Chapter 991

"Before that, you have to meet someone."

"This man is the only one who survived in ancient times. He knows the blood spirit clan better than anyone else."

"For so many years, this man didn't know whether he was really crazy or pretended to be crazy. He was just trying to find out the existence of the secret of the strong man of the blood spirit clan. I think he should have gone, but I don't know whether he would like to see you or not."

Ye Chen's eyes twinkled like a cold star: "you should be talking about Han Yun. It is said that the ancestor of the Han family is also in this blood spirit secret place. Since you are familiar with the blood spirit secret place, I'm afraid you also know his whereabouts."

If the elder nodded: "that old guy and I have some intersection, but this person's temper is extremely strange. The first second may be calm, the second is crazy, and even may kill innocent people indiscriminately. I checked the situation there with my skills. Those Kunlun strong men who came in with you this time have found Han Yun at the first time."

"It's a pity that most of them died at the hands of Han Yun."

"Are you going to see him now?"

Ye Chen Mou son incomparably firm, he from enters the blood spirit secret realm, then has no choice.

As for the danger of Han Yun, he is not afraid.

He doesn't think he died early.

If the elder got the answer from ye Chen's eyes: "well, since you are the person who is determined by the stone tablet, Han Yun's level is naturally not able to run away. I bet you can walk out alive."

"But before you go to Han Yun, I want to send you some things. You come with me. These things belong to you."

"This is the only thing I can do for Kunlun. I am old and can only guard the holy Grass Valley. As for the existence of such extreme danger, I can't do it. We still need young people like you to fight down

If the elder's body is bent, walk toward a wall.

Soon, her steps stopped, slowly stretched out her hand, five fingers pressed on the wall of a pattern.

In an instant, the whole wall moved and moved to both sides.

A stone gate appeared directly in front of us.

Ye Chen even feels that there is an aura more terrible than the secret place of blood spirit in the stone gate.

"Follow me."

Inside, I found that there was a gate opened by the elder.

The central place is a huge square.

There are several five meters high stone pillars above the square. There are five things lying quietly on the stone pillars.

If the elder comes to the first stone pillar, five fingers open and slightly close, then a box above the first stone pillar is suspended in front of her body.

So repeated, the rest of the four stone pillars sealed things are firmly fell in front of Ye Chen.

Five simple boxes.

Although the emperor does not know what the guardian of the world is, it is not a strong one!

"I cracked some of the words on the stone tablet and learned something that should be useful to you."

With that, if the elder raised his arm, the first box would be opened directly.

Let Ye Chen's surprise is, inside is actually a glittering gold thread clothing.

The patterns and materials on the surface of the golden thread garment are against the sky to the extreme.

There are even many array marks on the surface.

These arrays are ancient ones!

"You put on this dress."

Ye Chen nods, takes over the golden thread clothes, directly sets on the body.

In an instant, clothes disappear.

But ye Chen can really feel the body covered with a layer of barrier.

This barrier is enough to resist the attack of the powerful emperor!

"Take it!"

If the master points out suddenly, the breath of emperor Zun realm is exposed, and the violent power takes the key of Ye Chen directly.

Ye Chen wants to hide from the root, because the distance between them is too close.

Key Ye Chen has determined that if the elder and he are not enemies, who would have thought that the other side would attack.

A finger of the emperor's respect for the realm falls on Ye Chen's chest, and is surrounded by blood.

Ye Chen thought that this blow was bound to die, but he didn't expect that if the elder's fingers touched him at the moment, the light of the golden thread clothes would flash, and the powerful pressure would disappear directly. Instead, he would be relieved.

That is to say, the golden thread clothes resisted the sudden attack of a powerful emperor.

That's terrible.

However, the golden thread clothes may be too strong to bear a blow, and gradually appear to take shape.

Only, the dazzling gold disappeared, extremely dim.

"If the elder, this golden silk dress is completely useless?"

Ye Chen has a wonderful way.

If it's disposable, it's too bad.

If the elder shook his head and explained, "don't worry, I found this treasure on a snowy mountain for thousands of years. It's extremely precious."

"It fills up naturally every 20 hours."

"After 20 hours, if you put it on again, you will be able to withstand at least one blow from the strong in the middle of emperor's reign." "Remember, it's a blow. It can save your life as much as possible!"

Ye CHENGONG: Thank you, master

If the elder looked at Ye Chen and said with a smile, "the change of your attitude has made me uncomfortable. You don't have to thank me. All along, I'm for myself, not for Kunlun Xu."

"It's a sign of fear that I'm here with my disciples."

"The most dangerous place is the safest place. Even if Kunlun is razed to the ground outside, I may still live well inside."

"I'm avoiding the problem."

Later, if the elder opened the second box.

When the second box moved away, ye Chen found a Dan Ding lying quietly inside.

"On the stone tablet, it is said that you are a doctor and a master of God.

Although I don't see anything now, I think the Dan Ding is of great value to you. "

"This tripod is called Shengcao Ding. It's a treasure of my clan. I'm not interested in refining pills. I'll give it to you. I hope you can be more powerful with this tripod."

Ye Chen looks at the holy grass tripod, shortness of breath.

He knows too much about the Dan Ding, and this is like the sage grass Ding of the predecessors, which is of high grade!

If you use this tripod to refine pills, the success rate will be increased by at least 20%!

Ye Chen even looked forward to the remaining three boxes.

If you don't open the box for a long time, you should not open it

Chapter 992

"When you are in some kind of desperate situation, or helpless, open it again. I can guarantee that it will at least keep you alive! "

If the master is to leave Ye Chen three retreat.

She understands the importance of Ye Chen.

Never die young!

Although she has not yet seen the possibility that ye Chen can shake the blood spirit clan, she chooses to believe in the stone tablet.

Too many things are predicted on the stone tablet.

What's more, he predicted the opportunity for ye Chen to step into the secret realm of blood spirit.

She doesn't think it's a big prank.

Ye Chen collected the three boxes into the reincarnation graveyard, arched his hands to master Ruo and said, "I thank you here. If you have offended me before, please forgive me."

Whether it's the gold thread clothes, or the holy grass tripod, or the remaining three unopened boxes.

It's so precious!

He naturally wanted to thank.

A man can't give him these things for nothing.

If it is really selfless, it is standing on the righteousness.

If the elder looked at Ye Chen and patted Ye Chen with his hand: "young man, if you really want to thank me, you will live at all costs, at least until one and a half years later."

"The strong members of the blood spirit clan in the secret place of blood spirit are nothing. The real threat is a year and a half later."

"There are some things I don't need to say more, and then you may understand my words."

"If you don't make it to that day, it's God and I have made a big joke."

"Well, time is running out. I'll take you to see Han Yun."

"It depends on your ability to see Han Yun."

If the elder leaves the chamber with Ye Chen, the wall closes again, everything recovers as before.

Later, if the elder suddenly thought of something, he said with a smile to Ye Chen: "forget, there is one thing you need to trouble you."

Ye Chen has some doubts, what can this kind of power have to trouble him?

If the elder's arm gently pulls, the hall door opens directly.

After that, Luo, standing outside the door and pacing back and forth, appeared in everyone's sight.

"Lo, come in."

Luo heard if the voice of the elder, Jiao body a shock, and then quickly do not go to the hall, is kneeling in front of the body if the master: "master, what do you want to order?"

If the master said: "my teacher gives you two choices. First, stay by my side all the time. This process may be boring, but extremely safe."

"Second, you leave with Mr. Ye. You've always wanted to know your life experience. I'm afraid Mr. Ye is the only one who can solve the mystery of your life experience. "

"Give you five minutes to think about it."

Luo heard this sentence, eyes stare big, is dead staring at Ye Chen.

She came into this world without father and mother. When she was a child, she was ridiculed by countless people because Dantian was different from her.

She felt like a freak.

She madly sought her life experience from her master.

But the master never gave her a complete answer.

Now, the master said that the man he knew today could give her the answer.

Can she not be excited!

Only ten seconds later, Luo raised his head, eyes firm and decisive.

"Master, I choose the second way. I am willing to follow Mr. Ye."

If the elder nodded happily: "you go back and prepare some things, and you will be on the road soon."

Yes, master

After Luo left, ye Chen helplessly said with a smile, "don't you ask my opinion?"

If the elder shakes his head: "don't ask, you will agree. This girl is absolutely useful to you. He is extremely sensitive to medicinal materials. His talent for alchemy or the level of refining medicine are all against heaven."

"This girl is too simple. Someone should take her to have a look. You are the best choice. I also believe that you can protect her."

"Of course, these are not the most important."

"Most importantly, Luo's life experience should be related to the blood spirit clan."

This sentence falls slowly, but is like a heavy bomb in Ye Chen's heart.

Luo unexpectedly comes from the blood spirit clan!

He never thought that the blood spirit clan should have the remaining evils!

The key is still such a kind and simple girl.

If the elder sighed: "this girl is also a miserable girl. When I found her mother, her mother almost fell. From the tattoo on her back, she should be a member of the blood spirit clan. From the point of dress, she is definitely not weak in the blood spirit clan."

"As for why it appeared in kunlunxu, I don't know."

"Because of the differences in cultivation, Luo has always been regarded as a freak by the people around her. She is not suitable for practicing Kunlun Xu's skills, and even her holy King's realm. I have tried my best to improve it."

"I've bound her for so long that she doesn't know her life. Because she hates the blood spirit clan to the bone, I dare not tell him the truth" I'll leave it to you. I hope you'll treat her well, even if it's a maid."

"Although she has the blood of the blood spirit clan, she is really kind-hearted. Compared with those strong blood spirit people who slaughtered Kunlun Xu, she is not a person at all."

Ye Chen's heart is quite moving, even some heartache Luo.

He also promised to come down: "if you don't worry, I'll take Luo as my sister in the future, and I won't let anyone bully her. As for the mystery of her life experience, let's take a look."

Luo's voice has been heard outside. If the elder called Luo to a room alone and explained a few words, he said to Ye Chen: "these years, I've laid out some space arrays in the blood spirit secret place. Now, I'll send you to meet Han Yun."

Finish saying, if the elder is to come to a giant array plate above, finger pinches Jue, a drop of blood essence is forced out.

The huge array disk instantly emits dazzling light!

"Go up."

Ye Chen and Luo come to the array disk, and the next second, the light shrinks.

Ye Chen is to find the space, just like tearing open!

In a twinkling of an eye, the dazzling light disappeared, and ye Chen and Luo landed on their feet.

They had come to the foot of a mountain.

On the right is a stone tablet.

On the stone tablet, there is only one word!

Han!

Vigorous and powerful!

They come to the place where Han Yun is!

Chapter 993

"It seems that Han Yun should be nearby. Your master's space technique is really magical."

Ye Chen looked around, to Luo Road.

Luo laughed: "master has been studying this kind of thing for so many years. Even if Kunlun is empty, no one can compare with master."

"By the way, Mr. Ye, shall we go to find Han Yun now?"

Ye Chen nodded. He looked at the top of the mountain and found a Taoist temple surrounded by aura.

I'm afraid Han Yun is the Taoist temple.

"Come on, lo." Ye Chen Dao.

Luo nodded. She suddenly thought of something, tilted her head and said, "Mr. Ye, do you think Luo's name is awkward? Or from today on, Luo will be changed to your name, and you can have your surname together with Mr. Ye. How about calling me ye lu'o'er? "

"This is what the master told me before he left. Ye lu'o'er has the homophony of falling leaves. The master said that this name represents the falling leaves returning to their roots and looking for their life experience."

Ye Chen is stunned and takes a deep look at ye lu'o'er. The other party is innocent. If he knows that the blood of the blood spirit clan is flowing on his body, he doesn't know what kind of mood it is.

But now the secret he had to keep for yelol.

"Well, from now on you will be elor."

They headed for the top of the mountain.

Soon, ye Chen found a lot of people in front of him. Some of them have seen Ye Chen several times.

They are all kinds of talents who have entered the secret world from the land of Han family.

Helpless, ye Chen takes out ye Shitian's mask and puts it on directly.

After all, ye Shitian, not ye Chen, is the one who enters the secret place of blood spirit.

This saves some of the necessary trouble.

After seeing Han Yun, he plans to go with ye lu'or to find Mo Ning and ye Lingtian.

Although ye lu'or doubts why Ye Chen wears a mask, he doesn't say anything. It's normal to cover his face with Ye Chen's strength.

Ye Chen and ye lu'or came to the top of the mountain and camped on all sides.

There are even some bonfires burning.

Almost every corner is occupied by these strong men.

These people's eyes are always on a door.

Awe, expectation, complexity, all kinds of emotions are in the eyes.

This group of people must be waiting for Han Yun to appear.

However, many people have noticed that ye Chen and ye Luo'er are not good at each other.

After all, they are all from the top clans and Kunlun virtual power family.

There are only two kinds of people in this blood spirit secret place.

One is the talented children who walk into the secret realm of blood spirit with supreme glory.

The other is the humble cultivation without power and power.

The first kind of people almost all know each other. After all, they have been in the secret place of blood spirit for a long time.

As for those who don't know, they don't want to think about those humble monks.

And at the moment, they look at Ye Chen and ye Luo'er in the eyes are condescending.

Although we can't detect the cultivation of Ye Chen wearing a mask, ye Luo'er's cultivation can be easily checked.

Holy land.

Most of the people present were virtual King realm, Daoyuan realm, and even the genius of emperor Zun realm.

King's land is no different from garbage in their eyes.

Ye Chen is not strange to these eyes and doesn't speak, but ye lu'o'er is a little uncomfortable.

"Mr. Ye, why do the eyes of these people make me so uncomfortable? Or are men outside like this? "

Ye Chen did not intend to cause trouble, and said: "don't pay attention to these guys, but the existence of self-esteem."

"I see." Ye lu'o'er gently points his head, "Mr. Ye, what should we do next, wait here, or go straight in?"

Ye Chen took a look at the door and opened it completely. He didn't understand why no one stepped in.

Is there an array?

"Let's go up and have a look."

"Good."

Ye Chen and ye lu'o'er are facing the gate, but they are blocked by two young people before they get close to the gate.

Young people are dressed in luxurious clothes with a pattern on their chest.

If ye Chen remembers correctly, he should be a disciple of linghaizong.

Linghaizong is also one of the first-class forces in Kunlun, and there is not much gap between linghaizong and tianlanzong of Ji Siqing.

If we want to say that the top forces are also included.

Two people block in front of Ye Chen and ye lu'er, obviously do not intend to let them pass.

Ye Chen frowned: "what do you mean?"

The two disciples of linghaizong looked at Ye Chen and said with a sneer, "what do you mean by your two free practices? Don't you know the rules here? "

With that, one of linghaizong's disciples pointed to a wooden card in the distance.

"Why are you blind?"

Ye Chen and ye lu'er naturally notice the words on the wooden card along the direction of their fingers. "You can't step in the loose repair!"

In a few words, there is a sense of superiority.

One of the linghaizong disciples continued: "should you understand now?"

Ye Luo Er, who has been treated so much, thought that all the people outside were like Ye Chen, but she didn't expect these people to be so annoying.

Loose repair?

Is Mr. Ye a loose repair?

She stepped out step by step and asked, "you are a group of foreigners. You did not open this place. Why don't you let us in?"

"Outsiders?"

The linghaizong disciple was stunned and immediately said, "little girl, you just talk to me like this in the holy kingdom. Do you know how many names I Hou Yong is in the sky list?"

Ye Luo'er naturally didn't know the outside world's sky list. She held up her chest and said angrily, "I don't care how many names you are in the bullshit sky list. You two should get out of the way now, or Mr. Ye and I will never let you go!"

Hou Yong and another linghaizong disciple were surprised to hear Ye Luo'er's tone like this, and then their eyes fell greedily on Ye Luo'er's chest.

These days, in the secret place of blood spirit, they have been guarding here for a long time.

After all, the energy behind the other campers here can't be underestimated.

Naturally, nothing can happen to them.

Now to see a good figure and appearance of loose repair, it is to arouse the most out of the heart of desire.

Hou Yong chuckled obstinately: "little girl, but you want to step in, of course, you can, as long as you become my Hou Yong's woman, even if you break away from the title of loose cultivation, that rule naturally can't limit you."

Hou Yong said, and even stretched out his hand toward Ye Luo'er's fullness. Ye Luo'er had already seen through, and a trace of anger burned out in his eyes!

Has she ever been so frivolous!

Surrounded by the aura of five fingers, a rune was directly crushed and turned into a silver needle, which directly disappeared into Hou Yong's palm.

The next second, Hou Yong's eyes widened, because she found that her whole arm was suddenly swollen.

It's even getting dark.

He gathered his aura and tried to break the silver needle on his body, but he found it impossible!

Chapter 994

You know, yelol is not just cultivating herbs in holy Grass Valley!

It's medicine. It's poison!

Her grasp of poison was even more terrifying.

In the silver needle just shot out, there is a kind of unique poison of holy Grass Valley, tianhancao.

A drop of the juice of tianhancao can make a practitioner waste an arm.

Even if it's large, it can kill people invisible.

Hou Yong felt that the toxicity of his arm was spreading more and more, and his whole body was a little stiff.

He no longer hesitated, flustered out a pill, directly took it.

But the toxicity did not abate at all.

He raised his head fiercely, staring at ye lu'o'er: "smelly woman, what poison did you give me?"

Ye lu'o'er held her chest in both hands and said with great interest: "I advise you to cut off that arm now, otherwise the toxicity will spread all over the body, and the emperor and Laozi will not be able to save you."

Hou Yong's face changed greatly, and he said angrily, "Stinky woman, where is the antidote? Give it to me

"Sorry, I will not give you the antidote even if I feed the dog!"

Although Ye Luo Er is simple, her character is very strong.

These two people make her very uncomfortable, how can she let go of it.

"Looking for death!"

Hou Yong didn't want to die in sanxiu's hand. He offered a long sword with his other hand. The power of the virtual King's state covered his whole body.

With a sword.

"Since you want me to have a hand, I will cut off your hand first today!"

The wind danced.

The power of the virtual kingdom is even more angry and terrifying.

The sword is so fast, even like lightning.

Ye Luo'er of the Holy Kingdom has reached the peak in the field of poisons and herbs. However, in terms of strength, she is really vulnerable.

After all, she really needs the skill of the Blood Spirit Clan, not the Kunlun Empty Skill!

Seeing that the sword was about to fall, Ye Luo'er lost her face and even stepped back a few steps.

This sword, she is destined to be unable to fight.

In the face of Linghai Zong Hou Yong's practice, those talented disciples around him were very indifferent.

They have been waiting here for many days and are used to fighting.

What's more, Sanshu's life itself is humble. What if he killed it.

As a result, no one looked at the whole process.

Seeing that a sword is about to penetrate, Hou Yong's eyes are full of madness!

But at this critical moment, a magnetic sound sounded in his ear.

"Did the one who touched me have passed?"

Hou Yong was stunned. Before he could react, he saw a hand in front of him.

Five fingers open and then snap together.

Then his sword stopped.

All forces seem to disappear.

How could it be!

He was very confident about his sword, but now he was caught by a monk with one hand!

What the hell is this!

He noticed the mask of Ye Chen, his first reaction is familiar, but can not remember.

Suddenly, he thought of something!

Loose repair! Mask! So powerful!

Only one!

Ye Shitian!

"You You are ye Shitian

Hou Yong's eyes widened.

But ye Chen didn't pay any attention. He looked at ye Luo'er with interest and said curiously, "do you want him to live?"

Ye Luo Er shakes his head.

"Good."

Ye Chen does not have any nonsense, the power of the palm of the hand suddenly erupts!

The next second, Hou Yong's spirit sword is directly broken.

The fierce air wave is hard to fly Hou Yongzhen out!

His body severely hit the ground, a mouthful of blood spit out.

Hou Yong with a pale face has not yet responded. Ye Chen's two fingers hold a fragment of a spirit sword.

Direct fire!

In the face of Ye Chen's forcibly falling debris, Hou Yong is scared.

He knew he couldn't resist it.

The crisis of death completely shrouded him.

This moment, as if ten thousand years.

Countless thoughts flashed through Hou Yong's mind.

The waiting time for death passed very slowly.

"Elder martial brother, help me quickly!"

Hou Yong didn't care about everything, so he quickly grabbed the youth beside him!

The young man had a thorough reaction. He just wanted to do it, but he found it was too late.

"Stop it!"

The pieces are too fast!

The whole body is wrapped in a raging thunder arc!

He can only watch the death cover Hou Yong.

"Wow..."

In the midst of the scream and the roar of Hou Yong, the fragments passed by, and the heaven and earth seemed to be divided.

Pooh hee

Ye Chen's residual light naturally saw a figure rushed up, trying to stop himself. But this moment, is enough to let Ye Chen do a lot.

In the dull sound of penetration, blood was flowing.

The blood flowing all over the sky, shooting towards the distance!

"Ah, ah..."

Hou Yong called it heartbreaking.

At the most critical moment, between life and death, Hou Yong still relied on years of experience to make a response.

He forced to twist his body, he forced to sacrifice a card.

It's a spirit shield!

This is a strength given to him by the master!

Unfortunately, the time is too short for Hou Yong to exert his full strength.

The shield was blown away, Hou Yong avoided the key.

Bang

Until a moment later, in the blood mist all over the sky, Hou Yong's body fell on the edge of the gate.

Bang

At the same time, there was a dull tear.

A middle-aged man appeared in front of Ye Chen.

It seems to be ugly, but its strength is unfathomable!

After a look at Hou Yong, who fell into a pool of blood in the distance, a trace of regret flashed in Ye Chen's eyes.

Obviously, it is impossible to kill Hou Yong again.

The people in front of me will not allow it. The strong who keep approaching in the distance will not allow it.

I'm afraid I don't want to die well today if I hurt these guys.

Looking at Hou Yong, who fell into a coma and fell into a pool of blood, the middle-aged man frowned.

"Do you know the cost of this? You want to kill people here as a monk! "

The voice of the middle-aged man was extremely cold.

"If you do this, you will make master Han unhappy. The former Japanese and Korean predecessors are furious because of the blood outside. Today, you can see that it caused a disaster!"

Ye Chen shakes his head: "I don't know, also don't want to know."

The middle-aged man's face completely darkened!

"You think you're right?"

Ye Chen carried his hands behind him and said in a cold voice, "are you also a member of linghaizong? If not, I don't mind erasing you! "

As soon as this was said, the whole world fell silent.

No one would have thought that ye Chen should be so blatant!

The middle-aged man in front of him is no one else! It's the servants around Han Yun!

It's the only chance to get into it!

Chapter 995

The middle-aged man obviously didn't expect the mysterious youth with a mask to have this tone.

He followed Han Yun into the secret place of blood spirit for a long time, but it was the first time he heard that someone would really talk to him like this.

These days, the people around him are not clinging to themselves.

Every time I step out of this gate, those talented disciples of Kunlun Xu send Lingbao and praise.

But it's the first time that we've had a tit for tat today.

"You don't know me?"

Middle aged man is interesting.

Ye Chen didn't speak yet. Ye Luo'er was holding her chest and inserting her waist: "what are you? Why does Mr. Ye want to know you? "

"Mr. Ye?"

The middle-aged man frowned. He also knew some talented brothers, but the surname of Ye was very few.

Just now he was released from his spiritual consciousness. He also knew that so many people present seemed to be unfriendly to the masked youth.

Is it really loose repair?

You should know that in recent days, there are indeed monks who come here in admiration, but the final results are the same.

This group of people is either mercilessly humiliated, or they fall here.

The cruelty of martial arts has always been like this.

In the end, if we challenge authority openly, we will die.

However, he can't crush free repair, which is too low his identity.

The middle-aged man looked at Ye Chen, then stretched out his hand, pointed to Hou Yong, who was seriously injured, and said, "boy, there are some things I don't want to do too much. You wipe the blood off the door, and then apologize to the injured man. I can take it as if it didn't happen."

Hou Yong opened his eyes in a daze. Naturally, he heard the middle-aged man speak for him. His eyes were happy. Although he was hurt too much and was in a mess, the presence of a middle-aged man meant that he was in an invincible position here.

The masked ye Shitian wants to move him. It's impossible!

Regardless of the pain of tearing, he stood up and said to the middle-aged man, "thank you for your hand! Hou Yong is very grateful! "

The middle-aged man didn't pay any attention to it. Hou Yong felt embarrassed for a moment.

His eyes could only be directed at Ye Chen, and his anger broke out: "little brute, you are so weak that you dare to disrespect your predecessors even though your strength is very strong! Do you know the origin of this elder? He is an existence you can never afford to offend. "

Ye Chen glanced at Hou Yong, and he could feel the killing intention in the other side's eyes.

Anyway, he has to clean up the rubbish today.

What he has always done is to strangle him in the cradle.

He stepped out, blocked in front of Ye Luo'er, then looked at the middle-aged man, word by word: "you want to protect him?"

The middle-aged man nodded: "I don't care if you are a monk or from a top sect. When you come to the blood spirit secret place, you must abide by the rules of the blood spirit secret place. No one is entitled to disturb the residence of master Han.

You should be glad that Mr. Han is closing down. If it is normal, you, including all the people here, have become cold corpses. "

"If I'm here today, I won't allow you to kill people!"

Hou Yong also sneered, as if in charge of everything: "Ye Jingtian, I know that Kunlun Xu rumor you are very strong, but do you really think you have the right to speak here?"

"I advise you..."

Hou Yong's words have not finished, Ye Chen's indifferent voice is just like thunder!

"Noisy!"

"I have never been able to stand for the people I want to kill."

This word one place, middle-aged man, Hou Yong, even all people's face Qi Qi big change.

The words are so clear, this guy should even start!

The middle-aged man also found Ye Chen's gesture of raising his hand. His eyes shrank, and his hand instantly offered a sword.

Sword with cold streamer, as if through time and space, toward Ye Chen.

"Boy, how dare you disobey me

The middle-aged man is completely angry!

He disdains to shoot to Ye Chen, but this boy unexpectedly again and again challenges his bottom line!

Anyway, Hou Yong, he has to protect today.

Ye Chen naturally felt the cold light devouring, his eyes a coagulation, nine you kill the sky gun directly in the palm of his hand!

Even without warning, he stabbed at the long sword.

"Ding!"

The two forces collide directly in the air, creating a violent spark.

The middle-aged man felt the endless evil Qi as if devouring his sword. At this moment, his face changed greatly!

Even more exclaimed: "demon people!"

"You are a demon

Immediately, the middle-aged man put away his contempt. The sword in his hand turned fiercely. A blood red light surrounded the body of the sword, just like lightning tearing the night, and beheaded Ye Chen's head.

In his eyes, the people of the demon clan must not stay! Otherwise, there will be endless troubles!

Seeing that a sword is about to be cut off, Hou Yong's eyes are excited to the extreme!

He would like ye to kill heaven!

"Little beast! Even if you have a great reputation among many clans in Kunlun, then what! This is in the secret place of blood spirit. Strength is the only rule. If you offend your predecessors, you are looking for death! "

Ye Luo'er also felt the strength of the middle-aged man. She didn't want Ye Chen to have an accident. She exclaimed: "Mr. Ye, be careful!"

Ye Chen nods and opens his five fingers. Jiuyou sky killing gun twists in an instant, just like a snake winding around the middle-aged man's sword!

The powerful sword power is engulfed by the evil Qi around Jiuyou sky killing gun.

A stalemate!

The middle-aged man found Ye Chen in the hands of the nine you kill the sky gun strange.

"What kind of weapon is this? It can be arbitrarily shaped

"From ancient times?"

Words have not fallen, ye Chen another empty hand, but appeared a silver needle!

"I don't need you to care what kind of weapon I have."

"The only thing you have to do is to watch me kill the man you want to protect!"

"The people I want to kill by Ye Shitian have never survived unscathed!"

Language down, the silver needle in Ye Chen's hand shot out directly.

See this scene, middle-aged man pupil shrinks to the pole!

He said that the momentum of the source state climbed to the peak, and wanted to block everything with Qi, but found that he was not qualified at all!

The silver needle crossed his hand, and the aura of heaven and earth around him seemed to be absorbed by the silver needle!

The silver needle expanded in an instant and turned into a spear, breaking through the void!

Come to Hou Yong!

The powerful energy is on the spot will be the middle-aged man shock back several steps, his expression is more ferocious!

Again exclaimed: "the art of medical God, this boy is still proficient in the art of medical God!"

Hou Yong in the distance naturally felt the silver needle into the long gun appeared in front of him, his expression was almost frightened.

This is a serious injury. It's impossible to hide now!

He can only watch death appear in front of him!

"Pooh With a sound, the spear went through his brow, and his frightened head burst.

Chapter 996

The body also turns into a blood mist.

This time, it became more and more serious, not only the gate, but also the white walls around it.

If master Han Yun knows about this, it's not a matter of living.

It's that everyone here has to bear the endless anger of a strong man.

The expression of the middle-aged man is like a ghost, and his heart is more cluttered.

He knows that some things can't end well!

This boy not only killed the talented disciple of Linghai sect, but also contaminated the entrance of master Han Yun.

There is no doubt that you will die!

Even all people's minds are frozen together.

Those Kunlun Xu's geniuses who entered here were shocked first and then angry!

They have been waiting here for such a long time that they hope to have a good relationship with Han Yun.

After all, Han Yun is a complete ancient power!

No one in Kunlun void knows what kind of cultivation master Han Yun is!

But in the sky on the list of places, is enough to let all present look up to!

At the same time, the whole earth vibrated!

Not far from a building, even countless lightning from the sky!

It's like something's going to wake up.

The vision affected everyone's heart.

"Not good!"

The middle-aged man's face changed slightly when he saw such a vision. This is a sign that master Han Yun is going to leave the pass!

He thought that master Han Yun would be shut down for about a month, but he didn't expect that this time it would be so fast!

Damn it!

If Mr. Han Yun sees everything at the entrance, all the people present don't want to leave alive.

The middle-aged man quickly towards the entrance, the only thing he can do is to delay!

When he stepped into the entrance, he thought of something. He stopped and turned around. His cold eyes took a deep look at Ye Chen, and then glanced at all the people present.

The magnetic voice began to ring: "I'm trying to make master Han come out later. As for the rest, I'll leave it to you! "

"You should know how terrible the anger of master Han Yun is, and even everyone you are present will die!"

"The only way is to take the boy. If he runs away, everything you have in the blood spirit secret place will be terminated! Life includes life

With that, the figure of the middle-aged man disappeared.

He said everything he had to say, and the rest was up to these guys.

One must bear all the blame and anger!

That is ye Shitian!

After the middle-aged man left, those who had nothing to do with themselves were surrounded by Ye Chen quickly.

Ye Chen's nine you sky killing gun is tightly grasped, and ye lu'o'er is close, and the blood dragon in his body is dormant.

It could come out at any time.

As a monk, he was destined to stand opposite to these talented disciples.

Even if there is no Hou Yong's affair, today also can't die well.

Almost instantaneously, ye Chen and ye Luo'er's all retreating ways are blocked by this group of people.

A young man with long hair stood out from the crowd with cold eyes: "I'm Yang Ming of Qingzong. The words of the elder just now have been very clear. If this boy is not allowed to stay, all of us will die!"

"Now the only way to save is to let this man and a woman kneel at the entrance and wait for Master Han Yun to come out and let him decide! During this period of time, the way we deal with things, or the results of solving things, are all related to our lives! "

Yang Ming of Qingzong seems to be a leader in an instant.

His strength is in the eight levels of Daoyuan realm, and among many talented people, he is also the strongest group of people!

His words were echoed by many people in an instant.

"Support the statement of Brother Yang!"

"This monk not only broke into this place, but also killed people here. His crime is unforgivable! We should abolish cultivation and destroy the elixir field! "

The crowd talked, mostly with a whiff of roar.

Obviously, I'm really angry.

In their eyes, their lives are extremely valuable, and ye Chen's life is a mole ant, not worth mentioning!

Ye Chen looked at the angry appearance of the crowd and sneered.

He is not afraid of these so-called geniuses!

If you really want to burst out, Yang Ming is not necessarily his opponent!

The key is that there is a samsara cemetery behind him.

However, even if he is strong, he can't stand the joint shot of so many masters!

His eyes glanced at the crowd, and his heart was certain.

If you really want to fight, kill Yang Ming first!!

Once there is no leader, it is his best chance!

Yang Ming enjoyed the aura very much. He took a step, looked at Ye Chen and said, "ye Shitian, I know you are crazy!"

"But no matter how crazy you are! It is said that you are the nightmare of many clans of Kunlun Xu. Today I want to see what the level of this nightmare is! ""My qingzunzong has a rule that you don't kill prisoners of war. If you kneel down and then abolish your accomplishments, I will give you a chance to live! If you don't kneel, it's OK. We will do it ourselves, but you may not be able to bear the pain that you have to bear at that time. Now choose a path. "

Ye Chen raised his head and looked at Yang Ming, "brush!" , Jiuyou sky killing gun points out directly!

"Would you do this to me if I wasn't a casual practitioner?"

"Since you want to choose, I will tell you that war is my choice."

This answer, let everybody be stunned.

They are all rumored that ye killed heaven and his arrogance, but he didn't expect to be so crazy!

Is it difficult to challenge their many talents by one person!

They are all in the sky on the list has no small place, any one pulled out, on talent and strength, are not ordinary people can contend with!

But now ye Shitian wants to fight directly!

Yang Ming wakes up from the surprise. He just thinks it's too funny.

He said lightly: "ye Shitian, ye Shitian, since you know that you are a monk, I might as well tell you a fact."

"In this world, some people's birth, talent, or background are above your humble group of ants. Our blood and even talent are destined to shine brilliantly in Kunlun."

"And you who have no power can only be our stepping stones."

"This is why we can walk into the secret place of blood spirit openly, but you can only climb in through the narrow entrance humbly! That's the gap! "

Can you accept the fact that we can achieve it in a few days

Ye Chen hears this sentence, in the heart suppress bend to the extreme, is sneer to the extreme!

He didn't understand where the confidence of these people came from!

Strong blood?

How strong is his reincarnation?

Good luck?

No matter how hard the chance is, it can't be compared with the reincarnation cemetery!

What ye Chen just wanted to say, but Yang Ming thought of something and clapped his hands: "Oh, by the way, I may not be specific enough. I might as well show you a good play before you die."

Chapter 997

"Come on, bring those ants up!"

"Yes, Mr. Yang!"

Several disciples of qingzunzong went to the deep.

Ye Luo Er frowned and said curiously, "Mr. Ye, what do these people want to show us?"

Ye Chen shakes his head: "watch its change quietly."

"But I don't think it's a good thing."

About three minutes, ye Chen faintly heard the sound of iron chain dragging.

The sound of drag is getting closer.

Soon, ye Chen's line of sight is to see a picture!

Seeing this picture, ye Chen's innermost anger erupts completely!

I saw a huge iron chain, wrapped around a dozen people's bodies.

The chains bound the hands and feet of the group, making them unable to walk.

Can only body bow, kneel on the ground, continue to crawl forward.

These people have big and small wounds.

The clothes were completely covered with blood, shocking.

This is not the most important thing. The important thing is that the disciples of qingzunzong are stepping on these people, just like walking on the spirit beasts.

But the people under their feet are inferior to animals!

Ye Chen is very clear that these people must be consistent with his identity. They are all casual practitioners!

These scattered cultivation in Kunlun is regarded as a genius, but there is no strong force behind them, but now they are reduced to this situation!

By what!

These people are like slaves of the last century!

Those who stand and look indifferent are the ones who control the existence of slaves.

The appearance of the iron chain team detonated the whole scene in an instant.

The crowd was laughing and disdainful.

In their eyes, they don't think it's wrong to do so.

Playing with ants is a normal little thing.

Qingzonzong's disciple stepped into his crotch and grinned: "elder martial brother Yang, I have brought all the people here. Anyway, these mole ants are useless. I'll be disposed of by master Han Yun together with ye Shitian."

Yang Ming looked down at the group of people, walked a few steps, and then, one foot stepped on the foot of one of them.

With a little force, the sound of bone breaking came in an instant.

"Ah! My Lord, please let me go

However, Yang Ming did not have a trace of reaction. He enjoyed the tormenting pleasure. His eyes fell on Ye Chen with interest: "ye Shitian, this is what I let you see. Now do you understand your own status?"

"The only value of your free cultivation is that you are trampled on by us. You have no power and background, and you are not qualified to be crazy!"

"Oh, by the way, I forgot. It seems that there are nine days Xuannu behind you, but this is the secret place of blood spirit. Do you think the nine day Xuannu who once covered you will still appear?"

Ye Chen's body trembles, covered with bursts of blood light.

The blood light is rich to the extreme, and the whole body exudes evil Qi.

The eyes are even more suffused with a trace of cold red.

"Yang Ming, the meaning of the existence of the blood spirit secret place is to fight against the blood spirit clan together. It's really rubbish for you to deal with your compatriots here now."

Yang Ming seemed to hear the funniest joke in the world: "compatriots, these wastes are also qualified to be our compatriots!"

"Click!" With a sound, the strength of Yang Ming's feet intensifies, and the trampled Sanda's face is almost distorted.

The loose foot broke on the spot.

After all this, Yang Ming is stepping towards the next person.

He landed his foot on the chest of the second monk. He thought that the monk would groan in pain or ask for help.

But did not expect, this moment, nothing happened.

The whole world is quiet to the extreme.

"Why don't you ask me for help?"

Yang Ming was a little surprised.

He could feel that the people under him would rather suffer than frown.

The low head sanxiu slowly raised his head and took a dead look at Yang Ming!

"Pooh!"

Spit out a mouthful of saliva!

"Kill Laozi if you have the ability. Even if Laozi Zhouyan dies, he won't frown!"

Hearing the two big eyes of Zhou Yan in the distance!

It's really Zhou Yan!

Zhou Yan is a sanxiu who enters the secret state of blood spirit with him.

The two men had a good discussion before. After entering the secret place of blood spirit, they went together, but they didn't expect that they would eventually be transmitted to different places.

I thought Zhou Yan should live to the last moment, but I didn't expect that it was at this time that they met again!

Zhou Yan becomes a slave!

Never give in!

"Zhou Yan?"

Ye Chen said softly.

This sound is obviously heard by Zhou Yan. He raises his head fiercely. When he sees Ye Chen wearing a mask not far away, his eyes are surprised to the extreme!"Mr. Ye! Why are you here! "

But soon, his surprise disappeared, and he knew that ye Shitian was also a monk.

If you come here, you will not die, or you will end up like him!

"Mr. Ye! Get out of here! Hurry up

Zhou Yan almost roared.

Although he knows ye Shitian is very strong, but there are so many strong people here, no matter how strong they are, they are not qualified to survive!

Yang Ming heard the conversation between the two people, but came to a trace of interest: "interesting, you actually know each other. It's really like birds of a feather flock together. It's normal for you garbage to know each other."

With that, Yang Ming stepped on Zhou Yan's back.

Zhou Yan's face is pale, and his powerful strength penetrates his whole body and spits out a mouthful of blood in an instant.

The whole person is weak to the extreme.

Of course, Zhou Yan also gnawed his teeth and did not say a word begging for mercy.

"Yang Ming, if you have the ability, you can kill me. If you can't kill me, when I live and rebuild for hundreds of years, I will surely find you and kill you qingzonzong!"

Zhou Yan gnaws his teeth!

Yang Ming and the disciples behind him laughed when they heard these words: "you really look up to yourself, but you are going to die soon."

The next second, Yang Ming's five fingers open and a sword is offered.

As soon as the sword turns, it is suffused with bursts of blood light and aura. Yang mingmeng stabs Zhou Yan's body!

"It would be an honor for you to die under my sword, Yang Ming."

Seeing that the sword is about to penetrate Zhou Yan's body, ye Chen moves.

Chapter 998

Naturally, he couldn't let Zhou Yan have an accident.

He is very Zhou Yan's relationship is not close, but also a friend.

What's more, they are a kind of people!

How can ye Chen see death without saving him!

Yang Ming always focuses on Ye Chen's body. When he sees Ye Chen's hand, he smiles coldly!

"Since you want to die, I will help you!"

As soon as the sword's meaning turns, it forces Ye Chen to go.

Ye Chen is naturally not afraid of this sword, and Jiuyou sky killing gun is fired directly.

At the same time, the immortal fire covers the Jiuyou sky killing spear, which devours Yang Ming's sword.

"Bang!"

One shot and one sword instantly collided in the air, and two powerful air waves shook away!

The ground under their feet was even more fragmented.

Ye Chen took a step back, but Yang Ming took a full three steps!

Under a blow, Yang Ming was defeated.

Ye Chen no longer hesitated, came to Zhou Yan, a bullet in the iron chain above, want to cut off!

But it's impossible!

Jiuyou sky killing spear can't be cut off, which shows how strong the iron chain is.

"Ye Shitian, don't struggle. This chain is made of the most powerful core rock in the blood spirit secret place. Even if you hold an anti heaven weapon in your hand, you may not be qualified to open it!"

"For the sake of how much you like the chain, I'll keep you in it too!"

Ye Chen ignored, and tried several times, all the same results.

Zhou Yan didn't want to drag Ye Chen down. He said, "Mr. Ye, my life has already died here. Mr. Ye, you go first. After my death, even if I turn into a fierce ghost, I won't let Yang Ming feel well!"

After a few seconds, I felt that the disciples were hesitating.

At present, he must kill Yang Ming as soon as possible!

As for how to fight against these gifted disciples, we can only take one step and see another.

At this time, ye lu'o'er came to Ye Chen's side: "Mr. Ye, don't let me have a try."

Ye Chen a Zheng, looked at Ye Luo Er, although don't know what this girl wants to do, but still nod.

Ye lu'o'er came to Zhou Yan's side with no expression. Then, in full view of the public, she stretched out her white and slender hand.

So he took hold of the chain.

Eyes closed.

Ye Chen faintly found Ye Luo Er's hand with a group of blood light.

This power is extremely strange.

The power of the blood spirit clan!

Ye Chen's face changes greatly, just want to say what, but hear, "click!" With a sound, the chain melted directly.

A strange melting.

Yang Ming's smile suddenly became stiff, and his eyes widened!

He looks like a ghost!

Such a hard thing was melted by a little girl's hand!

Sleeping trough!

What is the origin of the girl around ye Shitian!

Ye Luo Er's eyes with a trace of smile, look at Ye Chen: "Mr. Ye, I'm fierce."

Ye Chen doesn't know what to say. The biggest curiosity in his heart now is the identity of Ye Luo'er!

Of course it is the blood spirit clan, but ye Luo Er is not so simple!

Just at the moment of melting the iron chain, he could feel the dormant blood vessels in his body seem to be affected by something!

This influence must have come from ye Luo Er.

Ye Luo Er's identity is more and more complicated.

All of a sudden, ye Chen found something, her eyes suddenly shrunk, and quickly ordered: "ye luo'er, you will all loose the shackles of repair! Leave the rest here to me! "

"Yes, Mr. Ye!"

Ye Chen orders to finish, it is found that Yang Ming has appeared in front of him.

Looking at Ye Chen, Yang Ming narrowed his eyes: "although I don't know what kind of secret you two people have, it doesn't matter. Take advantage of the last time, leave your last words!"

There is a strong killing opportunity in his eyes. Yang Ming looks down at Ye Chen with great momentum.

Invisibly, a strong sense of oppression, instantly will ye Chen completely wrapped.

"Last words? I don't have this habit! It's you who should really prepare your last words! "

Facing the threat of Yang Ming, ye Chen said coldly.

Hearing this, Yang Ming is completely released. In fact, he is still a little afraid of Ye Chen. He just doesn't see too many people around him. He must show some fearless attitude.

He looked at all the people around him and said in a cold voice, "master Han Yun is expected to come out soon, so as not to dream too much at night. Let's do it together."

"Yes, Mr. Yang!"

A shocked day roars, the moment innumerable figures toward Ye Chen.

Violent sword sweeping around, countless huge trees around directly shatter!

These talented disciples are the best in Kunlun!

Either from the top family, or from the top clan! Countless resources, plus talent, every move can kill in the invisible!

Ye Chen became the target of everyone in an instant.

Seeing this, Yang Ming burst into laughter.

"Ye Shitian, don't worry, I will send those monks to join you soon! Humble mole ants, stay in this world, is always the biggest shame

Then, Yang Ming approached Ye Chen and suddenly lowered his voice and snorted coldly.

Bang

Just when people are curious about what Yang Ming said, and even when Zhou Yan and ye lu'er can't help listening, a dull crashing sound comes.

Then, the scene that made everyone unbelievable happened.

Wow

A wisp of blood shot into the sky!

There was a groan in the middle of the crash.

That is to say, in the middle of the hum, Yang Ming was blown out like a huge stone.

A dragon song is even more exploded!

Bang

Fly out of a few meters, Yang Ming hit the ground, splashing dust!

Gaga

The world seems clean.

It's like time!

Chapter 999

At this moment, everything around is silent. Even the sound of the breeze is forgotten.

Everyone feels that they are in a dream!

"Hiss..."

I don't know how long it took. Finally, someone came back to God. And then one by one came back to God.

This time, the sound of air-conditioning was heard all over the world.

"God Ye Jingtian He's crazy

"How could he Hurt elder martial brother Yang! This is the key

"Ye Chen, how could you blow Yang Ming away? What's going on here? "

"What happened? I don't see eye to eye, do I? "

Looking at the fall on the ground, nosebleed straight spray Yang Ming, looking at the expressionless Ye Chen, the crowd on the square, fried the pot.

Not to mention the people present, even Zhou Yan and ye lu'er, who are not far away from ye Chen, can't help but give a sharp slap at the corner of their mouth when they see this scene, and their faces become horrified.

What happened just now!

Yang Ming felt as if his body was crushed by a huge stone. He stood up with difficulty. What he had just experienced seemed like a dream.

He felt that what hit him was not ye Shitian, but a giant.

The key to this power, as if the emperor respected the strong in general!

It's too damn hard.

He supported the body to stand up, but soon, it was found that ye Chen appeared in front of him!

Not only that, ye Chen is surrounded by a blood dragon!

Is this the legendary dragon!

The blood dragon is extremely ferocious, as if one bite can swallow him up.

When the Dragon roared, he didn't react!

Yang Ming's face changed a lot!

Although he has good strength, he is still in awe of the dragon!

Dragon is the ancestor of beasts!

Looking at the whole Kunlun void, every time the dragon appears, it is almost crushed!

He forced out a drop of blood essence, which was suspended above the eyebrow, and was extremely furious!

The whole body is full of momentum.

In a flash, all around the wind swept, array vibration, air waves rolling!

Standing in the same place, although he has not yet made a move, but under the soaring momentum, Yang Ming, at this moment, is dancing wildly in his robes and long hair. His momentum is impressive!

"Ye Shitian, you dare to hurt me! Today I will cut off your flesh and blood one by one and break your bones one by one. What if you have a dragon? "

Until the breath climbed to a limit, Yang Ming roared.

"Don't talk nonsense. If you want to fight, you can fight!"

Feeling the powerful momentum sweeping across the sky, ye Chen's pupil shrinks abruptly.

Very strong!

But how can ye Chen yield?

Blood in the body seems to be rolling, the momentum of the whole body, began to soar, ye Chen's eyes twinkle with a crazy fire.

No longer hesitating, ye Chen directly hands.

The figure disappears in the sky and earth in an instant!

Ye Chen shoots out like a sword.

"Evil spirit, open up!"

"Blood dragon, trap me in this guy!"

"Thunder, fall!"

In a flash, the clouds rolled, countless thunder and lightning fell down like this!

Ye Chen is like a real king of thunder and lightning!

Wrist a shake, nine you kill a day gun out. Between this move, ye Chen is to directly display the breaking sky three Jue gun.

This shooting technique is definitely one of Ye's most powerful moves.

Especially with the improvement of strength, with the deeper understanding of heaven and earth, ye Chen can mobilize the breaking sky three Jue gun more and more terrible!

Wow

Gun light into the sky, into a long river, galloping down.

The spirit of heaven and earth, gathered together, all spirits of heaven and earth, worshipped one after another under this gun!

This sword seems to come from heaven.

"Eternal fire!"

Not only that, in the Jiuyou sky killing gun fell, the gun intention is vertical and horizontal, the moment the wind swept, ye Chen is a breath to mobilize the fire!

Facing such a strong man as Yang Ming, ye Chen has no room for reservation.

Or not. One shot, must display the power of thunder!

Otherwise, they will only fall into a more passive situation.

With the fire that can't be extinguished, a burst of energy burst out of Ye Chen's body, and the momentum began to climb again.

At this moment, yechen is like a volcano.

Volcanic eruption, the world without light, all things fall!

Although Yang Ming's momentum is rising, but in the moment when he feels the power of Ye Chen, he actually has a retreat in his heart.

The visions of heaven and earth are condensed.

Ye Shitian deserves to be the most mysterious existence in Kunlun! He can't believe that so much power is gathered in one person!

When he couldn't help thinking, he found a blood dragon coming directly to him.

It's all around him.

His face changed dramatically, he subconsciously wanted to break free, but found that he was not qualified!

"What the hell is this?"

"Go away!"

But the blood dragon has long been transformed!

Now the blood dragon is no longer the original blood dragon!

Cave Adventure, ye Chen's growth, so that the blood dragon is stepping into the existence of extreme terror!

The blood dragon is like a shackle, completely trapping Yang Ming.

And ye Chen's Jiuyou sky killing gun has broken through the sky, and the fire is everywhere. Yang Ming is instantly wrapped up in the sea of fire!

This is Ye Chen's strongest blow.

Yang Ming is completely afraid!

He knew very well that now he was bound, and that if the gun fell, he would die!

He finally stepped into the blood spirit secret realm on behalf of qingzunzong. He was all the hope of qingzunzong. If he died in the blood spirit secret place, all his life would be in vain!

"Let's do it! Stop ye Shitian, quick, stop this guy

Those talented disciples did not talk nonsense, and stopped in front of Yang Ming.

At this moment, the whole world seems to be engulfed by the endless waves.

Ye Chen stepped into the realm of virtual king, and now the power of breaking out is above the realm of Daoyuan. Although it is strong, it is facing so many top strongmen!

Obviously, it's not enough.

He broke the sky three Jue gun will some strong shock fly, but he also paid a lot of price.

His casual clothes were covered with bloodstains.

Although ye lu'er wants to help Ye Chen, she knows that her strength is too small for ye Chen.

Maybe it's just a drag!

She can only speed up the melting of the iron chain, which is to help Ye Chen do something. Soon, those loose repairs were free again.

Chapter 1000

Zhou Yan wanted to rush into the crowd to fight for the first time, but he found that his injury was too heavy.

Suddenly fell to the ground, face ferocious.

Ye Luo Er shakes his head: "your body is too weak, want to resist is impossible at all, still in place rest."

"Bang!"

Words fall, ye Chen is a shot through three talented students.

But soon, we will have to face more powerful enemies.

In five minutes, ye Chen killed eight geniuses.

There was something wrong with Yang Ming and others.

It's insulting for a mole ant to have such strength!

"Come on, there is only one person killing the sky. Let's use the array to fight against the little beast!"

Yang Ming's voice made everyone wake up in an instant.

All the people pinched the formula with their fingers, forming an array in an instant.

At the moment when ye Chen killed him, Yang Ming's mouth showed a sneer.

He holds the power of the people and takes the array as the way to directly sacrifice a move against the heaven!

Boom

Yang Ming suddenly clapped with one hand and a talisman was born out of thin air!

That white mark, instantly turned into a terror to the light column, facing Ye Chen.

The white light is blooming, and the whole world station seems to turn into a sea in an instant.

Boom

The next moment the roar exploded, and the world shook.

The earth trembled violently, and the endless water spurted out all around.

Hum

At the same time, ye Chen's gun intention is to be stopped in front of the huge waves. Jiuyou sky killing gun makes a dull hum, and his whole body begins to shake.

As for the fire that does not extinguish, it is more difficult to advance in that vast ocean!

"Hum! nothing more than this! Give it to me

When you wave your hand, you will produce a seal to stop Ye Chen's attack!

Looking at the face color big change, want to leave and return to Ye Chen, Yang Ming cold drink way.

Wow

With another wave, the big wave broke out completely.

A mighty energy is heading for ye Chen.

This is the array power of so many strong men!

How to fight ye Chen!

"Not good!"

Seeing such a scene, ye Chen looks greatly changed.

It can be said that at the moment when his attack is easily blocked, ye Chen is aware of the bad!

His body was shaken back by an air wave, and there was a blood on the corner of his mouth.

It's hard.

But ye Chen is still struggling to support.

Looking at the crowd behind him, Yang Ming said to Ye Chen, "Ye Jingtian, to be honest, I admit you are very strong, but how can you resist so many of us?"

Just as Yang Ming sneers, a figure in white comes quickly.

It is to carry the cold force, from the sky!

Beautiful girl, veiled.

Dead guard in front of Ye Chen.

Even the veil can not cover the beauty of a girl!

The girl looked at Yang Ming and others with interest: "such a good play, how can I miss Ji Siqing?"

"It's a pity that today I see the shamelessness of human nature! You are from a rich family and a top-ranking sect. You even cheat a monk with more than one. If you spread it out, I'm afraid the sect behind you or the master's face has nothing to do with it. "

Ji Siqing's appearance makes everyone stop instantly.

Who did not expect, this time Ji Siqing will appear!

And obviously, Ji Siqing wants to stand on the side of Ye Shitian!

Yang Ming was very angry and said: "Ji Siqing, you, as the beautiful girl of Tianlan sect, should be on our side. Why should you protect ye Shitian?"

"Do you know how many people Ye killed, this should not exist!"

"If you help ye Shitian again, I promise you won't want to leave alive!"

Ji Siqing's slender hand directly drew out the thin sword in his hand, and his breath broke out directly!

To everyone's surprise, this momentum is almost at the peak of Daoyuan realm!

It is very likely to enter the realm of emperor's respect!

This scene, everyone's face changed greatly!

Even ye Chen is not calm!

When is this girl so terrible!

The key is wearing a mask. Why should Ji Siqing help himself?

Did she know ye Jingtian was him?

Ye Chen is full of doubts, but Ji Siqing is to release his killing intention!

"Yang Ming, my words are very clear, you can't kill ye Shitian, he is very important to me, he can't die."

"If you want to fight, I don't mind. It's just that I've got a lot of opportunities in the secret place of blood spirit. I'd like to see how strong I am!"
