

Physician 9971

Chapter 9971

Ye Chen was puzzled, it was clearly an edict of the ugly god, but why did it erupt into the god of beauty?

The people present were stunned when they saw the figure of the God of Beauty. They had never seen such a beautiful and noble God.

When the five-tailed red dragon saw the figure of the god of beauty, he was also stunned and absent-minded.

After a short period of shock, it let out a fierce roar, its eyes were indifferent to everything, and the dragon claw continued to kill Ye Chen.

Ye Chen came back to his senses, and immediately slashed out with a sword.

His reincarnation sword has been strengthened, and now he is blessed by the god of beauty, the lethality is simply terrifying, showing his sharpness.

Under the blessing of the God of Beauty, Ye Chen felt that his sword technique was so perfect.

The sword he swung was a perfect sword technique that did not exist in the world, without any flaws.

Scoff!

With a precise sword strike, Ye Chen cut the five-tailed red dragon into two neatly.

The body of the five-tailed red dragon was split into two pieces, and the internal organs fell to the ground, blood rolling.

Those falling organs sneered and turned into the original energy breath of the tailed beast.

"Blood dragon, swallow it!"

Ye Chen reacted very quickly, and immediately summoned the blood dragon to devour the energy of the five-tailed red dragon's tail beast, so as not to waste it.

The blood dragon roared, swallowed and absorbed frantically, and quickly swallowed half of the energy breath of the five-tailed red dragon.

The remaining half of the five-tailed red dragon's body was terrified. After shaking for a while, it turned into a ball of blood, and fled out in terror.

"Crazy! Beauty God, you crazy!"

"Ahhh, how did you submit to the Lord of Reincarnation!"

Looking at the phantom of the God of Beauty gradually disappearing in the sky, Wuwei roared unwillingly.

Seeing Wuwei running away, Ye Chen wanted to raise his sword to chase after him, but his body felt weak for a while.

Just borrowing the power of the God of Beauty to kill Wuwei, Ye Chen's consumption is also very intense, and he can no longer chase and kill Wuwei.

As for Aosugi Hiko, Aosugi Tianhai, and others, all the people present were in shock and astonishment. When they came back to their senses, Wuwei had completely escaped and disappeared.

"Lord of Reincarnation, your sword just now was really perfect."

"Which god blessed you? That beautiful god, what is her name?"

Qing Sugihiko quickly came to Ye Chen's side, praised him again and again, and asked curiously.

The figure of the Goddess of Beauty gave him a huge shock.

Ye Chen shook his head, didn't say too much, changed the subject, and said, "Brother Qingshan, you should go and hunt Wuwei quickly."

He has already let the blood dragon swallow half of the five-tailed energy, if the blood dragon can digest it, his strength will definitely improve by leaps and bounds.

As for the other half of the five-tailed energy, Ye Chen naturally didn't want to miss it.

"good!"

Qing Sugihiko nodded, and immediately wanted to lead someone to hunt down Wuwei.

Chi Chi Chi!

But at this time, a shocking scene appeared.

I saw giant swords coming down from above the sky.

Thousands of giant swords, like the wrath of the supreme gods, rumbled, mixed with the sound of wind and thunder from heaven and earth, fell violently, and were inserted around Tianxun Island, forming a huge sword array, covering the entire sky. The patrol island is blocked.

The majestic and fierce sword energy came from the huge swords, making everyone in the audience breathless.

Amidst the rolling sword energy and thunder, two figures emerged, they were Jianzi Xianchen and Tiannv.

Seeing the appearance of Jianzi Xianchen and Tiannv, everyone in the audience was shocked.

"Jian Zuo Shi, what are you doing?"

Qingshan Tianhai saw that the entire Tianxun Island was blocked by a giant sword, and his face suddenly sank.

Jianzi Xianchen smiled and said: "There is a tailed beast in Tianxun Island. Your Qingshan family has been arresting it for many days, but you haven't caught it. You almost let that beast cause a terrible disaster."

"I've made a decision. Put down the sword array and completely seal off Tianxun Island. No one is allowed to leave until the tail beast is caught."

After a pause, Jianzi Xianchen waved his hand, and the void behind him split open, and warrior monks walked out of the void gap.

Those martial artist monks, all dressed in Mantuo Villa's costumes, were actually Hua Zu's disciples.

"Tianxun Island has been sealed off. That tailed beast cannot fly with its wings. Hurry up and search for it."

Jianzi Xianchen issued an order.

He lived in seclusion all year round to forge swords, and he didn't have many people to use under his command. These people were borrowed from Hua Zu.

"yes."

The many warrior monks respectfully accepted the order, and then scattered to search for Wuwei.

Qingshan Tianhai said in a deep voice: "Jian Zuo Shi, do you want to take over the affairs of Tianxun Island? Do you have a warrant from the Great Master?"

Jianzi Xianchen laughed, and said: "Your Qingshan family is not doing well, what warrant do you need?"

"After I catch the tailed beast, I will naturally explain it to the Grand Master myself, so I don't need you to worry about it."

Qingshan Tianhai faintly felt something was wrong, looked at the countless giant swords blocking the island, and said: "Jian Zuoshi, since this is the case, please open the sword formation blockade first, let my Yan'er, and the Lord of Reincarnation, leave first. Let's talk about it here."

"In a few days, it will be the day of fighting on the road, and they can't be trapped here."

Even Qingshan Tianhai felt the pressure from the blockade of the sword array, faintly suffocating.

If Jianzi Xianchen refused to make a move, then no one would be able to break through and leave.

Jianzi Xianchen stroked his beard, sighed and said, "This is really difficult."

"If I open the blockade and the tail beast accidentally runs out, it will be troublesome."

"Lord of reincarnation, you and Qingsugihiko, stay here for now, wait until I catch the tailed beast."

Chapter 9972

Qingshan Tianhai said in a deep voice: "It's only been a few days since the Great Dao battle, if we don't catch the tail beast, are we going to keep them locked here? What if we miss the time..."

Jianzi Xianchen sighed: "If time is delayed, there is nothing we can do about it."

"Lord of reincarnation, nephew Qingshan, I'm really sorry."

"If you unfortunately delay your participation in the Taoist Grand Competition, I will give you enough compensation."

These words were very helpless and sincere, but Ye Chen and Qing Shanyan felt hypocritical when they heard it.

They seemed to hear the laughter in Jianzi Xianchen's bones.

It's just an excuse to catch a tailed beast.

What Jianzi Xianchen really wants is to completely block Ye Chen on Tianxun Island and prevent him from participating in the Dao Sect Grand Competition.

Aosugihiko was only implicated.

What Jianzi Xianchen wants to target is Ye Chen!

The celestial girl suddenly called out: "Master, will I be blocked here too?"

Jianzi Xianchen's expression froze immediately, and subconsciously said: "How can you be the same as them?"

With these words, everyone felt that something was wrong.

Jianzi Xianchen was obviously aiming at Ye Chen. He was afraid that Ye Chen would compete with the goddess for the championship, so he simply blocked Ye Chen here.

Qingshan Tianhai sneered "Hey" and said, "Jian Zuo Shi, are you so afraid of the Lord of Reincarnation?"

Jianzi Xianchen said: "I don't know what you are talking about, in short, no one is allowed to leave Tianxun Island until the tailed beast is caught."

"Girl, let's go!"

After all, Jianzi Xianchen took the goddess, tore apart the void and left, and came to the ocean outside Tianxun Island.

With a hint of worry on her face, the celestial girl said, "Master, isn't it good for us to do this?"

"If you don't let Ye Chen participate, then even if I win the championship, what's the point?"

Jianzi Xianchen said: "Girl, don't think too much, don't let your heart be covered with dust."

"I told you earlier, this world is so ugly, full of intrigues and deceptions everywhere."

"Master is also an ugly person. There is no medicine to save him. If you ascend to heaven as soon as possible, you will be free."

"As for Master, hehe, when the super-grade Heavenly Sword is cast, Master can slash the ugliness of the heavens from the outside, and the sins of the Dao heart from the inside. At that time, Master can also ascend to heaven and be liberated, and come to accompany you."

At the end, Jianzi Xianchen's tone was very desolate.

He conspired against Ye Chen, his eyes originally contained a hint of ferocity and mockery, but now they became extremely clear.

The Goddess of Heaven felt bleak, and felt an inexplicable sense of sadness, she nodded silently.

...

At this time, Ye Chen, Qingshan Yan, Qingshan Tianhai and others were all blocked on Tianxun Island by the sword formation set up by Jianzi Xianchen.

Qingshan Tianhai tried his best to bombard the sword formation, but it didn't work at all, and he couldn't shake it at all, even he was almost killed by the sword energy of the sword formation.

As for Mo Yu, after strengthening the Samsara Heavenly Sword, he was completely weak and unable to help.

Jiang Jiuxiao was even more miserable. His heart was pierced by Wuwei, and most of the timelines were wiped out. Only the last timeline was left. Fortunately, it was not extinguished. It may be the protection of the Emperor Youyuan, but he was deeply injured and also Inability to do anything.

This time, Ye Chen fell into a complete desperation.

Restricted by Taoist rules, Jianzi Xianchen would certainly not harm his life.

However, blocking him here and preventing him from participating in the Dao Sect Grand Competition would be more uncomfortable than killing him.

Ye Chen didn't know how long he had been preparing for this competition.

His samsara bloodline has a rich background, and his promotion and breakthrough are far more difficult than ordinary people. The reward for the champion of the Grand Competition, the God of Heaven, is the divine object he dreams of, which can greatly assist him in his cultivation.

Grandfather Hongjun, Martial Ancestor, Buddha and other great figures, they have all won the championship of Dao Zhengfeng, won the Divine Source of Heavenly Emperor, and finally became the top Heavenly Emperor.

Ye Chen didn't want to miss it. If he wanted to become a top Heavenly Emperor in the future, the Divine Source of the Heavenly Emperor was also very important.

Moreover, he made a promise with Huang Lao that he must win the championship, otherwise he would be kicked out, and he would never know what the ultimate order Huang Lao conceived was.

Three days have passed in a hurry, and there are still a few days left before the start of the Grand Dao battle.

During these three days, Jianzi Xianchen's subordinates were slowly looking for the tailed beast.

And Ye Chen, the people under the Qingshan family, all mobilized and searched like digging three feet.

As long as the tail beast can be found, Jianzi Xianchen's mouth can be blocked and he can unblock it.

But unfortunately, no matter how hard Ye Chen and the others tried, they couldn't find any trace of the tailed beast.

"Master, the five tails are on Jianzi Xianchen."

At this time, Xuelong's voice was heavy, telling Ye Chen the news.

"What did you say?"

Ye Chen twitched his face.

The blood dragon said: "In the past few days, I digested part of the energy of the five tails, and I was able to capture the remaining half of the energy of the tail beast, which was hidden by Jianzi Xianchen."

When Ye Chen heard this, he smiled wryly, and said: "Jianzi Xianchen will not admit it, he is targeting me, and wants to completely cut off my hope of participating in the competition."

Even if Ye Chen went to confront Jianzi Xianchen now, it would have no effect at all.

Even if Wuwei is hidden in Jianzi Xianchen's body, as long as he doesn't expose himself, no one can dig it out.

Blood Dragon naturally knew this, and immediately became depressed, saying:

"Master, is there really nothing I can do?"

Chapter 9973

Ye Chen thought for a while, and said: "If Jianzi Xianchen really insists on blocking it, then I can summon Senior Ren to come, and maybe I can break the situation."

"But I'm afraid that Jianzi Xianchen won't let in oil and salt, and won't give anyone's face, then it will be troublesome."

The blood dragon sighed and stopped talking.

Another day passed, but Ye Chen saw a huge sky boat sailing to Tianxun Island from the outside world.

An old man, standing on the bow of the boat, turned out to be Huang Lao.

"Jianzi Xianchen, get out!"

"What are you doing, blocking Tianxun Island? Who allowed you to do this?"

Huang Lao was furious and shouted loudly.

When Ye Chen saw Lao Huang appearing, he was pleasantly surprised.

If Huang Lao can break the blockade of Jianzi Xianchen, that would be great.

Jianzi Xianchen appeared with the celestial girl, flew to the sky, looked at Huang Lao with a smile, and said, "Huang Zizai, why are you here?"

The old man Huang shouted: "Ye Chen is my disciple, why are you blocking him? You want Tiannv to win the championship, but you use such indecent means, you really call yourself a senior master."

Jianzi Xianchen was unmoved, and said: "I just wanted to catch the tailed beast. He was blocked accidentally, it was an accident."

"Also, so many people are targeting the Lord of Reincarnation in this grand battle, if he participates, I'm afraid it will be a dead end."

"Let him stay on Tianxun Island, and he still has a chance to survive."

"Hehe, Huang Zizai, why do you push him to die?"

Boss Huang scolded: "Fart! Let me go immediately!"

Jianzi Xianchen said: "I'm sorry, this sword array is sealed and cannot be opened, otherwise Wuwei will escape, and there will be endless troubles."

Old Huang's face twitched, and he said, "Jianzi Xianchen, don't force me to do it."

Jianzi Xianchen said indifferently: "You can do it, you can even kill me, if you have the ability."

"However, if you want me to open the blockade, it is absolutely impossible."

Huang Laofei was about to be blown out of anger, he didn't expect Jianzi Xianchen to plot against Ye Chen, a junior, in such a disregard of his status.

"Very good, very good, I will call the Great Master to treat you!"

Gritting his teeth, Huang Lao turned around and left.

Jianzi Xianchen's status is very important, he is one of the two Daozong's guardian emissaries, and it is not convenient for Huang Lao to tear his face until the last moment.

He just wanted to ask the master to come forward and resolve this matter.

Jianzi Xianchen saw Huang Lao leave, and the corner of his mouth curled up.

He knew that it was definitely not an easy task to invite the master.

The grand battle will start the day after tomorrow. Even if Huang Lao can really ask the Great Ruler to come out of the mountain, I'm afraid it will be too late.

As long as Ye Chen misses the chance to compete, no one will be able to threaten Tiannv again.

On Tianxun Island, Ye Chen felt deeply worried when he saw Lao Huang leave.

At night, Ye Chen, Qing Shanyan, Qing Shan Tianhai, Mo Yu, Jiang Jiuxiao and others gathered together to discuss countermeasures.

Jianzi Xianchen's sword array blockade is very strong, and it cannot be broken through by ordinary means.

Jiang Jiuxiao said he wanted to sacrificially blow himself up and forcibly blasted the blockade, but was rejected.

After all, there is only the last timeline left for him now, even if he blew himself up, he might not be able to explode with much power.

The proposal was rejected, Jiang Jiuxiao was a little helpless.

And then, his eyes flickered, as if he remembered something, looked at Mo Yu, and said:

"Moyu, I remember that you tried to escape from Tianxun Island before, and summoned a door of darkness."

"The door of darkness, leading to the outside world, may be a way to leave."

Mo Yu frowned and said: "The door of darkness... Well, I prayed to Lord Hun Tiandi, asking him to bless me and help me escape from the door of birth."

"But that door, I dare not step in."

"Because, I feel that behind the door of darkness is an extremely terrifying and chaotic world, full of countless ominous and dark things."

"Even if I, the Lord of the Soul Race, step into the Dark Gate rashly, I'm afraid I will be completely swallowed."

After a pause, he looked at Qingshan Tianhai again, and said:

"Moreover, when the door of darkness came, Qingshan Tianhai also discovered it. He blocked the door and cut off my hope of escaping."

Qingshan Tianhai seemed to have thought of something, and said: "That dark door...is indeed too dangerous, I have completely sealed it."

Qing Sugihiko hurriedly said: "Father, can you open the seal? The day after tomorrow is the day of fighting for the top. If the Lord of Reincarnation and I don't want to get out, we will miss the time!"

Qingshan Tianhai shook his head and said: "The seal is sealed, it is very difficult to open it, it can't be done in a day or two."

"Also, I have peeped into the world behind the portal of darkness."

"It was a dark and chaotic world full of countless demons and monsters, and there were many storms of sword energy constantly brewing. I caught a terrifying ancient aura, which seemed to be related to the Heaven Dou Massacre Sword."

Hearing Qingshan Tianhai's words, Ye Chen, Qingshanyan, Mo Yu and others looked at each other in blank dismay.

Ye Chen said: "Heaven Dou Massacre Sword? What's going on here?"

Heaven Dou Massacre Sword, is the Thirty-Three Heavens Divine Art, ranked

Chapter 9974

Hearing this, everyone present was shocked.

"Heaven Fight Killing God..."

Ye Chen muttered the name, but felt a faint vibration in the cemetery of reincarnation.

This shock surprised Ye Chen.

Could it be that this Tiandou Shashen is the great power in the cemetery of reincarnation?

He is the true creator of the Heaven Dou Massacre Sword! ?

Qingshan Tianhai said: "The name Tiandou Shashen is very secretive, very few people outside know about it."

"I'm also the master who told me, so I know."

"The god of fighting and killing that day is one of the six ancient gods."

"This year's Great Dao Contest, the Grand Master will probably reveal the mysteries of the six ancient gods."

"The ancient gods of the six realms have long since fallen, and the Heavenly Dou Killing God is no exception."

"After he died, the world he created was engulfed by boundless darkness, and demon gods and monsters were born everywhere."

Speaking of this, Qingshan Tianhai glanced at Mo Yu:

"You begged the Soul Emperor to help you escape from Tianxun Island, but he gave you a dark door leading to the world of Heaven Fighting and Killing God."

"If you step into that door, you will most likely be completely swallowed up by the darkness of the Killing God's World."

"Hehe, Emperor Huntian wants you to die so that he can absorb the essence of your life."

Mo Yu fell silent, with a complicated expression.

Although he is a follower of Emperor Huntian, he has no determination to sacrifice his life to worship.

And the ruthlessness of Emperor Huntian's methods also made him feel chilling.

Is this kind of god really worthy of belief?

Ye Chen turned his eyes, pondered for a while, and said to Qingshan Tianhai: "Senior, where are you sealing that door of darkness?"

Qingshan Tianhai raised his left hand and said, "It's right here."

On the palm of his left hand, there was a dark totem branded. It was a disc-shaped dark gate, with lawful chains intersecting to block it.

"Behind this dark door is the world of killing gods that has collapsed and been swallowed by darkness. Monsters are rampant and weirdness is full."

"I'm afraid that the monster behind that door will come out and mess up Skyscanner Island, so I sealed this door on myself for supervision."

"However, I must have thought too much. This door of darkness is extremely well sealed."

"Furthermore, the monsters behind the door seem to have a strong sense of territory. They will not leave their territory, but anyone who dares to approach their territory may be brutally killed."

The spiritual energy of Qingshan Tianhai poured into the palm of his hand, and the totem on his palm burst into bright black light.

The door of darkness slowly peeled out, suspended in mid-air, stirring the airflow, rumbling.

On the portal of darkness, laws are blocked, like black iron chains, intertwined and intertwined.

These chains of blockade are so strong that they cannot be clearly entangled, and even the Qingshan Tianhai, which has been sealed off, cannot be untied by itself.

"This blockade, I can break it."

Ye Chen focused his gaze, and when he saw those iron chains, he knew that if he exploded the edge of the Samsara Heavenly Sword with all his strength, he could cut it off directly.

Qingshan Tianhai said: "Do you use the reincarnation sword?"

Ye Chen said: "Yes!"

Qing Sugihiko said happily: "Lord of Reincarnation, if you break the blockade, then we can go out along this door!"

Qingshan Tianhai's expression darkened, and he said: "Yan'er, you are not allowed to leave."

Qing Sugihiko said: "Why?"

Qingshan Tianhai said: "The world behind the Dark Gate is full of monsters and chaos. It is a world that has collapsed and been swallowed by the dark abyss."

"The Lord of Reincarnation has great luck, he may be able to travel through alive."

"But, if you go in, there is only one dead end!"

Qing Shanyan said: "Father, what should we do then? Is there any other way out?"

Qingshan Tianhai said: "Even if there is no way out, you can't go to the world of killing gods to die!"

"This time, if you miss this battle, you will miss it. There is nothing you can do about it."

When Ye Chen saw Qingshan Tianhai, he would rather Qingshanyan miss the big battle than let him leave from the gate of darkness. His heart trembled, and he said:

"Senior, is the world behind the Dark Portal so scary?"

Qingshan Tianhai's face was heavy, and he said: "The world created by Tiandou Killing God is of course terrifying, and it is engulfed by darkness. For ordinary people to enter, there is only one dead end."

"Lord of reincarnation, you have great luck, you have a chance to cross alive, but my Yan'er can't."

Qing Sugihiko called: "Father..."

Ye Chen's eyes narrowed slightly, calculating good or bad luck.

He has great luck in reincarnation, and he has also cultivated the Heaven Dou Massacre Sword, which is related to Heaven Dou Killing God. Even if the world of Killing God is dangerous, he has the possibility to save the day.

Thinking of this, Ye Chen calmed down a bit, and said to Qingshan Tianhai: "Senior, then I will travel and leave alone."

"As for Brother Qingshan, think of a way."

Qing Sugihiko was annoyed for a while, and had no choice but to accept the reality, saying: "Lord of reincarnation, then you should be careful."

Ye Chen said "hmm", and then asked Qingshan Tianhai: "Senior, you said that Tiandou Shashen is one of the six ancient gods, so what kind of existence are those six ancient gods?"

Qingshan Tianhai said: "Those are six very ancient gods. They once watched the decisive battle between Yuantian Emperor and Huntian Emperor with their own eyes."

"As for the specific cause and effect of the six ancient gods, the Grand Master will announce it when the Dao battle begins."

"The Great Master reveals the secrets of the ancient gods of the Six Paths. There must be his deep meaning, but his plan is not something we can pry into."

Ancient God of the Six Paths, these four words seem to carry an extremely deep and ancient mysterious atmosphere.

Ye Chen was surprised to find that there were six tombstones in his cemetery of reincarnation, which vibrated slightly, and seemed to be inextricably linked with the six ancient gods.

"What's going on? Could it be that those six ancient gods are all powerful in the cemetery of reincarnation?"

Ye Chen was startled, and mentally communicated with the poisonous hand medicine god.

"Senior Poison Hand, have you heard of the Six Paths Ancient God?"

Poisonous Hand Medicine God frowned and said, "Ancient God of the Six Paths... I seem to have heard of Scale Claws, but I know very little about them. In this world, there are too few traces of their secrets."

"I don't know who the ancient gods of the Six Paths are, but just now I heard you mention the Heaven Dou Killing God, and I captured an extremely terrifying murderous aura, which is hidden in this cemetery."

Ye Chen looked around at the tombstones in the reincarnation cemetery, and said, "Heaven Dou Shashen, is his soul here?"

Poison Hand Medicine God showed a very dignified and fearful expression, and said:

"That day, the God of Fighting and Killing is undoubtedly one of the hundred strong men in the cemetery of reincarnation, but he does not know when he will awaken."

"I feel that he is very powerful, so powerful that even if I was at my peak, I would be killed by him with a single thought."

Ye Chen's eyes were solemn and shocked, and he murmured: "One thought kill?"

Chapter 9975

The Poisonous Hand Medicine God at his peak was also a top powerhouse, but he was going to be killed by Tiandou Killing God with a single thought.

Just how strong is the God of Fighting and Killing that day?

The desolate old man was once a taboo in the cemetery of reincarnation, and it was already terrifying.

Now it is the ancestor of the Taoist sect!

However, the taboo statement in this world is obviously aimed at the real world.

But the real world and Wu Wu time and space are like the earth and the sky, and there is a huge gap.

I came to Wuwu Time and Space and witnessed too many strong people. From this point of view, the water in the cemetery of reincarnation is still very deep.

The Poisonous Hand Medicine God said: "Yes, there is a sky beyond the sky, and there are people beyond the human world. I never thought that there would be such a powerful existence in this world."

"That Heaven Dou Killing God deserves to be the great existence who created the Heaven Dou Massacre Sword. I can only say that I am totally impressed."

"Even if he only has a divine soul left, the divine soul is extremely powerful and terrifying. It is estimated that it will be impossible to awaken and show up in a short time."

"Because, once he shows up, that terrifying killing intent will directly crush your spirit."

"You are the owner of the tomb, of course he can't hurt you, hehe..."

"Perhaps, after you ascend to the Nine Cauldron Realm, the Heaven Dou Killing God will truly awaken."

Ye Chen was stunned, and said: "Nine Cauldron Realm, isn't that the realm of the High God?"

At present, Ye Chen's cultivation is only the ninth level of the immeasurable realm, which is quite far away from the upper god, and there is still a difference between the divine dao realm and the heavenly source realm.

Poison Hand Yao Shen said: "Yes, you must at least reach the realm of a high god, in order to withstand the breath of the soul of Tiandou Shashen."

"This Tiandou Killing God is really terrifying. I guess he is the most powerful existence among the ancient gods of the Six Paths."

"It's outrageous, how can there be such a powerful existence in the world?"

Ye Chen was extremely shocked, it seems that there is no time and space, and it is more mysterious than he imagined, there is such a powerful existence as Tiandou Shashen.

"Since he is the power of the cemetery of reincarnation, then I won't be hurt if I travel through his world?"

Ye Chen looked at the dark gate suspended in mid-air, behind the dark gate was the world created by Tiandou Shashen!

Poison Hand Yao Shen said: "It's hard to say, after all, he has fallen, and his world of killing gods has long been submerged in darkness, and there are monsters everywhere."

"There are definitely dangers, but no matter how dangerous it is, this is the only way for you right now. Otherwise, if time drags on and you miss the battle on the great road, that would be bad."

"Fortunately, your Heavenly Reincarnation Sword has been strengthened, and now it can be said to be the world's first-class magic weapon."

"By using the edge of the Samsara Heavenly Sword, I think it can ward off monsters and help you escape smoothly."

At this time, the little forbidden demon emerged from the Fengyu Immortal Pond and said, "Father, there is me!"

He had devoured half of the source line before, and his strength had been greatly enhanced. With his help, it would be much easier for Ye Chen to cross the world of killing gods.

"Okay, that's it."

"Longtan and Tiger's Den, I'm about to break into it!"

Ye Chen's eyes showed fighting spirit, and his mind was determined, so he said to Qingshan Tianhai, Qingshan Yan, Mo Yu and others:

"Everyone, this portal of darkness seems to be my only way out. No matter how dangerous it is, I have no choice."

After all, Ye Chen held the Samsara Heavenly Sword tightly, and slashed towards the Dark Gate in the void.

laugh!

The sharp sword light slashed across, and the sealing chain of the Dark Gate was cut off immediately, turning into black air and dissipating away.

Everyone was surprised to see Ye Chen's Samsara Heavenly Sword being so sharp, and saw the door of darkness, after the seal chain was cut open, there was a mist-like demonic energy quietly coming out from behind the door, Everyone's expressions turned serious.

Qingshan Tianhai said: "Lord of reincarnation, I wish you good luck!"

Ye Chen nodded, bid farewell to everyone, and then without hesitation, opened the door of darkness, his body turned into a streamer of light, and escaped in.

After Ye Chen entered the portal of darkness, Qingshan Tianhai immediately re-sealed the gate, as if he was afraid that the evil energy of the killing god world would invade.

...

At this time, Ye Chen, after passing through the portal of darkness, was successfully transported to the world of killing gods.

In this world, the territory is vast, and the sky seems to always be a gray color, full of haze.

The earth is covered with distorted jungles. In those jungles, there are equally distorted monsters, hunting each other and roaring from time to time.

Every moment, a large number of monsters die, and new monsters are born from the dark veins. It is endless and never-ending, just like the tormenting cycle of endless hell.

The most surprising thing is that there are jellyfish floating in the void of this world.

Those jellyfish are huge, transparent, crystal clear, full of vitality, floating and jumping in the air, looking very magnificent, like a dream in an epic myth, or some ancient totem.

"Hey, it's the weather of the jellyfish Diji. Has she been here before? She still left such a deep karma."

The God of Poisonous Hands looked at the jellyfish with a look of surprise.

Ye Chen had heard him mention the name "Jellyfish Empress" many times, but he never explained it clearly.

Ye Chen knew that even if he asked again, he would not get an answer, so he simply walked forward and said:

"Senior Poison Hand, little Forbidden Demon, you protect my law. I don't have much time. I must cross this world as soon as possible!"

The little forbidden demon said: "Good father!"

The God of Poisonous Hands also nodded, concentrating on maintaining vigilance.

Chapter 9976

Ye Chen's speed was like lightning, flying forward, the void was constantly shattering, but this world of killing gods is extremely vast, even if he travels through the void, it is impossible to cross it in an instant.

The monsters in this world are extremely ferocious and bloodthirsty. When Ye Chen was on his way, countless monsters rushed towards him like crazy.

He suspects that in this world, there may be some killing will remaining in the Heaven Dou Shashen.

Those monsters were infected by the will to kill, so they became extremely violent.

Fortunately, Ye Chen has the help of Little Forbidden Demon and Poisonous Hand Medicine God, and ordinary monsters can't hurt him.

He kept waving the Samsara Heavenly Sword, beheading monsters. He was scarred and wounded. In blood and exhaustion, he fought towards the upcoming avenue.

The Samsara Heavenly Sword in his hand was drinking blood continuously.

After strengthening and recasting, the reincarnation sword and Ye Chen's cooperation became more and more harmonious.

"Father, look, there's a statue over there."

Suddenly, the little forbidden demon pointed forward.

Ye Chen narrowed his eyes slightly, and when he looked far away, he saw a huge statue standing in the distance under the heavy haze.

Spiritual energy poured into his eyes, and Ye Chen looked at it again, and saw the statue, towering above the sky, huge and majestic.

On the body of the statue, there are lines of characters engraved, there are also some patterns of sword formulas, and the route of the movement of Qi.

The collection of those words and patterns is a sword technique.

Ye Chen recognized it at a glance, the sword technique engraved on the statue was actually the Heaven Dou Massacre Sword!

"Heaven Dou Massacre Sword, is that the statue of Heaven Dou Killing God?"

Ye Chen was taken aback, and looked up and down the statue.

The appearance of the statue is a burly man standing leaning on a sword, with a tall and straight figure, and his facial features are as distinct as knives and axes.

Ye Chen touched the statue's eyes, but felt his own eyes hurt.

The eyes on the statue are very energetic, as if they are alive, revealing a murderous look, revealing a shocking sharpness.

When Ye Chen stared into those eyes, his soul seemed to be pierced, and his whole body was icy cold.

"What a strong murderous aura!"

Ye Chen sighed in admiration. When he was staring at the statue, the cemetery of reincarnation shook again, as if it resonated with that statue.

Sensing the vibration in the cemetery, the Poisonous Hand Medicine God showed a fearful expression, and said in a deep voice:

"Tian Dou Sha Shen, now is not the time for you to wake up."

"Your aura is too powerful, you should be a strong man above the sky?"

"Such a powerful existence, if you wake up now, the owner of the tomb and I will be directly crushed by your murderous spirit."

After the voice of Poisonous Hand Medicine God fell, the shock in the reincarnation cemetery subsided.

Ye Chen settled down, and planned to bypass the statue and move on.

Because he found that there were countless powerful monsters gathered around the statue of Tiandou Shashen. They roared and fought, and crawled towards the statue like crazy, as if they wanted to climb to the top of the statue.

Monsters one after another, and many dirty and filthy things, kept climbing onto the statue.

But what is shocking is that even though the statue has endured countless filth and darkness, there is no sign of damage at all. Every word of the secret of the Heaven Dou Massacre Sword engraved on the statue is extremely clear.

"Father, there seems to be some chance over the statue, ah, it is very suitable for me!"

The little forbidden demon's eyes lit up, looking in the direction of the statue, almost drooling.

He felt that there was an opportunity related to the monster clan hidden on the other side of the statue, which would be of great benefit to him.

Ye Chen's heart moved slightly, but then he shook his head and said:

"There is no time, the battle on the road is about to start, we must leave immediately."

The little forbidden demon said somewhat unwillingly: "But that chance..."

Ye Chen said: "It won't be too late to collect it after the Great Dao battle is over."

The little forbidden demon lowered his head and said, "Okay..."

Ye Chen settled down, instead of approaching the statue, he chose to walk around it from a distance.

There may be some opportunities here, but now is not the time to collect.

At least, until the end of the road battle.

Ye Chen speeded up and walked towards the end of the killing god world.

After walking for a full day, he finally reached the edge of the world.

The crystal wall system of the killing god world is right in front of him, as long as he breaks the crystal wall system, he can leave here.

"I can finally go out."

Ye Chen was excited, and immediately swung the Samsara Heavenly Sword, and the fiery sword energy burst out, directly cutting a huge crack in the crystal wall system.

Then, he wanted to go out along this crack.

woo woo woo——

But at this time, a strange scene appeared.

Following Ye Chen's splitting of the crystal wall system, countless giant jellyfish floating in the void of God-killing World flew towards him like crazy.

Those jellyfish, as soon as they flew to him, exploded immediately.

The jellyfish exploded crazily, although Ye Chen had the protection of the Poisonous Hand Medicine God and the little Forbidden Demon, but under the impact of successive explosions, he also felt his blood churning and his head buzzing.

"Damn it, why did these jellyfish suddenly attack me?"

Ye Chen didn't know why, he just felt weird.

"You alarmed the jellyfish Empress, she wants to kill you!"

"Quick! Quickly cast the Heaven Dou Massacre Sword!"

The Poisonous Hand Medicine God shouted, feeling bad.

Ye Chen didn't have time to think about it, he took a deep breath, gathered the spiritual energy in his body, and then suddenly opened the source body of reincarnation.

boom!

The source body of reincarnation was opened, and the violent reincarnation Tianwei burst out from Ye Chen's body. The muscles became muscular and full of strength.

Chapter 9977

"Heaven Dou Massacre Sword!"

Ye Chen's eyes suddenly turned sharp, and the murderous aura, fighting spirit, and fighting spirit in his heart all boiled and burned, and all the energy breath gathered on the Samsara Heavenly Sword in his hand.

A fierce, mad, sword energy with supreme slaughter and killing power burst out from Ye Chenjian fiercely.

This is the sword energy of the Heaven Dou Massacre Sword!

The Heaven Dou Massacre Sword is the most powerful sword in theory in today's world.

As for the Zhishui Sword, it breaks through the logic of cause and effect, and is completely different from the Heaven Dou Massacre Sword.

In terms of killing momentum alone, the Heaven Dou Massacre Sword is the most powerful sword in the world.

Chapter 9978

After returning to the Excalibur Empire, Ye Chen rested in the dormitory, and Xin Xingya lived next door to him. At noon tomorrow, the Grand Dao Contest will officially start.

Ye Chen rested in the dormitory for a while, and his mental state recovered greatly.

"Boom!"

At this moment, there was a knock on the door and Xin Xingya's soft voice.

"The door is unlocked, come in."

Ye Chen was a little surprised. Tomorrow is the day of the big competition. Xin Xingya didn't want to have a good rest, but she came to look for him. She didn't know what was going on.

"Squeak."

A slender hand gently pushed open the door, and the moonlight poured in, and then Xin Xingya walked in with small steps, as if her feet were stepping on the moonlight.

Ye Chen looked at Xin Xingya in the moonlight, a light flashed in his eyes.

Xin Xingya was already very beautiful. At this moment, she had even dressed up carefully. She put on a set of elegant green dress, lightly applied rouge, her eyebrows looked like paintings, her skin was crystal clear like jade, and three thousand black hairs fell onto her plump body. Between the waist and limbs, the charm and temperament revealed are extremely moving.

"Miss Xingya, what's the matter?"

Ye Chen thought that yesterday he was still fleeing in the world of killing gods, and today he was living comfortably in the palace, and there was a beautiful woman in front of him, so he couldn't help feeling a little dreamy.

Feeling Ye Chen's gaze, Xin Xingya blushed slightly, and said, "Brother Ye, tomorrow is the big competition. I have something to talk to you about."

Ye Chen said: "Oh, what's the matter?"

Xin Xingya took a deep breath to calm herself down, and said, "Do you still remember my mother?"

Ye Chen's heart trembled slightly, and he said, "Remember."

He still remembered that Xin Xingya's mother died unexpectedly because of hearing the name of the ugly god.

The ugly god's name seemed to carry some kind of terrible curse. Back then, anyone in the Xin family who had heard the name of the ugly god would

Chapter 9979

Ye Chen nodded, sighed again, and said: "Hurry up and put on your clothes, tomorrow is the day of Dabi, don't mess with my Taoism."

For an ordinary woman, even if she danced in front of Ye Chen naked, he wouldn't be touched in the slightest.

But Xin Xingya is the incarnation of the god of beauty, her every move, every frown and smile reveals a soul-stirring beauty.

Even Ye Chen, facing the gentle and beautiful her, is still difficult to control.

After all, he is a normal man.

Xin Xingya said sadly, "Are you afraid that I will mess with your Dao heart?"

Ye Chen smiled bitterly and said, "That's not what I meant. Anyway, put on your clothes first."

"I can be your lighthouse, but I don't need your sacrifice."

"Tomorrow's big battle, we can advance and retreat together."

Hearing Ye Chen's words, Xin Xingya felt relieved a lot, immediately picked up her clothes and put them on lightly, her cheeks still blushing with embarrassment, she gave a soft "um", and said, "Thank you, Brother Ye. "

"Then... I'll go first."

Xin Xingya turned around and walked out of the room, but when she reached the door, she suddenly turned back and ran up to Ye Chen, wrapped her arms around his neck, and leaned over to kiss him on the lips.

Ye Chen could clearly feel the softness and hotness of Xin Xingya's lips.

He looked into Xin Xingya's eyes, and Xin Xingya was also looking at him, with burning, shy, apprehensive, embarrassing eyes, and then shyly ran away, and quickly left the room, disappearing into the night and moonlight.

Ye Chen touched the lips that had been kissed, a little dumbfounded, and a burst of blood surged in his heart.

"Yin Yang Shen Po Zhi? I will help you find..."

...

In the early morning of the next day, the day when the Great Dao battle began finally arrived.

On this day, in the master world of time and space, countless characters rushed to the meteor world.

Daozong has announced the coordinates of the meteorite world, and many secret causes and effects have also been revealed one by one.

That meteorite world is the burial place of the six ancient gods.

The Six Paths Ancient Gods are the six extremely powerful gods in ancient times.

The traces of their legends no longer exist in the world. Everyone catches the secret and only knows one thing.

That is to say, these six ancient gods have all personally watched the decisive battle between Yuantian Emperor and Huntian Emperor.

When Yuan Tiandi and Hun Tiandi fought decisively back then, a little aftermath of the battle was enough to crush the Heavenly Emperor.

However, the ancient gods of the Six Paths watched the battle at a close distance and did not receive any damage, which shows their formidable strength.

At the same time, everyone also perceived a terrible thing.

That is, the so-called Heavenly Emperor Realm is not the limit of cultivation.

Even the Super Heavenly Emperor is not the limit.

In other words, the limits of these realms are just limits set by humans.

The true supreme realm is not determined by man and cannot be described in words.

That is the realm above the sky, no matter whether it is in the language of reality or the language of the world, it is impossible to describe the power of that realm, it is an "unspeakable realm".

People in the world define Yuantian Emperor and Huntian Emperor as super-grade emperors, which is actually not correct.

This is just the realm defined by people for the convenience of understanding.

The Yuantian Emperor and Huntian Emperor at their peak were beyond the imagination of everyone in the heavens, and even the laws of time and space cannot truly describe their strength.

Their realm is the "unspeakable realm".

As for the Ancient Gods of the Six Paths, it is impossible to ascertain the strength of the six gods watching the battle, but they will not be any worse than Yuan Tiandi and Hun Tiandi.

Ye Chen finally understood why the God of Poisonous Hands and Medicine would say that even at his peak, he couldn't stop Tiandou from killing God.

At the peak of Poison Hand and Medicine God, he could be said to be a first-class emperor of heaven, but he was only standing within the artificially defined realm.

As for Tiandou Shashen, he may have touched the "unspeakable state".

The power of this realm is so powerful that it is indescribable and unimaginable.

Even if Tiandou Shashen is dead and there is only a remnant soul left hiding in the cemetery of reincarnation, he cannot easily awaken and show up.

Otherwise, his powerful aura is likely to crush Ye Chen, causing irreparable consequences.

After sensing the cause and effect of the ancient gods of the Six Paths, the entire space-time was completely shocked.

Most people, still

Chapter 9980

Hearing this, Ye Chen was pleasantly surprised and said, "Han Yan is back?"

Previously, Han Yan was possessed by demons and was completely lost. In order to find him, Ye Chen even ran to Dongfang Shuo to divination.

Dongfang Shuo said that Han Yan will not have any serious problems, but may be a blessing in disguise and get some chance.

Now, Ren Feifei said that Han Yan has come back, so he seems to be all right.

Ren Feifei said: "I received news from the Tiandao family that Han Yan came back from a place called Guangmingyuanjie. He was rescued by the Guangming protoss and has regained his sobriety."

Ye Chen said: "The source of light, the light gods?"

Ren Feifei said: "Well, the Guangming Protoss are descendants of the God of Light Tianzun. They have preserved a complete blueprint for creating the Heart of Light. They have a very deep foundation, but they rarely communicate with the outside world, so they are quite mysterious."

Ye Chen's eyes lit up, and he said, "So they are the descendants of the God of Light, Tianzun?"

Previously, the Patriarch Mojin of the Eighth Ancestor of Daozong once said that after the competition, he would take Ye Chen to meet a descendant of the God of Light, Tianzun, and obtain the blueprint for building a heart of light.

The heart of light is the key to Ye Chen breaking through the darkness. If he wants to build a complete, blueprint is essential.

Ye Chen did not expect that Han Yan, the descendant of the Guangshen Tianzun, the Guangming God Clan, had met and even been rescued before he met.

"Brother Han is really lucky to be rescued by the Guangming Protoss." Ye Chen said.

Ren Feifei showed a serious expression on his face, and said: "No, Emperor Daotian said that Han Yan did get some opportunities, but there are also disasters hidden behind it, which are not easy to solve."

Ye Chen's heart trembled, and he said, "What disaster?"

Ren Feifei said: "You don't have to worry for the time being. The disaster will not break out in this big competition. You and Han Yan, together with Miss Xin, are enough to fight against other enemies."

Ye Chen said: "Yes."

"And I--"

At this time, a clear voice came from behind Ye Chen.

Ye Chen looked back, but saw a flying boat coming from behind, and the people on the flying boat were actually Qingshan Tianhai and Qingshanyan.

"Lord of Reincarnation, plus me, I will be your ally."

Aosugihiko said with a smile.

Ye Chen was pleasantly surprised, and said, "Brother Qingshan, have you come out of Tianxun Island?"

Qing Shanyan nodded and said: "Well, after you left, Jianzi Xianchen saw you running away, thunder was furious, but there was nothing he could do."

"Since you're gone, there's no point in blocking Tianxun Island. He unblocked it, and Wuwei was also caught. He enshrined it to the Lord of Judgment and recommended Hua Zu as the chief referee."

Ye Chen was taken aback, and said, "Does Hua Zu want to be the referee?"

Qing Sugihiko said: "Yes, the news has not been announced, but I have received the information last night, there will be no mistake."

"The Great Ruler, Shenlong, sees the head but doesn't see the end, so he won't show up easily. The core decisions of Daozong are usually handed over to the Lord of Judgment."

"This time, the battle on the road is also hosted by the Lord of Judgment. It is estimated that before the start of the game, she will announce the candidate for the referee, which is Hua Zu."

Ye Chen's face suddenly darkened, and he said, "If Hua Zu is the referee, it will be very disadvantageous to us."

Qing Sugihiko said: "Yes, now you can only see walking steps."

Old Man Huang snorted, and said: "It turns out that old man Jianzi Xianchen recommended Hua Zu to the Lord of Judgment. This is clearly aimed at us!"

Originally, the chief referee of this competition was Huang Lao.

However, Huang Lao had previously intervened in the grievances between Ye Chen and Hua Zu and rescued Ye Chen from Mantuo Villa, which had broken the rules of Taoism and was removed as the referee.

He didn't expect that the power of the referee would fall into Hua Zu's hands.

Ren Feifei was calm and said, "It doesn't matter who is the referee, just play as hard as you can."

Ye Chen thought the same, as long as he was upright, he would not be afraid of being targeted by Huazu.

...

About half an hour later, Huang Lao's flying boat passed through many voids, barriers, galaxies, forbidden crystal walls, and lost areas, and finally came to the world of meteorites.

Even Huanglao and Ren Feifei, strong men of this level with countless experiences, are still
