

## Physician 921

### Chapter 921

"By the way, I would like to remind you that if you meet a person with four characters, you must be careful!"

When the words fall, ye Jinming dissipates and melts into the sea water, as if never before.

"Four character man?"

Ye Chen frowned. At present, he has never met such a person.

But ye Chen took this warning to heart.

This family sees through the natural mechanism. If a certain link is missed at this stage, it will collapse.

You have to believe it.

"Lord, let's go."

Ye Lingtian Dao.

The strength of the strong, so that he is full of confidence, even the voice is to improve a few points.

Ye Chen nods, the true Qi surrounds at the foot, the instant faces the water surface.

.....

At the same time, the shore of the sea.

More than a dozen armored soldiers of the punishment Bureau were waiting.

Xiang Yingjie's hands are behind him, staring at the sea with cold eyes!

"What are those people doing at the bottom of the sea?"

He asked the men around him.

But the man shook his head: "for what reason, I don't know. This sea area is still dangerous. If it goes deep, there must be something to attract it!"

Xiang Yingjie frowned. He didn't know what he was thinking about. After a few seconds, he said, "forget it. Let's wait until these two guys come up."

At this time, several figures came quickly.

Seeing the man in a hurry, Xiang Yingjie turned around and said with a smile, "what kind of wind has brought the eldest son of the situ family? There is no scenery in this sea area. "

He knows the origin of the master of situ's family.

It's called situ Feng! The sixth floor of Xuwang realm!

Have some cards, just into the sky 1000!

It's good, but it's called crane tail in the circle.

After all, it is the last one in the sky list.

Situfeng suddenly appears here, I am afraid it is also for ye Chen.

Seeing Xiang Yingjie, situ Feng's eyes shrank and said in a cold voice, "Xiang Yingjie, that ye Chen is here!"

"You are very well informed, but this place has been surrounded by my punishment Bureau. Ye Chen is also the Mo family's full authority to arrest me. I'm afraid it's not good for you to appear here now."

Xiang Yingjie said in a bad tone.

Situfeng sneered: "ridiculous! When did Linhai City become the site of your punishment bureau? If Miss Mo wants the boy, why can't I do it? "

"Since the Ye family's things have not yet fallen, I can only start from the little beast named Ye Chen!"

"I've heard that this boy is so bold that he dare to stand up for Miss Mo! What a death wish

Xiang Yingjie doesn't care. In his opinion, it's impossible for situ Feng to take people in his own hands!

Sky list 1000, take ye Chen and ye Lingtian is really possible, but he can not allow it!

Just as they spoke, the waves surged on the water.

The waves swept through.

Then two figures appeared in an instant.

See this figure, suddenly someone exclaimed!

"Young master, ye Chen appears!"

"My Lord, ye Chen appears!"

Innumerable way eyes instantly locked Ye Chen and ye Lingtian.

Situfeng mouth has appeared a cold smile, the first step out, toward Ye Chen.

He knows better than anyone, as long as you win Ye Chen, it is an opportunity!

It's very important for the situ family to establish contact with the Mo family!

The Mo family controls the cultivation resources. It is also an ancient family, holding the key to enter the place.

Don't mention Linhai City, the whole Kunlun Xu wants to please them!

What's more, the Mo family is also closely related to the Han family in ancient times.

Once you stand on the same front with the Mo family, you will be in contact with two ancient families!

What is more valuable than this business?

No longer think, ye Chen and ye Lingtian have fallen on the shore.

Feel countless eyes hit, ye Chen's expression is extremely strange.

Ye Lingtian is also a congealed eyebrow, five fingers holding the sword handle: "Hall master, the comer is not good."

Ye Chen nodded and then went toward the outside.

In front of him, Situfeng and others were taken as air by him.

When ye Chen stepped out of the fifth step, a cold voice fell slowly: "Ye Chen, did I let you go?"

Then, the five strong are blocking Ye Chen and ye Lingtian's way.

Release with intent to kill.

Ye Chen steps to stop, eyes are still staring at the front, way: "we do not seem to know it."

"No?" Situ Feng laughed a few times, "dare to put Miss Mo pigeon, the whole Kunlun Xu you are the first one!" After hearing that sentence, ye Chen suddenly came over!

Damn it! Because ye Lingtian's emergency just now, he didn't even call!

It's a big sin to let a girl wait!

What's more, it's the lady of Mo family in Linhai City!

Ye Chen can only helplessly shake his head, since the boat is done, can only then and Mo Ning apologize a few minutes.

After all, it was him who made the mistake.

But what does this have to do with these people?

Are these people from the Mo family?

Ye Chen thought for a while and then said, "Miss Mo, I will naturally apologize."

He just wanted to leave, but the six strong men drew out their swords and pointed at Ye Chen!

"Little beast, did I let you go? The man that I, situ Feng, wants to take down, can't be stopped by the emperor! "

The words of situ Feng just fell, a cold light flashed.

The cold light was too fast. When he reacted, he found a sword touching his neck.

"If you dare to move the hall master, I ye Lingtian will cut your head even if I fight for my life!"

He turned his head in horror. When he saw ye Lingtian, he became angry instantly!

This person's origin, he naturally knows, the Ye family that left Kunlun Xu instead went to China's garbage!

How dare you use a sword in front of yourself!

I'm afraid this guy didn't even reach the holy land!

What a shame!

At this time, Xiang Yingjie, who had not spoken for a long time, cut in: "a mole ant threatened the bottom of the sky list with a sword. I really doubt the gold content of the sky list more and more. I'm afraid that all your accomplishments have been cultivated to women's stomachs, situfeng."

Hearing this, situ Feng became more and more angry!

Without hesitation, he held out his five fingers and held ye Lingtian's sword directly!

"Go away!"

A roar pierced.

The sword should have been broken! However, the grain silk did not move!

He even felt as if his power had fallen into an endless abyss!

How could it be!

Ye Lingtian's eyes were firm: "let your dog put down the sword. If they dare to point to the hall master again, I promise you, I will take your life!"

Ye Lingtian is qualified to be strong at the moment!

The power of blood essence in his body has not disappeared!

Before that, he was not afraid of situ Feng!

Ye Chen is very satisfied with the present ye Lingtian. He glanced at the sword around him and gently waved his arm: "let's all go."

It's a random wave.

Something strange happened!

The six swords seemed to be crazy. They broke free from the hands of the six people and fell directly at Ye Chen's feet!

It's like surrender!

Chapter 922

Ye Chen now knows WanChen's jianjue in his heart.

There is a sword formula between waving.

Sword rhyme together, Wan Jian Chen Fu!

Except for the top spirit sword, it can't be stopped.

It was easy for him to do, but in the eyes of all, it was like hell.

The six men stare at their hands, and then look at the sword on the ground.

Eyes widened.

What the hell is going on here.

They gathered their true spirit and grasped them with five fingers. They wanted to hold those swords in the palm of their hands.

But it's impossible!

"It's no use."

Ye Chen's indifferent voice falls, without any emotion.

"Besides, I don't like people standing in front of me. I don't like it very much."

Xiang Yingjie not far away saw this scene and his smile solidified.

There was a storm in his heart.

What kind of technique is this! Can you control other people's swords?

Unheard of!

He looked at Ye Chen again, less despised, and his expression became extremely serious.

There's definitely something wrong with this kid.

Situfeng didn't know what happened because he turned to his side, but Yu Guang didn't know what happened. Yu Guang swept the six people still, and his anger became more and more burning. He even ignored ye Lingtian's sword and growled: "what a bunch of rubbish! Don't start! I'm being held up by a sword, and you'll just watch it? "

Six people give advice, also do not care to have no sword in hand, change fist to claw toward ye Lingtian!

They are determined, ye Lingtian dare not hurt situ Feng! Scaring them at best!

But they have not considered ye Lingtian, but found Ye Chen has blocked in front of them.

"Did I let you go?"

Hearing Ye Chen's words, six people's eyes shrink and their eyes are violent.

"I don't know how you made our swords spiritless, but we don't need to use swords to take you down!"

Words fall, one of them is a blow out.

Bursts of air explosion.

A stream of white air turbulence out, as if into a sword, through.

In a flash, break everything, see the white air is about to hit Ye Chen's body, ye Chen cold hum, the same blow out.

It's a flat and light fist, but it contains the power of infinite body refining and the power of blood dragon.

The brake is around the arm.

As if a touch of red on the break!

Sputter it out!

Looking at Ye Chen's strength sweeping away, feeling the red waves rolled by, the old man who made the move realized that something was wrong.

It's a body builder!

Body refining is not rare in Linhai City, and the auction of Linhai City has repeatedly auctioned body refining skills, which also makes many body refining practitioners here.

But he never saw anyone break out of it!

Except for those!

Between thoughts, ye Chen's fist has touched the white airflow.

The white air burst on the spot! Can't stop!

After that, ye Chen's fist knot is solid and touching the old man!

The old man didn't think that there would be such a scene. It was too late to start again. The whole body flew out!

In the air is spit out a mouthful of blood, is really too embarrassed!

Situfeng witnessed the whole process and was slightly stunned. But how could he allow his subordinates to be so unbearable and roared: "a group of fuckers, a waste of this strength, can't be determined. You have five left to do it!"

One is injured, the other five are aware of the seriousness of the matter! Toward Ye Chen one after another.

At this moment, the shadow of the fist is all over the sky, and the aura around is also changing to be frightful!

But what's the use of killing? Ye Chen rushes into the crowd, and a flame comes out of his eyebrows.

The fire started a prairie fire and immediately wrapped the five people.

The flame of the unquenchable fire is stronger and stronger, burning all things!

In the face of absolute strength, these people were madly suppressed.

Ye Chen is just like a bulldozer in the fire, crushing directly.

Everywhere we go, it's a mess!

When ye Chen goes out of the flame area, the flame is full of painful groans!

Some people were devoured by the fire and died, while others were crazy toward the sea.

I wanted to extinguish the fire with the help of sea water, but I don't know that the flame on them is called immortal!

Once contaminated, it cannot be extinguished.

In pain and screams, everything finally calmed down.

Only a young man stood aloof and his cold eyes shot at situ Feng.

Just a look in his eyes made situ Feng tremble with fear, and his back was cold.

He madly wants to break through ye Lingtian's sword, but he finds it is useless!

Isn't it rumored that their strength is like ants?

What the hell is going on here! It's totally different!

Ye Chen step by step toward situ Feng, each step is a strong sense of oppression.

Situ Feng's neck is exuded a drop of bright red blood. He stares at Ye Chen and says: "you What are you going to do? I'm from the situ family! If you kill me, you can't leave the whole coastal city! "

After that, he suddenly thought of something. He looked at Xiang Yingjie like a life-saving straw. He even said, "Xiang Yingjie, what are you standing for? As a member of the punishment Bureau, don't you take this boy down as soon as possible."

Xiang Yingjie frowns and his attention is focused on Ye Chen.

He found that the young man couldn't see through. The strength of the other side was extraordinary.

It's the fire that controls it.

He should be a practitioner of flame attribute.

Naturally, he couldn't associate Ye Chen with ye Shitian, because it was just a kind of flame and the current strength, which was not worthy of!

Then, he looked at situ Feng, and a sneer came out of his mouth: "isn't it that Mr. situ asked me not to do it? I just did it."

"Master situ, you are right."

The tone is extremely playful.

This can make situ Feng Qi half dead, almost a mouthful of blood spurt out.

But the current situation made him have to compromise, can only say: "Xiang Yingjie, I give up winning Ye Chen! Please put down the boy

Between the words, is full of suffocation!

Ye Chen does not like to have trouble again, direct command way: "Ling Tian, kill."

"Yes, Lord!"

These simple words made situ Feng scared to death. He said to Xiang Yingjie: "Xiang Yingjie, please do it! As long as you make a move, the situ family will no longer fight for that quota with you. "

Xiang Yingjie's mouth outlined a radian, "since you ask so, then I will not watch you die."

Then, he moved!

Even if we advance a quota in the sky list, it may be a huge gap.

This is not about cultivation, but about real combat power.

In the blink of an eye, Xiang Yingjie appears in front of Ye Lingtian!

Five fingers caught ye Lingtian's sword on the spot.

Ye Lingtian's face changed dramatically, and the power of virtual King's realm and the power of residual blood essence exploded!

The ground cracked and the air exploded.

He thought he could break free, but he found that his sword had been welded.

Xiang Yingjie smiles: "what I want to destroy has no reason to exist! Of course, it also includes people

Chapter 923

"Click With a sound, ye Lingtian's sword broke directly.

At the same time, the fury of the strength of body training collided away.

Ye Lingtian can only break out all the strength to resist!

"Bang!"

When the two forces collide, ye Lingtian directly retreats more than ten steps, and a trace of blood spills from the corners of his mouth.

Seeing about to fall into the sea, a slender hand is pressed on the shoulder of Ye Lingtian.

It was Ye Chen.

"Temple master My subordinates are useless! "

Ye Lingtian Dao.

Ye Chen is patting ye Lingtian's shoulder and comforting him: "you are already very good. You have not been used to this strength. When it is completely integrated, the strength will be stronger."

"And it's normal that you lose to this person."

Ye Chen's cold eyes stare at Xiang Yingjie, and his sense of body building maintains a strong hostility.

Even fear.

All the strength of this man depends entirely on the flesh!

Ye Lingtian's present state is impossible to defeat!

Xiang Yingjie twisted his neck and finally looked at Ye Chen. He said, "Ye Chen, there was an old man to protect you before. What are you going to do today!

Offend the Mo family. Even if the old guy stands here, he is not qualified to protect you! "

"What I didn't expect is that you are also a body builder, and it seems that you are the second solidification period. In the eyes of ordinary people, you are also a strong one, but you met me! I'm the peak of super sports period, half step Huagang period! Today, I will let you feel what despair is

Words fall, Xiang Yingjie three steps out, in the third step when the air jump!

More than ten meters high!

Then, one punch!

"I'll let you understand that everything is just a fly in the sky! Want to compete with me? Not enough!  
Break it for me

Xiang Yingjie's strength of body building is released!

It's too violent!

There was a light blue air flow in his fist.

The air flow seems to tear the air, tear up the space and smash Ye Chen.

The blue airstream bloomed, and the whole shore seemed to be a sea.

The big waves are all to Ye Chen!

"Boom!"

The next moment the roar exploded, and the world shook.

Ye Chen's eyes are firm and resolute, the strength of refining body breaks out, and the immortal fire twinkles on the fist!

At the same time, run the power of blood dragon!

Smash it out!

One punch battle, complete touch.

The sea water in the back suddenly heaved! Dozens of meters high!

The mighty energy explodes!

This blow shocked the world!

In his eyes, ye Chen will surely die.

Although he is not used to Xiang Yingjie, his strength is beyond doubt.

He can't shake it, no one else can!

But, this one punch, actually lets two people not separate.

There was no injury.

It's still going on!

"How could it be!"

Situfeng exclaimed in surprise. He didn't die under one blow!

And he carried it!

Those who are strong in the punishment Bureau and the crowd around take a breath!

In the whole Linhai City, there are few young people who want to resist Xiang Yingjie's fist!

But it can't be ye Chen!

At the moment, the air seems to be full of two energy!

The two energies are like a lion and a long dragon intertwined.

No one can stand it!

Xiang Yingjie's heart is stormy. He can feel the power of Ye Chen.

It's as good as him!

Even if he didn't exert all his strength, how could this mole ant compare with his 70% strength!

He can't accept it!

No longer hesitating, Xiang Yingjie roared, and the lion broke out, just like a great beast swallowing to Ye Chen.

Ye Chen Mou son pan cold, swept all the strength in the arm above.

No fear!

But after all, he failed Xiang Yingjie in physical training.

"Puff!" A sound, a mouthful of blood spurts out, ye Chen whole person retrogress three steps!

And Xiang Yingjie is also uncomfortable, the corner of his mouth overflows with blood, and his body also retreats two steps.

His clothes had been blown to pieces, revealing rock like muscles.

Eyes extremely dignified!

He can feel his internal organs, be shocked!

It's something he's never had!

Who the hell is this boy! Why can the flesh body of conggu period compete with his dominating body?

A fight!

Just a fight, ye Chen not only did not die, but also let Xiang Yingjie hurt!

This is a shame to Xiang Yingjie! Xiang Yingjie's eyes are extremely strong! He knew that ye Chen had been injured, and now is the best chance!

"You are very good, little beast! But you can't carry my next punch

With the words falling, Xiang Yingjie's whole body was full of evil spirit, and the upper stream of his fist turned the light of the stars. He was like a giant star beast, smashing the Star River and running towards Ye Chen.

This blow, is his ten percent strength, even if ye Chen's physical body let him surprise, also can't resist!

In order to be in case, Xiang Yingjie is forced out of a drop of blood essence, blood essence burning, the momentum of his body is more and more terrible!

It's the first time in years that someone has forced him into this state.

His face was ferocious, like a bloodthirsty beast.

At the moment, ye Chen can feel the internal force in the shock, and even some paralysis in the fist arm.

If he uses the strength of body building again, he will surely suffer losses.

His eyes fell on the Jiuyou sky killing gun in the reincarnation cemetery!

Just in time, he wants to try the combination of Jiuyou sky killing gun and breaking sky three Jue gun.  
What kind of power is it!

I don't know, but it's enough to destroy this hero's body!

Ye Chen did not shrink back, step out! Just want to sacrifice Jiuyou sky killing gun, "stop it!" The cold voice resounded through the audience.

Then, a beautiful image is slowly falling.

It's in front of him.

Light fragrance diffuses, which is the inherent body fragrance of young girls.

The back is graceful, and the ratio of wasp waist to hip is too perfect.

A long dress, Fairy Spirit.

Monin!

Moning's appearance instantly makes the air in the air to kill completely.

With a wave of Monin's slender finger, a golden round barrier is blocked in front of him.

There are ancient words on it that keep flowing.

Xiang Yingjie's punch hit the golden barrier, which not only did not collapse, but also reflected a force!

Hit Xiang Yingjie directly!

Xiang Yingjie did not expect that Mo Ning would suddenly rush out to save Ye Chen.

The powerful force has been unable to stop, directly penetrated his body.

Spit out a mouthful of blood, his whole person is weak to the extreme!

The body almost fell to the ground.

At the critical moment, he pulled out the wide sword from his waist and inserted it directly on the ground!

The fierce flame flickers, a deep sword mark, let him stop reluctantly!

Suddenly, the crowd screamed! Miss Mo has even used the art of reversing heaven and earth

"No, the order to arrest Ye Chen was issued by the Mo family. Why did Miss Mo save Ye Chen! According to reason, ye Chen can't resist Xiang Yingjie's fist at all! "

Chapter 924

The crowd was shocked.

Even situ Feng's expression changed completely, and he didn't understand the meaning of moning.

Even if he didn't know, situ Feng was also walking towards Mo Ning with a flattering smile on his lips.

There are two younger generations in the Mo family, which is the hope of the Mo family.

One of them is the peerless talent of body training. They are looking for ye family spears for this person.

The other is his sister, Monin! The untouchable existence in the eyes of countless practitioners and practitioners in Linhai City!

You can only view from a distance, not to play with blasphemy!

Situfeng came to Mo Ning's face and said with a smile, "Miss Mo, half a year ago, I finally met again. I am..."

Words have not finished, moning indifferent and heartless voice sounded: "roll."

The air solidified instantly, and situ Feng's expression was very ugly!

He didn't expect that Monin would let him down in front of so many people!

But what can we do!

He has no choice!

He could only smile and say, "OK."

And then, just leave.

Xiang Yingjie, who was injured not far away, has stood up and stares at Ye Chen!

In his eyes, all this belongs to Ye Chen!

"Miss Mo, why did you hurt me? This ye Chen is what your Mo family asked me to arrest! Besides, this boy has insulted you. "

Even though his heart is not fair, Xiang Yingjie still asks.

Mo Ning looks calm. His slender fingers touch his hair to his ears. Then he looks down at Xiang Yingjie and says, "this person has offended me. Naturally, he wants me to deal with it. I don't want to use other people's hands."

"And, from today on, ye Chen's life is mine! His people, also mine! Only I can kill! If you dare to do it, my family will have all the power to uproot you and the forces behind you! "

Cold words reverberate! beyond all doubt!

All the people present took a breath!

No one would have thought that Miss Mo wanted to protect Ye Chen, or in front of everyone!

From then on, ye Chen's life belongs to moning! At least the whole coastal city, no one can move!

I'm not qualified to move!

The key is why!

Such ants are not only invited to tea house by moning, but also broke the appointment. Now they have become the object of moning's protection!

Is Miss Mo's in love with this boy's skin bag?

Xiang Yingjie's heart is full of blood, his fist is clenched, and he is extremely angry!

His heart is too oppressive, today not only did not kill Ye Chen, but also made himself hurt!

It's not worth it!

Key in front of the woman to protect Ye Chen, who dare to move!

There was a flash of violence and killing in his eyes.

If one day, he is in charge of the strength, he will let this Monin in his crotch!

And ye Chen, he wants one punch to break away from ye Chen's body! In order to ease the rage.

At the time when everyone was thinking, a voice sounded from behind moning: "Hey, I don't seem to agree."

Ye Chen is not afraid of Xiang Yingjie.

Why should a woman save it?

The key is that the woman, in a simple word, is like buying herself?

Ye Chen's words, of course, are light, but they fall into people's ears accurately.

All corners of the mouth twitch, wish to pick up Ye Chen's mouth!

However, Mo Ning's frosty eyes swept Ye Chen and said coldly, "Ye Chen, you have no right to refuse. Now, you go with me! I need an explanation from you! An explanation for standing me up! If I'm not satisfied, I'll kill you! "

Finish saying, a few Mo family master is encircle come up.

One of them is a strong source of Tao.

Although Mo Ning cold words, but in ye Lingtian's eyes, this Mo family miss is obviously saving them!

Ye Lingtian stood by Ye Chen's side and said in a soft voice, "Lord, I feel that Miss Mo is going to soak you..."

Ye Chen:

One side of the middle-aged man heard this sentence, gas out!

Miss such a high vision, how can you be interested in ants like you!

He wanted to say something, but when he saw that Monin had gone outside, he said to them, "don't go now!"

Ye Chen smiles, hands negative behind him, or follow up.

Just in time, if you want to see the existence of the Han family who experienced the ancient catastrophe, he needs to take the line of Mo family.

This Monin is extremely important.

And a little bit more.

He had to figure out the connection between Monin and moling.

According to the principle, Mo Ning'er should be the ancestor of moning.

As time goes by and blood is diluted, it is impossible to be so similar.

Inside, there must be something wrong!

.....

The original teahouse.

The environment is quiet. The strong man of Mo family keeps out the door and keeps away from anyone.

Now, inside.

Moning sat down quietly, and the waiter carefully brought the best tea in the restaurant.

"Miss Mo, please use it."

Then there was the retreat.

And ye Chen and ye Lingtian stood like this.

Mo Ning takes a sip of tea, looks up at ye Lingtian and says, "this matter has nothing to do with you, you go out."

Ye Lingtian nodded. The atmosphere in the air was so strange that he wished to go out.

He's here, and he even feels like a light bulb.

But he knows the master's peach blossom luck. It's very likely that this Miss Mo will take a fancy to him!

After ye Lingtian disappears, ye Chen is directly sitting beside moning and pouring a cup of tea.

Mo Ning a Zheng, displeased way: "I don't seem to let you sit, you must know, now you in my eyes and a corpse no difference, as long as I want."

Ye Chen took a sip of tea, waved his hand and said impatiently, "well, just the two of us, don't pretend to be forced. There must be a reason for you to save me, but it's not because I'll stand you up."

Mo ningxiu eyebrow a pick: "wrong, this matter makes me very uncomfortable, I really want to kill you."

"But before I kill you, I want to know how you can see that tomb at a glance!"

Ye Chen is to drink a cup of tea, and then look up at the girl in front of her.

facial features are as like as two peas.

Even a mole of earlobe, size, location, is still the same!

If you really want to say the difference, the only difference is that Mo Ning'er has a mark on her eyebrows, but this person does not.

"Answer my question." Monin was a little uncomfortable being gazed at like this.

Ye Chen stretched out a stretch and said with a smile, "if I am ignorant, do you believe it?"

"I don't believe it."

"I'm sorry. I'm really confused."

Ye Chen naturally can't talk about Xiao Huang.

Of course, it doesn't mean that the other party can know the secret!

"You --"

Mo Ning'er slaps on the table, the teacup and teapot are all broken, and the tea juice splashes out.

Later, Mo Ning'er stood up and supported the table with both hands, staring at Ye Chen: "this problem, I can not investigate."

"But! You have to tell me, why do you know my mo family's skill "Zaohua Lianti Jue"! "

Chapter 925

Ye Chen's expression is not right when he hears "the determination of the body refined by nature".

"Zaohua Lianti Jue" was given to him by Mo Ning'er. If we really want to talk about it, it is really the Mo family's skill.

But I have no connection with Mo's family, how to explain it?

as like as two peas, you can't say that you know the ancestor of Mo family.

Even if you say it, Monin won't believe it.

When ye Chen hesitated, Mo Ning went to Ye Chen's side, circled around, examined his mouth and said, "when I was in the land of blessing, I felt a familiar breath from you. I'm afraid it's" the determination of the body by nature. "

"Even if you are in the body of the" nature refined body decision ", feel more strong than my brother, who are you? Why didn't I see you in Linhai City? "

Mo Ning's voice is cold, but also five fingers pinch Jue, the hands of the golden light flashing, the ancient text is point in Ye Chen's chest.

"I don't like to talk nonsense with others. If you want to survive, you can only tell me the truth. This golden seal is not ordinary, enough to make your body crack, unbearable pain! I will, please

Monin is particularly confident in the golden rune.

She was also interested in Ye Chen, but now it seems that ye Chen is full of doubts.

Even the whole Mo family.

Must investigate clearly!

Even if this person met her in the land of Fukuzawa, it might have been planned.

She's seen a lot of them.

In the name of meeting, to close to themselves, want to follow this line to climb Mo Jia.

The situ family, the Xiang family, the Xu family and so on are all like this, which is the reason why she has a strong attitude towards these people.

Now, if ye Chen is really like this, it will let her too disappointed.

Ye Chen looks at the golden Rune on his chest without any confusion.

He's in charge of the rune.

What does this little Rune mean.

"Get your hands off me. This rune is no threat to me."

Ye Chen's tone is indifferent, then, the right hand is buckled on the wrist of Mo Ning.

Close to the skin.

There was an exasperation on Monin's face: "let go!"

From childhood to adulthood, no one was qualified to touch her hands except some members of her family.

And this man is so blasphemous! There is no excuse for sin!

When she turns her wrist, the golden rune is patted toward Ye Chen's chest.

The golden rune is shining like a dagger. Once it is pierced, the consequences will be unimaginable!

Mo Ning does not want to kill Ye Chen, but the other party's action, let her not consider the opportunity!

Seeing that the rune was about to tear Ye Chen, ye Chen made a snap of his finger.

The rune disappears.

Mo Ning's jade hand is gently pressed on Ye Chen's chest.

Monin is confused.

My own runes Failed?

Who is ye Chenzhi!

She Mo's family has been invincible with Rune and body refining techniques. Although she is a hermit, she still has a lot of details.

It's impossible for ordinary people to control one of them.

But ye Chen in front of me is casually mastered two!

How can this calm down Monin.

"Miss Mo, it's not good to touch a man's chest like this."

Hearing Ye Chen's voice ringing in his ear, moning quickly took back his hand and stepped back a few steps to keep an absolutely safe distance with Ye Chen.

"Ye Chen, do you have the blood of Mo's family? I'm afraid the name Ye Chen is fake. "

Ye Chen shook his head, and did not intend to continue the nonsense, but seriously said: "can I trust you?"

Mo Ning a Zheng, hesitated for a few seconds, or heavily nodded: "at present, in addition to me, no one can be trusted."

"If I wanted to kill you, I wouldn't have saved you. You have a strange feeling. When you have an accident, there seems to be a voice in my heart that I must save you! "

Ye Chen Mou son tiny MI, also not nonsense, direct way: "I and you mo family some origin, in other words, I know your Mo family's ancestor."

The reason why Ye Chen said it was because Mo Ning'er of the samsara cemetery actually opened his mouth.

Only said a few words - the tomb owner can rest assured that this daughter will not harm you!

Mo Ning hears Ye Chen's words, the expression some is not right: "you this kind of lie, treat me as a three-year-old girl?"

She is only in her twenties. How can she know her ancestor of Mo family!

Ye Chen doesn't look like an old monster who has lived for thousands of years!

There is a way to explain the golden leaves of Buddha!

Ten Thousand Buddhas Vajra fist!

The light of Buddha diffused, and the power of destroying the withered and decaying drove the whole table to pieces.

The virtual shadow fist of Ten Thousand Buddhas has penetrated the whole teahouse on the spot. When the walls collapsed, cracks appeared on the ground, and the smoke and dust rolled in all directions.

At the moment, Moning's expression seemed to be frozen.

Of course, she knows this ten thousand Buddha Vajra fist!

Only father and brother control the whole family!

As for other Mo family members, they can't learn, including her!

After all, this is Zhiyang skill!

Now, she found a third person!

Except Mo's!

The most important thing is that Ye Chen's ten thousand Buddha Vajra fist is even purer than his father and brother's!

At present, the only explanation is that the skill of this person really comes from his ancestors!

But why did the ancestors give a person a different surname?

"Why do you come to Haicheng? Did my ancestors send you here? My ancestors are still alive? "

Monin asked three questions in a row.

Ye Chen did not say Mo Ning'er's whereabouts, but said: "I can't tell you the specific things, but it does have something to do with your ancestors of Mo family. I need your help."

Mo Ning thought for a moment, or chose to believe Ye Chen for the time being. He said, "if you don't violate the interests of my Mo family, I will consider helping you."

Language down, but did not expect Ye Chen language startled humanity: "I want to see Han Yun of the Han family! Must see you

It's about the hundred great powers. There is still one and a half years to go before the blood spirit clan's agreement!

Anyway, he wants to meet this man!

Mo Ning heart set off a storm, if ye Chen put forward other requirements, she may really meet Ye Chen.

But it's about the Han family, even about the extremely mysterious existence of the Han family!

She's not qualified to help even if she wants to.

"Ye Chen, I can't help you with this matter. Of course, the Han family has a good relationship with the Mo family, but it's useless to have a good relationship with Han Yun! What's more, Han Yun has been out of the world for many years. I advise you to die. "

Ye Chen Mou son a congealed, natural impossibility give up at this point, again way: "I just need you mo family to take me to Han family, the rest of the matter, I will see to do!"

Mo Ning's beautiful eyes stare at Ye Chen, she can feel Ye Chen's determination.

Of course, she did not know ye Chen's purpose, but Han Yun was really related to an ancestor.

Chapter 926

But the ancestor left Kunlun Xu, went to that place, and never came back.

I don't know life and death.

This ancestor's whereabouts, Mo family has not given up.

At least until you see the skeleton, you still believe that the other person is still alive.

No, the ancestor in Ye Chen's mouth is this one.

She couldn't believe it, but she had to doubt it.

After hesitating for a long time, Mo Ning made up his mind and said: "if you want to contact with the Han family, it's not completely impossible. You must go to Mo's home with me first. If my father and brother don't agree, then you can completely stop thinking about it."

"Good." Ye Chen is a little excited, at least prove there is hope.

Mo ningxiu opened the door of the teahouse and said, "first of all, my brother and father are not easy to deal with. I can only be an introducer. If you fail, you may even be in danger of life."

"Well, that's it. If you still insist on it, come with me."

Monin twists his perfect figure and goes out into a carriage.

Ye Chen also followed up, but before stepping on the carriage, he was stopped by the middle-aged man: "bold, this is Miss's carriage, what are you going to do?"

Before ye Chen opened his mouth, a cold voice sounded behind the curtain of the carriage: "Laotian, let him get on the bus, and his companion, also arrange a ride to go to Mo's house."

Miss Tian's whole body is protected by his housekeeper.

He knows better than anyone, miss!

This carriage, no opposite sex can step on!

But why is miss today so abnormal!

First, he was desperate to save Ye Chen, and now he let Ye Chen step on the carriage. Is it true that as others said, Miss took a fancy to this guy?

But this boy is so powerful, what qualification does he have to attach to Mo's high branch!

Although the heart is not happy, he still obediently let Ye Chen get on the car.

At the same time, he arranged a mount for ye Lingtian, and they walked side by side.

Ye Lingtian took a look at Laotian and said, "I said that your young lady is interested in the temple master, but I don't believe it. The temple master has the title of Goddess harvester in China. It's normal that your young lady is also occupied."

"What's more, Ji Siqing, you should know. I heard that Ji Siqing was also interested in the temple master. The news is not a secret. You can find out by asking."

"Forget it, you don't understand the emotional things."

Laotian heard ye Lingtian's words so light that he almost vomited out a mouthful of old blood.

China is a humble place. In the era of Kunlun void, there is no aura and there is no way to practice!

How can a mole ant from such a place match the lady?

The key facts are developing in this direction!

.....

After the carriage and the crowd left, the two figures came out from the side of the teahouse.

It was Xiang Yingjie and situ Feng who were injured.

They clenched their fists and watched Ye Chen step on the carriage, burning with anger in their hearts.

Since Mo Ning issued the order of pursuing and killing, why protect Ye Chen!

This is embarrassing for both of them!

Seeing the anger in Xiang Yingjie's heart, situ Feng's cold voice rang out: "Xiang Yingjie, I think you and I should stand on the United Front now. What happened today is that ye Chen. If ye Chen climbs up to the Mo family, we want to kill again in the future, which is impossible!"

Situ Feng's eyes are full of killing intention.

Xiang Yingjie glanced at situ Feng and said in a cold voice: "with Ye Chen's physical strength, it is possible to win the favor of the Mo family. But since he has touched the interests of Xiang Yingjie, I must let him die! The Mo family can't stop it

Situ Feng was stunned and looked at Xiang Yingjie in surprise: "what do you mean..."

The bones of Xiang Yingjie's whole body crackled and crackled, which even formed a virtual shadow of a lion on his head!

"It's easy to kill a man in Linhai City. My punishment Bureau has trained some death attendants, which should be used."

"Also, some women really think that they are born into a famous family, so they have no fear. I should let her understand that the rule of Kunlun is not power, but the law of the jungle!"

"Situfeng, how about enjoying the high-ranking Miss Mo's family in Linhai City? She should still be a child. If she struggles under us, she must be very excited... "

Situfeng was completely stunned when he heard the ferocious words.

This Yingjie is crazy!

You're going to shoot at Monin!

If it fails, it means that Xiang Yingjie will bear the anger of the whole Mo family!

He was just about to refuse, and a cold voice fell in his ear:

"now that you know my plan, you have only two choices: to die or to participate in it. If I remember correctly, you should have several top virtual kings in situ's family, and those with strong Daoyuan environment can use them."Situ Feng was cold all over. He hesitated for a few seconds. He knew that once he refused, he would become Xiang Yingjie's soul.

He has no choice!

If it is successful, he can even put the goddess under his body. It's a bit exciting to think about it.

The excitement dazzled his head, and his fist and Xiang Yingjie's fist collided together: "OK, I'll do a big damn job today! I've long tolerated that moning for a long time. I can't get her heart. Can't I get her people? Ha ha ha

Laughter resounded and reverberated.

It seems that the two images have never disappeared completely.

.....

In the carriage, ye Chen closed his eyes.

Finally have time to come to the samsara cemetery.

The first time he found Mo Ning'er in red.

Mo Ning'er is absorbing the energy in the samsara cemetery, and her original feeling of weakness has improved a lot.

Then, ye Chen took a look at the seven night tombstone of blood, trying to arouse, a sense of resistance hit.

Obviously, even if he is the owner of the tomb, the more he goes to the back, the more uncontrollable these powers are.

Whether or not to come out depends on the meaning of the other party.

Suddenly, Mo Ning'er's eyes opened, stood up and looked at Ye Chen: "Tomb master, who is not willing to come out?"

Ye Chen nodded and then said, "that guy doesn't matter. I'm very curious. What's the relationship between moning outside and you? Why do you look so alike? And when you left, I'm afraid you didn't have children."

Mo Ning'er's pretty face was slightly red: "the tomb owner is fond of talking and laughing. When I left Kunlun Xu, and even now I am a virgin, how can I have children?"

"How can you explain that, Miss Mo Ning, outside?"

Mo Ning Er Mou son tiny MI, light way: "can the tomb owner know that the mind is separated?"

Hearing this sentence, ye Chen's heart seems to stop beating. Is this Mo Ning a part of Mo Ning'er?

Chapter 927

When the strength reaches a certain level, it can indeed leave a body in the world, which is no different from normal people, but can share memory and strength!

But this is only those top-level talents can do it. Even emperor Zunjing is not qualified. It must have higher strength!

Mo Ning'er is very strong. There is no doubt about it, but if you say that she can condense her body and kill him, you don't believe it.

Mo Ning'er is aware of Ye Chen's doubts and smiles: "tomb owner, Ning'er really does not have the ability to be separated. If Mo Ning is my sub body, I should know the owner of the tomb. If you can see the whole reincarnation cemetery, only a few people can have this strength!"

"As for namonin, it's just a drop of blood essence that I left behind. It's just a part of Mo's family's cultivation with the anti heaven technique."

"I know about the Mo family. The Mo family has always wanted to know the things behind the blood spirit clan, and even more want to know my whereabouts. The cultivation of moning is the key, because the whole world, across the field of space and time, only the body can communicate with the noumenon."

"This is an opportunity, but unfortunately, the Mo family is still wrong. Moning has my shape and meaning, but there is no God, only half of the body."

Hearing such remarks, Ye Chen's heart is completely shocked.

Can separate body also be synthesized by technique?

What's more, is this Monin human?

Mo Ning'er understood Ye Chen's inner curiosity and explained: "tomb owner, the Mo family's skill comes from the ancient times. It's a kind of art against the heaven, and it costs a lot. I'm afraid that the Mo family spent at least one hundred spirit fu masters for this separation."

"As for this moning, she is no different from a normal girl. She was pregnant in October, but the Mo family had already intervened."

Ye Chen suddenly, just when he was ready to ask something more, Mo Ning'er's eyes became extremely serious. She looked at a direction and said in a cold voice, "tomb owner, it seems that some people don't want you to go to Mo's house."

Ye Chen understands Mo Ning'er's meaning and returns to reality, but finds that the carriage has stopped.

Monin was extremely cold.

She looked at Ye Chen, who opened her eyes, and said, "Ye Chen, stay in the car. Remember, don't get off the bus. If you get off the bus, you will die!"

With that, Monin lifted the curtain and walked out.

At the moment, outside the carriage, dozens of people surrounded.

The cold and cold breath penetrated the whole scene.

These dozens of people are all wearing strange masks, extremely ferocious.

All the accomplishments surging in the body are above the realm of virtual king!

Even a few people are the source of Tao!

However, there are only two sources of Tao here!

Laotian and an old folding fan in white.

The sword in ye Lingtian's hand has been drawn out. He controls the mount and is close to the carriage where the master is sitting. Once someone hands on the master, he stops the other party at the cost of his life!

Laotian's cold eyes were staring at those masked strong men who were blocking the way. He angrily exclaimed, "bold, do you know who we are! If you don't get out of the way, you'll die! "

The head of a man wearing a mask, sneered: "is not the Mo family, really when the root onion?"? It's you that we've stopped! "

Lao Tian's face changed dramatically. It was obvious that the group of people in front of him had already made plans.

This place is out of the canyon, some distance from Mojia and Linhai City Center.

Sparsely populated, it's definitely the best chance to do it.

He looked at the young lady behind him and said in a low voice: "Miss, in case of conflict later, I will open a way for you. Please leave immediately! This place is about 20 kilometers away from the Mo family. You can only get a chance if you call the Mo family for support! "

However, Mo Ning shook his head: "Laotian, I can't leave. I'm afraid these people are aiming at me. Although I don't know the identity of each other, one thing can be sure that these people are outlaws!"

Language down, moning's hands appeared a soft sword.

The spirit sword rippled with aura and pointed at the group of uninvited guests: "I want to see who is so bold, even Mo's family dares to touch it!"

"The Mo family all listen to the order, and fight a way together!"

The cold voice falls, Mo Ning'er is the first to rush out.

Although she didn't step into the realm of Tao source, she was just the peak of Xuwang realm.

However, with the help of some of the Mo family's techniques, we can fight against the strong Daoyuan environment.

The wind howling, covering the world, dust rolling all over the sky, doomed today is a troubled autumn.

Moning was surrounded by a golden light, and the sword was like a snake, which was patted on the body of one of the masked men.

A strong man in the virtual Kingdom exploded on the spot.

In silence.

The crowd then responded: "do it, except for Monin, kill all of them!"

Words fall, a giant tree, even someone fell down, that is a broad sword.

When moning saw the sword, he immediately reflected who was behind the mask! Punishment Bureau, Xiang Yingjie!

The sword is like a lion falling from the sky.

Mo Ning's face suddenly changed, although she had stopped Xiang Yingjie's best punch.

But all this is based on Xiang Yingjie's focus on Ye Chen. Now, Xiang Yingjie's breath seems to have undergone some transformation!

It's definitely not what she's doing now.

Think of here, Mo Ning no longer hesitates, finger pinches Jue, force out a drop of blood essence!

Blood essence smashed on the body of the sword, a flash of light, the sword in her hand actually broke free of her arm and flew out.

A substantial light, like a meteor, cuts through the sky.

"Boom!"

Under a burst of startling noise, moning's sword was directly cut off and split into two.

At the same time, the mad lion seemed to open its mouth and devour it towards Monin.

"Not good!"

She retreated in a hurry.

"Miss, I'll help you!"

Laotian splits two strong virtual kings with one sword. He holds the epee and pierces the shadow of the mad lion!

The empty shadow was lax in an instant, but a strong Daoyuan environment fell with a sword, and a sword mark appeared behind Laotian.

Fly out on the spot, blood spit out!

"Laotian!"

Moning was so angry in her heart that she glanced around and found that only a few of her people could fight.

The rest of them have been killed!

If she goes on like this, she will fall into the hands of these people.

She no longer hesitated, quickly pinched a few resolutions, wrist a turn, a white light shuttle out.

Like a fiery Phoenix, towards those who are in danger of Mo Jiaqiang!

The sea of fire is spreading, and the Phoenix is singing for nine days.

Several masked men were engulfed in flames.

Just then, a broad sword came! Carrying the surging weather waves, the fierce impact on moning's body!

Moning stepped back a few steps, the blood was surging, she just wanted to start, but found that there was a cold sword on her neck.

She spread her spiritual sense, but she found that the man behind her was situ Feng!

Chapter 928

Her face suddenly cold, angry voice way: "situfeng, do you know the cost of doing so! If my brother and father knew about it, you situ family would disappear in this world immediately

There was a trace of cowardice in situ Feng's eyes, but when he thought of it, he had to send it. He straightened up his chest and sneered: "moning, you are just a stinky watch. Do you really think everyone is around you? If there is no mo family, you are nothing! "

"You might as well look around."

Mo Ning Mou son swept around, Mo family's person is annihilated!

Laotian and another strong man of Mo family's outer world has almost no fighting ability.

The whole body is covered with blood and scarred.

They have achieved the ultimate goal, and also killed several strong Daoyuan environment!

Now, there are only a few people on the side of situ Feng and Xiang Yingjie who are capable of fighting!

But these people are doomed to win!

Damn it!

Mo Ning wiped the blood stains from the corners of his mouth and said, "Situ Feng, Xiang Yingjie, what do you want! I don't know what to do

The fault is that she is firmly in Linhai City, and no one dares to move her!

But now it seems that she is too naive!

In this moment, Sima Feng Ning's heart is full of enjoyment.

Now, the woman's life is in his hands!

It's a great feeling!

"Monin, what do you want? Hey, to tell you the truth, I have coveted Miss Mo's body for many years! "

"Beast!"

Monin wanted to do it, but he felt the cold touch.

She has to live.

Only live, can be entitled to revenge!

But today, if her body is defiled by these animals, what meaning does she have to live in the world!

"Monin, take off your clothes. I'm talking about everything."

Situfeng quite greedy smile, his breath is short, the tongue licks the mouth.

Xiang Yingjie, on one side, remembered something and walked towards the carriage.

CHEN Ye didn't see it.

If not, ye Chen should be in it.

Today's affairs are very important. No one can survive.

Even this group of bodyguards has to be cleaned up.

However, Mo Ning would rather die than give in, and said to situ Feng, "even if I die, I won't make you such an animal! You're a beast, you're going to get back! "

As the words fell, Monin suddenly felt something more in the air around him.

Suddenly, her face changed and she held her breath, but it was too late.

Her cultivation gradually disappeared, even her body began to soften.

Situ Feng laughed.

"Monin, don't you feel like you can't use your true Qi? It's a bad feeling

"I don't want to outdo a woman who threatens my life."

With that, situ Feng put down his sword and rubbed his hands.

Mo Ning bit red lips, forced operation of true Qi, but the corners of the mouth spilled blood.

It's hard!

Looking at this disgusting man in front of her, she is going crazy!

Is fate playing tricks on people like this!

Seeing situ Feng's hands getting closer and closer!

All of a sudden, a breath of shock! A burst of air.

The sound of breaking the sky flashed away, situ Feng suddenly stopped, he was staring at a direction.

He could feel himself locked in.

He finally saw what it was. It was a long gun.

Surrounded by black air, the spear is extremely cold, as if from hell.

He knew very well that if he was stabbed by this spear, he would die!

"Get out of here

With a roar, he offered a jade pendant directly!

Blood essence falls on the jade pendant!

The jade pendant suddenly magnified and blocked him in front of him.

Situ Feng breathed out a long breath. The jade pendant was a spiritual object given to him by his father.

Can block most of the danger.

There is a strong body protecting array inside.

General force can't shake!

"Click!"

But the jade pendant is broken!

Completely broken.

Situfeng's eyes were wide and unbelievable! He just wanted to say something, that long gun full of rolling black fog has appeared in front of him, with cold and cold light, penetrating the body!

There is a big hole in the chest, which is breathtaking.

Situfeng lowered his head and looked at everything. He wanted to say something, but he had no strength.

He fell back.

Then he fell heavily on the ground.

Turned into a cold corpse.

He never thought that he would die like this, and at the last moment of his death, he saw the curtain of the carriage lifted by a hand. A proud young man gazed at him.

This look, as if decided his life and death!

Ye Chen!

.....

Mo Ning is powerless to sit on the ground, the death of Situ Feng, she never thought.

She was a little overjoyed.

That spear has never been seen, but in the whole city of Linhai, there are few strong people who use it!  
Is it brother's?

Did brother feel that he had an accident and came to save her?

At this time, a figure fell beside her, hands around her, directly picked her up.

"It's not a worry."

The voice seemed to have a trace of boredom.

The sound

Monin looked up and finally saw who was holding her!

CHEN Ye is!

"Ye Chen, you..."

Words have not finished, ye Chen is to put Mo Ning on the carriage, lean on the side of the carriage.

"Forget it. Leave the rest to me."

Ye Chen turns around and shoots at Xiang Yingjie who is wearing a mask!

Mo Ning slightly open mouth, beautiful eyes are full of confusion.

Xiang Yingjie, and even the rest of the strong Xuwang state and Daoyuan state, none of them can be shaken by Ye Chen!

But the boy said to give it to him!

This is definitely the funniest joke of the year.

Xiang Yingjie, wearing a mask, naturally noticed Ye Chen. He glanced at Situ Feng's body and said to Ye Chen, "little beast, it seems that I really despise you, but you still have to die. You and I are all body refining, but the gap is like a natural moat! Just a mole ant is still trying to stop it! I don't know what to do

Ye Chen heard these words and shook his head: "noisy!"

"Besides, I don't like your mask!"

Language down, ye Chen five fingers a grip, that fly out of the nine you sky killer gun unexpectedly fly back.

Direct to Xiang Yingjie!

Rolling black fog, evil spirit into the sky, the whole world, seems to be controlled by Jiuyou sky killing gun!

Xiang Yingjie naturally felt the danger, the body side!

I thought I could avoid the nine you sky killing gun, but I didn't expect that the nine you sky killing gun still brushed along his cheek.

Is to fly to Ye Chen's hand.

Then, the mask of his face turned to pieces.

Chapter 929

Even the fragments of the mask rubbed his face and made several bloodstains.

This scene makes the whole world quiet.

What's more, it's amazing. Who could have thought that ye Chen has not started yet, but has broken the mask of such a powerful existence!

This is Xiang Yingjie!

There are more than 900 names in the sky list!

Even Monin covered his mouth subconsciously.

She stares at Ye Chen's back.

I thought I could see through this guy, but I didn't expect to see only the tip of the iceberg.

Xiang Yingjie reached out his hand and touched his bleeding face. He laughed darkly.

"Good! Good! Ye Chen, you have succeeded in infuriating me. "

"In this case, I'll let you feel what it is to refine body and coagulate sword!"

As soon as he grasped the broad sword, Xiang Yingjie stepped out step by step.

Every step is shaking the earth.

A wild lion directly rushed out of Xiang Yingjie's body, and gradually turned into substance.

The roaring lion, the mountain forest concussion!

It's like a volcanic eruption.

All of a sudden, Xiang Yingjie stepped out with a simple broad sword!

Tear the world apart!

Ye Chen did not have any hands, touched the nine you kill the sky gun, way: "are you sure to break open that sword?"

Jiuyou sky killing gun slightly twisted, seems to be nodding.

"Good!"

Ye Chen Mou son a congealing, the whole body momentum suddenly erupts, the state is climbing to the extreme!

And then one shot!

One shot and one sword suddenly collided together.

The power of destroying the withered and the decadent rippling!

Zhou Wei's air wave is even more explosive!

At the foot of Ye Chen and Xiang Yingjie, the land is even more fragmented.

The furious air wave made the living people retreat several steps directly.

But there was no result!

Xiang Yingjie has a trace of solemnity in his eyes. He can feel the terrible power.

Not from ye Chen, but from that spear!

There is such a weapon in the world!

Suddenly, what does Xiang Yingjie think of? Is this gun the one hidden by the Ye family leader in Linhai City?

If so, he must get it!

"Punk, hand over your spear. I can think about not killing you. Don't forget, there are still strong people in Xuwang realm and Daoyuan realm behind me. You are the only one. How many chances do you think you will win? "

Ye Chen Mou son is indifferent: "roll."

The broad sword in Xiang Yingjie's hand has always been extremely cherished!

It's broken!

Then, Jiuyou sky killer gun never stopped, with the meaning of divine thunder, directly shot through Xiang Yingjie's shoulder.

Xiang Yingjie's eyes were startled. His five fingers wanted to catch Jiuyou's Tianjing gun, but he just touched it, but he felt the burning sensation. He quickly let go.

If you don't let go, you will die!

His body was hard to shake back, not easy to stabilize, when he saw the wound on his shoulder, violent gas burst out.

"How dare you hurt me

His body, how many times did not bleed!

But I was wounded by that gun!

Ye Chen ignored, he looked at the Jiuyou sky killing gun in his hand, shocked to the extreme.

He knew the gun was powerful, but he didn't know how terrible it was!

It can not only destroy the spirit sword, but also break the physical body of the peak body exerciser in the super body period!

Put it in the whole Kunlun void. It's shocking!

On the level, far more than the Dragon asked sky sword!

In his eyes, he is full of fear of the gun.

Now, it is extremely difficult to kill Ye Chen.

His eyes looked at the several people behind him. The strong man in Daoyuan state was injured, and the virtual King state could not break out of real strength.

But if so many people unite, they will be able to win Ye Chen!

"Let's do it together, kill the boy, and I'll take the gun in his hand!"

"Yes

All of a sudden, all the people toward Ye Chen.

The light and shadow of the sword pierced the air, with a fierce spark, towards Ye Chen devour.

Ye Chen Mou son is cold, he dare not be careless.

The whole body was covered with thunder, and the sky was covered with clouds and thunder clouds.

Rolling thunder and lightning hit Ye Chen's nine you sky killing gun.

Seeing this scene, Xiang Yingjie found something.

This son not only controls the flame, but also the thunder and lightning! Is

He shakes his head. No way!

Sword light and sword shadow, instantly hit Ye Chen's body, ye Chen's long gun swings, directly tears the sword shadow!

At the same time, a gun points out, unexpectedly broke a strong man in the early stage of virtual King's realm on the spot!

Although strong, one person after all. Some sword meaning still falls, will ye Chen's leisure clothes on the spot tear!

There were even bloodstains.

Fortunately, the blood is not deep.

"Ye Chen, how do you feel?"

"I'll give you one last chance to give up resistance and hand over your weapons! Otherwise -- "

many people approach!

Only Ye Chen is struggling to support.

"Give it to your ancestors!"

Ye Chen a angry drink!

The fire in the center of eyebrow suddenly burst out!

The temperature rises, as if engulfed the surrounding, into a flame arena, package everyone!

Far from over!

"Blood dragon, come out!"

There was another roar, and the Dragon Song exploded. In the eyes of all, a blood dragon burst out of Ye Chen's body!

The blood dragon went straight to the sky and then dived down!

This scene is shocking everyone's sight!

Blood dragon, God thunder, fire!

These three have at the same time, only one person!

"Ye Chen, you are ye Shitian!" Xiang Yingjie exclaimed in surprise, and his voice could not hide his astonishment!

When ye Shitian appeared, even those who were strong in Daoyuan could not help taking a breath!

Because there are too many rumors about these three words!

But no one can believe that the illustrious and illustrious ye Shitian of Kunlun is right in front of them!

And at the moment Ye Chen has no desire to answer, he closed his eyes!

The breath is misty!

A gun skill came to mind!

Three unique guns!

Suddenly, ye Chen's eyes open, the air seems to tear!

His body moved, a step out, full of more than ten meters, Jiuyou sky killing gun in the hands like a snake dance!

It also draws an ancient rune.

"Today, I will let you feel the first shot of three unique guns in the sky!"

With a shout, the spear breaks the rune!

The light completely erupts, devours the heaven and earth, such as volcanic eruption!

As if the flame burning, full of the whole world!

Ye Chen's gun intention spread, the power of destroying the withered and decaying crazily spreads!

The meaning of the spear turned into countless cold lights!

The momentum of terror suddenly soared, God thunder, blood dragon, immortal fire, three forces wrapped in the meaning of countless cold light, shrouded in the crowd.

"How can it be? This power is impossible!"

Feel Ye Chen this moment burst out of momentum, people panic, after all, the feeling of crushing is too strong.

Don't talk about the virtual kingdom. Even now they can't break out!

The terror crisis contained in this gun made everyone on the scene seem to be wrapped in ice, such as falling into the ice cellar. It's too hard!

Xiang Yingjie showed a look of horror.

Is this the strength of this young man in his twenties? How can it be so powerful!!!

At this moment, he really felt the threat.

Chapter 930

"Ye Shitian?"

Mo Ning's beautiful eyes are full of wonder and doubt.

During this time, of course, she had heard the legend of Ye killing the sky.

The power of one person will destroy the family.

It can be said that it is the nightmare of countless clans and families in Kunlun.

The whole Kunlun Xu is looking for ye Shitian, but until now, everyone knows too little about ye Shitian!

It is not even clear about his cultivation and real strength.

Some people talk about the virtual King state, but others talk about the origin of Tao, even the emperor's respect.

It is said that there are people in that place who personally inform the world that ye Shitian is his disciple!

If you dare to do it, all living beings will be destroyed!

All along, she was too curious about ye Shitian.

Even father and brother mentioned it many times.

However, she may have never dreamed that the existence of Kunlun, which made him feel frightened, was even more than ten meters away from her.

She stares at Ye Chen's back. At this moment, she finds that she can't see through ye Shitian's cultivation.

"Ye Chen, ye Shitian, what kind of person are you?"

At the moment, for Xiang Yingjie and others, the sense of threat is growing.

In the eyes of the public, this blow almost exceeded the strength of everyone present!

And even those who were strong in the early days of Daoyuan.

People subconsciously want to leave, but Xiang Yingjie roared: "run what! Everyone forces out a drop of blood essence to block the gun intention with the power of blood essence! "

"Yes

People wake up, so Qi Qi forces out a drop of blood essence.

The meaning of essence and blood suddenly shot out, but also collided together.

Xiang Yingjie pinched his fingers and opened his five fingers. He immediately grasped the meaning of blood essence.

And then I slapped it on myself.

All of a sudden, a bloody armor appeared all over his body.

The clothes on the body burst, and the bloody lines were shocking.

He had no choice. If he did not kill Ye Chen, the consequences would be unimaginable.

"Die!"

Xiang Yingjie's neck was full of blue tendons, and there was a roar of astonishment. Then, a bloody sword appeared in his hand.

Then hold the big sword tightly and kill Ye Chen in the sky!

"I don't care whether you are ye Chen or ye Shitian. Today, I carry the power of essence and blood of many strong men. If I turn into a fierce ghost, I will kill you, a little beast!"

Ye Chen looks at the bloody sword breaking through the sky and smiles coldly.

The blood dragon circled his body, and the Dragon chanted the power of the world, which made him at least fearless.

Xiang Yingjie has blood colored armor, and ye Chen is covered with red God thunder. He is also armor. He is not afraid of everything!

Once again, he gathered the three unique guns of the heaven and stormed away.

"Boom!"

Even though the red light and the black fog are intertwined.

The fierce roar broke open like a mad lion and a blood dragon in the air!

The mad lion opened his mouth and wanted to bite the short blood dragon, but the whole body of the blood dragon had already wound it fiercely!

Of course, the lion is the king of beasts in the mountains!

But don't forget, the dragon is the king of nine days!

Who can fight!

"Break it for me!"

The corner of Ye Chen's mouth shows a sneer.

Although he was invincible in his realm, he held innumerable cards and was afraid.

Today, he killed this hero, set foot on the list of the sky, open the road against the sky!

The Jiuyou sky killing spear is full of dazzling and bright light. The light covers everything. In an instant, Xiang Yingjie's bloody sword is broken again!

At the same time, he broke the armor of Xiang Yingjie!

The true Qi of Ye Chen's elixir field is losing madly!

Exhausted!

At the moment, but his teeth are clenched!

Today is not Xiang Yingjie dead, or he died!

"No!"

Looking at the broken bloody sword, Xiang Yingjie spat out a mouthful of blood, which is even more unbelievable.

His pride, as if by Ye Chen a shot broken!

He is a king, should stand tall in the world, how can lose to a suckling boy?

Seeing that Jiuyou sky killing gun has cut through the air and touched his chest.

Xiang Yingjie's eyes are red, as if to burst!

Fierce evil Qi makes Xiang Yingjie feel the cold sense of death!

Xiang Yingjie no longer hesitated. With his right hand outstretched, a strong virtual King appeared in his hand.

Then fiercely toward the nine you kill the sky gun to smash!

"Boom

Under the terror of the strong man in the virtual Kingdom, it turned into a blood mist!

Reduced to death!

Afterwards, Xiang Yingjie said angrily to the rest of them: "regardless of everything, kill this little beast!  
Now, quick

People nodded, now ye Chen has no one to shake, if you don't move, it will die!Shadow array, a few virtual King state and even the source of Taoism are strong in Ye Chen's left and right.

The arms were buckled out one after another, and they even caught Ye Chen's hands and feet.

Ye Chen was immediately bound.

After that, Xiang Yingjie's eyes congealed, and his body burned up!

The power of body refining can also burn!

He has no choice! Must give ye Chen a fatal blow!

Right arm flame vertical and horizontal, looking at the bound Ye Chen, he snatched away!

The price is very high!

Seeing is about to smash on Ye Chen's body, let it frustrate the bones and raise ashes, but the latter is laughing.

Then, ye Chen's eyebrow heart unexpectedly appeared a black light.

Black light is like an eye.

Eyes from nine hell.

Open it up!

Xiang Yingjie was stunned: "this is..."

Before he reacts, ye Chen unexpectedly overflows the rolling evil spirit!

The momentum soared again, and for a while, the magic Qi formed and turned into substance.

The evil Qi is extremely cold, and it goes to many strong people who limit Ye Chen!

"Crash!"

All of a sudden, one arm exploded!

"How could that happen?"

The crowd was terrified, even more so!

No one can imagine that ye Shitian is still a demon!

Only the people of the demonic clan can kill people!

Under the rolling evil spirit, ye Chen's cold eyes shoot at Xiang Yingjie, and Jiuyou kills the sky gun, letting him into the devil.

What's more, his feeling of killing broke out completely!

When he stepped out, the devil's cloak danced, and Jiuyou's sky killing spear was pointed out. The rolling devil turned into a hundred Zhang long spear!

The breath of seeping people spreads all over the hall!

In this breath, Xiang Yingjie only felt that he was in the middle of hell and blood sea, and the devil was attacking. Thousands of beasts, like a torrent, swept over!

It's a sense of hell!

That expanding spear, incomparably dazzling, is the scythe of death!

And in front of him that is regarded as the mole ant youth, like the demon God born, momentum incomparable!

He subconsciously wanted to dodge!

But it's too late!

Jiuyou sky killing gun sweeps all directions.

Tearing the air through Xiang Yingjie's body!

"No!"

Xiang Yingjie's bully body was broken instantly!

Wherever you go, there is death but no life!

This moment is Xiang Yingjie's regret and fear package!

If you know that this person is ye Shitian, he should not have done it, let alone ambush again!

He lowered his head and released the violent intention of Jiuyou sky killing gun. He watched his body collapse!

Resist?

He is not qualified to resist.

His red eyes staring at Ye Chen, want to talk, but found it is futile!

Deep fry the flesh and blood!

Xiang Yingjie, die!

The name of the sky list, completely change owners!

Kill the sky for ye!
