

Physician 891

Chapter 891

Because it was too frightening and dangerous, one hundred years ago, Lingyi Dan Zun and Xingtian Dan Zun were sealed with magic method.

No longer on.

But now Xingtian Dan Zun should be opened again, which scared everyone.

Especially Cui yuan!

Cui yuan's body is wet, but he is a single transmission. For so many years, he has only one gifted son. He put all his hopes on Cui Ruicheng. Now Cui Ruicheng has been injured. If he faces the statue of Dan God again, he will surely die!

He didn't want his son to take risks!

So, he looked at Xingtian Dan Zun with trembling voice and said, "Lord danzun, the child has been injured, or we should change another way..."

Xing Tian Dan respects Mou son a congealing, facial expression some not good-looking, way: "do you think you have the right to choose? I've heard that your son's talent is against heaven. Do you have no confidence in your son

"If so, I don't think it's necessary for Cui's family to exist."

Threat!

Cui yuan's heart thumped for a moment. He had no idea that this kind of Dan Zun would do the same. He had no choice but to look at Ye Chen and explain: "my Lord, this is not the case. Naturally, I have confidence in my son's Dan Dao. However, ye Chen's martial arts strength is very strange. If you attack my son halfway, my son will die. I have only one Son

Xingtian Dan Zun snorted coldly: "you can rest assured of this matter. With me, that boy can only use the Qi of Dan Dao! As for the rest of the means, don't think about it! "

"If he dares to move, I will kill him myself! I believe that there is the suppression of Dan God, and the spirit does not dare to fight back! "

After that, he turned his head and looked at Lingyi danzun: "how? Do you dare to bet? "

"If you admit it, just think I didn't say anything. You just sit back in your danxu Tower!"

Ling Yi Dan Zun takes a look at Ye Chen, and naturally feels that ye Chen's spirit of elixir is not strong, and even seems to be the most rubbish root.

However, ye Chen's roots are very special, and there are some differences between ordinary roots. He can't tell where the specific differences are.

Although Ye Chen and Lin Qingxuan have some connections, but in the face of the statue of the Dan God, they can see completely the talent of Dan Dao.

He has heard about the Cui family's boy. He even saw him several times when he broke into danxu tower!

The talent is the best in a hundred years, and the spirit root is the rare pulse of Dan spirit!

A root and a Danling pulse, ye Chen will lose, he naturally can not agree.

He just wanted to refuse, but behind him came a firm and cold voice: "I promise!"

Xing Tian Dan Zun outlined a evil smile and nodded: "yes, boy, you are like a man now! No matter what the result, I will not move you again

"Cui yuan, bring your son here. As for his injury, I will naturally make him recover as before."

Cui yuan quickly nodded and disappeared in front of the crowd.

Hearing Ye Chen's promise, Lingyi danzun quickly advised: "this matter can be big or small. It's not about strength and means, it's all about talent. I hope you can think about it again."

Ye Chen shakes his head: "need not consider, so decided."

Although Lingyi danzun wanted to say something, he shook his head and stopped talking.

Before getting to know Lin Qingxuan and the identity of this person, he still don't say much.

Five minutes later, Cui yuan came with the injured Cui Ruicheng.

When Cui Ruicheng saw Ye Chen, the anger in her eyes completely rushed out!

He would like to dry Ye Chen's blood and peel off Ye Chen's skin!

But at the moment, his body injury is too heavy, there is no way to Ye Chen.

Cui Yuanlian said, "I haven't seen Mr. Dan Zun yet!"

Cui Ruicheng was surprised, and then noticed that not far away from the sky Dan Zun, just want to kneel down, Xingtian Dan Zun waved his sleeve and said: "kneel is not necessary, let me see your injury."

Language down, Xing Tian Dan Zun points to Cui Ruicheng's eyebrows.

In an instant, a holy light wrapped Cui Ruicheng.

Cui Ruicheng's original broken bone is more crackling recovery, the body's injury is constantly alleviated.

Later, Xingtian danzun took out a pill.

The lines of the pills are very simple, and the surface is emitting a blue light.

As soon as the pill comes out, the full-bodied danxiang is covered.

Some people even exclaimed: "this is the green burning compound body pill! According to the persuasion, the next one can not only repair the injury, but also improve the cultivation. This is the most precious treasure that countless powerful people in Kunlun have always wanted! "

Cui yuan and Cui Ruicheng swallowed and salivated, and their eyes were hot! Who also wants not to torture heaven, Dan Zun is such a big hand.

This is not a chance!

If today, Cui Rui is confirmed by Dan God and even enjoys the supreme glory, Cui Ruicheng will certainly grow into a overlord in the future!

It can even be said that they are the same level of Dan Zun!Cui's family is going up!

Suppress all families!

"Still not satisfied?" The cold voice of Xingtian danzun rang out.

Cui Ruicheng responded and nodded quickly: "yes, yes, thank you, Mr. Dan Zun. I will not disgrace him."

"If only on Dan, do you have confidence to surpass that boy?"

Cui Ruicheng took the green burning compound body pill, and his body instantly overflowed with blue light.

The light covers everything, the cultivation is constantly climbing, and the spirit of Dan is more and more strong.

Cui Ruicheng clenched his fist and stared at Ye Chen. He replied, "don't worry, Dan Zun, I'm silent on Dan Dao, and I'm a minor in martial arts. I'm naturally injured if I'm not as good as that kid. But if it comes to Dan Dao, I'm qualified to crush him! He will die

Xingtian danzun is very satisfied, he can feel Cui Ruicheng's spirit of elixir is very strong.

It is almost impossible for such a genius to lose to a common root.

When Lingyi danzun saw this scene, he would not let Ye Chen suffer. He took out a red pill and handed it to Ye Chen: "the green burning recovery pill is precious, but my Chiyuan PA Ti pill is not weak. He can strengthen your body and repair your injury, and even make your Dan Qi more solidified. Take it!"

When people saw this red pill, their eyes were blazing!

Envy!

Two Dan Zun do not fight, but use this means to compare, the most benefit is the two young people!

Unfortunately, only one of them survived.

In the envy of all, ye Chen took the pill and curiously looked at the spirit of a Dan Zun: "this thing, should not only people can eat it."

Lingyidan respects a Zheng and nods: "of course, it's not limited to people. Some spirit animals with strong physical and blood can also be taken. What do you want to do with this?"

Ye Chen did not answer, but, in full view of the public, touched Xiaohuang in his arms and said softly, "Xiaohuang, open your mouth, feed you a sugar."

Chapter 892

Ye Chen is very clear that Xiaohuang's current state needs this pill more than anyone else.

Xiaohuang was in a daze and opened her mouth. The pill was swallowed in a moment.

In a flash, the red light wrapped Xiaohuang, which was painful and ferocious, obviously felt much more comfortable.

There was even a slight sound of comfort.

At this moment, the surrounding completely exploded!

Everyone is not calm!

It's a fuckin 'chitin!

Only the top alchemist can be refined after 49 days!

This pill needs many rare herbs!

Most people are not qualified to see, let alone eat!

The whole Kunlun void is estimated to be no more than five!

It's rare for a cat to feed itself, but it's so rare for a cat to eat!

Sleeping trough!

Is this guy brain damaged?

What a monster!

Even Ling Yidan Zun is also a corner of the mouth twitch up, some helpless.

He even suspected that this boy really had something to do with Lin Qingxuan?

This is too stupid.

Take this red Yuan Ba Ti Dan, at least let him face the statue of Dan God, how much chance to win!

But this kid just doesn't cherish it.

Luo Wuyuan shook his head and sighed to his daughter Luoyao: "this boy is good everywhere, but he is too crazy. He doesn't enjoy this chance. He even gives his mother a beast! I'm convinced

Although Luoyao didn't understand, she still stood by Ye Chen's side and explained, "Dad, he should have his reasons."

"Fart reason, this guy thinks that if he steps into the fourth level danxu tower, he will be invincible in the world. He doesn't know that if Cui Ruicheng is in the current state, he can cross the six storey danxu Tower!"

Xing Tian Dan Zun and Cui Ruicheng and others also sneer at each other. The victory or defeat is actually very clear.

Xing Tian Dan Zun walked in a direction and said: "Ling Yi, let's lift the seal behind it."

"Some people want to die. You can't save them if you want to."

Lingyi danzun did not speak and went to a corner of danxu tower in silence.

The two danzuns pinched the formula at the same time and clapped it with one hand.

In an instant, the sky shakes.

Originally the open land, the ground actually sunken, gradually a prototype altar directly up.

On the altar, there is a statue and a stone tablet.

The statue is an old man with a master's temperament between his eyebrows.

With arms raised, it is a miniature pagoda.

Guta ten as like as two peas.

Even the statue alone gave birth to a supreme pressure.

Seeing this statue, lingyidan Zun and Xingtian danzun knelt down on the spot!

At the same time, all the people present knelt down!

Because this statue is the God of Dan!

If you don't kneel down, it's disrespectful!

All the people present knelt down, but one did not!

That is Ye Chen!

It's not that Ye Chen doesn't kneel, but he hears a voice coming from the Samsara cemetery!

"This man, don't kneel! He kneels, and you're almost there

Ye Chen almost a mouthful of old blood spurt out, but still did.

The reincarnated tomb owner must have the proud bone of the reincarnation tomb owner.

Ye Chen is too conspicuous at the moment, and immediately countless eyes stare at Ye Chen.

Surprise, fear, anger.

Xingtian Dan Zun even said: "Ye Chen, you are so bold that you don't kneel down when you see Dan God! Do you really think of yourself as a character? "

Ling Yidan Zun also glanced at Ye Chen. He didn't say anything.

It's just a pity.

He didn't like this person's character. He was crazy.

Not even awe.

This kind of person is destined not to go far.

If you don't kneel down now, I'm afraid you won't get the affirmation of Dan God.

No doubt it's looking for death.

Five seconds later, the crowd got up,

xingtiandan Zun said to Ye Chen and Cui Ruicheng, "you two stand in front of the statue, close your eyes, and release the spirit of the elixir in your body!"

Ye Chen and Cui Ruicheng step forward and stand in front of the statue of Dan God.

A circle of light surged on the altar and wrapped them up!

When everyone looked at Ye Chen coldly, a distant voice came from the statue: "just now, why didn't you kneel down?"

The words fell, and an endless pressure came.

People look flustered, big change again!

Even, they kneel down again!

I didn't expect that the statue of Danshen appeared!

Although endless pressure, but can not affect Ye Chen at all.

As long as Xiao Huang exists for a day, no one can use pressure to resist he Ye Chen!Ye Chen raised his head, eyes firm, a word: "why should I kneel on your knees, I only kneel on his parents, heaven and earth can not let me bend my knees, you and I have never known each other, naturally not kneel!"

A great affirmation of attitude.

The statue hummed coldly, and said, "shut your eyes, release the spirit of the Dandao!"

There is no temperature or fluctuation in the words, but everyone feels a little angry!

Deep anger!

Cui Ruicheng first closed his eyes, Dan Qi released.

The stone stele beside the statue even gave birth to a dazzling light!

At the same time, a set of numbers appeared on the stone tablet, and the numbers are getting higher and higher.

It wasn't until it stabilized at 617 that it stopped completely.

The lingyidanzun saw this group of numbers, his face was extremely ugly!

The value is the spirit of the Tao, and it can directly represent the talent of the Tao!

A hundred years ago, that is, the last number displayed, was only 524!

Now cuiruicheng is 100!

Enough to prove talent is against heaven!

Not many times, Cui Ruicheng opened his eyes, when he saw the number on the stone tablet, the corner of his mouth outlined a smile of confidence.

He arched the statue of Dan in a more pretentious way: "hard God of Dan!"

Instead of paying attention to Cui Ruicheng, the statue of Dan God looked at Ye Chen, and the impatient tone sounded: "it's your time."

Ye Chen has no nonsense, close eyes, release the spirit of the Tao.

But! There is no light!

There is no number on the stone tablet!

Everything has changed too quietly.

After a few seconds, the results are the same!

Nothing!

It's like, not sure!

Cui Ruicheng saw this scene and laughed and said, "Ye Chen, you even have no value! It's ridiculous! "

"It seems that you are a waste of roots, and you are not sure on the Dandao! Ha ha! "

When he saw this scene, he was in a good mood. Turning his head, he said to the lingyidan Zun: "it seems that the result is obvious. Dan God's anger, do you want to save this kid? Funny! "

If ye Chen is really wiped away by the statue of the God of Dan, the spirit one dan Zun does not speak.

Then he can't say anything!

This is the fate of Ye Chen.

Countless eyes stare at Ye Chen like this, sneering.

It seems that everything has already been settled.

But at this moment, the leaf Chen feels into a special space.

Extremely subtle.

"Formation? I unexpectedly unconsciously entered the formation? "

All around is ancient writing.

Every word is a top ten square.

Chapter 893

All of a sudden, an ancient voice resounded in the space: "you don't even have the reverence and awe for the Dan Dao. How about releasing the spirit of Dan Dao?"

"Your existence will only lead the way astray! In this case, I will not kill you, but I will seal your spirit here forever! Let you feel endless anxiety and loneliness! This is your punishment. "

Ye Chen did not have any flustered, he raised his head, gaze at a direction, light way: "excuse me, it's not that I don't kneel you."

"Instead, you are not qualified."

"If you want to kneel, you kneel me, understand?"

Hearing this, the whole world is a little quiet!

Then, a yell resounded: "looking for death!"

In the eyes of all, the words flying down!

Countless words seem to hit Ye Chen's body!

Ye Chen is not moved!

Cold eyes!

Since the voice of the samsara cemetery made him not kneel, naturally there was his reason!

He just needs to choose to believe!

In the text is full of violent force to touch Ye Chen, the black stone flies out directly.

Whirling around Ye Chen's head!

A sense of desolation suddenly spread out!

The next second, countless words in this space were sucked into the reincarnation cemetery by black stones!

At the same time, a figure is pulled out by the invisible power!

It's the man of the statue!

The statue of the person obviously did not expect to be forced out of their eyes a little serious.

Standing in front of Ye Chen's body, he stares at the black stone on top of Ye Chen's head and exclaims: "what is this! Tell me! "

Ye Chen takes out a chair from the samsara cemetery and sits down calmly.

"As I said before, you are not qualified to let me kneel, and you are not entitled to know the secret of this stone."

Hearing this sentence, the sculptor did not know the origin of the black stone, but in the space he constructed, he was the master, and naturally he was not afraid of everything.

His eyes are cold, word by word: "no one dares to speak to me like this. You are the first and will be the last."

Language down, he step out, the energy of the whole space instantly into a terrible palm print.

From the sky!

If you clap it on Ye Chen, you will die.

"I wanted you to enjoy the endless darkness. Now it seems that I have changed my mind. I want your spirit to bear endless pain."

"This pain is enough to make you regret what you have done

"This is the fury of ancient powers. You are a mere mortal and can't bear it!"

In the terror of the palm print with endless pressure to devour Ye Chen, ye Chen still does not move.

Instead, he said, "are you a great power in ancient times?"

"Then you know there are a hundred ancient great powers standing behind me!"

The cold words fell, and the statue's man was stunned, and the black stone instantly released endless energy.

In an instant, the whole space cracked.

As if to collapse!

At the same time, a desolation and red light swept through!

When the red light disappears, a hundred tombstones appear.

This space has been absorbed by the samsara cemetery directly!

That terrible palm print also suddenly disappeared! As if it never existed.

And the tombstone man looked at the strange things, some lost his mind.

However, a trace of panic appeared around the tombstone.

His eyes widened, and blood covered his pupils!

"This How could that be possible! "

He even clearly felt that every tombstone has a very strong ancient meaning.

It's like, in every tombstone, there is an ancient great power!

He comes from ancient times, but compared with the people in the tombstone, he is a mole ant!

"Step into the samsara cemetery, but don't kneel down!"

Mo Ning'er appears in the air and looks down at the statue with disdain.

At the same time, Lin Qingxuan's figure is also revealed.

When the person of the statue saw Lin Qingxuan, his eyes widened!

"Plop!" One, kneel down directly!

He's going to cry. What the hell is this!

There are hundreds of great powers!

The horror of the two men in front of him was a nightmare, not to mention the remaining tombstone.

The key is Lin Qingxuan. He knows the only one who breaks into the ninth floor!

Even from the ten story danxu tower, only one step away!

He was terrified, he was shocked.

Ye Chen saw the statue of the person actually so quickly knelt down, expression some doubt.

Isn't it said that this person is the one who controls the magic weapon of danxu tower? So weak?

Lin Qingxuan seemed to be aware of Ye Chen's doubts. He took a look at the man kneeling and said, "danxu tower is a treasure of ancient times. How can ordinary people control it! And this guy is just the person who put danxu tower here in ancient times. If you really want to say his identity, he should be just a servant. "

"However, he is also smart. With that unnecessary rule, he absorbed the spirit of other people's moral integrity, even the spirit and the body. After absorbing for thousands of years, his cultivation has been improved constantly. It's really a good calculation!"

"That's why the samsara cemetery keeps you from kneeling! What kind of villain is qualified to let the reincarnation tomb owner kneel down? "

"Disciple, remember, from the moment you become the reincarnation tomb owner, the way of heaven is not qualified to let you kneel down!"

"You represent not only yourself, but also the dignity of our hundred people."

Ye Chen suddenly nodded: "master, don't worry, my character is just like this, and it's the same when Laozi comes."

Lin Qingxuan gave a light hum, and then his eyes were burning at the statue's person, and he said, "what should you do? You should be very clear about it. You can release all the things absorbed in the millennium and the energy in your body here."

"I'll just say it once. If you don't agree, I'll do it myself."

"You may suffer a lot. Choose yourself

The face of the kneeling statue is very ugly!

He shouldn't have sent this kid into his space!

Now all the luck and opportunity of a thousand years will be lost!

You can't even save your life!

"My Lord, can you spare my life and let me live in the world?"

Hearing this, Lin Qingxuan waved his sleeve: "from the moment you let the reincarnation tomb owner kneel down, your destiny has ended. Besides, you have already known the secret, you must die!"

Finish saying, Lin Qingxuan's sleeve actually flies out six silver rays.

It is the Qi needle of the true Qi of Lin Qingxuan.

The air needle mercilessly fell on that person's body, in an instant, that person was in fright, the body burst out!

However, there is no blood mist, but extremely pure aura.

Even ye Chen feels that the spirit of the reincarnation cemetery is too strong now!

Far beyond the outside world!

At the same time, nearly a hundred tombstones vibrated together.

Ye Chen has only seen these visions several times.

Chapter 894

The sense of vibration is more and more intense, to the end, a hundred lights even began to flash crazy!

"Master, this is..." Ye Chen exclaimed.

Lin Qingxuan fixed his eyes on one of the tombstones.

He found that the tombstone he had been observing was completely covered with a golden light.

A few lines even began to appear.

But when it was revealed, it was covered by a force.

Obviously, the man is not going to come out now.

Along with Lin Qingxuan's eyes, seeing this state, ye Chen is too familiar with it, which means it can be moved.

At the same time, the two tombstones on the left and right of the tombstone are also quite dazzling.

But it's only a step away from the trigger.

This wave, he made a lot of money!

Is that why Lin Qingxuan always let him come to danxu town?

At this time, Lin Qingxuan said, "disciple, can you see the three tombstones? Because the reincarnation cemetery has absorbed the energy of that person for thousands of years, you can activate one of the tombstones, and the remaining two still need opportunities. "

"Danxu town did not come in vain."

"What's more, from the beginning of the reincarnation cemetery to now, your performance has been beyond our expectation, and it's time to reveal that secret to you."

"Well, there are some things. I'd better wait for you to ask Lingyuan. He should be able to tell you something."

"Next, are you confident to face it?"

Ye Chen trembled and wanted to say something, but finally he nodded heavily and clenched his fist: "yes! Master, I will live up to you! "

Lin Qingxuan's arm waved: "we believe you, but I hope you understand a word."

"This is a world where the strong are respected, and human life is the least valuable thing. You have enough strength to destroy everything. "

"The world is cold, without a trace of temperature. If you want to protect the warmth around you, only strength. "

"For those who want to kill you, you should take up the sword in your hand mercilessly and guard the pure land in your heart."

"That's why I allow you to take the road of killing."

"What's more, if you want to counter the power behind the samsara cemetery, remember three words: beast, dragon and devil!"

Language down, the entire samsara cemetery again violent vibration.

Ye Chen's spirit was shaken out and returned to reality.

Obviously, Lin Qingxuan's words have broken some secrets.

Ye Chen feels the noise near danxu tower.

Sneer, sneer, scorn.

He did not have much time to pay attention to, but savored the three words.

Dragon, beast!

This beast should mean fierce beast or demon beast.

Does it represent Xiao Huang?

As for dragon blood, it should be.

Da Neng of the samsara cemetery emphasizes the value of the blood dragon many times. After all, the blood dragon was bred by him from the beginning.

It fits his body perfectly.

If one day the blood dragon turns into ten thousand feet, it will become the essence.

That's when he was respected by Ye Chen.

What does the last devil mean?

Is it demonization? Or looking for a demon?

Ye Chen is puzzled.

No more thinking, ye Chen opened his eyes.

Cui Ruicheng sneered: "boy, you lost! It is estimated that before long, you will be wiped away by the God of Dan. Ha ha

Ye Chen's eyes are very plain. He glanced at the statue and said faintly: "the God of returning Dan is just a mole ant. Destroy it!"

The next second, under everyone's eyes, ye Chen's arm is twined with endless thunder and lightning, and his palm blows on the statue!

See ye Chen so crazy move, all people have a breath of cool air.

Big eyes!

This ye Chen is crazy not to become, so rebellious behavior also dare to do!

This is the statue of Dan God! Don't say it can't be destroyed! If you are disrespectful, you will die on the spot!

All spirits are destroyed!

Even Ling Yidan's eyes were frightened and said in a loud voice, "no!"

But ye Chen has already fallen.

The people of the statue are destroyed. The statue has lost its spirituality for a long time!

How can't it be destroyed!

"Click!" A sound, the statue split instantly, God thunder package, like thunder net entanglement!

A sudden contraction! The statue instantly turned into powder and dissipated between heaven and earth.

At this moment, the temperature seemed to drop very low, and the crowd held their breath.

They can't believe it!

The belief of danxu Town, the so-called Dan God, was destroyed like this!

How could that be possible!

Before everyone's reaction, ye Chen's body unexpectedly burst out of endless Dan Qi.

The spirit of Dan is too strong! Strong to Ye Chen seems to be a Dan God!

At the same time, the stone tablet began to shine, the light was too dazzling, as if the night could be turned into day.

And a number is growing like crazy.

First it was 1000, and finally it increased to 10000!

Far more than Cui Ruicheng 617 don't know how much!

The key figures have not yet stayed!

Even the stone tablet can't bear the growth rate!

"Boom The stone tablet burst open!

Innumerable broken stone just like sharp weapon to penetrate all around!

Cui Ruicheng looks scared.

He wanted to run, but ye Chen's cold voice sounded from behind him: "willing to gamble and admit defeat, but also want to go!"

Cui Ruicheng's body is stiff. He turns around. When he sees ye Chenzhi, he finds that a long sword has slipped gently on his neck.

Sword light devours everything.

Finally, his body was covered with blood, but he was unconscious.

"Ruicheng!" When Cui yuan saw that his son was dead, he was like a madman!

Sacrifice a long gun, toward Ye Chen!

He wants Ye Chen to die! Even all the people around Ye Chen will die!

But Cui yuan has not yet started, Luo Wuyuan is holding a sword to Cui yuan's body.

Without any sign, Luo Wuyuan releases all his strength, even with the intention of blood essence!

The sword directly penetrated Cui yuan's chest.

Cui yuan looked at the sword penetrating his body, staring at Luo Wuyuan, surprised: "why do you want to kill me?"

Luo Wuyuan's eyes were cold: "Mr. moving leaf, is my Luo Wuyuan's enemy!"

The same attitude as Lingyi danzun!

Luo Wuyuan is very clear that if he does not express his position now, and so on Ye Chen grows up, he is not qualified!

No matter what cost, he will set foot on the wheel of Ye Chen!

Xing Tian Dan Zun saw Cui's two people dead in front of him, his face was very ugly!

His eyes flashed a trace of sinister, just want to start, Ling Yi Dan Zun is standing in front of his body, light way: "Xing Tian, you can't afford to play? If you and I were seriously injured, who would suffer more? "

Hearing this sentence, Xing Tian Dan Zun snorted coldly: "willing to gamble and admit defeat! But today's business, not so easy to end! Do what you want

With that, Xingtian Dan Zun disappeared in front of Lingyi.

It's a bit of a mess.

Lingyi danzun gently exhaled a breath, then suppressed the shock in his heart and said to Ye Chen, "little brother, I have something to say to you, can I go to danxu tower for a gathering?"

Ye Chen Mou son a congealed, thought of Lin Qingxuan's account, nodded and agreed: "good!"

Chapter 895

Luo Wuyuan watched Ye Chen and Ling Yidan Zun leave. He thought his actions could make ye Chen see more.

At least I will nod to myself.

He had not seen Shichen once.

At the thought of his Luo family's master's being so subdued, he could not help feeling a little headache.

But for the moment, he had to look at each other's faces.

Luoyao walked to Luo Wuyuan's side, lost: "Dad, let's go back."

Luo Wuyuan thought of what, quickly looked at Luoyao, firmly said: "Yao'er, we'll wait outside, waiting for Mr. Ye to come out."

Luo Yao's expression is very strange: "Dad, I know Mr. Ye. He is a slow-moving person. It's useless for you to take such an attitude."

Unexpectedly, Luo Wuyuan was squinting at her eyes and said faintly: "I know this matter naturally. I never expect that I can catch up with Mr. Ye. Fortunately, I have a good daughter."

"Yao'er, I ask you, do you have a good opinion of Mr. Ye? Tell me the truth."

Hearing this, Luo Yao's face flushed instantly, even lowered her head, and did not know what to say.

She had known Mr. Ye before, but she only saw his alchemy talent and just appreciated it.

But now, witnessing what happened in front of you, which girl doesn't like Mr. Ye?

Even in order to save himself, Mr. Ye did not hesitate to send himself to a dead end!

But even if she loves Mr. Ye, will she look up to her in his present status?

Luo Wuyuan looks at his daughter. As a father, he has the answer in his heart.

I'm afraid my daughter is in it.

If this thing can be achieved, it may be a great opportunity for the Luo family.

He hesitated for a few seconds and said, "Yao'er, I don't know about feelings. But I know that if you don't fight for it, you may regret it for a lifetime. Let's wait for Mr. Ye to come out."

"Well." The silent eyes of Luodan are as silent as water.

.....

The first floor of danxu tower is the place where the spirit one dan Zun cultivates.

Only two people look at each other, it is Ye Chen and Ling Yidan Zun.

As for Fang and Lao Yang, Lingyi danzun asked them to bring some tea and snacks.

At the moment, Lingyi danzun was a little nervous and wanted to say nothing. This is a state that has never been seen at his level.

Ye Chen swept a glance at Ling Yi Dan Zun and took the lead to say, "are you Lingyuan?"

Lingyidan zunmeng nodded: "yes, there is a doubt in Lingyuan's heart. Only one person knows this name. I don't know you and that one..."

Before he finished speaking, ye Chen interrupted: "you should be talking about Lin Qingxuan, right? He is my master

Hearing the three words of Lin Qingxuan, the brain of Lingyi danzun is blank!

It's like breaking apart!

The young man in front of him is only in his twenties! Master Lin is his master!

That proves that Lin Qingxuan must be alive!

After the legendary ancient war, Lin Qingxuan disappeared mysteriously, and everyone in Kunlun Xu thought those strong men were dead!

Now, it's not at all!

Not only alive, but also able to recruit students!

Can he not be excited!

"Plop!" A, let Ye Chen shocked is, Ling Yi Dan Zun actually knelt down!

Because in terms of seniority, ye Chen is far higher than him!

He is just a boy who is instructed by Lingyi danzun and has no reputation!

Ye Chen is a real apprentice! His identity is far higher than him!

At this time, Fang Lao with tea, Lao Yang carrying some snacks quietly appeared at the door.

When they saw the scene in front of them, they were completely shocked!

"PATA!"

The tea falls directly on the ground and shatters on the spot!

So is the snack! It's all on the ground!

Fang Lao and Lao Yang are like petrified and apathetic.

They know that ye Chen's identity is special, but they don't know that ye Chen is so special that he can kneel down to his knees!

Sleeping trough!

They follow the spirit of a Dan Zun side, do not know how many years, have ever seen the spirit of a Dan Zun kneeling ah!

The key is that the other party is a young man with such accomplishments!

You can't even return to the virtual state!

Lao Yang is a little scared, after all, he had scolded Ye Chen a lot!

The attitude is not good!

Ling Yi Dan Zun's eyes turned and saw two people at the door. He snorted coldly: "two wastes, even this kind of trivial matter can't be handled well. I really think I dare not kill you?"

This time, Lao Yang and Fang knelt down to beg for mercy.

Ye Chen has some good feelings for them. After all, before the appearance of Lingyi danzun, they fight to death to resist.

Therefore, he said: "do not embarrass these two people, they are also unintentional."Ling Yi Dan Zun nodded: "don't thank Mr. Ye yet!"

"Yes, yes, yes!"

"Thank you, Mr. Ye!"

Old Fang and Yang dare not breathe.

Lingyi danzun didn't want to disturb them. He said directly: "don't step back. Don't step into this place any more! Otherwise, I will drive you out of danxu tower forever

Language down, a gust of wind, will two people out! The next second, the stone gate closed, completely closed.

Lingyi danzun looked back at Ye Chen excitedly and said:

"Mr. Ye, I want to know the whereabouts of master Lin and where he is now? All my achievements now are due to him. I also protect this danxu tower because of the mission of elder Lin. please give me a chance to repay my kindness. "

If Lin Qingxuan is in good condition, he doesn't mind letting him meet him.

But now Lin Qingxuan's energy is not much. He can't come out until he has to.

He directly refused: "the master has traveled around, he is used to it freely. I'm afraid this wish can't satisfy you."

Lingyi danzun was a little lost, but he still said: "yes, after the ancient war, master Lin was very tired and didn't want to be disturbed by such trifles. How could he meet me! It's something I shouldn't have asked more. Please forgive me. "

Ye Chen has always heard Lingyi danzun mention the ancient war. It is obvious that what Lin Qingxuan wants him to know about the reincarnation cemetery must be related to this war.

It is because after this war, countless strong people disappeared! It can be said that this is the fuse!

No longer hesitating, ye Chen said directly: "Lingyi danzun, I've always been curious about the ancient war. Can you tell me something?"

Hearing that ye Chen didn't know about the war, Lingyi danzun was puzzled for a few seconds, but he quickly reflected that if Lin Qingxuan didn't say anything about ye Chen's age, he would not be qualified to touch it.

He organized his language a little and said, "I don't know much about ancient wars, but it's not a secret to trigger the existence of ancient wars. It's the blood spirit clan.

As for the Xueling clan, there are few relevant documents about Kunlun deficiency. After Lin Qingxuan disappeared, I used all means to find out. "

Chapter 896

"It's a pity that I haven't found anything useful, but I've learned something over the years."

At the same time, lingyidan Zun offered a broken token.

The token is very strange, with a blood spirit on it.

It's extremely penetrating.

Just a glance, you can feel the evil power contained in it, as if it can devour the spirit of human beings!

"Mr. Ye, this is what the strong people of the blood spirit clan left behind. The blood spirit clan is not the virtual force of Kunlun, but in ancient times, they once came here. Their means were extremely terrible, and they could suppress countless powerful people by waving their hands."

"If it wasn't for the cooperation of many powerful people in Kunlun void, I'm afraid the whole Kunlun void would have been wiped out and turned into nothingness."

"They can absorb the Qi and blood of practitioners for their own use, almost invincible."

"Mr. Ye, do you know that the three thousand strong men of the ancient times in Kunlun are not equal to the three people of the Xueling clan!"

"After that, according to my investigation, a group of top strongmen in ancient times, including senior Lin, disappeared, and they were looking for the blood spirit clan. After all, if the threat was not completely cut off, China and even Kunlun would be threatened with death."

"Han's family is the best, but there is only one person with the highest reputation in Kunlun! Before he was seriously injured, he could break through the mountains and rivers by waving his hand

There are so many people who have been praised by Kunlun as a pure land! A point out, in front of countless Kunlun Xu family and clan, live torture! Almost dead

"We are all angry and rebellious, but it's no use at all! That old man is too strong, we can only watch Han Yun bear all kinds of pain! Han school strong intervention, but was killed on the spot by the old man! How can the Han family resist? It will only cause more casualties! "

Ye Chen hears here, the shock in the heart is incomparable.

Transcendental realm, holy realm, holy King realm, return to virtual realm, Xuwang realm, Daoyuan realm, Emperor Zun realm and so on!

He's just the third level of the Kingdom now! Can barely achieve the strength of returning to the virtual state! With the help of cards, he may be able to fight the strong in the early stage of the first World War!

But Daoyuan realm and Emperor Zun realm are the realm he didn't dare to think about!

More to the back, a small gap may cost practitioners a hundred years or even a thousand years!

The eight layers of the emperor's Zun realm are almost like gods. They can even be said to be the most high person in Kunlun. They are still seriously injured!

What is the strength of the man who made the move!

Lingyi danzun may be thinking of these past events, the feeling of anger in his heart broke out, his fist clenched, and his veins burst out!

This is humiliation! To China and Kunlun Xu humiliation!

"Mr. Ye, after that, the old man left. Han Yun didn't die. The old man left Han Yun's unbearable body on the Wanbei platform, and left a sentence:" a group of humble ants, the lowest race, in the eyes of my blood spirit clan, you can only become our playthings! Give up the struggle and enjoy the pain you ants should enjoy! If you dare to fight again, you will be killed!

As for the rest of them, they will never come back, nor are they entitled to return! Remember, every hundred years, you should be ready for a hundred emperors to respect the strong! To enjoy and torment for us is your mission as a slave! "

Hearing this sentence, ye Chen's anger filled his whole body!

What a mean race!

What is a humble mole ant!

What is the plaything of others!

What is the slave of blood spirit!

What qualifications does this blood spirit clan have to do with human life! Ignore the rules!

This feeling of powerlessness is not the practitioners of ancient times, but covers all people!

Including him ye Chen!

His blood flowing on Ye Chen, as a member of Huaxia and Kunlun Xu, has always been his pride!

Never allow to be insulted like this!

Not even the blood of slaves!

Ye Chen clenched his fist, and his veins burst out. He was wrapped with a powerful evil spirit. Endless anger seemed to devour him, and his eyes were red with blood!

Eyebrow heart seems to feel the anger of Ye Chen, unexpectedly appeared a black light!

For the light of the devil!

The air pressure around suddenly condenses, suffocating and frightening.

At the same time, the blood dragon in Ye Chen's body seems to rush out, and the roaring dragon chant is extremely angry!

Blood dragon empty shadow is the bearing of Ye Chen's killing way!

The stronger Ye Chen's evil spirit, the more afraid the blood dragon's power is!

And at the moment, he is the most terrible killing!

He can't suppress the blood dragon any more. The blood dragon rushes out directly and coils on the top of his head!

Not only that, but also Xiao Huang, who was put aside by Ye Chen, is aware of something and opens his different pupils.

Red eyes flash with extremely cold light.

An ancient and mysterious Rune circulates wildly. Actually began to absorb part of Ye Chen's anger and blood light!

But soon his eyes closed again, as if in a deep sleep.

Ling Yi Dan Zun feels something wrong. When he looks at Ye Chen, his eyes are extremely frightening.

Evil spirit turns into blood dragon and entangles the whole body!

This is thousands of years can not appear a single existence!

He murmured: "what a strong evil spirit, even if it turns into a blood dragon. How can there be a tendency to be possessed by demons? Master Lin's apprentices should have completely embarked on the path of medical God. This is the meaning of the right way in the world. Why is there a tendency to step into the evil way now? Doesn't he just practice it? It's all about it? "

The air pressure in the whole room is getting lower and lower.

Even the spirit one dan Zun can't bear it.

He couldn't figure out why such a force would break out on a young man.

Suddenly, he thought of a man.

It's just that the idea was quickly abandoned by him.

He can't let Ye Chen go on like this. If ye Chen is really possessed, how should he choose?

No longer hesitating, he pinched the Jue with his fingers, pointing at Ye Chen's eyebrows.

The golden light twinkles, when the golden light wants to cover the evil Qi of Ye Chen's eyebrows, a strong obstacle comes!

In an instant, the golden light broke, and the body of lingyidan Zun also stepped back towards the back, and the blood was surging up!

A mouthful of blood almost spurted out!

"How could it be!"

Lingyi Dan Zun's expression is like hell! He found that his power could not restrain the evil spirit!

Fortunately, ye Chen also gradually recovered his brightness. He looked at lingyidan Zun, as if he didn't know what had happened just now. He continued to ask: "lingyidanzun, after the ancient war, the old man of the blood spirit clan really came once every hundred years, taking away the emperor's powerful people as slaves?"

Lingyi danzun swallowed the next pill and suppressed his shock. He nodded and said: "indeed, every hundred years, the old man will appear. Most of the powerful people in the hundred emperor's respect are transported by the top sects, forces and families. Each sect has a certain quota and dare not violate it. Once one is missing, the clan will be destroyed. There is no need for Kunlun Xu and Huaxia to exist."

Chapter 897

"The emperor's respect for the strong in Kunlun was too precious for him, but he had to offer it to the Xueling family, which also led to the failure of Kunlun Xu's martial arts."

"Even more to the back, those Kunlun virtual top strong had to use pills and various means to forcibly promote their disciples to the emperor's realm! Just for self-protection! For those who stand on the tip of Kunlun, there is no choice.

However, with the passage of time, this secret is only known to a small number of people. In order not to cause panic, all people quietly keep the ancient secret. Even when the hundred emperors were taken away, they thought they were going to step on the supreme Road, but they didn't know it was just the beginning of the nightmare. "

Ye Chen's eyes slightly narrowed, and continued: "how many years are there before the next appearance of Xueling people? Decades? "

At this moment, lingyidan Zun's expression was somewhat lost. He said, "it's nearly a hundred years since the last time. If I'm not wrong, I'll leave the most time of one and a half years for the major sects and forces in Kunlun

"I don't know what happened to those forces and the clan's preparations. I'm afraid Kunlun Xu will be very weak again."

Ye Chen heard a year and a half, the heart stopped beating for a second.

There is not much time left for him!

The old man of the blood spirit clan is the key to the hundred great powers of the reincarnation cemetery!

However, since Kunlun Xu's great powers are all in trouble, why does the reincarnation graveyard still exist? What's more, it has gathered the power of a hundred powerful minds?

What happened after that?

Lingyi danzun seemed to think of something, and continued: "Mr. Ye, in fact, in addition to the Centennial agreement, the old man of the blood spirit clan also appeared once. That time it was because of the stone tablet. The stone tablet is located in the xuye family of Kunlun.

It seems that the old man of the blood spirit clan has been to Ye's house. As for what happened, I don't know. Some people speculate that the stone tablet is related to the blood spirit clan. "

The corner of Ye Chen's mouth outlines a mysterious smile, and everything is connected.

The black stone comes from Ye's family!

As for what the old man did to Ye's, I'm afraid he had to go to Ye's in person!

The death of grandparents is related to the master of Ye family!

When the time comes, the new account and the old account will be calculated together!

"By the way, Lingyi danzun, why don't Han Yun try to understand the ancient wars from him since he is not dead?" Ye Chen opened his mouth.

After all, compared with the Ye family, Han Yun is undoubtedly experiencing everything.

Where did the noumenon of Lin Qingxuan and others finally go? Han Yun absolutely knows!

With a long sigh, Lingyi danzun stood in front of a stone platform and said: "after Han Yun was injured by the old man, although he was treated by the best doctor, and even several Dan masters and I also worked together to refine pills for him, his body recovered almost. But somehow, the strong man with strong spirit was not there. He changed his communication with others, and even his temperament changed greatly. The strong who want to ask something are hurt by him.

After that, the Han family had to keep Han Yun in the forbidden area permanently, and the Han family also faded out of the sight of many forces in Kunlun. They would not participate in any meeting of the top families. "

"Mr. Ye, if you want to know the real thing behind, it's no use looking for Han Yun, and the Han family won't let you see him."

Ye Chen has some headache: "really have no way?"

Lingyi danzun thought for a few seconds, and then said: "the way is not that there is no way. The Han family and the xumo family in Kunlun are in laws. The only time that the Han family has any news in recent years is that a little girl of the Mo family gets married. If Mr. Ye wants to see Han Yun, it is the best way to go through the Mo family, but it is not so easy for the Mo family to meet."

Ye Chen hears Mo's house, Mou son is actually a joy!

He has a connection with the Mo family! Isn't Mo Ning'er a member of Mo family?

Just in time, he owes Mo Ning'er a favor and says he wants to go to Mo's house!

With Mo Ning'er in, it's much easier for him to get on with Mo's family!

After talking about some things, ye Chen knew that he couldn't get anything out of lingyidan Zun's mouth, and he didn't intend to stay too long. He said directly, "Lingyi danzun, the master asked me to pay attention to the affairs of the blood spirit clan. No matter what, I must see Han Yun. As for the Mo family, I have a way!"

Ling Yi Dan Zun's expression is a little strange, but he knows the attitude of Mo family. This ye Chen still wants to go to Mo's house?

If ye Chen is going to see the people of the xuye family in Kunlun, he may still believe in it. After all, ye Chen may have something to do with the Ye family.

However, the Mo family is not the same. The current owner is notorious for his bad temper. How can you see it with Ye Chen's 20-year-old roots and strength?

However, since Ye Chen has made up his mind, he can't interfere and let Ye Chen leave.

Ye Chen intended to set off immediately, but he heard Lin Qingxuan's voice ringing in his ear: "disciple, it's not urgent to go to Mo's house. Since we have come to the danxu tower, we'll break into the rest of the pagoda. Let's see your talent in Dan Dao, and then teach you the supreme medical skills."

Ye Chen heard this sentence, this just remembered, danxu tower, he broke into the fourth floor, was Xingtian Dan Zun to destroy. Now that it's here, danxu tower can't be put on hold.

Ye Chen went directly to the fourth floor of the lake, because he was familiar with the road and didn't spend too much time breaking open.

Under the lake is an underwater Dan array. The test lies in the control of the water potential by Alchemy.

After that, ye Chen directly set foot on the fifth floor.

The fifth step is obviously a little hard. Xiao Huang is still in a state of deep sleep, unable to resist the pressure, so he has to work hard.

.....

At the same time, Kunlun Xu is a mountain range directly into the sky.

Surrounded by mountains and mountains, Kunlun is also an important place for cultivation.

At the top of the mountain range, it is a magnificent place to live.

Tianlanzong.

Kunlun Xu is one of the top ten sects.

Ranked tenth.

Although at the bottom of the top sect ranking, the whole Kunlun void is enough to crush most forces!

Moreover, because of the existence of Ji Siqing, the daughter of heaven, tianlanzong has the possibility of approaching the ninth place.

The deepest part of Tianlan sect is a separate training room.

Ji Lin stood at the door pacing back and forth, holding a portion of rice in her hand. She knocked on the door and said, "sister, do you really want to eat something?"

There's no answer in there.

Ji Lin said again: "elder sister, I know you are worried about ye Chen. I inquired about ye Chen just now. Ye Chen has nothing to do. You don't have to worry. You have to eat anyway. Otherwise, how can you practice?"

Ji Lin has some headache. Since her sister was forced back by elder Ke, the gate has been closed and no one has seen her.

She did not dare to say more about that day's events. After all, ye Chen and Mr. Jingshui will fight for life and death in qianjue square in less than two months.

If the elder sister knew, it would be even more impossible to practice.

Chapter 898

Elder Ke ordered that no one should mention it to Ji Siqing. Otherwise, he would be expelled from tianlanzong!

Just when Ji Lin was worried, a woman in a splendid Royal dress appeared beside him,

the woman looked only in her forties, with a beautiful face and a good temperament.

That Danfeng's eyes are full of supreme pressure.

Seeing this woman, Ji Lin was obviously nervous and said respectfully: "master!"

Ji Lin, however, knows the strength of this woman. She has lived for a full thousand years and her strength has reached the sky.

He is the Supreme Master of Tianlan sect.

The Lord of Tianlan Zong nodded and took over the food in Jilin's hand. He said faintly, "you go back to your room and have a rest. I'll handle this matter."

Ji Lin naturally can not refuse, nodding: "yes, master."

Then, the master of Tianlan sect pressed his hand on the gate, and Ji Siqing's technique was broken in an instant.

The gate opens.

Ji Siqing, who is practicing, opens his eyes in an instant, and the cold light twinkles!

With a flick of a slender finger, a sword on the table flew out!

The emperor of Tianlan clan was about to be touched, but the latter shook his head without any movement. The sword was directly shaken open, inserted on the wall, and kept shaking.

"Siqing, why are you suffering? I give you everything you have, and you are willing to turn against me for the sake of a man of common root? "

Ji Si glanced at the Tianlan patriarch and said, "master, you said that you gave me all the rights and would not interfere with my affairs. Why let elder Ke stop me from saving Ye Chen? As one of the top sects, tianlanzong will be afraid of a mirror water master

The leader of tianlanzong smiles and puts the meal on the table: "disciple, you think too much. Jingshui guy, I'm not afraid of him. But do you think what will happen if you offend Jingshui? My tianlanzong must have a lot of troubles, which will affect your cultivation! "

"It's not the most important thing. What's more, what should I do if you get hurt? You're the only hope of tianlanzong! If something happens to you, one and a half years later, my tianlanzong will never be here again! "

At this moment, the leader of Tianlan clan became extremely heavy.

Ji Siqing was relieved when she heard such serious words. Then she looked curiously at the leader of Tianlan sect and asked, "master, what are you asking me to practice to Emperor Zun by the end of next year? I don't like such a fast growth, so unstable foundation! And what do you want me to do next year? What is Moby's representative? "

The Lord of tianlanzong flashed a heavy and complicated look in his eyes, and then he laughed: "a year and a half later, you will face a big chance. If you step into the realm of emperor, you can not only save Tianlan sect, but also set foot on wushangdao. When you reach this strength, you want to protect Ye Chen, who dares to say no?

What about Mr. Jingshui? Master, don't worry, you will not be protected. "

"As for now, you don't care about ye Chen. Ye Chen is just fan gen, and he won't do much in the future. There is a big gap between him and you. You should communicate more with some talents. After all, your goal is the sea of stars, not a pile of stones along the river."

Ji Siqing was not happy with the master's comparison of Ye Chen as a stone by the river. He quickly retorted: "master, don't you know that the Kunlun virtual genius is superior to Ye Chen, who killed the elder of qingluan clan, and stepped on the ladder of heaven! This is not what ordinary stones on the river can reach! "

Looking at Ji Siqing's maintenance of Ye Chen, the leader of Tianlan clan pulled his face down: "do you think it's a good thing that a person's strength is suddenly strong? Only when he entered the holy land, he killed people by leaps and bounds. This only shows one thing. The boy used the secret method and his foundation was extremely unstable! "

"I have seen too much of this man. I should have swallowed some pills by accident, just to show off for a while, and he won't achieve much in the future. Using this kind of abusive means is tantamount to destroying himself!

Well, forget about that kid and eat! I won't agree with you and that boy before you step into the realm of emperor! If one day you really step into the emperor's realm, the position of the patriarch will be handed over to you! No one dares to touch the boy in the whole Kunlun void! "

Ji Siqing doesn't want to talk to the master any more. She has a goal in her heart and nods seriously.

No matter what, she must speed up her practice and strive to break through the realm of emperor Zun as soon as possible!

The Lord of Tianlan sect left some high-level pills and left directly.

When the gate was closed, her expression changed. She murmured: "Siqing, some things can't be used as a teacher. I don't want to take advantage of you. It's just that the elder of the blood spirit clan is coming. We tianlanzong must hand over two powerful emperors. I'm not qualified to represent tianlanzong. You and that are the only ones. "

"This may be the punishment of the heavenly way to our Kunlun void. Ah, I don't know when it will end."

Not long ago, Ke elder came to the body of the Lord of Tianlan sect.

"Lord, do you want me?" Elder Ke said respectfully.

The leader of Tianlan clan nodded and took a look at Ji Siqing's training room and asked, "you should have contacted Ye Chen. How sure can he win the battle against Jingshui?" Elder Ke sneered: "Lord, that boy can't win, not at all! Although the boy's strength is up and down, people can't guess, but if he only talks about strength, he is not the opponent of mirror water at all!

The only doubt is that the boy somehow connected with the Luo family of danxu tower, and his whereabouts are unknown. "

Tianlan zongzongzong master's eyes slightly narrowed, thought for a few seconds, ordered: "you go to danxu Town, the existence of this boy is an impact on Siqing after all, two months of time is too long, now Siqing must settle down and practice seriously."

"If you happen to meet that boy, no matter what you do, I don't want Siqing to see him again. Do you understand what I mean?"

"If you can't see him, you can only say that he has a good life. Let him live for another two months."

Chapter 899

Elder Ke naturally knew the meaning of the patriarch and nodded: "don't worry about it. I will do it well."

Words just fell, not far behind a wall came a movement!

Two people's eyes shrink, instant cold! Qi Qi came to the place where the news came.

But there is no figure, only a bag of potato chips and a formation!

Suddenly, Ji LAN Zong said, "what's wrong with Ji Zong Lin! She has a magic weapon to hide her breath. He must have overheard us just now. If I guess correctly, she should leave now with the help of array! Immediately block tianlanzong and Jijia and bring this girl! "

Although she was angry at Ji Lin's eavesdropping, from a certain point of view, she was lucky. Fortunately, Jilin only heard the words about them dealing with Ye Chen. If she knew about the blood spirit clan and what happened one and a half years later, I'm afraid it would not bring Ji Lin, but erase it directly!

Ji Lin has always been a kid. He is too old to cheat.

If it goes on like this, it will be bad one day.

After catching back today, she plans to erase part of Ji Lin's memory with magic method, and then let Ji Lin stay in tianlanzong forever.

Ke elder nodded and quickly swept away in a direction!

At the same time, she took out a jade pendant and pinched it with her fingers. The jade pendant glowed. She went on to say, "all tianlanzong disciples listen to orders. Once they see Ji Lin, they will stop immediately!"

At the moment, Ji LAN left early!

She mounted a wind mount and quickly headed for danxu town.

Ji Jia and Tian LAN Zong can't go. It's impossible to inform her sister!

The only way is to find Ye Chen in danxu town!

"Ye Chen, ye Chen, why are you so worried? You'd better not let me see you're chasing girls, or you'll die!"

"I'm afraid I'm going to be the wanted criminal of tianlanzong. Alas, I didn't take any snacks in my room. You have to compensate me for this!"

Her petite body disappeared in an instant.

.....

Now ye Chen has come to the seventh floor danxu tower.

It's almost his limit.

Danxu town is also enough to be proud of all alchemy talents.

His whole body was wet, and his body was shaking violently.

If the seventh floor really fails, he may give up.

But on the seventh floor, he found that there was no one except a Dan Ding.

Just as he was wondering, the black stone in his pocket flew out!

At the same time, an old figure is suspended above the Dan Ding.

It's Lin Qingxuan!

"Master, why are you?" Ye Chen was surprised.

Lin Qingxuan's eyes narrowed slightly, and said faintly, "when I passed through the ninth floor, one step away from the tenth floor, was it not qualified to come out and test you?"

Ye Chen scratched his head and said, "master, you can open a back door for me, or else. You take me straight to the ninth floor. "

Lin Qingxuan stepped out and came to Ye Chen's body and blamed him: "this idea can't exist. Danxu tower is a magic weapon. You can come to the seventh level by yourself, which also proves your talent. You should know that as a teacher at your age, you may not be qualified to step into the seventh level."

"This seventh floor should be your limit. You don't need to step into it. I came out today to say goodbye to you. "

"My energy is not enough to support me to walk with you. The energy of danxu tower can make me stay in the outside world as much as possible. I can teach you some things to complete my mission."

Originally still hanging a smile, ye Chen instantly changed color.

It never occurred to him that parting came so quickly.

During this time, he was used to the existence of Lin Qingxuan.

If you really want to say the position of the great power that has appeared in his heart!

Lin Qingxuan can definitely rank in the top three!

His eyes were red, and he was really fed up with the parting moment of the samsara cemetery!

Why can't these powers be with him all the time?

Why!

Lin Qingxuan saw Ye Chen's unwillingness in his eyes and laughed: "a big man like this is really like a woman. A teacher doesn't want a girl's Apprentice."

You and I will never see each other again. I will see you again when you go to that place and rescue 100 of us. "

"There are rules in the samsara cemetery. I can't reveal too much. You can only explore it a little bit, otherwise it will only affect your Taoist heart. However, to my teacher's satisfaction, you have touched the ancient secret from Lingyuan. If you go down this road, maybe you will turn over for us

"I'm really looking forward to meeting you that day. I'm afraid you'll have grown into a top player by then."

"Along the way, what I regret most is to accept you as an apprentice, and the most fortunate thing is to have such an apprentice as you!" Between the words, Lin Qingxuan's voice trembled a little.

"Well, I don't want to talk much about the affectation. I'll give you three presents for my teacher's departure."

Lin Qingxuan stepped out one step and continued: "disciple, take that silver needle out!"

Ye Chen suppresses the sadness in the heart and takes out the silver needle which the spirit spirit Qi condenses.

Lin Qingxuan grasped it with five fingers, and the silver needle flew to his palm in an instant.

The finger pinches the Jue, the endless power of pressure instantly drills into the silver needle.

"Disciple, the silver needle has a spirit. It is the carrier of medical ethics and God. It can cure diseases and kill people! What is medical ethics is to fight for life with Yama! If you can't, you'll take your life! "

"Today, I carry one of my strength into it. If you can't face a strong enemy in the future, I'll read this passage. Then I'll be on the silver needle to help you kill all living beings! Because of the limitation, under the five levels of Daoyuan, you can kill them! This is one of them! "

Lin Qingxuan's body was weak for a moment, and then the silver needle was wrapped by a blue light.

Steady fell in the palm of Ye Chen.

He can clearly feel a sense of ancient times is coming from inside!

Before ye Chen reacts, Lin Qingxuan grabs the void, and suddenly a blue spear appears in his hand!

"I'm going to teach you a gun skill. Although you're a swordsman, don't forget that gun skill is a required course for many ancient great powers. This is also your weakest point. This shooting is called the breaking sky three Jue gun!"

"Watch it!"

The language falls, Lin Qingxuan holds a blue spear in his hand, and his eyes close.

The whole danxu tower roars unceasingly, the air wave is violent.

It's like it's going to collapse at any time.

All of a sudden, Lin Qingxuan's eyes opened, and the night seemed to tear!

His body moved, a step out, full of more than ten meters, the blue spear in his hand like a snake dancing!

It also draws an ancient rune.

Lin Qingxuan yelled, the long gun broke the rune!

The blue light completely erupts, engulfs the heaven and earth, such as a volcanic eruption, even if ye Chen is ready, he is also shocked to eject a mouthful of blood!

Is this the real power of Lin Qingxuan?

Such is the idea of a God. How terrible was Lin Qingxuan's Noumenon when he left Kunlun Xu!

Chapter 900

Such a terrible existence is bound. What kind of existence is this blood spirit clan!

No longer think about it, ye Chen sees Lin Qingxuan's internal energy exploding!

As if the flame burning, full of the whole world!

At the same time, Lin Qingxuan fired a shot and landed directly on the ground of the seventh floor of danxu tower.

The power of destroying the weak is spreading wildly!

The ancient array of the seventh layer is broken directly!

At the same time, the endless destructive power seems to be integrated into danxu Tower!

The whole danxu tower is shaking!

Not only danxu tower, but also danxu town!

Countless people were terrified and frightened.

In the first floor of the rest of the spirit of a Dan Zun nature, the first time to feel, his heart is not good, just want to go towards the Ye Chen that layer!

A wave of invisible air swept over him, and his body was directly hindered.

You can't step on it!

He raised his head and his eyes were terrified: "what is Mr. Ye doing? Why is there such a change? Is it from Mr. Ye or from danxu tower?"

And outside the Luo family father and daughter naturally noticed the light of the seventh layer, and they were pale!

Qi Qi exclaimed: "this guy even stepped on the seventh floor! And it seems that this change will break the danxu Tower! How can it be! "

At the same time, Xingtian danzun, who was healing, suddenly opened his eyes, broke through the roof directly and came to the highest place. His eyes were dead locked on danxu Tower!

The expression is extremely dignified!

"This vision can't come from Lingyi. Is it that boy! No, that boy's strength is impossible! "

"The spirit of medical God, which has disappeared for many years! Is it that Lin Qingxuan's power in the danxu tower on the ninth floor broke out? "

No longer hesitating, he quickly swept in the direction of danxu tower.

And at the moment Ye Chen was shocked speechless!

There are three guns in total!

Lin Qingxuan only used the two guns in front of him, which almost caused the inherent space to collapse!

What if the third shot!

Before he had finished speaking, Lin Qingxuan's voice was as loud as the thunder of nine days!

"This is the third shot! You should watch! Only one chance! "

At this moment, Lin Qingxuan's momentum soared into the sky and stirred the storm.

The whole danxu tower even began to sink!

Lin Qingxuan grasped the tail of the spear, turned his body, and pressed down fiercely to pierce the sky!

"Gun meaning, empty shadow, coagulation!"

All of a sudden, in the blue gun idea, unexpectedly condenses! Turn to a blue ROC, as if condensed out!

It's the shadow of the gun!

The blue ROC covers the sky and overlooks the human beings!

As if it is the master, no one can shake!

The blood dragon in Ye Chen's body seems to have been questioned!

Start yelling!

Dapeng with the power of thousands of troops, from the sky!

Hit the ground!

Such as thousands of animals galloping, want to break through the whole danxu Tower!

It's horrible!

"Break it for me!"

In a simple word, ROC's potential has turned into countless hundred Zhang spears!

Hit the ground!

This attack contains the dignity of the strong!

This blow, bearing Lin Qingxuan's unwillingness and anger to that barrier!

The idea of the gun, an invisible air wave even hard through the whole danxu Tower!

The ancient array breaks a hole, and the boundless air wave devours everything.

Luo Yao and Luo Wuyuan fly out on the spot and are seriously injured!

If they had not backed back a hundred meters ahead of time, the consequences would have been unimaginable!

But it's no use retreating so far!

This power is too overbearing!

As if you can kill thousands of monsters!

I don't know how long it took before the storm completely disappeared and everything returned to calm.

The original broken array of danxu tower has gradually recovered.

At this time, Lin Qingxuan was almost transparent and weak.

Ye Chen can't bear it! He would rather not inherit than master!

"Master..."

Lin Qingxuan laughed, came to Ye Chen's body, touched Ye Chen's head: "break the sky three Jue gun, can you learn?"? They all say that medical ethics can only be suppressed with needles and techniques. I hope you can tell those people that the combat skills of medical ethics are not martial arts, which can be easily shaken! "

"This is the best proof."

Ye Chen nodded his head very seriously and said word by word: "master, the disciple has written down that although I can't play the full power of the three Jue spears, one day, I will use the three unique spears to kill the animals of the blood spirit clan!"

Lin Qingxuan nodded happily: "in addition to the silver needle and the broken sky three Jue gun, I have one thing for you."

Language down, Lin Qingxuan hands appeared in a colorful pill. The pill fell on Ye Chen's palm.

"Disciple, this pill is a nine grade pill that my teacher spent a month refining in the samsara cemetery. It is infinitely close to ten. It is extremely precious. If you look at Kunlun void, there is only one pill. If I refine myself, I may be top ten, but now I can barely make it.

This pill is called "nine death without end pill!"

"Before you fall into a situation of death, or your body is completely destroyed, taking this pill can at least change the adversity. Remember, don't take out this pill until you're in a state of death! Otherwise, it will be a waste

Ye Chen holds the pill, just want to ask what, Lin Qingxuan's whole body turned into a star light.

"Master!"

Ye Chen "plop!" He knelt down and knocked his head heavily!

he did not kneel down! Only kneel parents!

And one day as a teacher, life as a father!

Although he stepped into the road of killing, he was a man with some flesh!

He knows when to thank who!

Turning into stars, Lin Qingxuan's mouth showed a smile: "apprentice, I hope you can meet with the teacher's Noumenon! Remember, you are the only one of us to turn over! It's also the only apprentice that Lin Qingxuan recognizes

Lin Qingxuan still dissipated.

The power of the countless stars and before the dissipation of the same, finally attached to the body of Ye Chen.

This time, ye Chen has no breakthrough.

Because the forces of the stars have penetrated into Ye Chen's pores.

His physical body seems to be completely changed!

Even the blood is boiling.

"This is..."

Looking at the change of his body, what's the change of Mo Fei's body?

After all, he followed Mo Ning'er's method of training his body!

If so, Lin Qingxuan can not only give himself three big gifts, but also four!

At this moment, ye Chen Mou son permeates extremely firm, the blood dragon on the body directly rushed out!

Around his whole body.

Ye Chen's body burst out as if from the mang Huang power, and word by word: "master, I swear! No matter how difficult the front is, I Ye Chen will set foot on the nine days and pull the so-called blood spirit clan down from the altar! Through the past and the present, only I, ye Chen, are immortal and can be destroyed in all ages! "

Language down, a red light broke through Ye Chen's body, broke through danxu tower, straight to the sky!
