Chapter 931

Xiang Yingjie's death made the whole world suddenly quiet.

The rest of the living strong men in masks have only fear in their hearts.

They stare at Ye Chen, who is surrounded by the rolling evil Qi.

In their eyes, ye Chen at the moment is the master of nine hell.

How did the Kunlun people appear again?

Isn't the demon clan long gone?

In particular, ye Chen in the hands of the nine you killing the sky gun, blue light flashing, and even around the formation of gusts of wind.

It's like a hell of killing.

All of a sudden, ye Chen raised his head and glanced at all the people with a cold voice: "kneel down!"

At the moment, ye Chen's eyes are red, just like a sign of enchantment.

Nine you kill the sky gun of course gave Ye Chen powerful power.

But at the same time, it has great side effects.

Magic will gradually devour people's mind and thinking.

Even people become violent and cruel.

I'm so annoyed to hear those words!

How could they kneel down to a mole ant.

But the cold eyes seemed to dominate their lives.

If you don't kneel, the consequences are extremely serious.

Although there are strong Daoyuan environment in the crowd, almost all of them are seriously injured, and the real strength they can play is the virtual King state.

These strength, how to counter the present Ye Chen!

"Not kneeling? Good. "

Ye Chen arm a shock, nine you kill the sky gun is to fly out.

As fast as thunder.

Then, a body is directly pierced by Jiuyou sky killing gun.

Also with the temperature of blood splashed on everyone's face.

"Plop!"

This kind of pressure in the heart was too hard for a man to bear on the spot and knelt down directly.

After that, the rest of them knelt down.

No one dares to keep standing.

This is a world where the strong are respected. Although Ye Chen's realm is no more than the holy King's realm, its strength is enough to shake all the people present!

Why don't they kneel down!

"Mr. Ye, we are just threatened by Xiang Yingjie. If we know that it is Mr. Ye, we dare not do anything. We would like to make a living for you."

Monin leaned against the carriage and looked at the scene, his mouth wide open.

But she knew that the group of people in front of her was so powerful that she had a certain identity in Linhai City.

But at the moment, he knelt down to Ye Chen and begged for mercy.

Enough to see how deep the shadow is in the hearts of all.

Or the three words Ye phage Tian represent too many meanings.

At the moment, ye Chen looked down at the group of people in front of him and said, "are you willing to be a cow and a horse for me?"

"Yes, yes, Mr. Ye, we will do whatever you want us to do. If our strength is restored, we can definitely help you a lot! Even build your own power

This group of people just want to survive, as for whether they really want to help Ye Chen, it is another matter.

After stabilizing Ye Chen, go straight to the adult of the punishment Bureau.

This guy killed both ye and Xiang Yingjie.

There is no doubt that you will die!

They don't even need to use the punishment Bureau, as long as the news is revealed, there will be countless people chasing ye Shitian!

"Do what I want you to do?" Ye chenrao has an interesting taste.

"Yes

All of a sudden, ye Chen stepped out, and the evil spirit rolled on his body, as if tearing the heaven and earth.

"Sorry, I want you to die!"

Inexhaustible evil Qi is entangled on the Jiuyou sky killing spear, and then the immortal fire is suddenly released.

The flames spread, like a giant beast devouring all people.

They struggle!

They're scared!

They want to break through the immortal fire, but they find that the rolling evil gas forms a black barrier around them!

You can't leave at all.

After a moment, the screams of pain faded away and the world returned to peace.

At the moment Ye Chen is an extreme, he is very clear that ye's secret of killing heaven will bring him a lot of trouble.

This group of people can not be as loyal to themselves as ye Lingtian, so they can only kill them.

After all this, he turned his head when the red and cold eyes fell on Monin.

Mo Ning seems to fall into the ice cave, even feel this man dare to kill himself!

Fortunately, the red eyes soon disappeared.

Return to normal.

Ye Chen exhaled a breath, and then went in a direction.

Ye Ning turned to the other party, but he didn't think of Ye Ling Chen's injury. "Ling Tian, how do you feel?"

Ye Chen takes out a pill and asks ye Lingtian to take it directly.

After a few seconds, Ye Ling relaxed for a few minutes.

Such a move, it is to let Mo Ning gas gnash teeth!

No matter how to say, she is also a beauty, but ye Chen cares about a man first?

As if, in Ye Chen's eyes, nothing counts.

Not even a man!

"Lord, I'm fine. Those people Those people... "

Ye Lingtian saw the broken arm and the blood and bones all over the ground, and her eyes were terrified.

Looking at the temple master again, there is only a guess in my heart.

Did the Lord of the temple take all these people down?

If so, it would be terrible.

He finally understood why the ancestors should at all costs, but also with a thousand years of life, to bind a man!

This man may be on the top of Kunlun!

Even Kunlun Xu, for this man, is too small.

"Don't use the elixir field again today. When you get to Mo's house, I'll give you a pair of medicine. Take it a few times, and you will be completely cured."

"Yes, Lord."

Then, and ye Chen is toward Mo Ning to walk, stretch out a hand, point in the chest of Mo Ning.

Mo Ning is extremely vigilant: "Ye Chen, what do you want to do?"

"Don't talk nonsense. I'm not interested in your figure. I'm a doctor."

After speaking, endless Qi rushed into moning's body.

Nine days xuanyang is the most Yang skill in the world, and the true Qi is also the existence of the highest Yang.

However, the gas inhaled by moning is most afraid of this kind of extremely Yang Qi.

The real gas rolled in, and moning felt something strange on his chest, and his face was flushed.

Her body became hot, and her clothes were wet.

It's even a little transparent.

She wanted to resist, but soon found that her soft hands and feet regained a trace of consciousness.

She believes Ye Chen completely, ye Chen is really helping her.

"Ye Chen, can I ask you one thing to help me save the rest of the Mo family. They also came to this end to protect me."

"If you save the Mo family, I will help you speak in front of your father and brother at all costs."

After a few minutes, ye Chen released his hand and went toward the remaining one.

Mo's side, there is a person who has some breath, that is Laotian.

As for the rest of the people, almost dead, even if ye Chen wants to save, there is no way.

Chapter 932

The silver needle flies into Laotian's body. With the silver needle as the array, Laotian's pale face is instantly ruddy.

Then ye Chen took out a herbal medicine and gave it directly.

When he saw Ye Chen, just about to sit up, ye Chen said faintly, "I advise you not to move about. The disorder in your body can kill people."

Finish saying, ye Chen is to go toward carriage, and to Mo Ning way: "my time is limited, hurry to set off."

Mo Ning nodded, but what should Laotian do?

It's impossible for her to help Lao Tian up.

At this time, ye Lingtian recovered a few, stretched out his hand and seized Laotian!

Laotian wants to resist, but he has no strength!

He's in pain!

"Don't struggle, old man. I'm not interested in men."

After that, he put Laotian on his mount, then turned his head to the temple master and said, "Lord, can you start?"

"Well."

Ye Chen light road behind the curtain.

Ye Lingtian took Laotian to the front.

At the moment, moning's face was hesitant.

The driver of the carriage has fallen.

Someone has to be the so-called groom outside.

She looked at the closed curtain, shook her head, sat quietly on the mount in front of her, and then patted it with a whip.

The carriage went to Mo's house in an instant.

She never thought that the princess of Mo's family, who was high above her, would be a groom for a man!

If said, it will certainly shock the whole coastal city.

But at the thought of not only sitting behind Ye Chen, but also the one who made Kunlun Xu feel frightened by Ye Shitian.

She was still relieved.

Not only relieved, she must guard this secret for ye Chen.

This matter can be big or small, if father and brother know, it will also be bad for ye Chen.

Her life is saved by Ye Chen, and she will not be an ungrateful villain.

.....

At the same time, in a palace.

Mo family.

Although the Mo family has been hidden from the world since ancient times, it has spent many years building a huge foundation, just like an emperor.

In the palace, an old man with great prestige is standing in front of a wall.

This old man is mo Weihai, the master of xumo family in Kunlun!

There are pieces of jade pendant hanging on the wall.

Some of them have been completely broken.

To powder.

Mo Weihai stared at the broken jade pendant on the wall, clenched his fist, and his breath broke out.

"It seems that something happened to Xiao Ning."

Behind Mo Weihai stands a full two meters man, the man is full of violent body refining breath.

It's a terrible idea.

This is mo Ning's brother, Mo Rufeng!

Mo family's real peerless genius, body training step into the vigorous period!

Young, it's 701 in the sky!

His body, general spirit sword can't break open!

Even according to legend, Mo Rufeng is facing ten strong virtual kings!

Without moving a hand, he directly resisted everything with his body. What's more, he shocked all the ten strong virtual kings!

It's horrible!

Mo Rufeng frowned tightly: "father, Xiaoning's jade pendant of life is not broken, but it is dim, which means that Xiaoning has nothing to do. I'll go to find Xiaoning now!"

Mo Weihai shook his head: "I'm afraid this is an organized action, of course you are very strong, but when you arrive, Xiaoning may have fallen into the clutches of evil."

"I've sent Mo Jiaqiang to find Xiaoning! No matter who dares to attack my mo family's idea, he will surely die! "

Mo Rufeng knew that his father would not let him leave, but his anger was even more burning: "father, please give me a chance, I enter the vigorous period, and I may be able to arrive faster than those people!"

Mo Weihai shook his head: "Rufeng, what you need to do now is to strengthen your strength. Those guys are coming again. It's only one and a half years away from the hundred year old. Well, I don't know if my family can survive this time. "

"Mo family ancestors have already put fate into it. I do not know whether they are alive or dead. Even if we have Xiao Ning, we can not detect anything. In the end, it will only be a bubble."

Mo Rufeng has some doubts.

He has heard too much about the four words of the Centennial covenant.

My father never said what the Centennial agreement meant.

My father just let him practice hard all the time!

Only some people can be strong!

But he didn't know what those people were.

Mo Rufeng just wanted to say something, a servant rushed in: "master, young master, something happened! Miss... "

Hear miss these two words, Mo Rufeng Mou son a congealing, step out, five fingers directly grasped that servant's neck!"Say, is something wrong! Who dares to move Xiaoning

The next man's face was white and pointed to his neck. It was the wind that released his hand.

"Young master, you misunderstood me. Miss, nothing happened Miss came back, just outside, just... "

Before I finished speaking, a strong wind surged!

Mo Rufeng has disappeared in the palace.

He was very fond of this sister since he was little. He didn't allow anything to happen to her!

Now, knowing his sister's whereabouts, he naturally wants to confirm it at the first time!

Outside the palace.

Mo Rufeng's body suddenly stops, when he sees the carriage coming slowly in the distance.

The stone in his heart fell completely.

No longer hesitating, step out, is to come to the carriage, the pressure is released, the spirit beast driving the car can not move instantly.

"Xiao Ning! You know what's going on? You almost scared me! Fortunately... "

All of a sudden, Mo Rufeng noticed something and fixed his eyes on the carriage.

There is still a man!

He can feel the man's breath is not good!

The key, sister is gold, how can you drive outside!

This position should belong to my sister!

The first time he thought that the people inside might have something to do with Monin!

No more hesitation, feet burst out, the strength of body refining is like a red light around the body!

"Boy! Get out of here

The sound of yelling is like thunder! With Mo Rufeng's anger!

It was too late for her brother to stop her!

Chapter 933

And behind the curtain is running, nine days xuanyang Jue Ye Chen felt the crisis, suddenly opened his eyes!

He found himself locked in!

This place is clearly the place of the Mo family. Why are there people moving him?

Is it Xiang Yingjie's man?

He no longer hesitated, facing the fierce fist, a blow out!

He didn't dare to be careless. The punch was almost full!

Even the divine thunder and the immortal fire are entangled in the whole fist!

However, of course, when the two fists touch, ye Chen is feeling the overwhelming power of fury.

His bones even clattered!

And the whole carriage was torn apart by this terrible wave!

In the sawdust all over the sky, ye Chen's body flies out!

Foot in the air a few steps, a flip, steady landing, the corner of the mouth is spit out a mouth of red blood.

Mo Rufeng has no intention of stopping!

Right foot such as bow, pull out directly, and then fiercely toward Ye Chen kicked out!

His feet were covered with a red light.

The light lifted the bricks off the ground!

The earth is a crack after another.

Even formed a curved moon like knife meaning!

This moment of hand, such as lightning, across the sky.

Once this blow falls, the strong under the source of Tao will be broken up!

"Brother, no!"

Monin finally regained his composure and even spoke.

It's too late!

My brother is so angry!

Key brother's foot, who can resist it!

Of course, ye Chen is very strong and has no qualification.

At the moment, ye Chen looks at that powerful foot like a long knife, and he knows it's useless to dodge.

Now he, want to rely on the physical body to block it is very difficult!

The only way to rely on is Jiuyou sky killing gun!

He just wanted to draw out his spear, but Mo Ning'er's voice rang out in his ear.

"Tomb owner, don't be afraid. I'll lend you my strength! Over the years, I have found that there is a loophole in the Mo family's body refining skill. Do as I say! "

"This vulnerability can only be used once!"

Ye Chen Mou son a congealing: "good!"

Suddenly, ye Chen chose to close his eyes.

There seems to be no fear.

Mo Rufeng naturally saw the scene in front of him and sneered in his heart!

The mole ants, who don't know how to live or die, finally give up the resistance!

Humble people, in vain attempt to attack the Mo family! You shouldn't live in this world.

"Master of the temple!"

Ye Lingtian's face changed greatly. He wanted to help, but he found the weak voice of Laotian who was injured nearby.

"It's useless. The young master's physical training power is almost superb. If he wants to kill people, ordinary people can't stop it."

"Ah, I should have warned Miss Ye Chen not to let Ye Chen alone. Now the consequence is that the young master is famous for his violent temper. Anyone he wants to kill will surely die!"

Laotian's tone is desolate.

Ye Chen helped their mo family, but in the end was killed by mistake.

It is no doubt the fault of the Mo family.

At the moment when Mo Rufeng's refining body is about to fall, ye Chen finally opens his eyes.

The corner of the mouth is an arc.

Then, the finger pinches the Jue, the Buddha light diffuses.

One blow!

Seeing this blow, Mo Rufeng has a cold smile on his mouth!

"It's just rubbish. I really think it can help me! In the whole coastal city, no one is qualified to block my attack

The cold sound fell down, and the body refining foot almost cracked the surrounding air.

And ye Chen is at this moment suddenly change fist to point out.

A purple light around the fingers, and then with the potential of thunder, hit Mo Rufeng's chest down on a acupoint.

Mo Rufeng frowns tightly and doesn't know what ye Chen wants to do.

Until, under that finger, unexpectedly came to the heart of the pain.

This is not the most important thing. The most important thing is that he found that his foot full of the power of physical training disappeared.

There was no one in the whole body.

"This How can it be! "

Don't set off all kinds of stormy waves in the heart of the wind!

This never happened!

Even let him at the moment a little embarrassed.

"Go back

All of a sudden, a roar of indignation came.

The strength in Ye Chen's body hit Mo Rufeng's body along his fingers.

Without warning, Mo Rufeng's body flew out on the spot!

Click! CLICK!

The sound of bone breaking came from his powerful body!He could hardly believe it!

His body of Huagang has been cracked. The key is a finger.

Of course, Mo's family has only fragments.

But it is powerful, Mo Jia has felt, Mo Rufeng is even more clear than anyone else.

This formula is extremely perfect!

But at the moment, the perfect creation and practice of body determination has been cracked!

Can not help him to react, his body in the people's horror, high fall!

"Touch!" The sound of the sound, but also severely hit on the ground.

The ground broke into a deep pit, and cracks began to spread, and the dust rolled, so that the wind covered a bit.

At this moment, the world is quiet.

It's too quiet.

Mo Ning, Lao Tian, ye Lingtian, and even the Mo family leader who just got out of the house also stopped and looked frightened, just like a ghost.

"This The wind failed! How can it be! "

Hiss

I don't know how long the silence lasted. Suddenly someone took a breath of air conditioner.

"No one can be defeated by other people."

"Mo Rufeng is the person in front of the sky list. Is that boy stronger?"

"The key is to defeat Mo Rufeng with one finger. If you say it, who will believe it?"

Just for a moment, the cry of surprise came and went.

Mo Ning's eyes are full of fear and fear!

She knew that ye Chen's origin was unusual, and her means were even more universal.

But it's too much of an exaggeration.

Even if he was ye Shitian, he couldn't shake his brother so much!

In the panic of the people, Mo Rufeng in the pit got up and his face was ferocious!

Blood around!

His feet were bent and a golden spear was offered.

What ye Chen did just now inspired his desire to fight!

He didn't enjoy this sense of failure for a long time, which seemed to make his blood boil!

"Good! Good! Come again

Mo Ning saw the elder brother's appearance, even the weapons were sacrificed, his face turned pale, and he came to Mo Rufeng's body in a hurry. He explained: "brother, you misunderstood Ye Chen. It was Ye Chen who saved me. Without Ye Chen, I might have died at the hands of Xiang Yingjie and situ Feng, even innocent!"

Mo Rufeng hears this sentence, gushing a trace of special murderous spirit on his body.

"Is it the hands of the situ family and the punishment bureau? It's not the boy? "

Mo Ning nodded, such as pounding garlic: "brother, I just came back to explain to you, you started to him, fortunately did not cause any disaster, otherwise my mo family will be ridiculed by countless people."

Chapter 934

"Brother, if you don't believe me, you can ask Laotian. He saved Laotian's life."

Mo Rufeng's eyes fell on Laotian. Seeing Laotian nodding at him, he suddenly took a look at Ye Chen in the distance and forced his anger to be suppressed. Then, he took back the spear!

"Since the Situ family and the Punishment Bureau dare to fight against you, I am asking them to ask for help now!"

"I want them to understand what kind of price it will be if they dare to touch the people of my family."

Mo Ning seized Mo Rufeng's strong arm and said, "brother, no, Xiang Yingjie and all the people are dead!"

What!

Mo Rufeng's shock breaks out completely in his heart. He stares at Ye Chen.

This time, an old man of Tao Yuanjing who was with him didn't come back.

Enough to show the seriousness of the situation.

Xiang Yingjie and Situfeng have sent many strong men.

But at the moment, all this seems to be solved by the aloof young man not far away?

What kind of strength does this need!

What's more, the other party has just cracked his nature refining body decision!

Yes, it's cracking.

He never understood where the weakness of the physical determination of nature was, but now he didn't expect to point it out directly!

Break his body! Dispel all the body refining!

Who is this young man who does not know his origin!

At this time, Mo Weihai came slowly. He patted Mo Rufeng on the shoulder and said, "Rufeng, you should thank this person. If you change to another person, you may kill you while breaking your flesh."

"After all these years, you have been so successful that today's setbacks must be borne."

Mo Rufeng looked at Mo Weihai and clenched his fists: "father, from now on, my defects in the physical exercise of nature will not be controlled by others, and they will not even have the chance to make a move!"

Mo Weihai nodded, then looked at Ye Chen with interesting eyes, and asked Mo Ning, "Xiao Ning, we haven't come to visit Mo's house for a long time."

Mo Ning suddenly came to Ye Chen's side and said: "father, brother, his name is Ye Chen. He is a disciple of the medical God sect. This time, thanks to Ye Chen, otherwise the consequences will be unimaginable!"

After that, he said to Ye Chen, "Ye Chen, those two are my father and brother respectively. There was some misunderstanding just now. Please don't take it to heart."

Ye Chen nods, for Mo family, he does not care at all.

The only care is Han Yun!

He must see Han Yun with the help of Mo family!

Mo Ning seems to feel the urgency of Ye Chen's intention, and said: "it's windy outside. Let's go in together. By the way, father, ye Chen's coming to Mo's house this time needs trouble. Let's go in and talk about it."

Mo Weihai deeply looked at Ye Chen, or nodded.

In the palace.

Brilliant.

Ye Chen can feel the details of the Mo family. The stones on the ground are all spirit stones.

It's worth a lot.

Anything on the wall is absolutely valuable in the auction!

In ancient times, the Mo family really deserves its reputation.

I don't know what the ancient Ye family was like?

Mo Weihai sat on the top of the golden chair in Kowloon. Although the momentum did not release, it made people feel a little cold.

"Ye Chen, for the sake of saving the little girl, tell me, what's the matter?"

"As long as it's not too much, I will promise you."

In Mo Weihai's opinion, ye Chen only wants chance, and may even want to climb the high branch of Mo family!

He can give it to Ye Chen!

But Mo Ning would never want it!

That's his limit.

Ye Chen did not talk nonsense, step out, extremely serious way: "I know the relationship between the Mo family and the Han family, today I come, not for the Mo family, but for the ancient Han family! I want to see Han Yun, the only one who survived the war in ancient times! "

This word a, Mo Weihai and Mo Rufeng one Zheng!

The body is more rigid!

They know ye Chen may make rude demands!

But I didn't know it was so rude!

Han Yun was closed and protected by the Han family. After all, it was about the things of that year. It was too serious!

I even heard that Han Yun has become a violent madman!

Kill all the people who mention ancient things or blood spirit clan!

No matter good or bad, there are even people from the Han family!

Han Yun has almost become a taboo that can not be touched by the Han family and even the whole Kunlun!

But this young man actually wants to see Han Chen as soon as he opens his mouth!

Die!

"No way!"

Mo Weihai yelled and the way, the pressure on the body is roaring toward Ye Chen!

Ye Chen raised his head, motionless as a mountain.

Mo Ning saw this, and quickly blocked Ye Chen's body, and said to Mo Wei: "father, you can see in my face, can you help Ye Chen? He has a special identity. This matter is very important to him. Besides, we are not going to the Han family these days. Just take ye Chen. After we get to the Han family, we don't have to worry about it." Mo Weihai saw that his daughter actually stood out to help Ye Chen speak, but he was not angry: "Xiaoning, some things you don't understand! The boy doesn't know his origin. He wants to see Han Yun. Maybe it will bring us the danger of killing the family of Mo! "

"I don't know what this boy's purpose is, but it's absolutely harmful to our Mo family, but it's not good for us!"

With that, his eyes were staring at Ye Chen and waving a big hand: "Ye Chen, you go, I will let the servants prepare some good pills and spirit stones for you! It should also be your love for saving Xiaoning! "

With the order of Mo Weihai, two old people came to Ye Chen's side in an instant.

Both of them are the source of Tao!

They looked at Ye Chen and said, "Mr. Ye, don't make it difficult for us to do it. Please."

Ye Chen did not move, but raised his head, staring at the man on the high platform!

"Mo Weihai, please make clear, this matter has nothing to do with me, I Ye Chen is saving your Mo family!"

As soon as this word comes out, those two Mo family old people's faces change greatly!

This boy is so rebellious that he dare to call the owner's name directly! What's more, it's just death!

Look at Mo Weihai again, as expected, his face turns blue! Even a trace of anger!

His authority can not be questioned by ordinary people!

Mo Weihai just wanted to talk, but Mo Ning was even busy: "father, ye Chen was not intentional, please don't forget to go in the heart!"

Mo Weihai snorted coldly and said to the two old men, "you don't need to give pills and spirit stones to this person. You can get rid of them directly!"

His patience has reached the limit!

If not for the daughter's face, ye Chen would have died!

The two old people just want to buckle Ye Chen's arm, but ye Chen steps out and breaks free of them. Then he stares at Mo Weihai with cold eyes!

"Mo Weihai, have you ever thought about the consequences if you can't get the emperor to respect the strong one after a year and a half!"

"Mo Rufeng's strength of body building can be taken away if you practice it again! Even your daughter may be taken away! "

"But you really have the heart to give your children and people to the animals!"

Chapter 935

"It's a pity that your obsession with Mo's family has failed since ancient times, even on Monday! Don't think I don't know your abacus

"I can tell you very accurately, this catastrophe, only I Ye Chen can help you!"

"If you don't believe me, I've never been to Mo's house!"

Ye Chen's voice resounds through the whole palace, showing the supremacy!

The momentum is too strong! So powerful that even the two strong people in the source of Tao lost their minds for a moment!

And Mo Ning and Mo Rufeng are dead staring at Ye Chen!

Although do not know what Ye Chen is saying, but they vaguely smell the wrong breath.

Send them off?

Why send them away?

Two people follow Ye Chen's eyes to see father Mo Weihai, but found that Mo Weihai's calm face is no longer.

But extremely ferocious and frightening.

They had never seen their father behave so badly!

Can Mo Weihai not lose his temper!

Only a few people know about the ancient things of Xueling clan!

Everyone is a man of great family and top clan who controls supreme power.

The whole Mo family, only he is qualified to control!

But now, the youth in front of me has said it completely!

It's not a joke!

He can feel the affirmation in Ye Chen's tone!

One man's power shakes the blood spirit clan?

He can't believe it, but he can't deny it!

Suppress the inner storm, Mo Weihai five fingers a grasp, open the door!

"Except ye Chen, everyone left the hall! Everyone

The servants were stunned and retreated.

They didn't understand what the owner was so eager for.

"Father, shall we go, too?" It's like the wind.

Mo Weihai nodded: "take Xiaoning out, no one can come in without my command! The violator, kill

Mo Rufeng wanted to say something, but saw Mo Weihai's extremely serious eyes, or with Mo Ning out.

In his heart, ye Chen must know something!

The so-called year and a half, he heard his father mention it many times, but did not know the real meaning behind it!

Anyway, he'll find out.

Soon, only Ye Chen and Mo Weihai were left in the palace.

Ye Chen found a place to sit down and poured a cup of tea.

Mo Weihai came down from above and came to Ye Chen in front of him in a cold voice: "what else do you know?"

Ye Chen didn't pay attention to it. After ten seconds, he replied: "moning is a sub body. Has it failed? Is it impossible to communicate with your ancestor of Mo family

Mo Weihai's face changed. He believed ye Chen's words and said excitedly, "who are you and why do you know so clearly about Mo's family?"

Ye Chen put down his tea cup and calmly said, "it doesn't matter who I am. As long as you take me to Han's house, I can help you solve some difficulties."

"What's more, there's nothing to hide from you. This visit to the Mo family is also entrusted by your ancestors. Otherwise, I won't know so many secrets, right?"

Mo Weihai's eyes are full of blood, his strength in the emperor's realm! But at the moment, facing Ye Chen, it is completely unable to grasp the direction, everything is controlled by this young man!

Did the ancestors of the Mo family really find Ye Chen?

But this son is not the holy King's realm. Even if he is still refining his body, he is not qualified to resist the blood spirit clan.

Seeing Mo Weihai's hesitation, ye Chen gave a cold smile and threw out a jade pendant.

The jade pendant is engraved with the word mo.

This is refined by Mo Ning'er of the samsara cemetery. Mo Ning'er tells Ye Chen that as long as you show this jade pendant to Mo Weihai, you can understand everything for convenience.

Sure enough! Mo Weihai sees the jade pendant that ye Chen throws, looks frightened and stares at Ye Chen!

After a few seconds, he directly arched his hand and said, "Mr. Ye, I was disrespectful just now. Please forgive me!"

This jade pendant is the jade of our ancestors!

Holding this jade is to see our ancestors!

How dare he neglect Ye Chen again!

"I don't want to talk nonsense with you, Han Yun. I must see you as soon as possible! Do you have a way?" Ye Chen Dao.

Mo Weihai hesitated for a few seconds and nodded: "Mr. Ye, it's not difficult to go to the Han family, but there is only one way to see Han Yun! The secret place of blood spirit

Ye Chen heard the following four words and her eyes shrank: "is this blood spirit secret state related to the blood spirit family? Not in Kunlun

Mo Weihai shook his head and explained: "Mr. Ye misunderstood that this secret place was formed by the joint efforts of hundreds of Kunlun's great powers thousands of years ago. In this millennium, almost all of Kunlun's great powers are preparing for the Centennial agreement, and in this secret place There is the strong one of the blood spirit clan

What!

Ye Chen stood up directly: "are you sure?"

Mo Weihai nodded: "the blood spirit clan is from a higher level of existence, and their strength is very strong. At the beginning, the elder of the blood spirit clan came to Kunlun empty. Although it made Kunlun empty a sea of blood, the top strong person of Kunlun Xu also secretly won six people." "These six people are locked up in the blood spirit secret places created by great power in Kunlun, but their accomplishments are suppressed, and their strength is not as strong as in ancient times."

"This secret place was originally intended to trap these people, but with the passage of time, somehow, it turned into a place of no chance!"

"It has excellent aura and fierce beasts, and the injuries of the six men are gradually recovering. Although they are suppressed by the array, they are also the overlord in the inner world. It is estimated that these two people have changed everything in the secret place!"

"Up to now, the secret place of blood spirit has long lost its original meaning and turned into a fierce place! It is extremely suitable for the experience of the strong. Some people even think that everything inside is similar to the place where the blood spirit clan is located! "

"Any practitioner who comes into the world, as long as he comes out alive, will get no chance, and may even see the six blood spirit people."

"Most importantly, this time, Han Yun may also want to enter. I don't know the specific reason. The day after tomorrow, the Han family will hold a meeting to select some gifted peerless talents. The minimum requirement is level 8 of virtual King realm! My mo family is also on the list of invitation, and I intend to let the wind enter it! "

"This is the only chance to see Han Yun. It's just that there is a big gap between Mr. Ye's realm and the Han family's requirement to enter the secret realm, so he may not be qualified..."

Ye Chen fell into meditation, soon, raised his head and said: "it's OK. You Mo's family will take me when it's time. I'll have a way if I can go in."

Mo Weihai heard this sentence, can only nod: "it can only be like this, but Mr. Ye can rest assured that this time, even if I fight for my old life, I will try to fight for a quota for you!"

.....

After chatting about everything, it was late, and Mo Weihai arranged for ye Chen to live in Mo's house.

Mo Ning has too many doubts in his heart and wants to ask Ye Chen, but ye Chen's door is closed.

I'm not going to meet people.

His father also ordered that no one should disturb Ye Chen's practice.

Chapter 936

In the tomb of samsara.

Ye Chen runs nine days, xuanyang Jue, the breath on his body is constantly breaking out, and has a faint sense of breakthrough.

This breakthrough means two levels, cultivation and body building!

But ye Chen is not in a hurry to break through. He opens his eyes and looks at the girl in red in front of him and says, "Mo Ning'er, why does the blood spirit clan take you away?"

Mo Ning'er shook her head: "tomb owner, there are some things that we can't speak. You can also see that elder Lin wanted to reveal something, but he was punished by the samsara cemetery. The existence of the samsara cemetery has limited the gods of us, and even more limited some things we know. "

"But the tomb owner can rest assured that if you enter the blood spirit secret state of Kunlun Xu, everything will come to light."

"What's more, since the reincarnation cemetery has chosen the tomb owner, he will not do anything to hurt you. He must have a reason!"

Ye Chen nodded, and then looked at the tombstone with blood for seven nights. The light in the tombstone flickered, and a virtual shadow seemed to be looming.

Ye Chen can feel that he has a pair of eyes staring at himself all the time.

I'm afraid it depends on whether you are qualified as the apprentice of blood seven nights.

At the same time, ye Chen feels the power of the magic bead in the eyebrow heart is getting stronger and stronger these days, and even has a tingling feeling.

It's like something bad is going to happen.

But I don't know when.

The head of Jiuyou sky killing gun, the light of blue is more and more shining, just like the purgatory in the deep sea

.....

Two days passed quickly.

Early in the morning, the door was knocked, and ye Chen opened his eyes from practice.

The door opens and it's Monin.

"Ye Chen, get ready, and you can go on your way. You haven't seen where your accomplishments have increased in the past few days."

It's better to have a good voice than a good airway.

Ye Chen doesn't pay attention to it and goes directly to the outside.

Not long, ye Chen is to see Mo Weihai, this time Mo family with about 20 strong.

Twenty strong men are all above the source of Tao.

At least it feels extremely dangerous.

"Mr. Ye, we are not the only family to go to the Han family this time. When we get there, we still hope to be restrained. Otherwise, it will be very troublesome."

Mo Weihai reminds way, although with Ye Chen not too much lift, but he also understood Ye Chen's character.

Completely fearless of everything, this character, the sky is the fate of trouble.

He didn't know if his warning was useful. Anyway, he put it here.

Ye Chen nodded: "that's natural. I'm naturally quiet and don't like to make trouble."

Ye Lingtian:

Laotian: "it's just

Monin:..... "

All of a sudden, what does Ye Chen think of? Since this blood spirit secret state is related to many forces, will Ji Siqing's clan also participate?

After all, Ji Siqing's talent should also be selected.

"Master Mo, will Tianlan Zong attend Ye Chen Dao.

Mo Weihai replied: "it's natural. Tianlanzong is one of the ten major schools in Kunlun. Although it has declined a lot in recent years, it has fallen behind, but the details can't be underestimated. Besides, there is a talented girl Ji Siqing in tianlanzong. If I'm not wrong, Ji Siqing should be one of the emperor's top talents trained by tianlanzong! It's a pity. But this time the disaster, Kunlun Xu will pity how many people, ah. "

Hearing this sentence, ye Chen Mou son suddenly suffused with cold light.

Ji Siqing should also be sent into the hands of the blood spirit clan?

In the end, Ji Siqing has become a prey given to others by tianlanzong?

If so, ye Chen will never allow it!

As if aware of Ye Chen's anger, Mo Weihai continued: "in fact, before that day, everyone is not sure what will happen in the end. Mr. ye should not think about it. Well, it's time to go. Linhai City is not far from the Han family. It's about a few hours' journey. Mr. Ye can take a rest in the car."

The team of dozens of people left for the south in an instant.

And at the same time.

Kunlun is a very southern place.

A huge stone tablet with a height of 100 meters!

The stone tablet is like a supreme building in China.

But it's airtight.

There are countless bronzing names on it!

The top is engraved with a few streamer flashing characters - the sky list!

Kunlun Xu to high, thousands of people are in its list!

This list is more accurate than any ranking of Kunlun Xu!

These 1000 people are enough to change the whole pattern of Kunlun void!

At this time, there are many people around the huge stone tablet, one by one paying attention to the changes above.

"It's been half a month, and the sky list hasn't changed. What the hell is this?"

"I'm also puzzled. It's said that tianqiongbang is set up by a person who has magical skills. He covers the whole Kunlun void with arrays and can survey everything. As for the ranking, it is extremely strange. Even if you defeat others, the ranking will not necessarily change. It seems that it is completely measured by real strength." "Forget it, it's nothing to see. The master urged me. Today is the meeting of the Han family. I'm on the sky list. I don't know if I'll have a chance to enter it."

"With your 980, do you want to join? If we really want to calculate the strength, Xiang Yingjie of the punishment bureau may still have some qualifications. After all, people practice physical fitness, and they have the same strength as the cultivation of physical strength, and they have many advantages in physical training. "

Several people were talking.

But in a Pavilion behind the stone tablet, there are two old people sitting there.

One man and one woman.

The two old people leaned on the rocking chair, and their eyes were also paying attention to the change of the sky list.

One of them is the old man in the land of happiness!

"Alas, the sky list has been occupied by those people all the time, and I don't know how many talented people have not appeared. Unfortunately, by the way, I heard that the best place in your land of happiness was chosen to leave a few days ago?" An old man said.

The old man nodded: "I have never met an interesting young man, but I always feel that this boy will meet me again."

The old man said with a white eye: "there are few interesting people you can say. I'd like to see you some other day."

The old man just wanted to say something, but the whole sky was shaking!

The onlookers exclaimed: "the sky billboard has changed! Look

Only a few names at the end of the sky list disappeared!

"Damn it, Xiang Yingjie has disappeared! Is there something wrong with Xiang Yingjie! How can it be! "

Another exclaimed.

At the same time, countless pairs of eyes have noticed a trace of strange!

Because, there are two names actually strange in the rise!

Faster and faster!

Ye Chen! Ye Shitian!

Soon Ye Chen's name is steadily falling in the sky list 912!

Replace Xiang Yingjie!

The coolness behind the crowd is obvious! Xiang Yingjie is dead. He died of this man named Ye Chen!

However, the crowd's attention to Ye Chen soon disappeared.

It's just staring at a rising name!

Ye Shitian!

This name is too dazzling!

In the blink of an eye, it has been from the last to the 900th!

Even on the rise!

Crazy!

Totally crazy!

Chapter 937

Ten seconds.

Ye Shitian's name has crossed to 800th!

Still not stop!

It's something that hasn't happened before.

Around those practitioners, one by one, the expression of horror to the extreme.

Everyone's eyes widened, just like sculpture!

"What the hell is this? Who is Ye Jingtian? Why so fierce

Said a young man in a robe and holding a folding fan. The folding fan in his hand fell to the ground because of his surprise.

"Did ye kill a strong man?"

"No, how do I feel that the name is familiar to me. It seems that I have heard it somewhere. Let me think about it..."

"It seems that I have seen it in Kunlun Xuzhong newspaper."

Someone took out a thick stack of newspapers on the spot and turned them over.

At this time, a young man with long hair came over, staring at ye Shitian's name, and said: "don't look. Ye Shitian is the mysterious strong man who has been widely circulated recently. His accomplishments and strength are unknown. The only thing he knows is that he controls the divine thunder, the Dragon and the powerful flame."

"Every time ye Shitian appeared, at least one clan was destroyed. It is said that the blood alliance and many forces died in this person's hands."

"What's more, a few days ago, you heard that a thousand mysterious girls came to Kunlun void and threatened daocong that no one was allowed to move ye to kill heaven, and even more, ye Shitian was taken as a disciple."

"The protection of qianjue Xuannu alone has made countless sects scared. You can't know which xushida gate is in Kunlun, but you must not know ye Shitian

The explanation of the young man with long hair awakened people's memory in an instant.

"The one who is sheltered by a thousand mysterious women, ye Shitian?"

"Didn't ye Shitian disappear, but appeared again? And this time it's directly aimed at the sky list? "

"The key is how can he span so many words at once? 750 already! what the fuck! What the hell is this

People's hearts were extremely frightened, and they were staring at the golden text.

Fortunately, the text gradually stayed down.

Finally, it was stabilized at 727.

This number doesn't look ordinary, but you should know that the sky list covers those ancient monsters!

There are few who can step into the top 800 in their twenties!

The key point is that no one has been able to jump to more than 700 in such a sudden!

It's like hell.

Under the stone tablets of the sky list, each expression is extremely frightening, looking up at the stone tablet, the eyes are full of fear.

And ye Chen's name into 912 is a bit gloomy.

If the people present know that ye Jingtian and ye Chen are the same person, I'm afraid their expressions will be more colorful.

Pavilion.

Two old men have stood up.

The brows were taut.

"What way did ye kill heaven and which sect did ye come from?" An old man said curiously.

However, the old man in the land of happiness shook his head: "I have heard of this leaf killing heaven several times. It is extremely mysterious. It is said that it comes from China. As for the specific matter, I don't know."

"Forget it, ye Shitian is against the weather, and it can't destroy the whole situation. It's still a year and a half away from the hundred year agreement. This time, I don't know who can carry the beam. I'd say that it's the latter. Those emperors in kunlunxu's high position or those in charge of the clan's helm have no blood in the past, only fear of the unknown. They will never forget how powerful Kunlun Xu's great powers were in ancient times... "

Another old man heard this, his eyes were full of loneliness. He held out his hand and patted the old man in the land of fuze and said, "forget it, there are some things we can't control. Isn't it the Han family's organization meeting today? I don't know which young talents enter the blood spirit secret area this time. The blood spirit secret area is stronger and stronger every year. Eighty people died last time. I'm afraid the number will be more than 100 this time. But if we don't have a strong power in it, the final result will still be the same The end. "

The two old men shook their heads and went back to the chair. They closed their eyes as if they didn't care about anything.

"When we're old, we won't get involved..."

.....

At the same time, Mo's team is half an hour away from the Han family.

The car was extremely quiet.

Ye Chen closed his eyes and kept running the nine day xuanyang formula. He found that this skill had a wonderful effect on body refining.

There is no connection between physical training and cultivation, but the nine heaven xuanyang Jue has a strong tolerance.

Just then the line stopped.

Ye Chen opened his eyes and looked at ye Lingtian outside and asked, "what happened?"

Ye Lingtian's expression is strange: "Hall Lord, nothing, just found a few bodies in front of me, nothing."

"Oh."

Ye Chen nodded and ignored. Maybe it was the master of Mo's family who cleared the body in the way, and the team moved on.

However, when the team passed by the bodies that had been removed, ye Chen felt something, and her eyes shot in a direction through the curtain!

In the line of sight, is a blood sparkling corpse.

In the pocket of the corpse, there was a plastic bag wrapped in it.

Just a corner.

There are beautiful cartoon patterns on it.

It even says China Tianhe high tech food processing factory!

It is not strange that Kunlun Xu appeared in China.

But it can only be a possibility!

Ji Lin!

Because these snacks are one of the ones he gave Ji Lin at the beginning!

No longer hesitating, ye Chen opened the curtain with one hand and turned into a shadow.

What did the Mojia team feel, it stopped.

Mo Weihai looked at Ye Chen's figure, a little curious, made a stop sign, and then rode to Ye Chen.

"Mr. Ye, what's the matter? Do you know the dead? "

"I think their injuries should be fatal with one sword. Although the means are not cruel, they are crushing."

Ye Chen did not speak and took out the bag of candy from one of the people's pockets.

Fingers pinch Jue, a red light around the palm, is gradually wrapped in the candy.

But ye Chen's eyes are intermittent appeared a few pictures.

Because his strength is limited, he can see some pictures belonging to Ji Lin, but he can't see the strong hands.

It should be that the strong ones far exceed his strength.

His eyes became very heavy.

From the picture, Ji Lin should have an accident. As for whether he is still alive, it is an unknown.

His technique is not even sure, what is the origin of the group of people who started it!

"Damn it!"

Ye Chen hits the ground with a fist, and a deep pit appears instantly.

Both Ji Lin and Ji Siqing are kind to him, so he can't be saved.

At the moment, there are some doubts in his mind.

Ji Lin should be with the people of tianlanzong. Why is there a single person in the picture.

Chapter 938

Even under special circumstances, Ji Siqing should follow suit.

Besides, since we pass here, we must go to the Han family.

So many strong people, why did Ji Lin feel hurt at the beginning.

Mo Weihai felt the anger in Ye Chen's heart and said curiously, "Mr. Ye, what happened? Maybe I can help you

Ye Chen looked at Mo Weihai and stood up: "if I didn't guess wrong, my friend may have been taken away. I want to determine her whereabouts. Do you have a way?"

Mo Weihai was stunned, but he shook his head hesitantly: "Mr. Ye, there are many ways to find people, but this place has been closed and restricted by the great power with some kind of force. It is very difficult for general skills to know what happens here."

"But since you haven't found your friend around, your friend must be in front of you. There is only one way to the Han family. It is very likely that the people who started the meeting were some of the forces and sects who participated in the meeting! "

Although Mo Weihai is curious about ye Chen's friend, if he can help, he will.

Unfortunately, this is not a coastal city, but the boundary of the Han family.

If he is really helpless, he can only lower his identity and go to the Han family for help.

Ye Chen stands up, eyes slightly squint, through the technique just now, he can vaguely feel some things that are covered.

It was a piece of black wood.

It should belong to those who took Ji Lin away.

As for why these people took Ji Lin, he did not know.

"Come on, go to Han's house."

The current search is obviously impractical. It is forbidden here, and general techniques can not trace Ji Lin. Only with the help of Mo's family can we find Ji Lin.

I just don't know if Ji Siqing knows about it.

Does this girl rest assured that her sister is alone?

The team moved forward again, this time, Ye Chen did not close his eyes to practice, but gazed at everything outside the window.

He found that there were not a few people who went to the Han family this time. On the way, he met at least thirty or forty waves of troops.

The lowest in the ranks is the virtual King realm, and there is no holy King realm.

Even in each team, there are several extremely terrible breaths, which must play an important role in Kunlun.

Half an hour later, they finally arrived at the place of Han family, Hancheng!

Covering an area of 1000 mu, it is extremely vast! The buildings are full of magnificence.

.....

At the same time, an inn in the land of the Han family.

In the suite.

Ji Siqing paced back and forth, her face full of melancholy, and in front of her was standing the elder Ke of tianlanzong.

"Elder Ke, you used the power of zongmen to look for Ji Lin last time. How can you not find Ji Lin yet?"

Ji Siqing still asked.

Her sister has been missing for a long time.

Do not know whereabouts, as if the world evaporated.

She knew her sister well and could not leave without saying goodbye, but she had not received any news since her practice in seclusion.

This time she came to the Han family's place, she didn't intend to come, but when elder Ke told the Han family that there were skills to search for people in the whole Kunlun, she broke through the barrier by force.

But along the way, her uneasiness grew stronger.

After all, they are sisters who can clearly feel the danger of each other.

Ji Siqing is talented and powerful, but in the face of everything in front of her, she is a little scared.

"Elder Ke, let's go to the Han family now. I must know the whereabouts of my sister!" Ji Siqing firmly said.

Ke elder Mou son shrinks, she naturally can't say the thing that Tian LAN Zong pursues Ji Lin.

Ji Lin heard what should not be heard. For the sake of interests, they naturally had to start with Ji Lin.

Unfortunately, even if they use the whole power of the clan to find, still no whereabouts.

In the view of the patriarch, Ji Lin's strength in Kunlun can only be regarded as good, but in the face of some powerful people, he obviously has no right to protect himself.

Elder Ke patted Ji Siqing on the back and comforted him: "Siqing, the Han family meeting has not started yet, and none of them will meet. As for Ji Lin, she is a very strange girl and will not have an accident. Now you'd better calm down and practice. This time, you have to pass through the secret place of blood spirit no matter what. This secret state has a high mortality rate, so you can't underestimate it. "

Ji Siqing now where there is mind training, the beautiful face is full of melancholy: "know, Ke elder, you go out."

Elder Ke nodded and left directly. He came to another room.

In the room, there are six tianlanzong's art disciples pinching the formula with their fingers and using some kind of technique!

Ke elder Mou son is cold, open a way: "this all how long, that little girl has not fallen?"

One of the disciples opened his eyes and said, "elder Ke, we feel that Ji Lin seems to be nearby, but that kind of perception is very weak. It must be that Ji Lin has some life and death disasters."

"What!"Elder Ke's face changed greatly!

She thought the girl was going to danxu tower to look for ye Chen, so she asked her disciples to wait there all the time. After waiting for many days, there was no sign of Ji Lin near danxu Tower!

I thought the trouble was relieved, but I didn't expect that the girl came to the land of the Han family!

Does this girl know that Ji Siqing has also come?

Elder Ke's face was a little ferocious, and continued to say: "check again, we must determine the whereabouts of the girl. No matter what, we can't let her see Siqing. This is the order of the Lord!"

"Yes

.....

Ye Chen and Mo family and others entered the land of the Han family.

Because of the relationship between the Mo family and the Han family, they don't have to stay in any hotel like others. The servants of the Han family directly arranged a courtyard for the Mo family to live in temporarily.

The quadrangle environment is quiet, and there is even a spiritual cultivation room.

Mo Weihai could feel Ye Chen's worried eyes and said, "Mr. Ye, well, I'll probably meet the owner of the Han family alone later. Do you have the name and portrait of the missing friend?"

Ye Chen nods and takes out a picture from the samsara cemetery.

The little girl in the picture is Ji Lin.

Ji Lin sits on the sofa, holding a pile of snacks, grinning.

The picture is fixed.

This was taken in Jiangnan Province in China, when Ji Lin came out to find him with a jade order.

Ji Lin is playing with Sun Yi's mobile phone. When he knows that there is a photo taking function, he asks Sun Yi to take a picture.

Sun Yi is also quite considerate. She has developed all the photos and asked Ye Chen to give them to Ji Lin.

After returning to Kunlun Xu, because there were too many things, ye Chen left the photo behind. Now it seems that this photo is still useful.

"Master Mo, the girl's name is Jilin. Thank you." Ye Chen thanks.

Mo Weihai took a look at the photo. When he found out that it was such a small girl, he sighed helplessly: "ah, so young Don't worry, Mr. Ye. I will do my best. "

With that, Mo Weihai left in a hurry.

Chapter 939

It's obviously about Ji Lin.

Ye Chen has not closed the door, but is pushed open.

Looking up, he found Mo's brother and sister.

"What are you doing?"

Ye Chen is curious.

Mo Rufeng just wanted to talk, but Mo Ning took a step forward and seriously said, "Ye Chen, I just want to know one thing. Why did my father expel me that day and chat with you alone? Do you know something we don't know? What will happen after a year and a half

Mo Rufeng also said: "Ye Chen, if you tell this matter, I promise that from now on, anyone who dares to move you will step on me! Is it related to things in ancient times? "

This is the biggest guess of Mo's brother and sister.

Ye Chen looked at the two men, but he didn't say it at the first time. Mo Weihai's concealment of nature has his truth. If some things are said in advance, they will inevitably cause unnecessary panic, and even have a great impact on the heart of Taoism. It is not a good thing for them.

So, ye Chen shakes his head to explain: "in fact, there was nothing that day, that is to close the door with your father and chat casually about a few things, you can do whatever you like."

"You Mo Rufeng was very angry in his heart, "our brothers and sisters come to ask you for your face. If you keep your mouth shut again, my father will not come for a while now. I promise you to kneel down and beg for mercy! This time, it's useless! "

Mo Rufeng has a strong self-confidence. His last finger let him find that the biggest problem is the cultivation of the body by nature. However, after a few days of change, the problem has been solved for a long time.

Now the first World War, ye Chen absolutely can not shake his strength!

Ye Chen did not pay attention to, just planned to close the door, but heard a lazy voice in his ear.

"I may be able to help you with the person you're looking for."

Ye Chen a Zheng, this familiar voice, it is Xiao Huang!

He glanced at the samsara cemetery and found that Xiao Huang had completely woken up.

I'm staring at a tombstone with interest.

"Ye Chen, are you..."

Mo Rufeng wanted to continue to threaten, but ye Chen completely ignored and rushed out directly.

It's a matter of life and death. Ji Lin may be nearby!

Anyway, he must find Ji Lin as quickly as possible!

Mo Rufeng frowned, but did not continue to chase out. Of course, he wanted to know the things behind him, but judging from the killing intention of Ye Chen's eyes just now, it was definitely something wrong.

Leaving the courtyard, there is Xiao Huang on the shoulder of Ye Chen.

Xiao Huang lies lazily on Ye Chen's shoulder, yawning.

"You know where Ji Lin is! Tell me Ye Chen's tone is a little urgent.

Xiao Huang jumps down from ye Chen's shoulder, and the red pupil rotates, becoming more and more charming and weird.

After a few seconds, the red pupil stops selecting, and the body directly rushes out in a direction!

"Come with me!"

.....

Ten minutes later, Xiao Huang stopped and stretched out on the ground, as if preparing to go on sleeping.

Ye Chen takes a glance at the building in front of him, which is similar to the quadrangle where the Mo family lives.

Around is a bamboo forest, lush.

"Is Ji Lin here?"

Ye Chen took a look at Xiaohuang and picked her up. Seeing that the other party didn't answer his own meaning, he could only shake his head and go towards the gate.

Outside the gate stood two young men in royal robes.

In the early stage of Xuwang state, one of them entered Xuwang realm for a short time.

For ye Chen, there is no threat.

The two men looked around, their eyes very serious.

The cold killing intention is to wrap the whole body, I'm afraid the hands are stained with the blood of many people.

Two people naturally noticed Ye Chen, a long spear in his hand, smashed hard on the ground, and the ground cracked.

Even more threatened: "ziweizong's land, no one is allowed to enter! Those who disobey will be killed

Ziweizong?

Ji Lin's eyes seem to frown inside, but he is not sure whether he is in the ear.

After all, after all, Xiao Huang stopped and didn't make a statement. In case she was just tired, she would be in trouble.

He quickly took out a photo and said to the two people, "ladies and gentlemen, have you ever seen this girl? He's my friend. "

The two people glanced at the photo, their eyes shrinking, as if full of surprise and surprise, but this feeling fleeting.

One of them said impatiently, "go away, boy! I don't want to say it again! Ziweizong these three words, you should know what meaning! If you don't go away, don't blame us for being rude! "

Ye Chen's whole person is gloomy down, Xiao Huang does not take wrong.

From the expression of these two people, we absolutely know Ji Lin's whereabouts. He no longer hesitated and stepped directly into it!

Those two people did not expect Ye Chen to dare to break through, and the spear in his hand was directly shot out, which severely hit Ye Chen's body.

Ye Chen doesn't mean to obstruct, let the spear touch!

"Ding!"

Strange things appeared, the spear stabbed into Ye Chen's back, as if blocked by a piece of steel!

Can't go deep into it!

Even clothes can't be torn!

"How could it be!"

When the two people are shocked, ye Chen suddenly appears in the hand of Jiuyou sky killing gun, and sweeps his right hand backward.

A powerful gunshot concussion, but also accompanied by the violent God thunder.

The two men did not fully respond, but felt a split in their bodies.

Blood is constantly exuding.

Their pupils are dilated. I can't believe that someone would dare to kill people here!

This is ziweizong!

Looking at the whole Kunlun Xu, though it is not one of the top ten sects! But in terms of strength, we can also enter the first 15 of Kunlun!

But this boy is like a madman!

"You may be innocent, but Jilin is more innocent."

Ye Chen's indifferent voice falls, regardless of the fallen body, directly toward the inside.

Many disciples of ziweizong practice in it. Although Ye Chen is strange, he doesn't say much.

After all, before the meeting of the Han family began, many families would walk around each other.

Chapter 940

Ye Chen sweeps around and doesn't see Ji Lin's figure. He frowns. He wants to spread his spirit to search the whole yard, but he finds it futile.

There are also strong prohibitions in this quadrangle. It is impossible to find people with spiritual knowledge.

Ye Chen stood in the middle of the courtyard, hearing all kinds of information.

Suddenly, vaguely, ye Chen heard the cry of the child.

It's the second room in the southeast!

Ye Chen no longer hesitated, as if the body into a strong wind, directly rushed in!

A disciple of ziweizong noticed Ye Chen and rushed up: "brother, who are you looking for? That place is our forbidden area of ziweizong..."

Words have not finished, ye Chen body of blood dragon meaning directly rushed out!

Those who want to stop Ye Chen's disciples all fly out!

"Get out of here

The sound of icy exclamations exploded!

Then ye Chen came to the closed gate, and Jiuyou sky killing gun appeared directly and shot out.

Damen's array was mercilessly smashed on the spot!

Sawdust flying!

Everything inside is clear.

When you see the picture inside, ye Chen's anger is completely ignited!

There are hundreds of cages inside!

The iron cage is not big, each has Rune suppression.

But inside the cage is curled up a small body!

It's all children!

A living child!

Grass!

Ye Chen has only heard that there will be these inhuman abduction and trafficking animals in China, but he did not expect that there will be such a existence in Kunlun Xu, the place where strong men stand for cultivation!

Some of these children are even skinny, only skin and bone!

Shocking!

Ye Chen doesn't know what the so-called ziweizong wants to do with these children!

He doesn't want to know! not care!

His eyes first look for Ji Lin's voice, and finally, in the deepest red cage, found Ji Lin!

At the moment, Ji Lin is still active in the past. His body is bent, his lips are dry, his eyes are deeply sunken, and he is haggard.

Perhaps because of the light, Ji Lin opened his weak eyes and looked at the source of the light.

The figure of a young man appeared like this.

When seeing this young man, the gaunt body of Ji Lin trembled, and he couldn't help the depression of these days. He cried out!

She has never cried for so many years!

But now I can't help it!

All the emotional catharsis broke out!

"Ye Chen!"

Hearing this cry, ye Chen suppresses his inner anger and rushes directly into it. Jiuyou sky killing gun directly breaks open the cage, and Ji Lin struggles to support himself and pounce on him!

"Ye Chen, why are you here now! I'm not dreaming

"It's all your fault. If I didn't come to you with kindness, it wouldn't be like this!"

"You You must supplement me a lot of snacks! Many, many! "

Ji Lin holds Ye Chen's neck in both hands and buries his chin on his shoulder. He doesn't let go at all. She seems to have gone through hell.

She never thought Ye Chen was so handsome!

Ye Chen patted Ji Lin's back, took out a pill from the samsara cemetery and handed it to Jilin: "take it, this pill is good for you."

Ji Lin nodded. When the pills were taken, Ji Lin suddenly noticed something and even said, "Ye Chen, be careful!"

A cold light broke through the sky. Ye Chen snorted coldly and stretched out his hand, holding a long sword in his five fingers.

"Click!" With a sound, the sword broke into pieces.

"Bold, this is the important place of ziweizong. No one is allowed to break in! Look for death

More than a dozen practicing disciples are approaching Ye Chen.

After all, this room is the secret of ziweizong!

A young man who didn't know the origin of the story was not known.

In this case, the young man can not stay!

The skill of ziweizong has always been special. It needs to be cultivated and accomplished. Or if you want to go further, you need pure Qi.

And this so-called pure gas, only on children!

"Ye Chen, these guys are hateful, but They are very good Are you alone? "

Ji Lin said nervously.

She is worried about ye Chen.

Ye Chen's strength level is certainly good, in Kunlun xuzongmen talent battle is also extremely amazing, but how to say, he is only one person!

Even Tian LAN Zong may not be able to eat the next Ziwei Zong!

Can think of Ye Chen now facing the forces how terrible.

Ye Chen glanced at the numerous disciples of Ziwei sect outside, almost all of them were in the realm of Xu Wang.

Even one is the source of Tao.As for other threats, there seems to be no such thing.

It must be ziweizong important figures or elders and Mo Weihai to see the people of the Han family.

But it's hard for him to take Ji Lin out with him.

All of a sudden, ye Chen thought of something and directly took out Xiao Huang from the reincarnation cemetery.

At the moment, Xiao Huang still seems to be asleep.

"I know you're pretending to sleep and take some road. What's your physical strength?"

Ye Chen Dao.

Xiao Huang opens his eyes and stretches. He just wants to say something, but Jilin is in front of him.

"Wow, what a lovely kitten, ye Chen, did you bring it from China? Or dress it up? "

Xiao Huang sees Ji Lin's hand stretched out, and quickly a spirit of excitement jumps down from ye Chen's body, overflowing with thunder and lightning.

Ye Chen outlined a smile at the corner of his mouth, and threw out several bottles of pills. He said to Ji Lin, "you can let the others out. As for these guys, just give us two."

"Two?" Ji Lin some doubts, she looked around, no one found ah.

At this time, Ji Lin thought of something, staring at the kitten on the ground, and the corners of his mouth twitched: "Ye Chen, you are not talking about this guy, this little thing, it is estimated that a sword can not bear..."

Before she finished her words, she found that Xiao Huang and ye Chen rushed out!

Ye Chen in the hands of the nine you killing the sky gun sends out the cold cold light!

In the face of these powerful people in the virtual King's realm, it is obvious that the sword can't be killed accurately. Only with the help of this long gun of evil spirit!

” Break the sky

With a roar, ye Chen's Jiuyou sky killing gun faces the sword meaning from ziweizong, and has no intention of retreating.

Black air swept over the sky, and even wrapped people in it!
