

Physician 881

Chapter 881

Luoyao's lips are slightly open, and her eyes are full of shock.

Didn't Mr. Ye never set foot here?

Why do two dignified people want to protect him?

Compassion? Or do you like Mr. Ye's talent of Dan Dao?

When people were shocked, Fang and Lao Yang looked at each other and forced out a drop of blood essence.

The sealed danxu tower gate was completely opened.

Two people look to Ye Chen, but quite respectfully said: "please!"

Seeing this scene, nanxuan real man stepped forward and was extremely angry. He roared: "you two watchdog! Lingyidan Zun is not there. How dare you overstep your authority! If I poke this matter up to he Lingyi danzun, do you know the cost? "

Lao Yang's eyes shrunk, killing the sky, holding the sword in his hand, he went directly to the nanxuan real man!

"What I said is not clear enough! If you take a step, you have to pay for it! "

The fierce killing intention makes Lao Yang's sword extremely ferocious, each sword is to hit the key point directly.

Nanxuan immortal realized the seriousness of the matter and quickly resisted it. At the same time, he let the masters behind him do it together!

Naturally, Lao Yang was defeated. Fang looked at the puzzled Ye Chen and said directly, "my Lord, you can go inside at ease. Lingyi danzun will arrive soon. Before that, no one dares to move you!"

Ye Chen instantly understood what!

It seems that the Lingyi danzun of these two people is the Lingyuan that Lin Qingxuan asked him to find!

Obviously, these two people already know the meaning behind the word Lingyuan.

He no longer hesitated, nodded and stepped into it. His body was not like the darkness inside.

The door was closed completely and the seal was opened again.

Then, with a big knife in his hand, he turned fiercely and joined the battle.

No one has thought that after thousands of years, there will be a battle between the gatekeeper of danxu tower and nanxuan real man!

.....

Ye Chen came to the inside, found a piece of black, hands can not see five fingers.

How can we go if we can't see the way?

He just wanted to condense the immortal fire, only to find that the whole world suddenly brightened up.

It's full of danxiang.

It's vast.

It seems that danxu tower is not big outside, but there is a deep feeling inside.

It's a magic weapon.

The central place has a Dan Ding.

Dan Ding is a little strange. It's only half of it. It's like a part of it was cut off mercilessly with a sword.

When ye Chen doubts, Xiao Huang's body is trembling.

Ye Chen's face changes greatly, and quickly puts Xiaohuang in a soft place, and then his fingertips condense the true Qi, wrapping Xiaohuang.

Xiao Huang felt better. She opened her eyes.

"Xiao Huang, how do you feel? How can this happen?"

Xiao Huang got up with difficulty, but found it impossible. She simply fell on the ground and explained, "just now I used a part of the power that doesn't belong to me. That's what it is."

"Don't worry, though."

Ye Chen shook his head and said seriously, "how can I not worry? Since you know the reason, there should be a solution, right? Tell me quickly!"

Dan looked at Huang Zun half hesitantly.

With a long sigh, he said, "there is a way to solve my injury in danxu tower. You can see half of the Dan Ding in the central place. This layer of power is sealed on this object. If you move the tripod, the energy will be opened, and I will have a chance to recover!"

"It's just that the Dan Ding is not so simple."

Ye Chen stands up, regardless of Xiao Huang's explanation, a few steps is to arrive before the Dan Ding.

He looked at the lines on the tripod and knew it was extraordinary.

He subconsciously reached out his hand, buckled on the top of the Dan Ding, just wanted to move, Dan Ding on the spread of a terrible momentum!

The next second, his body actually flew out.

Ben was injured. This time, it was even more embarrassing.

He swallowed several pills, adjusted his breath, and operated the nine day xuanyang Jue. He finally felt better.

He came to Dan Ding again, this time, he did not touch, but pulled out the dragon to ask the sky sword.

The power of thunder is coiled around the sword. With a sword.

"Dang!"

In the Dan Ding, there was a sound from far away.

The sound waves rippled, ye Chen's head almost burst.

A mouth of red blood spilled from the corner of the mouth.

After two failures, ye Chen is not in a hurry to start again. He stares at Dan Ding and observes around him.

Since we are in danxu tower, we should never use force to solve the problem.

The best way is to do it.

But without any hint, how should he make alchemy?

Ye Chen takes a look at Xiaohuang and finds that Xiaohuang's pain has not stopped. He gritted his teeth, and the fire in his brow condensed and wrapped the whole Dan Ding!

At the same time, ye Chen feels that in the sea of knowledge, an obscure text appears.

He realized that he was required to refine a spiritual elixir!

What is Lingkong pill? It is to use the aura of the surrounding heaven and earth to refine pills!

Ye Chen almost wanted to curse people. What kind of test is this!

What a mess.

However, ye Chen also knows that there are many people passing through this level, which is also the most basic one, which is obviously used to screen the real Dan masters.

He no longer hesitated, and sat cross legged, while controlling the Dan Ding, while condensing the spirit of heaven and earth around him in the Danting.

There are storms around!

The first time, failure!

The third time, or failure!

When ye Chen was refining for the twelfth time, there was a light sound from the tripod.

A white pill suddenly formed.

Take a closer look, the surface of the pill is more like jade, which is obviously the spiritual elixir!

"Who in the end gave me the old man's problem, which made me refine it 12 times!"

Ye Chen murmured.

However, ye Chen did not know that many people had successfully refined Lingkong pill at this level, but the best result was that it took 50 times to make it!

And ye Chen only needs 12 times!

At the same time, outside danxu tower.

The battle storm raged.

Lao Yang and Fang Lao have never had such a war for thousands of years. They are so straightforward and extreme!

Although there are many wounds on my body, I haven't frowned once!

He forced nanxuan to retreat.

This is not a good stop for anyone!

In the fierce war, a voice suddenly came from the Dan Ding!

Then, a red light even flickered on the dragon pattern outside the first layer.

It was so dazzling that the crowd suddenly stopped.

Innumerable double eyes think of staring at the first layer of Red Mansions!

Because this Peugeot represents that someone has broken through the first test!

It's nothing to break through this floor!

But in such a short time, it's impossible.

Old Fang took back his broadsword, took a look at Lao Yang and asked, "how long has he been in?"

Lao Yang's lips trembled a little, and he was uncertain: "it's like less than ten minutes..."

Chapter 882

Suddenly, the crowd took a breath!

Everyone here knows what it means to break through this floor in ten minutes!

The talent of evil spirit!

Luo Wuyuan looks ferocious. He grabs Luoyao's wrist and asks, "does this guy really know how to make alchemy?"

Although Luoyao knew that ye Chen's talent was against the heaven, she did not expect to be able to do so quickly even when she was injured.

"Yes..."

At this time, Cui Yuan pointed to the danxu tower and said in a loud voice: "this boy must not be the first time to enter danxu tower. He must have studied the spirit air pill! yes! It must be so! "

Of course, he didn't believe Ye Chen was so fast.

His son, as a genius of Dandao, took half an hour to cross the first floor, almost the best result in recent years!

What did ye Chen count!

At this point, the expression of the people is more comfortable.

Even nanxuan immortal nodded and thought this was the best explanation.

He has just noticed that ye Chen's spiritual root is not a rare spiritual root, let alone the word "spiritual root"!

Because this kid is just a fan Gen!

Only those Chinese talents are possible!

A fan root waste, less than 10 minutes across the first floor, this may be the funniest joke in danxu town!

Hearing Cui yuan's words, old Fang snorted: "danxu tower has won a Dan Ding genius. You should feel honored, instead of passing the gentleman's belly with the heart of a villain! I can tell you clearly that this is the first time he has stepped into danxu Tower! "

Nanxuan real man laughed: "you have been protecting that boy from the beginning. Can you believe your words? By the way, maybe you must have told the boy how to break the customs barrier. In this way, everything can be explained! "

Hearing such unjust words, Mr. Fang turned his sword and chopped it directly!

"Looking for death!"

.....

And inside danxu tower.

Ye Chen adjusted his breath and moved the half of the tripod away.

In an instant, there was an ancient Rune on the ground!

Endless aura fills the whole danxu Tower!

Wrap the whole body!

Ye Chen can't help moaning!

"That's great!"

He even found that he had a strong sense of breakthrough! The sound of crackling is coming from the body!

He looked at Xiao Huang in a hurry.

When he saw Xiao Huang's posture, he almost spit out.

At the moment, Xiao Huang's fluffy body actually sits cross legged like a human being, as if in the operation of martial arts!

Innumerable auras of heaven and earth are madly pouring into Xiao Huang's body.

Its whole body is covered with red light.

Brilliant.

As if aware of Ye Chen's gaze, Xiao Huang opened his mouth and said, "if you want to break through, don't worry about me. This layer can have time limit."

Ye Chen suddenly, not nonsense, closed his eyes, began to break through.

The blood dragon rushed out of Ye Chen's body and circled on the top of Ye Chen's head.

The sound of the dragon's chant resounded.

However, ye Chen's elixir field is like a flood discharge, madly rushing toward the obstruction of the holy kingdom.

Because ye Chen suppressed this layer for too long, the obstruction of the holy King's realm was broken in an instant!

Dantian is also a sudden expansion.

If it was originally a lake, it is now an ocean!

Ye Chen is covered with a layer of holy light, just like a new life.

But this is far from stopping. Ye Chen rushes towards the second layer of the holy Kingdom instantly!

On the danxu tower, there are bursts of thunder.

Tens of thousands of thunder robberies hit danxu tower.

Endless thunder and lightning devoured the whole danxu tower.

Not only that, but also outside the danxu tower was also affected. The thunder and lightning shot down and turned into a pothole in an instant, even forcing people to stop fighting.

Nanxuan immortal stares at danxu tower, and his expression is extremely complicated: "what the hell is that boy? Through the first level, shouldn't it be the change of the realm of Dan Dao? How on the contrary, his martial arts cultivation has broken through? And there's something wrong with the change."
"

He knew Ye Chen's accomplishments, and entered the ninth floor of the Holy Land!

Even if you want to break through, it's the holy kingdom!

However, the thunder robbery is not like the thunder robbery in the holy kingdom. It is impossible to return to the virtual state!

"What is the origin of this boy? Who once said that danxu town will usher in a catastrophe, is this the son of that catastrophe? "

Nanxuan immortal feels that things are getting more and more difficult. The boy first killed so many people in danxu Town, and now he enters danxu tower.

If it continues to drag on, there will definitely be problems for danxu town.

The next second, he took out a simple token.

Force a drop of blood essence on the token.

The token vibrated, and an ethereal voice rang out: "what's the matter?"Hearing the sound, Lao Yang and Fang's faces changed.

This nanxuan immortal is crazy! Please move that one!

Nanxuan immortal looked at them and said, "my Lord, Lingyi danzun left danxu tower for no reason, but the doorkeeper of danxu tower let a mob into danxu tower with his private right. I'm afraid this thug is not good for danxu tower. I tried to take down the thug several times, but it's strange that the two people around Lingyi danzun obstruct each other I suspect that the thug is the man of the so-called catastrophe

"I see."

The misty voice fell and the pressure came.

The token faded.

Lao Yang and Fang Lao see this scene, their hearts thump!

It's even more troublesome!

They looked at each other, clenched their weapons, like a green pine, motionless like a mountain, guarding the gate.

"Lord danzun, why don't you come back?"

.....

And now, 30 kilometers outside danxu town.

An old man was suspended above the Dan Ding, surrounded by purple light.

Spirit is released!

This person is the spirit of a Dan Zun!

Since ye Chen disappeared, he used all means to search.

The first time I came to danxu town.

He was not sure that the person who was looking for Lingyuan had anything to do with Lin Qingxuan!

But find it!

At all costs.

Suddenly, Lingyi danzun noticed something, opened his eyes, and the cold light shot at a tower in danxu town.

Thunderbolt flashes above the tower.

Very clear.

"Well? Did someone break through in danxu tower? Didn't those two guys seal danxu tower? "

Ling Yi Dan Zun lightly taps his toes on the tripod and thinks for a few seconds. He takes the tripod back into his sleeve and offers a rune.

The finger pinches the Jue, the rune burns, suddenly stands a border around!

Seal the whole danxu town!

Anything can't fly without wings!

After all this, he disappeared here.

No trace!

.....

At the moment, ye Chen of danxu tower, the breakthrough has not stopped at all.

There was something ferocious about his expression.

The aura of the outside world is too full, and violent and blazing.

If it had not been for him, his body would have burst.

At this time, the black stone in Ye Chen's pocket flew out.

Suspended on top of Ye Chen's head, even began to rotate.

In an instant, the surrounding violent energy began to be absorbed by the black stone into the samsara cemetery.

Lin Qingxuan of the samsara cemetery is also aware of the situation. He stands in front of a tombstone that has not yet been opened, his hands are behind him, and his eyes are tightly fixed on the cracks and lights that suddenly appear on the tombstone. He murmurs: "it's time to meet, old man."

Chapter 883

Mo Ning'er quietly came to Lin Qingxuan's side. Her eyes turned like stars and said curiously, "master Lin, is it a great power coming out? I don't know who this great energy is? "

Lin Qingxuan's eyes narrowed slightly. Instead of speaking, he stretched out his hand and touched the tombstone.

Suddenly, the tombstone vibrated violently, and a golden light bloomed.

It turned into a fist shadow!

The shadow of the fist hit Lin Qingxuan directly.

Lin Qingxuan loosened his hand and shook his head: "it's still this kind of temper."

He stepped back three steps, before the golden light dissipated. Then, he said to Mo Ning'er, "in that era, who dare not die and who dare not to lose? Who dares to fight against heaven with his fist

Hearing this, Mo Ning'er's eyes widened and finally understood who was in the tombstone!

The key is that she didn't expect that the one would come out now?

"With this great power coming out, will the tomb owner..."

Before Mo Ning'er finished, Lin Qingxuan interrupted: "I know this guy. This energy alone is not enough to make that guy appear. Next, it depends on the chance of the boy."

And ye Chen outside of nature do not know the status of the reincarnation cemetery, at the moment he gently exhaled a breath, the breakthrough breath on the body gradually stabilized.

Even the poison of Jue Yun arrow in the past has disappeared.

Now his realm stays in the third level of the holy kingdom.

Because there are some differences between the realm he practiced and the realm of Kunlun emptiness, it is equivalent to the external realm of returning to emptiness.

Even in the face of some virtual King situation strong people are not so embarrassed, even qualified to kill.

Ye Chen opened his eyes and found that all the energy around him had disappeared, and there were cracks in the half Dan Ding in the central place.

All of a sudden, he thought of something and looked at Xiao Huang not far away.

At the moment, Xiao Huang is sleeping on her stomach. She seems to notice Ye Chen's eyes. She opens her bleary eyes and glances at Ye Chen. She says faintly, "the third level of the holy kingdom is not bad. As for my condition, you don't need to worry."

"But next time I won't use this method to help you. It's too expensive. It's a headache."

"Well, I'm going to sleep for a while. Don't disturb me."

With that, Xiao Huang closed her eyes, and the sound of heavy breathing rang out.

Ye Chen shakes his head and holds up Xiao Huang directly and puts him in the tomb of samsara.

There is no living thing in the samsara cemetery, but Xiaohuang is an exception. After all, its body and blood are closely related to a great power of the samsara cemetery.

It's really time for this little guy to have a good rest. During this period of time, he has helped himself a lot in the time of crisis. His body must have been damaged.

Then, ye Chen's eyes fell on the second ladder, and without hesitation, he walked away quickly.

On the stairs, endless pressure came, but this pressure is nothing to Ye Chen at the moment.

He was soon on the second floor.

When he came to the second layer, ye Chen felt a cold wind sweeping through, extremely cold.

He even shivered.

When he looked inside, he found that there was ice and snow all around him.

The temperature is extremely low.

At the same time, there is an icicle in the center.

Sanskrit was engraved on the icicle. Sanskrit was gray. He glanced at it, but he didn't know a word.

When ye Chen doubts, the snowflakes fall, and the countless snowflakes turn into a virtual shadow.

He is an old man in white.

The old man in white looked at Ye Chen with interest and said, "it's the first time for me to see a Dan master with such a heavy evil spirit."

He raised his hand and stroked his beard. He continued to say:

"boy, the way you cultivate is to kill the Tao, and you should not step into the Dan Dao. I advise you to leave danxu tower, or else the foundation that you have so hard to establish will be destroyed. "

Ye Chen naturally can not leave, until now he has not felt the reincarnation graveyard has the great power to come out.

Only keep stepping in.

It is said that Lin Qingxuan stepped into the ninth floor of the ten story danxu tower. If Lin Qingxuan helped him to break it, it would be extremely easy.

Unfortunately, no matter how he communicated with Lin Qingxuan, there was no reaction from the other party.

I'm afraid Lin Qingxuan doesn't want to rely on his strength all the time.

"You're not going yet?" Looking at the young man in front of him, he was surprised and said, "it seems that you don't quite understand what I said. Although you don't know how you got into danxu tower and how you broke into the first floor, if you want to break into the second floor, you must pass me first."

"I'm very uncomfortable with your strong murderous spirit. I hope you leave immediately and don't destroy the artistic conception of this layer."

His eyes still don't want to look at Ye Chen's face.

This made him slightly angry and said:

"this is an ultimatum for you. If you don't leave, don't blame me for being rude to you."The threat of cold spread.

Ye Chen is still unmoved. Instead, he takes a step and looks at each other: "what you said is ridiculous. Who stipulates that people who take the road of killing can't make alchemy?"

He sneered and said, "this layer is the field I am in charge of. You must obey my rules, or you won't want to continue."

Language down, wind howling, like an ice dragon toward Ye Chen devour and go.

Ye Chen eyebrow heart of the fire burst out instantly, in an instant, the ice dragon is turned into powder.

"Since it's your field, I'll break it!"

Ye Chen eyebrow flame burst out, he was immediately surrounded by the flame, the original cold mood actually has the trend of melting.

"It's beyond our capacity! If you want to break into my field, you can't go out! "

Virtual shadow fingers pinch Jue, Sanskrit on the icicle began to flow.

Suddenly, the icicle split a hole, tens of thousands of ice swords drilled out, and even more densely shot Ye Chen.

Seeing such a sword sea, ye Chen was not afraid. He snorted coldly and opened his right hand: "blood dragon comes out!"

The sound of the Dragon falls, shaking the world.

The blood dragon rushed out of Ye Chen's body in an instant, which led to the immortal fire on Ye Chen's body.

The immortal fire enveloped the blood dragon, as if it had come out of the magma and devoured it towards the ice sword.

"Bang!"

With a loud noise, the dense sword sea was engulfed by the sudden blood dragon on the spot.

There was a sudden rise in the temperature around.

The white clothes empty shadow's face slightly changes, is very ugly, it seems that this boy still has two brushes. Just as he was about to pinch his fingers, a cold light came through the air!

"Ding!" The sword was inserted on the icicle.

Ye Chen's first sight is to see that this icicle is the eye of array here!

Once the eye of the array is broken, the shadow in white will have no support.

Chapter 884

Sure enough, the body of the empty shadow in white is a little dim!

This layer tests Dan fire and vision.

And in front of this step into the road to kill people, obviously pass the pass!

Double cultivation of killing way and Dan way? The key is that we can see the second level problem in such a short time. What is the origin of this boy?

Suppress the fear of the heart, white empty shadow arm a wave, step on the third level of stairs to reveal.

"I don't want to admit it, but your talent in Dan Dao is the most adverse one I have seen recently. If I can, I hope you can put down the killing heart and calm down the Dan Road. In this way, your future achievements will be limitless."

Ye Chen laughed, pulled out the dragon and asked the sky sword, "excuse me, Dan Dao is just my auxiliary way, killing way is really suitable for me!"

When the old man in white heard this, his eyes were shocked.

Dan Dao is just an aid?

What a joke is this kid!

How many people are poor in their life and can't step into the real realm of Dan Dao!

What is the origin of this boy? Why do you feel familiar with your eyes?

Ye Chen and the shadow in white pass by, and they go to the third layer. If he guesses correctly, the elder Feng who meets in the killing place will just step over the third floor.

The third layer is also the real screening of Dan talent!

White empty shadow looking at the back of Ye Chen, suddenly, a pat on the forehead, he thought of what!

Fingers pinch Jue, quickly sacrifice a portrait.

The portraits are too old, very old, and even incomplete.

His hands slowly unfolded the portrait, sending out a trace of antiquity.

The picture is completely exposed,

this is a back view.

A young man's back.

The young man is carrying a magic sword, holding a silver needle in his left hand, but a strange black stone in his right hand.

Aura surrounds.

What is more remarkable is that the youth's feet are actually stepping on a blood dragon.

The blood dragon swept the world.

Dragon dance for nine days.

You can't be one.

White empty shadow and fierce raised his head, dead staring at Ye Chen's far away back, and the portrait contrast, eyes flash a trace of dignified.

It's like that!

The only drawback is that there is a big gap between the boy and the youth in the portrait.

The one in the portrait is at least in the realm of Daoyuan or emperor Zun! And this kid is just in the king's land.

"Is this young man who was able to exhaust his efforts to predict the extermination of the world thousands of years ago, the almost nonexistent God killer?"

"It is said that one day in the future, for the sake of a young girl, the God killer will break the rules of the temple of Kunlun, and the nine heavenly dragons will land on the earth, and the ten top sects will be cut off with one sword?"

"If heaven abandons him and kills the heaven, if people are angry with him, the world should be killed?"

After a few seconds, he took back the portrait and shook his head helplessly: "those powerful prophecies have not been recognized by outsiders. In people's eyes, the situation of Kunlun for thousands of years or even tens of thousands of years has not been destroyed. How could it be destroyed by a young man with no background?"

"I'm afraid I'm dazzled. The boy should be just like the figure in the picture."

Words fall, the shadow of the white dress actually dissipated, as if never existed.

And now, outside danxu tower.

There was silence.

No one went on.

They're staring at danxu Tower!

Only because the second layer of danxu tower starts to shine!

That boy broke through again!

Put aside that boy's breakthrough time, there are still no ten minutes!

To know the second layer of artistic conception, ordinary people want to easily break open simply impossible!

Which one is not to bear endless pain, just reluctantly break open!

Now, there is only Ye Chen in danxu Tower!

But I didn't expect that this boy not only broke through, but also stepped on the third floor!

Fang held the gate, looked at the nanxuan real man and sneered: "nanxuan immortal, can you serve now? From the beginning, I saw the hope of Dandao from this little brother. If someone really broke the record, it was only this person! "

Nanxuan real person's eyes slightly narrowed: "what's good to wear? In the first two layers, if someone teaches him how to crack it, it's not difficult. If I guess correctly, you two have revealed a lot of things to this boy. Such a mean means may be useful in the early stage, but the third layer is not so simple!"

"I'm sure the second level is his limit!"

Before the words were finished, the light of the third layer of danxu tower began to twinkle!

Obviously, ye Chen broke the third layer!

Key this time, not even a minute!

The whole world was so quiet that everyone held their breath.

Nanxuan real man's face is more and more ugly, hard to see, as if he was mercilessly slapped. Lao Yang saw this scene and said with great interest: "someone's face is coming too fast. Is the second floor the limit? But what do I think, as if the fourth floor is not necessarily his limit? I don't think anyone who talks has a brain. "

"You

Nanxuan real person face some anger, want to start, but was stopped by several old people behind him.

"Wait for the Lord to come, and you can't do it now."

Someone behind me reminds me.

Nanxuan immortal waved his sleeve and stopped talking.

Wait for that adult to come later, see how arrogant you are!

"Nanxuan immortal, do you want us to have some fun? If that young man from danhuetta broke through the fourth floor, how about you kneel down and apologize in person? "

"Of course, if the youth has not broken through the fourth floor, I will kneel down to apologize to you nanxuan immortal!"

Lao Yang was obviously desperate.

In his opinion, ye Chen and Lingyi danzun have a great connection, so it should not be difficult to break through the front layers of danxu tower.

There should be no problem with the fourth tier.

But the fifth floor is not necessarily.

Naturally, nanxuan immortal can't bet. According to Ye Chen's momentum, the fourth floor is just a matter of time.

The key is that the boy is clearly focused on martial arts. Why is Dan Dao so rebellious?

He's still a motherfucker!

When did fan Gen become so evil?

Just when he was puzzled, the aura of danxu town suddenly changed, and dark clouds came to the city.

An invisible pressure made everyone in the scene a little breathless.

Nanxuan real man saw this scene, his face was ecstatic!

Here comes the man at last!

If you want to say who has the real right to speak in danxu Town, it is this person besides Lingyi danzun!

Only this person has the right to let the two old gatekeepers get away!

He was short of breath and knelt down with several people behind him!

Kneeling on both knees, the head is kowtow on the ground, incomparably devout.

Luoyao and luowuyuan also feel something wrong. Their bodies bow slightly, which represents deep respect.

"Dad, what's the origin of this vision?" Luoyao curiously said, "why do I feel something wrong, even make people feel uncomfortable, just like the arrival of evil spirits!"

Chapter 885

Words just fell, but did not expect, Luo Wuyuan nervously covered Luoyao's mouth, whispered: "shut up! This person is not something you can censure

"The nanxuan immortal invited him out. I'm afraid danxu tower will have an accident today! Even if the boy enters danxu tower, there will be no one to protect him! "

When Luoyao heard this, she was pale. She even regretted why she had brought Mr. Ye here.

If Mr. Ye really had something wrong here, she would have been guilty for a lifetime.

Mr. Jingshui outside is dangerous and powerful, but compared with some big people in danxu Town, the gap is too big!

Now things develop to such a situation, it is to force Ye Chen to die!

Cui yuan looked at the black cloud, but his face was full of joy.

He would like things to get bigger and bigger. If he could kill people with a knife, it would be better!

The gatekeepers, Lao Yang and Fang Lao, are extremely familiar.

Lao Fang took a look at Lao Yang and ordered, "if I don't die well today, I hope you can take care of my children. They don't have strong Dan Dao talent, but if you educate them well, you can still mix up some people in danxu town."

Lao Yang hesitated for a few seconds. He wanted to say something, but finally he nodded.

"Boom!"

Thunder thundered down.

Not far from danxu tower, the lightning was dazzling and the dust was covered.

But when the smoke and lightning dispersed, it was an old man who was not angry.

Under the old man is a fierce leopard with golden lines!

Fierce leopard's eyes are very aggressive. A single glance of the eyes makes many practitioners retreat.

Seeing the old man riding on the fierce leopard, nanxuan kowtowed his head again and said respectfully:
"nanxuan has seen Xingtian Dan Zun."

Hearing these four words, Luoyao finally understood why her father was so serious.

Because looking at the whole danxu Town, only two people are qualified to be called danzun!

That is the Lingyi danzun guarding danxu Tower!

And in charge of the whole danxu town rules of the heaven Dan Zun!

Two great danzuns guard a pure land!

No one knows what strength these two danzuns are!

But one thing is certain, any move and decision of these two people can change everything in danxu town.

The real power of the strong.

Xingtian danzun didn't pay attention to it. He didn't let nanxuan immortal get up. Instead, he looked at danxu tower with interesting eyes.

Suddenly, his eyes fell on Lao Yang and Fang Lao.

A single look makes their backs all wet.

It's really hard to be under the pressure of such a strong man!

Xingtian danzun said: "I am very curious that Lingyi danzun has not left danxu tower for a hundred years. Why did he leave suddenly today? Is there something interesting that I don't know about? "

There's no end to it.

Lao Yang and Fang's feet were shaking. If they were not dead support, they might have knelt down!

Old Fang raised his head with difficulty and said to Xingtian danzun: "my Lord, how can we be qualified to know that Lingyi danzun works? It's time to deal with things. "

"I don't know what's the matter with your coming here suddenly?"

Before the words were finished, Xingtian danzun touched the mount under him and said mercilessly: "it seems that I look high on you two gatekeepers. I heard that you two dogs put a thug who dares to commit crimes in danxu town into danxu tower?"

"If lingyidan is not here, you are so reckless?"

Hearing this, their faces changed greatly.

Lao Yang just wanted to explain what, but found that the blood gas gushed up, directly spit out a mouthful of blood!

What a mess!

Old Fang quickly forced out a drop of blood essence, finger pinch Jue, block with secret method!

That's how I feel.

Xingtian Dan Zun is not in a hurry to start, and his eyes fall on nanxuan immortal and Cui yuan.

"Tell me the specific things. Don't leave a detail behind!"

"Forget it, I'll figure it out myself!"

Xingtian danzun's arm waved gently, and a ray of light fell on their eyebrows.

Close your eyes and feel it.

It's like reading other people's memories.

After a few seconds, Xing Tian Dan Zun opened his eyes and said, "what's the secret of this thug? The erased memory can't be broken with my power."

"But I didn't come in vain. If I plundered the secrets of the other party, I would be able to improve my strength."

Thinking about everything, Ling Yidan Zun rode a fierce leopard to danxu tower.

At each step, the whole ground vibrated a little bit.

But old Fang and Lao Yang still stand firm and firm to the extreme.

"Are you going to stop me?" Xingtian Dan Zun's indifferent voice fell down, "the whole danxu tower, in addition to the spirit behind you Dan Zun, I should also be qualified to enter it." Old Fang's eyes were extremely cold, and his killing intention swept over his body!

He said word by word: "Xingtian danzun, please don't make it difficult for me. Lingyi danzun has orders. After he leaves, no one can enter danxu Tower!"

"Oh?" "Xing Tian Dan Zun smiles," how should that mob explain? Is my status in danxu town better than that of an outsider who kills people without blinking an eye? "

"Go away!"

All of a sudden, Xing Tian Dan respects Mou son a congealing, between eyes unexpectedly shot a force, directly bombed on Fang Lao's body!

Fang only felt a wave of invisible air hitting his body!

Fly on the spot!

Even more, it hit the seal of danxu tower.

"Pooh A mouthful of blood spurt, weak to the extreme!

"Lao Fang!" Lao Yang quickly stepped forward to help Fang Lao, but was stopped by Fang Lao.

Old Fang got up with difficulty, his eyes were bloodshot, and he was staring at Xingtian danzun: "Lingyi danzun has orders, no one can step in! You too. "

Xing Tiandan on the fierce leopard frowned. He found that things were more complicated than he imagined. Why did the old man protect the outsiders at all costs?

Is there something shady in it?

No longer thinking about it, he rode the fierce leopard close to danxu tower. Fang was still motionless, and his hands were open and he was the guardian of death.

Xingtian danzun sighed: "I've seen anyone looking for death, but I haven't seen one like you. I'm afraid you've become a traitor of danxu town. In this case, I'll erase you on behalf of Lingyi danzun."

Xingtian Dan Zun opened his right hand and held it slightly. There was a faint red awn between his five fingers.

Red Mansions are more and more dazzling!

The next second, the red light directly smashed out, turned into a red virtual sword, toward Fang Lao!

Lao Yang saw this scene, extremely ugly, and quickly blocked in front of Fang Lao's body!

No matter how to say, they are both companions!

I don't know how many years we have worked together!

If you look at Fang Lao's accident, he can't bear it!

Chapter 886

Therefore, Lao Yang exerts all his strength on the weapon. The air is surging, and he collides with the red virtual sword in an instant!

Without warning, his weapon turned into powder, and his body flew out and hit Fang Lao's body!

Extremely embarrassed.

Two gatekeepers, almost no combat ability!

For ordinary people, they are really strong, but in the face of Xingtian danzun, what kind of obstacles can they take!

There is only one person in danxu town who can stop Xing Tian. That is Lingyi danzun!

But now Lingyi Dan Zun has not appeared for a long time!

"Damn it!"

Xingtian danzun was very satisfied with the result, and sneered: "you can't help yourself, mole ants. You've been guarding danxu tower for so many years. You've forgotten your original intention and even ignored the battle. This strength is ridiculous! Today, I will teach you a lesson I will never forget. "

"But I won't kill you. After all, I'll give the face of the guy behind you."

"Now, it's time to bring the boy out. Some rules are based on the bloody corpse!"

With that, Xingtian Dan Zun was not in the dark.

Dan Xu tower's seal could not stop him.

.....

At the moment, ye Chen of danxu tower naturally doesn't know the situation outside. He has come to the fourth floor.

To his surprise, this time, the fourth floor was a lake.

The lake is spreading and the water vapor is rising.

"Hot springs? Is this also an artistic conception? How else can danxu tower fit this lake? "

This is Ye Chen's first feeling.

As soon as he wanted to step into it, he felt the sound of violent vibration coming from danxu Tower!

"Is there an earthquake in danxu tower?"

Ye Chen glanced around and found that the lake was boiling like boiling water, and even some liquid splashed on his body, which was very hot and painful.

There's something wrong with the situation.

All of a sudden, the samsara cemetery Xiaohuang found something, originally sleeping it immediately opened its eyes.

In different pupil, extremely cold.

He let out a gloomy roar.

Later, he turned into a shadow, directly left the samsara cemetery and came to Ye Chen's side.

"Xiao Huang, don't you rest in it?" Ye Chen is surprised to see Xiao Huang.

Xiao Huang looked at her back and said in a cold voice, "go, go down with me, and remember to wrap your whole body with the immortal fire."

Although I don't know the purpose of Xiaohuang, ye Chen still does.

"Plop!" With a sound, the fire covers and carries Xiao Huang into the strange lake.

Just after the two entered, Xingtian danzun and his blood ferocious leopard came quietly.

Xing Tian Dan Zun looked at the ripples on the surface of the water and laughed: "it's really something that doesn't know how to live or die. I really think that entering the lake can save you?"

"But how on earth did the boy find us?"

"Come on, when you get the boy's secret, you'll take the body! Now all you have to do is bring the boy and remember, don't bite him to death. "

Xing Tian Dan Zun touched the fierce leopard under his body and opened his mouth.

The fierce beast was obviously extremely excited. There was a roar from the beast, which also penetrated into the lake.

Xingtian danzun stood on the shore of the lake and closed his eyes.

Waiting for his mount to come triumphantly.

This fierce leopard was obtained from a secret place at the risk of his life thousands of years ago.

The fierce leopard has an ancient blood line,

although it is not pure, it has been continuously fed pills for thousands of years, and its grade is extremely high.

Even in the face of the general return to the virtual realm, the virtual King realm and even higher realm, they can be easily killed.

The key is that the fierce leopard's body is extremely strong. It is impossible for ordinary people to kill it.

Later, in order to cultivate the fierce leopard's killing nature, Xingtian danzun also fed it a living cultivator every day.

Put them in the same cage.

The nature of the beast breaks out. The more the cultivator resists, the more ferocious the leopard is!

So the beast is extremely bloodthirsty!

Anyone can be killed except for Xingtian danzun! It's just for blood and fighting!

Under the bottom of the lake, it is not too deep, but there is a trace of Daoyun.

Ye Chen stopped and looked at Xiao Huang curiously. He still asked, "Xiao Huang, why do you want to run?"

Xiao Huang doesn't speak, and stares at her back tightly. When she looks at a group of black shadows, she jumps directly from ye Chen's arms to the bottom of the lake.

"Not to run, but to face the beast. Under the water, I may have a better chance of winning."

"Next, we should be careful. We're being watched."

"And not ordinary people."

Words fall, ye Chen is feeling the bottom of the lake to wave! Then, a huge body, hair erect, like a steel needle general giant leopard directly came to Ye Chen.

The whole body circulates the golden light, the eye blood red, is also bloodthirsty than the human.

His tusks came out and made a deep noise.

Eyes dead staring at Ye Chen, as if ready to hand!

Ye Chen saw this scene and immediately offered a sacrifice to cut the dragon and ask the sky sword!

"It seems that the threat you are talking about is this thing, but isn't this danxu tower a place to test Dan Dao? Why is there such a fierce beast?"

Before ye Chen reacts, the fierce leopard turns into a remnant, just like a meteorite crashing to the stars.

Red light!

Ye Chen felt something was wrong, so he chopped it with a sword.

This sword, the power of God thunder overflows wildly!

Even the lake will be cut in half by him!

"Ding!" The sound of clear and crisp spreads out. The sky sword has been cut on the fierce leopard!

If it had been changed into a common fierce beast, it would have been split in two!

But this time, ye Chen found that the fierce beast was undamaged!

It's as if his previous sword was on the basalt!

That's weird!

The fierce leopard roars with fury, and its ferocious fangs are like swords and going towards Ye Chen.

Seeing that she wants to penetrate Ye Chen's body, Xiao Huang has already blocked Ye Chen's body,

"boom!"

Small body, blooming from the ancient animal roar!

That different pupil is flashing a dazzling light!

Seeing this scene, the fierce leopard did not continue to attack Ye Chen, but focused on Xiao Huang's body.

Doubts, puzzles, fears.

It could feel a sense of threat in this small guy.

This sense of threat comes not only from strength, but also from blood.

All of a sudden, he heard something in his mind, which was obviously the order of the top Xingtian danzun!

It wakes up, kills the opportunity to break out, directly toward the Yellow crazy jump away.

The tusks reflect Xiao Huang's body.

It has no intention of moving at all.

Red and blue pupils are constantly flowing.

Suddenly, Xiaohuang's blue pupil burst out one after another of thunder and lightning, the power of God's thunder, instantly toward the other side package and go.

When the God thunder hits the fierce leopard's body, it just makes the fierce leopard pause a few minutes!

The goal remains unchanged!

The fierce leopard is about to touch Xiao Huang. Xiaohuang has started!

Chapter 887

The little yellow body bursts out and dodges away in an instant. At the same time, the sharp claws slide directly on the fierce leopard's body.

"Zizizi!" The sound, the intense spark twinkles!

Fortunately, a few bloodstains finally appeared!

At the same time, Xiaohuang's body directly climbed onto the body of fierce leopard!

The cold claws were raised high and thrust straight down!

Suddenly difficult, or penetration!

Blood overflows in an instant!

Fierce leopard face ferocious, want to get rid of Xiao Huang, but no matter how struggling, but found it impossible!

"I don't know who is behind you, but since you dare to come down and fight us, I will make you pay the price!" she said coldly

The next second, Xiao Huang opened her mouth and bit directly on one of the fierce leopard's ears.

"Tear A sound, instant tear!

Red with blood!

A voice of pain rang out in an instant.

Obviously, ears are the weakest place for fierce leopard!

Xingtian danzun on the shore of the lake opened his eyes, and he naturally felt the pain of his mount!

A slight change of face!

Jump straight into the lake!

No one is qualified to move his fierce leopard!

Anyone!

Now the yellow, red pupil more dazzling.

And the fierce leopard under him is scarred!

"The particularity of your blood seems to me a great tonic."

Xiao Huang's light words fall, which makes the fierce leopard panic to the extreme.

The only reaction in his heart is what this guy is!

Why is the breath on the body a fierce beast, but can speak the words of human beings!

Unheard of!

The more it struggles, the weaker it is.

The water on the bottom of the sea has even turned red.

Looking at Ye Chen, Xiao Huang even said, "use the blood dragon to trap this guy. While the guy outside has not dared to come, I will directly devour the animal! He is a great tonic to me

Ye Chen naturally understands that Xiao Huang's first evolution was due to the phagocytosis of nine blood wolves. If she devoured this horrible fierce leopard, does it mean the second evolution!

No longer hesitating, he directly sacrificed the blood dragon in his body. The blood dragon made a fist around the lake chassis and locked the fierce leopard.

The meaning of blood evil spirit blooms, directly trapped the fierce leopard!

Can't move!

An ancient dragon shadow, plus an ancient fierce beast! If you can't take that fierce leopard, it's really ridiculous.

Fierce leopard naturally felt fear, his eyes constantly toward the water, groaning in pain!

As if waiting for something!

But no matter how much waiting, the figure still did not appear.

At the moment, the red pupil of Xiaohuang is more and more enchanting. It will not pity the fierce leopard in front of her, because the other party comes with killing intention from the beginning.

There are only two choices for this kind of animal.

Or go back with your prey! Or die at the bottom of the lake!

Xiaohuang naturally wants the other party to choose the latter!

It bit in the fierce leopard's body, again hard skin, is also mercilessly penetrated.

A mouthful of blood sparkling leopard meat is directly swallowed by Xiaohuang.

Blood stained the lake.

Fierce leopard is no longer struggling, ferocious eyes gradually closed.

Let it be swallowed.

Ye Chen even found that with every bite of fierce leopard's flesh and blood, the faster her pupils turn.

The whole body is emitting mysterious breath.

This is the breath of the real ancient fierce beast.

Of course, Xiaohuang has a great power of reincarnation cemetery, adapting blood! But its biggest lack of money now is the flesh!

The ferocious leopard of Xingtian Dan Zun is not only a part of the blood of ancient times, but also the body is under the pile of Tiancai Dibao and high-level Dan medicine!

For Xiao Huang, it's better than your nine blood wolves!

Soon, the fierce leopard's huge body was almost swallowed up by Xiao Huang, and only half of the skeleton was left!

And at this time, Xiao Huang suddenly raised his head, eyes staring at a figure!

The figure falls on the bottom of the lake!

It's Xing Tian Dan Zun!

When his eyes looked at the dead and devoured mount, his anger burned like a flame!

His eyes seem to be full of killing to burst!

He has worked so hard to keep the baby for so many years, and turned into food for others!

Who can bear the pain!

He stares at Xiao Huang and growls: "beast, you want to die!"

A Dan Ding suddenly appeared in his palm, Dan Ding a turn, hard toward Xiao Huang smash!

Xiaohuang naturally feels that the strength of the other side is not what he can resist now. He looks at Ye Chen and says, "get ready, we'll leave danxu tower immediately!" Finish saying, small yellow that red pupil twinkles, the whole lake bottom water seems to stir up!

Earth shaking!

Countless lakes formed a huge whirlpool, which instantly devoured the Dan Ding!

Xingtian danzun saw this scene and was surprised. Then he drew out his sword and shot out mercilessly!

Impact on the tripod!

Dan Ding shakes away in an instant!

A sword and a tripod seem to turn into popular, and hit Xiao Huang's body hard!

Xiao Huang didn't have time to react. She was hit and flew directly!

Fortunately, I fell into Ye Chen's arms at last!

Ye Chen hugs Xiao Huang tightly and pinches Jue with his fingers. The endless God thunder goes towards the heaven of heaven.

At the same time, the body into a shadow, quickly left.

"Still want to go! Dream

"Since my treasure has been destroyed by you, I will let you understand the pain of being deprived of flesh and blood!"

The speed of Xingtian danzun is getting faster and faster! Go straight out!

"Boom!"

Ye Chen's body instantly rushed out of danxu Tower!

Nanxuan immortal, Cui yuan, Luo Yao and others face a big change!

Isn't Xingtian danzun looking for ye Chen? Even let Ye Chen escape?

How could it be!

Just when the crowd was confused, a roar came from danxu Tower!

The next second, the public is to see the sky Dan Zun rolling a crazy evil intention rushed out!

The key is that the mount of Xingtian danzun is gone!

At the moment, he looks more like a madman!

Face open, furious!

Even the anger feels like it's on the verge of collapse!

Did ye Chen do all this?

What did he do to make Xing Tian Dan Zun so angry!

Can't help but everyone's reaction, violent edge of the Xingtian Dan Zun is only five meters away from ye Chen and Xiao Huang, with five fingers as claws, as if tearing the air and grabbing at Xiaohuang directly!

"Little beast! Give me back the life of the fierce leopard

The crowd was thrilled to the extreme when they heard this.

They can feel how angry Xing Tian Dan Zun's voice is!

Some people are even hurt by the sound wave!

Luo Wuyuan has no choice but to pinch the formula with his fingers and gather an array on his daughter Luoyao. Only then can he resist the power of sound waves in front of him.

Otherwise the daughter will die.

Nanxuan real person actually swallows the saliva, retreats several steps!

He never thought that the ferocious leopard kept by Xingtian danzun for many years died!

This fierce leopard can be regarded as a child by Xingtian danzun all the time!

The key is how does that kid's strength do it?

Chapter 888

At the moment, not far from ye Chen to see this scene, the eyes are extremely serious, he naturally can not let Xiao Huang hurt again!

The key is that he can feel that after Xiaohuang has swallowed the fierce leopard's flesh and blood, the state is somewhat wrong!

The body is shining faintly and seems to be shaking!

It can even be said to be extremely weak! There is no combat capability at all.

He didn't care about everything, and a Ten Thousand Buddhas Vajra fist blew out!

Try to resist damage for Xiao Huang!

He would rather bear it himself!

"You little beast, you want to stop me! I don't know what to do

Xingtian danzun has already killed his red eyes and changed his claws into fists. In an instant, he collided with Ye Chen's ten thousand Buddha Vajra fist!

"Click!" With a sound, the golden light was devoured mercilessly, and ye Chen also felt an incomparable force like a mountain.

There was a crack in his right hand! An air wave penetrates the whole body!

The wind howls in my ears!

The body is heavily hit on a stone tablet beside danxu Tower!

The stone tablet was broken, and ye Chen suffered most of the damage! But it's not a big problem.

If it had not been for the critical moment, he would have had an accident.

And Xiaohuang because of the protection of Ye Chen, no damage.

Ye Chen takes a look at Xiao Huang, exhales a breath, and tries to stand up.

"Oh? Boy, it's interesting to step into the body training. Otherwise, people like you would have turned into blood fog under my fist! "

"I'm more and more interested in you. Unfortunately, the guy in your arms should not move! Therefore, you should also be buried with you! "

Xing Tian Dan Zun roared, he was no longer calm before, this moment he was obviously confused by anger!

His hand slightly grasps, the hand then grasps a Dan Ding!

The tripod is as sharp as a sword! Weapons!

He step out, suddenly let go, that Dan Ding is toward Ye Chen fly out!

Continuous rotation, once touched, it must be directly stirred into pieces by the sharp place!

Luoyao has a big mouth. She wants to help Ye Chen.

But I can't do it.

Even if the father is not qualified to shake the anger of Xingtian Dan Zun!

The injured Fang Lao and Lao Yang's faces changed dramatically. They rushed out to help Ye Chen, but it was too late!

The speed of Dan Ding is too fast! As fast as a mirage!

Cui yuan and others looked at the scene, but they had cold smiles on their lips.

In their view, it was a foregone conclusion.

Even with the help of God, this boy can't change the fact of death.

After all, it's Xingtian danzun!

And Xing Tian Dan Zun is also gloomy smile.

Ferocious, bloodthirsty.

He is in charge of all things, and all things are subject to him.

Ye Chen wants to pull out the dragon and ask the sky sword to resist, but it is too late to find out.

Even the cemetery of communication is not qualified.

"This is to fall here?"

At this time, ye Chen eyebrow heart, a touch of black fog drill out.

Rolling black air surrounds Ye Chen's whole body.

Ye Chen's eyes are also gradually red.

Like a black eye on the head.

The eyes seemed to come from hell, from the darkest and killing places.

An eye blinks, bloodthirsty meaning diffuses, in front of Ye Chen is to appear a void black palm!

The black palm actually held the Dan Ding which came from the attack!

Dan Ding can't move forward!

Xingtian danzun looked at the black giant palm and the eyes suspended in the air, and his expression became more and more ugly.

Not only that, he felt cold all over.

"Demon people? How can it be! "

Isn't the demon people disappeared? How did they return to Kunlun Xu?

He calmed down and thought of his mount turning into white bone, he could no longer bear it. A drop of blood essence forced him out!

The tripod vibrates in an instant, surrounded by blood and Qi, and its strength expands more than ten times.

Black giant palm obviously can't bear a bit, after all, everything is built on the strength of Ye Chen.

The gap is too big.

Seeing that the black giant palm was gradually torn, the sharp place of the Dan Ding was more stabbed toward Ye Chen's chest.

The distance is only ten centimeters!

"No matter who you are or whether you are from the demon clan, I want you to die now, and the king of heaven can't save you!"

Xingtian Dan respect angry voice way, the strength increases again!

The huge black palms are broken directly.

The sharpness of Dan Ding stabbed Ye Chen's chest.

It has not entered a few minutes, and the blood is gradually stained out.

Just when everything has become a foregone conclusion, a figure flies quickly!"Torture! What a brave man! Even my own people dare to move

Words have not Luo Xia, a red red Dan Ding burst from the sky, directly hit on the top of the Dan Ding of Xingtian Dan Zun!

The sound of concussion was like thunder.

Two red tripods fly out together! Dust billows, wind blows!

Then, the figure of a fairyland and moral character falls slowly and blocks in front of Ye Chen's body.

It's Lingyi danzun!

Ling Yidan Zun looked at Ye Chen, and felt that ye Chen had a familiar breath.

That's not wrong!

It's Lin Qingxuan!

Isn't Lin Qingxuan dead? Is it born again to this boy?

Can't help him to think, when he saw the blood on Ye Chen's chest, an invisible anger filled the whole body!

He turned around! Staring at Xingtian danzun!

Xing Tian Dan Zun is also looking at him, more doubt way: "spirit one, do you know what you are doing!"

"For what?" Spirit a cold hum, a palm to shoot out, "I certainly know what I am doing!"

It's a surprise! Shock like lightning!

It's too late to hide!

Touch your chest!

The power of the fury surges wildly!

Xingtian Dan Zun flew out on the spot, a mouthful of blood spurted out!

Fortunately, he turned over and stabilized his body!

At this moment, everyone is confused!

Dan Xu town two big strong actually started?

Why is Yidan Zun so angry? Because of a foreign youth!

You're kidding!

Xingtian danzun recovered from shock and became angry: "Lingyi, what nerve do you have! How dare you touch me! You should move the youth behind you! He killed innocent people! Blood of fierce leopard! What's more, it's the remaining evil of the demons! If you don't kill this kind of person, it's hard for us to tolerate it! "

No one thought that Lingyi danzun would step out of the room, and his whole body was full of surging waves!

"Today, anyone who dares to move him is the enemy of our lingyidan Zun!"

"If anyone dares to say that he is not, I will cut off your head with my own hands!"

"Even if you are torture!"

"Let me ask you, you hurt his chest!"

"If it is, then from now on, my spirit will start a complete war with you

In five words, the whole world fell into silence.

No one thought that Lingyi danzun really wanted to protect Ye Chen!

Even! Don't hesitate to fight with Xingtian danzun!

Crazy!

The world is really crazy!

The two great danzuns fought for a young man who did not even reach the realm of virtual king!

This is destined to usher in an unprecedented earthquake in danxu town!

Chapter 889

Lingyi danzun's words vibrated in the whole danxu town.

It's a long way to go.

It reverberates in everyone's ears.

These two are too harsh to fight.

Luo Wuyuan stares at Ye Chen, and even subconsciously points his true Qi on his arm.

It hurts.

Not a dream!

The key is that he thought that the one who stood behind Ye Chen was Lingyi danzun!

Can let Ling Yi Dan respect such an attitude, this ye Chen's identity is not ordinary!

If! If Luoyao had brought him to the Luo family, he would have accepted it, instead of insulting him. I'm afraid the Luo family now has a amulet!

He even thought of stepping into danxu tower today and seeing Lingyi danzun. Even though he was respectful, the other party would not pay any attention to him.

He readily accepted, because the status of Lingyi danzun in his heart was too high.

Beyond reach!

But now, this unattainable person, unexpectedly to that he has always despised the youth, such an attitude!

This attitude, he even felt a trace of flattery!

He can't think why!

Luoyao's body is shaking, her expression is full of doubt and horror.

She knew that Mr. Ye had talent, and that he had never set foot in danxu tower.

I thought I knew Mr. Ye.

But now it seems that what I know is just the tip of the iceberg!

But if Mr. Ye really knows Lingyi danzun, why not talk about this relationship?

With such a relationship, what qualification does Mr. Jingshui have to dare to move him?

There is no need for Mr. Ye to abide by the life and death arena agreement.

Does Mr. Ye rely on his own strength to shake Mr. Jingshui?

Luo Wuyuan also recovered from the shock and regret and said softly, "Yao'er, how did you and Mr. Ye know each other?"

Unconsciously, Luo Wuyuan's address to Ye Chen has changed.

Luo Yao was stunned and immediately said: "I saw in the killing place that the medicinal materials he bought were strange, so I paid attention to it. Later, the murderer seemed to pursue this person, so I took Mr. Ye away through the power of the Luo family.

Then, what happened one day ago, Mr. Ye took part in the Kunlun virtual genius contest on behalf of the medical God sect, shaking everything with a strong posture. It is said that he also killed the elder of qingluan clan, and even the referee was not qualified to move him. Until Mr. Jingshui came forward, he almost killed Mr. Ye. Fortunately, I arrived in time.

I wanted to take Mr. Ye away, but I didn't expect that Mr. Ye and Mr. Jingshui agreed to spend two months in the arena of life and death in qianjue square.

No one can interfere! You should know all about it. "

Luo Wuya hears mirror water MR, Mou son shrinks, afterwards also secretly congratulates.

If my daughter had not been making a good relationship with Mr. Ye, I'm afraid the Luo family would be in danger!

All of a sudden, he grabbed Luoyao's hand and sighed, "Yao'er, as a father, always thought that he could see through all the situations. Now it seems that he is not as good as you."

"Now, as long as Mr. Ye thinks, my Luo family may disappear in danxu town at any time, and your existence is undoubtedly the most powerful protection symbol of the Luo family. After today, I broke up with the Cui family, and everything is up to you. "

Luo Yao's eyes widened when she heard her father's decision.

She couldn't think of the things she wanted to change in her poor life. Finally, she changed because of Mr. Ye.

Mr. Ye did nothing!

What did Luo Wuyuan think of again and continued: "Yao'er, try to keep a relationship with Mr. Ye. If Mr. Ye doesn't use Lingyi danzun in the battle of life and death two months later, he can't win at all costs. At that time, our Luo family will protect Ye Chen at all costs! Even if it is against the whole clan of Kunlun

This is Luo Wuyuan's attitude!

He has already missed one time, so he can't miss the second time!

Suddenly, a cold hum sounded!

From Xingtian danzun!

Countless eyes are directed at Xingtian Dan Zun, because the attitude of Xingtian Dan Zun is related to everything!

I saw that Xingtian Dan Zun stepped out a few steps and walked toward Lingyi danzun.

The corners of your mouth are still stained with blood!

His pupils are ferocious and cold!

All of a sudden, the steps stopped and the four eyes were opposite.

An invisible air wave surged in all directions, and the bricks on the ground of danxu tower turned up directly!

All trees within 100 meters are uprooted!

The wind raged all over the place, and there was a cry of bitterness.

This is the power of the strong!

, Ling Yi, you fought for a stinking boy and you? But you first figure out one thing. This is not your has the final say. If you offend me, it's not good for you! There's no good end for danxu town

Lingyi danzun was not afraid to listen to Xingtian's words and said in a cold voice: "what I said just now is very clear. If you dare to move him again, don't blame my merciless men!"Xingtian Dan venerated his eyes and held a spirit sword in his hand.

The spirit sword is of high grade, and its material is made of ancient basaltic stone.

I don't know how much blood is on it!

"Lingyi, in your face, I can not pursue this boy, but the beast in his arms must be handed over to me! He has devoured the fierce beast I have worked so hard to keep in captivity. He must pay for his life with one life! "

Xingtian Dan Zun did not dare to take the sword, so he could only do so.

This is his biggest setback!

Ling Yi Dan Zun naturally doesn't want to complicate things. He turns his head and looks at Ye Chen. He says respectfully, "do you want to?"

Ye Chen could not agree: "the guy in my arms is not my pet, but a partner. If Xing Tian wants to move him, he must step on me! Otherwise, it is impossible! "

"I see!"

Ling Yi Dan Zun's eyes flashed a trace of determination and said to Xingtian Dan Zun, "you also heard it. It's impossible!"

Hearing this merciless refusal, Xingtian Dan Zun's anger swept over! Since he doesn't even have to make concessions, he doesn't have to!

On alchemy, he is not the opponent of Lingyi danzun! Otherwise, the danxu tower will not be guarded by spirit one!

But in terms of combat power, he is not afraid at all!

As soon as the sword in his hand was turned, the pressure was suddenly overwhelming.

Sword light seems to devour heaven and earth, as well as thousands of beasts galloping, carrying the crisis of death, directly to Xiaohuang in Ye Chen's arms!

"Boom!" The sound of thunder!

The storm surged.

Lingyi danzun did not dare to despise it. Holding it with five fingers, Dan Ding appeared in the palm of the hand.

Go straight to the sword light!

The next moment, heaven and earth, are covered with glory.

Air waves, like substance, gush out around.

Then, they suddenly separated!

Lingyi danzun and Xingtian danzun have stepped back ten steps! Both of them are hesitating.

If it is not injured, Xingtian danzun has at least six levels of grasp and win!

But now, they can't stand each other!

"If I were you, I would take my tail and leave my danxu tower now! Even if you are in charge of danxu Town, don't forget that danxu tower is the real core here! "

Chapter 890

Lingyi danzun is not a guest!

He is not willing to fight, but he is not afraid to fight! When necessary, I have to fight!

Just for Lin Qingxuan!

This is his attitude!

This sentence completely angered Xing Tian Dan Zun. If things are not handled properly today, where will his dignity in danxu town be shelved in the future!

With a cold hum, he offered an array plate, which twinkled and the ancient words flowed on it.

In an instant, six light pillars around danxu tower appeared out of thin air.

Lin Yidan respect behind Ye Chen to see this scene, eyes have a deep shock!

This is Taigu extermination array!

When canghaiping taught him the way of talisman, it was popularized!

Although the array plate is only a fragmentary board, it may not be able to play one percent of the power of the archaic destruction array!

But even if it is 1%, it's not something that can be countered by Lingyi danzun!

He looked at lingyidan Zun again and found that the latter's eyes were heavy.

Lingyidan Zun can help him, he has been very moved, if let lingyidan Zun hurt, ye Chen in the heart feel bad.

This is the gratitude and resentment between him and Xing Tian, can't implicate others!

No longer think about it, ye Chen came forward and arched his hand and said, "the spirit of a Dan Zun, this matter I started, should be finished by me, the elder still let me carry it."

Who expected, the spirit of a Dan Zun only dropped a word: "my spirit today even if it is dead, also can't let you suffer a little harm!"

Language down, his body rushed out, grasp in the hands of the Dan Ding, directly thrown in the air for a turn.

A drop of blood essence forced out, fingers quickly pinch Jue, blood essence into the Dan Ding, came to the sound of violent vibration.

At last, a huge seal fell from the sky!

"Today my spirit will accompany you to the end!"

With a roar, the light of Fuyin erupted!

Between heaven and earth, as if by a force twist!

Violent impact, even let Ye Chen also can't help the blood gushing up, he took a look at Xiaohuang in his arms.

The feeling of weakness is getting weaker and weaker, but there is a light of evolution on the surface of the body like last time.

Once again, the surrounding crowd scattered, such a strong battle, they can not resist.

Xingtian danzun sneered and sneered. There was a voice of compassion in the array plate. Suddenly, a mountain was suspended in the six beams of light.

The force of the mountain fiercely towards the spirit of a Dan Zun in the sky to smash.

No hands left.

Before the two forces touched, a crack appeared in the Dan Ding.

Lingyi danzun's face changed slightly, no longer hesitated, the whole person was suspended in the air, and then a drop, two drops of blood essence beat hard on the Dan Ding.

Dan Ding red red light flashing! Incomparably dazzling!

After that, 81 swords came out of the tripod. They were interlaced and fell from the sky like a net of heaven!

The mountains seem to be closed!

"It seems that after so many years, I still underestimate you. I have been silent in danxu tower, which not only makes your Dan Dao stronger, but also martial art. It's interesting, but it's not enough!"

In his opinion, if the 81 swords intend to break this array, it is a fool's dream!

"Is it? Sorry, it's just the beginning of the show

Lingyi danzun was not moved, his eyes flashed a light!

"Turn nothing into something and live forever!"

With a yell, the 81 swords can be divided into two and two into four!

The whole sky seems to be dark down!

If the God of heaven came into the world, it directly blasted on the mountains.

Every sword is extremely strong.

Every sword has the spirit of killing, like the scythe of death.

Sword spirit, suppress everything!

At the same time, Ling Yidan Zun's face is pale. Obviously, he needs to pay some price to use this move!

I can't do that much right now!

"Crash!"

The sea of swords and darkness devour the mountains, and the six beams of light are broken together!

A mushroom cloud of force shot straight into the sky.

The array plate of Xingtian danzun was broken on the spot, and the endless power was like the dumping of a long river.

"Pooh

Xingtian Dan Zun and Lingyi danzun were hit on the ground by the air wave without any sign, and they spit out a mouthful of blood one after another!

It's obvious that both sides will lose!

The power is too overbearing.

Even the onlookers were overwhelmed.

Some people who are low in cultivation turn into blood mist directly.

Smoke and dust are rolling high.

When the dust fell to the ground, everything was clear. Xingtian Dan Zun and Lingyi danzun stood up reluctantly.

There was a flicker of hesitation in both eyes.

Xingtian Dan looked at Ye Chen, word by word: "Lingyi, you can protect him for a time, you can protect his life? Your duty is to guard the danxu tower. You can't leave danxu town with this boy. When he leaves, it will be his death day! "His eyes are crazy.

Lingyi danzun did not speak, which was the most hesitant place for him.

He could not leave danxu town too far away, and his mission was bound to be bound here.

If ye Chen wants to leave, what should Xingtian danzun do?

Xing Tian saw the hesitation of Ling Yi Dan Zun, his eyes turned and suddenly thought of something!

"Lingyi, you should not know the whole story of this matter! I can treat my mount as if it didn't happen, but the trigger for all this is the resentment between the boy behind you and the boy of Cui's family! "

"It's better for the two of us to solve the problem of mutual gratitude and resentment than to destroy the balance of danxu town by fighting with each other!"

Xing Tian is very clear, this spirit one dan Zun is a madman, intend to die with himself!

Although he was not afraid of Lingyi danzun, he was injured too much.

He has to minimize the loss!

And killing people with a knife is undoubtedly the best way!

Ye Chen's talent in Dandao is to cross the fourth layer of danxu tower, but he has heard that Cui Ruicheng, the son of Cui family, has the highest Dan Dao talent among the younger generation, and even has been ordered by some great power!

Compared with two people, if the use of Dan solution, Cui family boy will crush!

If you use these two people's enmity to solve, that spirit one dan Zun also has no right to hand!

"How to solve their grudges?" said Ling Yidan

Xing Tian sneered: "in danxu Town, we should solve the problem by means of danxu town. At the same time, the two people lead the statue of Dan God to bear the test of Dan God's life and death! Loser, die! Winner, life

Hearing this, the crowd took a breath together!

Danxu town in addition to danxu tower, there is a tombstone and statue behind!

The tombstone and statue even appeared a few minutes before danxu tower.

It is said that danxu tower is the magic weapon of this man!

Therefore, it is known as the God of Dan!

If there are many people standing in front of the statue, the Dan Qi on the body will be aroused.

There will be a person recognized by the statue, enjoy no chance!

Only one person!

The rest will die!

The spirit, the body will disappear!

It's like an ancient ritual!
