Chapter 8861

"Heaven Wen, the idol is crashing into the sky!"

Under the enormous pressure, Ye Chen didn't panic, and the Heavenly Sword of Samsara completely turned into golden light, lingering on his fist.

His fist suddenly exploded with power, showing the phantom of the ancient idol.

Behind him, another scroll of Taoism emerged.

That's the World Ode to Miracles, "What is martial arts!?"

As soon as the Book of Questions came out, Ye Chen asked his own question.

His question, shocked the heavens and asked the book, shocked the heavens.

What is Wu?

What is martial arts?

This shocking question shook the avenue of truth, and Tian Wenshu released wisps of martial arts aura, blending into Ye Chen's fist.

Ye Chen's idol collapsed into the sky and the momentum was even more domineering.

He punched and smashed, the violent idol fist, rushed out, with unparalleled power, slammed into Xiao Yinan's heavy ruler.

boom!

Xiao Yinan's heavy ruler was immediately hit by Ye Chen's fierce fist, and was knocked flying on the spot.

"what!"

Xiao Yinan was completely shocked. He didn't expect Ye Chen to be so powerful, that martial arts might even shocked the avenues of heaven and earth, shocking the truth of time and space. With just one punch, his weapon was sent flying.

In terms of martial arts alone, he is too far from Ye Chen.

The surrounding Sword Sect's strong men were also horrified when they saw Xiao Yinan's weapon being knocked into the air.

"Protect the Young Sect Master and kill him!"

I don't know who shouted, and then the strong swordsmen in the audience rushed towards Ye Chen frantically.

"You dare!"

"The world of Wuji, I am the incarnation of Wuzu, and suppress all enemies!"

Ye Chen watched the surrounding powerhouses besieged and slaughtered, and his eyes filled with the maddening atmosphere of martial arts. With a thought, he sacrificed the "World of Martial Arts" Taoist book.

Boom!

As soon as the book of martial arts came out, Ye Chen's will shook time and space, and the entire book of Taoism erupted with unprecedented majesty of martial arts, and even resonated with the Martial Ancestor in the depths of time and space.

In the dark, Ye Chen received a trace of the blessing of the Martial Ancestor. His muscles exploded and knotted, like a steel mountain, and all kinds of ancient and mighty runes appeared on his skin. The whole person was like an incarnation of Martial Ancestor.

boom!

Ye Chen stepped out in one step, shaking the world, destroying time and space, and the violent martial arts exploded majestically.

Those sword sect powerhouses vomited blood, and half of them were crushed by Ye Chen's martial arts power on the spot.

The other half were also hit hard.

Ji Siqing, Jiang Mingxin, and Gu Yongxiao were all shocked when they saw Ye Chen's mighty and invincible appearance.

They knew that after Ye Chen was promoted to the Sky Profound Realm, his strength must have improved by leaps and bounds, but they didn't expect it to soar to this level.

Xiao Yinan over there, seeing Ye Chen's mighty appearance, he faintly felt the will of Martial Ancestor, feared in his heart, gritted his teeth, suddenly spit out a mouthful of blood, and sang to the sky:

"Great Queen of Ice, please show your grace in this world..."

He actually started singing, to summon the Ice God Tianzun to come down and fight Ye Chen.

Whoa!

The will of the Ice God Tianzun was active in this world of destiny. Almost as soon as Xiao Yinan sang and fell, a response came from the void, and a large swath of ice and mist emerged.

A pair of frost wings spread out in the sky, with the meaning of holiness, elegance and sacredness.

After the frost wings appeared, the figure of the Ice God Tianzun gradually emerged.

"Um?"

Ye Chen saw the figure of the Ice God Tianzun emerging, raised his brows, and felt the danger, and immediately punched out, the idol collapsed, and killed in the air, destroying the figure of the Ice God Tianzun.

However, an astonishing scene appeared, he was enough to shatter the starry sky, but he was unable to crush the figure of the Ice God Tianzun.

The Ice God is about to come, and there seems to be no power in this world that can stop him.

Seeing that the Ice God Tianzun was about to come down, but at this time, Xiao Yinan gritted his teeth again, his eyes showed a struggle and guilt, and finally sighed, gave up all summoning and singing, and lowered his head in frustration.

He gave up the summoning, and the phantom of the Ice God Tianzun in the sky immediately faded away, and the pair of frost wings quickly dissipated, and only the frost and air-conditioning remaining around, witnessing the majesty of the Ice God Tianzun just now.

"Lord of Reincarnation, it is you who won!"

Xiao Yinan's teeth were about to shatter, his expression was extremely depressed, and he bowed his head to admit defeat.

The remaining sword sect powerhouses around, saw Xiao Yinan actually admit defeat, and suddenly everyone was stunned.

"why?"

Ye Chen was also extremely surprised and puzzled. Just now, his martial arts exploded. Although his power was terrifying, he couldn't compare with the real god after all.

If Xiao Yinan directly summoned the Ice God and the Ice God Tianzun descended, Ye Chen might not be able to resist.

In the outside world, he might be able to interrupt Xiao Yinan's summoning and singing, but here, it is absolutely impossible.

Because this place is equivalent to the Ice God Tianzun's territory, as long as a believer calls the Ice God, they will get a response, and no force can stop it.

"Lord of Reincarnation, if you win, I can lend you the Tianchi of Destiny. Come with me."

Xiao Yinan's eyes were a little blood red, and he didn't know what to think, staring at Ye Chendao.

Ye Chen, Ji Siqing and Jiang Mingxin looked at each other and looked at Gu Yongxiao again, all of them were very surprised.

But no matter what, since Xiao Yinan agreed to lend Tianchi, this is naturally a great good thing for Ye Chen.

"Okay, thank you."

Ye Chen was afraid that Xiao Yinan would go back on it, so he nodded immediately.

"Young Sect Master..."

Those remaining strong swordsmen still want to dissuade them.

"No more."

Xiao Yinan waved his hand lightly, ignored them, glanced at Ye Chen, and walked forward.

Ye Chen moved slightly in his heart, and quickly followed Xiao Yinan, and the two walked side by side towards the Tianchi of Destiny.

The remaining strongmen of the Sword Sect, as well as Ji Siqing, Jiang Mingxin, Gu Yongxiao and others, followed behind.

...

"You actually have a chance to come back, why should you admit defeat?"

Ye Chen asked in a deep voice, still very puzzled in his heart.

Xiao Yinan smiled bitterly, and after a long silence, he sighed: "Because, I'm sorry Martial Ancestor."

Ye Chen was stunned and said, "Do you know Martial Ancestor?"

Are you his disciple? "

Xiao Yinan raised his head and looked at the sky, his eyes were quite distant, as if he was caught in the memories of the past, and said: "I have been instructed by Martial Ancestor, he is half a descendant, I

originally wanted to apprentice, but he said that I am not qualified enough. , always refused to accept me as a disciple, and told me to exercise more in the tomb palace."

"I was a disciple of the tomb palace at that time, assisting the master of reincarnation in that lifetime, and creating the reincarnation book."

"Wuzu told me that as long as I can persevere to the end and prove my Taoism, no matter what the outcome of the book of reincarnation is, he will accept me as a disciple, and he is the only one who has passed it on himself."

Chapter 8862

"I once had the opportunity to become the ancestor of the Martial Ancestor, but unfortunately..."

When Ye Chen heard about this past, he didn't expect that there was such a close cause and effect between Xiao Yinan and Wu Zu.

Even, Xiao Yinan almost became the only direct disciple of Wuzu.

If Xiao Yinan became the only personal biography, then Ye Chen would have nothing to do with it.

"You didn't make it to the end?"

Ye Chen asked.

Xiao Yinan said with a wry smile: "Yes, it is extremely dangerous to create a book of reincarnation, and I am also afraid. Although Wu Zu said that he will protect me, even if the final creation fails, my life will not be in danger."

"But, at that time, he has gone to Wuwu Time and Space, I can't believe it."

"At that time, my father was also preparing to defect from the tomb palace, and he persuaded me many times to come along."

"I had no choice. In the end, I followed my father and stole a lot of heaven and earth treasures from the tomb palace, betrayed the Lord of Reincarnation in that lifetime, and turned to the Ice God Tianzun."

"What we stole from the tomb palace has become the resources and nutrients for the recovery of the Ice God Tianzun."

"Wuzu was very angry when he knew that I was betrayed. He was in Wuwu time and space and was chased and killed by the ancient star gate. Because he was angry with me, he was captured by the Gutian Emperor and has been imprisoned until now."

"Actually, if I hadn't been mad at me, Martial Ancestor would not have missed it. He is a big man who dominates the world. Even "The World of Martial Arts" was born because of him. What ability does Gu Xingmen have to arrest him? "

"It's all me, it's all because of me, my betrayal has caused the Martial Ancestor Dao's heart to be furious, lost his square inch, and finally caused a catastrophe..."

After saying these words, Xiao Yinan's expression was already hopeless, and his eyes seemed to be dead.

In fact, he has gradually forgotten the cause and effect of these past pains, but seeing Ye Chen today and seeing the unique skills of the former Martial Ancestor, his memories were brought up again, and he was very tormented.

Ye Chen was silent, not knowing what to say.

Xiao Yinan sighed: "Lord of Reincarnation, you are the true descendant of Martial Ancestor, you have a strong enough Dao-heartedness, and you are not afraid of everything. You are not as timid as I am. You must go to Wuwu Time and Space to rescue Wuwu. Ancestor!"

Ye Chen nodded: "I know."

He understood, Xiao Yinan gave up summoning the Ice God Tianzun and conceded defeat, obviously for the sake of Martial Ancestor.

"Are you interested in creating a reincarnation book?"

Xiao Yinan asked suddenly, with a mysterious voice.

Ye Chen's heart tightened, and then he shook his head and said, "I don't know, it's too far to talk about this now. You can lend me the Tianchi of Destiny first."

Xiao Yinan sighed, "Oh, okay."

He took Ye Chen all the way, and soon came to Tianchi of Destiny.

I saw the entire Tianchi of Destiny, full of spiritual energy and lush vegetation. That Tianchi, like a beautiful jade of Zhongtiandi, is located in the very center of this blessed land.

Around the Tianchi of Destiny, there are many strong swordsmen guarding.

They saw Xiao Yinan and Ye Chen coming. Under the insight of Tianji, they knew everything, but they were silent.

"Get out of your way."

Xiao Yinan Road.

Many guardian powerhouses looked at each other, and an elder of the sword sect stood up and said to Xiao Yinan: "Young sect master, our sword sect took great pains to win the Tianchi of Destiny. Do you really want to lend it to outsiders?"

Xiao Yinan said: "It's just borrowing, not giving away, what are you afraid of?"

The elder said: "I am afraid that the loss of the spiritual energy of the Tianchi will be greatly detrimental to the plan to revive the Queen of Ice."

Xiao Yinan said: "It doesn't matter if there is a little loss, you all step aside, I will bear the consequences."

The elder was helpless and said, "Yes."

He bowed out of the way.

All the other guardians also got out of the way.

Xiao Yinan and Ye Chen looked at each other, nodded, and strode to the Tianchi of Destiny.

At this time, Ji Siqing, Jiang Mingxin, Gu Yongxiao and others also arrived.

Everyone looked at the Tianchi of Destiny and felt the rich spiritual energy of Tianchi of Destiny. They were shocked and delighted in their hearts.

Ye Chen stared at the Tianchi of Destiny. In the water of the pond, there was still a reflection of the gargoyle, which was very terrifying.

And when his eyes were staring at the pool water, the reflection of the gargoyle was twisted and dispersed, and was gradually replaced by another scene.

That is the picture of fate.

It is Ye Chen's future destiny!

This Tianchi of Destiny actually reflects Ye Chen's future destiny!

In the picture, it is a dark forbidden area, surrounded by strict and simple halls, and a head of white bone guards, surrounded by huge white bone birds in the sky, whistling strangely.

Ye Chen looked at this picture, his heart trembled, and when he saw the secret, he knew that this place was a forbidden place in the ancient star gate.

"Master Wuzu is imprisoned here!"

Ye Chen's pupils shrank, and he saw in the picture, one after another of divine light, flying from afar, all of them were strong men of the reincarnation camp.

In it, Ye Chen saw his future self.

And any extraordinary!

In the future, he is already a powerhouse at the level of the Emperor of Heaven, with divine light shining all over his body, surrounded by the laws of the heavens, and his breath is vast and magnificent. Six of the Seven Reincarnation Stars have awakened, and only the last Star of the Emperor's Life has yet to awaken.

"kill!"

In the picture, Ye Chen waved his hand, and many masters of the Samsara camp rushed down with a roar.

The entire ancient star gated area suddenly boiled, and countless dark monsters shouted and fought fiercely with the people of the reincarnation camp.

Click!

Bones grow.

Chapter 8863

Between the heavens and the earth, the bones grow wildly, transforming into white bone flying swords, white bone flying knives, white bone cages and so on.

Then, the figure of Gu Tiandi broke out from the densely packed skeleton cage, holding a bone spear and stabbing Ren Feihan.

At this moment, the Bone Heaven Emperor, wearing the star emperor robe, is already a figure of the main god level, and he also controls the entire ancient star gate, which is very powerful.

"Go and save Wu Zu!"

Ren Feifei confronted Gu Tiandi head-on and shouted to Ye Chen.

It turned out that the Samsara camp came to this forbidden area to save Martial Ancestor.

Ren Feifei delayed Gu Tiandi to buy time for Ye Chen.

Ye Chen nodded, and took his subordinates to rescue Wuzu.

The person under him is none other than Xiao Yinan.

The two of them strode into the depths of the forbidden area and finally saw Martial Ancestor.

Martial Ancestor's majestic body has become shriveled and decayed at this time, like an old man who can no longer see the arrogance of the past.

He was bound by countless iron chains, each of which was deeply embedded in his flesh, suffering and suffering.

Seeing Ye Chen and Xiao Yinan coming, Wu Zu's turbid eyes showed great despair and frustration, and he uttered two words in a sad and angry voice: "Run!"

Ye Chen and Xiao Yinan were stunned.

Then, a shocking sword light burst out from the void.

With just one sword, the heads of the two were cut off and killed directly.

A figure stepped out from the void.

It turned out to be the ancestor of Hongjun!

"Tianya, I'm sorry..."

Ancestor Hongjun held a blood-stained sword and stared at Ancestor Martial with sighs and helplessness in his eyes.

When the picture arrived here, it suddenly dissipated.

boom!

Ye Chen's head was shaken, he came back to his senses, and then looked at the Tianchi of Destiny, where is there any future picture, only the afterimage of the gargoyle is projected.

The picture he just saw seemed to be just an illusion.

However, Ye Chen knew that it was definitely not an illusion, it was something that could happen in the future!

He saw his future, that is, to achieve the status of the Emperor of Heaven, and then went to lead people to save Wuzu, but he failed.

Because of the obstruction of Ancestor Hongjun!

Ancestor Hongjun personally shot and killed the future Ye Chen, preventing him from saving Wuzu.

Ye Chen was sweating coldly and looked sideways at Xiao Yinan.

I saw Xiao Yinan, who was also sweating profusely and looked pale.

Obviously, he also saw the picture that Ye Chen saw just now.

This is also his future destiny.

He followed Ye Chen and wanted to save Martial Ancestor, but was also killed by Ancestor Hongjun.

"Lord of Reincarnation, is this... our future destiny?"

Xiao Yinan swallowed his saliva, his expression very terrified.

The Tianchi of Destiny gathers the spiritual energy of the whole world of Destiny. Legend has it that from this Tianchi of Destiny, you can see your future destiny.

Now Xiao Yinan sees that his ultimate fate is to be killed by ancestor Hongjun together with Ye Chen.

"Hey, what's wrong with you?"

Jiang Mingxin took a step forward, and when he saw Ye Chen and Xiao Yinan's expressions were not right, he immediately muttered and asked.

Only Ye Chen and Xiao Yinan saw the scene in the Tianchi of Destiny just now.

As for Jiang Mingxin, Ji Siqing, Gu Yongxiao and others, they only saw the afterimage of the gargoyle, and did not find anything else unusual.

"nothing."

Ye Chen smiled bitterly, took a deep breath, and came back to his senses.

Although the fate of the future is very dangerous, but no matter what, the future has not yet come, and he still has a chance to reverse his fate!

"Senior Gu Yongxiao, you enter the Tianchi of Destiny and restore your eyes as soon as possible."

Ye Chen calmed down, looked at Gu Yongxiao, and said.

The things in the future have not yet happened, and it is useless to think about them.

The most important thing now is to restore Gu Yongxiao's eyes.

Gu Yongxiao nodded and wanted to enter the Tianchi of Destiny.

"Wait a minute."

Xiao Yinan stopped talking, pointed to the afterimage of the gargoyle in the pool, and said to Gu Yongxiao:

"There is still the afterimage of the Demon Heavenly Emperor, and you must be scattered, otherwise you will be eroded by the will of the Demon Heavenly Emperor if you enter rashly."

"Demon Emperor?"

Isn't this a gargoyle? "

Ye Chen asked suspiciously.

"No, the afterimage of the gargoyle can stay in the Tianchi of Destiny, and the ghost is not scattered, mainly because of the owner behind it."

"The owner behind it is the legendary Demon Heavenly Emperor, a strong man in the age of the old gods. The legend is the source of the devil's way. When the Heavenly Demon Star Sea was cast from fantasy, it was inspired by the Demon Heavenly Emperor."

"That Demon Heavenly Emperor can also be said to be the source of the energy of the Heavenly Demon Star Sea. His strength is extremely terrifying, and that Gargoyle is his mount."

Xiao Yinan explained that there was an ancient secret, a legend about the Demon Emperor.

Ye Chen trembled in his heart, and faintly, he also glimpsed the secret.

This Demon Heavenly Emperor turned out to be a figure from the same era as Emperor Cangxuan.

Emperor Cangxuan, the ancestor of Xuan Hanyu, once created the era of slaughtering gods and slaughtered countless old gods.

In the past, the Great Emperor Cangxuan once fought against the Demon Heavenly Emperor, and the two sides were tied. Even the Great Emperor Cangxuan could not suppress the Demon Heavenly Emperor.

It is conceivable how much benefit this Demon Heavenly Emperor has.

In the Tianchi of Destiny, the reflection of the gargoyle, his eyes are particularly ferocious, those are the eyes of the Demon Emperor, the manifestation of his remaining will.

"So that's the case, was the Demon Heavenly Emperor killed by the Ice God Heavenly Venerate in the end?"

Ye Chen glimpsed the ancient secret, and faintly saw the final fate of the Demon Emperor.

"Yes, the Demon Emperor was killed by the Queen of Ice, but it is almost impossible for a Demon God of this level to be completely wiped out, and there will always be willpower left."

Chapter 8864

"There is also the gargoyle, the mount of the Demon Emperor, who was also killed by the Queen of Ice that year."

"The Queen of Ice sealed the bones of the Demon Emperor and the Gargoyle in the Heaven and Earth of Destiny."

"That piece of sealed land, called the Valley of the Dead by later generations, is also the most terrifying Jedi in this world."

"As time goes by, both the Demon Emperor and the Gargoyle show signs of recovery."

"The first to recover is the gargoyle."

"Ten thousand years ago, the gargoyle had recovered and occupied the Tianchi of Destiny. He wanted to rely on the aura of Tianchi to revive the Devil Heavenly Emperor."

"Fortunately, now that gargoyle has been killed by my Sword Sect, otherwise, once the Heavenly Pond's energy is seized by the Demon Heavenly Emperor and reborn, the consequences would be unimaginable."

Xiao Yinan said with a sigh.

"And my Jiang family!"

Jiang Mingxin took a step forward, pouted, and said.

In killing the gargoyle, her Jiang family's contribution was also huge, but all the results of the battle were occupied by the Sword Sect.

"sorry."

Xiao Yinan quickly apologized.

Ye Chen suddenly realized that it turned out that the sword sect of the Divine Winter Temple and the Jiang family joined forces to kill the gargoyle after recovery.

Thousands of years ago, gargoyles have been resurrected.

Fortunately, it was only the gargoyle who recovered, not the Demon Emperor.

If the Demon Emperor recovers, it will be an unimaginable disaster.

"Lord of Reincarnation, now this Destiny Tianchi, there is a trace of the will of the Devil Heavenly Emperor left, please use the blood of reincarnation to disperse it."

Xiao Yinan pointed at the reflection in the pool and said.

In the pool, the reflection of the gargoyle was very hideous, especially the pair of eyes, which were the eyes of the Demon Emperor. When everyone present saw it, they felt their hearts tremble, as if they had seen the ancient demon god, standing in front of them.

Under the shadow of the Demon God, even a Heavenly Emperor-level powerhouse is as small as an ant.

"Young Sect Master, it is absolutely impossible."

"To clear the will of the Demon Emperor, we can summon the Queen of Ice to take action. Why give this credit to outsiders?"

An elder of the Sword Sect stood up and directly opposed it, not wanting Ye Chen to take action, fearing that Ye Chen would take away his merits.

"You don't need to disturb the tranquility of the Queen of Ice for a small matter."

Xiao Yinan Road.

"It's no small matter..."

The elder still wanted to argue, but Xiao Yinan waved his hand to stop it.

"Lord of Reincarnation, please take action."

Xiao Yinan looked at Ye Chen respectfully and said.

"Um."

Ye Chen thought about it for a while, then nodded, and immediately bit his fingertips, the aura gathered, and a drop of Samsara blood was dropped into the Tianchi of Destiny.

laugh!

The dripping blood of Samsara suddenly made the entire Tianchi of Destiny boil violently.

The pool water boiled, and wisps of black smoke steamed up, which contained the roar of gargoyles and the wailing of countless monsters. It seemed that something strange was evaporated by Ye Chen's reincarnation blood.

"Lord of Reincarnation, I remember you!"

An extremely terrifying voice, with endless magical power, came from the void, making people tremble.

Ye Chen was inexplicably creepy, knowing that it was the legendary voice of the Demon Emperor.

After the Demon Heavenly Emperor's voice dissipated, the black air also completely dissipated, and all the surrounding weather subsided.

When everyone looked at the Tianchi of Destiny, they saw that the water in the pond had been purified and became incomparably clear. There was no reflection of the gargoyle in it, nor the will of the Devil Heavenly Emperor.

"Senior Gu Yongxiao, okay."

Ye Chen was overjoyed and turned back and said to Gu Yongxiao.

The pool water has been purified, and now Gu Yongxiao can enter.

Gu Yongxiao looked at Xiao Yanan, and Xiao Yanan also nodded.

With Xiao Yanan's permission, Gu Yongxiao flew into the Tianchi of Destiny and immersed in it.

As soon as he was immersed in it, the spiritual energy in the Tianchi rolled into him.

Under the nourishment of Tianchi's spiritual energy, his blind eyes were slowly recovering, and a strange sound of flesh and blood came from the empty eye sockets.

Although the voice sounded strange, Ye Chen knew that this was a sign of Gu Yongxiao's recovery.

He estimated that Gu Yongxiao would be able to fully recover in just a few hours.

The powerhouses of the surrounding Sword Sect were all distressed when they saw this scene.

They don't want to lend this Destiny Tianchi to outsiders.

Xiao Yanan's expression was calm, but he didn't mind, standing silently in the same place.

As time passed bit by bit, Gu Yongxiao's eyes were also steadily recovering.

An hour and a half later, one of his right eyes recovered first, and his eyes were full of radiance and brilliance.

"recovered!"

Ji Siqing was overjoyed when he saw this.

She took the risk of bringing Ye Chen to the world of destiny, just to help the reincarnation camp and save a general.

Now that Gu Yongxiao's eyes have recovered, she is extremely happy.

"Another eye."

Ye Chen didn't have much joy. Now Gu Yongxiao has only recovered half, and his left eye has not recovered.

In the dark, Ye Chen caught a hint of crisis.

Gu Yongxiao wants to restore his eyes, but I am afraid it will not be so smooth.

Boom!

Sure enough, after waiting for a while, there was a rolling sound of wind and clouds in the sky, the weather exploded, and I saw a dark-looking, burly and majestic middle-aged man wearing a black robe descending from the sky.

"father!"

Xiao Yinan's expression changed drastically when he saw the middle-aged man coming.

"See Sect Master!"

All the Sword Sect powerhouses around were excited and joyful, and knelt down respectfully.

The middle-aged man who descended from the sky was the Sect Master of Sword Sect, Xiao Yinan's father, Xiao Xuanting!

Chapter 8865

Xiao Xuanting's aura was quite fluctuating, apparently because he killed the gargoyle before, and his spiritual energy was greatly depleted.

Originally, at this time, he should be in retreat to recuperate, but he still came down, obviously feeling the change in the Heavenly Lake of Destiny.

"Yinan, how can you lend the Tianchi of Destiny to outsiders?"

Xiao Xuanting saw Gu Yongxiao in Tianchi, and then looked at Ji Siqing, Jiang Mingxin, Ye Chen and others, and finally his eyes fell on Xiao Yinan, full of anger.

"father....."

Xiao Yinan was frightened and wanted to explain, but was directly interrupted by Xiao Xuanting:

"No need to explain!"

After a pause, Xiao Xuanting's eyes showed murderous intent, and his eyes fell on Gu Yongxiao:

"Kill Heavenly Emperor, you dare to steal the spiritual energy of my destiny Tianchi, I want you to die!"

"Your blood will become the nourishment for the Queen of Ice!"

As soon as the words fell, Xiao Xuanting slammed out with a palm, and with a majestic palm, with the atmosphere of a burial in a large tomb, he ruthlessly suppressed Gu Yongxiao.

This palm, the breath is actually connected with the Great Tomb Divine Sword!

This is because Xiao Xuanting in the past was a strong man in the tomb palace, and his status was very high. He had the qualifications to observe the sword of the tomb!

The Great Tomb Divine Sword, one of the thirty-three divine arts, originally came from the Tomb Palace.

This magical technique is profound and profound, and in the tomb palace, no one can comprehend it except Emperor Yuan Tian.

However, those with high authority can still capture the essence of many divine arts and improve their own Taoism by observing the sword of the tomb.

Xiao Xuanting's palm has the essence of the Great Tomb Divine Sword, and the killing is very powerful.

Gu Yongxiao was in Tianchi, silently absorbing the spiritual energy of Tianchi, recovering his eyes, facing Xiao Xuanting with a palm, but it was difficult to compete.

"Tomb Divine Sword, break it for me!"

Seeing that Gu Yongxiao was in danger, Ye Chen immediately stirred up his spiritual energy, and slashed out with a sword.

This sword is the authentic Tomb Divine Sword. The sword energy rips through the void, and if hundreds of millions of ghosts and gods roar, it is extremely terrifying.

Ye Chen didn't break out all the swordsmanship, because the consumption of spiritual energy by the Tomb Excalibur was extremely terrifying, even if he just swung a sword, it was enough to take Ye Chen away.

Ye Chen calmed down and only released half of his spiritual energy.

This great tomb sword, he only used five successes.

But five successes are enough.

scoff!

The sword light broke through the air, and with just one sword, Ye Chen smashed Xiao Xuanting's palm directly.

That terrifying tomb sword energy, with the might of slashing against the sky, cut through Xiao Xuanting's palm.

Xiao Xuanting screamed "Ah", and blood spurted from his palm, but the blood sprayed out was gray and black, like a grim ghost with a tomb of hell, extremely terrifying.

"Tomb Divine Sword! Lord of Reincarnation, when did you master this sword?"

Xiao Xuanting felt incredible and stared at Ye Chen.

When his thunder came, he originally wanted to suppress everything, but he would be defeated by Ye Chen in just one encounter.

This is still Ye Chen's mercy.

Ye Chen only used five successes, if he broke out with all his strength, no, even if he only used eight successes, it would be enough to kill Xiao Xuanting.

The Great Tomb Divine Sword is the tenth-ranked existence among the thirty-three days of divine arts. Its lethality is extremely terrifying, and it is definitely not something Xiao Xuanting can fight against.

Xiao Xuanting did not expect that Ye Chen had already mastered this sword.

You must know that the Tomb Divine Sword is very complicated, and its profundity can be said to be second only to the Tiandou Datu Sword.

Back then, in the tomb palace, countless strong people could not understand this swordsmanship.

However, Ye Chen was able to retract and release freely, wielding his sword to kill, and was very handy.

Xiao Yinan and many sword sect powerhouses, as well as Jiang Mingxin, were shocked to see the exquisite and powerful appearance of the sword of Ye Chen's tomb.

Ye Chen put away his sword, stared at Xiao Xuanting, and said, "Senior, I have no intention of fighting with you, I just want to borrow Tianchi for a while, and I would like to ask you to be accommodating."

Xiao Xuanting was Xiao Yinan's father after all, and Ye Chen didn't want to tear his face.

Xiao Xuanting looked at Ye Chen's calm posture, and his body trembled slightly.

He didn't know that Ye Chen could master the Tomb Divine Sword because Ye Chen had practiced it long ago.

To be precise, it is Ye Chen's future, who may have practiced the Tomb Divine Sword.

The cause and effect of the future are projected into reality, so at this moment, Ye Chen easily understood this swordsmanship, and his swordsmanship has reached the point of perfection.

"Do you really think that you have the right to be presumptuous in front of me if you master the Tomb Divine Sword?"

"Let me tell you, even if he was the reincarnation master of the tomb palace back then, he would still be courteous to me by three points."

"You are in the Sky Profound Realm, and you are not qualified to speak to me."

"Reincarnation of the other side of the flower, suppress me!"

Xiao Xuanting glared at Ye Chen, and suddenly burned all his blood and sacrificed a flower.

This flower, exuding the breath of the other side of the starry sky, is also filled with the golden light of reincarnation, blooming three thousand worlds, an infinite universe, and a vast atmosphere.

As soon as this flower came out, the majestic coercion enveloped the audience.

"Pfft!"

Under this enormous pressure, Ji Siqing and Jiang Mingxin vomited blood on the spot.

"father!"

Xiao Yanan was terrified. The power of the Reincarnation Beyond Flower did not oppress him, but he was deeply worried about Ye Chen.

Ye Chen only felt the monstrous pressure shrouded in the sky. If it was suppressed by the three thousand worlds and billions of cosmic stars, if it wasn't for his aura, he would probably have vomited blood on the spot.

Click!

However, under the coercion of such pressure, Ye Chen couldn't take it anymore, and his bones made an overwhelmed sound.

Chapter 8866

"Boy, if you can force me to sacrifice the flower of the other side of reincarnation, you are not in vain!"

Xiao Xuanting's robe burst, his hair turned pale, and many wrinkles suddenly appeared on his face, obviously urging the reincarnation of the other side of the flower, his consumption was also very huge.

Under Ye Chentian's insight, he also glimpsed the origin of the flower of the other side of the reincarnation, and his heart shook.

The flower of the other side of the reincarnation is the magic weapon of the tomb palace in the past, and the master of reincarnation in that life. It took countless efforts to create something that is going to be used to decorate the reincarnation book.

In the book of reincarnation, the Heavenly Emperor's Lingqiang is its container, and the reincarnation other's shore flower is its ornament.

This reincarnation other side flower is not a simple ornament. It can also enhance the power of the reincarnation book by decorating it on the reincarnation book.

If the book of reincarnation can be created, its power is already earth-shattering, but the master of reincarnation in that life felt that this was not enough and needed to be improved.

The Reincarnation Beyond Flower is an ornament created from fantasy to enhance the power of the Book of Reincarnation!

The master of reincarnation in that life has great ambitions, one can imagine.

The power of the Reincarnation Beyond Flower can also be imagined.

When Xiao Xuanting defected back then, he stole the Reincarnation Beyond Flower and turned it into his own magic weapon.

This reincarnation of the other side of the flower, when it was created, also referred to the ultimate Taoist book "The Other Side of the Starry Sky".

Therefore, this flower has the power of the Star Taoist Book.

Boom!

The spiritual energy of the other shore flower exploded, the divine power of the starry sky permeated, and the divine thunder of the starry sky descended from the sky, converging into a thunder calamity, and smashed to Ye Chen fiercely.

When Ye Chen was first promoted to the Sky Profound Realm, he encountered these divine thunders in the starry sky, but he did not expect to encounter them at this moment.

Moreover, the divine thunder of the starry sky unleashed by Xiao Xuanting is far more terrifying than the thunder calamity that Ye Chen encountered when he was promoted.

"Nine Swords of Slaying the Heavens!"

Ye Chen's expression was solemn, and he hurriedly ran the blood of Samsara, unfolded the nine swords that slashed the sky, and the sword qi flew out like a waterfall, smashing the bombed down starry sky with one sword and sword, and it was difficult to fight against Xiao Xuanting.

In fact, in terms of comprehensive strength, Ye Chen is stronger than Xiao Xuanting.

However, the magic weapon of Xiao Xuanting, the flower of the other side of reincarnation, is too terrifying, and it suppressed Ye Chen so much that he was at a disadvantage.

There is even the danger of falling!

Ye Chen gritted his teeth, and there was only one thought in his mind, and that was delaying time.

The power of the other side of the reincarnation is too powerful, and Xiao Xuanting obviously can't support it for long. As long as he delays, Ye Chen has a chance to turn defeat into victory.

But he was afraid, and he couldn't hold back.

Under the terrifying coercion of the Reincarnation Beyond Flower, Ji Siqing and Jiang Mingxin were both under enormous oppression.

"The sovereign is mighty!"

The surrounding Sword Sect powerhouses raised their arms and cheered loudly.

"What are you still doing, give it to me and kill this kid!"

Xiao Xuanting was furious, pointed at Ye Chen, and ordered.

He knew that by himself, he might not be able to kill Ye Chen, and he had to fight quickly.

Back then, when he defected to the tomb palace, he was guilty after all, and if Ye Chen pursued it, he would not be able to blame him.

"Yes!"

Many sword sect powerhouses are ready to kill.

"Father, that's enough!"

Xiao Yinan strode out, stopped everyone, defended Ye Chen, and looked at Xiao Xuanting:

"We defected back then and failed too many reincarnations. Why are you still hurting the Lord of Reincarnation today?"

Xiao Xuanting snorted and said, "Yinan, get out of the way, you are confused by this kid, he is not qualified to be the overlord, the real overlord, only the Queen of Ice!"

When the words fell, Xiao Xuanting, regardless of his own consumption, desperately urged the other flowers of reincarnation, the gods and thunders of the starry sky, mixed with the terrifying power of reincarnation, falling like meteors in the sky.

"Do not!"

"Dad, stop it!"

Xiao Yinan's eyes were desolate, he suddenly pulled out a heavy ruler, a sword with the atmosphere of Martial Ancestor, the martial arts power exploded, and slashed towards Xiao Xuanting.

"Nizi, you!"

Xiao Xuanting was shocked. He never expected that Xiao Yinan would attack him. Unprepared, he was slashed and flew out by a sword.

In the void, the pressure brought by Reincarnation Beyond Flower was greatly reduced, and even the Divine Thunder of the Starry Sky subsided.

"Walk!"

After Xiao Yanan repelled his father, he immediately took Ye Chen, Ji Siqing, and Jiang Mingxin to escape.

Many sword sect powerhouses looked at each other in dismay, not knowing what to do.

Xiao Xuanting was furious, roaring and furious.

...

Under the leadership of Xiao Yanan, Ye Chen, Ji Siqing, and Jiang Mingxin quickly escaped from the Tianchi of Destiny and came to a safe and secluded place.

"Senior Gu Yongxiao is still inside!"

Ye Chen gritted his teeth and wanted to go back.

"Don't be impulsive, Lord of Reincarnation, my father has gone crazy. If you go back now, you will definitely be killed by him."

Xiao Yanan quickly stopped Ye Chen. In fact, he was also worried about his father. If he used the Reincarnation Flowers too much, he might exhaust his blood and death.

Now that he took Ye Chen to escape, he also meant to plan for his father.

Ye Chen thought of the horror of Reincarnation Beyond Flower, and his face sank.

But thinking of Gu Yongxiao, he couldn't care so much anymore, and said, "I have to go back, I can't let Senior Gu Yongxiao be killed by your father."

Xiao Yinan hurriedly stopped Ye Chen and said, "Don't be impulsive, Lord of Reincarnation, I will take you to the Temple of Winter. In this situation, the only way to break the situation is to ask the Queen of Ice to come forward."

Ye Chen froze in his heart and said, "Do you want to ask the Ice God Tianzun to take action?"

Xiao Yinan said: "Yes, I have another identity, that is, the listener of the Queen of Ice, I can communicate with her."

Ye Chen said: "I'm afraid that the Ice God Tianzun will kill me directly."

Xiao Yinan shook his head and said, "No, the Queen of Ice has received the grace of reincarnation, she will not hurt you easily, and now only she can stop my father."

Ye Chen calculated with his fingers, and he really felt that going to the Temple of Winter was a bit of a lucky star. Although there were dangers, it was more about chance and good fortune.

That Ice God Tianzun is indeed the key to breaking the game!

"Okay, I'll go with you to the Temple of Winter."

Ye Chen nodded immediately and said to Ji Siqing and Jiang Mingxin:

"Siqing, you and Miss Jiang are waiting for me here."

Jiang Ming thought to himself: "Lord of Reincarnation, I'll take Sister Siqing back to my house. Hmph, that Xiao Xuanting is too abhorrent. I'm going to summon the people of my Jiang family and fight him to the death!"

Xiao Yinan felt helpless and said, "Miss Jiang, there is still room for manoeuvre, so you don't have to be so impulsive."

Jiang Ming said in his heart: "Your Sword Sect is so despicable and shameless, what else is there to deal with?"

Xiao Yinan sighed: "Alas, in short, wait until the Lord of Reincarnation and I see the Queen of Ice."

Chapter 8867

Jiang Mingxin said to Ye Chen: "Lord of Reincarnation, I'm going back now to rescue soldiers. If you encounter any danger in the Temple of Winter Solstice, even if my Jiang family tries to kill the fish and the net is broken, I can't let the Temple of Winter Solstice succeed!"

Ye Chen was grateful and said, "Thank you very much."

Xiao Yinan was helpless, but he couldn't stop it.

After the negotiation was over, Jiang Mingxin took Ji Siqing and returned to her family to prepare for reinforcements.

"The Lord of Reincarnation, please."

Xiao Yinan took Ye Chen to the direction of the Temple of Winter Solstice.

Now that the situation is critical, Gu Yongxiao may be killed by Xiao Xuanting at any time. Only by asking the Queen of Ice to come forward can the situation be broken.

...

Flying all the way, Ye Chen followed Xiao Yinan, and soon came to the territory of the Temple of Winter Solstice.

Looking from a distance, palaces carved from ice and snow appeared in front of Ye Chen with a solemn and stern aura.

The sky is the color of smog, and the snow is brewing forever, but it never clears up.

This is the Temple of Winter Solstice, the legendary domain of the Ice God Tianzun, a place where snow is shrouded all year round, and there is never a sunny day.

Ye Chen and Xiao Yinan came to the gate of the Temple of Winter Solstice.

I saw two guards guarding the entrance, one in black and the other in red.

When the man in black saw Xiao Yinan coming, he immediately bowed and saluted, "Young Sect Master!"

The other man in red didn't say a word, looked at Xiao Yinan with a hint of hostility in his eyes, and saw Ye Chen again, with a surprised look in his eyes, obviously recognizing Ye Chen's identity .

When Ye Chen saw the red-clothed guard with a shield emblazoned on the front of his shirt, he knew that he was a member of the Shield Sect, not Xiao Yinan's subordinate.

The Temple of Winter Solstice is divided into Sword Sect and Shield Sect.

Sword Sect wears black clothes and Shield Sect wears red clothes, which is very easy to distinguish.

"I'm going to the ancestral hall to see the Queen of Ice, you all get out of the way."

Xiao Yinan Road.

"Yes."

The black-clothed guard looked at Ye Chen with some hesitation in his eyes, but he stepped aside immediately and followed Xiao Yinan's order very much.

Xiao Yinan nodded and wanted to bring Ye Chen in.

"slow!"

But at this time, another red-clothed guard stopped the two of them.

"Sect Master Xiao, you can't bring outsiders in, especially this person, who is still the legendary... Lord of Reincarnation."

The red-clothed guard looked at Ye Chen, his eyes couldn't hide the fear and fear, but he still stood up to stop him.

Ye Chen saw firm belief in his eyes.

That is the belief in the Ice God Tianzun.

In order to protect the Ice God Tianzun, this red-clothed guard does not allow any outsiders to step into the Temple of Solstice, so as not to disturb the peace of the Ice God.

"I have something urgent to see the Queen, and if you Shield Sect want to stop me, then ask Shield Tianshan to come out in person!"

Xiao Yinan's expression was stern and no nonsense, he slammed out with a palm, repelled the red-clothed guard, and brought Ye Chen in.

The two entered the Winter Temple and walked straight to the Ancestral Hall.

Along the way, all Sword Sect guards gave way and did not stop Xiao Yinan.

But on the side of the shield sect, it is always making things difficult.

Ye Chen could clearly feel that the enmity between Sword Sect and Shield Sect had reached the point where water and fire were incompatible.

Even if he ignores his identity, it is impossible for the shield sect to let him go, just to make things difficult for Xiao Yinan.

Xiao Yinan was not polite, and forced his way through the gate. If the disciples of the Shield Sect dared to stop them, he would kill them directly. The method was very vicious.

Ye Chen felt that Xiao Yinan had changed as a person. When facing the Shield Sect, he was especially brutal and bloodthirsty, very irritable, and merciless.

"Lord of Reincarnation, I made you laugh. Those bastards of Shield Sect, you can't be polite to them. If you are polite, they will bully you."

Xiao Yinan also realized his gaffe and said helplessly.

Ye Chen was silent, in fact, he looked at the disciples of the shield sect, with firm eyes and faith, not a vicious person, but different from the sword sect, the two sides killed each other, it was hard to tell who was right and who was wrong.

Things in this world are always indistinguishable from right and wrong. In many cases, it's just different positions.

Jianzong wants to use the fastest speed to revive the strength of the Ice God Tianzun, go to the outside world to fight and kill, and build great achievements.

On the side of the Shield Sect, they are a lot more conservative. Before the Ice God Tianzun has completely controlled the law of fate and became the master of fate, they will never let the Ice God Tianzun take risks.

All the way to the ancestral hall, it is said that it is the resting place of the bones of the Ice God Tianzun, and it is also the gathering place of the will of the Ice God.

The entire ancestral hall is entirely made of solid ice. It is covered with ancient and complicated runes. Countless flying snow flutters around the ancestral hall. There are rainbows in the void, and the atmosphere is quite spectacular.

Around the ancestral hall, there are more than a dozen old people guarding them. They are all the top elders of the Temple of Winter Solstice, and the number of Sword Sect and Shield Sect is half.

Many elders, who had sensed the secret early, saw Ye Chen and Xiao Yanan coming, and the elders of the Sword Sect camp immediately bowed and moved away.

Several elders of the shield sect stood out with gloomy expressions, blocking the closed door of the ancestral hall.

"Step aside!"

Xiao Yanan said coldly.

"Sect Master Xiao, you are the listener. You can enter the Ancestral Hall, but the Master of Reincarnation cannot."

A shield sect elder said in a gloomy voice.

"Don't force me to do it."

Xiao Yanan didn't talk nonsense, his eyes were fierce.

After his voice fell, several elders of the sword sect around came up, and as long as he gave an order, he would do it.

Although the Sword Sect elders did not necessarily recognize Ye Chen, they would never miss the opportunity and excuse to kill the Shield Sect.

Chapter 8868

None of the Shield Sect elders present flinched. The elder who spoke first, with sharp eyes and a calm aura, said, "The peace of the Queen of Ice must not be disturbed by outsiders, Lord of Reincarnation, if you are interested, leave immediately. ."

Seeing this scene of tension, Ye Chen said to Xiao Yinan: "Brother Xiao, you can go to see the Ice God Tianzun alone, and I can wait for you outside."

Xiao Yinan said: "No, Lord of Reincarnation, I... If I saw the Queen of Ice, I'm afraid I wouldn't even dare to say a word. Only you can communicate with her."

When he said this, Xiao Yinan's voice trembled slightly, obviously fearing the majesty of the Ice God Tianzun.

None of the elders of Sword Sect and Shield Sect around laughed at him.

Because everyone knows that the Ice God Tianzun is the supreme god, and his majesty is extremely terrifying. Ordinary people don't even have the courage to raise their heads in front of her.

Ye Chen was stunned, almost ignoring the difference between ordinary people and gods.

If you want to invite the Ice God Tianzun to come and break the game, Ye Chen can only ask, Xiao Yinan can't say anything in front of the Ice God.

Only Ye Chen is qualified to look directly at the God of Heaven and communicate on an equal footing.

"Elders of the Shield Sect, please let me go. I have a relationship with the Ice God, I just want to see her once, and will never disturb her peace."

Ye Chen cupped his hands and said to the Shield Sect elders present.

He said that he had a relationship with the Ice God, but it was not nonsense. When Xiao Xuanting defected, he took away a lot of heaven and earth treasures from the tomb palace.

These treasures of heaven and earth eventually became the resources and nutrients for the recovery of the Ice God Tianzun.

Therefore, it was Ye Chen's sacrifices in previous lives that brought hope for the recovery of the Ice God Tianzun.

"Lord of Reincarnation, I can't let you enter the ancestral hall, you must leave!"

The leader of a shield sect elder, with a stern look, gathered the spiritual energy between heaven and earth, turned into an ice shield, and firmly guarded the ancestral hall behind him.

Judging from his appearance, it was obvious that he planned to fight his life to prevent Ye Chen from entering.

"Old man, do you think you can really stop us?"

Xiao Yinan snorted, his eyes showed anger, he pulled out the heavy ruler behind him, the Martial Ancestor Dao Yun burned, and the ultimate martial Dao breath burst out, and he wanted to do it.

"enough!"

At this moment, only a burst of anger sounded.

A tall middle-aged man with a golden beard and a huge ice shield strode over from a distance.

His eyes were as sharp as falcons, scanning the audience, making people shudder.

When the audience of the Shield Sect saw this middle-aged man carrying an ice shield, they immediately bowed to say hello and shouted, "See the Sect Master!"

It turned out that this middle-aged man was the Sect Master of the Shield Sect, Shield Tianshan!

Ye Chen looked at Duntian Mountain, and felt the latter's breath, which was extremely powerful, and there seemed to be a special breath surrounding him, which was the blessing of the gods, the blessing of the Ice God Tianzun.

With the blessing of the Ice God Tianzun, the combat power of this Shield Tianshan may be comparable to that of a high-ranking immortal emperor. It is very powerful, and even Ye Chen dare not underestimate it.

When Xiao Yinan saw Duntianshan coming, his heart sank, and his eyes showed a look of alertness.

Duntianshan looked at Xiao Yinan and Ye Chen, carrying his hands on his back, and said to the surrounding Shield Sect people, "Let them in."

Everyone in the Shield Sect was stunned when they heard it.

An elder said: "Sect Master, do you want to let them in?"

In case the peace of the Queen of Ice is disturbed..."

Shield Tianshan's sharp eyes fell on Ye Chen, and he said word by word: "I saw the future, the Lord of Reincarnation, maybe the key to solving the devil's tumor, so let him go to see the queen, I think he will become the queen. Chess pieces, and finally solve the Demon Emperor."

The Demon Heavenly Emperor is the master behind the gargoyle, the old god of the past, known as the source of the devil's way, and the source of fantasy inspiration for the Heavenly Demon Star Sea. His strength is very terrifying.

He was beheaded by the Ice God Heavenly Venerate, and his bones were sealed and buried in the Valley of the Dead.

That piece of the Valley of the Dead is the most terrifying Jedi in the world of destiny, and no one dares to approach it.

Although the Devil Heavenly Emperor died, his will persisted, like a tumor, attached to the ley lines of the world of destiny.

If the Demon Heavenly Emperor is not eliminated, this piece of destiny will always contain huge hidden dangers.

Dun Tianshan's words were very straightforward, he actually wanted to use Ye Chen as a chess piece to get rid of the Demon Emperor.

Ye Chen was stunned for a moment, and secretly pinched his fingers, but he didn't calculate that there would be any connection between himself and the Demon Emperor.

He only vaguely felt that the Demon Heavenly Emperor was the source of the Demon Dao. If he could collect his bones, refine them and absorb them, it would be of great benefit.

But this idea can only be thought about, there is no possibility of implementation.

After all, the Demon Emperor is a strong man in the age of the old gods. His bones and energy aura are too terrifying, much more terrifying than the Immortal Zunlong. If he wants to refine and absorb it, it is almost impossible.

Now in front of Ye Chen, the most important thing is to see the Ice God Tianzun and ask her to break the game.

"You allow me to see the Ice God Tianzun?"

Ye Chen looked at Duntian Mountain and said.

"Yes, if you don't mind being a pawn."

Shield Tianshan Road.

"Hehe, there are not many people in the world who can use me as a pawn and control my fate."

Ye Chen sneered.

"Then, just go and see the Queen."

Dun Tianshan didn't talk nonsense any more, and stepped aside.

The powerhouses of the shield sect present, looked at each other in dismay, and silently moved away.

"Lord of Reincarnation, let's go."

Xiao Yanan frowned, knowing that Duntianshan had bad intentions, but at this juncture, there was no reason to back down.

Ye Chen nodded, and the two of them strode to the front of the Ancestral Hall.

Xiao Yanan stretched out his hand and placed it on the gate of the Ancestral Hall.

Chapter 8869

Cameroon!

The gate of the ancestral hall slowly opened, the interior was covered with ice and snow, and a statue carved from ice appeared in front of Ye Chen.

It is the statue of the Ice God Tianzun. It is majestic and graceful, and has an elegant temperament. The spiritual energy behind him is gushing out, and the snow and ice are auspicious. It turns into a pair of ice wings, which is very magnificent.

He and Xiao Yanan stepped into the hall, and the door behind him slammed and closed automatically.

"Sinner Xiao Yanan, see the Queen of Ice!"

Xiao Yanan looked at the statue of the Ice God Tianzun with sincerity and fear, and knelt down, calling himself a sinner.

The believers of the Ice God Tianzun are all self-proclaimed sinners. They believe that the world is born with original sin, and only by believing in the Ice God Tianzun can they atone for their sins and ascend.

"Lord of Reincarnation, kneel down..."

Xiao Yanan pulled Ye Chen's sleeve again and asked him to kneel, but Ye Chen didn't kneel, he still stood there and looked directly at the statue of the Ice God.

"The Queen's grace is above, please grant the sinner the supreme glory, and allow me to see your great majesty."

Xiao Yanan bowed his head and prayed, his voice was very pious, which was very different from the manic and murderous look just outside.

Ye Chen didn't speak, and stood silently. After a while, he felt the whistling of ice and snow in the hall, and the cold air attacked in waves, the void gradually distorted, and the environment in front of him kept changing.

In a trance, Ye Chen found that he had come to a world where thousands of miles of ice were frozen and thousands of miles of snow drifted.

In this world, there are huge snowbirds, griffins, eagles flying in the sky, snow leopards, nine-tailed foxes, white deer, etc. running on the ground.

He and Xiao Yanan were standing on top of a thick snow, with a frozen forest in front of them.

A young girl with long hair reaching her waist, bare feet, riding a white deer, slowly walked out of the forest.

Her skin is like snow, her eyes are bright and her teeth are bright, and her face is always smiling but not smiling. She wears light snow-colored clothes, which are as thin as a veil. She can vaguely see her graceful and moving figure, and the wind blows her hair is even more gentle and swaying, like a fairy in the Moon Palace, a goddess in the Snow Country.

Seeing this girl, Xiao Yanan turned pale with fright, and immediately fell to his knees, trembling and trembling inexplicably, and said, "I see... I have seen the Queen of Ice!"

It turned out that this girl was actually the Ice God Tianzun!

Outside, Ye Chen saw the statue of the Ice God Tianzun. It was graceful and majestic, but he never thought that the real person of the Ice God Tianzun was actually a beautiful girl with such a weak appearance.

"Surprising, isn't it?"

The girl smiled and stared at Ye Chen, as if seeing through his mind, said.

"is a bit....."

Ye Chen was silent for a while, and then responded.

"Outsiders think that I'm indifferent and indifferent like ice, but I actually pretended that, hehe, when I was not in charge of the ice god's authority, I was the daughter of a certain big family, and the elders told me to pay attention to the eldest miss. Etiquette, but I actually hate that stuff."

"My name is Wu Linghua, you can call me Linghua."

The Ice God said with a gentle smile, her name is Wu Linghua.

"Wu Linghua... um, I remember."

Ye Chen nodded and squinted at Xiao Yinan, only to see that the latter's face was frighteningly pale, and his body was shaking violently, especially after hearing the real name of the Ice God, he was even more distressed, whimpered, and lowered his head, Almost buried in the snow.

The name of the god, the fierce pressure, for ordinary people, it is no less than five thunders.

"Come on, let's talk."

Wu Linghua waved to Ye Chen with a very polite attitude.

"Um."

Without any hesitation, Ye Chen immediately flew onto the white deer that Wu Linghua was riding, and sat behind her, but there was nowhere to put his hands.

"Giggle, put your arms around my waist."

Wu Linghua smiled and said.

"Um....."

Ye Chen subconsciously hugged her slender waist, and started to warm for a while, his mind suddenly swayed slightly, and he quickly looked at his nose, nose and heart, guarding the heart of the Tao, so as not to be shaken.

He knew that this was Wu Linghua's territory, and if he was a little careless, he might be confused by her.

Wu Linghua whistled, rode a white deer, and led Ye Chen to the forest.

Xiao Yinan was terrified and did not dare to neglect, he hurriedly stood up and stumbled to catch up.

In the outside world, he is the Young Sect Master of the Sword Sect and holds a high position, but here, he is nothing but a servant of the Ice God Tianzun.

"Lord of Reincarnation, um... I'll still call you Ye Chen, okay?"

Wu Linghua rode a white deer, and after entering the forest, he slowed down, walked among the trees, and turned back to Ye Chen.

Ye Chen could feel the proximity to the Ice God Tianzun, even with a special faint fragrance.

"Can."

Ye Chen responded.

"Well... Ye Chen, I actually wanted to kill you."

Wu Linghua laughed.

Such ferocious words, uttered from her smiling face, made Ye Chen stunned for a while: "What?"

"Emperor Yu Aoxue is my heir. You and her have a lot of grudges. In fact, I have thought about killing you for her."

Wu Linghua laughed.

"Then why didn't you do it?"

Ye Chen tightly danced Ling Hua's waist and said.

"Giggle, because I don't have absolute certainty, and if I go back to the Samsara camp with you and tear my face, Ren Feihan will not let me go."

"Ren Feifei's strength is now above me."

Chapter 8870

Wu Linghua smiled at first, and then sighed deeply. When he mentioned Ren Feifei, his voice was full of envy and jealousy, but also admiration.

Ye Chen thought to himself, "Senior Ren is still protecting me."

Wu Linghua added: "Also, you also said that you and me are destined. I stepped into the world of destiny and wanted to change my destiny, but I was blocked by the ancient god Tuo Di. In the end, I regretted my failure and fell to my death."

"I only have a trace of indestructible will left. Originally, my vitality was severely damaged, but after relying on the heaven and earth treasures of the tomb palace, my strength recovered a lot. Now among the nine gods, it should be my fastest recovery, and my strongest Strong, it is all thanks to your previous life, how can I kill you?"

At that time, Xiao Xuanting defected from the tomb palace and took away a large number of heaven and earth treasures.

These treasures of heaven and earth have become the nutrients for Wu Linghua to regain his strength.

Among the nine gods, her strength recovered the fastest, and she is now the strongest existence.

She has received the grace of reincarnation, so naturally she can no longer hurt Ye Chen casually, otherwise, she owes too much karma, she will not be able to pay it back, and there is a danger of carrying sins.

Ye Chen said: "If you want to thank me, then do me a favor."

What he is most concerned about is the safety of Gu Yongxiao!

Wu Linghua saw the secret, naturally he knew everything, and said with a smile, "I know, you want me to take action to help you break the game and save Gu Yongxiao."

"However, Gu Yongxiao is the former Killing Emperor. You want me to save him, but you can get some blood. Even if you were kind to me in the past, you can't let me use such a big cause and effect to repay."

If Ye Chen wanted to rescue ordinary people, then Wu Linghua would immediately take action.

But the identity of the person Ye Chen wants to save is too special, too important, and too famous.

The fate of Gu Yongxiao's life and death may even affect the future pattern of Wuwu.

Wu Linghua had to think carefully about such a major cause and effect, she had to ask Ye Chen to pay more.

"What chips do I need to come up with?"

Ye Chen frowned, but he also knew in his heart that it would not be easy to rescue Gu Yongxiao, and he was ready.

"I don't need you to come up with any chips, I'm not a night mother, I don't need any deal, I just need you to pass my test."

Wu Linghua laughed.

"What test?"

Ye Chen's heart tightened, knowing that Wu Linghua's test would definitely be extremely difficult, but in order to save Gu Yongxiao, he naturally would not back down.

"In the next seven days, the people of the Shield Sect will hunt you down."

"In two days, I will lead my descendant, Yuhuang Aoxue, from the Wanxu."

"If you can escape their pursuit and stay alive for seven days, you will win."

"If you can win, I will depend on you in everything."

"But if you lose, you will die. You can't blame me for being ruthless. This is your choice."

Wu Linghua laughed.

Ye Chen felt a chill in his heart, and from Wu Linghua's smile, he felt a cold murderous intent.

Wu Linghua really wanted to kill him, but was afraid of Ren Fei's majesty, so it was inconvenient to do it directly.

So, she set the test.

If Ye Chen didn't pass the test, it would be his own fault, and Ren Feihan had no reason to take revenge.

"Miss Linghua, you are really calculating."

Ye Chen shook his head and smiled. Looking at Wu Linghua's pure and moving face, he felt like he was looking at a poisonous snake.

"Giggle, each other, you want to borrow my hand and break the game for you, isn't it a good plan?"

"Unfortunately, I don't like others to plot against me."

Wu Linghua smiled coquettishly, stared at Ye Chen, stretched out her slender palm, gently stroked his cheek, and then kissed him.

Gray sky, snow, forest, white deer, this kiss, the picture is really dreamlike.

Xiao Yinan in the back saw it and stayed for a while, then hurriedly lowered his head, not daring to look again.

Ye Chen was not polite, lifted Wu Linghua's chin, kissed her fiercely, and said, "You said that if I pass the test, you will rely on me for everything?"

Wu Linghua smiled charmingly and said, "Yes, but if you fail the test and die, then you can't blame me."

Ye Chen's eyes narrowed, hehe smiled, and thought in his heart: "The people of the Shield Sect, plus Yuhuang Aoxue, chase and kill me for seven days, as long as I survive for seven days, I will pass the test, it is indeed a bit dangerous, but now It's just an adventure."

He thought of the suzerain of the Shield Sect, Shield Tianshan, who was comparable to the high-ranking Immortal Emperor and should not be underestimated.

And if Emperor Yu Aoxue came down, he would definitely not be alone, and he would definitely bring experts from Wanxu, which would be extremely difficult to deal with.

Fortunately, this test is not for Ye Chen to defeat them. As long as he escapes the pursuit and survives, he will pass, and it is still possible to pass the test.

Ye Chen put his arms around Wu Linghua's waist and said:

"Okay, I will accept your test."

"But, these seven days..."

Wu Linghua said: "Don't worry, in these seven days, I will let Xiao Xuanning stop, and I won't hurt Gu Yongxiao in the slightest, just waiting for your final test result."

"Hehe, if you lose, not only will you die, but Gu Yongxiao and Ji Siqing will all die."

At the end, in Wu Linghua's eyes, murderous intent emerged. This cold murderous intent was very incommensurate with her innocent face, making it horrifying.

She had long wanted to change her destiny, but unfortunately she was obstructed by the ancient god Tuo Di and eventually failed.

If she can kill Ji Siqing and devour the aura of fate, she will have the possibility to re-modify her fate.
