

## Physician 901

### Chapter 901

The appearance of red light broke all the prohibitions of danxu tower on the spot.

Visible power!

But at the moment, ye Chen felt that his body would burst!

It hurts so much!

After Lin Qingxuan dissipated, the light of the stars seemed to tear his body!

Break him down!

Even the spirit seems to be burning madly!

He is dead to bite the tooth, let the God thunder in the body cover the whole body!

It doesn't work!

"Master, you can't hurt me! Maybe this is the real chance! "

The whole body is covered with the energy of the eyes.

These energies touch the light of the stars and are absorbed instantly!

"Click!"

Ye Chen seems to feel a layer of obstruction in the body is forced to break open.

His Versace casual clothes just burst open!

It shows strong muscles that refract light.

He lowered his head and found himself in red Sanskrit, which flowed like blood.

It's like a seal.

At the same time, he clenched his fist and felt a violent force!

You don't need to use the power of true Qi!

"Is this the real exercise? How powerful it is Ye Chen exclaimed.

He was so excited that he forgot even his pain.

Then he gave a soft blow.

Extremely casual!

But it is such a random punch that makes the whole danxu tower surging and the mountains and rivers breaking apart.

Even he could feel the air around him showing signs of cracking.

"Lying trough!"

If you don't try, you don't know!

Ye Chen enjoys this feeling too much! When he intended to use this power to integrate into the Vajra fist of Ten Thousand Buddhas, he found that the golden Sanskrit on his body disappeared.

That sense of power was gone.

Even so, he knew that his body had changed dramatically.

"It's a pity that although the power is powerful, it doesn't know how to control it. If it can be completely integrated and controlled, the next road will be much smoother. "

When ye Chen murmured to herself, a red dress Qianying came out.

"Congratulations to the owner of the tomb, who has directly crossed the shackles and stepped into the bone setting stage."

It was mo Ning'er who spoke.

But when Mo Ning'er sees Ye Chen has no clothes on and her face is slightly red, she immediately turns around.

Although she was a great power in ancient times, she had the heart of a maiden who was not in charge of human affairs.

In a sense, ye Chen is the first man she has been in contact with for thousands of years.

Ye Chen looked at Mo Ning'er in front of him and said curiously, "you said that there was not much energy coming out?"

Mo Ning'er said with a smile: "it's true that this sentence was put before, but when the strength of the person who made the statue converges in the reincarnation cemetery, I can absorb some of it. After all, among his strength, there are countless powerful people's blood essence, which is enough to condense the entity, but it will not be long.

It's a pity that master Lin can't be like me. His mental power has been exhausted for a long time. He should have left. He has been using some means to support him... "

At this point, the words suddenly stop, Mo Ning Er some sorry look at Ye Chen, she seems to mention Ye Chen's sad things.

Ye Chen hears Lin Qingxuan again. He is so lonely in his heart that he doesn't continue to speak.

Mo Ning'er didn't want Ye Chen to be sad, so he changed the topic and said, "tomb owner, we'd better talk about body refining. There are nine levels of the formula of cultivating body, which are also the level of body refining. The nine levels are: breaking body, coagulating bone, dominating body, transforming Gang, virtual body, spirit body, supernatural power, breaking soul, immortal! Now the tomb owner's level is conggu.

In the bone setting stage, a fist can have ten thousand catties of power, and there is a Sanskrit barrier in the body, which can bear most of the damage. When necessary, the Sanskrit power can also be used, and it is powerful! "

"As far as I know, there are very few people who practice physical exercise in Kunlun. After all, it depends not only on talent, but also on the fitness of blood. There is only one person out of ten thousand.

In addition, there is no complete and excellent body training method in Kunlun, which makes most people pay no attention to it. This is the greatest opportunity for the tomb owner. "

"Tomb master, you can use the power of Sanskrit when you recite the Dharma formula. The tomb owner might as well try again. "

After that, Mo Ning'er waves her arm, which is a hard and incomparable shoshonite from the samsara cemetery, which is obviously for ye Chen to try.

Ye Chen naturally understood, and did not talk nonsense. He ran the formula of refining body by nature, and the golden Sanskrit flowed in his arm!

Then, a punch!

"Break it for me!"

Ye Chen didn't use any real Qi, and his extraordinary fist hit the shoshonite like this!

The fist actually naturally generated an air wave, such as thousands of troops, crazy collision! Ye Chen only felt the whirling of the sky.

The blood boils and the spirit is in danger of being shaken.

At the same time, the huge shoshonite broke on the spot!

Even a quarter cracked into countless pieces flying out!

Ye Chen is so surprised that he almost reaches the strength of returning to the virtual state! Or in the case of no use of real gas!

Cool!

If he had known that his body was so cool, he would not practice the nine day xuanyang Jue.

As if feeling Ye Chen's negativity, Mo Ning'er replied: "tomb owner, don't think about it. There are some restrictions on this fist. It doesn't mean invincible. If you really meet those strong people, you still have

to avoid it. The biggest role of body building is not the strength of strength, but the immortality of the body."

"What's more, Mr. Lin, before leaving, let me remind you to invite that great talent out as soon as possible."

Ye Chen this just thought of what, eye attention to reincarnation cemetery on a tombstone.

The tombstone is flashing mysterious light, extremely mysterious.

It's ready to move.

"What's so hard about that?"

Ye Chen closed his eyes, just want to use the idea to move, but in the tombstone came a voice of angry rebuke: "roll

The next second, a fist shadow burst out of the tombstone.

Ye Chen's face changes greatly, subconsciously is to use the strength of refining body to blow out!

"Click, click, click!"

When he got here, he was completely useless, but his arm was broken on the spot.

It's too embarrassing.

Mo Ning'er looked a little ugly and said with a bitter smile: "Tomb master, this power is not easy to deal with, and you should not use your fist to fight against his strength. In ancient times, this man broke a mountain with a finger.

No one can survey the depth of his strength, and no one dares to confront him

Ye Chen didn't think that this great energy was so terrible. He just wanted to ask his identity. He saw a few lines of words on the tombstone!

"It's so long and lasting that it's amazing. I dare to ask the world who I am

"Don't destroy Zhan Zun, seven nights of blood!"

These words alone make ye Chen feel that his breath is under control, and his sense of depression is over him.

This is the absolute pressure!

In front of a few great powers did not feel the pressure.

After a few seconds, the text finally disappeared.

Chapter 902

Everything returned to silence.

Ye Chen wanted to try again, but he gave up when he thought of the sound in the tombstone just now.

The more powerful the samsara tombstone appears, the more detached from the rules.

Even if he is the reincarnation tomb owner, the other party will not look at himself.

Unless you do something to convince or interest the other person.

Ye Chen is not anxious, he does not believe it. When he is in absolute danger, this great power will not save him?

Then, ye Chen's eyes fell on Xiao Huang's body.

At the moment, Xiaohuang's pain has disappeared and fell into a sweet sleep. I don't know if it is because of linyidanzun's pill that Xiaohuang has a faint light on her body.

There is not much change in the body, there should be no second evolution, but this light makes Xiao Huang feel inviolable and fierce.

It's like a sleeping tyrannical lion.

Ye Chen returns to reality. He doesn't want to break through the remaining three layers of danxu tower.

I have to go to Mo's.

Mo's family is the only chance to see Han Yun.

Mo Ning'er sees Ye Chen for a long time without saying a word, and then he wonders: "tomb owner, the matter of danxu tower is solved. Will you go back to Qingxuan peak?"

Ye Chen shook his head and his eyes slightly coagulated: "no, I plan to go to Mo's house. Last time you made a move, I owe you a great favor, and it's time to return it. Besides, I still have something to deal with when I go to Mo's house. "

Hearing this answer, Mo Ning'er was obviously a little excited: "thank you for the success of the tomb owner."

Ye Chen didn't talk nonsense. He went directly to danxu tower. When he came down, he saw Ling Yidan Zun pacing back and forth on the first floor. When he saw Ye Chen's safety, he breathed out a long breath and said, "Mr. Ye, you are really scared to death. I'm afraid that you have something wrong, so I can't explain to that one."

Ling Yi Dan Zun has been hanging heart also put down, fortunately there is no danger!

"What can I do for you? It's almost time for me to leave." Ye Chen Dao.

Ling Yi Dan Zun nodded and suddenly looked at Fang Lao and Lao Yang: "Mr. Ye, do you want my two gatekeepers to follow the adults? It helps a little bit in times of crisis. "

Ye Chen directly refused: "old Fang and old Yang still have injuries, so it's unnecessary. I can solve my problems."

As soon as the words fell, Ling Yi Dan Zun felt something. His eyes were cold, and he said, "Mr. Ye, it seems that the changes here have attracted some people who want to die. In this case, I will personally send Mr. Ye away from danxu town."

"No problem."

Ye Chen and Ling Yidan Zun went out of the door, and Luoyao and Luo Wuyuan met them. What did they want to say? When they saw lingyidan Zun, they swallowed them back into their mouths.

"Mr. Ye, Lingyi danzun!"

Ye Chen nodded to Luoyao: "Miss Luo, thank you for your care all the time. I still have some things to do today, and I may have to leave early."

When Luoyao heard that ye Chen was going to leave, she was more and more frustrated. She had even thought about it. These two days, she was looking for a chance to take ye Chen to see the scenery of danxu town. Now it seems that there is no chance.

Goodbye today, I don't know when I can see you again.

"Mr. Ye, Luoyao didn't do anything. On the contrary, he made Mr. Ye suffer. I wanted to take Mr. Ye around. It seems that I can only do it next time."

Ye Chen thought of something, so he took out a common stone, on which was engraved Ye Chen's name, and there was an array gathered on it. He handed it to Luo Yao and said, "no matter what, ye Chen owes Miss Luo a favor. If Miss Luo needs to break the inner array, I will arrive as soon as possible."

If this sentence is put in the past, Luoyao and luowuyuan will certainly scoff at it.

But at the moment, Luo Wuyuan saw his daughter in the same place without any plan to take over. He took a step first and said respectfully, "Mr. Ye is really very polite. I thank you for replacing my Yao'er."

Ye Chen took a look at Luo Wuyuan, without much words, and he Ling Yi Dan Zun went to the outside.

No, at the same time, a man standing on the roof in the distance!

This man is like eagle general sharp eyes, dead staring at Ye Chen.

It's Xing Tian Dan Zun.

When he arrived, he saw Ye Chen come out of danxu tower again, looking very gloomy.

He knew that ye Chen was a threat.

But at the moment, Ling Yidan Zun is around, and he has no chance to start.

.....

Ten minutes later, ye Chen came out of danxu town.

Under him was a spirit beast with four legs and four flames.

It's called huoyunlu. If it's used to drive, it's bound to be faster.

This time, ye Chen didn't take Duan Huai'an and Xiao Bi on the road together.

After all, it's absolutely dangerous to go to Mo's house. Besides, the three people still have injuries. He can't put the people in danger.

Duan Huai'an and Xiao Bi have been longing for danxu tower. He let Lingyi danzun take care of him and personally instruct him to refine pills. It is absolutely a great chance. After seeing Han Yun and confirming some things behind the reincarnation cemetery, he came to danxu town to pick up some people.

"Then I'm gone. Lingyi danzun, please take good care of the people of the medical God sect." Ye Chen reminds a way again.

"Mr. Ye, don't worry. In danxu Town, the people I want to protect are not qualified to move!"

"By the way, Mr. Ye, I forgot to give it to you." Lingyidan Zun handed out a jade pendant!

The jade pendant is engraved with the design of danxu tower, and there are several big characters on the back!

Ye Chen, virtual Dan master! Danxu tower seven floors!

This jade pendant is extremely simple and precious, just like a symbol of identity! Extremely noble!

Kunlun void, Dan Division has many levels!

Every level, land level, heaven level, Xuan level, spirit level, Saint level, holy King level, virtual level, Xu King level, Daoyuan level, Emperor level!

And the virtual level has been regarded as a rare class of the whole Kunlun!

"Mr. Ye, this jade pendant must be kept well. When necessary, the identity of Dan master can solve many things. It can be used for many purposes. You can stay in 90% of the hotels in Kunlun. You can use this jade pendant to borrow money from major auctions and banks. You can also visit most families with this jade pendant, and you can freely go to Linhai City where Mo's family is located!

Even, this jade pendant can enter and leave any upper class society in Kunlun, and the Dan Master Certified by danxu tower is a resource that countless forces strive for

Ye Chen took the jade pendant, which is a good thing.

I remember that in the place of killing, the elder Feng showed a token of danxu tower and asked Hong Tao to serve him carefully.

This is obviously a lot of higher level, I don't know what kind of effect it will produce.

"Well, Mr. Ye, please go on the road. Maybe you can get to the city where Mo's family is before dark. As for some tails, I'll help Mr. ye deal with them!"

Chapter 903

Lingyi danzun finished speaking, he was walking towards a figure in the dark, it was the Xingtian danzun!

"Xing Tian, do you have the habit of tracking? In other words, what kind of calculation do you have in mind

Along the way, Xingtian Dan Zun snorted: "Lingyi, don't frame me! I'm just going out to do something!  
Do you have to take care of it

His voice is not polite!

Seeing that Xingtian danzun was about to leave, Lingyi danzun was holding his shoulder, and his strength was suddenly released!

"What's the attraction out there? We haven't won the war that day!"

The next second, the spirit of a Dan Zun is a palm shot, Xingtian Dan Zun can only fight!

But when he took the palm, he found that ye Chen still had a figure!

.....

And now ye Chen is on the way to Linhai City!

According to lingyidan Zun, the Mo family in ancient times changed three places because of aura and finally stayed in Linhai City permanently.

Surrounded by the sea, Linhai City is an island on the sea, similar to Xiamen, a tourist city in China.

Because of the sea water array, Linhai City closed the aura, which also made the aura flow continuously, enough for the people of a city to practice.

At the same time, Linhai City is also a famous food place in Kunlun.

This is the season of seafood, so when ye Chen arrived at Linhai City, he found that most people were surrounded outside.

Most of these people have no way to enter the coastal city and want to take a chance outside the city.

If there are big families in Linhai City, or they come out to ask for help, it is an opportunity.

Ye Chen just wanted to enter, but heard an uncertain voice coming from behind: "temple master?"

At this moment, ye Chen's body is almost stiff!

Goose bumps all over!

Even a little chilly!

This voice is too familiar, familiar with, did not hear for a long time, change incomparably strange!

Only the group of people in the dark hall of China would call themselves so!

But he remembered that no one from the dark hall came in!

Ye Chen rigid turn around, is to see a body some ragged, the skin is dark man!

A man's face was dirty, and he could hardly tell his face.

But ye Chen knows who this person is!

Ye Lingtian!

One of the Dharma protectors of the dark hall!

Key ye Lingtian is not in China. How can he be here?

No, ye Lingtian is a few people who know the existence of Kunlun Xu. When ye Chen was brought into Kunlun Xu experience by his master, he met ye Lingtian by chance, and he was worshipped as the hall leader by Ye Lingtian Xin!

Ye Lingtian confirms that this figure is the master of the hall. He is so excited that even his eyes are red!

"Plop!" One, kneel down directly!

"Ye Lingtian, see the hall master!"

Voice trembling!

Ye Chen quickly came down from huoyun deer and helped ye Lingtian up. He asked, "ye Lingtian, you shouldn't be in China. Why are you here?"

Ye Lingtian just want to talk, the whole person is down, into a faint.

Ye Chen Mou son shrinks, also gave up the intention to go in, put ye Lingtian on one side, and then a point in ye Lingtian's eyebrows.

He can feel ye Lingtian's weakness. He even tore ye Lingtian's clothes and found all the wounds!

Obviously, during this period of time, ye Lingtian was treated with inhuman treatment!

This pain is almost fatal!

If ye Lingtian didn't use some skills to prolong his life, he might have died long ago!

Although I don't know what happened to ye Lingtian, let alone why ye Lingtian is good at advocating to enter Kunlun void from China, he, as the leader of the dark hall, should never let ye Lingtian have an accident!

He took out a pill to ye Lingtian. At the same time, the silver needles fell one after another. He patted ye Lingtian's chest with one hand, and the endless real Qi rolled away!

The true Qi passes through ye Lingtian's viscera, just like a hot spring.

It works wonders for injuries.

As a skill of Lin Qingxuan and medical Shenmen, Jiutian xuanyang Jue naturally has its particularity.

The most special is that he can not only be used to fight martial arts, but also to save people by medical treatment!

"Poof!"

Suddenly, ye Lingtian vomited out a mouthful of black blood, and his face recovered a few minutes.

Ye Chen sees black blood, in the heart more and more certain a few points, so congestion blood, in the end is who how vicious!

Ye Lingtian's character, he knows that he will never do it unless he has to!

More will not be in this strong place not convergence!

"Water I want water... "

Hearing ye Lingtian's call, ye Chen comes back to God, and quickly takes out a bottle of mineral water from the reincarnation cemetery, and gives ye Lingtian the service.

Ye Lingtian grabs mineral water, which is crazy intake. For five minutes, Ye Ling opened her eyes.

When he saw Ye Chen, he sat up by force!

"Master, did I really see you? Is this not a dream, or am I on the way to the netherworld now

Ye Lingtian is a little confused. After all, he knows his physical condition. Maybe he can see the master of the hall when he looks back.

Ye Chen white one eye ye Lingtian, pull out a silver needle, instant pain spread, ye Lingtian expression ferocious, this is not a dream!

A hand caught Ye Chen and said excitedly, "Lord, this is not really a dream! Too Great

Ye Chen sees ye Lingtian's injury unimpeded and asks, "how can you be here? Good China does not stay, who let you back to Kunlun Xu? I remember when I left, I asked you to protect Xia Ruoxue and Tianzheng Group. "

Ye Lingtian gave a bitter smile and explained, "Lord, there is Lu Lingfeng guarding China now. The strength of the dark hall is enough to protect everything. What's more, Huaxia has been taking care of everything for you. How could anything happen? As for why I was here, I actually had some personal matters to deal with. A month ago, a Xu came to Kunlun, and I received the news that my father drove to the West It is. "

"This just rashly entered the Kunlun void. Please don't blame the hall master."

Ye Chen patted ye Lingtian on the shoulder. He knew ye Lingtian was born in Kunlun Xu. If it was not for himself, he would not have entered China from Kunlun Xu and began to build his strength.

"You can't be reborn after death. I'm sorry."

Ye Lingtian nodded, but there was not much sadness in his eyes. He was only tired: "master of the palace, I was in a daze after I entered Kunlun void.

Because I didn't step in for many years, I wanted to take refuge in a few friends, but I found that my friends were gone. Even my family disappeared, and things changed.

When I arrived at my family's land, I saw a flat land. I was completely confused. I was also mainly responsible for this matter. When the person who informed me asked me if I knew the place, I naturally said that I knew. "

"Later, after all kinds of efforts and inquiries, I learned that the family had moved to Linhai City many years ago. Because of its aura and geographical location, many families have taken this place as a new place to take root."

Chapter 904

"Unfortunately, I don't have the right to enter. I have to stay outside all the time. I hope someone in the family will pass by. But this guard is for many days. The experience in these days is like a nightmare."

Ye Chen originally wanted to ask what things, but look at ye Lingtian's dodgy eyes, also do not intend to ask more.

Some things, or to wait for ye Lingtian to take the initiative to tell themselves.

Later, he helped ye Lingtian up: "let's go, I'll take you into Linhai City."

When ye Lingtian heard this, he shook his head and refused: "Lord, this Linhai City is heavily guarded. Without the guidance of the people inside, it is impossible to step in. That, I'd better wait for the family members here."

Although he respected Ye Chen, he also knew that ye Chen was powerful.

But this place is not Huaxia, but Kunlun Xu! There are many strong people here. The power of Ye Chen to win the throne in China is not worth mentioning here!

He didn't want Ye Chen to take risks for him.

What's more, ye Chen's style of doing things, he knows. Once he conflicts with the gatekeeper, his temper will definitely ignite and he will not do it on the spot!

Ye Chen is helpless to ye Lingtian. This guy is the king of Nanjiang at least. In China, he is a master of wind and rain. How can he shrink when he arrives in Kunlun?

But on second thought, ye Lingtian's strength here is really not enough to see.

After all, it's just the beginning of transcendence.

It seems that it is time to bring part of the dark hall in. Only here can it be powerful!

Ye Chen didn't think much about it any more. He patted ye Lingtian and said directly, "ye Lingtian, listen to the order, step on the mount and go in with me!"

After all, ye Lingtian is injured and his brother. At this time, he naturally gives up his mount.

Ye Lingtian, who dares to sit on Ye Chen's huoyun deer, just wanted to refuse, and yelled: "ye Lingtian, do you dare to violate my meaning?"

Ye Lingtian looks pale, but he knows the character of the temple master. If he disobeys, he will be furious!

Although this is the good will of the temple master, it is not good if it turns into anger.

Hesitated for a few seconds, or stepped on the fire cloud deer.

Because of the injury, he can only lie on his stomach and grasp the two horns of huoyun deer.

He still has to listen to the orders of the temple master. After all, it is for his good.

Later, ye Chen led the fire cloud deer and went to the city of Linhai.

In this way, he is somewhat like a servant, and ye Lingtian is even more nondescript.

After all, what he wears and looks like is absolutely humble!

This is also the reason why ye Lingtian did not dare to fire the cloud deer.

He also no longer thought, raised his head, staring at the gate of several strong gatekeepers, breath holding.

The realm of these strong gatekeepers was like a mountain to him, and the sense of dignity sent out to him was very hard.

"Stop! Show me the sea order! And Linhai order can only take one person! Those who violate it will be killed at all! "

Ye Chen and ye Lingtian are not close, but the cold words are coming, shaking the world! It's killing.

Ye Lingtian is so nervous! The palms are covered with sweat.

Ye Chen is to those a few people shake head: "excuse me, I did not face the sea order!"

"If you don't have the order of facing the sea, you dare to approach here and die!"

As soon as the words fell, a spear came.

Have not touched Ye Chen, ye Chen is not in a hurry to take out the spirit of a Dan Zun to his danxu tower authentication jade pendant!

Virtual Dan master, ye Chen! These words, shocking! But it also shows the supreme dignity!

Jade pendant is not a mortal thing! Guanghua circulation!

The spear stopped, and the gatekeeper naturally recognized the jade pendant!

Virtual Dan master? Chenye?

There was some panic on the faces of the people! After all, they have never seen such a young Dan teacher!

Not to mention the Dan master of virtual level!

Although they doubted, they did not immediately start to Ye Chen, but a gatekeeper rushed to the inside, obviously to ask for higher-level existence.

After a while, an old man in blue came out in a hurry. He was extremely oppressed and said in a loud voice: "where is the Dan master? If you forge a token, it's a capital offense! "

Before he finished speaking, he noticed the jade pendant in Ye Chen's hand. His eyes shrank to the extreme and hurriedly stepped forward: "my Lord, let me have a look at the jade pendant."

"Take it." Ye Chen threw it casually, which scared the old man in blue robe to death.

When he caught him and pointed at the jade pendant, his eyes were full of panic and even knelt down on the spot: "Feng Tai has seen ye danzun!"

Dan Zun these two words can only be used in the identity gap and noble Dan Shi body!

And ye Chen, obviously has this qualification!

Even the gatekeepers are confused. Feng Tai is a big man in Linhai City, and he is also an important person in charge of the entrance and exit!

Countless people Fawn and please the existence!

Even Feng Tai's own strength is extremely strong!

It is such a character that kneels down to a young man! At the beginning of their dream, the gatekeepers knelt down and said respectfully, "we have seen ye danzun!"

Ye Chen nods, takes back the jade pendant, and directly steps into Linhai City with ye Lingtian.

At the moment, it is completely petrified!

He never thought that the temple master could really take him into Linhai City!

It is also called Hu Dan Zun by Feng Tai!

His blood soon boils!

He knew he wasn't with the wrong person!

After entering Linhai City, ye Chen asked ye Lingtian: "where is your family? I'll take you first. "

Although ye Lingtian's father was buried, as a son, the first thing he did in the city was to visit his father's grave.

Ye Lingtian's heart is a little grateful, just want to speak, a wild spirit beast is quickly rushed over!

On the spirit beast is a girl with a mask on her face.

Sitting on the spirit beast, the girl was obviously unable to tame the mount. She kept struggling and did not dare to let go.

And after her several return to the virtual environment strong is in a hurry to chase.

"Miss, wait! We'll help you right away! "

Those strong people who return to the virtual state want to shoot arrows and hunt the crazy monster, but they are afraid to hurt the girl.

Seeing that the fierce spirit beast is about to collide with ye Lingtian, the huoyun deer under Ye Lingtian instinctively raises the front feet and kicks the spirit beast out!

If you don't kick, ye Lingtian and huoyun deer will be injured!

Huoyun deer is the mount given to Ye Chen by Ling Yi Dan Zun. How can it be bad!

Under the feet, the fire twined, and the wild spirit beast was smashed out in an instant!

Even that girl is also because the center of gravity is not stable, mercilessly fell down!

It's quite a mess!

Ye Chen did not make a move all the time. After all, ye Lingtian was injured, and the only thing he could do was to protect his brother.

Seeing the girl fall down, the faces of those strong people who return to the virtual environment change greatly!

Rushed over and helped the girl up!

"Miss, are you all right?"

"You are a Jinzhi. You can't be hurt. Otherwise, we can't afford to blame you!"

Chapter 905

The girl was obviously angry and broke free of several hands: "get out! Xu Cheng, Xu Lu, you two are rubbish! Can't you subdue this mount! Miss Ben was so hurt!

I think it's time for Dad to get rid of all your rubbish after today

When they heard the young lady's threat, their expressions were extremely embarrassed and even scared!

After scolding two people, the girl is angry to stare at that fire cloud deer again!

In her opinion, her injury was obviously due to the beast!

If the beast didn't move her feet, she might be able to subdue the mount a little bit!

Damn it!

"Come on, cut off the leg of this beast! I'm tired of looking at it! What's more, my disobedient mount has also been killed. Even if this kind of unruly animal is precious, it doesn't need to exist! "

The girl ordered, in a mean and angry tone!

"Yes, miss!"

The two strong men named Xu Cheng and Xu Lu immediately drew out their long swords and cut them on the fury spirit beast with their violent power.

The wild spirit beast's painful groaning was too much to avoid.

Blood flowed out and the ground was red.

In fact, the spirit beast in Linhai City is a kind of clever one, but the girl's pants are decorated with some spirit stones, which pierce into the beast's skin, and naturally go mad.

It's an animal instinct.

It's a pity that I met a tyrannical master.

After killing the spirit beast, several other people started to fight with huoyun deer, but when they saw ye Lingtian on huoyun deer, they all shrank together!

"It's you. You're not dead! How did you mix into Linhai City! Damn it, all the rubbish can come in. How do the guard dogs do it

Hearing this sentence, ye Chen Mou son instantly pan cold, it is obvious that these two people know ye Lingtian!

Looking at ye Lingtian again, ye Chen obviously finds that there are some terrors and fears in the eyes of the latter!

Obviously, after ye Lingtian entered Kunlun Xu from Huaxia, his shocking injury must have something to do with these people in front of him!

The anger in Ye Chen's heart is ignited instantly!

Of course, the dark hall is only a power of China! It doesn't extend to Kunlun Xu!

But with him as the temple master, anyone who wants to move the dark hall is impossible!

Not to mention the life and death of Ye Lingtian!

How can those who have made great contributions to the war be shamed!

The strong man named Xu Cheng, who is in a strong state of returning to emptiness, does not talk nonsense. He cuts at the burning cloud deer with a knife!

Seeing that the knife will fall, ye chenmeng kicks out!

This foot is the most powerful one. It reaches Xu Cheng's wrist!

The long knife broke free in an instant, and a radian flashed through the girl's veil. The veil was torn and the girl's face was pale. She was sitting on the ground.

Xu Cheng stepped back a few steps and his face changed greatly.

Ye Chen stares at the girl with interest. Her face is pretty, with a trace of coldness. If you put it in China, you can definitely become a hot flower in the entertainment industry.

Unfortunately, ye Chen has met too many beautiful women, Ji Siqing, Wei Ying, Sun Yi, Xia Ruoxue, and even Luoyao, who just left, are more beautiful than this person. He really does not understand that there is any need to cover up such a face.

"Miss!" Xu Lu reacted with embarrassment. After all, his knife almost hurt the girl!

The girl stares at Ye Chen and ye Lingtian, her face is frosty, and her cold voice rings out: "let them both kneel down and apologize to me!"

Xu Lu and Xu Cheng, as well as several strong men who return to the void behind them, surround Ye Chen and ye Lingtian one after another!

"You two bastards, don't kneel down to apologize! Don't you know what kind of existence you have offended? "

The breath of returning to emptiness suddenly releases!

The one named Xu Cheng is in the peak of returning to the virtual realm, half step in the virtual realm!

Tyranny almost devours the world like a demon!

Too strong!

How could ye Lingtian, who was injured, bear the pressure of such a strong man? A mouthful of blood spurted out, and even fell the huoyun deer!

Pale!

This is the gap!

This even makes ye Lingtian think of these days of torture, nightmare!

If there is no Ye Chen, if there is no will to support, he may have fallen down!

Ye Chen holds ye Lingtian in a hurry, and asks him to take a pill. At the same time, the true Qi is transported to ye Lingtian's body.

Pressure can't continue to hurt.

After all this, his cold eyes are staring at the strong people around him!

Want him to apologize? For what?

No way!

Even if he is not familiar with his native land in Linhai City, he does not know the power of several people in front of him!

But even if these people are here, so what?

Ye Lingtian's injury, he has not recovered, it is this group of people who should apologize!"Damn it, if you're deaf, believe it or not, I'll break your hands and feet!"

Xu Lu and Xu Cheng are surrounded by endless pressure. They thought they could surrender and kneel down!

But it's impossible!

Even because of the release of too much pressure, they are full of sweat, blushing!

To them, it seems like a shame to them!

The girl did not expect to see two obstinate stones. She said to Xu Lu and Xu Cheng, "what's the matter with these wastes? Since these two garbage don't kneel, cut off their feet and let them kneel down forever!"

How wicked this girl is!

However, this is normal in front of Kunlun Xu's cruelty!

Even because the movement is too big, surrounded by a lot of people, pointing.

Ye Chen vaguely heard what Fangjia, what top power.

Obviously, it's a big story!

"Two animals, since they don't kneel down, they'll cut off your hands and feet! Remember not to offend the wrong people in the next life

The meaning of Dao is vertical and horizontal!

Full six cold light to Ye Chen and ye Lingtian!

Too strong!

Ye Lingtian's face turned pale. He felt that he had hurt the hall master! If I didn't say hello to the temple master just now, I won't meet the present situation!

But what should they do!

He looked at Ye Chen beside him like a dead man.

It is found that ye Chen smiles!

The smile is bloodthirsty and indifferent.

The sight of the beast was like a prey.

Even! Eyes are scarlet!

Suddenly, smile convergence, ye Chen step out, eyes shot a cold light, such as Eagle general!

At the same time, the extremely cold voice is like Xuan thunder resounding through the world: "one mouthful of waste animals, since your parents don't teach, I Ye Chen will teach you!"

"All on my knees!"

Ye Chen's voice fell like this.

There was a great silence around.

The onlookers even feel ridiculous!

This is in Linhai City. Someone dare to let the Xu family kneel down! Crazy!

Looking at Ye Chen's young face, everyone felt a little ridiculous.

What an ignorant and fearless young man. I'm afraid he will die soon.

The smile on the corner of the vicious girl's mouth was especially strong.

Her eyes are haughty and her hands are crossed to her chest! Waiting for the bloody picture!

And these two ants kneel in front of her!

She likes this feeling, can determine the life and death of some low-level characters!

Chapter 906

In her eyes, ye Chen and ye Lingtian are the bottom of the struggle of those people!

In the face of power and strength, vulnerable!

Can be at this time, the strange picture appeared, startled people's eyeballs!

Seeing that the knife's intention is about to fall, an invisible force suddenly surges!

Then, six knives were suspended in the air!

Can't get any closer!

It's like, cut on a wall!

How could it be!

This is the first reaction of those who made the move!

They see through Ye Chen's cultivation, the holy kingdom!

It's impossible to stop them from returning to the void! And six!

But now how to explain!

"Damn it, what's going on? Why can't the knife move?"

The tyrannical several people's evil spirit and killing intention have no restraint, they look at Ye Chen, but find Ye Chen incomparably calm.

However, in this calm, even out of the fist!

A little arc around! The blood evil spirit surges in the arm!

One punch!

They even want to shake the sword made of their spirit stone!

Ridiculous!

But their smiles soon froze!

"Click, click, click!"

The sound of breaking is endless!

No one could have imagined that the six knives were broken on the spot!

The fragment is stabbed into several people's bodies, the blood spurt shoots!

In addition to Xu Lu and Xu Cheng, the rest of them fell to the ground on the spot!

Absolutely dead!

Dead appearance is half kneeling!

And Xu Lu and Xu Cheng are not well. A mouthful of blood spurts out, and the internal organs seem to be shaken!

What's more, he stepped back several steps!

Look to Ye Chen again, the eye is left with panic!

They found that the man in the holy King's land was still a body refiner!

Otherwise, how can fists have such power!

"Kneel down." Ye Chen's hands are negative behind her, her expression is indifferent, and her tone has no temperature.

His head was low, the wind was blowing, and his coat was like a saint.

Xu Lu and Xu Cheng take a look at the young lady and find that the latter is completely frightened and shrinks in the corner, pale and afraid to say a word.

Then, the two looked at each other and said coldly, "we are from the Xu family. Do you know what will happen if you offend the Xu family! I advise you not to go too far; otherwise, you will not be able to end the matter. "

"Kneel down." Ye Chen still repeated the two words, "I don't want to say it the third time."

"Besides, you did my friend's injuries."

Ye Chen's voice is getting colder and colder, just like coming from Jiuyou hell, which can break people's life and death!

Xu Lu and Xu Cheng are trembling. They just want to talk. Ye Chen kicks on the sword fragments on the ground!

Debris, light!

"Poof!"

The fragment went straight through their knees!

Broken bone! Blood spray, like spring water!

They want to, but they have to stand on their knees!

The sound of pain is ringing through the street!

Those onlookers, who originally wanted to see the excitement, retreated one after another!

Don't dare to get close to Ye Chen!

I don't know the origin of the youth!

Ye Lingtian looks at Ye Chen's action and clenches his fist. He is worried about the hall master!

But he chose to believe in the Lord!

How could the Lord of the temple not be like this in China! Every time it seems to be in crisis, it is the nightmare of others!

This is the God of war!

He believed that the temple master could become the invincible God of war in Kunlun!

Ye Chen has come to the girl in front of her, the feeling of fear makes the girl unable to breathe!

All his men are down! What can she do!

She did not dare to look at Ye Chen, but lowered her head and said in a soft voice, "what are you going to do! You can't move me, or my father will let you die! This is not a threat! "

Ye Chen coldly smile, stretch out a finger unexpectedly to hold up girl's chin!

How ever did a girl ever think that she would be so blasphemed!

She is angry, wish to suck Ye Chen's blood!!

Ye Chen keeps approaching!

She swallowed and even thought that this guy would not insult her in front of so many people.

Crazy.

Suddenly, a cold language fell: "I let you all kneel down. Are you deaf? It's all of you!"

Hearing this, the girl's beautiful eyes widened!

She couldn't believe that the young man made her kneel down on her knees!

Linhai City's many talented disciples, all of them bow down under her pomegranate skirt, and are obedient to her!

But the young man made her kneel?"Do you know me..."

"Pa!"

Ye Chen slapped him out! Although did not use too much strength, also let the girl fall to the ground!

Your face is red and swollen!

Blood red palm print seems to take away the girl's cover!

The girl is confused!

People are more confused!

Even look at Ye Chen's eyes also changed.

How many people dare to fan this girl in Linhai City!

Ye Chen came to the girl in front of her, looked at her from above, word by word: "this slap is for my friend."

"And you owe my friend an apology."

"You can protect your dignity and choose not to apologize, and I can use my means to end your life!"

Ye Chen doesn't show pity for her!

For such a proud and vicious girl, kindness is cruel to oneself!

Since his parents don't teach, ye Chen teaches himself!

The girl was completely flustered. She didn't even dare to look at Ye Chen and cover her red and swollen face!

She believes Ye Chen's words, this madman really dares to kill her!

She doesn't dare to bet!

Hesitated for a long time, she raised her head and looked at the injured ye Lingtian!

She recognized the dirty man.

A few days ago, at the gate of Linhai City, she went to recruit some slaves on behalf of the Xu family. Because of the crowd, the man approached a little bit.

She didn't like the smell of this man. She even felt that the man was blaspheming her, so she let Xu Cheng and Xu Lu take them down to solve and torture.

Originally intended to throw the corpse into the sea, but did not expect that this man did not die.

Came back with a demon.

Is this man here for revenge?

She clenched her fist, and her fingertips fell into the flesh, trying to suppress a few words: "I'm sorry!"

Ye Chen's look never changed, but turned to look at ye Lingtian: "are you satisfied?"

Ye Lingtian, who dares to say that he is not satisfied, feels that things have completely lost control!

Xu, if you don't want to leave home again!

Hall master is strong, but this is Linhai City!

He must immediately take the temple master to find the family, only the family can protect a little bit!

"Lord, I'm satisfied. It's getting late. Let's leave as soon as possible."

Ye Lingtian urged.

Ye Chen nodded. He didn't kill the girl. He could feel that there was a force staring at him in the dark.

Kill those guys, this force may not be able to fight!

If you kill this girl, I'm afraid that guy will come out!

From the perspective of prestige, it is very likely that they are strong in the source of Taoism! This kind of old monster like figure should be the guardian of one side, and will not be exposed until it is absolutely necessary.

His eyes fell on the girl again: "today I don't want to kill you, you can choose to revenge me. Remember, my name is Ye Chen. But next time, I won't give you a chance to live. Even the family behind you will be uprooted. "

Chapter 907

The girl stares at Ye Chen dead and does not dare to speak.

She even hides the surging anger in her heart and the determination to kill Ye Chen!

She wants this young man named Ye Chen to die!

Anyone who offends her will die!

Torture to death!

Ye Lingtian took a look around him. He felt uneasy and said to Ye Chen, "Lord of the temple, go."

"Good."

Ye Chen is not nonsense, will ye Lingtian help huoyun deer, lead huoyun deer then intend to leave.

Just as they were about to pass through the crowd, a majestic exclamation fell down!

"Stop!"

Then, ye Chen saw dozens of strong men in armor around, blocking all routes.

At the same time, a man nearly two meters tall and with a sense of explosion in his muscles came out of the crowd.

The man is dressed in red armor, holding a broad sword with gold stripes. He brings a breeze all over his body, and his strong momentum blows from him!

His arms are very thick, full of Ye Chen's more than twice, and his gait is extremely stable. The sense of pressure strikes, giving people a sense of oppression. People feel as if they are facing a war machine!

His whole body is permeated with a sense of despotism.

Ye Chen Mou son tiny MI, he can feel the blood boiling in the body.

This sudden man, let him feel the danger.

This man is not a general practitioner, but a body refiner, a real physical overlord!

"No private fighting in Linhai City! Do you know the consequences? "

The burly man opened his mouth, and his cold eyes swept his fist with great dignity.

Those onlookers exclaimed: "who reported the letter? He brought Xiang Yingjie from the penalty Bureau of Linhai City! "

"Xiang Yingjie is praised by Linhai City as a martial arts crazy lion! Cruel means, no one can stop it! Most people don't dare to make trouble in Linhai City because of Xiang Yingjie's style

"The punishment bureau is no joke. In Linhai City, it is the real rule controller! The three words of Xiang Yingjie are the responsibility of the punishment bureau! Now Xiang Yingjie appears here. The boy is dead! "

"It's said that Xiang Yingjie was the number one in the list of lingfu decades ago. If it wasn't for his roots and bones that exceeded the limit, it's estimated that Ji Siqing would not be the number one in the list of lingfu.

However, Xiang Yingjie's pursuit is not a list of spiritual Fu. What he pursues is probably the real strength list of Kunlun - the sky list! "

"There are only 1000 places in the sky list, which is limited to the sky of Kunlun! Kunlunxu is the real top strong one! Some back to the peak of the virtual state of strength can not go up, only the virtual king, Daoyuan, Emperor Zun and other strong people are qualified! However, the hero of this event, at the age of 37, has stepped on the 912nd place in the sky list! We can see the horror! The key point is that he stepped on with body building

"I'm afraid that in Kunlun Xu, few people can compete with Xiang Yingjie before their bones are forty. Although Ji Siqing may have the strength to enter the sky list, she seems to be only interested in cultivation and has not killed or defeated the experts in the sky list."

"No, there is another person who will never lose Xiang Yingjie. Don't forget ye Shitian, who was born in the sky! It is said that this person's talent is very likely to surpass Ji Siqing, and even have the strength to fight the sky list! It seems that ye Shitian's root bone has not even arrived at thirty. This is the real terror! "

"What are you talking about? How many people have seen Ye killing the sky? I've heard that ye Shitian's strength fluctuates from high to low. I'll know it only after the real battle! Forget it. Xiang Yingjie will die when he hears it. "

The crowd gradually quieted down.

Ye Chen listens to the voice of the crowd in the ear, her eyes wrinkle tightly.

He knew about the lingfu list, but it was the first time he heard about it. However, on second thought, the list included the virtual King realm, the Daoyuan realm, and even the emperor Zun realm. Compared with himself, it was much worse.

When ye Chen is in a trance, the injured girl is full of new life! Step out and take Xiang Yingjie's arm!

"Inger! You have to decide for me! Some people not only killed my entourage, but also slapped a little girl, even threatened to destroy my Xu family! Wuwuwu... "

Xiang Yingjie glanced at the girl and frowned: "Yaxin, your face..."

Naturally, he saw the redness and swelling on Xu Yaxin's face.

Although he has a general relationship with the Xu family, however, this is his feet!

How could someone be so rampant!

He followed Xu Yaxin's eyes, straight shot at Ye Chen who led the fire cloud deer!

Eyes kill and ferocious!

"It was you who did it just now."

Ye Chen nods without fear.

After getting the answer, Xiang Yingjie stepped out, and his broad sword was inserted on the ground:  
"be bold! Not only in Linhai City, but also dare to kill people! You know what the crime is

"In front of my punishment Bureau, it's a death penalty!"

Drink two sentences, Xiang Yingjie's endless power to penetrate and go!

Breath like a sword through the body! Huoyunlu kneels down directly on both knees!

Although it is a spirit animal, it is only a beast!

Ye Chen Mou son a shrink, know the terrible breath, the first time all the strength gathered in ye  
Lingtian body!

Ye Lingtian can't be hurt again, or he will die!

And ye Chen has no defense, and it's too late to call out Xiaohuang!

On the spot a mouth of blood spurted out! His eyes were red with blood, and the sound of vibration  
came from his bones!

Ye Chen was angry in his heart, raised his head, regardless of the injury, and said word by word: "grass!  
Do you know what the hell happened? What others say is what! What a bullshit

The crowd is silent!

Never thought Ye Chen would dare to say such lies!

This is not killing!

Xiang Yingjie's eyes also flashed a trace of coldness. Although he did not know why under his own momentum, he did not shatter the internal organs of these two people, but he did not care. He pulled out the broad sword in his hand!

"Such lies, today I will punish you, a mole ant, on behalf of heaven!"

When Xu Yaxin saw Ye Chen's death, she sneered at him, hoping Ye Chen would die immediately!

In her opinion, the innocent young man who offended Xiang Yingjie was a death penalty!

Ye Chen is naturally fearless. He is furious in his heart. Even if he can't defeat Xiang Yingjie, how about it!

He has already communicated with Mo Ning'er of the reincarnation cemetery!

Is a great power not qualified!

At this critical moment, a blue robed old man came in in a hurry, and was even more in front of Ye Chen.

It's Feng Tai who tests ye ChenDan's virtual pagoda jade pendant at the entrance and exit!

Feng Tai was sweating. He looked at Xiang Yingjie and said, "Mr. Xiang, can you spare this one for the sake of Feng Tai's face Mr. Ye

He wanted to say the word "Dan Shi", but on second thought, ye Chen was a secret and could not be publicized.

If we publicize and other forces come to flatter Ye Chen, then his Feng family will have no chance!

Chapter 908

Xiang Yingjie's broad sword is hanging in the air, and his eyes are strange.

Mr. Ye? How could Feng Tai address a young man as a gentleman?

What the hell is this!

Does this guy have a history?

Even Xu Yaxin's expression is hard to see the extreme!

I thought Ye Chen was going to die. Now it seems impossible, Cao!

Seeing that Xiang Yingjie didn't take up his sword, Feng Tai continued: "Mr. Xiang, as for the punishment Bureau, I will go and talk to those people. This Mr. Ye is a guest of our Feng family. Please give me some face. Mr. ye came for the first time. He didn't understand the rules here. I'll talk to him later."

Xiang Yingjie hesitated for a few seconds, but he took back his sword.

"Mr. Feng's face, I will give it naturally."

"But if I see this boy dare to fight in Linhai City next time, I will kill him on the spot without any hesitation! Don't try to stop you Feng family! Go

The last word, obviously, is a threat.

That cold eyes as if the flame, trying to burn Ye Chen!

Ye Chen didn't dodge any, his eyes were full of anger, and he even said in return: "if Feng Tai didn't save you, you Xiang Yingjie might be a corpse!"

Although Xiang Yingjie is incomparably strong now, he is still in high position!

He Ye Chen if it is to practice a few points, not by reincarnation cemetery, still can fight!

This hatred, he Ye Chen will die and die, remember!

Unfortunately, Xiang Yingjie has led his troops to leave! Xu Yaxin was afraid of Ye Chen's revenge, so she quickly followed up!

Feng Tai is scared to sweat!

Turning around, he even said, "Mr. Ye, I'm afraid it's the first time you've come to Haicheng. This hero has a long history in Linhai City, and his strength is extremely strong. According to him, he once smashed a strong man in the virtual kingdom with one punch! Of course, it was in the early days that his fame of refining body came from Kunlun. What's more, he has stepped on the list of the sky. It's better for a scholar like you not to conflict with this kind of martial arts man. "

Obviously, in Feng Tai's eyes, alchemy is for literature, and martial arts is for martial arts! Don't mention it!

If really fight, Xiang Yingjie may be able to scrap Ye Chen with a finger!

Ye Chen doesn't talk nonsense. Nodding his head, he can be regarded as thanking Feng Tai for his kindness.

As soon as Feng Tai's eyes turned, he thought of something and said, "Mr. Ye, it's getting late now. You two should not have dinner. I wonder if Feng can invite you to your house for a party."

Ye Chen originally wanted to refuse, but thinking of Ye Lingtian's injury and his family's affairs, trouble Feng Tai is undoubtedly the best choice.

What's more, huoyun deer is injured and needs to rest for a few minutes, so it can't go on its way immediately.

Then, he arched his hand and said, "that will trouble old Feng."

"No trouble, no trouble. If Mr. Ye can go to your house, it's just like making your family shine."

.....

Half an hour later, ye Chen and ye Lingtian came to Feng Tai's house.

It is a courtyard, surrounded by bamboo groves and mountains and rivers.

Feng Tai first arranged for ye Lingtian and ye Chen to take a bath and changed into a suit of clothes.

It can also be regarded as relieving the fatigue of the road.

Then, three people directly came to the restaurant, one person, one table, countless delicacies on the long table, more beautiful wine accompany.

But Feng Tai saw that the beauty could not shake the two men, so he waved and let the servants leave.

After a meal, Feng Tai took the lead to say: "by the way, Mr. Ye, you are a virtual Dan master. Why did you suddenly come to Haicheng? There seems to be no alchemy competition here recently."

Naturally, ye Chen would not say anything about looking for Mo's family. Instead, he looked at ye Lingtian and said, "I may have to trouble old Feng. My friend's father died. This time I came back to deal

with the affairs of my father. But because I left home many years ago, I didn't know the family had moved to Linhai City.

Now, of course, I have already stepped into Linhai City, but I don't know where the specific family is... "

Feng immediately understood that he asked ye Lingtian a few questions, drank a glass of wine, and asked his servants to bring a pamphlet and read several pages. He suddenly raised his head and looked at ye Lingtian with interesting eyes.

"I probably know where it is. Just a few months ago, a family leader surnamed Ye died in the south of the city. It's not far from here. It's just

Ye Chen Mou son shrinks, ask a way: "just what, Feng old but say OK!"

Feng put down the book and went on: "it's just that something has happened to this family. It seems that The dead owner has not been buried, and his bones are not cold! "

Ye Chen and ye Lingtian hear this sentence, the expression moment ferocious!

How long has it been buried!

Do you want the dead to rest!

In Kunlun, there is no rule that the ancestors must be buried in the earth within seven days!

Under special circumstances, it must be buried within 15 days!

But it has been several months since ye Lingtian's father died!

What's this!

What do the family members do to eat!Feng, what is the reason for you to put down the wine glass

Mr. Feng touched his beard and shook his head: "after all, this is a private matter of other people's family. I have no right to know about it. However, according to my guess, it should have something to do with property distribution.

The deceased owner had some reputation in Linhai City. Although his strength was not strong, it was said that he had acquired some strange treasure by accident, which enabled them to move here! What exactly is it? Feng doesn't know. Why don't I send someone to ask? "

Ye Chen took a look at ye Lingtian and could feel his impatience. He stood up and said, "Mr. Feng, it's not necessary. It happens that we are going to go there. We can solve this problem ourselves. Please tell us the specific address."

Feng had some regrets in his heart. Although he wanted to leave two people behind, he also knew that ye Lingtian could not be delayed any more. He handed a map of Linhai City to Ye Chen and marked it.

Ye Chen received the map, naturally can not take advantage of others, is handed out a pill!

This pill is called jinghuanling pill.

The product level is very good. Only the virtual Dan master can refine it.

"Mr. Feng, when we meet for the first time, this is a gift. Please accept it!"

Old Feng looked at the pill, shortness of breath, eyes red, he wanted to refuse, but still quite cheeky took it.

I'm afraid it's a fool to refuse this pill!

"Mr. Ye, I didn't do anything. It really made me blush. But Mr. Ye can rest assured that I still have some status in Linhai City. If anything happens, I will help Mr. Ye straighten it out!"

Ye Chen nodded, also not nonsense, with fire cloud deer is toward the outside.

I'm afraid that Xu Yingjie's Revenge has not been done to the old lady Xu Yaxin. I'm afraid that she's not used to taking revenge on the old lady's house

Chapter 909

Ye Chen did not speak, the corner of his mouth outlined a smile.

Xu family in Linhai City? If you really want to move yourself, you can't blame him.

Ye Shitian's name has not been used for a long time. It's time to erase some things that are looking for death.

.....

At the same time, Linhai City Xu family!

The atmosphere is dignified to the extreme!

The dim light is extremely cold and bloodthirsty!

There is a pool of red blood on the ground, and two cold heads!

It's Xucheng and xulu!

If they don't protect the young lady well, they are capital crimes!

What's more, he has already been injured. Of course, returning to the peak of virtual state is of no use value.

A few middle-aged men were sitting on top of the royal palace.

The middle-aged man is the current head of the Xu family, Xu Zhisheng! The fourth level of Xuwang realm! 899 in the sky!

The other old people are all important people of the Xu family!

One of them is an old man who is the third level of Daoyuan realm! Xu Zhenshan, 651 in the sky!

The whole body exudes the breath of terror.

Under his high hall, is the young girl Xu Yaxin who conflicts with Ye Chen.

At the moment, Xu Yaxin's face is covered with a silver leaf.

The sap of the leaf drops on the red and swollen face, and immediately subsides a lot.

Of course, the red palm print is still there.

"Dad, if ye Chen doesn't die, I won't eat for a day! The boy not only blasphemed me, but also threatened to uproot my family! "

Xu Yaxin said with a sad face.

"Pa!"

The two spirit stones in Xu Zhisheng's hands suddenly burst, and an invisible air wave dashed into each other!

Not far away, the table made of basaltic stone is also broken!

"Although my Xu family is not a top family in Linhai City, it is not a cat and dog that can move!"

"I didn't expect that some animals would dare to move my Xu Zhisheng's daughter!"

"Ya Xin, don't worry. Even if the Feng family stands behind Ye Chen, I will kill him! Abandon their hands and feet, cut off their heads and kill the nine clans! "

Words fall, a servant rushed in, looking at the depressed atmosphere of the hall, kneel down directly!

Xu Zhisheng Mou son pan lengyi, open a way: "Zheng Yuan, let you investigate that boy's identity how?"

Although his Xu family was not afraid of the Feng family, Feng Tai was so careful in his service that there must be a reason for him. Therefore, he ordered people to investigate the identities of Ye Chen and ye Lingtian.

Know yourself and know your enemy, and you will be invincible in a hundred battles! This is one of the reasons for the prosperity of his Xu family!

The servant nodded his head, and then said: "report to the master, the identity of Ye Chen has been found. This son comes from China, and the ancestral gate behind is the door of medical God!"

Hearing these two words, Xu Yaxin cursed: "how can it be? This little animal came from such a low-grade place as China! That place is a wasteland with little aura. It's impossible for such a strong man to be born! "

"What's more, you said the door of medical God? Isn't the door of medical God the door of medicine of Kunlun deficiency? It's disappeared long ago. Why did it come out again? "

Xu Zhisheng also nodded, the same doubts.

In his eyes, Chinese people are a group of mole ants that can't be cultivated.

They can be easily erased!

As for that piece of land, in the eyes of their Kunlun practitioners, it is no doubt abandoned land!

Not to mention the door of medical God, garbage can not be garbage door!

But how can such wasteland be born to make those who return to the void to kneel down?

The servant quickly shook his head, like a rattle!

"Master, miss, you don't know. Ye Chen was originally a waste for everyone to fight. But a few days ago, Mr. Jingshui held a battle of talents in the xuzong gate of Kunlun. On the qianjue square, that ye Chen was born and defeated many talents! It is said that he also killed the elder of qingluan sect, which offended Mr. Jingshui and made him angry. If it was not for the people of danxu Taluo's family to protect Ye Chen, he would have died long ago!

Although I don't know whether this legend is true or not, the boy's strength must be a little bit. He is just too arrogant in his character. He also agreed with Mr. Jingshui for a life and death battle in two months! I don't know the details. Mr. Jingshui ordered to block the news... "

Xu Zhisheng and Xu Yaxin Hear ye Chen and Mr. Jingshui agree on a life and death war, inexplicably want to laugh!

What an identity Mr. Jingshui is! It is the existence of the top 500 in the sky list! I don't know the specific rank, but ye Chen can never shake it!

I'm afraid this kind of garbage is trying to make a name with Mr. Jingshui.

It's a pity that I chose the wrong person! It is estimated that two months later, he will die.

Xu Yaxin suddenly thought of what, curiously said: "this little beast around that beggar?"

The servant continued: "the beggar's identity is better checked. He has some relations with us. His name is ye Lingtian. He belongs to the Ye family in the south of the city. He has only been away from the family for many years. It seems that he has gone to China. I don't know what this guy is doing in such a spirited and tired wasteland. I'm afraid he's coming back for his father's sake. But with our families in control, his father's coffin has not yet been buried in the ground..." After hearing all the news, Xu Zhisheng's mouth showed a cruel smile and murmured: "it's that guy's son, hum! That guy has a hard mouth and won't reveal the whereabouts of that thing. He wants to go to the ground. Don't think about it!"

He looked at his daughter and said, "Yaxin, what price do you want these two people to pay? Dad promised you

Xu Yaxin clenched her pink Fist: "Dad, I want them to kneel down in front of me, and I will cut off their hands, feet and heads to feed the dog!"

At this moment, her beautiful face was full of malice.

Xu Zhisheng nodded: "good, meet you for your father! But before killing them, we should show them the strength of our Xu family

.....

Ye Chen and ye Lingtian soon arrived at a manor in the south of the city.

From the external facade, it is even more magnificent than Feng's.

Even ye Lingtian can't respond to it.

When he left the family, the family was not in decline, but it was just a small family.

How can you be so grand!

If it was not for the rise of the Lord of the temple by his ancestor's anti heaven technique and huge cost, he would not have left Kunlun Xu to go to China.

"Master of the temple, Mr. Feng said that my father had obtained the foreign treasure. Is it the foreign treasure that comes from all this of the family?"

Ye Lingtian has a wonderful way.

Ye Chen patted ye Lingtian on the shoulder and said faintly, "you go up to the fire cloud deer. This is your family. After so many years of leaving, you should go back in a proper manner.

Today, I will be your servant in front of strangers, and I will give you a face. "

Ye Lingtian, who dares to let the hall master be his servant, shook his head repeatedly: "the Lord of the temple can't! There is a distinction between you and me. If the people in the dark temple know about it, I will go back to take it

Ye Chen's real Qi rippling, directly let Ye Ling sky huoyun deer, invisible pressure bound ye Lingtian, let him think about it also can not come down.

Chapter 910

"Ye Lingtian, don't use any noble words in front of me. I Ye Chen has never regarded you as a servant, but a brother!"

"Brother, I'm going to say something when I go home!"

Ye Lingtian heard this sentence, eyes slightly red, fist clenched.

If there is such a master, he will follow him to the death!

Ye Chen leads the fire cloud deer in front of the road, and soon comes to the Ye family gate.

There are two strong guardians of the holy kingdom!

"Who are you?"

At the point of the spear, the gatekeeper is extremely vigilant.

Ye Lingtian just wants to talk, ye Chen is a step out!

"Don't you even know ye Lingtian? Don't kneel down to meet you! "

Ye Chen's endless pressure release!

He is stained with the blood of unknown number of people. How terrible it is to release the pressure!

The gatekeepers were completely frightened!

Get down on your knees!

One of the gatekeepers obviously recognized ye Lingtian and exclaimed, "young master, you You are back at last

Ye Ling, the world's huoyun deer, nodded: "what happened to the family, why I heard that my father's coffin has not been buried?"

Hearing this, the gatekeeper turned pale and didn't know what to say.

"Young master, it's hard to say..."

Ye Chen took a look at the gatekeeper's hesitant appearance, and felt something was wrong. He gave Ye Ling an angel a look, and he went to the living room together.

When ye Chen and ye Lingtian come to the hall, they are completely stunned!

A coffin fell quietly in the hall!

There are countless sword marks on the key coffin!

The damage is extremely serious!

The dead in any place, should be respected and revered!

But here it is treated like this!

Ye Lingtian's body trembles, and then he comes to the coffin and opens it slightly. When he sees everything inside!

Kneeling directly in front of the coffin, suppressed for a long time mood and tears broke out completely!

"Dad, Lingtian is unfilial!"

"Bang bang bang!"

Kowtow after kowtow!

Extremely powerful!

The forehead instantly blood red!

Ye Chen did not stop, when ye Lingtian opened the coffin, he had noticed his father's situation.

The wounds are numerous, shocking and even incomplete.

And ye Lingtian's information is totally different.

Only in this way can he vent his emotions.

Maybe there was too much noise. Two people came into the back of the hall.

A woman of about 40 or 50 years old, with a mean face and a good foundation of cultivation, looks quite young.

Beside the woman stood a young man, somewhat similar to ye Lingtian's facial features, which should be brothers.

The cultivation of the youth is much higher than ye Lingtian, which should be on the seventh floor of the holy kingdom.

When the woman saw ye Lingtian, she clearly recognized each other and was slightly surprised. Then she said with a sneer: "do you dare to come back

Ye Lingtian stopped his tears, raised his head and looked at the woman with cold eyes: "why did my father die? After such a long time, why not go to the ground? My father is very kind to you. Don't you do anything? "

There was a trace of anger in his voice. This woman was his father's remarriage!

Should have called a two Ma, but ye Lingtian can't call out!

He didn't care what the woman had done to him!

And now, my father is in such a situation that he doesn't care!

How could he not be angry?

The woman snorted coldly: "what attitude do you have? I am your elder at least! What I do is none of your business

"Aren't you going to fulfill the last wish of your ancestors? How can you still have this strength? What bullshit China! The man found it? "

Later, the woman also noticed Ye Chen and asked, "who is this boy? Who allowed you to bring in outsiders? "

Ye Lingtian saw the other party's attitude, just wanted to talk, ye Chen was the first step: "if you speak to the young master again, the consequences will be borne by yourself!"

When the woman heard the word "young master", her disdain expression became more and more obvious: "Yo, ye Lingtian, you are promising. You went to China and brought back a dog."

With that, the woman looked at Ye Chen and said aggressively, "I'm talking. When is it your turn for a dog slave to interrupt? Don't kneel down!"

Ye Lingtian's face changes!

He accepted the Lord's kindness, but he would never allow anyone to insult him!

"Qiu Wanjun, shut up your mother!"

He clapped his hand on the ground, and his strength made him get up directly. Then, he took out a fierce slap! Hard fan in the woman's face!

The woman is aware of the wrong, even if Dodge, or be fan, is more staggering fell to the ground. It's a mess.

She looked at her son and said angrily, "Lingyun, as the current owner of the house, don't you care?"

Ye Lingyun's face was full of pride and said in a loud voice: "come on, drive these two animals out of Ye's house!"

Ye Lingtian stares at the big eyes and stares at the immature half brother in front of him.

Is he the current owner of the house?

When ye Lingtian left, his father once said that, no matter what, the position of the head of the family would only be left for him!

Just because he left the Ye family to look for ye Chen, it was for the good fortune of the Ye family!

Father can't break this promise!

Obviously, a lot of things happened during the time he left!

The death of the father, including the Lord!

With the yell of Ye Lingyun, the hall suddenly poured into a dozen strong people!

From the holy King state to the back empty state, the evil spirit surrounds!

Ye Lingyun took out a chair and sat down with great interest, and asked his servants to bring him a cup of tea.

At the same time, the feet are placed in a corner of the coffin.

Incomparable contempt!

Ye Lingtian was completely angry, just wanted to start, but ye Lingyun said: "you are not in the family for a long time, there are three things you should not know."

"First, as my mother said, now that the family is in my hands, you don't want to compete with me for power. You are not qualified!"

"Second, you have been expelled from the genealogy by the family, and you are no longer a member of the family! I advise you to leave early! You are a disgrace to the Ye family if you don't come back for several years! "

"Third, there is no need to bury the old man's body. The thing is not found. Those people are not allowed to be buried!"

"The old man refused to tell us the whereabouts of that thing. We were nearly forced to death by those people! It's so damn hard to die. I'd be damned

Hearing this kind of words, ye Chen and ye Lingtian are completely angry!

This is still human!

Ye Lingtian stepped out, pushed Ye Lingyun's feet away directly, and then said, "Ye Lingyun, isn't he your father? You're going to be struck by the thunder like this

Ye Lingyun saw a waste also dare to push himself, some angry, directly ordered: "these two guys break hands and feet throw out!"
