Chapter 2791

2791 The mysterious little boy (3)

Before she left, she really wanted to know if Qianqian would like her as much as she liked Nuannuan if he removed the hypnosis.

In the dream, Feng shengxuan had arrived at a place that looked like a Fairyland.

There were red flowers, green grass, and towering ancient trees. In the quiet forest, the sound of water hitting the mountain rocks was very pleasant to hear.

In the forest, the chirping of cicadas was extremely pleasing to the ear. Rays of golden light flew past his eyes, and behind them, there were even some golden stars that landed in the forest. The whole forest was bathed in the fragrance of flowers, the green grass, the verdant trees, and the spring water, which was also dotted with glittering golden light.

Feng shengxuan was still thinking, 'it's broad daylight, and the sunlight is so strong. It's even reflecting off the grass, so where did these fireflies come from?'

When the golden light stopped on a huge leaf, Feng shengxuan took a closer look and realized that the thing that was flying around and scattering golden light was the legendary Golden Cicada.

It gently flapped its wings, letting out a pleasant cicada chirping. As it flapped its wings, the golden light flowed down and slowly dissipated into the air.

Feng shengxuan was stunned by this fairytale-like scene.

Yue 'er, stop playing with Feng shengxuan. He's not suitable for you at all.

Suddenly, Feng shengxuan heard the voice of a little kid. He was clearly a child, but he had called him by his full name, Feng shengxuan.

Feng shengxuan frowned and looked in the direction of the voice. He saw four children in traditional Chinese clothing standing together. Three men and one woman.

It wasn't entirely true that they were wearing Han Chinese clothing.

The four children's clothes were made of a material that he had never seen before. The three of them were wearing simple, wavy cloud patterns of different colors. However, under the sunlight, Feng shengxuan realized that the cloud patterns were really like the clouds in the sky, moving slowly.

In the middle of the three kids, there was a girl with her hair tied up in two balls and a few strands hanging down. She was wearing a white dress and was extremely cute.

At first glance, the girl's dress was indeed white, but as she moved slightly, the white dress turned into a faint pink under the reflection of the sun from another angle.

The four children were not very old, looking to be no more than five or six years old.

The three boys' faces were filled with anger, while the girl lowered her head in grievance. On that delicate face, there was a crystal clear teardrop that could not fall.

"A hundred miles?" Feng shengxuan called out in disbelief. It was because the girl who had given the Jade bracelet to him had the exact same facial features as Baili Yue.

He didn't know why, but he was sure that the little girl in the ancient style was Baili Yue. He just didn't know why it had shrunk.

The little girl and the three boys heard Feng shengxuan's voice and looked in his direction.

The moment the little girl saw Feng shengxuan, her crying and pitiful expression instantly became bright and lively.

His big, black eyes that were like obsidian curved happily.

"Xuanxuan, here you go! this is your favorite tanghulu!"

there was still a teardrop on little yue 'er's face, but the moment she saw feng shengxuan, she smiled brightly.

That smile was even more dazzling than the sun in the sky.

Chapter 2792

2792 don't provoke yue er (4)

Xiao Yue 'er held two sticks of candied Hawthorns in her hands. She had already eaten one, and the other stick was complete. Under the sun's illumination, the candied Hawthorns were bright red. Together with the girl's big obsidian eyes, Jade-like skin, and cherry red lips, these four colors seemed to become the most gorgeous colors in the world.

Feng shengxuan held back his shock and subconsciously reached out to take it. However, the boy at the side walked out angrily and stood in front of them. He opened his arms and scolded, "feng shengxuan, if you don't like our yue 'er, then you shouldn't mess with her. you can't mess with my sister!"

Facing these three children, Feng shengxuan actually felt a little guilty.

She didn't intend to speak, but Xiao Yue 'er's smile instantly changed. Her big eyes that were smiling slowly became aggrieved, and her eyes that seemed to be filled with the entire starry sky were instantly covered with a layer of mist.

the mist thickened, and in less than two seconds, a large crystal-like tear flowed down from her eye.

Xuanxuan ... little Yue 'er only called out once, and Feng shengxuan felt his entire heart soften. He couldn't bear to let her cry anymore, so he immediately said to the little boy who was blocking his way, "I, Yingluo, I like her! I do like her!"

In the face of such an extremely cute little girl, no one could bear to say that they did not like her, right?

Xiao Yue 'er's tears were like a switch, coming and going as she wished. When she heard Xuanxuan admit that he liked her, she laughed so hard that it was as if she had eaten honey.

The three little boys at the side were even angrier.

they could not be mean to xiao yue 'er, so they could only be mean to feng shengxuan.

"It's all your fault! It's all your fault!"

"Don't you like Nangong Nuannuan? If you like your Nangong Nuannuan, then don't come and provoke Yue 'er!"

"You were the one who liked Yue 'er in the past, and now you're the one who abandoned Yue' er! Feng shengxuan, why are you so annoying?"

As Feng shengxuan looked at the three little fairies who seemed to have walked out of a painting and were yelling at him, he became more and more panicked.

Huang Ziyu entered the dream a step later than Feng shengxuan. After she entered, she realized that this dream was completely different from the domain she had set up.

This dream was not set up by her at all.

in other words, not only did feng luan understand the mirror effect, he could also control her domain and create new dreams to brainwash him.

The moment Huang Ziyu appeared, the three little boys noticed him.

they looked at huang ziyu and unsheathed their swords with a swish. they surrounded bai liyue and shouted angrily, " "Feng shengxuan, if you don't like Yue 'er, just leave and never come back. why did you have to send someone to kill yue 'er?"

hearing this, feng shengxuan suddenly recalled the few times when someone tried to kill yue 'er. he panicked and quickly looked at huang ziyu.

"Who are you? What are you doing here?"

Huang Ziyu looked at the scene in front of him coldly, considering what he should do.

This was the first time she had encountered such a situation. These three boys must be closely related to Feng shengxuan. Otherwise, they wouldn't have affected him so much.

At this time, Bai Liyue, who had not spoken much, spoke up, " brother Xing, brother Chen, brother Hao, don't talk about little Xuanxuan anymore. Little Xuanxuan will not kill me. This woman is trying to sow discord between us. Right, little Xuanxuan?"

Chapter 2793

2793 Blocked (5)

Feng shengxuan looked at the girl who had suddenly turned to him and nodded subconsciously.

“Yue ‘er! Why are you so cheap? Can’t you tell? he was the one who found this person to kill you!”

“Bai Lixing, don’t you slander me!”

Feng shengxuan was enraged as well. His aura exploded, forming a Whirlpool around him. What was even more terrifying was that the grass under his feet was all lying on the soil, and even the stone next to him, which was nearly as tall as a person, began to crack. Finally, with a “ crash, ” it broke into pieces.

Huang Ziyu:

Huang Ziyu took a deep breath as he looked at the five people who were looking at her with hostility.

she couldn’t count on feng shengxuan anymore. since she had to fight this tough battle no matter what, she might as well roll up her sleeves and fight!

It could be seen that this dreamscape should be the other party’s trump card.

Before Huang Ziyu could attack, Feng shengxuan had already made his move.

Because outside, Huang Ziyu had already talked to Feng shengxuan about his skills in private.

This was considered a trump card for every mercenary, but in order to break the hypnosis, Feng shengxuan told Huang Ziyu everything he knew in detail. It could even be his subconscious little movements when he attacked, or his usual behavior when he was used to creating a diversion.

after all, huang ziyu had been seriously injured and almost died because of him. feng shengxuan was still very sorry and grateful. To his Savior, Feng shengxuan was willing to tell Huang Ziyu everything he knew.

therefore, when feng shengxuan subconsciously prepared to attack, huang ziyu was already prepared and dodged.

By the time Feng shengxuan’s killer move was about to land on Huang Ziyu, he had already escaped from one of the boys.

Her goal was very simple, and that was to kill Bai Liyue, who was in the middle.

Therefore, Huang Ziyu did not hold back at all against these three children. the first move was a killing move.

She was aiming at Baili Yue’s head, but one of the children actually drew out the sword at his waist and directly blocked her bullet!

It’s blocked!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Huang Ziyu’s eyes widened. This was the first time she had encountered such a situation.

She knew that Feng Luan was powerful and an old monster, but he could actually block a spear with a sword in her domain?

The pistol in Huang Ziyu’s hand suddenly turned into a machine gun. Just as she was about to shoot, Feng shengxuan came over and struck her with his palm.

Although ordinary people were no match for her in the dream, Feng shengxuan was no ordinary person. Even in the dream, he was still very strong. Huang Ziyu didn't dare to be slow and used all his strength to meet Feng shengxuan's palm.

However, just as she was about to face Feng shengxuan's palm, the other boy also jumped up and stabbed at her vital point.

It was so fast and accurate that the sword became an afterimage.

Feng shengxuan's fist was so strong that Huang Ziyu's eyes widened.

She knew that Feng shengxuan's abilities had deteriorated due to his illness. Now that he had almost recovered, Feng shengxuan had told her that he would be stronger than before.

However, was this just a few?

After that punch, she realized that she was only slightly stronger than Feng shengxuan!

Feng shengxuan was sent flying, and so was she. Coincidentally, the child had already thrust his sword at him. Coupled with the speed at which she was sent flying, the sword actually stabbed her in the back.

Chapter 2794

2794 Big brother Hao (1)

Huang Ziyu was shocked and immediately turned invisible. He suddenly appeared behind the boy and took advantage of the gap in the three children's defense to transform into a long hook and stab at Baili Yue, who was standing in the middle.

Bai Liyue's pupils shrank, and she suddenly attacked at this moment. The white dress on her body suddenly emitted an extremely strong light, like the sun, so bright that Huang Ziyu's eyes hurt.

However, Huang Ziyu did not retreat. Instead, he threw out his long hook, and it instantly split into two. When the other two boys attacked her, she dodged again.

Just as Bai Liyue was about to Dodge the hook easily, and the boys and Feng shengxuan had come back in time to defend, the situation was getting more and more difficult. Suddenly, three golden lights flashed in the sky and pierced through the three boys' bodies at an extremely fast speed.

At the same time as the three boys screamed, Bai Liyue also screamed. the barb that had been dodged and slid back directly cut a deep and hideous bloody mark on the skin of bai liyue's back.

"Ah!"

"Yue 'er!" Hearing Bai Liyue's scream, Feng shengxuan shouted anxiously.

Bai Liyue fell to the ground with a "plop" and burst into tears.

at this moment, huang ziyu also retracted his hand and disappeared into the air, healing her eyes that were suddenly injured by the arrow.

"Yue 'er!"

Feng shengxuan's eyes were bloodshot. He rushed over to Xiao Yue 'er and held her in his arms. His voice was trembling.

"Yue 'er, how is it? Does it hurt?"

Xiao Yue 'er was lying in Feng shengxuan's arms. Her body was trembling in pain, and her tears kept falling. She bit her lips and shook her head.

" brother xuan, i'm alright. it doesn't hurt. "

"Feng shengxuan, are you satisfied now? Are you really going to kill us before you stop?" The boy named Bai Lixing shouted angrily.

little Xuan Xuan, can you spare our lives on account of our past friendship? "

The other boy was covered in blood and looked pitiful.

Coupled with Xiao Yue 'er's wailing, even Huang Ziyu could not help but go down to comfort them.

In the end, the moment she appeared, the other child saw the opportunity and swung his sword at Huang Ziyu.

"You're still coming!"

he spoke only after stabbing first.

By the time Huang Ziyu reacted, the tip of the sword had already pierced through her body.

Huang Ziyu was shocked, but it was too late to Dodge.

Fortunately, another Golden ray of light slashed down and directly cut the sword radiance. At the same time as the sword was cut, another Golden Ray broke through the sky and directly struck the child who was trying to kill Huang Ziyu.

The boy let out an extremely miserable cry, and his entire body was filled with golden light.

"A Hao (Baili Hao)!" The other two children and Feng shengxuan shouted in unison.

Little Yue 'er also sat up in Feng shengxuan's arms, crying. Her hands were covered in blood as she wiped away her tears. Her delicate little face was smeared with a lot of blood just like that, and she looked quite pitiful.

She looked at the child who was surrounded by the golden light, and even his body was shining with golden light. waa! she cried out.

"Big brother Hao, big brother Hao!"

After calling out, Xiaoyu ran toward the child called Baili Hao. Feng shengxuan was scared out of his wits when he saw this. He pounced on her and pinned her to the ground.

"Bang!"

With a deafening explosion, the child called Baili Hao exploded as he could not resist the golden light.

Chapter 2795

2795 Shocking change (2)

It was as if his body had never existed. Following that, the golden light exploded into golden spots of light, scattering in the air and gradually dissipating.

feng shengxuan's eyes were wide open as he watched the scene. his eyes were filled with betrayal.

"Big brother Hao, big brother Hao, big brother Hao, wuwuwuwu I want big brother Hao"

Feng shengxuan held Baili Yue in his arms so that she wouldn't rub against the wound on his back. However, Bai Liyue was trying her best to break free.

"Yue 'er, don't move!" feng shengxuan couldn't help but yell.

Looking at the blood on her body, Feng shengxuan felt like he was about to die.

However, Xiao Yue 'er did not listen to him at all and continued to struggle desperately.

The two remaining children also rushed toward Huang Ziyu in anger.

just as they were about to charge at huang ziyu, the sky suddenly glowed with a golden light. two beams of light shot down from the sky.

"Be careful!"

Feng shengxuan flew toward the two kids as fast as he could, trying to push them away. However, just as he pounced on them, another golden light came down.

Feng shengxuan knew how powerful the golden light was, so he suddenly let out a roar like an angry lion.

Feng shengxuan poured all his power into it. The moment the golden light pierced through him, he punched it.

The moment he faced the golden light, Huang Ziyu's eyes widened. She realized that Feng shengxuan's hair had started to grow.

Just like the three long-haired kids in the traditional style, Feng shengxuan's hair also grew in an instant.

His black hair was like a waterfall, and there was a golden mark between his eyebrows.

At this moment, Huang Ziyu could guarantee that if Feng shengxuan's fist had landed on him, he would have been smashed into pieces!

as soon as the golden light hit him, feng shengxuan's body also burst with a golden light.

The two golden rays of light collided in the dream world, causing a huge explosion and shattering sound.

Meanwhile, outside, Nangong Nuannuan had been helping with the silver needles. Every time the black mist rose, Nangong Nuannuan would plunge into the place where the black mist was rising. In an instant, the black gas became smaller.

Seeing that it was almost gone, Nangong Nuannuan was still bragging about how she was a genius and how the medicine was so effective in recovering her nerves. In the end, she saw a golden light shoot out from the spot where she had inserted the needle.

The moment the golden light shot out, Nangong Nuannuan felt a strong force of impact. Just as she was about to pull back her hand and push Huang Ziyu away, the force of the impact was too strong. Nangong Nuannuan was so fast, but she could not do it. She could only stab the needle in.

The appearance of this majestic power was too sudden and too powerful. Chi zeyao, who was standing nearby, only had enough time to activate the protective shield on his wheelchair to protect the old man and Feng jimian, who were close to him.

“BOOM!”

With a loud explosion, Feng shengxuan’s huge room wall cracked. Everything in the room was shattered.

Nangong Nuannuan, who had no time to Dodge, thought that she was going to die because the force was too strong.

Who knew that when this power was completely unleashed, Nangong Nuannuan would realize that she was completely unaffected by this powerful force.

Nangong Nuannuan was supposed to protect Huang Ziyu.

Chapter 2796

2796 Everything is fine (3)

To her surprise, Huang Ziyu was unaffected by her presence.

So, she quickly turned around and tried to protect Baili Yue, her grandfather, second uncle, and second aunt.

However, as soon as she moved, the powerful shock wave had destroyed the entire house.

However, Bai Liyue, like her, was not affected at all.

Nangong Nuannuan also saw it clearly. The moment the golden light reached Bai Liyue, her body emitted a gentle white light.

Nangong Nuannuan realized that when the golden light touched her, she felt as if she was suddenly glowing. however, she thought that she had seen wrong.

He quickly turned his head and saw the scene of Baili Yue’s white light enveloping the three of them.

From the moment the golden light suddenly burst out, to everyone’s defense, and then to the end of the attack, only a second had passed.

However, this one second had already caused the entire house to be riddled with holes.

The entire Nangong family's main building trembled a few times because of this incomparably powerful shock wave. Everyone was so shocked that they stood in place for a second before immediately rushing upstairs.

Because of Bai Liyue, the large light wave Shield that Chi zeyao had raised from his wheelchair had not been put to use.

After hearing the chaotic sounds of people going upstairs, Bai Liyue was afraid of disturbing Feng shengxuan, so she immediately opened the door and walked out, meeting everyone's concerned and panicked eyes.

"I'm fine. There was a small accident, but everything is fine."

Hearing Bai Liyue's words, everyone finally calmed down.

After that, old man Chi, Chi zeyao, and Feng jimian all followed him out.

although they had just dodged a disaster, they could all see clearly that when the shock wave suddenly came out, if it wasn't for warm baili yue, they might have died here.

Although they didn't know why such a powerful energy had suddenly burst out of Feng shengxuan's body, or why only Nangong Nuannuan and Baili Yue were immune to this powerful energy, the old man, Chi zeyao, and Feng jimian were all experienced people. Although they wanted to stay by Feng shengxuan's side, they knew that this place didn't belong to them.

The door was quickly closed, leaving only Nangong Nuannuan, who had been awake the entire time, and Baili Yue, who had reentered the room.

When she saw Baili Yue enter the house, Nangong Nuannuan cast her a confused look, while Baili Yue was as confused as Nangong Nuannuan.

Baili Yue walked up to Nangong Nuannuan. When she saw Feng shengxuan, her eyes widened in surprise.

"He's ..."

However, in order not to agitate Feng shengxuan and Huang Ziyu, who were still in their dreams, Bai Liyue only mouthed her questions.

Nangong Nuannuan's eyes were also filled with surprise and shock.

That was because Feng shengxuan's hair had turned from short hair to long hair the moment the blast hit him.

The length of the hair was below her waist.

One had to know that Feng shengxuan was about the same height as Chi Yang. Nangong Nuannuan had said that he was 187, but he insisted on saying that he was 188. Because Chi Yang was 188 cm, he didn't want to be shorter than Chi Yang by 1 cm. Sometimes, they did look about the same height, so it was easy to imagine how long her hair had suddenly grown.

However,

Nangong Nuannuan thought it looked pretty good.

after nangong nuannuan's needle had been inserted, the black gas had stopped rising, and the golden light had also stopped appearing. it had instantly dimmed.

Chapter 2797

2797 Yue er, I'm sorry (4)

Without an opponent, Nangong Nuannuan could only wait.

Since she had nothing to do now, Nangong Nuannuan couldn't help but look at Baili Yue, who was staring at Feng shengxuan in a daze. She nudged her hand, blinked, and mouthed, " "Sister Yue, don't you think big brother looks so handsome like this? Don't you think he looks like Poseidon, the Sea King in the anime we watched when we were young? his black hair is like seaweed, and his eyes are closed. he looks like a harmless young master, but when he opens his eyes, he can drown the entire planet."

Baili Yue:

She glanced at Nangong Nuannuan, who was not on the same page as her, and couldn't help but say, " "Don't be cheeky, how are they?"

"It should be nothing. My needle also went in. I really didn't expect big brother to be so powerful. By the way, do you think this is big brother's power or Feng Luan's power?"

"I don't think Lao Ai's power is like Feng Luan's," Bai Liyue shook her head.

Nangong Nuannuan nodded. I think so too. If it was Feng Yao's power, we would definitely be injured. But how could big brother have such tyrannical strength? Could it be that he sealed big brother's power?"

Baili Yue was stunned. She looked at Nangong Nangong's warm eyes and said, " I also think so.

In the dream, Feng shengxuan was about to go crazy.

He didn't know what the golden light was, but what was Yingying going to do now?

Baili Xing, Baili Chen, and Baili Hao had all died in front of him. How was he going to explain this to his uncles?

Feng shengxuan punched with all his might, but he couldn't affect the golden light at all.

In the end, he had risked his life to save Baili Xing and Baili Chen, but he had failed.

brother alright, brother Chen, brother Hao,

Xiao Yue 'er's body was covered in blood and dirt as she lay on the ground and cried in grief. After the Jade bangle was removed, her delicate and lovely face was now dirty. Not only did it not affect her beauty, but it also made Huang Ziyu feel pity for her.

Huang Ziyu quickly shook his head. He was shocked that not only could Feng Kun create a new dream in her domain, but he could also almost make her lose consciousness in the dream he created and hypnotize her.

This was simply too terrifying!

She had never seen or heard of such hypnotism before. If it wasn't for her sister-in-law who killed the two children in time, she might have died in their hands.

However, she could sense that the three children's powers were actually separated from Feng Luan's hypnotism.

the combined strength of the three children should have nullified most of the effects of the hypnotism.

Huang Ziyu glanced at the space that was constantly shaking. Because of the death of the three children, Feng Luan's hypnosis was already on the verge of collapse. Once this space collapsed, his hypnosis would also end.

"Yue 'er, Yue 'er, don't cry. It was brother Xuan's fault. I'm sorry I didn't protect them well. I'll f * ck you!"

"wuwuwu, brother xuanyuan xuan! I'm so sad, Yingluo."

"Yue 'er, I'm sorry, I'm sorry, I'm sorry, I'm sorry, I'm sorry."

"Brother Xuan, I'm afraid of Yingluo, I'm afraid of Yingluo, Yue 'er is afraid of Yingluo, can you let her go back? She seems to be a friend of chiyang Nuan Nuan."

Feng shengxuan held little Yue 'er in his arms. She was like a tiny ball of rice, and her eyes were filled with fear as she looked at Huang Ziyu.

"Yue er, don't be afraid. Brother Xuan is here. I'll hold you like this. I'll protect you even if I have to give up my life."

Chapter 2798

2798 Healing (5)

Feng shengxuan glared at Huang Ziyu. He had an irreconcilable hatred for her. that majestic aura, even just looking at her, made her breathless.

"Who are you?"

Huang Ziyu swallowed hard and didn't reply to Feng shengxuan.

Because this dream was simply too strange.

Huang Ziyu ignored Feng shengxuan and did not attack.

She couldn't beat Feng shengxuan at this moment, and Feng shengxuan couldn't beat Nuan Nuan's needles. However, if Feng shengxuan didn't attack her, Nuannuan wouldn't be able to kill Bai Liyue in her dream.

It was very dangerous for her to fight with two people now. Feng shengxuan was too powerful. What should she do then?

Huang Ziyu looked at Feng shengxuan and Baili Yue.

Feng shengxuan also looked at Huang Ziyu with vigilance.

And Bai Liyue in his arms was only responsible for acting cute.

Looking at the turbulence at the border of the dream, Huang Ziyu suddenly disappeared from his spot.

Feng shengxuan frowned and looked around, but he didn't see anyone.

"Yue 'er, let me take a look at your wound. I'll stop the bleeding first."

Little Yue 'er cried her heart out and climbed onto Feng shengxuan's body.

However, the blood on her back was still flowing. No matter how Feng shengxuan tried to stop the bleeding, he couldn't.

Feng shengxuan was flustered and flustered, not knowing what to do.

"Yue 'er, what happened to your injuries? Why was it unable to condense? What's wrong with your body?"

Little Yue 'er looked at Feng shengxuan pitifully and pouted. brother Xuan, how could you forget that what we need is spiritual power! As long as you can give me spiritual energy, my bleeding will stop."

Feng shengxuan's eyes lit up. really? how do i transfer spiritual energy into you?"

"Brother Xuan, have you forgotten?"

Feng shengxuan looked into Xiao Yue 'er's eyes, and his expression changed from one of confusion to one of sudden realization, and then to enlightenment.

"i remember now. yue 'er, sit tight, i'll treat your injuries."

With that, Feng shengxuan placed Xiao Yue 'er on the ground and made her sit cross-legged while he sat behind her.

He gathered the surging power in his body to a place in his abdomen, where the power was accumulating at a perceivable speed. Feng shengxuan felt that if he had used this power to fight against the golden light in the sky, he might have been able to withstand the attack.

When the power was almost fully gathered, Feng shengxuan transferred it to his palm.

He discovered that a golden light had actually appeared in his palm.

Feng shengxuan found it both novel and familiar, but he couldn't remember where he had used this method before.

When a golden light was injected into Xiao Yue 'er's body, her entire body suddenly began to shake.

Xiao Yue 'er's eyes were filled with panic, " brother Xuan, hurry up. Transfer all your spiritual energy to me, I'll deal with that person."

"Alright," he said.

Although Feng shengxuan knew that he would become a cripple if he transferred all the energy in his body to this girl, the girl in front of him was Yue 'er!

He could even give her his life, let alone energy.

Feng shengxuan agreed without hesitation. He then placed his hands, which were filled with spiritual energy, on Xiao Yue 'er's back.

the wound on xiao yue 'er's back was healing at a speed that could be seen with the naked eye.

(To all of you with a glass heart: this time, the removal will be successful. In case you hit me. Hehe.

Chapter 2799

2799 Yue 'er, I was wrong 1

Huang Ziyu couldn't do anything to the cute little Yue 'er, so he went to destroy the dream world. Just as the dream world was about to break, it suddenly solidified.

Huang Ziyu saw that something was wrong and immediately rushed to Feng shengxuan's side. What he saw was Feng shengxuan putting his hands on little Bai Liyue's back, just like in martial arts dramas.

Although she didn't know how Feng shengxuan did it, she could feel that his spiritual power was decreasing rapidly, while the energy in little Bai Liyue's body was increasing.

Huang Ziyu was shocked. He no longer cared if he would be injured and immediately fired at Bai Liyue with his machine gun.

however, feng shengxuan's current strength was too strong. huang ziyu was shocked to find that he, the dream creator, was just a passerby in his domain.

Huang Ziyu had no choice but to fight with his life.

She quickly rushed over and stabbed the dagger directly at the top of little Bai Liyue's head.

Huang Ziyu had used all her strength in this attack. Otherwise, she wouldn't have been able to break through the energy barrier.

That was why she was surrounded by empty space. If Feng shengxuan suddenly attacked when she was about to stab Baili Yue, and sister-in-law couldn't stop him in time, then she would be dead.

however, she couldn't just let feng shengxuan give his spiritual power away like that.

So at this moment, Huang Ziyu was determined to separate the two of them, even if it meant death.

Before the knife could reach her, Feng shengxuan had already moved one of his hands away and waved it at her with gritted teeth.

“Get lost!”

A Golden ray of light shot towards Huang Ziyu, but he did not Dodge it and continued to stab.

“Bang!”

There were two different explosions. Under little Bai Liyue’s horrified and desperate eyes, Huang Ziyu’s knife directly stabbed into the top of her head and twisted it.

On the other side, Feng shengxuan’s golden light also hit Huang Ziyu directly. It went through her body and hit the stone opposite her.

the rock and the trees behind it shattered with a loud noise.

Little Bai Liyue also let out a hoarse scream at this time.

“Yue er ...”

Feng shengxuan’s voice sounded even worse than little Bai Liyue’s.

Looking at Xiao Yue ‘er, whose upper skull was almost completely destroyed, Feng shengxuan suddenly felt as if a part of his heart had shattered.

He trembled as he held Xiao Yue ‘er in his arms, his handsome face quickly turned red, and crystal tears fell on Xiao Yue’ er’s face.

One drop, two drops, three drops

“Yue ‘er, Yue’ er, Yue ‘er, Yue”

Feng shengxuan trembled as he mumbled Bai Liyue’s name. At the same time, he kept transferring his spiritual power to Bai Liyue, who had her mouth wide open but couldn’t say a word.

With a “ crash-“, the whole dream world fell like a broken mirror, and dust covered the ground.

the moment everything turned dark, little bai liyue’s body gradually turned into a wisp of green smoke in feng shengxuan’s arms, slowly dissipating.

“Yue er, Yue er, don’t leave me! I was wrong! I was wrong! Don’t leave me!”

more and more tears fell from feng shengxuan’s eyes. however, no matter how much he begged her to stay, bai liyue’s body still slowly disappeared in front of him.

Huang Ziyu stood in the same spot and stared at Feng shengxuan.

Chapter 2800

2800 biggest dream (2)

At this time, Bai Liyue’s figure had disappeared for a long time, but his hands were still in the same position as before, not moving at all.

By right, Feng shengxuan's hypnosis should have been lifted by now. He should know that he was hypnotized and that this wasn't the real world.

However, his tears did not stop, and he continued to Mutter, " Yue 'er, Yue' er, Yue 'er, Yue "

Huang Ziyu was curious as to why Feng shengxuan's last palm strike, which was filled with energy, was able to destroy the entire space, but she was fine.

However, she couldn't just stay in the dream, so she spoke first.

"Brother Feng, this is just a dream. Sister Yue is still alive and well. I'll take you out of the Dreamland now, and you'll be able to see sister Yue when you open your eyes."

However, Feng shengxuan didn't respond to her at all.

Huang Ziyu felt so embarrassed and didn't know what to say. After waiting for a long time without getting a response from Feng shengxuan, Huang Ziyu shook his fingers, waved his hand, and left the dream.

the first to open his eyes was huang ziyu.

As soon as she opened her eyes, Nangong Nuannuan asked urgently, " Ziyu, my brother's hypnosis has been lifted, right? "

Huang Ziyu glanced at Nangong Nuannuan, then at Baili Yue, whose eyes were clear. He scratched his head and replied, " Ying Zhenzhen should be."

"What do you mean it should be?" Nangong Nuannuan was at a loss.

"i don't know about yingluo. By right, it should have been removed, but big brother Feng ignored me. i'll be coming out first."

nangong nuannuan:

Baili Yue:

The two of them looked at Feng shengxuan at the same time, but Feng shengxuan didn't wake up.

"why hasn't he woken up yet?" Bai Liyue couldn't help but worry.

Huang Ziyu scratched his head and replied in embarrassment, " "You died in the dream, and he couldn't save you even after using all his strength. so he was very sad. even if your body had disappeared and i told him that this was a dream, he was still crying silently in it. Maybe he came out after Yingluo cried enough."

When Nangong Nuannuan heard this, she laughed so hard that she couldn't close her mouth. She nudged Baili Yue's arm with her elbow and said, " sister Yue, congratulations. You've finally seen the light.

However, Bai Liyue's eyes were still on Feng shengxuan.

Was it?

Will you fall in love with me after you wake up?

That used to be my biggest dream, Yingluo.

but now, yingluo

I'd rather you didn't like my Yingluo.

"Sister Yue, why do you look so unhappy?" nangong nuannuan was confused.

"Sister-in-law, sister Yue is not unhappy. Can't you see that sister Yue is so touched that she's almost crying?"

Nangong Nuannuan took a look and saw that there were indeed tears in Baili Yue's eyes.

She took Baili Yue's hand and said, "sister Yue, I know how you feel." No matter how much you opened your heart and tried to accept others, you couldn't do it. you've always loved big brother. Big brother was hypnotized before, so he couldn't respond to your love. Now that his hypnosis is lifted, he will definitely find out that the person he loves is you. Although he owes you in the past, I can guarantee that with big brother's personality, you'll be very happy after he opens up his heart to accept you and falls in love with you."

Baili Yue looked at Nangong Nuannuan's face, which was full of anticipation for Feng shengxuan to marry her, and she couldn't help but reach out to pinch her nose affectionately.
