

## Physician 8881

### Chapter 8881

"Since time immemorial, countless people have called themselves the Lord of Destiny, but they have never been recognized by everyone."

"Only in the future will a great master of destiny be truly born and recognized by everyone."

"This future master of destiny is also called the Emperor of Tears."

Xiao Wu stared at the statue of the future Lord of Destiny, her eyes were a little blurry, and there was a look of admiration and admiration.

"Emperor of Tears..."

Ye Chen's heart was greatly shaken, and he hurriedly pinched his fingers to calculate, the fog of heaven and mystery broke through, and his vision seemed to penetrate the past and the future.

He clearly saw that when the Ice God Tianzun was able to kill the Demon Emperor, he did not rely on his own power alone, but also borrowed the power of the future Lord of Destiny.

The future Lord of Destiny, also known as the Emperor of Tears, looks exactly like Ji Lin.

"No, not exactly the same."

"The future master of destiny is Ji Lin..."

Ye Chen was inexplicably creepy. He saw the future and saw that Ji Lin would become the master of destiny.

As for Ji Siqing...

He didn't dare to think or calculate, he just felt a chill down his spine.

"Big brother, your face is ugly, what's the matter, is it the breath of the Demon Emperor that has eroded you?"

"Drink my blood, it can heal your wounds."

Seeing Ye Chen's face, Xiao Wu suddenly turned very pale, thinking that something had happened to him, so she bit her finger, and crystal blood oozes out from the fingertips, sending it to Ye Chen's lips, wanting to treat with blood Ye Chen.

"I'm fine, thank you."

Ye Chen shook his head, did not drink Xiao Wu's blood, and looked at Ji Lin's statue again.

In the future, Ji Lin will become the Lord of Destiny, also known as the Emperor of Tears.

As for Ji Siqing, it is very likely that he is already dead...

This is really terrifying, and Ye Chen can't accept it.

However, the future has not yet come.

All disasters and dangers have opportunities.

"Forget it, Xiao Wu, I'll take you out of here first."

Ye Chen shook his head, then took Xiao Wu's hand and looked at the skeleton of the Demon Emperor.

As long as you pass through this skeleton, it is possible to get out.

"Big brother, can you get out?"

"It is not easy to pass through the bones of the Demon Emperor."

"Your reincarnation bloodline just awakened a life star, right?"

The energy may not be enough. "

Xiao Wu blinked her eyes, deeply worried.

Her bloodline originates from Tiandi Mingxing, so she is also very sensitive to Ye Chen's reincarnation bloodline.

She could see that Ye Chen had only awakened the first Dragon Life Star, and his bloodline was not enough.

With the strength of Ye Chen's current bloodline, it is still a bit risky to walk directly through the bones of the Demon Emperor.

"Don't worry, the Demon Emperor is powerful, but he can't hurt us."

Ye Chen smiled, not flustered, his mind moved, and the divine light bloomed.

"Heavenly Monarch Conferred God Monument!"

"Reincarnation Heavenly Sword!"

"Human Emperor Sacred Sword!"

"Golden Zhang Divine Seal!"

"Reincarnation Profound Monument, come out!"

Ye Chen summoned many treasures and surrounded him to form a top-secret protection.

Especially the nine reincarnation monuments, the dust monument, the wind monument, the flame monument, etc., circled around him and Xiao Wu's bodies, forming a circle, spinning like stars, releasing a vigorous energy aura.

Coupled with the Heavenly Sovereign Monument, Reincarnation Heavenly Sword, Human Emperor's Sacred Sword, Jinzhang Divine Seal and other magical weapons, Ye Chen at this moment can be said to be invincible from all laws and invulnerable to evil.

Not to mention the attacking and killing power, in terms of defense alone, he can be said to be one of the best in the world. With so many treasures guarding him, he even has the confidence to stand a blow from the peak Immortal Emperor.

Under such protection, Ye Chen has the confidence to break through the trapped lock of the Demon Emperor and directly break out.

Up to now, Ye Chen has not felt the fluctuation of the will of the Demon Emperor, who is still dormant, waiting for the opportunity to take action.

However, Ye Chen is not afraid, he has absolute confidence in his own protection.

"Good...it's amazing."

Xiao Wu looked at the many treasures that Ye Chen had summoned, and she was also stunned, full of surprise and shock, but also adored and delighted, and said:

"Great, big brother, with your protection, we can go out smoothly!"

Ye Chen said: "Well, let's go."

He clenched his fist and stared at the skeleton of the Demon Heavenly Emperor: "I want to see if this Demon Heavenly Emperor dares to hurt us."

If the Devil Heaven Emperor really dared to take action, Ye Chen would stop at all costs to suppress the opponent, or even swallow it directly.

In fact, before this, Ye Chen didn't dare to be so arrogant.

But at this moment, he looked sideways at the statue of the future master of destiny, that is, the statue of Ji Lin, the Emperor of Tears, and he felt inexplicably calm, as if someone was supporting him behind his back.

He believed that if he was really attacked and killed by the Demon Emperor, the statue would protect him.

Click.

With Xiao Wu, Ye Chen stepped into the skeleton of the Demon Emperor and walked along the passage of bones.

In the passage of bones, demonic energy pervades, and there is a dark and filthy aura everywhere.

However, Ye Chen was guarded by the Reincarnation Mysterious Monument, as well as the Heavenly Monument, Reincarnation Heavenly Sword, Human Emperor Sacred Sword, etc. Those dark and filthy things could not erode him at all.

Xiao Wu's bloodline of the Emperor of Heaven also has an aura of guardianship. She follows Ye Chen closely, and she is naturally safe after being exposed to Ye Chen's light.

The two of them walked all the way, and they all felt that behind the darkness and filth, something seemed to be moving.

The two looked at each other and thought in their hearts, "It's the will of the Demon Emperor!"

Chapter 8882

However, the will of the Demon Heavenly Emperor hidden behind his back never moved, as if he was afraid.

It is also magical to say that Ye Chen and Xiao Wu marched all the way, no matter how far they went, the statue of the Emperor of Tears was always within the sight of the two of them, as if they were silently guarding them.

"Ji Lin, you are protecting me..."

"In the future, you have really become the God of Heaven and the Lord of Destiny."

"But what about your sister?"

Ye Chen was at a loss, unable to tell what it was like.

Going all the way in this way, the two quickly came to the heart of the Demon Emperor's skeleton.

In this place of the heart, one can see that the withered and blackened heart of the Demon Heaven Emperor has completely shrunk, hanging like a pitted stone ball, and it seems to be a dead star.

"Master, why don't you give me the heart of this Demon Emperor?"

The voice of the blood dragon came from the space of Longteng Mingxing, full of hunger, thirst and greed: "Hey, I can't eat the entire skeleton of the Demon Emperor, but it is more than enough to devour his heart."

"If I swallow his heart, I can evolve again!"

Hearing the blood dragon's words, Ye Chen paused, shook his head again, and said, "No, it's still too dangerous, don't create extraneous branches."

The blood dragon smiled and said: "If you don't give me food, you can refine it yourself, maybe you can awaken the second life star?"

Ye Chen's eyes narrowed slightly, looking at the heart of the Demon Emperor, he was really moved.

Now that he has the protection of Ji Lin in the future, it is a great opportunity to suppress the Demon Emperor. If he misses it, there will be no such good opportunity in the future.

Moreover, he can also clearly feel that the will of the Demon Emperor is lurking in the dark, waiting for the moment to take action.

That being the case, he might as well strike first and strike first.

"Big brother....."

Xiao Wu also stopped, her bloodline energy accumulated, from a defensive stance, to a ready-to-go attack at any time.

Although she is simple, she has a sensitive mind and is very smart, and she has already sensed Ye Chen's thoughts.

If Ye Chen really wanted to take action against the Demon Emperor, she would also take action to cooperate.

After all, if it wasn't for Devil Heaven Emperor's trapped lock, she would have left this ghost place long ago.

"Lord of Reincarnation, Ice God Tianzun, do you want to destroy me completely?"

hehehe..."

In the darkness and fog in the distance, there was a desolate, deadly, and murderous voice, which was creepy.

That was the voice of the Demon Emperor.

Boom!

At this moment, the dead and shriveled heart of Demon Heaven Emperor actually beat twice violently, and then fell silent again.

But these two heartbeats, like the beating of a celestial drum, shook the universe, almost breaking the eardrums of Ye Chen and Xiao Wu, and their heads were buzzing.

The surrounding dark fog, with the two heartbeats of the Demon Heavenly Emperor, also violently churned, like a sea of clouds.

Immediately afterwards, a pitch-black beam of light, as if it was going to penetrate the sky, rushed up from the bones of the Demon Heaven Emperor and reached the sky.

Under the penetration of this jet-black beam of light, the mist in the Valley of the Unbelievable actually dissipated.

Ye Chen could see the scene outside the Valley of the Dead from a distance.

He saw the outside of the Valley of the Dead, which was densely surrounded by people.

It is the people of Shield Sect and Wanxu Temple.

The ones with the most dazzling rays of light are Buddha Xuan and Duntian Mountain.

There are two others, Yuhuang Aoxue and Yuhuangye.

Yu Huang Aoxue really came, Yu Huangye was holding the scabbard of Heavenly Sin, standing awkwardly behind her.

They didn't even dare to step into the Valley of the Dead, obviously because they were afraid of the majesty of the Devil Heavenly Emperor.

But at this moment, the pitch-black beam of light shot into the sky, and the mist in the Valley of Jueren dissipated, and all the scenes were exposed.

Ye Chen saw Yu Huang Aoxue and others, and Yu Huang Aoxue also saw Ye Chen.

"Marven Ye, you really aren't dead!"

Yu Huang Aoxue was greatly surprised. She was guided by the Ice God Tianzun and came to the world of destiny, and knew that Ye Chen had ventured into the Valley of the Unparalleled.

She didn't believe that Ye Chen would die inside, so she set up a net outside the Valley of the Dead and waited for Ye Chen to come out and die.

It's just that she never expected that Ye Chen in the Valley of Incomparable was unscathed.

Could it be that the legendary Demon Emperor's will to kill is really just a legend?

Yuhuang Aoxue couldn't believe it. Seeing the skeleton of the Demon Heavenly Emperor from a distance, he only felt a terrifying and suppressed demonic energy permeating the air. It was thrilling and suffocating.

Then, Emperor Yu Aoxue saw that Ye Chen was holding a young girl in his right hand. She was born pure and beautiful, and she could not help but look weak. Looking closely, the girl was not someone else, but her master, the Ice God Tianzun, Wu Linghua!

"Master, it's you!"

Yuhuang Aoxue was taken aback, and the fear was inexplicable.

Naturally, she didn't know that the girl was actually the past body of the Ice God Tianzun.

The surrounding experts such as Futuxuan and Duntianshan were also startled when they saw Xiao Wu's appearance, they couldn't believe their eyes.

Xiao Wu's appearance is exactly the same as that of the Ice God Tianzun, and the causal aura is also completely connected. Obviously, it is the Ice God Tianzun.

Everyone in the audience was horrified.

Chasing and killing Ye Chen was a test set by the Ice God Tianzun himself.

But now, the ice god Tianzun is following Ye Chen again, and even looks like a well-behaved and intimate, as if he has completely surrendered to Ye Chen, which is really incredible.

"This... what the hell is going on here?"

Dun Tianshan was stunned, not knowing what to do.

"Master, why are you following the Lord of Reincarnation?"

Emperor Yu Aoxue took a step forward and asked from a distance.

She has fused the blood of the Ice God and is the descendant of the Ice God Tianzun. She has also listened to the Ice God oracle several times, and has successfully apprenticed. She respects the Ice God Tianzun very much in her heart.

Chapter 8883

It's just that she never imagined that the Ice God Tianzun, whom she regarded as a god, actually followed Ye Chen intimately like Ye Chen's younger sister.

"Hey, who are you, I'm not your master."

Xiao Wu hugged Ye Chen's arm and looked at the people outside the Valley of the Dead with some vigilance.

In her eyes, only Ye Chen is a good person, and everyone else is a bad person.

"Master, don't you recognize me?"

Yuhuang Aoxue's heart trembled, and the surrounding Futu Xuan, Duntianshan and others were also in an uproar.

They all knew that Yuhuang Aoxue was the only descendant of the Ice God Tianzun in the real world.

But at this moment, the Ice God Tianzun seemed to have lost his memory, as if he did not know Yu Huang Aoxue at all.

Not only amnesia, but when everyone looked at the Ice God Tianzun, they didn't have the oppressive feeling of looking directly at the god.

However, no one thought that the girl in front of them was not actually the Ice God Tianzun, but the past body of the Ice God Tianzun, and there was no godhead.

Many people thought that the Ice God Tianzun restrained his breath to test their sincerity.

Ye Chen thought to himself, "It seems that they can't tell the difference between the past and the present."

Yu Huang Aoxue was furious, pointed at Ye Chen and scolded: "Ye Chen, what kind of magic did you use to confuse my master, you are so bold!"

Ye Chen shrugged and was about to speak, but Xiao Wu took a step forward, pouted, looked at Emperor Yu Aoxue vigilantly, and shouted:

"Hey, stinky woman, what nonsense are you talking about, big brother is a good person, he didn't confuse me, but you are surrounded by a group of people, what are you trying to do?"

While speaking, Xiao Wu hugged Ye Chen's arm more intimately, as if she was afraid of losing him.

There was an uproar.

The supreme god in their hearts seems to have become Ye Chen's woman, and everyone has a feeling of disillusionment in their hearts.

Yuhuang Aoxue was even more horrified, thinking: "It is said that the blood of reincarnation has a special charm for the opposite sex, and even I...even I was almost affected by it. Master may be really confused, this is extremely bad."

After a pause, Yuhuang Aoxue shouted at Futu Xuan, "The Buddha protector, bring people up."

The Buddha said: "Yes!"

He waved his hand and ordered his disciples left and right to bring a prison cart from behind.

The prison cart was covered with black cloth, and Futu Xuan pulled the black cloth aside, and he saw three people were being held in the prison cart.

It was Ji Siqing, Jiang Mingxin, and Xiao Yinan.

The three of them looked embarrassed and looked at Ye Chen in frustration.

It turned out that in the past two days, Ji Siqing, Jiang Mingxin, and Xiao Yinan, along with the Jiang family's strong men, fought fiercely with the Shield Sect and the Wanxu Temple. After all, they were outnumbered and all were captured.

Now the three of them have become prisoners, and Yuhuang Aoxue will use them as hostages.

"Ye Chen, you quickly let my master go, and then surrender obediently, or I will kill your woman with one sword!"

Yu Huang Aoxue took out his long sword, put it on Ji Siqing's neck, stared at Ye Chen and said.

Ji Siqing held his head high and did not give in at all, and said to Ye Chen, "Ye Chen, don't worry about me."

"If I die, bury my bones and pass on my destiny to my sister Ji Lin."

"That little girl Ji Lin, she will inherit my will and become the new master of destiny..."

Speaking of which, Ji Siqing saw a statue next to the skeleton of the Demon Emperor, filled with the aura of future and destiny, exactly the same as Ji Lin.

She was shocked, her voice became hoarse, and she thought: "I... am I really going to die today?"

Ji Lin will replace me and become the new Lord of Destiny. I can no longer see the appearance of the establishment of the Kingdom of Samsara. "

In an instant, Ji Siqing felt infinite grief in his heart, and he didn't want to die anymore, his body trembled for a while, looking at Yuhuang Aoxue's sword edge, his face paled for a while.

In fact, she was not afraid of death, but she was afraid that she would not be able to accompany Ye Chen any longer, seeing the atmosphere of Ye Chen's domineering achievements.

"you dare!"

When Ye Chen saw Yu Huang Aoxue and took Ji Siqing as a hostage, he was furious and rushed out with his sword in hand.

"Don't move."

Yuhuang Aoxue's sword edge pressed down slightly, and a bloodstain appeared on Ji Siqing's snow-white neck.

Ye Chen stopped immediately.

"Hey, stinky woman, you are so shameless. If you want to fight, you can fight in an upright manner. What's your ability to take hostages?"

Xiao Wu also came out angrily, staring angrily at Yuhuang Aoxue, saying:

"Hurry up and let them go!"

She said these words, and there were echoes in the thousands of mountains and valleys.

"Let's go..."

"People..."

This echo is like the chant of the gods, with strong penetrating power and deterrent power.

In the world of destiny, there are statues of the Ice God Tianzun.

Those statues seemed to be responding to Xiao Wu's words, and echoes came out, shocking the audience.

Xiao Wu was taken aback, but she didn't expect that her words would cause such a big response.

Yuhuang Aoxue, Futu Xuan, Duntianshan, Yuhuangye, and all the powerhouses in the Shield Sect Wanxu were all terrified, thinking that the Ice God Tianzun had appeared.

"Master, calm down, I... I just let people go."

Yu Huang Aoxue was a little panicked, and hurriedly cut off the shackles of the prison car, releasing Ji Siqing, Jiang Mingxin, and Xiao Yinan.

Ji Siqing looked at Xiao Wu, and listened to the echoes of the thousands of mountains and valleys. He only felt strange everywhere, but he knew that the opportunity was not to be missed, so he immediately left with Jiang Mingxin and Xiao Yinan.

The three of them left in a hurry, looking back at Ye Chen with some reluctance, but they knew that in their current state, if they stayed where they were, it might become a drag, so it was better to leave early.

Chapter 8884

When Ye Chen saw Ji Siqing leave safely, he breathed a sigh of relief, and his heart was settled.

"Marven Ye, I have let go of your woman, you should let go of my master too!"

Yu Huang Aoxue clenched his silver teeth tightly, looked at Ye Chen with his sword upright, and said solemnly.

Before Ye Chen could speak, Xiao Wu raised her chest and said, "Hey, stinky woman, I said it all, I'm not your master."

Yuhuang Aoxue looked at Xiao Wu's resolute appearance, and felt very strange in her heart, but she carefully captured it and determined that the causal aura in Xiao Wu's body was connected with the blood of the Ice God in her body, and it was indeed the Ice God Tianzun. .

The echo of the thousands of mountains and valleys just now was also the manifestation of the Ice God's will.

She thought to herself, "Master may be testing me."

Immediately boldly, he asked loudly, "You are not my master, who are you?"

Is your surname Wu and your name Ling Hua? "

Xiao Wu said, "Yes, stinky woman, you actually know my name, hum, but I'm really not your master, I'm a good friend of big brother Ye Chen."

As he said that, he held Ye Chen's arm again.

When Yu Huang Aoxue saw this, he was even more suspicious. He didn't know whether the Ice God Tianzun was on his side or Ye Chen's side.

"Then what do you want?"

Yuhuang Aoxue asked boldly.

Xiao Wu rolled her eyes and saw that these people seemed to be afraid of herself, so she said, "I want you to fight alone with big brother, if you lose, you can be my apprentice again, giggle, I haven't accepted an apprentice yet. "

She is very smart, knowing that Yuhuang Aoxue and these people are the wrong people, she simply makes a mistake and wants to help Ye Chen once.

She has absolute confidence in Ye Chen's strength.

If he fights alone, Ye Chen will win.

Yu Huang Aoxue thought to himself, "So Master wants me to fight with Ye Chen alone."

She thought she understood the intention of the Ice God Tianzun, and nodded immediately: "Okay, I will fight him alone."

She carefully sensed her breath and found that behind her spiritual energy, the blessing of the Ice God still existed.

On the other hand, Ye Chen did not have any blessings from the Ice God.

"Master is still helping me, I can't lose."

Yuhuang Aoxue secretly rejoiced in her heart, and felt dignified again.

Without the protection of the Ice God, she would definitely lose.

And even with the blessing of the Ice God, against Ye Chen, the outcome is only five or five, which is hard to say.

But no matter what, she will not back down.

"Miss, take this."

Yu Huangye held the scabbard of the ancient sword of sin in both hands and handed it to Yu Huang Aoxue with a humble look on his face.

"Can I use this scabbard?"

Yuhuang Aoxue frowned, the scabbard of the ancient sword of sin on this day could attract the sword energy of the sin of heaven, and the killing was very terrifying.

In the entire Wanxu Temple, only Yuhuang Ancient Emperor and Yuhuangye have the ability to use them.

Yuhuangye's strength, compared with Yuhuang Ancient Emperor, is the firefly and the sun and the moon, which cannot be compared.

However, he is the main caster of the scabbard, and his breath is connected with the scabbard, so he is also qualified to use the scabbard.

But other than him and Emperor Yuhuang, no one else can.

Because, the sword energy of the ancient sword of Heavenly Sin, the killing is too terrifying, and the powerhouses in the late stage of the immeasurable realm are in danger of being killed.

Even Emperor Yu Aoxue would not dare to use this scabbard indiscriminately.

Yu Huangye had a humble look on his face and smiled very humbly: "Miss, I have prayed for you, and you have the blessing of the Ice God, so you should be able to use this scabbard."

Yuhuang Aoxue's beautiful eyes lit up, if she could use the scabbard of Heavenly Sin, she would have a better chance of killing Ye Chen.

"Okay, I'll try."

Yu Huang Aoxue took the scabbard, Zhen Shou nodded.

Yu Huang's ambition was in full bloom, and he clasped his fists and smiled: "Miss, I wish you a prosperous martial arts and a sword to destroy Samsara."

Yuhuang Aoxue smiled and said, "I'm going to kill your master, are you still so happy?"

Yu Huangye froze for a while, looked at Ye Chen, and then the whole person froze, with expressions of embarrassment, shame, guilt, shame, etc. on his face, and he was speechless.

When Ye Chen saw Yu Huangye borrowing the scabbard, his face became very blue and very ugly.

"Big brother, is that person your apprentice?"

Xiao Wu pulled Ye Chen's sleeve and asked softly.

Ye Chen took a deep breath, settled down, shook his head and said, "I don't have this kind of apprentice."

His voice was not high, but it clearly reached the ears of Yu Huang Aoxue and Yu Huangye.

Yu Huangye was even more ashamed and ashamed.

Yuhuang Aoxue smiled and wanted to step into the Valley of the Unparalleled.

"Miss Aoxue, be careful."

At the rear, Futu Xuan reminded in a deep voice.

"Well, I know, I will be careful with the Lord of Reincarnation."

Yuhuang Aoxue nodded.

"No, it's the Demon Emperor."

Futu Xuan's eyes were like torches, looking at the corpse of the Demon Emperor, and the jet-black beam of light soaring into the sky, as if he had sensed something.

Yu Huang Aoxue froze in his heart, and immediately caught something, and said with a smile: "When the snipe and mussel compete, will the fisherman gain?"

Hehe, but, with my master guarding here, it is not so easy for the Demon Emperor to be that fisherman.  
"

Originally, the Valley of the Dead was shrouded in darkness and mist all year round, and it was an absolute place of death.

But now, all the mists have dissipated, and the Valley of Supreme Beings, where the environment was strict in the past, is now clearly exposed in front of everyone's eyes.

Behind this, it is naturally the handwriting of the Demon Heavenly Emperor.

The Demon Emperor took the initiative to dispel the fog, as if he wanted to bring Yu Huang Aoxue and others in to fight Ye Chen.

He wants to consume the strength of both sides, and then reap the benefits.

If he devoured Ye Chen, Yuhuang Aoxue, and Xiao Wu, he would be enough to revive his body.

Yu Huang Aoxue also guessed this point.

However, she still strode into the valley of peerless and walked straight to Ye Chen.

She believed that the Ice God Tianzun would suppress all demons and would not give the Demon Heavenly Emperor any chance to wreak havoc.

Ye Chen looked at Emperor Yu Aoxue. Today, she was wearing a tight skirt with a row of buttons. Her graceful figure, under the outline of the skirt, also looked very plump, proud and valiant.

From Emperor Yu Aoxue's eyes, Ye Chen also sensed the cause and effect of the Demon Emperor behind him.

In fact, without looking at Yuhuang Aoxue, Ye Chen himself guessed that the plan of the Demon Emperor was too obvious.

The Demon Heaven Emperor lurking behind his back clearly wanted to watch him and Yuhuang Aoxue suffer both, and then reap the benefits.

However, Ye Chen was not afraid, because there was Emperor Tears sitting next to him, that is, Ji Lin in the future.

The Demon Heavenly Emperor wanted to plot against him, and he also wanted to plot against the Demonic Heavenly Emperor.

If he is alone, he can take at most the heart of the Demon Emperor, but he can't take a whole skeleton.

But with Yuhuang Aoxue, and the strength of the Ice God Tianzun behind him, it should almost be enough.

"Ouch, big brother, look at what she has in her hand."

Xiao Wu watched Yu Huang Aoxue walk step by step, and suddenly showed a terrified look.

Chapter 8885

As Yu Huang Aoxue approached, she also clearly saw that Yu Huang Aoxue was holding the sword in his right hand, but holding a scabbard in his left hand.

The scabbard exuded an extremely terrifying aura, as if it had gathered nine divine punishments, which made people feel terrified at a glance.

"That is the scabbard of the ancient sword of sin! How can there be such a thing?

After the ancient sword of sin was cast from fantasy, did an additional scabbard be made? "

Xiao Wu was terrified, and obviously felt the terrifying scabbard.

If there is no scabbard, only Yuhuang Aoxue alone, she is confident that Ye Chen can win.

But, with that scabbard, it's hard to tell the outcome.

Once the ancient sword of sin comes, it will be the existence of the emperor and the god of heaven, and it will be trembling and fearful for it.

"Don't worry, I can win."

Ye Chen touched Xiao Wu's hair and smiled.

Although Emperor Yu Huang Aoxue has a scabbard of sin, Ye Chen is not afraid. He also has many magic weapons all over his body, and he has Ji Lin's statue by his side.

"Don't, big brother, don't be too confident."

"Well... let me give you some blessings."

Xiao Wu stared at her eyes, raised her beautiful face, and stared at Ye Chen.

"What blessing?"

Ye Chen was stunned.

Xiao Wu's eyelashes curled, she smiled, and suddenly stood on tiptoe, hugged Ye Chen's face, and kissed him.

This time, it was a deep kiss.

Ye Chen only felt that his whole body was shaking like an electric shock. With this kiss, he could feel the spiritual energy in Xiao Wu's blood flow into his body and merge with him.

Xiao Wu's bloodline is the bloodline of the Heavenly Emperor, and the source of energy is the Heavenly Monument and the Heavenly Emperor's Life Star, which are connected with Samsara.

Under the infusion of Xiao Wu's spiritual energy, Ye Chen felt that his own bloodline of reincarnation suddenly became stronger.

The nine reincarnation gods, the Chichen gods, the Lingfeng gods, the darkest gods, the ancient poison gods, the dragon flame gods, the ten thousand spirit gods, the holy devil gods, the imaginary gods, and the thunder gods, are also swift and violent. Transform, become stronger.

This transformation is not a temporary strengthening, but a permanent improvement, eternal strength.

After Xiao Wu gave out a breath of spiritual energy, she wanted to let go of Ye Chen.

But Ye Chen's heart moved, hugged her tightly, and absorbed the blood and spiritual energy in her body.

This is the spiritual energy of the Heavenly Emperor's bloodline, with the blessing of the Seven Stars of Reincarnation and the Heavenly Emperor's Life Star.

This blessing is enough to make Ye Chen's reincarnation bloodline rise rapidly.

"Well....."

Xiao Wu was a little suffocated, but Ye Chen, who was calm and restrained before, became so ardently eager now.

"Master..."

When Yuhuang Aoxue saw this scene, he was stunned.

Outside the Valley of the Dead, Duntian Mountain, Futu Xuan, Yuhuangye, and many followers of the Ice God Tianzun were completely shocked and stunned when they saw this scene.

Who is Wu Linghua?

That is the supreme Ice God Tianzun, and it is their only belief.

But now, the goddess they believe in kisses Ye Chen deeply, just like a true lover.

They couldn't accept it, and they felt that the world had collapsed.

Did that beautiful goddess who rode a white deer and strolled among the ice and snow also had such a fiery side?

Ye Chen kissed Xiao Wu for a long time before releasing her.

"Big brother, I'm almost suffocating..."

Xiao Wu blushed and took two steps back, then her face turned pale again.

Ye Chen's kiss just now took away a lot of her spiritual energy. Fortunately, her bloodline is strong, and she can recover as long as she rests for a few days.

"sorry....."

Ye Chen also noticed his gaffe, but his inner hunger was still not relieved.

When he looked at Xiao Wu, his heart was still moved.

He thought to himself, "The attraction of the Heavenly Emperor's Life Star is indeed huge!"

Ye Chen knew that what he wanted was not actually Xiao Wu's body, but the energy of the Heavenly Emperor's Life Star behind Xiao Wu's bloodline.

The Heavenly Emperor's Life Star, the reincarnation seven stars are the highest, and it is the last reincarnation life star. Even if it is just a little energy blessing, for Ye Chen, it is a great tonic.

Now that he is nourished by Xiao Wu's bloodline and spiritual energy, his own Chichen Divine Vein, Lingfeng Divine Vein, Darkest Divine Vein, etc., his power has increased by at least several times, which is an incredible breakthrough.

"If I really light up the Heavenly Emperor's Life Star, even if it is the ancestor of Hongjun, I may be qualified to take action against it, right?"

Ye Chen was extremely passionate and full of expectations.

"Master, you...you and the Lord of Reincarnation..."

Yu Huang Aoxue walked in front of Ye Chen and Xiao Wu, looking at the blushing faces of the two of them and the messy appearance, his heart was very sad.

In her heart, the Ice God Tianzun is high above, but now, it is also the "poisonous hand" of reincarnation.

"What, I... My big brother and I are innocent, don't think about it."

"You can call if you want, and I'll do a notary."

Xiao Wu's cheeks were flushed, and she stuttered when she spoke.

This simple girl is actually very smart, and she knows everything she should know.

She shyly ran out like a deer, stood under the statue of the Emperor of Tears, took a deep breath, and calmed down a little.

"Go ahead."

Ye Chen smiled, and the blood in his heart calmed down.

As long as Yuhuang Aoxue is defeated, this test should be passed.

"Marven Ye, I'm going to kill you!"

Yuhuang Aoxue's eyes were icy cold, and he stabbed straight out with his sword in his right hand.

"Thousands of Ice and Thousands of Snow Swords!"

I saw thousands of ice and snow sword qi burst out from Yu Huang Ao Xue sword and slashed towards Ye Chen fiercely.

Chapter 8886

Ye Chen's face was calm, unmoved, and stepped back.

Yuhuang Aoxue chased after him with his sword, and the two rushed into the inside of the Demon Emperor's skeleton.

The space inside the Demon Emperor's corpse is full of demonic energy and darkness. If an ordinary person is here, there is only one way to die.

But Ye Chen and Yuhuang Aoxue were both very powerful and unaffected.

Ye Chen stared at Yu Huang Aoxue, and when her sword energy slowed down a little, she suddenly punched out.

"Flame monument, Dragon Flame Divine Vein, open!"

With a loud shout, the dragon flame veins burst in Ye Chen's body, and the violent flame tablet energy aura gathered on his fist, turning into a roaring and whistling fire dragon, and the surrounding temperature soared wildly.

boom!

Ye Chen's dragon flame fist blasted out, and many ice and snow sword qi around him were instantly destroyed. The fierce dragon flame qi wave forced Yu Huang Aoxue to retreat again and again, his hair was messy, and he looked quite embarrassed.

After being nourished by Xiao Wu's spiritual energy, Ye Chen indirectly received a trace of blessing from the Heavenly Emperor's Life Star. Although it was only a faint trace, it also had a huge benefit to his reincarnation bloodline.

Now his reincarnation bloodline is far stronger than before, and the power of the various divine bloodlines has also been greatly improved.

"Void Spirit Divine Vein, break!"

After retreating Yuhuang Aoxue with a punch, Ye Chen took advantage of the victory to pursue, and immediately opened the Void Spirit Divine Vessel, controlled the space, moved in an instant, and slammed in front of Yuhuang Aoxue, slapped and slapped down.

Yu Huang Aoxue was caught off guard, and was slapped on the cheek by Ye Chen. His cheeks were immediately red and swollen, and he looked even more embarrassed.

"hiss....."

Outside, Futuxuan, Duntianshan, Yuhuangye, Xiaowu, and many other disciples of the Ten Thousand Ruins Shield Sect who were watching the battle couldn't help but take a deep breath when they saw Ye Chen's fierce appearance, secretly proud of Yuhuang. Snow pinched a sweat.

Looking at Ye Chen's appearance, it was obvious that he didn't have any pity, and he really wanted to kill him.

"Ye Chen, you are really cruel."

Yuhuang Aoxue stood up staggeringly, covered his swollen cheeks, and clenched his silver teeth, very humiliating.

Ye Chen's slap is not very lethal, but the insult is very powerful. It is to attack her Taoist will.

"Each each other."

Ye Chen's eyes were indifferent, without the slightest nonsense, he waved the Heavenly Sword of Samsara, smashed the void, and slashed straight at Emperor Yu Aoxue.

"Lingfeng Shenmai, the wind is rising!"

At the moment when the sword was drawn, Ye Chen opened the Lingfeng Divine Meridian again, and his whole body exploded with spiritual energy.

His Lingfeng Divine Vessel, after being nourished by Xiao Wu's blood and spiritual energy, also became stronger, and compared to the past, he had a little more domineering divine might.

In the past, the Lingfeng Divine Vessel could absorb the enemy's offensive energy and use it for one's own use, just like the accumulation of the storm.

But now, after the Lingfeng Divine Vessel becomes stronger, it can explode a violent hurricane by itself.

Ye Chen slashed out with this sword, and the storm roared. If the wind god came, the rumbling storm was shocking.

The surrounding bones were rolled up, and a frantic tornado mixed with demonic energy and filth violently swept towards Yu Huang Aoxue.

Looking at the power of the tornado, I was afraid it would tear her apart.

"Damn."

"Why did Master give him such a great opportunity?"

Is this a test for me? "

Yu Huang Aoxue felt Ye Chen's terrifying power, and his heart was extremely solemn. He squinted at Xiao Wu standing under the statue of the future Lord of Destiny.

She knew that Ye Chen's divine veins of reincarnation could become so powerful mainly because of Xiao Wu's blessing.

"Guard of Ice, Snow Country Barrier!"

Seeing Ye Chen's sword roaring towards him, Yu Huang Aoxue didn't dare to neglect, his whole body burned with spiritual energy, releasing an ice and snow barrier.

Layers of crystal walls emerged around her, with gorgeous ice and snow runes branded on them.

boom!

Ye Chen's storm sword slammed into that layer of crystal wall system, and the crystal wall system cracked, but did not explode.

This ice and snow barrier, with the blessing and protection of the Ice God Tianzun behind it, was difficult for even Ye Chen to break.

"Miss Aoxue, quickly use the scabbard of Heavenly Sin."

Outside the Valley of the Dead, Yu Huangye shouted loudly.

Seeing that Ye Chen was so fierce, he thought that even if Emperor Yu Huang Aoxue had the blessing of the Ice God, he probably wouldn't last long.

If you want to win, you can only use the scabbard of Heavenly Sin!

"You don't need to say it."

Yuhuang Aoxue bit her red lips lightly, and her beautiful eyes glanced at the scabbard in her left hand.

This scabbard is her trump card.

She originally wanted to wait for the opportunity, and then use the scabbard to defeat the enemy.

But now it seems that if she doesn't use the scabbard, she can't compete with Ye Chen's power at all.

Ye Chen's nourishment from Xiao Wu is equivalent to receiving a trace of the blessing of the Heavenly Emperor's Life Star. The power is too ferocious. Between every gesture, there is an aura of exploding the starry sky, which is not at all that Yuhuang Aoxue can compete with.

"Heaven's punishment should punish the world."

At that moment, Yuhuang Aoxue no longer hesitated, took out the scabbard in his hand, and sang softly.

No matter what the price she pays today, she will kill Samsara!

Along with her singing, the scabbard trembled violently, resonating with some kind of terrifying existence in distant time and space.

An invisible force is condensing!

This power can break the sky, tear apart the walls of the real world, and lead to no time and space!

Boom!

In the sky above the Valley of the Unbelievable, a terrifying black cloud of disaster appeared, and the storm was billowing.

In the dark cloud of the storm, there is a blood-colored glow brewing.

"Yuhuang Aoxue, do you want to summon Heavenly Sin Sword Qi?

Ancient Poison Divine Vein, suppressed me! "

Ye Chen looked up at the sky, and also felt the terrifying fluctuation of sword qi. It was the sword qi of the ancient sword of sin. Once it came down, the killing would be absolutely earth-shattering, and it was difficult for him to compete.

Click!

Ye Chen clenched his fist in his left hand, the energy of the poison tablet exploded, the ancient poisonous veins opened, and the terrifying poisonous breath surged out of his body, gathering on his fist, and the poisonous mist billowed.

In the next instant, Ye Chen threw out a ruthless punch, a poisonous fist that directly hit Yu Huang Aoxue.

Yuhuang Aoxue is guarded by an ice and snow barrier, but with Ye Chen's punch, the poisonous gas burst, and the poisonous aura can directly penetrate the guardian crystal wall system and erode Yuhuang Aoxue's heart.

Ye Chen will use this punch to block Yu Huang Aoxue and not give her a chance to summon the sword qi of Heavenly Sin.

boom!

Ye Chen's fist bombarded the crystal wall system of the ice and snow enchantment. Although this layer of crystal wall system could not be shattered, the poisonous gas on his fist had passed through the crystal wall system like a poisonous snake, penetrated into it, and wrapped around it. On Yuhuang Aoxue.

Yuhuang Aoxue's delicate body was entangled with poisonous gas, and his expression changed drastically.

Now she has two choices, either give up summoning the sword energy of Heavenly Sin and use power to expel poison.

Or, insist on summoning, regardless of the invasion of poisonous gas.

Chapter 8887

"Marven Ye, you can't stop me!"

"I will burn all the jade and stones today, and I can't be defeated by you!"

Yuhuang Aoxue gritted her teeth, and her beautiful eyes flashed a hint of determination. She ignored the poisonous gas of the invasion and continued to sing and summon, like a devout believer.

Boom!

Following Yu Huang Aoxue's summoning, countless blood lights were brewing in the sky, and a blood-colored sword aura with endless blood slaughter, endless sin and punishment, descended from the dark clouds and storms, echoing with the scabbard.

That is Heavenly Sin Sword Qi!

With Yuhuang Aoxue's strength, it was absolutely impossible for her to summon the real ancient sword of sin, but it was not difficult to summon a wisp of sword energy.

Heavenly sin sword qi descended, and immediately the entire Valley of Incomparable People, and even the entire world of destiny, was shrouded in terrifying sin, punishment and killing intent, as if the

supreme god king and emperor had descended, and he wanted to show his own power in this world. Majesty and domineering.

"Heavenly sin sword qi, kill!"

Yu Huang Aoxue's eyes were cold, and with a finger, the blood-colored sword energy in the sky, with a terrifying edge that would destroy everything and cut off everything, ruthlessly beheaded Ye Chen.

Summoning this sword, Yuhuang Aoxue paid a huge price.

She completely ignored Ye Chen's ancient poisonous veins.

Under the impact of the poisonous gas from the ancient poisonous veins, her heart veins have been eroded, and her originally snow-white skin has appeared bruised and violet poisonous spots, which looks quite terrifying.

"Miss!"

When Yu Huangye saw Yu Huang Aoxue like this, he couldn't bear it, and he was worried.

However, Futu Xuan, Duntianshan, Xiao Wu and the others did not pay attention to Yuhuang Aoxue, they were all attracted by that sword energy of Heavenly Sin.

"Big brother be careful!"

Xiao Wu shouted in horror, the power of the Heavenly Sin Sword Qi is so terrifying, I am afraid that even an ordinary immortal emperor can beheaded.

She didn't know how Ye Chen could resist this sword.

"Damn!"

Ye Chen's face sank, and he stepped back again and again. Seeing that the sword energy of Heavenly Sin was chasing him, he immediately sacrificed the Heavenly Sovereign Monument, the Nine Reincarnation Profound Stele, the Golden Seal of God, Zhaowu Lingyu and other magic weapons, ready to fight to the death.

But at this time, beside Xiao Wu, the statue of the future Lord of Destiny, the Emperor of Tears in the future, suddenly exuded a dazzling brilliance.

A great and vast power, containing the blessing of fate, turned into a shield, with the purple light of fate circulating on it, and the talisman of fate, blocking Ye Chen.

Zheng!

Heavenly sin sword qi slashed down, smashing the shield of destiny, but at the same time, it also consumed all the energy, whimpered, turned into smoke and dispersed.

The collision between the two also caused a terrifying explosion of air waves, which destroyed the skeleton of the Demon Emperor, I don't know how much, there were bone fragments everywhere, the smoke was billowing, and the weather was very spectacular.

The shield of destiny and the sword energy of heaven's sin both dissipated, and Ye Chen was not hurt at all.

"what!"

Seeing this scene, Yuhuang Aoxue was completely stunned.

She never expected that at the last moment, Ye Chen could get the protection of fate.

Ye Chen was also very surprised, looking at the statue of the Emperor of Tears.

I don't know if it was an illusion or what, he seemed to see the eyes of the statue and really shed tears.

Click!

Then, the statue seemed to have exhausted all its energy, and suddenly burst into pieces, turning into stone fragments on the ground.

"Ji Lin!"

Ye Chen was shocked when he saw this, and his heart throbbed inexplicably.

Xiao Wu screamed "Ouch", and the explosion of the statue also gave her a lot of shock.

Fortunately, although she looks weak on the surface, in fact, she has the blood of the Emperor of Heaven, and the background is also very powerful, and she was not injured.

Outside the Valley of Supreme Beings, Futu Xuan, Duntian Mountain, and many strong men of Wanxu and Dunzong were also stunned when they saw this scene.

"Is this the luck of reincarnation?"

"Why is the future God of Destiny all on his side?"

Many people were amazed, and deeply felt the power of Ye Chen's luck.

Just now, Ye Chen was in danger, even if he didn't die, he would be seriously injured.

However, at the last moment, the future Lord of Destiny brought him blessings, and the shield of destiny descended to resist the slaughter of Heavenly Sin Sword Qi for him.

"Pfft!"

Compared to Ye Chen, who was unscathed, Yu Huang Aoxue was extremely embarrassed. He opened his mouth and spat out a mouthful of black poisonous blood. His face was blue and purple, and the poisonous gas had invaded her heart and lungs.

"Emperor Yu Aoxue, I want you to die!"

Ye Chen glanced at murderous intent, strode violently, raised his sword to kill Emperor Yu Huang Aoxue, and was about to kill her with one sword.

Boom!

But at this moment, a violent heartbeat came from not far away.

At this moment, the dry heart of Demon Heaven Emperor actually beat twice violently.

Boom!

Immediately afterwards, the dead heart began to beat rhythmically, like a drum beat.

Under the beating of this heart, within the bones of the Demon Emperor, all the demonic energy turned into rivers, following a perfect trajectory, and quickly began to flow, like orderly blood vessels, and as if the stars were running traces of.

Ye Chen's face changed, and he only felt a violent will of magic, which was crushed like a sharp knife.

He hurriedly revolved the Holy Soul Heaven of Samsara to protect his mind.

"Hehe, Lord of Reincarnation, why are you so irritable?"

"You and this woman are my food, and your blood will become my nourishment."

The surrounding magic fog rolled, and a cold voice came from the magic fog.

Chapter 8888

That is the voice of the Demon Emperor!

"Devil Heaven Emperor!?"

Ye Chen's eyes sank, and after waiting for so long, the will of the Demon Emperor is finally coming.

"it's me."

"Hehe, you have the protection of the future Lord of Destiny before, I really dare not show up."

"But now, you have lost the protection of fate, and you are already a dead person."

In the dark magic fog, a strange figure slowly walked out, wrapped in the devilish energy like a poisonous snake, his face was fierce, his skin was extremely pale, like an evil ghost, but it also revealed the majesty of a king, and his breath was extremely terrifying. It is the legendary Demon Emperor.

The Demon Emperor stared at Ye Chen as if he were looking at a corpse.

The billowing demonic energy was released from him and turned into a restraint and barrier, covering the surroundings.

Layers of dark magic fog blocked the Valley of Jueren again.

Outside the Valley of Jueren, everyone was shocked when they saw the appearance of the Demon Emperor, and the Valley of Jueren was blocked by the fog.

"Protect Miss!"

This time, Futu Xuan did not dare to show any slights, and immediately took the people from Wanxu and rushed into the Valley of the Unparalleled.

Yu Huangye was worried about Yu Huang Aoxue's safety, and hurriedly stepped in.

hum!

There was a buzzing sound in the distance, and a scabbard was seen flying back into his hands.

That is the scabbard of Heavenly Sin.

"No, the lady is in danger."

Yu Huangye's face sank, he knew that the Heavenly Sin scabbard had a spirit, and if he encountered any dangerous situation, he would return to him.

In other words, Yuhuang Aoxue's side, facing the Demon Emperor, must be extremely dangerous.

"Let's go in and have a look."

Shield Tianshan was also bold, and with a wave of his hand, he led the strong men of the Shield Sect and stepped into the Valley of the Unparalleled.

The Valley of the Unbelievable was blocked by fog. After everyone entered, they seemed to be walking into a maze. They couldn't see the road ahead at all, and they couldn't catch the breath of Ye Chen, Yuhuang Aoxue, and others.

"Big brother, where are you?"

In this fog, Xiao Wu's voice came again.

Xiao Wu was also panicked. After the Demon Heaven Emperor appeared, the demonic energy filled the world, and she couldn't see Ye Chen's location.

Ye Chen and Yuhuang Aoxue, in the world of skeletons, looked at the Demon Emperor, and both felt enormous pressure.

"Lord of Reincarnation, I know that you want to plot against me and devour my bones, but I'm sorry, in this game, the one who has the last laugh is me."

The Demon Heavenly Emperor had a stern smile on the corner of his mouth, and his eyes revealed infinite magical power, which was suffocating.

Now that Ye Chen has lost the protection of his destiny, Yu Huang Aoxue has also been poisoned, which is a good time for him to fight back.

laugh!

As soon as the Demon Heavenly Emperor pointed it out, white bone lotus blossoms bloomed in the void, the terrifying magical pressure gathered, and a jet-black beam of light burst out from his fingertips, killing Ye Chen's head.

"Who will have the last laugh, I don't know yet."

Ye Chen snorted, and his whole body suddenly burst into wisps of divine light, and a holy book of heaven appeared on top of his head.

That is the sacred book, the pinnacle of the Light Dao Fa, and the pinnacle of the Light God Tianzun Dao Lineage.

Whoa!

As soon as the sacred book came out, the vast energy of light burst out, forming a light barrier that enveloped Ye Chen and Yuhuang Aoxue.

laugh!

The Demon Heavenly Emperor pointed and killed him, but the pitch-black beam of light and all the terrifying dark demonic auras were all blocked by the enchantment of light.

"what?"

When the Demon Heavenly Emperor saw this, he was taken aback, obviously he didn't expect Ye Chen to have such magical powers.

This sacred book is the strongest light spell in the world, specializing in restraining the magic way.

"Hmph, I didn't expect you to be in charge of the sacred book, but you have a bit of a way."

"However, with your current cultivation level, you still can't exert the power of the sacred book, and it is futile to struggle. Today, you will die in my hands!"

Demonic Heavenly Emperor's eyes swept through the coldness, and the demonic energy exploded all over his body, and strands of demonic energy were like a torrent, and it was like a demonic dragon, charging forward fiercely.

boom!

A wisp of magical energy hit Ye Chen's barrier of light.

That layer of enchantment guardian suddenly shook, and the sacred book was also turbulent.

Ye Chen's chest and abdomen were churning with blood, and his expression was solemn.

The Demon Heavenly Emperor was right, his cultivation was only at the third level of the Sky Profound Realm, and under the restriction of his cultivation, it was impossible for his sacred book to really crush the Demon Heavenly Emperor, and at best he could only defend.

And even if it's defense, I'm afraid it won't last long, and sooner or later, it will be smashed by the Demon Emperor.

Once the Demon Heavenly Emperor smashes through the defense, he will immediately devour Ye Chen, and then Yuhuang Aoxue together, transforming the blood and blood of the two into the energy of his own recovery!

"Emperor Yu, Aoxue, help me delay for a while."

Ye Chen glanced at Yu Huang Aoxue and said solemnly.

He saw that the situation was dangerous and there was no shelter from fate. If he wanted to break through, he had to rely on himself.

Behind Ye Chen, there was a faint cold steel atmosphere, and the Iron Throne slowly emerged.

In his heart, there is already a way to break the game.

If you want to break through the trap of the Demon Emperor, you must sacrifice something.

Ye Chen is ready to sacrifice the Iron Throne!

The Iron Throne is a magic weapon cast by the ancestors of Hongjun, which contains Hongjun's will.

If the sacrifice broke out, Ye Chen had the confidence to suppress the Demon Emperor, and even counter-killed and plundered the other party's bones.

This Iron Throne can be said to be a first-class magic weapon. It has been with Ye Chen for a long time, and now Ye Chen is going to sacrifice, and Ye Chen is very reluctant.

But at this juncture, if he wants to break the game, he must pay the price.

The Iron Throne is the price!

The power contained in the Iron Throne is too terrifying. If you want to sacrifice, it will take some time.

Chapter 8889

The enchantment protection of the sacred book may not last long.

Ye Chen needs Yuhuang Aoxue's help.

"What do you want to do?"

Yu Huang Aoxue saw the shadow of the Iron Throne emerging behind Ye Chen, and vaguely guessed something, and couldn't believe it.

You must know that the magic weapon of the Iron Throne is very precious. If you want to sacrifice, you need to have great courage and determination, like a strong man breaking his wrist.

"Buy me time."

Ye Chen repeated again.

"I've been poisoned....."

Yuhuang Aoxue clutched her chest, only to feel the poison attacking her heart, the blood flowing in her veins was already jet-black, she was about to die from the poison, how could she help Ye Chen?

Ye Chen didn't speak. With a wave of his hand, his spiritual energy turned into smoke, covering himself and Emperor Yu Aoxue.

Then, he walked to Yuhuang Aoxue's side and unbuttoned her robe.

Yu Huang Aoxue's snow-white upper body was exposed, and there were many poisonous spots on it, which was quite hideous.

"You...what are you doing!"

Yuhuang Aoxue was terrified and blushed, but under the poisonous hair, Ye Chen couldn't stop it.

"I'll detox you."

Ye Chen's eyes were indifferent, and he had no expression. He pointed out with his finger, and clicked a few times on the places where the many poisonous spots on Yu Huang Aoxue's body had solidified, and the spiritual energy penetrated into it.

Under the impact of Ye Chen's spiritual energy, those poisonous spots quickly dissipated.

Yuhuang Aoxue could feel that the poisonous gas in his bloodline also dissipated quickly.

Her bluish-purple skin regained its roundness and whiteness.

"Thank you..."

Yu Huangao Xue breathed a sigh of relief, knowing that Ye Chen didn't mean to belittle himself, but just wanted to help her expel the poison.

However, there were still ripples in her heart, and it seemed that she had been affected by the special charm of Ye Chen's bloodline, her cheeks were flushed with redness, her mind was full of thoughts, and it was difficult to calm down.

"If it wasn't to break through the blockade of the Demon Emperor, I would be too lazy to save you."

Ye Chen looked at Yu Huang Aoxue and said indifferently.

Yu Huang Aoxue buttoned the skirt and robe, put on his clothes, listened to Ye Chen's indifferent words, but was stimulated, and shouted:

"Emperor Demon is the chief god of the ancient times, and his will is so powerful. Even if you sacrifice to the Iron Throne, you may not be able to break through his blockade."

Ye Chen sneered: "Hehe, what can you do?"

Emperor Yu Aoxue proudly said: "I have a secret technique of double cultivation, called Frozen Acacia Divine Sword Art, it can be said to be the strongest secret technique of double cultivation in the world, as long as you and I cultivate, the two swords are combined, and we will definitely be able to break through the blockade of the Demon Emperor, and even destroy the world. He suppressed!"

After speaking, Yuhuang Aoxue sacrificed a piece of jade slip, which was surrounded by ice mist and engraved with the words "Sword of Ice and Snow Acacia".

Ye Chen glanced at it and knew that this was the most powerful secret of Ice God Tianzun. It was a double-cultivation swordsmanship. With the combination of the two swords, the power even surpassed that of the Great Tomb Sword, only inferior to the Heavenly Dou Sword. .

"Do you want to double cultivation with me?"

Ye Chen smiled and looked at Yu Huang Aoxue's body.

"Hmph, do you think I think so?"

Just forced to be helpless, that's all. "

Yuhuang Aoxue's cheeks were slightly red, but he still looked arrogant.

Ye Chen's mental power swept slightly on the jade slip, his eyes narrowed slightly, and he sneered:

"This Frozen Acacia Divine Sword Art is based on women and men as supplementary. If you and I cultivate both, you will be above my head, right?"

Yu Huang Aoxue was taken aback, but he didn't expect that Ye Chen could see through the mystery of this double-cultivation sword technique with just a casual glance. Such talent and eyesight are really amazing.

She did have this idea, as long as she and Ye Chen practiced this magic sword of ice and snow acacia, she could surpass Ye Chen, which was equivalent to the control of reincarnation without blood.

"You... your reincarnation bloodline surpasses the heavens, why are you afraid of being suppressed by me?"

Yuhuang Aoxue made a statement to defend, but the words were a little guilty.

"Hehe, double cultivation is unnecessary. I don't want to share my reincarnation blood with you."

Ye Chen categorically refused, and had no intention of cultivating with Yuhuang Aoxue.

"you!"

Yu Huang Aoxue was rejected, and felt humiliated and angry.

"If you don't want to die, help me delay for a while."

Ye Chen sacrificed the golden seal and threw it to Yu Huang Aoxue.

This golden seal is the ancestor of the rock god. Whether it is Ye Chen or Yu Huang Aoxue, it is difficult to motivate people to kill, but if it is used for defense, it can be done.

Then, Ye Chen took a deep breath and sacrificed the Iron Throne, ready to sacrifice.

"Boy, what are you doing, you want to sacrifice the Iron Throne!?"

When the Demon Heavenly Emperor saw this, he immediately shook.

The magic weapon of the Iron Throne itself is very powerful, and there is the will of the ancestor Hongjun behind it. If the sacrifice explodes, he may not be able to stop it.

"Stop me!"

The Demon Heavenly Emperor was furious, and the infinite demonic energy gathered into a magic knife, slashing towards Ye Chen in a volley.

Zheng!

His magic knife slashed fiercely on the barrier of the barrier of light.

Suddenly, a huge crack appeared in that layer of light barrier, and the terrifying magic knife killing breath, through this crack, directly killed Ye Chen.

"Be careful!"

Yu Huang Aoxue was taken aback, and before he had time to think about it, he immediately sacrificed the ancient Frozen Cloud Lantern to block the murderous aura of the magic sword.

Ye Chen glanced at her, the two were silent and did not speak, but they both had a tacit understanding. They knew that it was not the time for infighting, and they had to join forces to break through the blockade of the Demon Emperor.

"Golden Zhang Divine Seal, Royal!"

Yuhuang Aoxue bit his fingertips, the blood essence fell on the Jinzhang Divine Seal, and the spiritual energy also poured into it.

hum!

Chapter 8890

The golden seal of Jinzhang shone with dazzling golden light, and also formed a defensive barrier, which merged with the barrier of the sacred book to form a tight barrier to firmly protect Ye Chen.

This golden seal is the ancestor of the rock god, and the legendary rock god Tianzun has the virtue of the earth and the most powerful defense.

Under the protection of Jinzhang's divine seal, Ye Chen is simply impregnable and invincible.

"Damn!"

The Demon Emperor was extremely angry, his body exploded with demonic energy, and he attacked and killed again and again, but in a short period of time, he was unable to break through the defensive barrier of the Jinzhang Divine Seal.

Under the protection of the barrier, Ye Chen slowly began to sacrifice to the Iron Throne.

"Master, instead of sacrificing the Iron Throne, let me eat this magic weapon."

In the space of Longteng Mingxing, the voice of the blood dragon came out, said.

"Eat for you?"

Ye Chen was stunned for a moment.

"Hey, yes, I have eaten the Iron Throne, which can turn the energy of the Iron Throne into the energy of the Dragon Life Star, and it is enough to break through the blockade of this Demon Emperor!"

The blood dragon believes in himself.

"Are you sure?"

Ye Chen frowned.

"Of course there is, don't forget, Reincarnation Fate Star, but the ultimate power of reincarnation blood, I eat the Iron Throne, I can make Longteng Fate Star evolve again, this Devil Heaven Emperor is just a remnant of the will of the soul, can't stop us !"

The blood dragon's eyes showed an extremely fiery look, as if he wanted to eat all the magic weapons in the world.

"Can you swallow it?"

Behind the Iron Throne, there is the will of the ancestor Hongjun. "

Ye Chen frowned.

If it is just a simple sacrifice, the will of Hongjun will dissipate with the wind and return to heaven and earth, or return to the body of the ancestor of Hongjun.

But if the blood dragon devours it, it is equivalent to devouring a trace of the soul of the ancestors of Hongjun, and the Longteng Mingxing can definitely evolve.

But Ye Chen was afraid that the blood dragon couldn't swallow it.

After all, Ancestor Hongjun is one of the top three super masters in Wuwu Time and Space, and his strength is terrifying to the point of unimaginable. His past will not be swallowed by ordinary people.

"Yes, Master, our reincarnation bloodline is the supreme of the heavens, even above the heavens, Hongjun's spirit will, others can't eat it, we can eat it!"

The blood dragon grinned.

"Okay, here it is!"

The time was urgent, Ye Chen thought about it, and finally decided to believe in his own bloodline of reincarnation and threw the Iron Throne to the blood dragon.

"Hahaha....."

The blood dragon looked up to the sky and laughed, opened his mouth to suck, and swallowed the Iron Throne.

This time to swallow, it is to swallow even a trace of the will spirit of Hongjun ancestors, it can be said to be bold.

The Dragon Life Star opened, and a spectacular atmosphere emerged in the void.

I saw that in the void, the blood dragon was entrenched in the sky, roaring and roaring in the sky, the blood blooming all over the body, and the golden light of reincarnation, and the cold steel light was released from the body.

After it swallowed the Iron Throne, it began to rapidly refine and absorb it.

The veins of the Samsara Fate Star flickered in the sky, and the first Long Teng Fate Star gradually evolved into a dark and cold color, which was the color of steel.

"This is....."

When the Demon Heavenly Emperor saw this scene, he was stunned for a moment, and then showed a horrified look.

"Boy, you are so brave, you still want to devour the Iron Throne directly?"

The Demon Heavenly Emperor's face shook. He didn't expect Ye Chen to be so bold that he would devour the Iron Throne. This was already equivalent to offending the ancestor Hongjun.

Yu Huang Aoxue was also taken aback, Ye Chen's actions were far beyond her expectations.

If this is swallowed and fails, it will be counterattacked by the will of the Iron Throne and the ancestors of Hongjun, and Ye Chen and the blood dragon may perish on the spot.

"The blood of reincarnation that you have obtained must not be lost!"

"Dark Star, break it for me!"

The Demon Emperor didn't dare to bet on Ye Chen's success or failure. He knew that if Ye Chen succeeded and Longteng Mingxing evolved, he would not be able to stop Ye Chen.

After all, he is just a remnant of the will of the soul. If Ye Chen's reincarnation supernatural power breaks out, he can't stop it.

The Demon Heavenly Emperor gathered the surrounding demonic energy and turned it into a pure black sword, like obsidian.

That is the dark star, and it is said that it is a great fetish born from the sea of stars.

The Demon Heavenly Emperor is the source of the fantasy inspiration of the Heavenly Demon Xinghai, and the source of the world's demonic ways. He can naturally summon the dark star.

The pitch-black star in his hand, without any impurities, is as pure as the ultimate dark night. Compared with the ordinary no-no artifact, the killing edge is not known how much more powerful.

scoff!

The Demon Heavenly Emperor slashed out with a sword, vowing to stop Ye Chen and even kill him before he devoured the Iron Throne.

The ultimate magic sword light, as if it was going to penetrate the sun and the moon, slashed straight to Ye Chen.

He wants to kill Ye Chen, devour Ye Chen's blood, and revive himself.

Click!

The enchantment released by the Jinzhang Divine Seal and the Holy Book also made an overwhelmed sound under the ultimate demon sword of the Demon Heaven Emperor, as if it were about to burst at any time.

"Blood of the Ice God, burn!"

Yuhuang Aoxue clenched his silver teeth tightly, disregarding his own consumption, burning the blood of the Ice God in his body, his hair suddenly turned into a snow-white color, and his face became pale.

Under the energy infusion of her Ice God blood, the Jinzhang Barrier and the Light Barrier finally stabilized, blocking the ultimate sword of the Demon Heavenly Emperor.

At the same time, the blood dragon also finished swallowing.

"Hahaha, swallowing the Iron Throne, I have evolved again!"

The blood dragon laughed wildly, only to see that it was covered with bones, making a crackling sound, the dragon scales turned into a steel-like color, and the dragon claws also turned into steel dragon claws.

Even on its dragon body, there is a faint trace of immortal Emperor Qi surrounding it.

That is the Heavenly Emperor Qi that originated from the ancestors of Hongjun!

At this moment, the blood dragon has completely swallowed the Iron Throne, and even swallowed the will of the ancestor of Hongjun, and directly received the blessing of the ancestor of Hongjun.

Surrounded by Heavenly Emperor Qi, the dragon's might erupted from the blood dragon was simply earth-shattering, causing thousands of layers of time and space to shake, and the starry sky to shake.

The power of Longteng Mingxing has also improved to a higher level and has evolved again.

"Oops!"

The Demon Heavenly Emperor only felt that the surrounding air seemed to be as solid as steel, airtight and suffocating.

In the surrounding void, there is a terrifying reincarnation divine power, which is the coercion brought by Longteng Mingxing.

"What a powerful force! I'm going to break through again!"

Ye Chen was pleasantly surprised. After the evolution of Longteng Mingxing, his cultivation base also soared rapidly.

From the third layer of the Sky Profound Realm, he directly broke through to the fourth layer of the Sky Profound Realm!

"Come on, I'll take you out."

Ye Chen looked back at Yu Huang Aoxue, and then with a move, the blood dragon wrapped around his arm.

Click!

People and dragons are one.

Ye Chen's arm also turned into a dragon arm, surrounded by the breath of Heavenly Emperor Qi and steel, bursting with power.

boom!

Ye Chen smashed with a savage punch and slammed directly at the Demon Emperor.

This punch, with the violent coercion of Longteng Mingxing, is simply a god blocking and killing a god, and a Buddha blocking and killing a Buddha.
