

Cui Ruicheng takes a deep look at Ye Chen, with a trace of killing in his eyes.

Ye Chen touched his nose. He should have no contradiction with danxu tower.

So there are people who kill him the first time?

No longer hesitating, step directly into the hall of Luo family.

Seeing the Cui family's father and son leave, Luo Yao smiles and leads Ye Chen forward: "Dad, he is Mr. Ye whom I mentioned to you before, as well as the leader Duan of the medical God sect. In ancient times, the medical God sect was a top-level medical school, and even a branch of master Lin Qingxuan. Dan Dao is also very good..."

"That Once we have Mr. Ye and the medical God's door to join us, we will definitely help you! Mr. Ye's talent in Dan is absolutely against the heaven! At least... "

Before Luoyao finished speaking, a voice of exclamation came: "shut up!"

"My Luo family is not a refugee camp, not to mention all kinds of cats and dogs can enter. These people can go wherever they come! I'm not welcome to the Luo family! "

Obviously, Luo Wuyuan's anger these days all boils down to Ye Chen's body!

Chapter 864

Luo Yao's face was pale. She never expected that her father would be so angry.

She can only explain: "Dad, you believe me once, this Mr. Ye is definitely the one who has the hope of hitting the highest record of danxu Tower!"

Luo Wuyuan's eyes fall on Ye Chen's body. A single glance reveals Ye Chen's accomplishments.

Enter the ninth floor of Holy Land!

Evil spirit entangled!

Which is the way to walk, just like killing way!

He snorted: "Luoyao, is this guy your talent? Do you really think that I don't know how to do Dan? You just want to cheat me by looking for a trash

"How could a genius of Dandao have such a killing intention! How can such a person calm down to make alchemy! You don't look at the gap between him and Cui Ruicheng. Cui Ruicheng is expected to impact the existence of danxu tower. As for him! Hum! It's ridiculous

Hearing this, ye Chen and Duan Huai'an and other people's faces are completely cold.

Ye Chen's eyes are full of cold meaning. If it wasn't for Luoyao's sake, he would have left.

Luo Yao was very worried. She stepped forward to her father, took her father's hand and explained, "Dad, Lin Qingxuan, you know that ye Xian and the medical God's gate all come from qingxuanfeng. At the beginning, Lin Qingxuan crushed countless powerful martial arts masters, especially the medical God gate..."

"Pa!"

Luo Wuyuan directly slapped on Luoyao's body.

As for this, I don't think you know it! Thousands of years ago, maybe the door of medical God had some qualifications, but now it is! The door of medical God has fallen into the altar for a long time, and even the ordinary sect door can't match it!

When these people step into the Luo family, they are insulting me! "

On the one hand, it is because of the anger in his heart that he needs to vent. On the other hand, he really can't see ye Chen and the door of medical God.

Dan Dao needs a lot of talent!

How can a mortal root refine alchemy?

It's a joke!

Ye Chen's expression was completely cold. He stepped out and directly faced Luo Wuyuan: "Luo Wuyuan! Have you ever said that? No matter how unbearable I am, you are not qualified to speak

The name of the boundless leaf!

It seems disrespectful!

But this is his principle!

What others do to him, he does to others!

At this moment, he was released!

He came here for the sake of Luoyao!

But Luoyao's father insulted the medical God again and again, and he could not bear it!

Luo Wuyuan obviously didn't expect that someone would dare to contradict himself.

He stood up and went away with an invisible pressure!

"Boy, I don't know what kind of enchanting soup you've given my daughter, and whether you understand alchemy or not! I just want to warn you! Luoyao has an engagement! As the top family of danxu tower, our Luo family will only pursue the right family! To a person of your humble status, you have no chance to enter the Luo family! "

"That's the door. Get out of here. I don't want it to be a servant!"

Endless pressure release!

This pressure is enough to make a strong man kneel down!

Not to mention entering the Holy Land!

Feel the pressure, like a huge mountain, ye Chen does not move like a mountain, forced resistance.

But even though he resisted, the corner of his mouth spilled a bright red blood.

At this time, Xiao Huang opened her eyes in her arms, and the pressure suddenly dissipated.

At the same time, the red pupil blooms with strange light.

Luo Wuyuan's face changed and he stepped back.

His heart set off a tempestuous wave, staring at the yellow in Ye Chen's arms.

"What fierce beast is this? How can you defuse my pressure? "

At this time, ye Chen opened his mouth, a few words suddenly fell down: "first, luowuyuan, don't use your lofty attitude to examine anyone! No matter how strong your Luo family is in Kunlun, how about it! In my Ye Chen's eyes, it will eventually disperse like dust! "

"Second, the door of the God of medicine is the ancestral gate of Ye Chen. You can't insult it. If you have another time, you will be responsible for the consequences!"

"Third, Luoyao and I are just friends. I never thought of stepping into this Luo family! It was, is, and will be! Next time, even if you ask me to come, I won't step further! "

"Let's go!"

Ye Chen directly turns around and leaves with the medical God.

Luo Yao covered her face and glared fiercely at her father, Luo Wuyuan, and ran after her.

Ye Chen is brought by her, and she is naturally responsible.

What's more, in the area of danxu tower, ye Chen and they have never been here. They are not familiar with the place of life. Without her, what should these people do?

Just when Luoyao was ready to chase out, Luo Wuyuan ordered: "don't let Miss step away from Luo's house!"

Words fall, two old people block in front of Luoyao.

"Don't make it difficult for us, miss."An old man euphemistically said.

Luoyao snorted coldly, just wanted to move his sword, and an invisible pressure came over him!

At the same time, an old man points to the fragrant shoulder of Luoyao.

She couldn't move for a moment.

Ye Chen stopped, looked at the same Luoyao, and said, "Luoyao, you don't have to worry about us. Thank you for your invitation. Today, let's go! I'll see you again

He will not deal with other people's family affairs.

Soon, ye Chen and Duan Huai'an and others came to the outside.

Several people look around, incomparably at a loss.

Danxu town is very big, but there is no place for them.

No one has been here.

Of course, ye Chen doesn't blame Luoyao. She can't control it.

At least Luoyao did her best.

Xiaobi, with a sad face and a long sigh, said to Duan Huai'an: "master, what shall we do next? Back to Qingxuan peak? "

Duan Huaian looked at Ye Chen: "disciple, what do you think?"

Ye Chen Mou son tiny MI, quite helpless.

At this time, an old voice came from the samsara cemetery!

It's Lin Qingxuan!

"Disciple, since you are near danxu tower, you can help me meet an old friend. I just don't know if that person is still alive. If you are alive, you may be able to teach me the way of healing God with me, which can also help you."

"Master, where is this man? I'll go now

Ye Chen excited way.

At least he can have a foothold here!

Then, Lin Qingxuan's faint voice fell: "can you see the tower in the distance? This man is in the danxu tower. "

Ye Chen was stunned. He never thought that the guy was in danxu tower. But danxu tower is a forbidden area in this area. How difficult it is to go up there!

"Master, how many years has it been? Are you sure he hasn't changed places?" Ye Chen still asked.

At this moment, Lin Qingxuan was somewhat uncertain: "although I am in the samsara cemetery, I can feel some breath of that person, but the breath is too weak, I don't know if it is me."

"The name of this person is Lingyuan. In ancient times, I once told him how much Dan he was. If he didn't follow the merciless way, he would naturally recognize me. This name should be very few people know, you say these two words, if he remembers, will naturally come to see you. You might as well go and try it. If he is really missing, I will think that Lin Qingxuan has never met this person in my life. "

"What's more, you can find that the tomb of samsara is shaking. I'm afraid that the power that can trigger the tomb of samsara is also in the danxu tower. As for the energy, I'm not sure."

Lin Qingxuan's words startled humanity.

Chapter 865

Ye Chen looks at danxu tower, his eyes are extremely dignified.

He could feel the constant threat of danxu tower, and anyone who came near would die.

But this time, even for the sake of reincarnation, he has to go once.

Duan Huai'an saw Ye Chen's hesitation and said, "disciple, it's very difficult for danxu town to enter once. All respect from the heart, otherwise it will be very difficult for us to come in next time."

Ye Chen slowed down his mind and said seriously, "master, I want to go to danxu tower and find someone."

When Duan Huaian heard this, his expression was very strange.

He knows Ye Chen better than anyone else. Ye Chen was brought into danxu tower from China. According to Ye Chen's identity and status, it is obviously impossible to know the existence of danxu tower.

He wanted to ask something, but he didn't say it in the end.

"Disciple, in this case, let's go to the outside of danxu tower and have a look."

"Good."

The Party headed for danxu tower.

Along the way, passers-by's eyes were not good. Obviously, there were some accidents. How could such a group of people come into such an important place.

In danxu Town, either the master of Dan or the strong one of martial arts.

The top Dan masters will flow with the breath of Dan Dao, which is extremely easy to distinguish.

And none of them.

However, most people only stay on Ye Chen and others for a few seconds without thinking about it.

In their eyes, a few mole ants may have been brought to visit by some great energy.

.....

At the same time, Kunlun Xu is a magnificent building.

Mr. Jingshui stands on the roof of a four story building.

Tap your toes and land on the top of the house.

There are six people behind him. Their expressions are strange. They dare not breathe.

Mr. Jingshui, with his back to six people, looks hidden.

All of a sudden, he said, "you should know what I came to you for."

"There are some things that I think have already been reported in the newspapers."

As soon as this word comes out, six people's facial expressions change greatly!

Mr. Lian Chen, one of the elders, was willing to take out the master's clothes! How dare this man slap his master? He deserves to die! Even if you escape to danxu Tower

Liu Yun is obviously angry, and his eyes are full of incomparable determination.

Another middle-aged man also stood up and half knelt down: "master, senior brother Liuyun's identity is special, so it's definitely limited to enter danxu tower. Let's let my disciples go. I have some contacts with Cui's family of danxu tower. Cui's family has been providing pills for our clan. If we use the influence of Cui's family, we can win Ye Chen!"

The other four also expressed their views.

But Mr. Jingshui turned around, shook his head and said, "I'm not looking for you to kill Ye Chen. He is going to die after all. We have agreed on the battle of life and death in two months' time. You are not required to do so."

Liuyun sneered and said, "master, this little beast doesn't know how to live or die. He wants to shake the master in two months? It's harder than going to heaven! By the way, since it is not to kill Ye Chen, why did the master come to us? "

With a wave of Mr. Jingshui's sleeve, a file bag appeared in front of everyone.

It is written in simplified Chinese characters with the seal of a certain department in China.

"Master, is this..." Some people wonder.

Mr. Jingshui explained: "this is some information that I sent to Huaxia to get. This time, the xudabi of Kunlun is not totally without harvest. Ye Chen of the medical God gate was just a waste. He has only been in martial arts for five or six years. He is even more common. According to the principle, it is difficult for him to break through the Shenyou state. But now, this boy has not only broken through the Shenyou state, but also can There is absolutely a problem in shaking the strong people who return to the virtual state!

I have fought with him. Although he has entered the holy land, the means are uneven and should not be underestimated.

And the most important thing is that there is a spirit beast against the heaven around this boy.

I have checked ancient books, but there is no trace of this spirit beast, as if it has never appeared on the earth.

I asked you to come today, just want you to put down everything and investigate Ye Chen! From Huaxia to Kunlun Xu! From the 18th generation of ancestors to investigate! There is a big secret in this boy. If this secret is under my control, then from now on, Kunlun Xu will take me as king! "

At this moment, Mr. Jingshui's eyes are only greedy and crazy.

Six people looked at each other, naturally agreed to come down: "master, give us a few days time, we must integrate the news, hand over."

Mr. Jingshui nodded with satisfaction and ordered, "in this case, let's go. If there is no good news to bring back, you don't have to come back."

Hearing this, six people's faces produced a trace of fear, repeatedly assured.

After the six disappeared, Mr. Jingshui was the only one left between heaven and earth. He looked towards the danxu tower, and his eyes twinkled with an imperceptible killing intention. "Ye Chen, the door of medical God! Those who offend me will die miserably, and this time it will be extremely miserable

The picture turns, and ye Chen takes the medical God gate, and finally all come to the danxu tower.

Not close, but a strong pressure is shrouded, making it difficult to breathe.

"Master, I feel bad." Xiaobi looks pale and says with difficulty.

Even Lao Xue didn't dare to get closer.

Ye Chen naturally understood and said to Duan Huai'an, "master, you wait here. I will come when I go."

Duan Huai'an nodded and glanced at the guards at the gate of danxu pagoda, but he still reminded him: "apprentice, you are not familiar with the place of life here. Try not to have conflicts."

"I understand."

Ye Chen no longer hesitates, and goes to the entrance of danxu tower.

Before going a few steps, another voice sounded from the samsara Cemetery: "disciple, if you ask other people this name, I suggest you change your face a little bit. After all, it involves ancient things. If someone with a heart finds out, it will be dangerous for you."

Ye Chen nodded, naturally he would not be so silly, he changed his appearance into ye Shitian directly.

This place is different from the outside, and few people know ye Xiaotian.

No doubt the best face.

Danxu tower has only one entrance, but only two people guard the entrance.

There are two cane chairs on the left and right.

Two old men who don't know the depth of their accomplishments are sitting on the cane chair, with their legs up and their fans swinging.

It's very leisurely.

Of course, ye Chen did not dare to despise him. He could feel that although the two elders closed their eyes, their spiritual knowledge had already spread.

All of Zhou Wei's life has nothing to hide.

Several middle-aged men who entered with a token were extremely respectful to the two old men.

A few of Dan's teachers were very careful.

But the two old men were impatient with everyone.

Don't get up.

Don't talk.

Chapter 866

Facing the enthusiasm of the people, they just wave their hands and drive people impatiently!

It's like chasing flies.

They have been guarding this place for many years, so they naturally have this qualification!

Those strong and Danshi face two people like this, no complaints, but a smile on their faces, butt butt butt butting nod.

Yirong Cheng Ye killed the sky Ye Chen came to the two elders, arched his hands, just wanted to speak, a indifferent voice came directly!

"Is there a token?"

"I have not. I just want to ask... "

Ye Chen's words have not finished, one of the gatekeeper's fingers a flick, a wave of mad surge.

This air wave is like a sharp arrow, extremely cold!

It's even killing.

No doubt about it!

"Well, since there is no such thing, go away! Without a token, you can't get close to danxu tower for 20 meters. It's a rule unchanged for thousands of years. If you violate it, kill it

Ye Chen looked at the strong Qi, his face changed slightly, and he ran the skill quickly! One punch!

Ten Thousand Buddhas Vajra fist!

Buddha's light is full, and the golden meaning is full of the whole fist!

The golden Rune moves in the hand.

He even has the advantages of this boxing. If he is proficient in physical training, it will shake mountains and rivers.

Even split the ground 100 meters!

"Bang!"

The two forces suddenly collide, and ye Chen's blood suddenly surges up, and the whole person retreats for a full three steps to barely stabilize his body.

And the old man who started it was obviously surprised.

After all, he had already seen Ye Chen's cultivation, even the ridge of the holy King's realm had not crossed, and there was no difference between him and mole ants.

But this mole ant, actually withstood this blow?

"Why is this power a little bit What does Zhigang Buddhism mean

Seeing this, the old man was surprised. Then he looked at Ye Chen with interest and said, "who taught you this boxing technique? What is the door behind you? Say it

The old man knew that ye Chen's boxing was not mastered by many schools in Kunlun.

Even, some of the charm of ancient martial arts.

Ye Chen's eyes were firm and resolute. Naturally, it was impossible to tell Mo Ning'er. He replied, "the martial arts are the secrets of martial arts. Do you have to tell them? I'm afraid that's not right. "

The old man didn't expect Ye Chen to dare to contradict himself. For so many years, which one was not careful to serve them?

A kid who has entered the peak of the holy land. Do you really think it's the heaven here?

Ambitious people! Ridiculous!

He stood up and just wanted to point out, but another old man with long hair stood up and grabbed his hand.

"Lao Yang, it's too hard to fight with a younger generation. Don't you find that he doesn't have a bit of Dan spirit? And his strength is just entering the holy land. Obviously, it can't be the people near danxu tower. It's estimated that it was brought in by others. "

"If you do something to such a small generation, it will make our danxu tower's reputation stink."

The old man was kind, and then said to Ye Chen, "boy, you can go back where you come from. The regulations of danxu tower can't be broken. You can't get through this door without a token and without any introduction."

"Also, Lao Yang's temper is very hot, if you don't go, I can't help you."

The words of the old man with long hair fell down and released his hand. Lao Yang snorted coldly: "boy, don't go away. You're lucky this time! If old Fang hadn't saved your life, you might have been a cold corpse

Obviously, the kind-hearted old man with long hair is old Fang.

They thought Ye Chen would leave obediently, but they didn't expect the latter to take a step instead.

Lao Yang was completely angry: "boy, don't you ignore my words! If you don't go, no one can save you!"

Even old Fang shook his head and did not intend to persuade him.

Opportunity he only gives once, if do not cherish, can't help him.

But ye Chen looked at Fang and said, "master Fang, I'm not here to enter danta, but to find someone."

"Looking for someone?"

Hearing these two words, the two old gatekeepers were confused.

It's the first time they've been here for so many years.

Lao Yang sneered: "boy, are you going to waste our time! It's not here to find someone. Roll on

Fang waved his hand and stopped Lao Yang's intention. After hesitating for a few seconds, he still asked, "little brother, for the sake of your unfamiliar place of life, say it, if we know it, we will tell you."

Ye Chen is happy in his heart. He has a good feeling for this old Fang. He even says, "master Fang, his name is Lingyuan. He says he lives in this danxu tower. I don't know if there is one in it..."

Hearing this, the two old gatekeepers turned extremely strange. The name of Lingyuan is unheard of.

As for living in the danxu tower, let alone!

Only one person in the whole danxu tower is eligible to live on the first floor!

But this one is not called Lingyuan at all!

Nonsense!

Lao Yang waved his hand and became more and more impatient and said, "don't mention danxu tower. There is no such name in the whole ten miles, let alone in it! OK, that's all. You can go now! Don't challenge my bottom line! "

Old Fang also looked at Ye Chen and nodded: "Lao Yang is right. There is no such person here. You should find the wrong one. Please go back."

Ye Chen sighs, the clue is completely interrupted.

If there is no such person here, it is Lin Qingxuan's mistake.

It may even have disappeared into the world.

"Thank you very much. Goodbye."

Ye Chen went directly to the direction of all the people in the door of medical God.

Now I can only walk step by step. Since I can't hold my thigh, I'd better find a place as my foothold.

.....

After ye Chen and Duan Huai'an and others left, Lao Yang said to each other: "Lao Fang, why did you come out of the West today and defend that boy everywhere? Do you have a crush on that boy and want to recruit him? I can remind you, that boy is a fan root. In Kunlun Xu, he is just like a waste. Whoever takes this apprentice is doomed for eight generations. "

Looking at Ye Chen's disappearing figure, old Fang murmured, "that boy's fist just now is a kind of Buddhist boxing. You can see that. I've been a Buddhist for many years. Although I've been a Buddhist for many years, I still have some feelings. That's what helped the boy."

"In other words, I haven't seen such a Buddhist disciple for a long time, and I don't know where this guy comes from."

Lao Yang then suddenly: "yes, but judging from the strength of the boy, it is estimated that his position in Buddhism is not high. Don't worry about it. From now on, it is estimated that he will be a passer-by for us. There are many dangers around danxu tower. If the boy wanders around again, he may be killed one day. He is not stable recently... "

Before they finished speaking, suddenly, there was a change in danxu tower behind them.

The whole world seemed to shake.

There are many visions!

A strong smell of medicine overflowed.

With a touch of golden light!

Chapter 867

Lao Yang and Fang Lao changed their faces and looked at each other. Qi Qi exclaimed: "lingyidanzun has refined an ancient pill! Look at this breath, the grade is extremely high! I'm afraid this is the fifth time this month for Lingyi danzun. "

"Come on, let's go to celebrate with Dan Zun. Maybe Lingyi danzun can give us some waste pills."

Two people directly into it, at the same time forced out two drops of blood essence, danxu tower door completely sealed.

Everything is silent.

A few seconds later, Lao Yang and Fang Lao came to the first floor of a stone chamber inlaid with gold lines, and the stone door opened!

Inside the stone chamber, there was some darkness.

And an old man with a fairyland is in front of a Dan Ding, controlling the fire.

It's the spirit Dan Zun in their mouth.

The flame was gradually extinguished, and lingyidan Zun opened his eyes, his thin fingers gently grasped, and six pills were suspended in the palm of his hand.

Only one of the six was shining brightly.

Obviously, all five of them are waste pills.

Two old gatekeepers came in with a smile: "my Lord, we are here again."

"I wish Dan Zun another Dan!"

The expression of two people should be more flattering and flattering, which is in sharp contrast to the appearance when they are outside.

Only because they have been the doormen of Lingyi danzun for so many years!

What is a doorman!

It's the presence of keeping the door.

In ancient times, they were people with extremely low status.

If you don't always have the spirit of a Dan Zun to eat, coupled with practice, how can you have the present cultivation!

Ling Yi Dan Zun glanced at two people and said, "you are on time."

"Haha, we have been with adults for so many years, but we still have this understanding."

Lao Yang was embarrassed to smile and even scratched his head. In front of Lingyi danzun, he is like a child.

Lingyi danzun gently swung his right hand, and the five waste pills were suspended in the palm of his hand. Then, he flew out: "these five waste pills, you can divide them. However, the refined pills are special and have strong efficacy. Pay attention to protect your body when you take them."

Lao Yang and Fang Lao see the pills flying, shortness of breath, body breath surging, directly open grab!

They both got two, and even planned to fight for the other.

Ling Yi Dan Zun shook his head helplessly, and said, "don't fight. If you want to fight, you can go out to fight. I'll continue to shut up."

Lao Yang and Fang did not dare to say anything more, so they quickly closed their hands and planned to retreat.

But before taking a few steps, Lingyi danzun thought of something: "by the way, what important things have happened recently? Did anyone break the tower record? "

The two stopped, and Lao Yang explained: "Mr. Qi, there's nothing too big recently. As for the tower breaking, the boy of Cui's family broke several floors a few days ago, but it's still far from breaking the record. In recent years, apart from the boy of Cui's family, there is no Dan Dao talent coming out."

Hearing this, lingyidanzun sighed and murmured: "the decline of the world is not the time of ancient times. It is more and more difficult to break the record in the future. Alas, everything is destiny. We can only live by this danxu tower. "

"Since the disappearance of the great master Qingxuan, the martial arts have been dominating the country, and the same pulse of medical ethics has made Dan Dao earn some face."

Lingyi danzun turned around and looked out the window at the sky. He sighed: "Lord Qingxuan, if you hadn't ordered Lingyuan in those years, or Xu danxu tower, I couldn't keep it."

After feeling, lingyidan Zun turned to the two humanitarians: "step down, next, I'll shut up for a year, no one can disturb."

Lao Yang directly turned to leave, but a few seconds later, he found something wrong. He turned his head and looked at Mr. Fang: "Lao Fang, what's wrong? I'm leaving!"

But at the moment, old Fang is just like petrification!

Can't move!

His expression is extremely frightening! Weird!

It's like seeing something impossible!

Because he heard a few words!

Lingyuan!

Isn't this the man the young man was looking for just now!

How can the key be said from the mouth of Lingyi danzun!

He's short of breath!

Even some can't breathe!

Lingyi danzun naturally found Fang's eccentricity and said in a cold voice, "I asked you to step down. Can't you hear me?"

His voice was cold.

He doesn't like this kind of doorman, so ungrateful!

Lao Yang felt that Ling Yidan Zun's face was not right, so he quickly pulled Fang Lao out.

But Mr. Fang, like a sculpture, refused to leave!

Ling Yidan Zun waved his sleeve and angrily said, "you really think you have been with me for so many years, I dare not expel you out!"

"Let's go, Lao Fang. You don't want to die!" Lao Yang urged softly.

But old Fang still did not move like a mountain. He wanted to talk, but found that his brain was blank!"Looking for death!"

Lingyi danzun five fingers empty grip, hand sacrifice a silver needle, silver needle directly shoot out!

How about killing such an indefatigable servant!

When the silver needle was about to touch Fang Lao, the latter's eyes widened and finally said, "Lingyuan! Your name is Lingyuan

Silver needle stops instantly! Suspended in front of Fang Laomian one centimeter.

The expression of Ling Yi Dan Zun is very strange.

He didn't expect that old Fang should call this name!

That's his nickname!

And only one person knows!

That's Lin Qingxuan!

Because this name is Lin Qingxuan for him!

After Lin Qingxuan disappeared, he changed his name to Lingyi!

This is also to pay tribute to Lin Qingxuan!

Lingyidan revered God, and the other side said, "do you know what sin it is to call my name?"

"Plop!"

Old Fang knelt down on the ground directly, and his expression was excited. He said, "your honor is wronged! How dare you call adults' names! But just now, there was a young man outside looking for a man named Lingyuan, and he said, "Lingyuan is in danxu Tower!"

Boom!

Lingyidanzun's brain seems to be bombed by shells!

His eyes are wide, as if to burst the eyeball!

The body is more violent shaking up!

He was sure that no one could know his name except Lin Qingxuan!

No way!

In an instant, the figure twinkles!

Lingyi danzun directly came to Fang Lao and lifted him up!

The breath on the body is extremely violent, even the side of Lao Yang is also spit out a mouthful of blood!

Visible power!

"What are you talking about? Someone was looking for Lingyuan just now! Where is this man! Come on!
Tell me

Can he not be excited!

Qing Xuan disappeared suddenly in ancient times. Everyone thought that Lin Qingxuan had fallen!

But he always firmly believed that Lord Qingxuan must still be alive!

He spent hundreds of years looking for it! No fruit!

In the end, I can only hold the danxu pagoda and live a gloomy life!

But at the moment, he is to hear the news of Lin Qingxuan again. Can he not be excited!

Chapter 868

Old Fang and Lao Yang look different!

They had no idea that the young man could make the great energy of danxu tower have such an attitude by saying a few words casually!

They are cold behind their backs! In the heart is an uproar!

"Say it Lingyi danzun almost roared and didn't pay attention to the image at all!

Fang and Yang quickly extended their fingers to the outside: "ten minutes ago, he just left and disappeared..."

"Pa!"

Fang Lao was pitilessly thrown out, and then Lingyi Dan Zun rushed out!

Look flustered and nervous!

At the same time, outside the danxu tower, Luo Wuyuan comes to the door of danxu tower with the grim faced Luoyao.

Luo Wuyuan looked at her daughter and said seriously: "as my daughter, if you want to control your marriage, only through this danxu Tower! If your achievements on danxu tower exceed those of Cui family, I will unilaterally break the contract! That's my limit! "

Luo Yao glared at Luo Wuyuan: "Dad, one thing comes back to one code. What I'm angry about is that you drove away Mr. Ye, Mr. Ye, my friend!

He is a stranger here, but I promised to take care of them. If you drive them out, what will they think of me? "

Luo Wuyuan heard his daughter mention the fan root boy again, his face pulled down: "you are all grown-up, can't your eyes wipe the bright spot? The kid's killing breath is very strong. He doesn't look like an alchemist. Even if he really knows alchemy and doesn't focus on Dan, what can he achieve in the future! I'm from the past, I can see at a glance whether a person has talent!

As for the boy named Ye Chen, I firmly disagree with you! Not even to be friends! This boy is not worthy of my Luo family! Never

With that, Luo Wuyuan said in a soft voice:

"OK, you can go in with me and try to break through several floors! However, we should pay attention to one place on the first floor. It is the place where lingyidan reverence is closed, which is the general existence of the whole danxu tower forbidden area! "

Luo Yao snorted coldly and gambled: "Dad, if you don't get Ye Chen back, I'll go to harass what's called Lingyi danzun. Then I'll see what you do!"

Luo Wuyuan saw that her daughter was so bold. She waved her hand and just wanted to slap her hand down!

A strong wind came suddenly!

Luo Wuyuan's face changed greatly, and he found that danxu tower didn't have those two adults to guard today!

Suddenly, a figure rushed out of it!

Too fast!

The powerful air wave sweeps, is to drive the sky black cloud pressure city!

What a strong man this is!

Luo Wuyuan expression panic, at the same time, the raging air waves through the body of two people!

He and Luoyao retreated more than ten steps and spat out blood!

Luo Wuyuan heart angry, just want to say what, but found that the figure stopped.

When he saw the owner of the figure, his heart suddenly stopped, more like a hammer hit hard on the chest!

He shook his lips. "Plop!" A, quickly pull daughter kneeling together: "spirit Lingyi danzun

He never thought that the mysterious spirit of a Dan Zun would come out!

There are only a few people in Kunlun who have seen this power with their own eyes!

He suddenly thought of his daughter's words. His face turned pale and he quickly kowtowed: "my Lord, my daughter's words just now were offensive. It's really not intentional. Please calm down!"

Ling Yi Dan Zun glanced at Luo Wuyuan and said in a cold voice, "can you see a young man leave here?"

"No No

Language down, the spirit of a Dan Zun body will tip light, the whole person toward the distance quickly swept away.

Only two of them were left.

"Dad, is this the legend of kunlunxu? He He won't kill me... "

Luoyao was a little flustered. After all, the strength of the old man was too shocking.

Luo Wuyuan frowned. As the owner of the Luo family, he calmed down for a few minutes and said, "lingyidanzun should not have heard of it, otherwise we would have died long ago. Moreover, he seemed to be asking me about a young man. From his expression, he was very excited."

"I really can't think of anyone near danxu tower who can make Lingyi danzun so disrespectful. Is the pattern of danxu tower going to change?"

" If we can make friends with this young man in advance, we will become the first Dandao family in danxu town! "

"Unfortunately, I don't know who that young man is."

.....

At the same time, ye Chen and the medical God gate found a hotel and settled down temporarily.

Naturally, he did not know that the so-called Lingyuan was looking for himself. If he did, he would stay outside danxu tower.

The words of the two old men are very clear. The name of danxu tower is not Lingyuan.

Judging from the old man's expression, it doesn't look like cheating.

I'm afraid that with the loss of time, the Lingyuan in Lin Qingxuan's mouth has already fallen. As for the breath inside, it should be a coffin.

Xiaobi has already started to refine pills in the house. Entering the danxu tower area, she has learned a lot about Dan Dao. This is an opportunity.

Naturally, she has to work hard.

Lao Cui began to practice, and his master Duan Huai'an personally guided him.

For so many years, Duan Huaian has not taught his apprentice martial arts. He has some debts in his heart. Naturally, he should take this opportunity to compensate.

As for ye Chen, he was not worried at all.

He knows that ye Chen's martial arts and combat skills are far more advanced than he can teach.

At the moment, ye Chen is standing in front of the French window of the room, staring at danxu tower blankly.

Since there is no clue to Lingyuan, we can only find some energy that can arouse the remaining great energy of reincarnation cemetery.

Unfortunately, without a token, he could not pass the gate keeper's pass, let alone enter the danxu tower.

In Ye Chen's agony, there is a rustling sound behind him. Ye Chen turns his head and finds that Xiao Huang has already woken up and stretched.

"You are so good at sleeping, I wonder if you have narcolepsy! It's a pity that I only know how to cure people's diseases. I really can't help you, an ancient monster like you. " Ye Chen sighed.

After all, when I go to sleep, I can only use my body for a long time. After all, I don't need to use my strength for a long time

"Sleep can also be beauty!"

Ye Chen almost spits out old blood!

All of a sudden, Xiaohuang's different pupils twinkled with light light, and it was more directly standing on Ye Chen's shoulder: "I found a good thing, you come with me."

The next second, Xiaohuang covered with lightning, directly rushed out, did not give ye Chen room to discuss.

Ye Chen's face changed slightly, and he went out in a hurry.

Five minutes later, Xiao Huang finally stopped in front of a stall.

Extremely serious!

Chapter 869

The stall is very large, with more than a dozen Dan Ding.

The size and material of the tripod are different.

These tripods are engraved with various runes, which are of good grade.

If you put it outside, you'll be robbed.

But here, it's a bit cold.

After all, the most important thing here is Dan Ding!

The owner of the stall is a middle-aged man in his fifties. He has a beer belly, thin hair and a smile on his mouth. He looks very smart.

Ye Chen picked up Xiao Huang and said in a low voice, "what are you doing so fast?"

The stall owner was also happy and said, "little brother, your pet is very handsome, especially the eyes. What kind of pet I haven't seen in Kunlun?"

Xiao Huang just wanted to speak, he was covered by Ye Chen.

He knows that if Xiao Huang talks now, the whole Kunlun Xu will be crazy!

Talking spirit beast, and so young, is a person can see that Xiao Huang has ancient blood!

Ye Chen smiles and explains awkwardly, "my wife, this is brought by my Chinese friend. It is said that it was born by the cross between orange cat and foreign breed..."

Hearing this, Xiao Huang trembled with anger, and glanced at Ye Chen, apparently believing that ye Chen had tarnished its ancient blood.

Especially the word mating makes it extremely uncomfortable!

It wants to struggle, but is held by Ye Chen.

The stall owner didn't see the difference between them. He nodded suddenly: "Huaxia, I know, is a good place. I went out once in more than ten years. There is a place called the capital city, where there are many beautiful women, but the aura is too thin for cultivation. Most women don't have the temperament of Kunlun.... "

He said, with a dreamy smile on his lips.

"By the way, little brother, since you've come to my stall, it's also a fate. If you buy things here today, I'll give you a 10% discount!"

The stall owner was obviously a little shrewd and began to do business.

Ye Chengang wants to refuse, but Xiao Huang sends a voice to his mind: "don't cover my mouth, I won't speak in front of outsiders! also! Can you see the broken tripod that the guy is sitting on? Be sure to take it down. As for the reason, I'll explain it to you later! "

Ye Chen glanced at that thing and felt ordinary. I really don't know why Xiao Huang is so committed.

Although he was puzzled, he pretended to look around, then pointed to the broken tripod on the owner and said, "boss, the things under you look like some eye rims. Some of them are similar to those made

by my grandfather. Unfortunately, after my grandfather died, it was also broken. Can you sell it to me as a souvenir?"

The stall owner obviously didn't expect that someone would take a fancy to his worthless things. He quickly stood up with his eyes slightly narrowed: "little brother, my things are not worth money, are you sure you don't look at the others?"

Ye Chen shook his head: "just that, I don't know how to make pills. It's useless to buy a tripod. It's better to buy one to collect and play."

The stall owner is also shrewd: "little brother, OK, but although this thing is not valuable, it is also very important to me. If you really want to take it, at least one top-grade basalt will do."

Ye Chen frowned, and the value of top-grade basaltic stone was very high. The owner of the stall opened his mouth. He was just about to make a counter-offer when Xiao Huang's voice rang out: "don't bargain. On this price, I feel that there's a bad breath coming. Take it first and then."

Ye Chen doesn't talk nonsense and directly takes out a top-grade basalt stone.

The master's eyes brightened, rubbed his hands and took the stone, and said, "that little brother, this thing is yours. I like to deal with people like you. "

The stall owner's five fingers clasped the Dan Ding, just wanted to give it to Ye Chen, but a cold voice suddenly rang out: "sorry, I'll take this one!"

A white hand directly patted on the top of the Dan Ding, gently pressed, it fell steadily on the ground.

Ye Chen turns his head and finds that the man who is talking is Cui Ruicheng, who was seen in Luo's house today!

The point is, isn't this guy shut down by his father? How can he be here?

Cui Ruicheng took a look at Ye Chen and snorted coldly. He said to the stall owner, "how much is the price of this boy? I'll give it ten times!"

The stall owner naturally recognized Cui Ruicheng. His face changed slightly. He said respectfully, "it's Cui Shao. If Cui Shao wants this, I'll give it to Cui Shao."

With that, the stall owner just wanted to hold on to the Dan Ding, and ye Chen held out his hand. The power of the blood dragon suddenly broke out and directly took the Dan Ding over!

"Take my money, it should belong to me! There is no reason to give it to others! "

The stall owner smiles and reaches out his hand. He wants to teach Ye Chen the Xuanshi in his hand, but he is photographed directly by Ye Chen.

The stall owner's hands suddenly lost their direction, and the whole person stumbled backward.

Ye Chen directly throws the damaged Dan Ding into the samsara cemetery!

Throw away!!

From the moment the stall owner received his money, it was his Ye Chen! He Ye Chen's things, no one is qualified to accept!

Even in danxu!

"Stop!"

Cui Ruicheng's cold voice rang through!

At the same time, a figure is in front of Ye Chen.

Cui Ruicheng has been immersed in alchemy for more than ten years. He is not too deep in martial arts and is barely at the peak of returning to emptiness.

If he spent a little time on martial arts, the virtual kingdom would not be too difficult.

Face Ye Chen, naturally not afraid.

Today, it's not a shame to see him in Luoyao's house!

Luoyao refused to see herself, but she was with this man!

For him, it can't be tolerated!

Even in his eyes, Luoyao is already his woman, who dares to spy on him!

You have to pay the price of bleeding!

He is in danxu town. He has enough right to speak!

Ye Chen looked at Cui Ruicheng in front of him, and his eyes were cold: "it seems that you did it on purpose? I don't think I've offended you

Cui Ruicheng snorted coldly: "it doesn't matter if you offend me. What's important is that your eyes make me look uncomfortable. In this case, I'll dig it out!"

In a flash, Cui Rui moved, two points out, a purple light around!

At the moment of stabbing into Ye Chen's eyes, ye Chen shook his head: "do you really think your realm is your dependence? Ridiculous

Ye Chen's five fingers stretch out like a five handle steel knife, cutting through the air!

Firmly buckled on Cui Ruicheng's wrist.

Cui Ruicheng was surprised to find that all his strength and strength had disappeared!

"How could it be!"

He exclaimed!

He didn't know how ye Chen had come this way!

Ye Chen a lunge, body forward!

Shoulder like a mountain of general pressure and go!

Iron mountain!

When the shoulder touches Cui Ruicheng's body, Cui Ruicheng only feels crushed by a violent machine!

"Click, click, click!"

There are many broken bones in his chest!

Even a mouthful of blood!

The whole person flies upside down!

"Bang!"

The height of 1.8 meters smashed on the many Dan Ding of the stall!

Several red tripods burst into pieces.

Chapter 870

Cui Ruicheng groans in pain!

He was spitting blood out of his mouth.

Never been in such a mess!

His heart is covered with blood!

He wanted to get up, only to find a force of authority over him!

He is not qualified at all!

The smart stall owner's face is even more pale!

He didn't even dare to move. He wanted to help Cui Ruicheng, but when he saw Ye Chen, he was completely frightened.

No one would have thought that the genius of the Cui family could not hold up a move in front of a boy entering the Holy Land!

He didn't expect the boy to be so cruel!

It's just a monster!

The key is that the boy is crazy. Even the child of the Cui family of Dandao family dares to move!

This is the heart of Cui yuan!

If you offend the Cui family, the boy will be blocked by the whole danxu town!

Who can bear Cui yuan's anger!

"You know who I am, little beast! You dare to touch me, I will kill you

Cui Ruicheng roared, but soon, ye Chen's cold to bone marrow eyes fell on his body.

Ye Chen said word by word: "if you want to trouble me, I'll be with you at any time. But you first think about the price. Next time, it's not as simple as breaking a few bones, but it's killing you! "

Finish saying, ye Chen leaves directly.

He knew it would not end well, but he was not wrong.

Even if he did it again, he would.

If the Cui family really wants to trouble himself, he is not afraid.

Some things, can't escape.

If it is doomed to be a disaster in his life, resist it!

Cui Ruicheng was scared to speak when he saw the cold eyes.

Although he is arrogant and has enough qualifications here, there is a big gap in front of Ye Chen.

How many talented people can't fight against the corpse of Dan Chen.

After ye Chen left, the stall owner responded and quickly helped Cui Ruicheng up: "Cui Shao, do you have anything to do..."

Cui Ruicheng pushes the stall owner aside and swallows a pill to heal for a moment.

When the injury was completely stable, he went to the Cui family step by step.

"Good! Good! Good! If you dare to challenge my Cui family, I will let you feel what is the real nightmare!"

.....

Ye Chen did not return to the original hotel, he could feel several pairs of eyes staring at himself behind him.

If we go to make peace with master and others now, it will undoubtedly harm them.

He opened another room to live in.

When the door was closed, he took out the broken tripod and looked at Xiao Huang with interest: "it's this thing that caused me a big trouble. Should you explain something?"

Xiao Huang jumps gently to the top of the broken tripod, and the power of thunder breaks out.

The endless thunder instantly wrapped the whole tripod like a big net.

Suddenly, under the naked eye, ye Chen found that the surface of the Dan Ding began to fall off.

After that, it became incomparably brand-new under the God thunder.

An ancient breath is surging out.

The whole house was even covered with a smell of medicine.

Ye Chen felt relaxed and happy, and even his understanding of Dan was deepened a little bit.

He breathes fast and stares at Dan Ding. He is sure that this thing is not ordinary!

How did Xiaohuang find out!

Aware of Ye Chen's doubts, Xiao Huang explained: "my blood comes from ancient times. I have a keen intuition about some things in ancient times. I can't tell the specific use of my red pupil, but I just noticed something. It's just like It seems to have the power of prophecy. "

Ye Chen a Zheng, expression some strange.

He knew that the little yellow and blue pupil represented the power of God thunder, but he never knew the function of the little yellow red pupil.

Now it seems that the red pupil's ability far surpasses the God thunder!

Xiao Huang jumped down from the tripod and looked at a mural on the outside of the tripod: "if you look here again, don't you think the murals on the surface of the Dan Ding are very familiar."

Ye Chen's Mou son a congeals, dead falls in Dan Ding's side.

When he saw the picture, he grew up his mouth, an incredible picture.

Because there was a young man sitting cross legged on the tripod, refining pills!

He is surrounded by a blood dragon!

The eyebrow center is overflowing a raging flame!

Blood dragon!

The eternal fire in the center of eyebrows!

Isn't this just yourself!

The key point is how can there be its own picture on the tripod?

What a coincidence!

Xiao Huang took a serious look at Ye Chen and explained: "some things are not as simple as you think. If I have not guessed wrong, there is more than one such picture. This kind of feeling is like someone is reminding you something in the dark." "This is a big picture. From the moment you open the reincarnation graveyard, you are a chess piece of the overall situation."

"You are the most uncontrollable factor. Some people want you to win and others want you to lose!"

Ye Chen frowns tightly, just want to ask what, but Xiaohuang looks at a direction and says faintly: "put the Dan Ding away first, and study later. Now, some troubles are expected to come to you!"

"And it's no small trouble."

"I went to sleep first. I was a little sleepy."

Ye Chen naturally knows what Xiao Huang's so-called trouble is!

It must be Cui's family!

The key is that Xiaohuang is too ungrateful. Shouldn't she face it with herself?

It's the trigger for the whole thing!

When ye Chen was thinking, a burst of noise came!

The door of the room is broken!

Six old men standing outside the door!

The killing plane spread!

They stare at Ye Chen, and the cold sword in his hand is more direct.

The blade points to Ye Chen and blocks all the escape routes of Ye Chen.

A few seconds later, a young man appeared in Ye Chen's sight.

It was Cui Ruicheng.

Cui Ruicheng saw Ye Chen again, and his eyes burst into flames of hatred!

He did not dare to continue to approach, hiding behind several old people, and said to Ye Chen word by word: "you are still in the mood to stay in danxu town! You know the status of my Cui family here! "

"If you kneel down and apologize now, I will consider giving you a complete body."

Ye Chen did not move, sitting on a chair, hands playing with a silver needle, no panic.

But a light way: "it seems that you didn't listen to what I said just now, right?"

Cui Ruicheng obviously didn't expect that this time, the boy still did not have any fear.

Is it a fool?

He also stopped talking nonsense and said to several old people around him: "take this boy! I want to live! "

Those old people have not moved, but ye Chen is the first to stand up, step by step toward the public.

"Let your father Cui yuan come. Maybe we can meet you for the last time."

A indifferent word slowly fell.
