### Chapter 9101

However, Demon Ancestor Wutian certainly did not expect that Ye Chen's injuries had already recovered.

Zilan, the first God of Grass, gave her body to blend with Ye Chen in order to heal Ye Chen's injuries.

Not only did Ye Chen recover from his injuries, Qinglian's avatar has also been repaired, and even Floating Life is recovering steadily.

However, these things, because there is a little grass god to cover up the cause and effect, so even the devil ancestor Wutian has not spied on it now, but it is only vaguely inferred that Ye Chen is no longer in Qiancao Villa.

"Hehe, Little Grass God, as long as you hand over the Lord of Reincarnation, my Mira Palace will not be your enemy."

Mang Tianluo said in a cold voice with his hands behind his back.

Not long after his words fell, a green divine radiance burst out from the Thousand Grass Villa, and a green lotus sprang up faintly.

That is a green lotus that can break through the sky, and it is the appearance of the first green lotus in the world!

The green lotus petals opened, and a petite figure emerged, it was the little grass god Qingyan.

"Master Little Grass God has come!"

The disciples of Thousand Grass Villa saw the arrival of the little grass god Qingyan, and they were immediately pleasantly surprised and worried.

Because they are also very clear that under the restriction of the laws of reality, Xiaocao God can't exert much strength. How easy is it to fight alone against the three masters of Mozu Wutian, Mang Tianluo, and Li Jueyun?

"Mozu Wutian, do you really want to be my enemy?"

Qingyan, the God of Grass, looks immature, but her eyes are filled with an ancient pressure, staring directly at Demon Ancestor Wutian and others.

tomato

Demon Ancestor Wutian chuckled, and said: "You are a little doll, compared to the first grass god, you are not even as good as a hair on her, so I will be your enemy, so what can you do?"

These words were very harsh, and Qingyan, the little grass god, was extremely angry when she heard it, her face turned red with anger.

"I'm not as good as Sister Zilan, but it's not your turn to point it out!"

The little grass god Qingyan was furious, and with a wave of her slender hand, the emerald green brilliance bloomed and filled the void.

A huge phantom of an ancient tree slowly emerged from the void.

"World Tree, come!"

The God of Grass yelled, and actually summoned the World Tree directly.

This world tree was planted by the first grass god.

When the World Tree was at its most luxuriant, it was connected to the heavens and the world, and even directly connected to everyone's heart.

Relying on the World Tree, the first God of Grass can see through everyone's heart, which is extremely powerful.

By now, the World Tree has already been cut off, but the Little Grass God reversed the long river of time and was still able to summon the phantom of the World Tree from the past years.

As soon as the World Tree descended, the majestic breath of life spread in the surrounding world. Huge trees pierced through the sky and clouds, with branches, roots, and many vines extending out like a dragon. , entwined towards Demon Ancestor Wutian and others.

Feeling the majestic coercion of the World Tree, the smile on Mo Zu Wutian's face restrained, and a trace of solemnity appeared in his eyes.

"The power of this World Tree is powerful, but I don't know how much power you, a little doll, can exert."

The demon ancestor Wutian made a big move, and the vast demonic energy gathered, and the filth of the demon star sea descended, turning into a dark river of demonic ways, sweeping towards the world tree.

"Let's do it together, first suppress the World Tree!"

Mang Tianluo's eyes were cold, he glanced at Li Jueyun, and with a movement of the formula in his hand, he also released an extremely strong demonic energy, which was mixed in the breath of the demon ancestor Wutian.

boom!

The long river of demonic ways released by Demon Ancestor Wutian suddenly surged in momentum, and the dark wave burst, sending out a shocking roar.

"The avenue of time, the world wears down!"

Li Jueyun also made a bold move, pouring the laws of time into the long river of magic way with white mist.

The law of time released by him has a terrifying aura of destruction, which is enough to wear down the world and make the sun and the moon decay.

With the help of Li Jueyun and Mang Tianluo, the long river of demonic ways sent out by the demon ancestor Wutian slammed into the World Tree.

boom!

An astonishing scene appeared. When the long river of demonic ways collided with the World Tree, countless darkness and filth, as well as mysterious magic energy, exploded in an instant, completely polluting the green and vibrant World Tree. up.

The trunk of the World Tree became pitch black, and was ground by the law of time, showing a trace of decay, as if it was about to die.

"Puchi!"

Xiaocao God suffered backlash and vomited blood on the spot, his immature face suddenly turned pale.

If it was Mo Zu Wutian alone, she might be able to suppress it, but with Mang Tianluo added, she would be at a disadvantage immediately with one against three.

"I'm too weak..."

"But, World Tree, it will never be allowed to be polluted!"

Xiaocao God looked at the world tree that was gradually turning black and withered, a trace of determination flashed in his clear eyes, and immediately bit the tip of his tongue, spraying blood.

Under the spray of her blood essence, the World Tree bloomed again, and the leaves were as warm as jade, resisting the evil spirit of Demon Ancestor Wutian and others.

However, Xiaocao Shen's blood was burning, but his own state was very bad.

"In the past, the Daoist Tianzun killed the gods to prove the way. Today, let's follow the example of the Daotian Tianzun and kill the gods to prove the way!"

A trace of cruelty flashed across Mozu Wutian's eyes, and he signaled to Mang Tianluo and Li Jueyun.

Mang Tianluo let out a sinister laugh and said, "That's right."

Li Jueyun said to Xiaocao God: "Little Grass God, you have fallen to this point today, you really have lost the face of the Nine Gods!"

Chapter 9102

The three of them released their aura and all the laws of the Great Dao, and finally turned into a giant sword that shook the sky, fell from the sky, and slashed fiercely at the little grass god.

The immature and delicate body of the little grass god, against the backdrop of the terrifying giant sword, is as small as an ant.

Seeing the giant sword slashing down, a trace of panic flashed in the eyes of Xiao Caoshen, and then he showed a wry smile.

Perhaps, today, she will be killed like Vulcan Tianzun.

If Mo Zu Wutian, Mang Tianluo, and Li Jueyun could kill her, they might be able to kill gods and prove the way, breaking through the limitations of reality, and their strength would advance by leaps and bounds.

The disciples of Qiancao Villa were all terrified. Yelan, Zanghai and others wanted to protect the God of Little Grass. The astonishing supernatural powers of Tian Luo and Li Jueyun are enough to kill the Immortal Emperor.

If ordinary people dare to approach, they will probably be killed by the terrifying sword energy on the spot.

"The Demon Ancestor Wutian, why bother to embarrass the Little Grass God?"

"The person you are looking for is nothing but me."

Seeing that the little grass god was about to be killed, but at this moment, a stern voice sounded from the sky.

That was Ye Chen's voice!

boom!

The airflow exploded, purple flames covered the sky, and the sound of the phoenix pierced through the void.

Ye Chen's figure appeared in the sky, stepping on a purple phoenix.

That purple phoenix burst out with an incomparably vast aura of divine beasts, and all kinds of runes intertwined in its eyes, like a great phenomenon containing the sun, moon and stars, and the purple flames, like some kind of ancient law, surrounded that purple phoenix. The body of the phoenix is constantly floating and sinking, which is shocking.

That purple phoenix is none other than the Haitang purple phoenix!

"Ye Chen, it's you!"

Mo Zu Wutian was shocked when he saw Ye Chen appear.

He looked up to the sky, and saw Ye Chen's breath was full, and he didn't look injured at all.

Li Jueyun was startled when he saw Ye Chen appear, and then his expression changed drastically and he screamed: "You boy, why are your injuries all healed? This is impossible!"

He couldn't believe his eyes. In the battle in Mingdu, Ye Chen forcibly summoned the scorching sun and life star, and the backlash he suffered was extremely serious.

Such a horrible injury even made Li Jueyun think that Ye Chen wouldn't survive that night.

But now, Ye Chen looked lively and energetic, with a cold and murderous intent in his eyes, which made people shudder.

Compared with the fierce Ye Chen, the Begonia Spirit Mother, who was also standing on the Begonia Purple Phoenix, did not attract any attention.

"This phoenix is the purple phoenix beast of the Haitang family?"

Mang Tianluo's expression also changed drastically, because he could see that the blood of the purple phoenix beast was extremely terrifying, and it was the Begonia Zihuang, which ranked fifth on the Wuwu Time and Space God Beast List.

With the appearance of the Begonia Purple Phoenix, purple air filled the void, the flames boiled, and the majestic coercion shook the surroundings, causing the shocking giant sword that killed Xiang Xiaocao God to come to a standstill.

"Brother Ye Chen!"

Seeing Ye Chen coming, the grass god Qingyan was overwhelmed with surprise, and tears even appeared in her eyes.

"Take the little grass god away, don't be too desperate, I have a hunch that something unexpected might happen at the Fengqiu Huang banquet."

Begonia Spirit Mother glanced at Xiaocao God and said to Ye Chen.

Although Demon Ancestor Wutian is here, it is obviously not the time for a decisive battle.

For one thing, Floating Life and Jue Ming is still being cultivated and has not fully recovered.

Two, three days later is the Fengqiu Huang banquet, Ji Siqing will most likely appear at the banquet, there may be accidents.

On Ye Chen's side, he must save his energy and avoid complications.

Ye Chen nodded, he had recovered from his injuries at this time, even if he was fighting against the Demon Ancestor Wutian, he would no longer be embarrassed.

"Longteng Fate Star, open!"

With a shout, Ye Chen turned on the Dragon Fate Star, and the majestic dragon power exploded. His body rushed out, and fell directly in front of the little grass god Qingyan. out.

boom!

The giant sword condensed by Mo Zu Wutian, Mang Tianluo, and Li Jueyun was instantly blown up by Ye Chen, turning into the most primitive magic energy and dissipating away.

Feeling Ye Chen's violent power, the expressions of all three of them changed wildly.

At this moment, Ye Chen seemed to be fighting alone, but in fact, he was supported by the aura of Haitang Zihuang, so he was very powerful.

"Sister Qingyan, let's go!"

Ye Chen held Xiaocao God in his arms, and was about to take her away.

"Leave it to me!"

The Demon Ancestor Wutian was furious, and the Gate of Eternal Life was released. The formerly honorable and luxurious gate, under the influence of his dark demon energy, has turned into pitch black with strong demon power.

The huge and dark door of eternal life was suppressed towards Ye Chen.

"Do it! Kill this kid!"

Seeing this, Mang Tianluo and Li Jueyun's eyes exploded with fierceness, and they wanted to join forces with Mo Zu Wutian to force Ye Chen to stay.

"Hey, do you know how to be ashamed by how much you bully the few?"

At this moment, Haitang Zihuang made a disdainful sound, flapped its wings, and a violent purple air wave, with the power of fate, rolled towards the demon ancestor Wutian and the three of them.

Under the coercion of this fateful purple energy, Mo Zu Wutian and the three of them all felt tremendous pressure.

They even felt that the blood of Begonia Zihuang had a special resonance with Ye Chen's blood!

It's like the avenue of destiny, resonating with twins on the avenue of reincarnation.

Under the effect of such resonance, Haitang Zihuang's bloodline supernatural power became even more powerful.

Under the suppression of this fateful purple energy, Mozu Wutian and the others had no choice but to back away.

"Hey, why is this girl's blood pressure so strong?"

Haitang Zihuang was also very surprised to see Mozu Wutian and the other three backing away.

She found that her blood pressure was much stronger than usual.

Sensing carefully, she discovered that her own bloodline actually resonated with Ye Chen's reincarnated bloodline inexplicably.

Under the sympathy, the divine power of her bloodline shocked Mozu Wutian and the others for a short time.

"Walk!"

Ye Chen didn't hesitate, this was an excellent opportunity, he immediately took Xiaocao God to fly to the back of Begonia Zihuang, and then Yufeng left.

If there is a decisive battle, Ye Chen has no chance of winning, because Mozu Wutian has also joined forces with the Miluo Palace.

If there is a real war, it is likely that both sides will suffer.

At that moment, Ye Chen took Xiaocao God and left quickly.

The disciples of Thousand Grass Villa, seeing the little grass god leaving safely, also hurriedly retreated and left quickly.

"Damn it!"

Seeing Ye Chen leave, Mozu Wutian was immediately furious.

He never expected that Ye Chen recovered from his injuries, and even managed to subdue a top-level phoenix beast from nowhere.

With the help of the phoenix beast, Ye Chen easily took away the little grass god.

Chapter 9103

Mang Tianluo's face was equally ugly, and he deeply felt that the luck of reincarnation was so powerful that it was unimaginable.

"Palace Master, do you want to chase? It seems that the queen of Hades is also by his side."

Li Jueyun looked at Ye Chen's disappearing figure, feeling uneasy in his heart.

Because he saw that beside Ye Chen, there was the Queen of Hades.

At this time, he has glimpsed the secret, and knows the true identity of the Queen of the Underworld. She is the only survivor of the Haitang family, the Lingmother Haitang, and the owner of Haitang Zihuang.

Among the heavens and the sky, Haitang Zihuang has a very big name. It is a top-level beast that has caused many bloody storms, and it is coveted by countless people.

However, that Haitang Zihuang is wild and unruly, even the Haitang family has never really tamed it.

It's just that the current Begonia Zihuang has obviously been tamed, and even showed great power, helping Ye Chen save Xiaocao God.

"No need, that kid actually subdued Haitang Zihuang, things are going to be difficult."

Mang Tianluo's eyes were cold, so he naturally knew that behind Haitang Zihuang, countless causes and effects were involved.

"Occupy the Thousand Grass Villa first. After all, this place is also the territory of the little grass god. She will not give up easily, and she will want to take it back sooner or later."

"If she dares to come back with the Lord of Reincarnation, it will be their time of death!"

Moze Wutian's eyes flashed a glimmer of gloom, and he made a decision at the moment.

Instead of wasting time chasing and killing Ye Chen, it would be better to sit on the sidelines and wait for a rabbit, occupy Qiancao Villa, and wait for Ye Chen and Xiaocao God to come back.

The arrival of Haitang Zihuang today caught him, Mang Tianluo, and Li Jueyun a little off guard. They were completely unprepared beforehand, and Ye Chen retreated in the end.

But if they had enough preparations, even Haitang Zihuang would not be able to be arrogant anymore.

At the moment, Mo Zu Wutian, Mang Tianluo, Li Jueyun and his group completely occupied the Qiancao Villa, looting all the treasures accumulated in the villa over the years.

Fortunately, the disciples of Qiancao Villa have fled without any casualties.

It's just that this huge territory of the God of Grass has been lost to the enemy.

...

at the same time.

"Brother Yechen, Begonia Spirit Mother, Fairy Zihuang, thank you for saving me."

On the way to Haitang Fairy Island, the little grass god Qingyan spoke childishly and dignifiedly, and solemnly thanked Ye Chen and the others.

"You're welcome, we're friends."

Ye Chen said with a smile.

"Little Grass God, your god power has dropped compared to before."

Haitang Lingmother frowned slightly, judging from the performance of the little grass god just now, she felt that the little grass god had become weaker.

God Xiaocao showed a hint of helplessness and embarrassment, and said: "Well, yes, my virtue is not worthy, I am not worthy of being a god at all, my power is constantly declining, I just want to find a successor as soon as possible to inherit Zi Sister Lan's authority, I can't do it anymore."

The power of the God of Grass is actually very terrifying. When the God of Grass dominated the heavens in the early days, the Nine Gods had not yet been born, and the roots of the World Tree were even more connected to everyone's hearts.

The power of God, in that era, was unimaginably powerful and terrifying.

It's just that the little grass god Qingyan hasn't been able to exert the greatest power of the grass god's authority.

Haitang Spirit Mother asked: "Have you found a suitable successor?"

Qingyan nodded, and said: "Well, I found it. Her name is Sun Yi, and she is a friend of Brother Ye Chen. I once summoned her to come to Wuwu Time and Space, but unfortunately encountered a little accident. She...she was trapped Inside the Heavenly Demon Star Sea."

"Brother Yechen, when will you go to No Time and Space? Rescue sister Sun Yi and let her inherit my authority, and I will be free."

Ye Chen touched Xiaocao God's head and said, "Sorry, I'm not qualified to go to Wuwu Time and Space right now, but I promise you, Qingyan, when I go to Wuwu Time and Space, I will send Sun Yi to you as soon as possible." Rescue her and let her inherit your lineage."

Qingyan, the God of Grass, smiled and said, "That's good, I'm looking forward to that day."

When the group returned to Haitang Xiandao, Ye Chen made a little calculation and realized that Qiancao Villa had fallen and fell into the hands of Demon Ancestor Wutian and others.

This is the territory of the Little Grass God, and there is a profound energy of the gods accumulated in the veins of the earth, so naturally it cannot be easily handed over to others.

However, it is not easy to launch a counterattack.

"Sister Qingyan, when the aura of Floating Life and Jue Ming recovers, I will help you regain your territory."

Ye Chen made a decision in his heart, and planned to wait a month later, when Floating Life and Judgment recovered, he would go back to Qiancao Villa and fight to the death with Demon Ancestor Wutian!

During this month, he also plans to practice hard and improve his strength.

"Well, thank you, brother Ye Chen, alas, I'm sorry, I... I'm really too weak. In terms of combat power, the current me is at most equivalent to a high-level immortal emperor."

Xiaocao God sighed, deeply blaming himself.

Her god powers are varied, but her real combat power is probably just that of a high-level immortal emperor.

A high-level immortal emperor, in the real world, is naturally a figure standing on the top of the tower.

But for the real Heavenly Emperor and Lord God, this level of cultivation is not enough.

"It's okay, don't blame yourself, you can have a good rest."

Ye Chen touched Qingyan's head lovingly, telling her not to blame herself.

Right now, the God of Grass settled down on Haitang Fairy Island, planning to wait a month later for Floating Life and Destiny to recover, and then counterattack Qiancao Villa with the means to restrain the Demon Ancestor Wutian.

## Chapter 9104

Ye Chen, Begonia Spirit Mother, and Zihuang Fairy planned to attend the Fengqiu Huang Banquet three days later.

According to the legend, the bloodline that was first born on the Phoenix God Star was the Phoenix lineage, but they are not some Phoenix beasts, but the human race with Phoenix blood. Home.

Begonia Zihuang and Scarlet Phoenix, who were born later, were not human races, but beasts, and were regarded as gifts from fate by the Feng family and the Huang family.

They wanted to take both Zihuang and Scarlet Phoenix as beasts, but they were angry when they were rejected.

In the end, the Feng family and the Huang family joined forces to kill Chihuang and severely injured Zihuang.

Ye Chen deduced the secrets of the past, and knew these secrets.

The red phoenix fairy in his reincarnation cemetery is actually a scarlet phoenix divine beast, which was beheaded by the Feng family and the Huang family on the phoenix god star back then.

If it wasn't for this accident, perhaps Fairy Scarlet Phoenix would have already proved to be a god.

As for Haitang Zihuang, because of the extra blessing of the little grass god, she survived by chance, but was also severely injured, fell from nowhere, and was picked up by a small family in Tianwaitian.

That small family, nourished by her blood, soared into the sky and became a giant. In the end, all the families were wiped out, leaving only one orphan alive, who is today's Haitang Lingmother.

Back then, following Haitang Zihuang, there were more than a dozen clansmen of the Phoenix lineage.

Eternal time has passed, and the dozen or so clansmen of the Phoenix lineage have already spread their branches and leaves in the outer sky, becoming a powerful force, and the number of clansmen has expanded to as many as one million.

The so-called Fengqiu Huang banquet is exactly the marriage between the Feng family and the Huang family in the Phoenix family.

"The cause and effect of this banquet is really not simple."

Ye Chen's eyes were like lightning, and he found it very complicated to calculate all kinds of causes and effects.

The lineage of the Phoenix, from the Phoenix God Star, is implicated behind the Dao of Destiny.

Haitang Zihuang was severely injured, and Fairy Chihuang was killed, all related to the lineage of Phoenix, they are the mastermind behind the scenes!

There is also Haitang Lingmother, who has a great hatred with Fenghuang.

Because back then, her family secretly raised Begonia Zihuang, and was discovered by the Phoenix lineage.

The Phoenix family came to the door many times, saying that the Haitang Zihuang was a gift from fate, and asked the Haitang family to return it.

The family of Haitang Lingmother naturally refused, the two sides had had a tragic fight.

Later, the Haitang family was destroyed, and the blood of Fenghuang's line was also stained behind the scenes, so the hatred between the two parties was extremely great.

Today, the Phoenix lineage holds a wedding banquet and invites many guests from Tianwaitian.

The fairy island where Haitang Spiritual Mother was located naturally did not receive the invitation. There was a deep hatred between her and Fenghuang's bloodline. If she appeared at the wedding banquet, she might be suspected by Fenghuang's bloodline.

Fortunately, Qiancao Villa was invited.

God Xiaocao concealed the aura of Begonia Spirit Mother, Fairy Zihuang, and Ye Chen, and asked them to pretend to be disciples of Qiancao Villa, and summoned Yelan and Zanghai, and asked them to take Ye Chen and the three to the banquet.

With the help of Xiaocao God, Ye Chen and others saved a lot of trouble.

Three days passed in a hurry, the day of the wedding banquet arrived, and Ye Chen and his party officially set off.

Yelang followed Ye Chen closely, full of nervousness, and said, "Brother Ye Chen, I heard that the Phoenix lineage comes from the power of time and space, do you have a problem with them?"

In Tianwaitian, the lineage of Phoenix is famous. Their Feng family and Huang family are both from the forces of time and space. They were first born from the Phoenix god star, and they have received the blessing of fate since they were born.

Today is the day for the marriage of the two major families of the Phoenix lineage. I heard that the marriage of the two families will burn the power of faith accumulated in all ages, ignite the sacred flame of the Phoenix, and pray for the blessing of the supreme and great avenue of destiny.

This marriage can be said to be the most important marriage between the two families since ancient times. The beliefs accumulated in the ages, the treasures of heaven and earth, will be burned today and turned into sacrifices for the avenue of destiny.

If he could obtain the blessing of the Great Dao of Destiny, the power of the Phoenix lineage in the outer world would probably expand to a terrifying level.

The power of the Phoenix lineage is so strong, if Ye Chen has a feud with them, I'm afraid it will be a lot of trouble, that's why Ye Lan is so nervous.

Now that the Qiancao Villa has fallen, and the Demon Ancestor has a formidable enemy, she really doesn't want to provoke another powerful enemy.

"No, I have no holiday with them. Today I just want to go to the banquet and meet someone."

Ye Chen did not reveal the cause and effect of Chihuang Fairy, Haitang Zihuang and others, so as not to involve Yelan in it.

The closer to the territory of the Phoenix lineage, the stronger Ye Chen had a premonition that he would see Ji Siqing soon.

The lineage of the Phoenix is closely related to the Dao of Destiny, and today is a grand day for marriage worship. If Ji Siqing, the Lord of Destiny, appears at the banquet, I don't know how much fluctuation it will cause.

"You have no trouble with them? That's good, I thought you were enemies everywhere, help."

Ye Lan patted her chest, breathed a sigh of relief, and they all murmured that after being with Ye Chen for a while, she felt that there were too many enemies in reincarnation.

Ye Chen smiled wryly, shook his head, and said nothing more.

Soon, Ye Chen, Ye Lan, Zang Hai, Begonia Spirit Mother, and Zihuang Fairy arrived at the holy land of the Phoenix lineage.

I saw this holy land of Phoenix, with thousands of rays of light, thousands of auspicious colors, and the highest and most majestic laws of destiny, hanging upside down in the sky like waterfalls and galaxies, it is very spectacular.

Inside the Holy Land, many exotic flowers and plants are in full bloom, and immortal beasts are flying, creating an atmosphere filled with immortal energy.

In the very center of Phoenix Holy Land, surrounded by thousands of clouds and auspicious clouds, stands a huge statue.

"First Evolution"

That is the statue of the future goddess of destiny, the supreme and great master of destiny!

The Phoenix family, whether it is the Feng family or the Huang family, are all devout believers of the Lord of Destiny.

They were able to be born precisely because of the blessing of fate.

Today, the marriage between the Feng family and the Huang family is to sacrifice the natural materials and earth treasures accumulated by the two families, burn the power of faith accumulated over the ages, enshrine the avenue of fate, and pray for the blessing of fate.

Ye Chen narrowed his eyes slightly, looking at the statue of the Lord of Destiny in the center of the Holy Land from the sky.

Then, Ye Chen was surprised to find that the withered statue had no face or facial features.

In other words, the facial features of the statue are completely blank.

"Hmph, if this Phoenix lineage refuses to recognize Sister Siqing, they will be punished by fate sooner or later!"

Fairy Zihuang saw it from a distance, and snorted disdainfully, with annoyance in her tone.

Who is the future Lord of Destiny? This question can cause huge disputes in the heavens and the world.

In Zihuang Fairy's heart, she only recognizes Ji Siqing.

However, the Phoenix lineage in front of him obviously didn't think so.

Chapter 9105

They didn't recognize Ji Siqing, and they were still not sure who the real goddess of fate was.

Today, the Feng family and the Huang family are getting married, preparing to burn their faith and ignite the Phoenix sacred fire, and they also pray for the guidance of the avenue of fate to determine who the final master of fate is.

When Ye Chen and his party landed, they saw the entrance of the Holy Land, and there was a lot of people's voices. There were many forces from the sky outside the sky, and they all came to participate in this Fengqiu Huang banquet.

"Today's wedding banquet is really a big one."

"That's right, the marriage of the Feng family and the Huang family is to burn faith and pray for the blessing of fate. Maybe the identity of the master of fate will be revealed in the end."

"Who is the Lord of Destiny you say?"

The guests talked a lot, and they cared more about the identity of the master of fate than the wedding banquet.

Who is the real master of destiny? Everyone wants to know this question.

Ye Chen, Begonia Spirit Mother, and Zihuang Fairy, under the cover of the Little Grass God, had already restrained their aura, and did not attract the attention of outsiders.

In the eyes of outsiders, they are ordinary disciples of Qiancao Villa.

And Yelan and Zanghai are also well-known in Tianwaitian, because Yelan is the listener of the grass god Tianzun, and his status is very special.

Therefore, when Yelan handed over the invitation and said that she was going to attend the wedding banquet, the welcoming elders of the Phoenix family did not have the slightest doubt, and immediately let her bring Ye Chen and others in.

"I heard that your Thousand Grass Villa was captured by the demon ancestor Wutian. Hehe, if you change your beliefs and believe in the Lord of Destiny from now on, maybe you can get the guidance of fate and reverse the situation."

The elders of the Phoenix lineage still preached to Yelan with a smile, wanting her to convert to the Dao of Destiny.

"Don't bother the elder, I only believe in Lord Xiaocao."

Yelan shook his head and smiled, politely declined, and led Ye Chen and others into the Holy Land.

This Fengqiu Huang wedding banquet was held in the very center of the Holy Land, on the square in front of the statue of the Lord of Destiny.

The square has already been decorated with lights and festoons, and it is full of wedding decorations, making it very lively.

There are also many decorations on the stone statue of the Lord of Destiny, and many treasures of heaven and earth are placed in front of the statue, which are all offerings to be enshrined on the Dao of Destiny.

However, the withered statue of the Lord of Destiny has no facial features and is completely blank, which looks really weird.

On the square, wine tables were displayed one after another, which were already filled with delicious food and wine. The groom was dressed in a festive red dress, and was greeting the guests with several elders.

Ye Chen and the others sat down quietly, waiting for the wedding to begin.

"Hey, Lun... Cough, Chen Ye, where is Sister Siqing?"

Sitting next to Ye Chen, Fairy Zihuang pinched the flesh on Ye Chen's arm without any scruples and asked in a low voice.

At this time, Ye Chen concealed his identity and used Chen Ye's pseudonym.

Fairy Zihuang didn't care about the wedding banquet, she just wanted to see Ji Siqing immediately.

Ye Chen calculated with his fingers, and faintly caught Ji Siqing's breath, but he was not sure where it was, and said, "Don't worry, she will appear soon."

Fairy Zihuang snorted and said, "If you dare to lie to me, I will kill you!"

Ye Chen smiled and did not speak, and waited quietly. At the same time, he secretly calculated what might happen in the future, divination.

With this calculation, Ye Chen felt an inexplicable crisis welling up in his heart.

"The honored guest has arrived! The ruler of the Ice Phoenix Realm, the leader of the God of Wishing Sect, and the Immortal Emperor Ren Tiannv have arrived!"

Suddenly, a welcoming elder shouted at the top of his voice, and everyone in the audience was startled.

I saw a woman wearing a snow-white dress, with snow-like skin and a peerless appearance, striding in, she was the goddess.

Beside the celestial girl, there is also a man who is Li Jueyun, the holy son of Miluo Palace.

When the two arrived, the entire wedding banquet square was filled with light.

Li Jueyun looked at Tiannv with his eyes, with a humble and admiring smile all over his face, and he didn't have the air of superiority in front of others at all.

Imagine Chinese Network

He didn't feel annoyed that the welcoming elder just sang the name of the celestial girl and didn't say his name.

"Junior Sister, sit down."

Li Jueyun accompanied the celestial girl to the square, the welcoming elders had already prepared seats and invited them to sit down, Li Jueyun politely asked the celestial girl to sit down first.

Tiannv nodded, sat down safely, and looked around calmly. When she saw Ye Chen and his party, her eyes shrank slightly, and her fingers inadvertently bent slightly to calculate, trying to see through the identities of Ye Chen and others.

However, Ye Chen's aura has long been covered by the God of Grass, even with the ability of a goddess, it is difficult to see through.

Although Xiaocao God's combat power is a bit weaker, as a god, her supernatural powers and transformation methods are naturally not comparable to those in the real world.

All the guests in the audience were shocked and whispered when they saw the goddess coming. Many people looked at the goddess with admiration in their eyes.

A long, long time ago, when Tiannv was still a member of Wanxu, her reputation spread all over the world, and she was regarded as the goddess of dreams by countless people.

"What are you looking at, who of you dares to have ill intentions towards my junior sister, I will be the first to kill him!"

Li Jueyun felt displeased when he noticed the gazes around him, and immediately said in a cold voice.

These words were very immodest, and it seemed that he was extremely narrow-minded, but he didn't care, and he didn't feel impolite. He looked at the goddess with a smile, and said:

"Junior Sister, today the Feng family and the Huang family are getting married. I heard that they are going to worship the Dao of Fate. I hope you can also listen to the guidance of fate."

Chapter 9106

Tiannv Zhen nodded lightly, took a sip of tea, looked at the statue of the Lord of Destiny without facial features, and said, "I really don't know who the future Lord of Destiny will be, I guess it might be the reincarnation camp That woman named Ji Siqing."

Li Jueyun said: "How is it possible, the legendary goddess of fate will only stand on the side of junior sister, not on the side of the lord of reincarnation."

He is the Son of God in front of people, but in front of the goddess, he does his best to flatter and curry favor.

The celestial girl only smiled slightly, but said nothing.

When Ye Chen saw Tiannv from a distance, his heart trembled. He didn't expect Tiannv to be invited.

Looking at the appearance of the goddess, she seems to want to listen to the guidance of fate and answer the doubts in her heart.

"By the way, she wants to kill me, but she doesn't know how to kill me. She is going to pray to fate and listen to her guidance."

Ye Chen felt sad for a while, but immediately shook his head and stopped thinking about it.

Between him and the goddess, there is destined to be an ultimate decisive battle. Long, long ago, from the day when the goddess "raised pigs", this fateful duel is inevitable.

It's just that Ye Chen and Tiannv probably didn't expect that there would be so many twists and turns for this duel.

"The clan's Tianjiao, Feng Taixu, and Huang Qianxi are here!"

Suddenly, two more powerful breaths came down.

It was a man and a woman, with phoenix blood flowing in their bodies, surrounded by phoenix totems, and their eyes seemed to contain the sun, moon and stars, shining brightly.

Moreover, they exuded a special aura, this aura was hazy, illusory, with a distortion of time and space, it was actually a special aura without time and space!

These two people turned out to be strong men from no time and space!

Looking at their figures, their hazy appearance is obviously not the main body, it should be the avatar.

But even if it is a clone, the coercion it brings is very huge.

"Is it a strong man without time and space?"

All the guests in the audience suddenly became interested, and their eyes fell on the man and the woman.

As for the clansmen of the Phoenix lineage, when they saw the arrival of the two Tianjiao powerhouses, they were all terrified, and their eyes were filled with awe.

"The Zong family is here."

"It's Feng Taixu, the arrogant of the Feng family, and Huang Qianxi, the charming daughter of the Huang family. They are all top-notch masters. Have they descended?"

"I heard from the elders that they also want to witness today's marriage."

"Hmph, I think it's their clan, afraid that we will be blessed by fate and rise against the sky from now on, right?"

The clansmen of the Phoenix lineage whispered in low voices, and many of them had fear in their eyes.

The phoenix lineage of Tianwaitian is actually just a branch. At the beginning of the year, there were only a dozen people who fell from nowhere in order to hunt down Haitang Zihuang.

As for the true clan of the Phoenix lineage, it is in Wuwu time and space.

"Brother Taixu, Sister Qianxi, welcome!"

The bridegroom officer came over and bowed respectfully to the two Tianjiao strong men.

Many elders also came to salute.

The man named Feng Taixu flicked his fingers, smiled coldly, and said: "You don't need to be too polite, although we are from the clan, but a catastrophe tens of thousands of years ago caused the Phoenix star to fall. He also became a bereaved dog, nothing special."

The clan of the Phoenix lineage used to be entrenched on the Phoenix God Star, dominating one side in Wu Wu time and space.

But tens of thousands of years ago, the Divine Phoenix Star fell unexpectedly, and the Phoenix lineage escaped from the disaster, and its power has been greatly weakened.

But, even so, the people present at the branch of the Phoenix line all knew clearly that even if the clan's power declined, they could not collide with it.

When dealing with the Tianjiao descended from the clan, they must be courteous and considerate, and must not be neglected.

An elder said with a smile: "Phoenix God Star has fallen, and sooner or later there will be a day when it will rise again."

Feng Taixu sneered, didn't speak any more, and sat down with Huang Qianxi.

Many guests arrived one after another, and soon the entire wedding square was filled, and the atmosphere was quite warm.

The wedding was about to begin, and the sense of crisis and anxiety in Ye Chen's heart became more and more intense.

"Report!"

Suddenly, a man in heavy armor who looked like a guardian of the Holy Land strode to the square and reported to an Elder Street:

"Elder Qi, a stranger broke into the forbidden area and tried to steal the Holy Grail of the Phoenix. We have already caught him. I don't know how to deal with it. Please show me the elder."

The elder in charge frowned, and said: "If anyone dares to trespass the forbidden area, or even steal the Holy Grail of the Phoenix, he should be killed directly."

The guard looked embarrassed, and said: "However, the identity of the intruder is a bit special, and the subordinates dare not mess with the killer."

"The Point Guard Is Here"

The elder said: "What's so special, the Holy Grail of the Phoenix is a holy weapon of our clan, whoever dares to steal it, no matter what their identity is, is courting death!"

The guard said: "But that person's name is Ji Siqing, who is said to be the Valkyrie of the Reincarnation Camp, and also the Lord of Destiny today."

After these words fell, all the guests were shocked.

No one expected that Ji Siqing actually broke into the forbidden area of Phoenix Holy Land and wanted to steal the Phoenix Holy Grail.

The Holy Grail of the Phoenix is the supreme sacred weapon of the Phoenix lineage, which gathers the power of faith from the Feng family and the Huang family since ancient times.

When Ye Chen heard that Ji Siqing was caught stealing, his expression suddenly changed.

Fairy Zihuang also exclaimed "Ouch", and wanted to say something, but was held in Ye Chen's arms and covered her mouth.

Chapter 9107

The elder's expression changed drastically, and he said, "Is it actually that Ji Siqing? What kind of master of fate, she is not worthy, she is just a usurper of fate, kill her."

The guard hesitated, and said: "She is the woman of the Lord of Reincarnation, if you kill her..."

"The lord of reincarnation blames it, I'm afraid the crime is not small."

Hearing this, the elder also felt that this matter is of great importance. If it is not handled properly, it may bring disaster to the Holy Land of Phoenix, so he immediately said:

"You put that sinner, Ji Siqing, up first, and I'll report to the Holy Master and ask him to leave the customs and deal with it."

The guard said: "Yes!" Then he turned and retreated.

The elder also burned the talisman and asked the Holy Master to leave the customs.

After a while, the guard escorted a woman to the wedding banquet square.

That woman has a beautiful appearance, a cold and unyielding temperament, and the power of fate is surging around her body! It was Ji Siqing.

On Ji Siqing's face, there was a serious burn mark. That scar looked like a phoenix totem, surrounded by red flames, which was extremely terrifying.

"First Evolution"

Seeing that Ji Siqing was brought up and injured, Ye Chen was shocked.

Ji Siqing's comprehension of the Dao of Destiny is getting stronger and stronger. Back then, he could even kill Ye Linyuan. Looking at the entire Phoenix Holy Land, there were not many people who could hurt her.

Ye Chen peeped into the sky and knew that Ji Siqing was injured by the Holy Grail of the Phoenix.

The Holy Grail of the Phoenix is a holy artifact passed down through the ages in the Holy Land of the Phoenix, and has accumulated beliefs through the ages. Ji Siqing wanted to steal the Holy Grail, but he didn't know about it. .

If she hadn't been backlashed by the Holy Grail of the Phoenix, she wouldn't have been caught in such embarrassment.

"Chen Ye, save people quickly!"

Ye Chen was covering Fairy Zihuang's mouth at this time, Fairy Zihuang bit his palm hard, and cried in a low voice, her voice was full of anxiety and urgency, she just wanted to rescue Ji Siqing immediately.

Ye Chen's face darkened. He must not watch Ji Siqing have an accident. Now that Ji Siqing is in trouble, he will definitely save him.

However, this is the Holy Land of the Phoenix, the site of the Phoenix lineage. The two arrogances of the Phoenix lineage clan are sitting here, and Tiannv and Li Jueyun are also present.

If Ye Chen exposes it rashly, it may be dangerous. It is very likely that Ji Siqing will not be rescued, but he will be involved instead.

Ye Chen turned his eyes, thinking about the person who saved him.

Rumble!

At this moment, the sound of thunder bursting from the sky, like the resonance of the gods, spread countless radiances, and an old man, stepping on a phoenix bird, descended from the sky.

"Welcome to the Holy Lord!"

Many disciples from the Phoenix Holy Land bowed down to salute the old man one after another.

That old man is the master of Phoenix Holy Land, Huang Tianqing!

Today's Fengqiu Huang Banquet is exactly Huang Tianqing's married daughter.

He was originally in seclusion to understand the supreme way, even on such an important day as marrying a daughter, he never left the seclusion.

But now, Ji Siqing was arrested, but he went out to deal with it himself.

This is all because Ji Siqing's status is too special, he is a member of the reincarnation camp, if he doesn't handle it well, the consequences will be disastrous.

Huang Tianqing's face was full of gloom, apparently the retreat was interrupted, which made him very unhappy.

"Ye Chen, be careful with this Huang Tianqing."

Suddenly, Fairy Scarlet Phoenix's voice came from the cemetery of reincarnation.

Fairy Chihuang saw Huang Tianqing appear, and a gleam of coldness and hatred flashed in her eyes: "It was he who killed me back then, and he was the one who led people to chase and kill Sister Xiaozi."

Ye Chen listened to Fairy Chihuang's hateful words, his heart trembled, he looked at Huang Tianqing, and thought: "So it's this old guy."

Huang Tianqing's cultivation is unfathomable. He should be a high-level immortal emperor. Facing such a strong man, even Ye Chen must deal with it seriously.

He had already glimpsed the secret, and vaguely saw the scene when Huang Tianqing beheaded Fairy Scarlet Phoenix back then.

After killing Fairy Chihuang, Huang Tianqing continued to lead people to chase Haitang Zihuang, but Haitang Zihuang was seriously injured and fell into the sky outside the sky.

But Huang Tianqing and the others, because the space was broken, were also injured, and they fell together with Haitang Zihuang.

Back then, there were more than a dozen people beside Huang Tianqing, all of whom were strong from the Phoenix lineage. They multiplied and thrived in the outer world, creating the brilliance of the Phoenix Holy Land today.

There is no doubt that Huang Tianqing is the absolute master.

Those two arrogances from the clan, Feng Taixu and Huang Qianxi, saw Huang Tianqing descending, and a trace of fear flashed in their eyes.

Obviously, even they didn't dare to underestimate Huang Tianqing, after all, the other party's blood was extremely pure, and he was also a strong member of the clan back then.

"Hey, Chen Ye, be careful with this old guy."

Fairy Zihuang leaned close to Ye Chen's ear and said in a low voice: "It was he who killed Sister Chihuang back then, and he was the one who led people to chase me down."

"This old guy's skills are mediocre, but his magic weapon is really powerful. His Phoenix Holy Grail is an artifact made by the Supreme Apocalypse himself. You have to be careful."

It turns out that the supreme treasure of the Phoenix Holy Land, the Holy Grail of the Phoenix, is Huang Tianqing's magic weapon, an artifact cast by the Supreme Apocalypse himself.

"Lord Holy Master, Ji Siqing is a sinful woman who is trying to steal the Holy Grail of the Phoenix. This woman has a special status and I don't know how to deal with it. Please show me, Holy Master."

An elder asked Huang Tianqing.

With indifference in his eyes, Huang Tianqing looked Ji Siqing up and down, and said, "Miss Ji, why do you want to steal the holy artifact of my Phoenix lineage?"

At this time, Ji Siqing was bound by iron chains, her spiritual energy was blocked, and she was forced to kneel on the ground, but she had an unyielding look in her eyes. Hearing Huang Tianqing's questioning, she turned her head and did not defend herself.

Seeing that she didn't speak, Huang Tianqing chuckled and said, "You think it's ok if you don't speak? Others say that you are the master of destiny, but I, from the Phoenix lineage, don't think so. You are just an usurper."

"I'll give you a chance to tell me honestly why you stole the Holy Grail. If you don't tell me, then don't blame the old man for being cruel!"

Listening to Huang Tianqing's fierce words, Ji Siqing still didn't change his face, and didn't say a word.

The guests in the audience were whispering, not knowing how this matter will end in the end, if Ji Siqing is really killed, then the Phoenix lineage and Ye Chen's reincarnation camp will be completely torn apart.

Ye Chen's face was silent, his palms were tucked into his sleeves, and he was ready to go. If Ji Siqing was really in danger, he would definitely do whatever it took.

Of course, Ye Chen didn't want to tear up his face immediately.

He sent a sound transmission to Yelan and Zanghai: "Go out and see if you can save him."

Zang Hai understood, immediately chanted "Amitabha", got up from his seat, and said to Huang Tianqing: "Holy Master Huang, this girl Ji is a Valkyrie from the reincarnation camp, and also a friend of my grass god lineage."

Chapter 9108

"I hope you can see the face of my grass god lineage, make big things small, small things small, and let Miss Ji go."

"After all, the Phoenix Holy Grail was not really stolen."

"If you are willing to raise your hand high, I will be of the God of Grass lineage, and I will be grateful."

He didn't mention Thousand Grass Villa, but the entire lineage of the God of Grass.

Because today's Qiancao Villa has fallen.

However, the lineage of the God of Grass still has strong power and background.

In Taishang World and Tianwaitian, there are also many believers of the grass god Tianzun.

When Huang Tianqing heard that Zang Hai came forward to protect him, he chuckled, and said: "Master, what you said is wrong. Although the Phoenix Holy Grail of our clan was not really stolen, this sinful woman has the intention of stealing and intending to offend. I, Phoenix, How can Yimai let her go?"

"She refuses to explain clearly why she stole the Holy Grail, so don't blame the old man for being ruthless."

Zanghai saw that Huang Tianqing was determined not to let him go, and there was nothing he could do for a while, so he glanced sideways at Ye Chen, not knowing what to do.

Ye Chen's face darkened, and he already had the idea of forcibly shooting.

"Holy Master Huang, what Master Zanghai said is right, or should the big things be turned into small ones, right?"

At this moment, a crisp voice sounded, and it was actually the goddess who spoke.

The goddess opened her mouth to plead for Ji Siqing.

"Today is your Phoenix lineage, Feng Qiu Huang's wedding banquet, why bother to go to war?" Tian Nu said with a smile.

Huang Tianqing was surprised when she heard Tiannv plead for mercy.

All the guests were also very surprised, they didn't expect Tiannv to speak.

Everyone knows that the decisive battle between Tiannv and Ye Chen is imminent, and the two sides are on fire.

At this juncture, Tiannv actually wants to intercede for Ji Siqing.

Huang Tianqing said in a deep voice: "Immortal Emperor, I heard that you and the reincarnation camp will never die, why did you plead for the people in the reincarnation camp?"

Tiannv smiled and said, "If Miss Ji dies, Ye Chen will definitely be very sad."

"I don't want to see him sad, but I hope Holy Master Huang will forgive me."

Tiannv's words, in the light of the wind and clouds, were full of affection, and her eyes were full of tenderness like a lover, which softened the atmosphere of the world.

All the guests in the audience were extremely shocked when they heard Tiannv's words.

Everyone can tell that the goddess loves Ye Chen deeply, but she wants to be an enemy of Ye Chen.

"Junior Sister..."

Seeing the appearance of Tiannv, Li Jueyun felt very uncomfortable in his heart, and was full of jealousy and resentment towards Ye Chen.

Huang Tianqing said: "Immortal Emperor, you want to kill the Lord of Reincarnation, but you are afraid that he will be sad, this is really..."

The heavenly girl shook her head and said, "Holy Master Huang, you don't have to worry about it so much. Anyway, you can't kill Miss Ji."

Her tone was very calm, but anyone could tell that if Huang Tianqing dared to kill Ji Siqing, she would definitely be enraged.

When Ye Chen heard the goddess pleading for Ji Siqing, it was because she was afraid that she would die and he would be sad, and his heart was touched all of a sudden, with mixed feelings.

"this....."

Huang Tianqing immediately hesitated, very embarrassed.

He didn't want to offend the goddess, but it was even more impossible to let Ji Siqing go easily.

"Huang Tianqing, I think this Ji Siqing, although he has overstepped his fate, is closely related to the Dao of Fate."

"It would be a pity to kill her like this."

"It's better, let me take her back to Wuwu time and space, and let her be my servant."

At this moment, that Feng Taixu's clan's Tianjiao stood up, smiled coldly, and said to Huang Tianqing.

He actually wanted to take Ji Siqing as a slave and bring him back to Wuwu Time and Space.

When these words came out, everyone in the audience was shocked.

Only Huang Qianxi, who was sitting beside Feng Taixu, looked indifferent, as if she was no longer surprised.

"Feng Taixu, you want to take this criminal girl as a slave? That would be the best."

Huang Tianqing was overjoyed when he heard the words.

He was worried and didn't know how to deal with it, since Feng Taixu was willing to take over, it was naturally a good thing.

"Ji Siqing, how are you?"

"You will follow me from now on, and I will give you supreme joy. It is also your blessing to be my servant."

Feng Taixu said with a smile, he is the arrogance of the Phoenix family, with outstanding talent and strong cultivation, in Wu Wu time and space, I don't know how many women admire him.

Now that he said that he wanted to take Ji Siqing as a slave, in his eyes, it was not a punishment, but a great gift.

"Pooh!"

Looking at Feng Taixu's appearance, Ji Siqing didn't say anything, but just let out a "Bah" in disgust.

Seeing Ji Siqing's refusal, Feng Taixu immediately raised his brows, and said in a stern voice, "You want to reject my young master?"

Ji Siqing turned his head sideways and did not speak.

Tiannv Liu frowned and said: "Who are you, the woman of the Lord of Reincarnation, it's your turn to get involved?"

Feng Taixu said: "It's easy to say, this young master is the true heir of the Phoenix family, Ren Tiannv, although you are powerful in the real world, in my eyes, you are nothing more than an immortal emperor, what does this young master want to do?" matter, you are not qualified to stop it!"

Li Jueyun was furious, and shouted: "Bold, dare to insult my junior sister, you are looking for death!"

The energy of the law of time exploded all over his body, and he was about to make a move, but was pressed down by the goddess.

"Do not impulse."

Tiannv stared at Feng Taixu with indifference in her eyes, and said:

"This is not without time and space, you are not qualified to act wild in front of me."

"If you dare to touch a single hair of this girl Ji, I will immediately tear you to pieces."

This sentence is arrogant and domineering, even in the face of a strong man who has no time and space, Tiannv never showed any weakness.

Chapter 9109

Feng Taixu laughed loudly, and said: "This Ji Siqing, I just want to take her back to Wuwu Time and Space, and ask her to be my servant, warming my bed every day, what can you do to me?"

After saying that, Feng Taixu dodged, rushed to Ji Siqing, and grabbed her shoulder with his big hand.

He ignored the heavenly girl's warning and wanted to take Ji Siqing away.

The goddess was furious, and she was about to strike.

"Don't touch Sister Siqing!"

But at this moment, an extremely beautiful woman with an extremely green voice rushed out and slapped Feng Taixu with her palm.

The woman who made the shot was none other than Fairy Zihuang.

When she saw that Feng Taixu wanted to arrest Ji Siqing, she was more excited than a heavenly girl, she couldn't bear herself, so she shot immediately.

As soon as she made a move, the aura was completely exposed, the purple divine light bloomed, and the bright purple aura floated from the sky like a galaxy, swept down, and transformed into various purple phoenix auras, and blossoming crabapple flowers flew up in the field.

"Begonia Zihuang, it's you bastard!"

Seeing Fairy Zihuang make a move, Feng Taixu was shocked and recognized it immediately.

Back then, they of the Phoenix lineage, and Haitang Zihuang, lived together on the Phoenix God Star. They also wanted to take Haitang Zihuang as a pet beast, but they couldn't do so.

"Ah, it's actually the Purple Phoenix Divine Beast!"

All the guests were shocked when they saw the purple auras explode around them.

Haitang Zihuang, a divine beast, is very well-known in the world, and it has caused many bloodbaths.

Ji Siqing was taken aback when he saw Fairy Zihuang make a move.

Because she didn't know Zihuang Fairy, but the other party called her sister.

Vaguely, she also glimpsed the secret of heaven and caught a trace of cause and effect.

This Purple Phoenix Fairy is probably his disciple!

Feng Taixu saw Fairy Zihuang slapped her with a palm, her aura was ferocious, so she hurriedly dodged sideways.

"Mie Huang Shuo, get up!"

After dodging Zihuang Fairy's palm, Feng Taixu quickly sacrificed his magic weapon, and shot four black flying shuttles. The runes bloomed, and the dark aura soared to the sky, shooting at Zihuang Fairy's forehead, heart, chest, lower abdomen, etc. Wait for the key.

"Ouch!"

Fairy Zihuang saw the four flying shuttles shooting towards her, and inexplicably felt a pain in her veins, as if she had been restrained and couldn't exert all her strength.

Ye Chen saw the clues at a glance: "It's a magic weapon created by Tianqi Supreme, specially restraining the blood of Begonia Zihuang!"

The Phoenix Mie Shuo sacrificed by Feng Taixu, judging from the traces of the forging process on it, was made by the Supreme Apocalypse.

Ye Chen could even tell that the Apocalypse Supreme had mixed some precious black prison crystals into these Phoenix Mie Shuttles, which greatly enhanced the lethality of the Phoenix Mie Shuttle.

This Phoenix Mieshuo was specially used to restrain Haitang Zihuang's bloodline!

As soon as the Mie Huang Shuo came out, Fairy Zihuang's blood was suppressed, and she suddenly became weak, and she was about to be shot.

Fortunately, Ye Chen has been paying attention. Seeing that Zihuang Fairy was in danger, he immediately sacrificed the Tianjun Fengshen Monument.

hum!

The Tianjun Conferring God Stele was released and landed in front of Fairy Zihuang. With a ding ding ding, it blocked all the Phoenix Mie Shuo who shot and killed them.

In the next moment, Ye Chen flew out with his footsteps, and rushed in front of Feng Taixu, punching him out with a punch.

"Inch strength, open the sky!"

Unparalleled violence, savage and ferocious power erupted from Ye Chen's fist, without the slightest gaudy, one punch burst out, the world would collapse, the avenue would shake, and Feng Taixu would be blown up.

Feng Taixu was startled, he hastily waved his palms to resist.

But Ye Chen's punch was so violent that he couldn't resist it a little bit. His palm was pressed against his chest. With a kacha sound, his ribs shattered. He retreated in a hurry and almost fell, but was supported by Huang Qianxi.

"The lord of reincarnation, it's you!"

Feng Taixu's eyes showed great shock, and he looked at Ye Chen in disbelief, his face full of horror.

He never expected that Ye Chen was here, and his strength was so terrifying that he would be injured as soon as he made a move.

Although he was just a clone, and he was defenseless just now, but as a strong man without time and space, it would be too embarrassing to be severely injured in a single encounter.

Ye Chen's strength is too terrifying.

With Ye Chen's attack, the breath of reincarnation was also exposed, and he could no longer hide his identity.

The audience was in an uproar, and everyone was shocked.

No one expected that Ye Chen actually came.

"Amitabha."

Zanghai sighed, knowing that Ye Chen was exposed now, and things would be difficult to clean up.

Ye Chen drew his sword, cut off the restraining iron chain on Ji Siqing's body, and returned to his seat together with Fairy Zihuang.

"Sister Siqing, it's okay."

Fairy Zihuang was full of joy, holding Ji Siqing's hand, her eyes twinkled like stars, and said with a smile: "You may not know who I am, my name is Fairy Zihuang, I am your believer ."

At this time, Ji Siqing had seen the secret of heaven and knew everything. He touched Fairy Zihuang's head and said with a smile, "Okay, I understand. Thank you for your faith."

Then, she looked at Ye Chen with a trace of solemnity in her eyes.

She also didn't expect that Ye Chen would show up at the Fengqiu Huang banquet and personally rescue her.

However, now that Ye Chen injured Feng Taixu as soon as he made a move, it can be said that the sky was turned upside down, and the matter was difficult to deal with.

Seeing Ye Chen coming out, Tian Nu was stunned for a moment, with some confusion in her eyes, she thought to herself: "He is really getting stronger and stronger, and he injured this Feng Taixu in one shot."

## Chapter 9110

She knew that the more powerful Ye Chen was, the more dangerous she was, and the possibility of death in a decisive battle, but seeing Ye Chen's strength, she still couldn't hide her joy in her heart.

Li Jueyun saw Tiannv like this, his heart was full of resentment and jealousy, burning like a raging fire, his eyes fixed on Ye Chen, his hands were clattering, and he wished he could go over and kill Ye Chen immediately.

It's just that he didn't dare to move if the celestial girl didn't make a move, for fear of offending the celestial girl.

On the Phoenix Holy Land side, many elder protectors and guardians all looked dull. They didn't expect that Ye Chen actually came here to hide his identity, and it was only now that he was exposed.

Huang Tianqing's expression was gloomy, and he shouted: "Lord of reincarnation, I, Phoenix Holy Land, have no grievances or enmities with your reincarnation camp, why did you come to make trouble?"

"Are you and this Ji Siqing trying to steal my family's most precious Phoenix Holy Grail?"

Ye Chen said with a smile: "No grievances, no enmity, that's not necessarily the case. Fairy Zihuang, Fairy Chihuang, and Begonia Lingmother and I are all friends. Back then, you were from the Phoenix lineage and wanted to kill them. I am a friend. , of course we can't sit idly by."

Huang Tianqing's expression changed, he looked at Fairy Zihuang, and then at Lingmother Haitang.

At this time, the aura of Haitang Lingmother was completely exposed.

Back then when the Haitang family was destroyed, Huang Tianqing was also involved behind the scenes, and had a deep hatred with the Haitang family.

When he saw Haitang Spirit Mother, who was also following Ye Chen, his heart froze, and he said fiercely:

"Very good, very good, you sneaked in because you wanted to avenge your past, steal the Holy Grail of the Phoenix, and you want to break the foundation of my Phoenix lineage!"

Ye Chen asked Ji Siqing softly: "Siqing, why did you steal the Phoenix Holy Grail?"

Ji Siqing said: "I heard the guidance of fate. If I can burn the power of faith accumulated in the Holy Grail of the Phoenix, I may be able to receive the blessing of the Dao of Fate. There is a great opportunity."

It turned out that she wanted to steal the Holy Grail of the Phoenix because she was inspired by the Avenue of Fate.

Today in the Holy Land of Phoenix, this Fengqiu Huang banquet is also a marriage between the Feng family and the Huang family, and they are going to light the Phoenix sacred fire to pray for the blessing of fate.

However, the Holy Grail of the Phoenix is a sacred weapon of the Phoenix lineage, and it is absolutely impossible to hand it over to her.

Now, Ye Chen's side, and the Phoenix Holy Land, are completely torn apart.

The Phoenix Holy Land was in all directions, and many strong men sensed the change and came flying in one after another. There were also some hidden elders who left the gate one after another.

In the blink of an eye, countless strong men covered the sky and covered the ground, densely packed, and surrounded the entire banquet square.

It was originally a festive venue for wedding celebrations, but at this moment it became tense, and the groom was at a loss as to what to do.

Feng Taixu gritted his teeth and said: "Lord of Reincarnation, you are so courageous, I was injured by you for a moment of carelessness, but today, you will never leave here alive!"

This is the territory of the Phoenix lineage, and the Feng family and the Huang family have an absolute advantage. If there is a decisive battle, they will have a great chance of winning.

"Junior Sister, the Lord of Reincarnation is here to die, and we will also send him a ride!"

Seeing Ye Chen being besieged, Li Jueyun was ecstatic in his heart, and urged the heavenly girl to take action, and it would be best to bury the reincarnation with the Phoenix Holy Land.

"I have a decisive battle with the Lord of Reincarnation, and I don't need to join forces with anyone."

The celestial girl stood up and took a step forward, with an incomparably cold and arrogant demeanor, behind her was an ice phoenix, and said to Huang Tianqing:

"Huang Tianqing, the life of the lord of reincarnation is mine. If you dare to touch him, I will destroy your Holy Land of Phoenix!"

After these arrogant words fell, Li Jueyun was stunned for a moment, and shouted: "Junior Sister!"

He never expected that at this time, the goddess was still protecting Ye Chen.

Listening to the arrogant words of the celestial girl, Huang Tianqing was completely irritated in her heart, laughed loudly, and said:

"Ren Tiannv, do you really think that there is no one in my Phoenix family? If you dare to be arrogant today, I will kill you too!"

"The lives of you and the Lord of Reincarnation are the dowry for my daughter, Huang Tianqing, to marry today!"

Ye Chen is strong, and Tiannv is also very strong, if it is not a last resort, Huang Tianqing does not want to tear his face.

But at this juncture, he couldn't bear it anymore, not only wanted to kill Ye Chen, but even the goddess wanted to kill together!

Although this idea is a bit crazy, but after all, this is the Holy Land of Phoenix, and he has the right time and place, so maybe he can really do it.

"Feng Taixu, Huang Qianxi, help me!"

Huang Tianqing looked at Feng Taixu and Huang Qianxi, and said.

Feng Taixu and Huang Qianxi both nodded.

Now that the enemy is at hand, the conflict between their clan and branch naturally has to be put aside for the time being.

Feng Taixu was injured by Ye Chen just now, but he is a strong man without time and space after all, and he has already used special means to suppress the injury, and it is not a serious problem.

"The Holy Grail of the Phoenix, come!"

Huang Tianqing looked up to the sky and roared in filial piety, the immortal emperor's spiritual energy bloomed, communicating with the general trend of the heaven and earth in the Holy Land of Phoenix.

Rumble!

The entire Phoenix Holy Land suddenly shook violently. A magic weapon as huge as a mountain erupted with divine light, surrounded by phoenixes from all over the sky, and the sound of phoenixes resounded throughout the universe, slowly descending from the sky.

That magic weapon is a huge golden holy grail with countless phoenix totems engraved on it. It is the supreme treasure of the phoenix lineage, the holy grail of the phoenix!

Inside the Holy Grail of the Phoenix, gathered the power of faith accumulated by the Phoenix lineage since ancient times. resonance.

"The Ronin From Douluo"
