

Less than five seconds, a groan, all fell to the ground!

Either dead or disabled!

This scene, let Ye Lingyun and his mother completely can't react!

Ye Lingtian's strength he knows, but what ghost is this subordinate!

Is this a fuckin 'servant?

Such a cruel servant!

Grass!

Before ye Lingyun reacts, ye Chen appears beside him and steps out!

The power of refining body and the power of divine thunder burst out!

How to stop it!

"Bang!"

Ye Lingyun fell to the ground in an instant, and the powerful air wave even broke his ribs!

His mouth big mouth spits out the blood, is uncomfortable to the extreme!

Ye Lingyun's mother exclaimed, just want to start, ye Lingtian's hand has been clasped her neck!

Click!

Direct fracture!

Big eyes!

She had no idea that death would come so fast!

Ye Chen took a look at ye Lingtian, whose eyes were red. He knew that this guy was completely angry and lost his mind. He said faintly: "what should that guy know? Ask clearly. The death of my uncle is not simple from the point of view of the injury. When we find out the source, we will bury our uncle's wind and scenery today."

Ye Lingtian wakes up and nods his head seriously. Then he steps on Ye Lingyun's five fingers.

"Click, click, click!"

Step on it one by one!

"Ye Lingyun, what happened after I left and how my father died! Say it! If you dare to tell a lie... "

Ye Lingtian has broken several fingers of Ye Lingyun.

The latter screamed almost like killing a pig!

"Don't No! I said! I say everything Ye Lingyun himself had no courage and bloodiness. He directly begged for mercy, "elder brother, you are my elder brother. Don't kill me. My father went up the mountain a few years ago and accidentally found a temporary secret place! I got a lot of things, including one exotic treasure

Ye Lingtian Mou son a congealing: "what exotic treasure?"

Ye Lingyun shook his head and wept bitterly: "my father never told anyone else. He just gave us some pills and spirit stones that he got inside. As for the foreign treasure, he didn't mention it! At that time, out of curiosity, I sneaked into my father's room when my father was not in and found a two meter old box! "

"When I opened the box, I found that there was a strange spear which was full of rage and evil spirit! What's more, I didn't expect that when the box was opened, there was a vision in the sky above Ye's house, like a magic dragon from hell. It was extremely frightening

"This vision has shocked the whole coastal city! Then many masters of Linhai city came to this side! After that, my father also found that he pushed me away and left the family with the box in a panic and disappeared for three days

"Three days later, when he comes back, those people are already waiting for him in the family! Father seems to have known these things for a long time. He said a few words to those people and left

"It was only a few days later that my father came back. Only this time, it was a coffin! I really have nothing to do with my father's death! "

After listening to ye Lingtian's anger, a fist hit Ye Lingyun's face!

Face was hit instantly deformation and distortion, blood DC!

"You beast! Beast! Why did you kill your father? "

One punch after another, ye Lingtian vent his anger in his heart.

But ye Chen on one side is Mou son tiny MI, thinking about everything, it is obvious that ye Lingtian's father has indeed got a treasure.

Can cause such a vision, the level is not inferior to his sword of chopping dragon and asking heaven.

And it's a long gun with arrogance.

For those strong people, it's a treasure!

After that, he asked, "who is the first time you want to see the other party's hand, and then you will be killed? Second, who are those people in your mouth? "

Ye Lingyun seemed to have caught the last straw and spat out a few mouthfuls of blood. He continued: "all the other things that my father brought back have been taken away, but no one knows where it went. For this reason, all members of our family have been interrogated!" "As for who they are, you don't dare to do anything when you know it! Xu family! Situ family! Even Mr. Xiang of the punishment bureau

Hearing these words, ye Chen and ye Lingtian look at each other and see the meaning of each other's eyes.

It's not that enemies don't get together!

The Xu family and Xiang Yingjie are also involved!

"There is only one treasure. So many forces are fighting for one? What's the use of this ancient gun Ye Chen frowned.

Ye Lingyun obviously knew something, and even said, "this is not a secret in Linhai City! Mo Chengtong, the matchless talent of Mo family in Linhai City, needs a gun weapon! These families are just to please the Mo family

"Well, I said everything. Can you let me go?"

Ye Chen hears Mo's house, slightly a Zheng.

This time he came to Haicheng for the sake of Mo's family, but he didn't expect that the first contact was actually this matter!

So many families flatter the Mo family. The ancient details of the Mo family have not disappeared!

Ye Chen doesn't think about it any more. He smiles and says to Ye Lingyun, "naturally, I will keep my promise. I won't kill you, but Ling Tian, you can kill it

Ye Lingyun Mou son stares big, the gas spits out a mouthful of blood!

Renegade? It's too damn mean!

He just wanted to speak, ye Lingtian's fist is full of vigor and vitality. He smashes down fiercely and directly!

Endless Qi is raging, ye Lingyun is dead! Not even a complete body!

Looking around are corpses, ye Lingtian is powerless to sit on the ground, with his back against some dilapidated coffin behind him.

Blood and tears stained the eyes.

He is the Dharma protector of the dark palace in China. He is a man of iron and blood.

In the father's eyes, it is a child.

He knew his father. His father disappeared for three days. There must be a reason for hiding the treasure!

Father came back, there is a reason, that is the responsibility on the shoulder!

He was willing to use his life for the safety of all the Ye family, but he did not expect that the people he saved made his bones cold.

Cold heart.

People are warm and cold.

Chapter 912

This family, is strange to ye Lingtian now, how about the blood gradually dyeing.

Only the man in this coffin is the most respected man in his life.

The man told him to take on the mission of his family, and then he left Kunlun Xu to look for the temple master.

My father said that the luck of the family has been exhausted. Only when we find the master of the temple can we ascend! Phoenix Nirvana!

Perhaps from the beginning, my father knew his fate, but he still chose to accept it.

Fate, samsara, that's it.

What he can do now is to continue to move forward, complete the mission of the family and guard the temple master! Follow the Lord!

Ten minutes later, ye Chen patted ye Lingtian on the shoulder and said, "Lingtian, carry the coffin. Let's bury my uncle in the earth. We can't enjoy peace before we live, and we should go to pure land after death, right?"

"From the map of Mr. Feng, there is a funze cemetery in Linhai City, which can help the dead to avoid suffering below. Let's go."

Ye Lingtian stands up and solemnly nods his head. His eyes are firm. One hand directly resists the coffin on his shoulder.

This kind of weight is nothing to the cultivator.

Ye Chen and ye Lingtian, who is carrying the coffin, go outside and leave Ye's house. They are just going to go to the funze cemetery, but they find three old people blocking their way.

All three are in the realm of virtual king!

The breath is terrible!

It seems that I have been waiting for a long time.

They are wearing jade pendants! There are several words carved on the jade pendant!

Xu family! Situ family!

The other man had no jade pendant, but he was wearing armor! Similar to Xiang Yingjie!

Must come from what Kunlun Xu punishment bureau!

The identity of these three people and ye Lingyun said before his death, the same!

"Hall master..." Ye Lingtian Mou son some hesitation, plans to put down the coffin.

The reason why he hesitated was that there were no rules in Kunlun. Once the coffin was on his shoulders and ready to go into the earth, he was not allowed to put it down halfway!

Otherwise, it's disrespectful to the dead!

His father has had enough of it. If he put it down again, it would be really unfair.

Ye Chen Mou son is indifferent, without any fluctuation, way: "Ling Tian, you back off! This way, you don't have to hand, you have to do is to carry your father's coffin, never land! Can this be done! "

"But these people..." Ye Lingtian hesitated, he didn't want to add trouble to the hall master!

Ye Chen interrupted: "no, but I will prove with my actions that your father's choice is correct. He gave birth to a good son."

Language down, ye Chen is toward the three virtual King strong.

The figure is lonely.

Hearing the exchange between Ye Chen and ye Lingtian, the elder of the situ family sneered and said, "don't you know that the corpse in the coffin can't be buried without our permission? Or do you want to challenge the bottom line of our three families? "

The old man of the punishment Bureau wearing armor also said: "there is no need to talk nonsense with these two people. Just wipe it out! But the owner is urging us to investigate the whereabouts of the weapon. If we don't get any information, I'm afraid our heads will also land. "

When the elder of Xu family heard this, he said with a smile: "my master has spoken. I can withdraw from the Xu family after fighting for the weapon. However, these two people have offended my young lady and must plan to let my young lady deal with them."

"If you want to kill these two cheap lives, I'll take them lightly, so as not to blow them up! Ha ha

A burst of laughter, in their eyes, as if unconsciously had dealt with the fate of these two people!

They have the right.

After all, they are virtual kings! In their eyes, ye Chen and ye Lingtian are rubbish!

Rubbish!

You can play with ants!

But at the moment Ye Chen is incomparably indifferent, his hand appeared a sword.

Cut the dragon and ask the sky sword.

It's just that the sword has changed a little bit. After all, it's not too difficult to change the shape of the sword.

"Is it too much to let go of the dead? Today, I don't want to kill again. If you leave, I think nothing has happened

"I just want to finish the last journey quietly."

Ye Chen's tone is plain, as if telling a very common thing.

There was a brief silence, but the three old men were ferocious.

Even the old man of the Xu family, who knows Ye Chen's strength, has a strange expression!

The three of them are not the strength to return to the virtual state!

It's the virtual kingdom!

Even in the early stage of the virtual Kingdom, you are too calm!

Even the meaning in the words seems to be Let them go?

Ridiculous!

Incomparably ridiculous!

Elder situ took a step forward, spit, and said with a smile, "do you mean that if we don't leave, all three of us will die?" "Yes." Ye Chen nods.

Elder situ's smile became more and more interesting, but soon, the smile solidified!

Release the cold killing intention!

The breath of the strong in the virtual kingdom! Press like a mountain!

Then, he sacrificed a sword in his hand!

The sword suddenly expanded, and the shadow of the sword was covered!

The best sword!

A sword out, Xu Wang's territory, only death!

Not to mention the scum of the Holy Land!

Xu's parents frowned. They didn't agree to give them to the Xu family. Why did the elder of the situ family kill them!

This is facing a mole ant!

Ye Chen couldn't take the sword at all, or even turned into blood fog on the spot!

"You mean to kill us, little bastard? You should take this sword and try it! See if you can catch your sword! Ha ha

Elder situ's face is ferocious! Even violent!

When the sword intends to devour Ye Chen, he sees that ye Chen's eyes are fixed, and he inserts the sword into the ground!

Then, the light way: "you don't deserve my sword."

In the eyes of people disdain, ye Chen step out, a fist smash out!

This fist does not have any genuine Qi, incomparably pure, relies on the flesh!

Then he said, "break it for me!"

People are completely scared?

Fight the sword with your fist?

In Linhai City, no one dares to do this except Xiang Yingjie, who is a strong body builder, and the unique genius of the Mo family!

What's more, it's a boy who practices to the holy kingdom!

However, in the public doubt, crazy, disdain, ye Chen's fist has hit on the sword!

No blood mist!

No pain!

But!

Click! CLICK!

Elder situ's sword is really broken!

Very clear!

This is not over. After that, ye Chen directly breaks through the sword and obstacles!

Finally, the fist hit the chest of elder situ!

There is a blood dragon running out with God thunder!

This time, ye Chen wants to try the power of body refining, the power of blood dragon, and the power of God thunder. What kind of power can be broken out!

This blow, covering his outrage!

Elder situ's pupils are dilated. He can't believe it!

And how to believe that this blow broke out on a king's land boy!

He stares at the shadow of thunder and blood dragon!!

He suddenly thought of a man!

Ye Shitian!

No, ye Shitian is a cultivator, and the person in front of him is obviously a practitioner!

This How to explain it!

Chapter 913

Now.

Elder situ's mind is full of many thoughts.

He could feel the power of the fist.

If he resists all, he must be seriously injured!

The meaning of blood dragon and thunder and lightning carried by this fist is really fierce.

But now his weapons are broken.

If we sacrifice weapons again, it will be too late!

He had no choice but to clench his fists, and his true Qi swept through!

"Bang!"

The two forces suddenly collided.

The sound of roar shakes the world!

The ground split in all directions, and a series of deep gullies suddenly formed.

Rolling dust, rolling air waves, crazy explosion!

No one knows what's going on inside!

The old man in the armor of the punishment Bureau and the old man of Xu family hold their breath and look forward to it!

They're waiting!

Wait for a result!

"I feel something's wrong with me."

The old man of the Xu family said.

Words just fell, a heartrending roar sounded!

The dust is gone!

But saw a figure mercilessly fell over!

It's elder situ!

to our surprise, one arm of elder situ has been broken and his clothes are full of blood!

The broken wound even spread to the chest.

What a shock!

"Touch!"

The elder situ with broken arm smashed on the ground, and a huge pit leaped into it!

But this is far from over!

They felt a dark shadow passing by, and they saw Ye Chen appear in front of elder situ, full of evil spirit, just like evil spirit.

"Little beast, you are...!"

The words have not finished, ye Chen five fingers, originally inserted in the ground of the chopping dragon asked Sky Sword in the sky, fly to Ye Chen's hand.

Ye Chen clenched the dragon and asked the sky sword, her eyes twinkled with madness and killing!

"No!"

Elder situ is completely flustered. The key is that he can feel that this boy really wants to kill people!

At all costs!

Even if he wants to use his cards, the boy will not give him this right!

Before he spoke, he asked the sky sword, which was full of thunder and lightning. It was like a sword falling down, as if tearing the air!

And then, through his body!

"Poof!"

The Dragon chants furiously, kills everything!

In situ elder's frightened and frightened eyes, he instantly turned into a blood mist and fell down!

He never thought that he would die in the hands of ants he thought!

The key is to break the sword with one fist and kill with one fist!

How many people are there in Kunlun!

He is a virtual kingdom!

Even if the boy is practicing physical training and double cultivation, it is not so exaggerated.

Even before he died, he did not know the identity of Ye Chen!

If he knew it, he would not!

It's too late to wake up.

The cold wind was bleak and the surroundings were extremely silent.

Ye Lingtian, who was carrying the coffin, trembled a little. He knew that the master of the palace was very strong, but he did not know that he could crush a strong man in the virtual Kingdom like this!

What did the temple master experience when he left China these days!

More surprising than the remaining two old men!

Their control and understanding of strength is much higher than ye Lingtian!

At least, in their view, ye Chen's strength now reaches the realm of virtual king!

What the hell is this monster!

It's normal in Kunlun!

But how many fuckin 'steps the boy has gone!

The old armor man of the punishment Bureau narrowed his eyes and suppressed his astonishment. He said, "this boy is a little strange. He can use Qi to train his body. If he controls the cultivation and body training at the same time, most of the martial arts will be out of the ordinary. However, the boy can transform easily. It's like two bodies at the same time ! How strange

"Old Xu, if you and I don't work together to deal with this boy, the consequences will be very serious, extremely serious!"

"But we don't have to be afraid of this boy. I feel his elixir field carefully. It seems that he is exhausted and weak. It must be that this boy used this kind of power to use the secret method. Now, it's very difficult for him to use it again! Don't talk too much, kill

The elder of the Xu family was impressed and stepped out. The whole body was covered with black shadows, just like a ghost.

However, the old man of armor offered a long spear, which vibrated gently in the air!

Then, a shot was fired, surrounded by red light, and there were all kinds of storms around!

This is the famous martial art of the old man with armor! Blast gun!

The gun skill moves, the gale rises, the God faces east, breaks the bone wound!

Like a tornado, the gun like storm is devouring Ye Chen.

All the onlookers were scared back by the storm. If they got closer, they would be seriously injured.

It seems that ye Chen is dead today. After all, he has only one person.

Some onlookers shook their heads and sighed.

Ye Chen does not move like a mountain, swallowing a few pills, after all, just the strength of his body also hurt a few points.

If not, with his strength, how to crush!

The pill entrance, the body recovered a few minutes, ye Chen grabs the chopping dragon to ask the sky sword, roars a roar!

"Don't destroy Kendo, get up!"

In a flash, all the aura in the ten li radius condenses towards Ye Chen's dragon sword.

The whole world is repressed to the extreme.

Endless aura gradually condensed into millions of sword meaning!

Controlled by Ye Chen!

It's the same wind!

"Do not extinguish Kendo, fall!"

With the word "falling" slowly appeared, the strong wind rushed to attack, facing the force.

This move, ye Chen is to display the sword meaning of the immortal Lord!

It's been a long time since he put it into practice. Now his strength is more and more in control!

Two strong winds collide in the air, gusts of storm overflow in all directions!

At the moment, ye Chen is like the God of heaven and earth.

"Bang!"

Between heaven and earth, as if by a strong vibration!

It's no match!

There is something wrong with the old man's expression of armor. He hastily forces out a drop of blood essence!

If you don't force it out, he will die!

It seems that there are some secrets in him that can't be controlled by him?

Endless force pressure and go, the sense of oppression instantly let Ye Chen some pale face!

The gap is too big.

At this time, a figure appears behind Ye Chen.

It's the old man of the Xu family.

The old man of Xu's family snorted coldly. His sword idea condensed to the extreme and stabbed Ye Chen's heart!

Seeing that the meaning of the sword was about to penetrate, ye Chen released another hand, and then he grasped the sword like this.

It's hard to hold!

The sword can't move forward.

Can ye Chen even though the body is strong, the blood is still gushing out.

"Master of the temple!"

Ye Lingtian can't bear it. As his subordinates, how can he let the hall master fight alone.

If it goes on like this, the hall master will surely die!

He was about to put down the coffin on his shoulder, but he heard a voice of reprimand: "ye Lingtian, I said, what you should do is to carry your father's coffin! Leave it to me! Do you understand? "

Chapter 914

With that, ye Chen tried his best to burst up his arm blue and blue ribs, and the power of God thunder spread.

At the same time, high up the right foot, directly sweep the wind, kicked out!

Xu family old man sneered: "this means still want to deal with me? Dream! "

He was not dodging, but hard to carry, he firmly, ye Chen hands to exert their full strength, this foot must not have too much strength!

Then, he flashed a cold light in his other hand, and the blow was too sudden.

The cold light penetrated the shoulder of Ye Chen!

Ye Chen retreats in a moment, and the two people are completely separated!

But it is because of this retreat, gave the armor old man the opportunity, the long gun concussion between, the horizontal shot in the chest of Ye Chen.

Ye Chenben killed one man and paid a price. Now he faces the joint encirclement and suppression of the two virtual kings.

He flew out of the air and a breath of blood spewed out!

I can't help it!

Ye Chen finally turned over in the air a few times, barely holding his body.

He did not use the power of the reincarnation cemetery, he wanted to try how strong he really was!

A taste of dependence, only let him more rely on! It's not a good thing!

Two old people saw Ye Chen finally hurt, eyes revealed a bit of surprise.

Sure enough, the boy's strength is just that!

It must have been a secret technique.

"Little beast, you were not very strong just now, why is it so embarrassed? Although we both hurt you at the same time, some disgrace! But it took a long time to write for the winner. Who will remember you loser then? "

"But you are assured that I will not kill you. Your body is still valuable to miss!"

The elder of Xu family laughed and appeared quite mad.

And the armor elder also ascended to the extreme, ready to take the leaf Chen again.

Ye Chen's eyes are extremely serious, he has some headache.

If we face these two people in their present state, the consequences are very serious. It is likely that they will be seriously injured if they are not enemies.

Ye Lingtian can't help himself.

Do you want to ask Mo Ning'er?

It's too expensive!

The blood seven nights still did not know how to come out, if the continuous consumption of Mo Ning'er's divine power, the back still do not know how!

Just as ye Chen thought, a yawn suddenly sounded!

there was a cat on his shoulder!

Yellow!

At this moment, the little yellow stretched out a lazy, some like wake-up not wake up feeling.

He then glanced at the two old men in front of him, and then he had no expression to go on sleeping!

How can ye Chen allow ah, a button to hold the back neck of small yellow, raised!

"Xiao Huang, how long have you slept, should you get out of your hands!"

Xiao Huang was angry with Ye Chen's move, and wanted to struggle, but found that the back neck of the fate almost left him helpless.

Then he could only turn around and gently said to Ye Chen, "I didn't say I didn't help, let go! I am also a fierce beast in the past. You treat me like this and let my face go there! "

As soon as the words fell, ye Chen let go of his hand.

A smile came out of the corner of his mouth, and he knew that Xiao Huang would not be saved.

Next second, the small yellow body around the air waves, a flip, is four feet stable fall in the leaves Chen side.

He looked up and stared at elder Xu family.

Ye Chen confidence greatly increased, facing a person, he has enough qualifications to determine the results!

Xu family elders and armor elders naturally noticed Xiao Huang, and their expressions were extremely strange.

They haven't seen fierce beasts fight!

But I haven't seen anyone sacrifice one when it is down the wind Kitty?

The key is that the cat is too ordinary!

Look at its soft and soft appearance.

The Xu parents were honest and couldn't help but laughed and said, "boy, don't tell me, this cat is your companion, ha ha! I think it's better for this cat to carry that coffin. Of course, if you let that kitten kill me, it will be OK! "

Just as Xu's parents laugh, ye Chen bends his knee, and his body momentum bursts out, and rushes out in a flash!

This time, he was dealing with the old man in the punishment bureau!

The fire that can not be extinguished is wrapped in the body of the sword, and the sword fires!

The temperature of the whole world seems to rise accordingly!

"The old man in the armor of the punishment Bureau changed his expression:" why does this flame make people feel so uncomfortable? "

"And, how can this boy master the fire because of his lightning attribute skill

He dare not think about going down, and immediately sacrifice the long gun, which cuts out an arc in the air, which seems to tear the light of the night!

"Xu, you can't drag it anymore. This kid is so weird!"

"Bang!"The spear collides with the Dragon Sword full of fire!

Almost equal!

But! When the Dragon chants in the sword, the fire changes into a fire dragon. The old man of armor is not calm at once: "quick! What are you doing! Do it

The old man of the Xu family reacted completely and his whole body momentum climbed to the top! He no longer used the sword, but five fingers for claws, toward Ye Chen's tianlinggai!

He thought Ye Chen would spare a hand to deal with himself as he had just done.

But I didn't expect it, not at all!

On the contrary, he stabbed the old man with all his strength!

This kid is not going to die!

Leaving your back to the enemy?

"Ha ha ha ha," the old man of the Xu family laughed!

If the death of the punishment Bureau for this boy!

Then he is the biggest winner!

It can be said that there is a competition between snipe and mussel, and fishermen get profits.

His eyes are full of madness. When his five fingers surrounded by true Qi are about to touch Ye Chen, a voice suddenly rings in his ear: "Hello, your opponent is me!"

Yeah?

What sound?

The old man of the Xu family is totally confused!

He took a glance at ye Lingtian carrying the tombstone, which was still there.

Where does this sound come from?

Are you old enough to hear?

"Hello, I'm on top of you."

The indifferent voice sounded again. This time, the elder of the Xu family determined the direction, raised his head, and just wanted to talk, he found it was a cat!

And this cat is in mid air!

"This How is that possible? Is it the beast that is speaking? "

Chapter 915

Xu's elder looks a little confused!

Completely confused!

Any strong Kunlun Xu can't calm down when he sees this scene!

But this strange picture is not over. The cat in front of her eyes suddenly stretches out her claws!

Red lightning around the claws!

This claw looks so small, so small that when the paw and his hand touch together, Xu's parents still feel strange.

"Tear

It turned into blood!

He actually felt a mountain of pressure to swallow, and then, he stretched out that hand, was actually in front of the kitten, on the spot tear! Even white bones can be seen!

"There's rubbish on the first floor of the virtual kingdom."

Xiaohuang spits out this sentence lightly, then, that claw like steel knife actually magnifies!

It's like a few swords stabbing out directly!

You can't defend yourself!

Xu family elder's back thoroughly chills, the cold sweat has soaked through the whole body!

He was almost 100% sure that the cat in front of him was an ancient fierce beast!

Otherwise, it is impossible to break out this kind of terrorist force.

Subconsciously, he wanted to pick up the jade pendant on his waist and report the news.

But will Xiao Huang agree?

The magnified claw severely slapped on the Xu family elder's body!

Instant body burst out of thin air, into blood fog!

Not even a complete body!

The fighting power is terrible!

Then, Xiaohuang is feeling sleepy again, lightly jump, come to Ye Chen's shoulder again.

Curled up and completely asleep.

Although Ye Chen and the old man of armor are no match, the old man of armor has been paying attention to the situation of Xu family elder.

When he saw that Xu's elder was easily killed by a cat, he was completely flustered and full of flaws.

Ye Chen seizes the opportunity to seize one of the flaws, and cuts the dragon to ask the sky sword to directly penetrate the other party's body and smash out the withered and decadent air waves!

He nailed the old man to a giant tree.

"Poof!"

A mouthful of blood spurted out, and the eyes of the old man of the punishment Bureau turned into panic.

This is the fear he never felt in Linhai City!

Holy Land! Exercise! Blood dragon! Fire! Thunder and lightning! Ancient fierce beast!

So many things gathered in a young man less than thirty!

I can't imagine it!

If you want to imagine, he can only think of one person!

Ye Shitian!

"You are ye Shitian! You must be! "

This time, he was absolutely sure!

Ye Chen looked at Xiao Huang on the shoulder, light way: "now just know is not too late?"

Get Ye Chen's reply, the old man's breath seems to be choked by a force!

People in Linhai City are familiar with the name, but they are unfamiliar with it! Most people think that ye Shitian's reputation is false!

After all, few people have seen the true face of Ye Shitian!

It's often inferred from a few plum blossoms or something.

Some people even think ye Shitian is not a person, but a killer organization!

We can't do those things by ourselves.

But now it seems that this is more terrible than the fact!

He looked at the sword in his chest, and felt the meaning of death wrapped him. He was a little afraid.

He no longer cared about his armor and begged for mercy: "Mr. Ye, I'm from the punishment Bureau. The punishment Bureau has a special position in kunlunxu. You can't kill me, or the consequences will be very serious. I swear that I won't disclose what happened today. From then on, I am Mr. Ye's dog! A very obedient dog

Ye Chen did not have any reaction, the old man had no choice but to learn a few dog barks.

But it can't relieve Ye Chen's anger.

Finally, ye Chen said: "the punishment bureau is, I want to see if he dares to punish me ye Shitian!"

Ye Chen holds the dragon and asks the sky sword, and splits it directly from top to bottom!

The old man, in fear, was completely in two!

Completely dead.

Ye Chen does not have any pity, the rule of Kunlun Xu is so cruel, either you die or others.

If he survived, he should have stepped on other people's bodies and climbed up.

Ye Chen wiped off the dragon and asked the sky sword, and threw it into the reincarnation cemetery. Then he went to ye Lingtian: "Lingtian, go."

Ye Lingtian has no reaction!

He's petrified!

The shock degree of this picture in his heart, for a long time, can't disperse!

These are the three strong virtual kings!

It also represents the three forces of Linhai City!

They're all dead!

And he died in the hands of the Lord.

Ye Chen repeated: "go, do you want to carry your father's body on your shoulder all the time, unable to sink into the earth?" Ye Lingtian this just reaction come over, want to say what, finally or swallow down, carrying the coffin stride away.

"Yes, Lord!"

He now believes more and more in the words of his father and his ancestors.

This man can change the fate of the family's decline!

This man is enough to set off a storm in Kunlun!

.....

And now, Xu family!

Xu Yaxin is pacing back and forth in Xu's home, and her heart is expecting to the extreme.

At the thought of those two people will become the object of her play, her smile is overflow!

But after half an hour, there is still no movement!

Xu Yaxin is a little fidgety!

Is it so troublesome for the three strong virtual kings to take down two boys?

Of course, it's just a few people who just broke through in the early stage, but it's not ye Chen who can fight against it!

She was in such a bad mood that she looked at her father who was drinking tea and urged her: "Dad, why haven't those people come back yet! It's too unreliable. "

Xu's father laughed, and his eyes were filled with heartache and love: "Yaxin, it is estimated that Yaxin has delayed with the other two waves of forces, and may even get the whereabouts of the baby. This time, my father gave up the opportunity to contact Mo's family to achieve your goal. You should be obedient in the future."

The words just fell, Xu's father's blood gushed up, without warning, a mouthful of blood gushed out!

At the same time, a consciousness in his mind suddenly broke!

Every Xu elder has a consciousness in his mind!

Once broken, it is proof of death!

Something's wrong!

Xu's father directly stood out and his body was shaking! The teacup on the hand also fell to the ground, split in pieces, the eyes seem to be filled with blood, too terrible.

Xu Yaxin noticed something was wrong and quickly asked, "Dad, you look so scary. What happened?"

"Bang!" Xu's father slapped the armrest on the chair, and his energy burst out. The chair in the living room and the table broke together!

Xu Yaxin looks pale and dare not speak.

Then, Xu's father's cold and angry voice rang out: "who is it! Dare to block the way of my Xu family! Who the hell is it? "

Words fall, his body rushed out!

This matter, he must want a result!

The same thing happened to situ family and Xiang Yingjie!

At the moment, Xiang Yingjie's body is entangled with a raging blood red evil spirit. The pressure generated by the body refining power makes his men almost unable to breathe!

Chapter 916

It felt as if someone was holding his throat with his hand.

"Check it for me! Look through the whole city of Linhai and find out the person who moved our punishment bureau

"If you can't find it, get out of here!"

"Anyone in the realm of virtual king should pay attention to it!"

In Xiang Yingjie's eyes, ye Chen and ye Lingtian naturally can't kill the strong man of the virtual king!

There must be a strong hand behind!

.....

Linhai City, the land of happiness.

There are many tombstones.

And the most amazing thing is a mountain wall.

The mountain wall seems to be split by a sword of Da Neng, which is extremely smooth!

At the same time, there are caves on the mountain wall that can be put into the coffin.

Many coffins have been inserted into it.

Buried in thick soil.

There was a steady flow of aura from the ground, wrapping the coffin.

For the dead.

Ye Chen and ye Lingtian arrived at the land of fuze and found that many people came here.

Some came empty handed, others came carrying coffins.

A sense of desolation covers it, which makes people indifferent.

Ye Chen and ye Lingtian just intend to walk into it, and a wooden stick is transverse in front of two people.

"It's a rule to leave something behind before you can enter the tomb."

Ye Chen Mou son a congealing, this just noticed the person that talks.

An old man with a bent back has wrinkles all over his face and is as thin as firewood.

This kind of old man in Huaxia is obviously a person who has suffered a lot for a long time, but it makes Ye Chen a little dignified here.

His blood is boiling, which is only in the face of danger.

He was sure that the old man's accomplishments were extremely high!

The virtual kingdom is not only the realm, but also the source of Tao!

Even if we say that the old man is emperor Zun realm, ye Chen also believes!

This is the first time ye Chen met such a strong man!

Naturally, he did not dare to do anything about it. He arched his hand and said, "what do you need, master?"

It seems that Lao Chen didn't pay attention to it.

Ye Chen turned his eyes and took out a pill refined in the previous period from the samsara Cemetery:
"master, is this pill enough?"

The old man's nose moved, obviously smelling out the special pill, eyes opened, surprise to the extreme.

Not waiting for ye Chen's reaction, it is a finger move, the pill forcibly broke away from ye Chen's hand and fell into the old man's hand.

The old man looked at Ye Chen and said, "is this pill refined by you?"

Ye Chen has no need to hide, nodding.

"In my twenties, I'm a virtual Dan master. It seems that danxu tower is a character!"

"Since you have taken your things, you can go in. Can you see the tomb? Each tomb has a different effect and aura. Some of the candidates will benefit the descendants for a lifetime and let the deceased sleep forever, while others will destroy the family and dig their own grave! These things depend on luck, do you understand? "

"Also, once selected, it must be buried. If you regret it, both of you will fall here, understand?"

The old man's voice dropped slowly, which made ye Lingtian frown.

What kind of rules is this? If you knew it was so dangerous, you might as well find a place to bury it!

Ye Chen arched to the old man and said to Ye Ling, "let's go!"

When the two left, the old man was lying on the chair, as if closed his eyes to rest, no longer concerned about everything around.

But the spiritual consciousness is covered, a hundred miles!

All insights!

Three minutes later, ye Chen and ye Lingtian arrived at the land of the ten million tombs.

Looking at the dense hole, ye Lingtian frowned and said, "Lord, how should I choose? I feel the same!"

"It's harder to win than to buy a lottery ticket."

Ye Chen also has some headache. No matter how strong the aura is, the shape or the breath of the tomb are almost the same.

If you want him to choose, he can only guess one at random.

Suddenly, ye Chen's shoulder sounded a lazy voice: "the 27th row, left start counting, the ninth."

Ye Chen a Zheng, looked at Xiao Huang, but found Xiao Huang or sleeping posture.

Is it pretending to sleep?

Although I don't know why Xiaohuang is so sure, he has no choice but to take ye Lingtian to Xiaohuang's place.

The mountain wall is dangerous and winding.

When they were about to get close to the tomb, the old man with closed eyes suddenly stood up!

Dead staring at Ye Chen and ye Lingtian's direction!

In his eyes, there was even a strange look in his eyes!

"It's strange. How did this boy do it? Among all the thousands of people, he chose the heaven level tomb

Heaven, earth, Xuan, Huang, the four levels of tomb. The heaven level is undoubtedly the best among the thousands of tombs!

The tomb chosen by Ye Chen is the best in heaven level!

How can he calm down!

His eyes narrowed into a line, staring at the back of Ye Chen, the sense of tension disappeared instantly.

He sat back in his chair, and his mouth outlined a smile: "interesting, really interesting. In Linhai City for thousands of years, it was the first time that someone made me curious."

.....

Standing in front of the tomb, ye Chen took a look at Xiao Huang and said to ye Lingtian, "Ling Tian, put your uncle's coffin into the ground."

"Yes, Lord!"

When ye Lingtian planned to put the coffin into the tomb, a cold voice fell slowly: "wait a minute."

Ye Lingtian stops for a moment and looks at the source of the sound.

The veil of a young girl is covered.

The girl's figure is better. Although she covers her face, she has a temperament that can't be found in the world.

The long skirt can't wrap the graceful and proud breast. With the delicate waist, the whole person looks charming and elegant.

It's not too much to compare a girl to a fairy in the sky!

The girl looked at ye Lingtian and said, "this childe, can you give this place to me?"

Ye Lingtian can only look at Ye Chen: "Hall master..."

The girl noticed Ye Chen, because the coffin just blocked Ye Chen's figure just now, so she couldn't see clearly.

But when the eyes of the beautiful eyes fell on Ye Chen's body, she was stunned, but her eyes flashed a surprise and doubt.

It's a sense of deja vu.

Even the young man's breath was familiar.

Chapter 917

But she was sure that the man had never met.

Strange, strange.

In fact, ye Chen also has the same feeling, she always feels that this woman is very familiar, but can not say.

He found that he could not see through the veil at all, so he had to give up.

Naturally, he couldn't give up here. He directly refused: "girl, I'm sorry, this is the tomb of my friend's father, so I can't let him."

The girl was lost.

After all, ye Chen chose this place first.

Just as she was about to leave with regret, a middle-aged man behind her said: "boldly, what Miss Mo likes, you dare to occupy it! How do you know how to write? "

Miss Mo Mou son a cold: "must not be rude!"

The middle-aged man hesitated: "Miss, but here..."

"What others choose first is others'. Everything should be done first and then. What's more, the tomb is not urgent for the family, and the two little brothers obviously need it. Let's go and choose tomorrow."

With that, Miss namo was ready to leave.

At this time, a breeze dancing, that shade the face of the blue yarn even exposed a corner, the girl's face revealed.

It's a great country.

But.

Ye Chen was shocked completely.

Not because of beauty.

But because this face is not Mo Ning'er's face!

as like as two peas!

It's weird.

Ye Chen even communicated with the reincarnation cemetery, but found Mo Ning'er still in it!

Who is the person in front of you?

No, this person is an entity. His accomplishments and breath are different from Mo Ning'er!

This is the real existence!

Even a bone is only about twenty years old!

He thought of the three words that the middle-aged man called the girl just now.

Miss Mo!

Linhai City Mojia!

It's a coincidence.

Ye Chen's immobile body just blocks Mo Ning'er's way.

Girl show eyebrow a frown, of course, to Ye Chen some favor, but also do not allow others to be so presumptuous.

The middle-aged man also drew out the cold sword. In his opinion, the young man's behavior was disrespectful to the young lady!

Should be killed!

Just wanted to start, but the girl stretched out her hand to signal the middle-aged man to step down.

Her eyes curiously look at Ye Chen, she read some special things from ye Chen's eyes.

"Do you know me?"

The ethereal voice fell.

Ye Chen then reacted and looked at the girl in front of her. Ye Chen suppressed the shock in her heart and said, "Miss Mo, I don't know."

"But Miss Mo is very much like a friend of mine. My friend's surname happens to be mo

The girl came to a trace of interest and said curiously, "the young master can ask us to meet some other day. I'm very curious. Is there such a thing like me in the world?"

Ye Chen thought of the purpose of this trip!

Miss Mo may be the key to get in touch with Han Yun!

naturally, he should seize this opportunity!

In order not to delay ye Lingtian's father's burial, ye Chen said: "Miss Mo, I have something important to ask you. I'd like to see you in a teahouse outside the land of fuze in an hour. How about that?"

How dare you hear that middle-aged man met Ye Mo Chen for the first time!

Don't get angry at all!

This is a blasphemy to Miss Mo!

What is Miss Mo! What is his identity!

Meet again? Toads want to eat swan meat!

"Stinky boy, you really don't know how to write a dead word. Get out of my way, or my sword is merciless!"

Ye Chen does not pay attention to, stare at the girl with burning eyes, waiting for the answer.

Look at each other.

Ye Chen did not dodge.

The girl was slightly surprised. After a few seconds, she smiles and says, "OK, I'll see you at the teahouse outside in an hour."

"And my name is moning. I prefer to be short rather than excessive."

Ye Chen heard the word moning, look more and more wrong.

This amazing similarity is too weird.

Monin!

Mo Ning'er!

Although the words are different, the pronunciation is almost the same!

The key figure and face are the same!

"Miss Mo, my name is Ye Chen."

Moning read a few words, which was a note.

Moning finally left, leaving a fragrance.

Ye Chen originally wanted to ask Mo Ning'er of the samsara cemetery, but he found that there was no movement.

We can only give up.

He looked at ye Lingtian and said, "let's go."

"Yes, Lord!"

Ye Lingtian clasped his hands, and the coffin fell down slowly, when he put it down. An invisible force is to suck the coffin in.

At the same time, a golden light came through the coffin like a holy light.

The light is getting stronger and stronger, so strong that ye Chen can't open his eyes.

The aura of the whole land of bliss suddenly changed its direction, and all of them came to this side!

This vision is so strange that everyone in the land of bliss can feel the change of Qi and magnetic field.

Even Mo Ning, who is far away from ye Chen, stops and looks at Ye Chen curiously.

In her beautiful eyes, she looks at Ye Chen deeply, and her beautiful face is full of joy and surprise She wants to see through Ye Chen.

"Was he really right? Master just gave me a general direction. I still can't be sure. But ye Chen is the best one among the thousands of tombs. It seems that ye Chen is not so simple. "

"It's just a teahouse appointment to explore the origin of this boy."

And now, the ceremony is over.

The light faded away.

The last touch is also into the tomb.

Ye Lingtian looks at his father's final entry into the earth, and the feeling in his heart is beyond description.

He knelt down again and hit his head heavily!

"Dad, the child is unfilial! I can't see you for the last time! Now, I just want you to be free from some torture below! In my next life, I would like to be your son

Three more kowtows.

The forehead was covered with blood.

All of a sudden, the originally quiet tomb vibrated.

A red light came out from inside and fell on the eyebrows of Ye Lingtian.

Ye Chen did not stop, because he could feel the red light on ye Lingtian.

Is this the successor of Ye Lingtian's father?

When the red light penetrates into ye Lingtian's eyebrows, ye Lingtian only feels a memory coming out.

In the picture, it's his father.

There is still a sea!

When all memories wake up, ye Lingtian is stunned.

Because the treasure my father got was hidden under the sea.

Father had long expected everything, this red light is the father's retreat.

Father also knew that ye Lingtian would come back, and he knew that ye Lingtian could not be buried before ye Lingtian!

So a huge chess game appeared.

Everything goes through.

Ye Lingtian fiercely stood up and looked at Ye Chen with resolute eyes: "Hall master, please follow me! I know where my father's thing is hidden! It has to be fast, there is a time limit! "

Ye Chen Mou son is serious, nod a head.

The two figures did not hesitate to rush out in one direction.

That's the endless sea area surrounding Linhai City!

.....

Chapter 918

Soon after, there was a teahouse outside the land of Fukuzawa.

The teahouse has been cleared.

Outside stood five or six strong men.

The breath was terrible.

One of them is a strong source of Tao!

Monin sat alone, drinking the best tea.

One.

Another drink.

Time goes by.

There was a trace of irritation in Monin's flat eyes.

Ye Chen hasn't come yet!

From small to big!

She never waited for anyone else!

Others are waiting for her!

But now, unexpectedly in Linhai City, someone dares to stand her up!

No matter what reason, this is unforgivable!

The middle-aged man came in in a hurry, his face was ferocious and he said angrily, "Miss, don't wait any longer! These two bastards are really looking for death. I have informed the punishment bureau! They'll bring them later! "

"Where have they been?" Monin said, suppressing his anger

The middle-aged man even said in a hurry: "as soon as the tomb is over, the two heads will not return to the sea, then they will go! Grass! I must have run away! "

"I also sent people from Mo's family to take down these two animals!"

"Don't worry, miss!"

Moning hesitated for a few seconds, stood up, and his clothes fluttered: "go, take me to the sea!"

In Mo Ning's opinion, ye Chen has no reason to let her go.

Why do you leave if you don't kill him?

The key is to go to other places, but to the sea.

It's weird.

The middle-aged man was a little surprised, but since the young lady had spoken, he could not say anything but nod.

At the same time, Xiang Yingjie and others have come to the scene of the crime.

Xiang Yingjie thought about countless possibilities, but he didn't think of the picture in front of him.

It's not too much to describe as shocking.

The key to their own people are also split in two!

So cruel!

Who is it!

This is challenging the entire punishment Bureau, but also challenging him Xiang Yingjie!

Xiang Yingjie's fingers touch the sword marks on the ground.

Obviously, the other side uses the sword.

There are traces of flame burning around, and the flame is unusual.

This is the clue.

At this time, a man in armor came to me in a hurry: "Lord Xiang, there is a body with thunder and lightning. The other party may cultivate lightning attribute skills."

"I also asked people around me. It seemed that someone heard the sound of dragon chanting."

Xiang Yingjie nodded, stood up, his hands behind him, staring at the two halves of the corpses: "flame, thunder and lightning, dragon, sword, and above the virtual Kingdom, there are not many people who meet these five conditions, but why do I have no impression?"

Suddenly, I thought of something terrible.

"My Lord, could it be that..."

Xiang Yingjie said curiously, "who? Do you have someone in mind? "

The hand trembled and said, "Ye, Shi, Tian."

Three words down, Xiang Yingjie's violent breath erupted!

"Ye Shitian! Good! Good! How dare you come to Haicheng! I've heard of your reputation for a long time! I'd like to see if ye Shitian can bear the blow of my Xiang Yingjie

The sound of the cold seemed to ring through the sky.

The man was very uncomfortable, and he thought of something else. He even said, "my Lord, there is one more thing. Just now, the Mo family informed the punishment Bureau and asked us to arrest one person. That person is Ye Chen we met in the morning! It's said that the guy went to the endless sea

Xiang Yingjie was so murderous and restrained that he sneered: "is that little thing that contradicts me?"

"Exactly

Xiang Yingjie turned the broad sword in his hand and directly carried it on his shoulder. He said, "I gave the boy a chance. He didn't cherish it. He offended the Xu family in the morning, but now he dares to provoke the Mo family. In this case, I will erase it myself!"

.....

Endless seas.

Ye Chen and ye Lingtian have come to the shore.

"Temple Lord, according to my father's memory, his disappearance in three days is at the bottom of this sea area."

Ye Lingtian Dao.

Ye Chen fingers Jue, two barriers wrapped Ye Chen and ye Lingtian.

"Come on, and see what your father left you."

Two plops, straight into the sea.

Ten minutes later, they arrived at the bottom of the sea like walking on the ground.

Because of Ye Chen's technique, there is no obstacle for them to walk underwater.

You can even breathe.

Under the leadership of Ye Lingtian, ye Chen has discovered a submarine cave.

The cave is unfathomable.

After hesitation, they still choose to enter. Ye Chen is full of vigilance and asks the sky sword to hold hands tightly.

Although ye Lingtian's father would not harm them, the place always gives people a sense of uneasiness.

Fortunately, after going deep into it, the darkness disappeared, and the light in the cave even flickered.

All insights.

Ye Chen looks around and finds that there is a place for cultivation built by man.

From the perspective of recent years, it should be the trace of creation.

It seems that ye Lingtian's father has been preparing for a long time.

"Here, Lord!" Ye Lingtian hastened.

Ye Chen followed the sound of the past, is to see a standing simple box.

The box is very long. It must be the existence with the gun.

The exotic treasure that countless people want to find.

There is a small stone box beside the antique box.

Small enough to be negligible.

"Ling Tian, these things are left by your father. Open them and have a look! This place is in the sea, and there will be no vision to disturb others. " Ye Chen Dao.

Ye Lingtian nodded and stretched out his hand to open the antique box directly.

When the box opened a corner, endless black breath rolled out!

What a powerful evil spirit!

When the box is completely opened!

Ye Chen actually saw a long gun surrounded by magic gas!

The spear is two feet long. The whole body is full of black momentum, and there are scattered stars on the dark surface. The evil spirit is pressing. The dragon totem is carved all over the body. It is lifelike!

It's like a black dragon coming out of the gun.

Not only that, but also the head of the gun flashed blue light.

Extremely sharp!

If only touch the human body, blood mist is inevitable!

Although I do not know the origin of the blue light, but ye Chen's heart is the emergence of two words!

Jiuyou!

One shot, break nine you!

All of a sudden, the barrel of the gun shook!

The entire ocean floor was shaking and rolling.

The spear seems to have a spirit. It bursts out of the simple box in an instant! It is towards Ye Chen!

Cold light means killing!

Ye Lingtian's face changed greatly. If this shot killed the hall leader, he would be the culprit!

He exclaimed, "master of the temple, get away from me!"

But he found Ye Chen motionless and did not intend to fight back.

The spear shuttles like streamer, spinning around Ye Chen for several weeks.

Finally, unexpectedly a turn, direct toward Ye Chen's eyebrow heart and go.

Ye Lingtian is short of breath.

He wants to die for the temple master, too late!

Seeing that the spear is going to pierce Ye Chen's eyebrows, ye Chen doesn't blink his eyes and doesn't move like a mountain.

All of a sudden, the gun was hanging!

And at the moment, ye Chen's eyebrow heart is also abnormal!

Twinkle the dark light!

Like the eyes of hell, open!

Then, the wild spear bent!

Twist around Ye Chen! The gun head is still facing Ye Chen.

This feeling It's like looking at Ye Chen!

Chapter 919

One person, one shot, thus forming a century like gaze.

Ye Chen didn't do anything.

The magic beads that once penetrated into the eyebrows twinkled with strange light.

His eyes were as red as blood.

The evil spirit of the whole body even turned into a majestic black cloak.

Seeing this scene, ye Lingtian is not calm.

How can this ancient thing bend?

Unheard of!

Also, it feels like a spear is recognizing the Lord.

Did the father protect this thing at the cost of his life, not for himself, but for the Lord?

Absolutely possible!

Ye Lingtian did not lose any, but excited!

He himself was used to using the sword, even if his father left the spear to him.

He was of no use.

On the contrary, it will only slow down his control of kendo.

But the temple master seems to like to use the sword.

At least since he knew the temple master, he did not see the temple master used a gun once.

This gun is extremely powerful, if there is no strong gun technology support, the consequences are unimaginable.

He's a little worried now.

At the moment, Ye Chen seems to be silent in a magical world.

He found that everything around him had changed completely!

As if in a dreamland.

And this environment is the bones of millions of people.

The bones are all over the place.

Blood was all over the sky.

It seems to be an endless abyss in the world.

The vigorous wind dances wildly, the blood color coagulates moves, the ghost cry wolf howl sound comes from the deepest place.

Suddenly, there was a flame among the countless bones.

Blue and cold flame.

A cold flame.

Two different properties of the flame actually fused together.

Even in Ye Chen's eyes, the blue flame seems to be a pair of eyes, staring at him.

This flame is not weaker than an immortal fire.

When ye Chen is lost in his mind, the flame turns into a long gun shadow and penetrates directly into the darkness in Ye Chen's eyebrows.

The next second, the pain hit.

When ye Chen raised his head, he found that the picture in front of him had changed again.

Picture backtracking.

The dead bones live and turn into practitioners!

Every cultivator is full of violent killing intention. The lowest level among them is the virtual King state!

There are also many Daoyuan realms or emperor Zun realms!

All of us are heading for the abyss.

Roar, roar!

Just then, a figure came out of the darkness.

The fall of the feet, as if to let the surrounding air completely solidified.

The mottled light hits on that person's body, is some familiar to Ye Chen.

It's getting closer.

Ye Chen finally saw the man!

"How could it be!"

Ye Chen is stunned!

It's not other people's figure!

The evil spirit cloak is surrounded by evil spirit. The spear in your hand is the one you see today!

Inside the eyes, the devil burst out.

Then, one shot pointed out that he killed those practitioners!

Every shot is cold and killing!

The void burst, the true Qi reversed, and the whole time and space seemed to explode under the gun intention!

The dreamland turned into a sea of fire, and the thunder and lightning fell down from the sky!

Thunder, fire, devour everything.

Life lost!

And the master of this piece is the demonized self!

These thousands of skeletons were made by ourselves?

The demonized figure seems to have noticed something, glanced at Ye Chen's direction, and then everything turned into dust.

The illusion disappears.

Ye Chen finds himself back in reality.

The spear no longer looked at itself, but was suspended in front of him.

Obviously, it's for him to hold it.

Ye Chen did not hesitate, he could feel that the long gun was born for him.

He learned Lin Qingxuan's three unique weapons, and he just lacked a satisfactory weapon.

And this spear from the nine hell is the best choice.

However, ye Chen's heart is still confused, what is the meaning of the illusion.

If it's true, then it means you will be possessed?

What's more, why do you want to kill so many people?

He could feel that it was all real.

Very real.

It seems that it will happen one day in the future.

But even if he stepped into the killing Road, he could not be so crazy.

Unless something happens in the future that will arouse his endless anger. This thing, let him want to destroy and end everything!

Ye Chen put aside all the thoughts in his heart, stretched out his hand and held the simple gun.

"Tear

All of a sudden, ye Chen's palm is cut open, blood gushes out instantly.

It was absorbed by the spear.

Ye Chen feels the connection between the sea and the spear.

Then, ye Chen's hand holds, the true Qi condenses, simply one gun sweeps away!

The surrounding sea water instantly turned into two parts, and the violent gunshot idea actually tore the whole ground, dozens of feet!

It's like a deep-sea Canyon!

Shocking!

The meaning of the ground shaking is also spreading.

Ye Chen took back the spear, touched it gently, and murmured: "although there is a big gap between the power and the magic realm, I am already very satisfied. If combined with the three unique spears, the power generated by that time will definitely let me not be afraid of the virtual King state!"

Finish saying, ye Chen just thought of what, ask a way: "do you have what name?"

Long gun seems to be able to understand Ye Chen's words, twist again, as if shaking his head.

Ye Chen pondered for a few seconds and then said, "just now the fantasy world seems to be in Jiuyou hell. Then I will call you Jiuyou sky killing gun! With the power of Jiuyou, you can level the hell and kill the way of heaven. This is my ambition

Jiuyou sky killer gun knows that he has a name. He is extremely surprised. Even his body is close to Ye Chen, just like a snake winding around.

The head of the gun flickered with dim flame light, which made people dare not look directly at it.

"Well, you now obediently enter the samsara cemetery, if I call you, you come out again."

Ye Chen ordered again.

Nine you kill the sky gun obviously understood Ye Chen's meaning, fiercely nodded, and then disappeared.

Everything returned to silence.

Ye Chen looked at ye Lingtian and apologized: "Lingtian, I recognize the Lord of this thing. It's really..."

Before the words were finished, ye Lingtian said with a smile: "Lord, you don't have to say anything. I know my father. This Jiuyou sky killing gun is not what my father prepared to give me. It belongs to you."

" What's more, I'm the master of the temple. Even if the Lord wants to Lingtian to die, Lingtian will not hesitate! "

Ye Chen was quite speechless and scolded: "what lies? Ye Lingtian must be around me in this life, and can't die! If anyone dares to move you, I Ye Chen will destroy his whole family

Ye Lingtian Meng nodded his head. The words of the temple master gave him great confidence!

If there is such a temple master, what can I ask for!

Suddenly, ye Chen noticed something, five fingers a grip, another tiny box appeared in his hand.

There are only two things here.

Jiuyou sky killing gun is left by Ye Lingtian's father, so this box should be ye Lingtian's.

Sure enough, ye Chen glanced at it and found that there were several big characters engraved on it: "ye Lingtian, Qi!"

Chapter 920

Ye Chen directly handed the box to ye Lingtian. "Ling Tian, this thing is left by your father. It's very unusual to put it together with the Jiuyou sky killing gun. You can open it yourself."

Ye Lingtian naturally saw the above words, took the box and opened it directly.

This time, there was no light.

Very quiet.

When the box was completely opened, it was found that there was a drop of blood essence in the box.

The essence of blood is charming, but it is cold.

Ye Lingtian is a little confused about his father's intention.

What's the use of this blood essence?

What's more, why is the blood essence still so fresh, as if it was just extracted from the human body?

Ye Chen is also a little unclear, he just wanted to communicate with Mo Ning'er of the reincarnation cemetery, but he found that ye Lingtian's jade pendant twinkles with strange light.

When ye Chen saw this jade pendant, the design on it was a dragon and a teenager.

That young man is himself.

It is this jade pendant that makes ye Lingtian firmly believe that he is the master of the temple he is looking for.

When ye Chen and ye Lingtian are confused, the jade pendant suddenly breaks.

And then it turns into a little star light.

The light of the stars suddenly gathered and formed a figure!

It is ye Lingtian's dead father!

The shadow of the starlight seemed to turn into substance. He glanced at ye Lingtian and said excitedly, "Ling Tian, we have finally met. If I have not guessed wrong, my noumenon has already died."

Ye Lingtian never thought that he would see his father again after his father died!

He bent his knees and knelt down: "father

The shadow of starlight showed a smile and helped ye Lingtian up: "if you can come here, it means I'm on the right track."

The shadow of starlight suddenly fell on Ye Chen's body, and his eyes were excited: "is this the master of Shaodian?"

"The Lord of the temple is up, please accept Ye Jinming's worship!"

Ye Chen naturally can not let the other side kneel, an arm extended: "uncle, please get up, you are a remnant, why kneel me."

Ye Jinming hesitated for a few seconds or nodded: "little hall master, seeing you, I know that the task given to me by my ancestors is completely completed! If I fail here, I will be a family sinner! "

Ye Chen is a little curious: "why did you choose me instead of others?"

This time, ye Jinming didn't explain, but said: "Shao Dian Lord, some things are the secrets of heaven. You can't say more, but one thing is not a secret. You are a purple crouching dragon. You are born with the destiny of the emperor. Anyone who has contact with you can benefit future generations."

"Of course, I also believe that Ling Tianneng is able to cover the wind and rain for the master of Shaodian all the way."

Ye Jinming looks at ye Lingtian again. He glances at ye Lingtian's accomplishments and shakes his head: "Lingtian, your accomplishments are too low. How can you win the world for the hall leader?"

Ye Lingtian's face turned red and he was embarrassed: "father, I don't want to, but the power of the temple master is too strong against the sky. The holy kingdom can kill the strong one in the virtual King's environment. I can't follow him in this life, but I will try my best."

Ye Jinming touched his beard and grasped it with five fingers. The blood was in his palm.

There is an ancient character reflected in the blood essence.

"Ling Tian, in fact, our ancestors had expected that the family was defeated. When you came to your area, the ancestral spirit root against heaven was almost diluted. It is impossible for you to achieve great accomplishments in cultivation."

"The ancestors laid down the overall situation for a thousand years. Being a father is just a chess piece. You can see this drop of blood essence. This is what the ancestors left for you. Later, I will put this blood essence into your brow. It will be very painful, because the power in the blood essence will forcibly change your blood vessels and talents. Fortunately, the blood in your body is still connected with your ancestors. If you change to an ordinary person, you will die. "

"After today, being a father will make you completely different, so that you are also qualified to stand by the side of Shaodian Lord."

In the sky, the essence of the leaf will be shot out.

Just looking at the moment, suddenly.

Ye Jinming didn't accidentally go to a secret place, but this secret place was the secret of their family and had been guarding it for thousands of years.

It's not fully opened until now.

What is the reason for this great effort?

He looked at ye Lingtian, who was convulsed and lying on the ground with ferocity on his face!

It's too painful.

Ye Jinming looked down at his son and continued: "ye Lingtian, stand up for me! The blood flowing on your body is the blood of a soldier. If you can't bear the pain, you are a waste!

Do you want to hide behind the little hall master all the time and be a useless waste? Is it now and will it be in the future? "

This sentence stabbed ye Lingtian like a sharp needle.

Ye Lingtian roared: "I am not!" He stood up trembling with blood in his eyes.

His arms were full of blue veins, and his whole body was bursting with powerful air waves!

Danta was broken and reborn!

"Ye Lingtian is not afraid of everything! Follow the master of the temple

Under the roar, ye Lingtian's whole body waves are released, and the sea water rolls.

Even the air waves make ye Chen a little uncomfortable.

Ye Chen looks at the aura in the sea water and rushes into ye Lingtian's body crazily.

Then, he was shocked to find that ye Lingtian's breath was changing!

A breakthrough!

Layer by layer!

It's incredible!

I don't know how long, ye Lingtian has entered the Holy Land!

No stop!

Holy Land!

Still not stop!

Xu Wang Jing!

Finally, he stopped slowly, and the final state was stable in the fifth level of virtual King realm.

Although Ye Chen has a samsara cemetery, he has never seen such a method of ascension against heaven.

Crazy!

Ye Jinming seems to be aware of Ye Chen's doubts and explains: "Shao Dian Lord, this secret method is only mastered by our ancestors, and it is extremely demanding. It must be the blood essence of our ancestors. When Ling Tian was young, I let him soak in special potions every day, so that he could be integrated. If he was ordinary people, he would surely die."

Ye Chen nods. He looks at ye Lingtian and finds that the latter has stood up.

The face has not changed much, but the breath on the body has experienced nirvana.

Resolute eyes looked at Ye Chen and knelt down directly on one knee: "Lord, this time, I will not stand behind you! If anyone dares to move you, I will let him fall into hell

Ye Chen nodded and patted ye Lingtian on the shoulder: "get up, I said we are brothers, you are not my servant, there is no need to be so."

Ye Jinming looked at the two people, and his mouth showed a gratifying smile: "Shaodian Lord, Ling Tian, the mission given to me by my family, I've completed it completely. After today, it's your world."
