

Physician 9961

Chapter 9961

"If you become a master of the Great Immortal Buddha, you will be able to shine in the Dao Sect Grand Competition half a month later, crushing all the heroes."

Ye Chen's eyes moved, and he said, "The holy hand of the Great Immortal Buddha?"

He took the jade slip, glanced at it mentally, and suddenly felt that there was a vast and sacred martial skill sealed in the jade slip, which was a shocking palm technique, like a divine descending of an immortal Buddha, exhaled with one palm, it really oppressed the starry sky, Overbearing.

In the dark, Ye Chen also felt that there is an inextricable causal connection between this Great Immortal Buddha Sacred Hand and the Heavenly Demon Soul Eater Hand.

The Heavenly Demon Soul Eater is one of the Thirty-Three Heavens magic arts. It is ferocious, vicious and powerful. Ye Chen has seen Huang Guxi perform it before.

This Great Immortal Buddha Sacred Hand is reversed from the Heavenly Demon Soul Eater, it can be said to be the opposite of the Heavenly Demon Soul Eater, one good and one evil, one Buddha and one demon.

"Palace Master Jiang, where did you get the Heavenly Demon Soul Eater? You even reversed it?"

Ye Chen was quite surprised.

Jiang Jiuxiao said: "It's a magical martial skill that was plundered from the previous battle with Shura Soul Palace."

"That day's Devil Soul Eater is the unique martial art of the Dark Soul Clan. Generally speaking, only the most steadfast believers in the dark can practice this palm technique."

Chapter 9962

Jiang Jiuxiao said: "Yes, it seems to be a five-tailed horse. It looks like a bloody horse, and its name is 'Chilong'. It can really ascend to heaven and transform into a dragon."

"People from Daozong Qingshan family are already hunting them down, we don't need to pay attention to them, just open the altar to summon Lord Yuantiandi."

Ye Chen frowned slightly, hearing the hissing of dragons and horses in the distance, it seemed to be mixed with the sounds of fighting and shouting, but soon, all the sounds subsided.

For Ye Chen, tailed beasts were no small threat.

The blood dragon swallowed the half-tail and the second-tail, and the general-tailed beast sensed its aura, and wanted to kill it to extract the energy of the half-tail and the second-tail.

But since there is a strong Taoist in charge, Ye Chen doesn't have to worry too much.

He shook his head, calmed down his distracting thoughts, and followed Jiang Jiuxiao to the altar of Yuanshen Palace without thinking too much.

The altar here, facing south from the north, is built with white jade, shining with crystal light, very grand and luxurious.

Under the night, many guards of Yuanshen Palace, holding torches, scattered around and surrounded the altar.

Under the reflection of the night and the light of the torch, that altar showed a mysterious atmosphere.

As soon as Jiang Jiuxiao clapped his hands, there were many guards, holding all kinds of natural and earthly treasures, rare minerals, striding forward, and enshrining them on the altar.

There were also guards who escorted many slaves and killed them on the spot. Their blood was used to stain the altar red. The scene was bloody and tragic.

Ye Chen looked silent, waiting for the ceremony to begin.

At this time, there was another "Lvlu" horse neighing in the distance, followed by a loud shout:

"Don't let Wuwei get away!"

"Grab it!"

"Catch the five tails, Lord Qingshan Tianhai and the ancestors of the stars, there will be rewards!"

Those voices are very close to Yuanjing Palace.

Ye Chen faintly heard Qing Sugiyen's voice from those noisy voices, and couldn't help frowning.

It seems that Daozong arrested Wuwei, and Aosugihiko was also involved.

"Palace Master Jiang, nothing will happen, right?"

Ye Chen listened to those voices, so close to Yuanshen Palace, he was afraid that something would happen that would affect the ceremony of summoning Yuantian Emperor.

Jiang Jiuxiao's face darkened, and he ordered: "Come here, go out and watch, don't let anything disturb the ceremony!"

An elder replied: "Yes!" He took a group of elite guards and went out to guard.

Jiang Jiuxiao said to Ye Chen: "Lord of Reincarnation, you can rest assured, concentrate and summon Lord Yuantian."

Ye Chen said: "Yes."

Jiang Jiuxiao clasped his palm, and a star burst out from his palm. There was a star rising slowly.

"Hey, this is..."

Ye Chen looked at this star, and caught a trace of the aura of heaven and earth, and concepts such as courage, fighting spirit, and fighting spirit emerged in his heart, and he became much more energetic.

Jiang Jiuxiao's eyes were slightly concentrated, and he looked at the stars in his hand with complicated eyes, saying:

"This star, called Diyong Xing, is one of the ten evil stars, symbolizing courage."

"Once upon a time, Lord Yuantian Emperor entrusted me to find Earth Brave Star."

"Because it takes a lot of courage to hit the other side of the starry sky. Even if he is a super-grade emperor, he can't say that he can maintain absolute courage."

"With the blessing of Earth Brave Star, his chances of success in reaching the other side of the starry sky can be greatly improved."

"I found this star, but in the end I didn't give it to him, but betrayed him."

Speaking of the past, Jiang Jiuxiao felt sad and helpless again, feeling deeply regretful.

"Lord of Reincarnation, take this Earth Brave Star as a sacrifice and offer it to Lord Yuantian Emperor. This is what he has always wanted."

Jiang Jiuxiao handed over this brave star to Ye Chen.

Ye Chen nodded, accepted Di Yong Xing, poured his spiritual energy into it, and that Di Yong Xing rose above his head with a buzzing sound.

Then, Ye Chen strode onto the altar, cut his palm with a sharp sword, and let his reincarnation blood fall on the altar in big drops.

The blood of samsara fell on the altar, and the whole altar buzzed and vibrated, and the blood radiated into the sky, vaguely trying to break through some restrictions, and communicate with the great existence of heaven and earth.

As the light of reincarnation shot up to the sky, there was another rush of horse neighing in the distance. The sound was less than ten miles away from Yuanshen Palace. It was so sharp and intense that it almost pierced through people's eardrums.

Jiang Jiuxiao frowned, and the guards of Yuanshen Palace also showed fear and horror.

Everyone felt that there was an ominous and terrifying atmosphere spreading in the arena like a nightmare.

That is the breath of the tailed beast, symbolizing fear and darkness.

"Protect the Lord of Reincarnation!"

Jiang Jiuxiao yelled orders, fearing that accidents would happen.

Many guards looked solemn, standing guard around Ye Chen.

Ye Chen settled down, knowing that the most important thing now is to establish communication with Emperor Yuantian and summon him down.

"Senior Yuantian Emperor, it's me, Ye Chen."

"Please listen to my voice and respond to me!"

Ye Chen muttered in his heart, and his will spread out, soaring into the sky.

With the blessing of many sacrifices, Ye Chen's will was so strong that he was able to receive it even if Emperor Yuantian was still in seclusion.

Clap clap!

The sacrifices of heaven, material and earth treasures around the altar were broken one after another, and all the essence energy gathered on Ye Chen, strengthening his will.

Ye Chen's reincarnation blood is also constantly being sacrificed and consumed, just to call Yuantian Emperor.

Time passed bit by bit, Ye Chen's blood continued to flow, and finally saw an old figure in the endless darkness and mist of heaven.

Chapter 9963

That is the figure of Emperor Yuantian!

Emperor Yuantian sat cross-legged with his eyes closed, arbitrarily judging the darkness and void, as if he was still in a closed state.

"Respond to me, Senior Yuantian Emperor!"

Ye Chen called out again, only wanting to get a response from Emperor Yuantian.

hum!

Ye Chen's sincerity seemed to touch the world.

Emperor Yuantian's eyes opened suddenly, and two sharp rays of light shot out.

Ye Chen's heart trembled, and he felt the altar under his feet crack open.

The void above his head was rumbling and shaking, the storm was brewing, the divine light was shining, and the auspicious clouds were blooming.

The surging divine light reflected the sky, piercing through the dark night, making the world as bright as day.

Above the sky, a great and sacred atmosphere floated faintly. It was a splendid heaven, with countless epic hymns flowing out, magnificent origin energy, and wonderful fairy sounds, circulating in that heaven.

That is the Yuanshen Paradise created by Emperor Yuantian!

Seeing the appearance of Yuanshen Paradise, Jiang Jiuxiao was overjoyed, tears almost flowed out, and said loudly:

"Lord Yuantian Emperor, please come down!"

The appearance of Yuanshen Paradise was the harbinger of Yuantian Emperor's imminent arrival. The people in Yuanshen Palace were all shocked after seeing this scene.

The entire Skyscanner Island was also alarmed.

"Senior Yuantian Emperor, long time no see, your followers are calling you, please come down!"

In Ye Chen's mind, he saw the figure of Emperor Yuan Tian with his eyes open, and was overjoyed, so he tried to communicate.

Emperor Yuantian narrowed his eyes and smiled, and was about to respond to Ye Chen.

law!

But at this time, a shocking neighing sound came from outside Yuanshen Palace.

"Five tails, it's five tails!"

Outside Yuanshen Palace, many guards exclaimed, and the scene was chaotic.

boom!

A blood-sweat horse, unparalleled in steed, like a red dragon chasing the wind and lightning, fierce and violent, actually directly broke through the gate of Yuanshen Palace, knocked down countless guardians, and rushed all the way, and soon rushed to the altar .

Ye Chen was also shocked when he saw the sweaty horse.

That bloody sweat horse actually had five tails, fluttering in the wind, and the scene was spectacular.

It was covered in red blood like ruby, but its pupils were pitch black, burning with demon energy.

When Ye Chen touched its eyes, he felt boundless darkness and terrifying evil spirit roaring towards him.

That is the breath of the tailed beast!

This bloody horse is none other than Wuwei!

The five-tailed aura is stronger than the tailed beasts Ye Chen has seen before, and the eyes are full of rebelliousness, which cannot be subdued by any means.

Ye Chen didn't know where this five-tailed blood horse came from.

He saw the five-tailed blood horse rushing towards him like crazy.

The five-tailed blood horse rushed wildly, and the hooves of the horses stamped on the ground, making a thunderous hoofbeat. The weather was fierce, like a thunderstorm.

Before it rushed over, Ye Chen already felt bursts of berserk tailed beast's evil spirit roaring towards him, bringing him a huge impact.

He was concentrating on communicating with Emperor Yuantian, when he was suddenly hit by such an impact, the blood in his chest and abdomen was turbulent on the spot, a mouthful of blood spewed out, his head buzzed, his face turned pale, and he almost couldn't help but fell on the altar.

The communication between Ye Chen and Emperor Yuantian was also interrupted in an instant.

In his mind, the image of Emperor Yuantian dissipated.

In the sky, the atmosphere of Yuanshen Paradise also completely disintegrated.

"Protect the Lord of Reincarnation, hurry up!"

Jiang Jiuxiao's face twitched, he yelled, and hurriedly commanded the people, for fear that Ye Chen would be killed by Wuwei.

Many strong men from Yuanshen Palace immediately roared forward, trying to stop Wuwei's collision.

"Roar--"

From the throat of the five-tailed blood horse, a shocking dragon roar burst out, piercing the sky and piercing the clouds, shaking all directions.

Many strong men from Yuanshen Palace were shocked by the roar of the five-tailed blood horse dragon, and many of them vomited blood on the spot.

Many more people were directly trampled to death by the five-tailed blood horse, bloody and bloody, and the scene was very tragic.

Jiang Jiuxiao's face was gloomy. He was injured by the Zhanhun knife the day before yesterday, and his strength has not yet recovered. Facing the five-tailed blood horse is also very difficult.

"Earth Brave Star, blessings!"

In the midst of a crisis, Jiang Jiuxiao waved his hand, recalling Di Yongxing, and hovered above his head.

Di Yongxing sprinkled bursts of starlight, and Jiang Jiuxiao suddenly gained courage, and his fighting spirit was ignited in his heart. He was so powerful that his injuries were suppressed. He sacrificed a sword and slashed towards the five-tailed blood horse.

The five-tailed blood horse was hit by the sword, and a sword wound appeared on the body, blood flowed out, he raised his head to the sky and let out a long hiss, looked back at Jiang Jiuxiao angrily, and raised his hoof to rush over.

Jiang Jiuxiao unfolded his movements, dodged and moved, avoiding the impact of the five-tailed blood horse, while swinging his sword to attack, he kept cutting scars on the five-tailed blood horse.

However, the five-tailed blood horse had an unbelievably strong vitality, and after receiving repeated sword wounds, it still looked extremely ferocious, and its strength did not seem to be exhausted in the slightest.

On the contrary, Jiang Jiuxiao gradually couldn't hold on anymore and gasped for breath.

"Five tails are here, catch it quickly!"

At this time, a clear drink sounded.

I saw a handsome man wearing a blue and white porcelain robe, holding a long sword, and leading many powerful Taoists, rushing into Yuanshen Palace.

That handsome man was none other than Aosugihiko.

Seeing Qing Sugihiko coming, Ye Chen was overjoyed.

The Taoist powerhouses under Qing Shanyan squeezed their hands one after another, pulled out lines of lawful light, organized them into a big net, and covered them towards the five-tailed blood horse.

The five-tailed blood horse was covered by the big net, and fell to the ground, neighing in pain, and its body was covered with wounds drawn by the grid.

Many Daoist masters flew over, wanting to suppress and capture it.

Chapter 9964

"Roar!"

Suddenly, the five-tailed blood horse let out a dragon roar, transformed into a red sky dragon, broke through the net, flew into the sky, and disappeared into the clouds in the blink of an eye.

"Chasing, chasing!"

Qing Sugihiko was anxious and shouted.

Many Taoist experts immediately flew into the sky to hunt down the five-tailed blood horse who ascended to heaven and transformed into a dragon.

With a wave of Jiang Jiuxiao's hand, he also sent out his strong men to follow and chase.

Qing Sugiyuan originally wanted to chase after him, but when he turned around and saw Ye Chen standing on the altar with a pale face, he couldn't help being surprised, walked over quickly, and said:

"Lord of Reincarnation, why are you here?"

Seeing that Qing Shanyan wanted to approach the altar, Jiang Jiuxiao immediately flew out to stop him, saying:

"Master Qingshan, the Lord of Reincarnation is calling Emperor Yuantian, please don't disturb him."

Qing Sugihiko's face sank, and he said:

"Jiang Jiuxiao, don't you see that he is weak?"

"What summoning Yuantian Emperor, this ceremony has failed, don't wishful thinking."

Qing Sugihiko also saw the scene of Yuanshen Paradise dissipating just now.

Jiang Jiuxiao's face shook, his lips trembled, and he said, "No, it hasn't failed yet."

"You are talking nonsense, Lord Yuantian Emperor has heard my call, and he will come immediately."

In anger, he roared with a palm, and slapped Qing Sugihiko.

Qing Shanyan was taken aback, knowing that Jiang Jiuxiao's beliefs were almost distorted, he hurriedly backed away.

Jiang Jiuxiao swept his body, but flew to the altar, staring at Ye Chen with extremely sharp eyes, and said: "Master of Reincarnation, continue quickly, and quickly summon Lord Yuan Tiandi."

Ye Chen waved his hand and said: "Today is not enough, I need to rest, try again tomorrow."

The collision of the five-tailed blood horse just now caused Ye Chen to suffer a huge shock. He needs to rest and cannot summon Yuan Tiandi for the time being.

Jiang Jiuxiao said fiercely: "No! You can, continue to sacrifice reincarnation blood, and you will be able to establish communication with Lord Yuantian."

He raised his long sword, looking fierce, grabbed Ye Chen's right arm, and slashed down with the sword: "I'll help you bleed!"

He actually wanted Ye Chen to cut off his arm and bleed to communicate with Emperor Yuantian.

"stop!"

Qing Shanyan was shocked, flicked his fingers, and a star glow shot out, and with a bang, the sword in Jiang Jiuxiao's hand was knocked into the air.

Jiang Jiuxiao's long sword was knocked into the air, but his expression became more ferocious. He let out a beast-like growl from his throat, and simply grabbed Ye Chen's arm with both hands, trying to tear Ye Chen's arm off.

"Senior Poison Hand!"

In a crisis, Ye Chen's eyes were like lightning, and he communicated with the cemetery of reincarnation.

The Poison Hand Medicine God snorted, seeing Jiang Jiuxiao being so crazy, he was not polite, and poured all his strength into Ye Chen's arm.

boom!

Ye Chen's arm exploded with monstrous poisonous gas, turning into a poisonous dragon, entangled and fluttering, roaring and shocking, and the scene was spectacular.

He clasped his hands together and slapped Jiang Jiuxiao hard with his fierce, poisonous palm.

In an instant, the bone in Jiang Jiuxiao's chest was broken, and a piece of it collapsed. With a "Puchi", blood spurted wildly, and his body flew upside down like a weed, and fell to the ground in an extremely embarrassing situation.

Qing Sugiyen and many warriors from Yuanshen Palace couldn't help being horrified when they saw Ye Chen flying Jiang Jiuxiao with one palm.

You know, Jiang Jiuxiao is the lord of the Yuanshen Palace, and his strength is extremely powerful. Even though he was injured by the Soul Slashing Knife and consumed a lot of spiritual energy in the battle

with the five-tailed blood horse, he is a first-class strong man after all, and he was defeated by Ye Chen. Frustrated with one palm.

Everyone looked at Ye Chen in horror, only feeling that Ye Chen's strength was even more unpredictable.

They didn't know that Ye Chen was able to defeat Jiang Jiuxiao with a single palm, and behind it was the help of the God of Poisonous Hand Medicine.

Jiang Jiuxiao vomited blood and was seriously injured, and was poisoned again, but his eyes were still fierce. He staggered up from the ground, roaring like a wild beast, and wanted to kill Ye Chen again.

He looks like a madman. In order to summon Emperor Yuantian, his spirit has reached the point of twisted madness.

"Traitor, you are so brave!"

Just when Jiang Jiuxiao was about to attack Ye Chen again, a shocking shout exploded from the sky.

On the sky of the nine heavens, ten thousand divine lights exploded, the rosy clouds billowed, piercing the night, and wisps of source energy bloomed, converging into a glorious and sacred heavenly world, which was the source god's paradise.

Countless epic poems of praise and sacred chants flowed out from the heaven of the source god.

A great, vast, majestic, and ancient figure slowly descended from Yuanshen Heaven.

It is Yuan Tiandi!

At this moment, Emperor Yuantian actually appeared, and a great figure emerged from the void, which shocked the entire Tianxun Island.

Seeing the figure of Emperor Yuantian, Jiang Jiuxiao was stunned for a moment, thinking that he was in a dream, then knelt down tremblingly, and said in a trembling voice:

"Lord Yuantian Emperor, is that you?"

Emperor Yuantian King Kong glared, snorted, and said, "Traitor, you still recognize me."

Jiang Jiuxiao panicked, prostrated himself on the ground, and said, "This disciple betrayed you back then, please punish him, Lord Yuantian."

Emperor Yuantian said: "I did make mistakes back then, and there is nothing wrong with you betraying me."

"You have been trapped on Tianxun Island for so many years, and any sin should be washed away."

"However, you know that the lord of reincarnation is my friend, and you still offend him, you really don't know how to live or die!"

At the end, Emperor Yuantian's tone was full of anger.

He no longer blamed Jiang Jiuxiao for his betrayal back then.

He was angry because Jiang Jiuxiao wanted to hurt Ye Chen.

Jiang Jiuxiao shivered and kowtowed again and again: "The disciple is guilty, the disciple is guilty!"

Emperor Yuantian said: "From now on, you will submit to the lord of reincarnation, serve as a slave to cattle and horses, and obey his orders, and make good atonement for your sins!"

Jiang Jiuxiao was overjoyed and said: "Yes, I would like to follow the instructions of Lord Yuantian."

He knew that Emperor Yuantian asked him to surrender to Ye Chen, that is, he would no longer blame him for his betrayal in the past, as long as he worked for Ye Chen in the future, the sins of the past would be washed away, and he was very happy in his heart.

Emperor Yuantian made the arrangement properly, nodded slightly, and said with a smile to Ye Chen: "Lord of Reincarnation, long time no see, I have retreated for a while, it seems that you have a lot of luck."

Ye Chen said with a smile: "Thanks to senior's care, I have indeed got a lot of opportunities."

Emperor Yuantian said: "Well, I heard your call and broke through the barrier. The matter happened in a hurry, but I don't have any gifts for you."

"The big battle is coming soon, let me discuss three moves with you, and give you some pointers on your martial arts."

Hearing Emperor Yuantian's words, Qing Shanyan, Jiang Jiuxiao, and all the disciples of Yuanshen Palace showed a hint of envy, and looked at Ye Chen.

It is a once-in-a-lifetime opportunity to compete with Emperor Yuantian.

Ye Chen cheered up, and knew that this opportunity to compete was very rare, so he cupped his hands and said:

"Then thank you for your guidance, senior."

Emperor Yuantian smiled and said: "Well, you can do it."

Chapter 9965

Hearing this, Ye Chen settled down, flew up to the sky, and stood face to face with Yuan Tiandi, countless thoughts flashed in his mind, and many martial arts supernatural powers flashed across his mind.

call!

Immediately afterwards, Ye Chen swung out his palm, and the demonic energy in his palm gushed out, revealing a powerful magic power that devoured souls and cracked hearts. Under the whistling of violent demonic energy, he even transformed into a scene of many demonic souls, which was very spectacular.

This palm is the Heavenly Demon Soul Eater hand that Ye Chen comprehended based on the holy hand of the Great Immortal Buddha and traced back to the root.

Generally speaking, only the most devout dark believers are qualified to practice this Heavenly Demon Soul Eater.

But Ye Chen has a special physique. He has the magic eye of death, which is completely unrestricted and can practice all dark martial arts supernatural powers.

With one palm, the Heavenly Demon Eats Soul, and the Yuanshen Paradise above the sky seems to have dimmed.

The ferocity of Ye Chen's palm can be imagined.

"good!"

Emperor Yuantian let out a sigh of admiration, seeing Ye Chen's Heavenly Demon Soul Eater coming to kill him, he took two steps back, pumped his breath, and hit back with a palm, unexpectedly he also used the Heavenly Demon Soul Eater.

His Heavenly Demon Soul Eater is much more spectacular than Ye Chen's. With a whistling palm, thousands of demon souls roar, covering the sky and the moon, shaking the universe.

Ye Chen was taken aback, and felt that Yuantian Emperor's palm, the martial law, the magic law, the heaven and earth law, and all kinds of meteorological charms all presented a perfect and harmonious order, an order in chaos.

He didn't expect that Emperor Yuantian also mastered this divine technique. It can be seen that Emperor Yuantian has studied the dark way very deeply.

boom!

The two palms clashed, and the shocking demon energy collided.

Ye Chen only felt a huge force roaring towards him, shaking his body back again and again.

But Emperor Yuantian's strength was very well controlled, and he only shook Ye Chen back, but did not hurt Ye Chen at all.

"Senior, you are really amazing."

Ye Chen sighed in admiration, feeling the palm of Yuantian Emperor just now, and his understanding of the Heavenly Demon Soul Eater has also been greatly improved.

Emperor Yuantian smiled and said: "Go out

Chapter 9966

On the contrary, when Ye Chen's Reincarnation Heaven collided with Yuantian Emperor's Yuanshen Paradise, that Yuanshen Paradise collapsed quickly and was completely shattered, turning into countless fine streamers of light, and scattered away in the air.

Seeing this scene, Qing Shanyan, Jiang Jiuxiao and others below were all shocked.

They never expected that Ye Chen would be so powerful that even Yuanshen Heaven could be smashed into pieces.

Seeing Yuanshen Heaven being smashed into pieces, Jiang Jiuxiao's faith collapsed a little, and many Yuanshen Palace disciples were also stunned.

Yuan Tiandi's Yuanshen Paradise was smashed by Ye Chen's Reincarnation Paradise all at once. Doesn't that mean that the order established by Yuan Tiandi is far inferior to Ye Chen's?

"Senior, I'm sorry..."

After Ye Chen smashed the Yuanshen Paradise, he was also surprised, and hurriedly put away the Samsara Paradise.

Emperor Yuantian looked indifferent, stroked his beard and smiled, and said: "It's okay, it seems that your order of reincarnation is far better than the order I imagined."

"The saint king who will have no time and space in the future must be you."

Ye Chen said: "The Saint King?"

Emperor Yuantian said: "Well, it means the supreme ruler."

"Many powerhouses in no time and space have conceived the ultimate order."

"The perfect order recognized by most powerful people is a world ruled by a saint king."

"The saint king is supreme, omniscient and omnipotent, and dominates everything."

"Under the rule of the Saint King, there will be no more disputes in the world, and everyone can live in harmony."

"In the past, many powerful people wanted to compete for the position of the saint king, but later people discovered that the saint king does not exist, and it is also an impossible state to achieve."

"Because even the Super Heavenly Emperor cannot be omniscient and omnipotent."

After a pause, Emperor Yuantian looked at Ye Chen meaningfully, and said:

"But, I think, you might be able to become a saint king."

Ye Chen smiled and said, "Thank you for your compliment, senior."

If Ye Chen's reincarnation heaven can really cover the heavens, then he is indeed qualified to be the saint king.

"Okay, I have to go first."

"Leave with me too, Tianxun Island is very dangerous."

"I have a hunch that Jianzi Xianchen wants to target you."

"If you don't leave, you may not be able to leave."

Emperor Yuantian said with burning eyes, wanting to take Ye Chen away.

Ye Chen was taken aback, and said, "Sword Xianchen wants to target me?"

Emperor Yuantian said: "Yes, my hunch, there is nothing wrong."

"If you don't leave, it will be too late."

"Once the Sword Fairy Dust descends, it will be inconvenient for me to intervene."

Emperor Yuantian couldn't be contaminated with secular karma.

Because he and Emperor Huntian lived in one body, if he left too many causal traces, then Emperor Huntian could use these traces to directly resurrect.

Ye Chen's face darkened, and he said: "Senior, my Heavenly Sword of Reincarnation has not been strengthened yet, so it is inconvenient to leave with you."

"If Jianzi Xianchen really wants to target me, it will be a bit tricky, but..."

Ye Chen was a little embarrassed, he knew that Jianzi Xianchen was powerful, and once the opponent attacked, he would be very troublesome.

However, at this juncture, it is impossible for Ye Chen to give up the Samsara Heavenly Sword and leave.

Seeing that Ye Chen was inconvenient to leave, Emperor Yuantian pondered for a while, and said, "If it is inconvenient for you to leave, I can give you a talisman."

"If there is any danger, you just tear up the talisman."

"But this talisman, unless it is absolutely necessary, you must not use it."

As he spoke, Emperor Yuantian waved his hand and bestowed a talisman.

Ye Chen took the talisman, and saw that the talisman was covered with filth, with worms wriggling on it, and the word "Ugly God" was printed on the talisman paper.

"This is....."

Seeing this ugly divine talisman, Ye Chen was shocked, and looked up at Emperor Yuantian.

"Take care, I'm leaving."

Emperor Yuantian smiled meaningfully, turned around and disappeared in the void.

Ye Chen watched Yuan Tiandi leave, still in doubt in his heart.

He never expected that Emperor Yuantian would actually bestow upon him an ugly divine talisman.

What is the causal relationship between Emperor Yuantian and Ugly God?

Seeing Emperor Yuantian give a talisman to leave, Qing Shanyan, Jiang Jiuxiao and others all admired Ye Chen's good fortune.

In the entire Tianxun Island, Ye Chen is the only one who can speak on an equal footing with Emperor Yuantian.

Ye Chen's thoughts surged, and he took the dirty and ugly god talisman into the cemetery of reincarnation, temporarily handed it over to the Poison Hand Medicine God, and then fell from the sky.

Jiang Jiuxiao knelt down in front of Ye Chen respectfully, and said, "The lord of reincarnation, I will serve you."

Now that he has completely surrendered to Ye Chen, he is a cow and a horse, going through fire and water, willing to do anything, just wanting to wash away the sin of betraying Emperor Yuantian.

Ye Chen gave a "hmm", recalled what Emperor Yuantian said just now, and said to Jiang Jiuxiao:

"Jianzi Xianchen may want to target me, you Yuanshen Palace, watch carefully, and be careful of Jianzi Xianchen's attack."

Daozong has the rules of Daozong. It is impossible for Jianzi Xianchen to come and hurt Ye Chen directly, so he will probably find some kind of agent.

That being the case, there is still the possibility of things turning around.

If Jiang Jiuxiao risked his life to protect him, Ye Chen might also be able to survive smoothly.

As long as the Reincarnation Heavenly Sword is strengthened, he will leave Tianxun Island immediately to participate in the battle on the Dao.

Once the reincarnation sword is strengthened, Ye Chen is confident that he can break the situation of ten deaths and no life.

"yes!"

Jiang Jiuxiao respectfully agreed, his eyes revealing a determination to die, as if even if Jianzi Xianchen came in person, he would protect Ye Chen at all costs.

Chapter 9967

After making arrangements, Ye Chen left Yuanshen Palace and returned to Shura Soul Palace.

Qing Shanyan followed Ye Chen, sent an invitation, and said: "Lord of Reincarnation, why don't you go to see my father and tell him clearly that Jianzi Xianchen may target you, and my father will help."

Ye Chen said: "Oh?"

Qing Shanyan said: "My father is the manager behind Tianxun Island, and he directly obeys the master. If Jianzi Xianchen wants to cause trouble, he will never sit idly by."

Ye Chen's eyes lit up, but he didn't expect Qing Sugihiko's father to be the manager of Tianxun Island.

It seems that Qing Sugihiko's family must have a deep foundation in the Taoist sect.

Otherwise, it would be impossible to manage Tianxun Island.

And Aosugihiko himself is ranked in the Shinto list

Chapter 9968

"Isn't my goddess worthy of your trust?"

"If you stop that kid from forging a sword, my heavenly daughter will definitely win the championship."

"At that time, I will not treat you badly."

Qingshan Tianhai showed a troubled expression, and said:

"Jian Zuo Shi, it's not that I don't want to help you, but that it's really inconvenient for me to intervene due to the restrictions of the Dao Sect's rules."

"Oh, I am also helpless, please forgive me."

Jianzi Xianchen slapped the table and said angrily: "Qingshan Tianhai, you push me back and forth, are you really not paying attention to me?"

Qingshan Tianhai said: "Jian Zuo Shi, calm down, I just follow the rules, if there is anything wrong, you can complain to the master."

Jianzi Xianchen had blue veins throbbing on his forehead, he snorted, but he had no choice but to say to the heavenly girl, "Girl, let's go!"

He took the goddess and left, very angry.

When the two left the mansion, the goddess asked softly, "Master, is there nothing I can do?"

Jianzi Xianchen laughed at himself, and said: "In order to forge a super-grade heavenly sword, I have been away from the world for too long, and even a mere green fir Tianhai doesn't take me seriously."

"When my weapon is forged, I will

Chapter 9969

He shot his gaze at Marven Ye: "Lord of Reincarnation, you can leave with this sword, hahaha."

The icy blood pool, because of the insertion of the Samsara Heavenly Sword, instantly became hot, bubbling with bubbles.

Under the influence of the blood pool, the Samsara Heavenly Sword continued to cool down.

As long as the sword body is completely cooled, Ye Chen can leave with the sword.

That blood pool was formed by gathering the blood of many living people, as well as the blood essence of dark souls, and it even contained the blood essence of Mo Yu himself.

In order to help Ye Chen sharpen his sword, repay the kindness of detoxification, and repay the cause and effect, he really did not care about the cost.

"Thank you senior!"

Ye Chen was overjoyed, and thanked Mo Yu.

"You're welcome, cough...cough cough..."

Mo Yu wanted to say something, but finally helped Ye Chen complete the tempering of the sword. His body's vitality was seriously depleted, and now he has fallen into an extremely weak state.

Ye Chen looked at the Samsara Heavenly Sword in the blood pool, drank blood continuously, absorbed the essence, and the sword cooled down quickly.

He strode over and wanted to take out the Samsara Heavenly Sword.

"Roar--"

However, at this time, an unimaginable, earth-shattering giant dragon roar exploded from the sky, shaking in all directions.

The entire Shura Soul Palace was almost shattered under the vibration of the dragon's roar. One by one buildings collapsed, violent hurricanes rolled up, flying sand and rocks, the storm billowed, and the dust stirred up like a natural disaster.

The disciples of Shura Soul Palace and Yuanshen Palace were all shocked.

Ye Chen froze when he heard the roar of the dragon, and looked up at the night sky.

In the night sky, the red light billowed, and the mighty red Shenxi swept across the sky like a flame, reflecting the night like day.

A huge dragon's head, teeth bared and eyes cracked, ferocious and stern, poked out from the red clouds in the sky, its sharp gaze overlooked Tianxun Island, high above, with a look of contemptuous arrogance.

Everyone was shocked to see this huge dragon head.

"It's five tails, red dragon!"

Qing Sugihiko yelled, only feeling terrified.

Among the tailed beasts, the shape of the five-tailed horse is a bloody horse, which can ascend to heaven and transform into a dragon.

The dragon transformed from the five tails is called Chilong.

Rumble!

The appearance of the five-tailed red dragon caused thunderstorms to explode in the sky.

The huge dragon body loomed among the clouds in the night sky.

This five-tailed red dragon received some blessings and blessings. His body was much stronger than before, and his aura was majestic and earth-shattering. When he appeared, he tore up the night sky and shocked the world.

"Small bugs, you still want to hunt and kill me, it's wishful thinking."

"Tonight, I want you to die and be buried. Scream!"

The five-tailed red dragon roared, and the sky was full of red light, tearing apart the sky, causing countless stars to fall, and then mixed with the rolling red light, it turned into a monstrous rain of meteors and fire, roaring and smashing down.

"Protect the Lord of Reincarnation!"

Jiang Jiuxiao's face was extremely heavy, and he rushed to Ye Chen with a large number of strong men, lest he be injured.

"This bastard, the timing of his shots is really good!"

Jiang Jiuxiao gritted his teeth. Now that the reincarnation sword has just been strengthened, a large amount of energy from the earth veins of Shura Soul Palace has been consumed, and the protection of the earth veins is unprecedentedly weak.

And Mo Yu, after finishing tempering his sword, fell into an extremely weak state and was completely unable to fight. Now that the sky is full of meteors and fire rain, he can only hide under the cover of a few guards.

It is the right time for the five-tailed red dragon to make a move at this moment.

The rain of meteors and fire fell all over the sky, smashing one building after another in the Shura Soul Palace. I don't know how many people were smashed into meat paste, and there were bursts of screams.

Due to the weak protection of the earth's veins, the protective array of Shura Soul Palace was completely unable to stop the terrible meteor shower, and was smashed through like paper.

Qing Sugiyen released a signal flare, summoning the Taoist strongman to help, vaguely saw something was wrong, strode to Ye Chen, and said:

"The lord of reincarnation, Wuwei's attack at this time is too coincidental."

"It has been hiding, and there must be someone behind it."

"I suspect that Jianzi Xianchen is targeting you. Take the Samsara Heavenly Sword and leave quickly, hurry up!"

Prior to this, Qing Sugihiko and many Taoist experts had been searching for Wuwei, but found nothing.

They once thought that Wuwei had escaped from Skyscan Island.

Otherwise, it is impossible not to catch even a little breath of heavenly secrets.

It wasn't until this moment that Wuwei appeared that Aosugihiko was sure that there was someone behind him covering Wuwei and helping to hide his breath.

The person behind him, besides Jianzi Xianchen, he really couldn't guess who else was there.

Now Wuwei launched an attack, probably at the behest of Jianzi Xianchen!

Jianzi Xianchen is the real mastermind behind the scenes!

Ye Chen's pupils shrank, and he also vaguely caught the secret, knowing that things were not easy.

He must leave as soon as possible, otherwise the consequences will be disastrous.

"Sword!"

Ye Chen thought silently, the Samsara Heavenly Sword in the blood pool heard his call, immediately flew out of the blood pool with a cry, and returned to his hand with a streamer in the air.

Holding the Samsara Heavenly Sword, Ye Chen's heart became clear in an instant.

After the Reincarnation Heavenly Sword has been strengthened, its energy background has become extremely powerful, its sharp edge is fierce and domineering, shrouded in divine light, and bursting with golden light, it can be seen at a glance that it is a peerless magic weapon.

Ye Chen is the master of the Samsara Heavenly Sword. He regained control of this sword, and the powerful energy contained in this sword was also fed back into his body.

boom!

In an instant, the air around Ye Chen exploded, and the spiritual energy in his body spun rapidly, and it was a matter of course, and he broke through directly.

Ye Chen's cultivation, with the help of the Samsara Heavenly Sword, broke through from the middle-level immortal emperor to the high-level immortal emperor.

The mighty golden light of reincarnation soared into the sky, startling the five-tailed red dragon.

Ye Chen wanted to leave, but the five-tailed red dragon roared in the air, its eyes burst into flames, the huge dragon body flew down from the sky, and its claws grabbed Ye Chen fiercely.

"Lord of reincarnation, your flesh and blood, my food!"

"Die!"

The ferocious dragon claws, with the majesty of a tailed beast, wanted to pierce through the starry sky and pierce Ye Chen's body.

Under the berserk power of the five-tailed red dragon, Qing Sugihiko, who was standing beside Ye Chen, was so shaken that he backed up again and again, almost unable to stand.

"Lord of reincarnation, be careful!"

Jiang Jiuxiao yelled, and brought a few strong men with him, roaring over to protect Ye Chen.

He had promised Emperor Yuantian, for him, Ye Chen's safety exceeded the value of his own life!

Puchi, puchi, puchi!

The claws of the five-tailed red dragon were suppressed, the violent dragon's power burst, and the sky-shattering wind rolled.

Under the tremendous pressure, the bodies of Jiang Jiuxiao's followers exploded on the spot, and they died violently and violently.

Jiang Jiuxiao was terrified, but in order to protect Ye Chen, he stood up to cover Ye Chen and shouted: "Lord of reincarnation, go, hurry..."

Chapter 9970

Before he could finish his sentence, the sharp claws of the five-tailed red dragon pierced his heart with a puff.

Immediately, Jiang Jiuxiao's face was distorted, and he felt that the vitality in his body was constantly passing away.

The five-tailed red dragon withdrew its claws, and Jiang Jiuxiao fell down, not knowing whether he was dead or alive.

"Little ants, praying arms to block the car."

The five-tailed red dragon grinned disdainfully.

"Palace Master Jiang!"

Seeing Jiang Jiuxiao fall down, Ye Chen's face was shaken, and he stared at Wuwei with furious eyes, holding the hand of Samsara Heavenly Sword tightly, his veins bulged and his strength surged.

He just wanted to sacrifice the ugly god talisman that Emperor Yuantian had given him, and fight to the death.

At this time, there was a chirping sound in the sky, and beams of divine light flew from afar.

However, Qingshan Tianhai came to the rescue with many Taoist powerhouses.

"father!"

Seeing Qingshan Tianhai coming, Qingshan Yan was pleasantly surprised.

Qingshan Tianhai glanced at the appearance of the five-tailed red dragon wreaking havoc, couldn't help frowning, and shouted at Ye Chen:

"Lord of Reincarnation, get out of the way."

After a pause, he said to the Taoist powerhouse beside him:

"Lay out a net and capture this beast!"

The members of the Taoist sect strongly responded: "Yes!"

I saw one by one Dao sect powerhouses scattered and formed a formation, each displaying the Dao sect's military casting technique, united together, casting a net of heaven and earth, with runes intertwined, and the gods flickering, covering the five-tailed red dragon in the sky go down.

Seeing this, Ye Chen immediately pulled away to avoid it.

The five-tailed red dragon was so huge that it was difficult to move, and cursed: "Damn it!"

But that heavenly net had already enveloped its body, and the net was strangled deeply, like a knife cutting, leaving terrible wounds on its body, bleeding profusely.

"Roar!"

The severe pain made the five-tailed red dragon roar angrily.

Qingshan Tianhai's face was calm, unmoved.

His heaven and earth net was designed for the five-tailed red dragon, and it was cast using the Dao Zong's military casting technique, which has a strong targeting effect.

"Lord of Reincarnation, you leave Tianxun Island immediately."

"I've prepared the flying boat, and I'm waiting for you outside the island."

Qingshan Tianhai looked at Ye Chen and said.

The five-tailed red dragon appeared suddenly, and he suspected that Jianzi Xianchen was causing trouble.

Ye Chen must be sent away immediately, otherwise, Ye Chen might not be able to leave.

"Thank you!"

Ye Chen nodded, looked into the distance, and saw a flying boat waiting for him outside the island.

As long as he boarded the airship, he could leave Tianxun Island.

At that moment, Ye Chen didn't hesitate, stepped on his feet, and immediately flew outside.

The five-tailed red dragon stared at Ye Chen, roaring and struggling, as if unwilling.

But the more he struggled, the tighter and tighter the net laid by Qingshan Tianhai shrank, causing it to be covered in blood and flesh, with cuts and bruises all over his body, and many wounds showed deep bones.

"Lord of reincarnation, I want you to die!"

Suddenly, the eyes of the five-tailed red dragon revealed an incomparably ferocious look, with dragon scales intertwined with runes all over his body, and then sword aura burst out from the dragon scales, slashing outward fiercely.

Those sword qi, the charm soaring to the sky, fierce and powerful, with the domineering aura of a heavenly emperor cutting mortal dust, it is not like the aura that can be erupted by a tailed beast.

"This is... the appearance of Jianzi Xianchen!?"

Qingshan Tianhai was taken aback, from the streaks of sword energy, he actually caught the aura of Jianzi Xianchen.

Originally, he had set up a net of heaven and earth, and had captured the five-tailed red dragon.

But this time, the five-tailed red dragon erupted with shocking sword energy, and completely cut through his blocking net on the spot.

"Roar--"

The five-tailed red dragon roared, its bloody body was still fierce and unparalleled, and it flew towards Ye Chen madly.

Seeing this scene, everyone in the audience turned pale with shock. Could this be the life and death crisis of the Lord of Reincarnation?

You know, after all, Ye Chen's cultivation is only the ninth level of the infinite realm, no matter how powerful he is, it is impossible to fight against the berserk tailed beast alone.

The red dragon's sharp claws were full of blood, and even each claw had a faint sword aura, and it hit Ye Chen with its head around, trying to kill him with one blow.

No one can stop and rescue this sudden change.

When Ye Chen saw the five-tailed red dragon attacking, his pupils shrank violently, but he reacted very quickly, and immediately sacrificed a talisman.

The talisman was dark and filthy, covered with worm-like streams of magic, it was the ugly god talisman bestowed on Ye Chen by Emperor Yuantian, which could be used for self-defense.

Emperor Yuantian bestowed this talisman to prevent accidents from happening.

Ye Chen didn't hesitate at the moment, and immediately wiped the talisman on the Samsara Heavenly Sword.

The ugly talisman turned into a black streamer and penetrated into Ye Chen's Samsara Heavenly Sword.

In the next moment, Ye Chen's Samsara Heavenly Sword burst out with a shocking divine light, and the rosy clouds gushed out. A perfect, orderly, and harmonious epic hymn flowed out of the sword.

Seeing this scene, Ye Chen was stunned.

He originally thought that the energy erupted from the ugly god talisman must be full of filth and ugliness.

But who would have thought that the weather that is blooming now is so sacred and brilliant, the radiant azure sky soars into the sky, and a great phantom of the emperor of heaven is transformed above Ye Chen's head.

That is the figure of the Goddess of Beauty in the legend!

Goddess of Beauty clasped her hands together and closed her eyes slightly, as if she was praying for Ye Chen, wisps of gentle light poured down and landed on Ye Chen, as gentle as a sympathizer's touch.

"How is this going?"
