

Physician Wife 1901

Chapter 1901: Xu Yunyun and Xu Feiyang Visit

Wu Zongyang could not help but ask why Nangong Nuannuan still wanted to be a student considering her talent.

Nuannuan answered, "Because I studied traditional Chinese medicine before, but the best way to treat patients is to use a combination of traditional Chinese and Western medical techniques. Western medicine can treat the symptoms, and traditional Chinese medicine can treat the root of the cause. Western medicine can help people quickly recover, but traditional Chinese medicine ensures this recovery lasts and contributes to the patient's ongoing vitality. Each has its own advantages. Therefore, I applied to the Military Medical Hospital to study Western medicine."

"I see!"

Nangong Nuannuan's answer made Wu Zongyang very happy.

"Idol, let me tell you, my brother is actually a fan of yours too! He idolizes you greatly too!"

Wu Pingting happily exposed her brother.

When Wu Zongyang heard this, his face turned red.

The members of the Wu family burst out laughing.

Within the day, the news of Wu Pingting waking up had spread all around the circle of wealthy families in Sea District.

After all, she was the daughter of a rich and powerful family. Many people knew that she had been found lying naked and covered in injuries under a park bridge. Therefore, many of the rich and powerful families called the Wu family to congratulate Wu Pingting on her recovery. However, they all also thought about how it might not have been the best thing for Nuannuan to wake up the daughter of a rich and powerful family.

After all, the entire circle of rich and powerful families in Sea District knew about the incident. How could Pingting continue to live normally?

Many people wanted to visit Wu Pingting, but they were all turned away by the Wu family.

Only Wu Pingting's good friend Xu Yunyun's request was granted.

That night, Xu Yunyun brought her cousin along to visit Wu Pingting.

When they arrived, two bodyguards dressed in black opened their car door. First, a tall man with a cold aura exited the car.

Behind him was a pretty girl with a sweet face.

The girl, who smelled of flowers, looked at the man with admiration and adoration.

When Wu Pingting saw the girl, she smiled and greeted her excitedly.

“Yunyun!”

It was not until Wu Pingting called out to Yunyun that the girl’s thoughts returned to the present moment. When she saw Wu Pingting, tears immediately welled up in her eyes.

“Pingting!”

The girl called out to Wu Pingting and ran towards her. She hugged Wu Pingting tightly and cried very gratefully.

Instead of her comforting Wu Pingting, Pingting was the one who patted her back and comforted her with her big eyes wide open. “Why are you crying? Don’t I look fine to you? Don’t cry anymore!”

Upon saying that, Pingting glanced over at the cold man whom Yunyun had left behind. The longer Pingting looked at him, the wider she opened her eyes.

“Y-you... You’re Big Brother Feiyang!”

Wu Pingting’s words made Xu Yunyun pull away from her arms, stretching away.

Xu Yunyun and Xu Feiyang looked at Wu Pingting. The three of them did not say anything.

Eventually, Wu Zongxu came out and put his arm around Wu Pingting’s shoulders. He pulled her into his arms and said, “Brother Yang, Yunyun, don’t mind me. My sister has lost her memory.”

Upon saying that, Wu Zongxu smiled and looked at Wu Pingting, whom he still had his arm around.

“Little girl, Brother Yang has been back in Sea District for almost a month. You’ve seen him a few times since he came back.”

“Really?” Wu Pingting happily walked to Xu Feiyang’s side and asked with great concern, “Brother Yang, have you caught the person who slandered you last time? The one who imprisoned you?”

Xu Feiyang’s heart softened when he heard Wu Pingting’s question. It was the same question that she had asked him the first time that they met.

This girl, after experiencing such a huge tragedy, was still concerned about him upon seeing him again.

“I’ve caught him. After I settled the case, I sent him to the police station. Now, the court has sentenced him to death with a two-year reprieve. Regardless of any good behavior or helpful deeds he may do, the most he can get is having his death sentence be reduced to a life sentence.”

Chapter 1902: My Idol Is Incredible

“Now, all my enemy can do is watch me live a free and happy life—better than his will ever be.”

The last time Wu Pingting asked this question, Xu Feiyang had merely replied with, “Yes, I’ve caught him.” However, this time, he said much more.

Xu Yunyun nodded and sighed. “The best punishment for a criminal in this world is to have them see their victim living a better life than theirs. It makes them envious.”

Wu Pingting smiled. She thought about what her idol had said to her that afternoon.

“Pingting, do you really not remember anything?” Xu Yunyun asked sadly.

Wu Pingting led Xu Yunyun and Xu Feiyang inside before she explained. “It’s not that I don’t remember anything at all, I just don’t remember what happened last month. I’ve lost memory of the experience that left me like this—but I still remember everything else. My idol said that this is my body’s instinctive self-preservation after such trauma. I’m pretty happy with it.”

Seeing Xu Yunyun’s sad expression, Wu Pingting asked with a smile, “Well, do you feel that my selective amnesia is particularly bad? The person who kidnapped me but didn’t kill me must have wanted me to suffer so much that I wouldn’t want to live anymore. He wanted me to live in fear, anger, and hopelessness for the rest of my life. But he didn’t expect my memory to completely lapse. When I woke up today, my idol told me that I had been accepted into the Military Medical Hospital. From now on, I’ll be able to always be with my idol. Do you know how amazing that feels? I was so worried my total score would be below the 620 benchmark, so I feared being rejected. The incident knocked me out, and when I woke up, I found out that I had been accepted. You could not possibly understand the happiness I feel right now.”

Xu Yunyun and Xu Feiyang stared at Wu Pingting in a daze. Their mouths twitched.

Was she not being a little bit too optimistic?

She knew what she had experienced, right?

Right?

Seeing that the two of them were completely dumbfounded, Wu Zongxu, who had been standing beside Wu Pingting, rubbed her head lovingly and praised her. “Yes, yes, yes, you’re the best! If someone else suffered a major setback or trauma like yours, they would have been sad for a very long time. However, due to your selective amnesia, you can forget all your upsetting memories. It really is amazing!”

Wu Pingting giggled. It was unknown whether she recovered because she had lost her memories, or because she had a very positive attitude.

Regardless of what it was, she was now exuberant.

She was happy that she had survived the calamity and was not killed and also happy that she was about to become classmates with her idol.

“I heard from Yunyun that you were saved by the eldest daughter of the Nangong family?”

Yunyun saying that excited Wu Pingting. As the few of them entered the living room and Wu Pingting invited Xu Yunyun and Xu Feiyang to sit down, Wu Pingting heard Xu Feiyang ask about her idol. Wu Pingting immediately sat down beside Xu Feiyang and answered excitedly. “That’s right. You don’t even know how amazing my idol is. My grandfather told my father that even the top neurologists and psychologists in the world could not help me, but my idol was able to wake me within less than an hour of treatment. Isn’t that incredible?”

Thinking about the girl who had saved him in prison, a gentle look flashed across Xu Feiyang’s deep eyes.

Chapter 1903: Someone Else’s Bride-To-Be

Xu Feiyang's cold demeanor warmed.

He was actually quite handsome and had very prominent facial features. However, due to his cold and intimidating demeanor, most ordinary girls did not dare approach him.

At this moment, Xu Feiyang's gaze toward Wu Pingting was very soft. Only he knew that he was thinking about Nangong Nuannuan. She was the little girl who had stood up for him when he was most vulnerable.

"Brother Yang! Brother Yang!"

Xu Yunyun called out twice. Xu Feiyang noticed Wu Pingting's burning gaze before he retracted his own.

"Huh? What?"

Xu Yunyun's expression was a little odd. In the face of Xu Feiyang's question, she smiled and answered, "Nothing. It's just that I saw you staring at Pingting so intensely. It was embarrassing her."

Wu Pingting was truly embarrassed.

After all, she was always attracted to good-looking people—and Brother Xu happened to be very handsome. Anyone would blush if they were to be stared at by such a handsome man.

Xu Feiyang realized that he had lost his composure and smiled at Wu Pingting. "I'm sorry."

"Pingting!"

Nangong Nuannuan and Chi Yang walked through the door and called out to Wu Pingting. She stood up and immediately walked over to them.

"Nuannuan, Big Brother Chi, you're back? Come over quickly! Let me introduce you."

Nuannuan had originally planned to leave with Chi Yang immediately after treating Wu Pingting so they could continue with their pleasant vacation. However, in the end, she could not turn down Wu Pingting's persistent attempts at asking her to stay. Nuannuan finally agreed to stay in Sea District for three days and let Wu Pingting be her tour guide and take them around. They would start tomorrow.

Nuannuan had gone to spend this afternoon with Chi Yang alone.

She had initially planned to only return in the evening. However, early in the afternoon, Wu Pingting called her to say that her best friend was coming to visit. She told Nuannuan that her best friend was also a huge fan of Nuannuan and really, really, really wanted to meet her.

To satisfy Wu Pingting's small request, Nuannuan and Chi Yang did not go far for their afternoon outing. They visited a nearby scenic spot and shared some snacks before rushing back.

Upon returning to the Wu residence, Nuannuan was led to Xu Feiyang by Wu Pingting.

The moment Xu Feiyang saw Nuannuan, he froze.

This was the face that had remained in his mind ever since she saved him in prison. In the 6 months since, this face had carved itself into his mind and engraved itself on his heart.

During his time in prison, he had heard from the warden that Zhong Nuannuan was imprisoned for murder. Her mother had even hired murderers to kill her in prison.

Upon being released from prison two months ago, the first thing he did was not avenge himself but go to find Zhong Nuannuan and avenge her.

He decided to track down the person who framed her so he could get them imprisoned. He vowed to make them suffer ten times more than she had—even if that person happened to be her family member.

However, after only one day of investigating, his dream was shattered.

The girl named Zhong Nuannuan turned out to be the daughter of the Nangong family, the wealthiest family in Emperor District. The Phoenix Man of the Zhong family had mistaken the pearl for a fish's eye. The Zhong and Jiang families had already paid for the crimes they committed more than a decade ago.

Zhong Nuannuan's fiancé in Jiang District, the captain who had parachuted into Jiang District, turned out to be the commander-in-chief of the Eagle Special Forces and the grandson of Chi Yuansheng, the only grand marshal of Camino. Thus, the Nangong and Chi families were very happy with this marriage and were about to carry out their wedding plans.

The only girl in his life who had touched his heart had become someone else's bride-to-be after his first and only time meeting her.

Chapter 1904: We Meet Again

He thought they would never see each other again in this lifetime. However, when he returned to the Xu family to deal with a family affair after Xu Yunyun begged him to meet her that night, he unexpectedly learned from Wu Pingting that she knew Nangong Nuannuan. Not only did she know her, but she knew that Nangong Nuannuan was very powerful—having saved both her and her grandfather's lives.

After that, he did not know what possessed him to stay in Sea District. When he heard from Wu Pingting that she intended to apply to the Military Medical University and become classmates with her idol, he could not help but approach her.

Even though he knew that the person who had his heart already had her own fiancé who was much more outstanding than he was, he could not help but want to see the woman of his dreams through Wu Pingting.

He was not thinking rationally.

Therefore, when he found out that Wu Pingting's serious illness had actually been cured by Nangong Nuannuan, who had come to Sea District to treat her, he immediately agreed to Xu Yunyun's request and accompanied her to visit Wu Pingting.

Nangong Nuannuan was not by Wu Pingting's side, so he figured that a person like Nangong Nuannuan would leave immediately after curing Wu Pingting. He did not expect her to suddenly appear in front of him not long after he sat down.

Xu Feiyang looked at her face, which was so close to him. He thought that she would definitely change dramatically after being released from prison and finally being recognized as a daughter of the Nangong

family. He thought that perhaps she would change her appearance to match all the other daughters of wealthy families—wearing four-inch high heels, a delicate hairstyle, and a custom-made dress. If she looked like that and appeared in front of him, he would not like her as much anymore. His obsession with her would then end.

However, the girl in front of him looked the same as she had when he first met her. She was wearing a white T-shirt, a fashionable pair of cowboy jeans, a pair of casual shoes, and a messy bun that made her hair look extremely elegant.

Although she was wearing expensive, branded clothing, her sense of fashion was as casual as it had been when they first met in prison.

However, since it was winter while she was in prison, she had been wearing more layers of clothing. Now that it was summer, she was wearing far less.

Her current appearance perfectly aligned with how she had looked half a year ago.

She was like the first ray of sunlight on a spring morning. Even if she did not smile, her mere quiet presence could warm people's hearts.

It was a hot summer day. Even though she had just returned from her outing, she looked extremely clean and refreshed. She looked completely different from Xu Yunyun, who had just been sitting in the car. Even though she had only just gotten off the bus not long ago, Xu Yunyun had been profusely sweating since she got out until now.

"Master Xu, we meet again."

Back when she saved Xu Feiyang, Nuannuan knew that one day, she would meet this man again.

This was because she was in Camino, after all. She could not have too many mercenaries and assassins by her side, or people would start criticizing her. She was Big Brother Chi Yang's fiancée. Even if her status as Queen had been erased, the Shi family already knew her identity. It was inevitable that they would use anything they could to slander her.

Since Xu Feiyang's gang was the largest gang in Camino, they would be of good use in the future.

Nuannuan was very happy to see Xu Feiyang.

However, while Nuannuan was happy, some of the others were not.

Chi Yang, who had been keeping his head down ever since he met the Wu family, suddenly realized something.

Chapter 1905: A Life-Saving Grace

The huge villa hall felt much cooler due to the cold aura emanating from Chi Yang's body. Everyone could feel the breeze on their backs.

When Nangong Nuannuan was greeting him, he had stared at her in a daze. The emotion in his eyes was obvious.

It was only when Chi Yang's aura spread through the room that Xu Feiyang woke up from his daze. He glanced at the man who was so cold that he seemed frozen. Then, he shifted his gaze and awkwardly greeted Nangong Nuannuan.

"Miss Nangong, it's a pleasure to meet you. I didn't get the chance to thank you before, but thank you for saving my life."

Chi Yang's brows raised slightly.

Saving his life?

Why did he not know about this?

When he noticed that Brother Chi Yang was looking at him strangely, Xu Feiyang realized that he was looking at a hero's wife funnily because he was grateful to her for saving his life. He knew he would never be able to have her. Nuannuan blinked her eyes and said to Xu Feiyang with a strong desire for survival, "Saving a life is more important to the world than building a seven-storied pagoda. Don't think too much of it. I just happened to be passing by, so I lent you a helping hand. No matter who was lying there and about to be crippled by the prison doctor, I wouldn't hesitate to help."

Feeling the gaze of the man behind her soften, Nuannuan let out a sigh of relief in her heart.

Ever since Big Brother Chi Yang's special ability upgraded, her physical strength no longer matched his.

In the past, even if he wanted to do it three or four times a night, she would be able to accommodate him. Their compatibility in bed was not something many couples had. He wanted her, and she wanted him. She always felt like she would be able to continue to love him like this for the rest of her life.

However, ever since the time they had sex in the interrogation room of the Eagle Special Forces, Nuannuan realized that there was a huge gap between her physical strength and Big Brother Chi Yang's.

Every time since his evolution, even if they only went for one round, her legs would not be able to stop trembling when she got out of bed.

This was simply too scary.

She did not want to be Big Brother Chi Yang's ragdoll at all.

Even though Nuannuan had made herself very clear, Xu Feiyang still greatly appreciated her.

"It might have been nothing for you, but if I hadn't met you, I would be half-paralyzed right now. I'd be no different from a cripple! Therefore, Miss Nangong, you're my savior. In the future, if you need anything, just say the word. No matter how difficult it is, as long as I can help Miss Nangong out, I definitely will."

Nangong Nuannuan was fine with Xu Feiyang's words, but she still said in a very upright manner, "Lord Xu is too polite."

"You can call me Xu Feiyang or Big Bro Xu. I'm not used to people calling me Lord Xu."

"Alright, Big Bro Xu. If that's the case, you don't have to call me Miss Nangong either. You can just call me Nuannuan."

The corners of Xu Feiyang's lips could not help but curl up into a beautiful smile at that. He called out the name that had echoed in his heart many times...

"Nuannuan!"

When Xu Feiyang called out Nuannuan's name, the temperature in the entire hall dropped by several degrees.

Feeling the cold air, Nuan Nuan immediately turned around and reached out to grab the arm of the man behind her, which was currently stuffed in his trouser pocket.

Before she even said anything, Xu Feiyang felt the cold air instantly warm up again.

He figured he would long feel the effects of the temperature change in the room when he returned home.

"Let me introduce you two. This is my fiancée, Chi Yang."

With that, she introduced him to her hubby. "Big Brother Chi Yang, this is the famous Master Xu of Emperor District, Xu Feiyang."

Chapter 1906: Whose Friend Is He?

Both Chi Yang and Xu Feiyang had heard of each other before, so there was no need to introduce themselves.

"Hello, Lieutenant General Chi!"

Chi Yang compared his height with Xu Feiyang's. They were about the same height. Xu Feiyang was about an inch or an inch and a half shorter than him, and he also had a fine figure.

After comparing their looks, Chi Yang was a little grateful to his father and Zhou Ruxue. Even though Zhou Ruxue was an idiot, it was impossible to ignore that she was still very beautiful. Back then, she had held the title of the most beautiful woman in Emperor District. Chi Yang suddenly realized, as he compared himself to Xu Feiyang, that Nuannuan probably thought Xu Feiyang looked pretty handsome. Hey! This man was not even as handsome as Feng Shengxuan, let alone Chi Yang.

How about their jobs? They both did very different things. He was a special forces general that everyone respected and worshipped, while the other man was a mafia boss that everyone went out of their way to avoid. It was not that Chi Yang did not respect Xu Feiyang's work, but he knew which job was the objectively better one.

After this comparison, Chi Yang felt completely superior to Xu Feiyang, so he greeted him with a kind attitude. "Boss Xu, nice to meet you!"

The corner of Xu Feiyang's mouth could not help but twitch.

Xu Feiyang was pretty used to being called Boss Xu. He felt like it was the right way for him to be addressed.

In that case, why did Xu Feiyang feel very uncomfortable with Chi Yang calling him that?

Although the people of Camino tacitly acknowledged the existence of gangs, gangs were still part of the underground. If things went wrong, the police or military would step in.

Therefore, being addressed respectfully by the top general of the Eagle Special forces made Xu Feiyang feel some shame. What was going on?

He coughed awkwardly and said, "I wouldn't dare claim such a title. Lieutenant General Chi, you can call me Lil Xu or Feiyang."

"That's inappropriate. After all, my fiancée has to call you Big Bro Xu."

Looking at Chi Yang's serious face, Xu Feiyang's face could not help but twitch in return. He smiled and said, "That's my fault. From now on, Lieutenant General Chi and Nuannuan can both call me Feiyang."

"Okay." Chi Yang still had a serious face on. He said, "Then you don't have to call me Lieutenant General Chi anymore. You can call me Big Brother Chi."

"Alright. Big Brother Chi!" No matter who was older, in this society, whoever had a higher status had the right to be called Big Brother. Xu Feiyang felt pretty happy at being able to recognize the chief commander of the Eagle Special Forces as his big brother.

After Xu Feiyang called him that, he noticed that Chi Yang did not answer him. He felt a little confused.

Was he not the one who had asked him to call him Big Brother Chi? Why was he ignoring him again?

"???" Xu Feiyang used his eyes to shoot countless question marks at the man.

Chi Yang understood. He pulled his hand out of Nuannuan's hand, pulled his little girl into his embrace, and asked Xu Feiyang, "You're only addressing me. Why not your sister-in-law?"

Xu Feiyang, "...!!!"

Nangong Nuannuan, "...!!!"

The crowd was dumbfounded!

Whose friend was he?

Even if they were not fated to be together in this lifetime, he could still be Nuannuan's friend, right? Why did Chi Yang have to call Nuannuan Xu Feiyang's sister-in-law after exchanging only two or three sentences with him?

Xu Feiyang felt like his brain was a little muddled. There was a bit of blood in his throat.

Chapter 1907: I Did Not Glare at You

Even though he had no chance, and he had not even been about to try, he did not want to call Nuannuan his sister-in-law at all.

However, if he did not call Nuannuan Sister-in-law and insisted that she called him Big Bro Xu, it would look like he was trying to outdo Chi Yang.

He would never dare to make it seem like he wanted to outdo the commander-in-chief of the Eagle Special Forces.

However, he also did not want Nuannuan to be his sister-in-law!

Nuannuan stood in front of the two men and looked at Xu Feiyang's shocked expression. She wanted to laugh, but she was also very embarrassed.

Big Brother Chi Yang, who was at the side, had a calm and serious expression. He looked very patient and stony.

Xu Feiyang thought it through.

Regardless of whether it was because of his family background or because Nuannuan already had a fiancé like Chi Yang, no matter what, the possibility of him and Nuannuan being together in this life was zilch. Therefore, as long as he could be friends with her, be able to protect her, be able to dote on her, and be able to defend her, so what if he called her his sister-in-law? As long as he knew in his heart that this was the woman he loved, it would be fine.

"Big Brother and Sister-in-law!"

"Mm, okay." This time, Chi Yang did not ignore him. He acknowledged this little brother.

Nuannuan could only smile at Xu Feiyang to disguise the awkwardness in her heart.

She suddenly felt that like her man was not only the king of jealousy but also very childish, black-bellied, and... shameless!

The first time she met Feng Shengxuan, this man embarrassed him in front of all of his fans. Every time Feng Shengxuan thought of something, Chi Yang would always tease him and be one step ahead of him.

.....

This time, when she was meeting Xu Feiyang, he took advantage of her again.

Sensing the awkward atmosphere, Nangong Nuannuan quickly changed the topic and said to Xu Yunyun, "You're the bestie that Pingting mentioned, right? Why do you look so out of it?"

When Nangong Nuannuan called Xu Yunyun by name, everyone immediately looked at her, grateful for an opportunity to divert their attention from the awkwardness in the room. Everyone caught a glimpse of the hatred on Xu Yunyun's face before she could put it away.

She stiffly curled the corners of her mouth and smiled. "I-I have a mild case of heatstroke. My head is a little uncomfortable."

Nangong Nuannuan nodded. "Oh, so when you have heatstroke, your eyes bore straight into people. You wish you could burn a hole into the back of their head with your eyes!"

As the eldest daughter of the second richest family in Sea District, Xu Yunyun had never been rebuked like this before. She was so angry that she wanted to give Nangong Nuannuan a slap across the face. Her hand moved a little, but when she thought about Nangong Nuannuan's identity, she had no choice but to endure the scolding.

Even Xu Feiyang wanted to acknowledge Chi Yang as his big brother. She relied on Xu Feiyang, so how could she dare to go against a big shot like Nangong Nuannuan?

"I-I'm not glaring. I-I'm just very uncomfortable. But I like you very much, so I can't help but look at you! Pingting, quickly tell Miss Nangong that I'm her biggest fan!"

Wu Pingting glanced at Xu Yunyun, who was lying through her teeth. Although she was big-hearted, she was not so stupid that she could not tell that Xu Yunyun hated Nangong Nuannuan.

Nangong Nuannuan was her savior. She could not lie to her like that.

Wu Pingting did not say anything to help Xu Yunyun's fervent anticipation. Instead, she looked at Xu Yunyun and asked, "Yunyun, what's wrong with you? Why are you looking at Nuannuan like that?"

"I... What look was I giving her? I can't help but look at Miss Nangong because I like her! What's wrong with that?!"

Chapter 1908: Tell Me Why

"Could it be that I had a heatstroke, so... I was looking at Miss Nangong a little strangely? But I really like Miss Nangong. You know that best, Pingting, don't you?" Xu Yunyun's face was filled with shock and unease.

Nangong Nuannuan smiled slightly. "So the way you show that you like someone is by staring at her with a death glare, hoping to burn ten thousand holes through her body? I thought people only looked at their enemies like that!"

"No, Miss Nangong, you've misunderstood! There aren't any grudges between us, are there? How could I hate you? I must have gotten too excited, so I lost control for a little bit!"

"Is that so?" Nangong Nuannuan asked with a smile.

"Yes, it is! Why would I hate you?"

"Then what's with your palm? I saw you not only looking at me like I slayed your father, but also holding your hand back. You were so angry that your fingernails dug into your palm. Even the pain didn't stop you from hating me. Not only did the heatstroke make your eyes look terrible, but it even made your hands shake... Do you have Parkinson's?"

Xu Yunyun was shocked. She subconsciously hid her hands behind her back.

Nangong Nuannuan had been smiling like a flower ever since she entered the room, but at this moment, she was a devil.

Looking at the smile on her lips, Xu Feiyang felt like he had a better impression of the woman that saved him now.

Back then, he never knew what kind of girl he liked.

Now he knew.

He liked a kind-hearted girl who was not a helpless white lily in the wind, one who liked helping others but would never let herself be wronged in the slightest.

She would always act out of love, whether it was to save him or Wu Pingting. However, when it came to Zhong Qianqian and Xu Yunyun, her half-sister and her friend's best friend respectively, things would not end well if they provoked her.

"Yunyun, let me take a look at your hand." Wu Pingting took a step forward, wanting to see if Nangong Nuannuan was telling the truth.

Xu Yunyun took a step back and hid her hand, refusing to let her see it.

Was her hand something she had to show everyone?

Nangong Nuannuan took a step forward and quickly stretched out her arm. Before Xu Yunyun could react, she was already being restrained by Nangong Nuannuan.

"Ah!!!"

Xu Yunyun let out a blood-curdling scream as Nangong Nuannuan forcefully pulled her hand out from behind her back.

"What are you doing?" Xu Yunyun clenched her fists tightly, her face filled with anger.

Even if she was the daughter of an extremely wealthy family, she could not be so unreasonable, right?

"I'm a doctor. I'll take a look at your injuries."

After saying this, Nangong Nuannuan uncurled Xu Yunyun's tightly clenched fingers one by one amidst her screams.

Xu Yunyun's palm had been completely destroyed, and the inside of it was a bloody mess. There were fingernail marks on every wound, and it was obvious that she had hurt herself from how hard she had been clenching her palm.

"Your Parkinson's is quite serious!" Nangong Nuannuan ridiculed her.

"Brother Yang!" Xu Yunyun looked at Xu Feiyang for help.

After all, they were guests in this house. How could Nangong Nuan treat her like this?

Xu Feiyang saw Xu Yunyun acting so hostile toward Nuannuan and immediately frowned.

"Why do you hate Nuannuan so much? Tell me why!" Xu Feiyang asked forcefully.

"Cough!" Chi Yang coughed at the side. Only then did Xu Feiyang realize that he had been too gung ho. He felt extremely gloomy, but there was nothing he could do about it. He straightened his back and said righteously—

Chapter 1909: What Right Do You Have to Criticize Me

??

“You were the one who told me that you were Sister-in-law’s fan. That’s why I brought you here. But tell me, if you’re a fan, why do you hate her so much?”

Nangong Nuannuan, “...!!!”

Why did the term ‘Sister-in-law’ sound so awkward coming out of Xu Feiyang’s mouth?

Looking at Big Brother Chi Yang, who was only focused on the term ‘Sister-in-law’ and nothing else, Nuannuan felt like her man was pretty childish.

Nangong Nuannuan was holding Xu Yunyun’s hand, so she could not pull it away. Xu Feiyang did not help her, and Chi Yang was worried about his own stupid affairs. Looking at the four strange people in front of her, Wu Pingting blinked her eyes and did not dare to say anything.

Xu Yunyun was so depressed that she felt like she was about to die.

It was Xu Feiyang who brought her to the Wu family? Had he made a mistake? She was the one who brought him to the Wu family, okay?

Xu Yunyun felt her heart ache when Xu Feiyang looked at her as if she was his enemy.

“You can’t say it?” Nangong Nuannuan sneered, “How about I help you if you can’t?”

Xu Yunyun raised her head and looked at her.

Nangong Nuannuan did not try to cover up for her. Xu Yunyun’s eyes were astonished. “Because you like your cousin.”

Xu Yunyun, “...!!!”

Xu Feiyang, “...???”

“Is Xu Feiyang your cousin? Is he your biological cousin or not? If he’s not, it would be fine. But if he is your biological cousin, not only are you an incestual freak, but your heart is also twisted! You can’t stand to see your cousin talk to another woman, even if the other woman already has a fiancé and isn’t a threat to you at all. If the hatred in your heart could be physically manifested, I reckon you’ve already killed me a hundred and eighty times, right?”

Xu Yunyun looked at Nangong Nuannuan with incomparable grievance. The tears in her eyes kept falling. She kept shaking her head and saying, “I don’t! I don’t...”

“Oh, so you don’t like Xu Feiyang, right? You don’t like him at all, right? You only have sisterly feelings for him, right? Then you should swear, swear that you don’t love Xu Feiyang, or else you’ll die a horrible death. Do you dare to do that?” Nangong Nuannuan looked at Xu Yunyun with a cold smile.

Xu Yunyun shook her head and struggled to break free. She finally broke free from Nangong Nuannuan’s grip when she loosened it.

Looking at Xu Feiyang, who was staring at her, the string in Xu Yunyun’s mind that had been strained all this time finally snapped.

She could not say that she did not love Xu Feiyang, much less swear that she did not love him.

Since she was going to confess to Xu Feiyang one day, it would be the same no matter when she did it.

She could no longer tolerate Xu Feiyang turning a blind eye to her.

She could no longer tolerate Xu Feiyang treating her like a little sister.

“Yes! I like Brother Yang! I love Brother Yang! From the moment I knew myself, I fell in love with him! But so what? My uncle is only my grandfather’s adopted son, and Brother Yang is my uncle’s son. He has no blood relationship to our Xu family at all, so why can’t I like him? How does me liking Brother Yang affect you? What right do you have to stop me? Just because you’re the daughter of a first-class wealthy family, you can do whatever you want? But don’t forget, you already have such a great fiancé. You’re just looking down on me! What right do you have to criticize me?”

Xu Yunyun’s thoughts were all being exposed, and her voice was frighteningly loud. It was as if she was shouting at the top of her lungs. The elders in the living room on the second floor were so shocked that they hurriedly came down to check on the situation.

Chapter 1910: What Right Do You Have?

Knowing that Pingting’s best friend was coming, the elders had kindly gave up the largest living room on the first floor so that the group of young people could have a good party. Xu Yunyun had unexpectedly suddenly become very noisy.

Pingting had just woken up, and she was still not completely recovered. In order to prevent Xu Yunyun from provoking her, the elders immediately rushed down, wanting to mediate the fight.

After hearing what Xu Yunyun said, the elders of the Wu family were a little surprised. However, just as Xu Yunyun said, it was her business who she loved. The Wu family only needed to worry about Pingting’s affairs. They only cared about anyone who dared harm her.

Just as they were about to leave, Nangong Nuannuan’s words made the people of the Wu family stop in their tracks.

“Yes, I already have a fiancé. And his looks, figure, and occupation are all top-notch. Even so, Xu Feiyang only said a few words to me, and you were already so angry that you wanted me to die. You were so angry that you even destroyed your own palm. You can imagine how possessive and perverted you are!

“If this is the case for a woman like me, who is practically a married woman, then what about Pingting? Do you actually hate Pingting so much that you hired someone to kidnap her? To ruin her reputation?”

What?

Everyone in the Wu family looked at Xu Yunyun in shock. They could not believe that Pingting’s previous tragedy might have actually been caused by Pingting’s best friend, Xu Yunyun.

Xu Yunyun was only 18 years old!

She was also Pingting’s best friend!

Xu Feiyang and Pingting met when they were young. Pingting had only met Xu Feiyang twice before.

“Xu Yunyun, how can you be so vicious? Why did you harm Pingting? She’s your best friend! Why are you treating her like this? Are you a devil?” Wu Zongyang heard Nangong Nuannuan’s words, he rushed to Xu Yunyun and shouted. After scolding her, he even gave her a slap to the face.

Xu Yunyun was stunned. After she regained her senses, she shouted at Wu Zongyang, “Are you crazy? She merely said that I harmed Pingting, and you believe her? If she told you that sh*t was the best-tasting food in the world, would you immediately eat it?”

“I don’t like to fool people, so I won’t tell him that sh*t is delicious.”

Wu Zongyang roared. “Did you hear that? Nuannuan would never tell me that sh*t tastes good! Do you think everyone is as evil as you?”

Everyone, “...!!!”

Xu Yunyun was furious. She cried and roared. “Is there something wrong with you? You’ll believe whatever she says! Where’s the evidence? Pingting and I have always been best friends. Why would I harm her? Who even is this woman? What does she have to do with Pingting’s affairs? How can she say that I harmed and conspired against Pingting? You’re slandering me!”

“You know very well whether I’m slandering you or not. But don’t worry, since I’ve already come to Sea District, I won’t ignore Pingting’s matter. I’ll definitely help her find evidence of who harmed her. I feel like I should definitely start with an investigation of you. Miss Xu, be prepared to be thoroughly investigated by me.”

At this moment, all the members of the Wu family were looking at her. Xu Yunyun was extremely frightened, and her entire body was trembling. However, she could not show her fear, so she tried her best to put on a fierce appearance. She shouted at Nangong Nuannuan, “Lunatic! You’re a lunatic! What right do you have to investigate me? What right do you have to investigate me?!”
