Chapter 2821

2821 Causing trouble (1)

It wasn't that he looked down on women, but this was a patriarchal society. Men were the main pillars. If he were to compare himself with others, he would compare himself with men.

but this kid, he subconsciously compared himself to a woman. did that mean that he was embarrassed?

At night, Cang mingya, Nangong Zheng, and the three people from Cang LAN star had dinner together.

Because Cang Ming ya paid special attention to Nangong Zheng's preferences every time they ate, all the dishes she made were actually Nangong Zheng's favorite.

Knowing that the two young people might not be able to eat too much, Cang mingya made a smaller portion, but more varieties.

The three of them had a great appetite and talked about many happy topics during the meal.

But suddenly, someone knocked heavily on the door, and the three people who were eating could not help but frown. &Nbsp;

Planet canglan and Nangong Zheng immediately guessed who had come. After all, there was still some time between the afternoon and now. After the police collected the evidence, those who should be arrested should have been arrested.

It was about time for them to start a fight.

"Who is this?" cang mingya unhappily asked the servants to take a look.

the servant's expression changed when she saw that. " madam, it's wanwan, huang tianyun, and gu mingyan. they look like they're here to cause trouble. "

Cang mingya's grip on her chopsticks tightened. "Don't open it,"

"Yes."

"Uncle, how's your meal?"

She noticed that Nangong Zheng had already stopped eating. He had indeed eaten a lot that night, and it was the most he had eaten out of all the times she had eaten.

"I've already finished eating."

Nangong Zheng smiled. His smile was filled with love and indulgence. Canglan star's heart was moved.

She knew that the uncle wanted her to call the person in. After all, they had already captured Huang Yuhua to create trouble for Huang tianyun and Gu Wanyan.

"Aunt Qin, let them in. I've finished eating anyway, so I can't add more to the food."

"Alright," he said.

At home, everyone was still very obedient to Cang LAN star. With the order from Canglan star, aunt Qin immediately went to open the door.

As soon as she checked in, Gu Wanyan pushed aunt Qin back, causing her to stumble.

While he was still pushing her, Gu Wanyan had already started shouting, "Cang mingya, you bitch! How did you teach that bastard of yours? Tell him to release Yuhan!"

"Cang mingya, why are you so disgusting? You!!!"

After Gu mingyan cursed, Huang tianyun followed suit. In the end, his words got stuck in his throat after he cursed.

Because he saw Yingluo.

He saw that the fourth young master of the Nangong family was actually eating at the Cang family?

Did he see it wrong?

Nangong Zheng had such a distinguished identity, yet this mother-daughter duo didn't allow him to go to a top-notch private restaurant. They actually allowed him to sit at home and eat home-cooked food?

"The fourth young master? What are you doing here? Aiyaya, look at you! You didn't even tell me you were coming."

After saying that, he said to Cang LAN star, "Xingxing, why didn't you tell dad that you invited four young masters today?" fortunately, we came, otherwise, wouldn't we have missed the fourth young master?"

Regarding Huang tianyun's sudden change in attitude, Cang mingya was shocked that this disgusting man could be so disgusting. How blind was she to have fallen for him back then?

Cang LAN star was still fine. From the moment the two of them entered the room and started scolding Nangong Zheng, to when Huang tianyun saw Nangong Zheng and started to suck up to him, she had just watched them coldly.

there was no need to mention nangong zheng. he had seen many people like huang tianyun, so he didn't feel uncomfortable at all.

Chapter 2822

2822 Die of anger (2)

Only Gu mingyan, who was behind him, was trembling with anger.

After all, she had already scolded him for being a bastard and made him her enemy. However, this pig-like teammate Huang tianyun had suddenly changed sides, which made her extremely angry.

"aiya, why don't you guys have any wine on your table?" huang tianyun looked around the shabby villa and didn't see any wine. he ordered aunt qin and another servant, "Hey you, go get the best wine. also, you, set up two sets of bowls and chopsticks."

"Heavenly fortune!" Gu mingyan was so angry that her voice was out of tune.

"what are you doing?" huang tianyun had never been yelled at so harshly by gu wanyan before. now that he was being yelled at, he shouted back unhappily. " the guest is still here. who are you showing that face to? Sit down! if you want to eat then eat, if not then get lost!"

huang tianyun didn't have a good impression of gu wanyan anymore, because he had been fantasizing that gu wanyan was selina's mother. although selina hated her mother, she wouldn't let the huang family go bankrupt.

But later, he realized that he and Gu Wanyan were both wrong.

Selina really didn't care. Not only that, but every time Gu Wanyan, Huang Yuhang, and Huang Yuhan went to find Selina, they would be beaten up.

huang yuhan had been splashed with hot water last time, and now he didn't even dare to see selina.

When Gu Wanyan realized that Selina was as black-hearted as ever, she was terrified and tried all sorts of ways to avoid asking Selina for help to solve the Huang family's problem.

ever since huang yuhan had been splashed with boiling water, huang tianyun's feelings for the mother and daughter, especially for gu wanyan, had changed. after all, the huang family's current situation was all because of that coward, gu mingzhe.

if he had not married gu mingyan back then, the huang family would not have ended up like this.

On the other hand, Huang tianyun noticed that Cang mingya seemed to have lost a lot of weight.

Although he was still so fat that he didn't have any desires, he was much thinner than before.

what's more, his son on canglan star was much more powerful than huang yuhang. from his repeated losses at mingya group, it could be seen that his son would be able to do great things in the future.

Previously, he felt that his son had a good relationship with Nangong Zheng. However, he had not seen Nangong Zheng for a long time, so he thought that it was just a coincidence.

but this time, nangong zheng actually appeared at his house, and even ate cang mingya's cooking in such a down-to-earth manner. Then their relationship must be extraordinary.

He believed that as long as he treated Cang LAN star well from now on, and Cang LAN star would give him face and ask the Nangong family to show him mercy, the Huang group would definitely be able to rise from the dead. At that time, not to mention mingya group, even letting canglan star inherit the Huang group would be possible.

Seeing Huang tianyun switch sides and being scolded, Gu Ming was so angry that his head hurt. He shouted at Cang mingya, " "Cang mingya, do you know what you, a bastard child, did today? He asked the police to arrest Yuhan. last time, he incited selina to pour boiling water on yuhan, and this time, he tried to frame yuhan by saying that she was suspected of paying for a murder. Hmph, why don't you think about it, what's so good about your son that our Yuhan would kill him for? she'd have nothing better to do than to kill your son!"

“Gu Wanyan, shut up!” Huang tianyun slammed the table with a bang. Gu Wanyan was so scared that she turned to the side. Her face was red, and her eyes were misty from being wronged.

Chapter 2823

2823 on what basis (3)

“Tianyun, didn’t you come with me to take a walk?”

“who’s with you?” Before Gu Wanyan could finish, Huang tianyun said in disdain, ” “Don’t you know what kind of daughter you raised? tell me, how could i, huang tianyun, marry a woman like you? Not only did I fail to bring any glory to the Huang family, I was almost killed by you. the huang family is already in this state, can’t you just stop? was xingxing the kind of person who would take the initiative to cause trouble? Since the police had gone to arrest her, it meant that she had really done something illegal to Xingxing. You didn’t beg Xingxing properly, but came to shout at him. With a mother like you, no wonder Yuhang and Yuhan are useless!”

Gu yingyan, who is Yingluo? Where was she? what did she do?

although she knew that huang tianyun’s attitude towards her had changed after she met nangong zheng on cang lan star, this change in yingying was too big!

He said that he was here to find Cang LAN star and Cang mingya to question them, but after seeing Nangong Zheng, he became like this!

Gu mingyan simply could not accept this.

“Tianyun, how can you say that about me? Yuhan is also your daughter! yuhan was such a good girl, how could she have hired someone to kill her? it’s not like you don’t know how ruthless some people can be. if he can even throw you directly into prison, what else can he not do?”

“You shut up! This is Xingxing’s home, not your home! there’s a guest in the house, it’s improper for you to shout like this!”

Gu Wanyan looked at Huang tianyun’s face and knew that she could not continue talking to him. Thus, she turned her attention to Nangong Zheng and said,”Fourth young master, I know you’re a friend from Cang LAN, but don’t forget, I’m also Selena’s mother. Selina and Nuannuan are best friends. Can’t you just turn a blind eye? Even if you don’t want to treat me as an elder, at least show me some respect, or maybe just watch the fire from the other side of the river?”

huang tianyun didn’t scold gu wanyan when she said this. after all, he wanted to see if the nangong family would show some respect to gu wanyan for selina’s sake. if he didn’t even give them basic respect, then

Nangong Zheng was just a bystander. But since Gu Wanyan had threatened him with Selina twice, he felt that it was better to get to the bottom of things.

Therefore, after Gu Wanyan pleaded with him, Nangong Zheng raised his eyebrows slightly, picked up his phone, and made a call. The phone was on speaker, and he could even hear the beeping sound on the other end.

The call was picked up after two rings, and Selina's sweet voice came through.

"Fourth brother, what's the matter?"

Hearing that it was Selina's voice, even Huang tianyun became nervous, not to mention Gu mingyan. In fact, they still wanted to rely on Selina the most. After all, he was the vice-chairman of disheng and Sky Corporation. even if she leaked out a little, it would be enough for the huang group to come back to life.

Nangong Zheng didn't waste any time and went straight to the point."It's like this, I'm having dinner at Xingxing's house now, but your biological mother came to Xingxing's house to make a scene. She told me that she wanted me to treat her as an elder on your account. I was thinking that since you're my sister, maybe I should give this Auntie Gu some face?"

"For my sake? Why? I'm not related to her. " Selina blurted out in less than 0.1 seconds.

Chapter 2824

2824 A misunderstanding (4)

However, after thinking for a while, she changed her words.

"ah, no, no, no, i still have a relationship with her."

Gu Wanyan's face turned red with excitement when she heard that. on the side, huang tianyun's expression was much better.

but the next moment, selina said,"she and i are enemies." Speaking of which, fourth brother, didn't the Gu family offend the Nangong family? why were the gu family's escapees still jumping around? Isn't your Nangong family's speed of action a little too slow? If you guys don't destroy that fish that slipped through the net, I'm going to make a move!"

Nangong Zheng smiled indulgently and said,"you little girl, why do you always say things like Nuan Nuan's?" We didn't do anything to her because we gave you face and left them to their own devices."

"Don't, don't, don't. i'll go to second uncle immediately to show him that i'm determined to see a woman in dire straits."

"Alright, I know. i'm hanging up then."

"okay, bye." The other party didn't waste any time and directly hung up the phone.

at this moment, gu wanyan's face had turned ashen.

Because Huang Yuhan had been splashed with hot water by Selina, and every time they went to see her, they had to lose a layer of skin before they could come back, Gu Wanyan was already afraid of going to see her. But not daring to look for it didn't mean that he didn't want to.

Only God knew how much Gu youyan regretted not keeping Selina by her side before that man died. If he kept her by his side, would everything be different?

Hearing Selina's words now, Gu mingyan felt like she was going to die of sadness. However, Nangong Zheng did not care so much. He waved the phone in his hand and said to Gu youyan, " "Did you hear that? Even Selina doesn't acknowledge you, so why should I? Do you have a lot of face?"

Then, he looked at Huang tianyun. Chairman Huang, if you didn't come to find trouble with little Xingxing today, I might have forgotten about this. But since you brought your dear wife to find trouble with my little Xingxing, I won't mind telling you. Your good daughter found a group of people to kill little Xingxing today. I was sitting in the car and those idiots wanted to kill me. "

"What?" Huang tianyun and Cang mingya both cried out in shock.

Huang tianyun's face instantly turned into one of fear, sorrow, and despair.

On the other hand, Cang mingya's face was filled with worry. She looked at Cang LAN star and then at Nangong Zheng. She felt that they should be fine, so she tried to control her emotions.

She realized that ever since she had started the acupuncture at Nuan Nuan's place, more and more black blood had been sucked out, and her mind had become much better. At least, she could control her emotions when she was in a fit of rage.

fortunately, I have a bodyguard following me. If I didn't have a bodyguard following me today, or if the bodyguard was a little further away from me, would little Xingxing and I have to die on the way home today? "

"How did Yingluo become like this? is there a misunderstanding?" Huang tianyun was completely anxious.

If it was only his relationship with canglan star that wasn't good, and Gu Wanyan's relationship with Selina wasn't good, he felt that both of them were his son and daughter, so there must be room for negotiation. But wasn't this too wrong?

"Misunderstanding?" Nangong Zheng laughed coldly,"So You Think that there's still a misunderstanding when I've already gotten the police to arrest your daughter? Are you questioning the Nangong family's ability, Chairman Huang?"

Chapter 2825

2825 There are only wrong children in the world (5)

"No, no, no, I wouldn't dare! I don't dare!" Huang tianyun wiped off large beads of sweat as he said,"Today's incident happened too suddenly. Fourth young master, I really didn't know that such a thing happened. When the police took Huang Yuhuan away, they only said that she was trying to buy a murder star. That's why we came to ask. We don't know Yingluo."

Before he could finish, Nangong Zheng interrupted,"So you guys called little Xingxing a bastard the moment you entered?"

Huang tianyun:

Gu Yuyan:

"Little Xingxing is aunt Cang's son who was pregnant for ten months. He has a good background and has been living with aunt Cang, how can he be called a bastard? Also, I'm little Xingxing's brother. From now on, little Xingxing is a member of the Nangong family. You're saying he's a bastard?"

nangong zheng had already described huang tianyun and gu yiyang's faces to be as pale as a sheet. The two people who were usually arrogant were now standing in the middle of the dining room with completely defeated faces. They didn't know whether to stay or leave.

"Chairman Huang doesn't raise his own son. It's clear that he abandoned his own son and let Madam Gu and her children call him star bastard every time. Madam Gu had raised her two children into useless people, yet they still had to come and disgust others every time. Don't you think you're disgusting?"

Looking at Nangong Zheng's super strong combat power, Cang LAN star's face was filled with admiration.

She wasn't someone who liked to talk. If she wanted to, she would either break the hands of Gu Wanyan and her mother, or send Huang tianyun and Huang Yuhan to prison. In any case, she would not scold them if she could do it. After all, even if she scolded them, these people would not take it to heart.

But uncle was different. The uncle was someone that Huang tianyun wanted to kneel and lick. Being scolded by the uncle was even worse than breaking Huang tianyun's arm.

I'm having my meal. Your appearance has seriously affected my appetite.

"I'm sorry Yingluo. Fourth young master, I'm really sorry! Please believe me, I really didn't know about this. If I had known, I would have definitely stopped her. I'll f * ck you!"

"She's your biological daughter, right?" Nangong Zheng asked.

"She ... She ..." Huang tianyun didn't know what to say.

I've been teaching her for more than ten years, but she still hasn't been taught well. I think you don't need to pay anymore. Let the police and the prison teach her.

"Yes, yes! Alright, alright. Thank you, fourth master!" What else did Huang tianyun dare to say? He did not dare to say anything now.

"Then you guys can go. You also said that this is little Xingxing's home, and don't come uninvited in the future. Since you didn't acknowledge him as your son from the start, you can't acknowledge him in the future either."

Huang tianyun's face could no longer be described as ashen.

He still wanted to rely on planet Cang LAN to build a good relationship with Nangong Zheng, but now Nangong Zheng actually told him not to acknowledge planet Cang LAN!

"Fourth young master Yingluo, hehe Yingluo, you see, there are only wrong children in this world, where are there wrong parents? Although I did owe Xingxing a lot all those years, he's still my biological son. Without me, where would he be? It's true that I didn't do well before, but I'll definitely treat him well in the future. Our Huang group will be a star in the future."

After saying this, Huang tianyun was enlightened. After all, Huang Yuhang had been destroyed by Gu Wanyan, and Cang LAN star was his own son. If he handed over the Huang group to Cang LAN star, then the Nangong family and disheng group wouldn't have to suppress the Huang group, right?

[My Sweet Physician Wife Calls The Shots](#)

Chapter 2826

2826 I'm his biological father (1)

Huang tianyun's idea was very good, but just as it formed, the Cang LAN star that had been silent all this time suddenly spoke, "That's enough. I wouldn't want your stupid group even if you gave it to me. You'd better leave your group to your son and daughter. What do you mean by leaving me, an outsider, behind?"

Not to mention Huang tianyun, even Gu youyan didn't expect that the canglan star would give up on such a big deal.

"Xingxing, I know that because of the change in my relationship with your mother, you suffered a lot when you were young. Dad admits that this matter was dad's fault. It was dad's fault. I saw your mom gain weight and didn't like her. I found another woman to marry. I'm a scumbag. But it's true that you're father's son. You!!!"

"So what?"

Nangong Zheng, who was originally as obedient as a rabbit on Cang LAN star, had now turned into a ruffian, and his brows furrowed.

"So what? It's just a matter of JZ between you and me. You're so ugly, and I didn't inherit your looks. I inherited my mother's looks. That's why you're only a burden to me in terms of genetics. So, don't talk to me about your dad or how much JZ is. I'll go to the hospital and ask for the highest price. Then, we'll be even."

Huang tianyun's eyes widened, and he looked hurt. "Xingxing, how can you say that?"

Cang mingya was so angry that she laughed. "You just didn't stay by her side? If I'm not mistaken, her surname is Cang and not Huang, right? And are you sure she inherited it from you? If he really inherited it from you, mingya group would have collapsed a long time ago. "Huang tianyun, there's a limit to disgust. From the time I was pregnant until now, you've not taken care of Xingxing for a single day. You know how much you've taken from us. Now that you're at your wit's end, you know that Xingxing is your son? Let me tell you, Huang tianyun, there's no such good thing in the world. I knew you were such a person, so when Xingxing was three years old, I took the video of you not acknowledging Xingxing as your son and refusing to adopt her to the notary office. Because I know that when I'm with a shameless person like you, everything has to be done according to the law, and I need to have a backup plan.

Huang tianyun looked at Cang mingya and said, "Aya, hurry up and tell Xingxing. No matter what, I'm still his father, his biological father! Even though I didn't grow up with him, my blood still flows in his bones. If it wasn't for me, would he be as outstanding as he is today?"

Cang mingya was so angry that she laughed. "You just didn't stay by her side? If I'm not mistaken, her surname is Cang and not Huang, right? And are you sure she inherited it from you? If he really inherited

it from you, mingya group would have collapsed a long time ago. "Huang tianyun, there's a limit to disgust. From the time I was pregnant until now, you've not taken care of Xingxing for a single day. You know how much you've taken from us. Now that you're at your wit's end, you know that Xingxing is your son? Let me tell you, Huang tianyun, there's no such good thing in the world. I knew you were such a person, so when Xingxing was three years old, I took the video of you not acknowledging Xingxing as your son and refusing to adopt her to the notary office. Because I know that when I'm with a shameless person like you, everything has to be done according to the law, and I need to have a backup plan. So, I've already filed the video of you and Xingxing having only one relationship with each other at the notary office. In this life, unless Xingxing is willing to acknowledge you, don't even think about using the identity of 'Xingxing's father' to restrain her. "

"Hey, you!"

Huang tianyun didn't think that Cang mingya would be so heartless. He already said that he didn't want a son, but she still went to notarize it. Notarized my ass!

Bitch!

"Fourth young master, look at this Xuanji fourth young master. I know you're someone who values kinship the most. Xingxing is young and has been brainwashed by his mother. Since you're Xingxing's big brother, please persuade this child! He's ..."

"Persuade him about what? Was he trying to persuade him to use his brother's resources to help a father who had never raised him and only had hatred and no feelings for him? Do you think I'm stupid, Chairman Huang?"

Chapter 2827

2827 Do you need help? 2

Nangong Zheng then looked at planet Azure and said, " "Little Star, I won't say that I don't want to be your big brother just because you've acknowledged your father. But I have to say, people should still live more clearly. There are some things that will cause chaos if you don't make a decision."

"Uncle, don't worry. There's nothing to be decisive about. He didn't look for me for the past 18 years. He just suddenly came back and used our 45% shares to do whatever he wanted in our company. I'm just business enemies with him, nothing else."

"Do you need my help?" Nangong Zheng asked in a doting tone.

"Fourth young master!" Huang tianyun let out a cry of disbelief.

"No need,"

Luckily, Cang LAN star rejected him. However, the following words made Huang tianyun feel even more uncomfortable.

"I will take back the things of our Cang family myself. Since I'm the successor of the Cang family, I have the ability to protect this family business."

Nangong Zheng looked at Cang LAN star in admiration, " alright, if there's anything you need help with, just let me know.

"Alright," he said.

Canglan star revealed a smile as sweet as a strawberry to his uncle, causing Nangong Zheng's heart to ripple.

"What about the Huang family? Do you need my help to deal with the Huang family?" nangong zheng asked.

fourth young master Zhenzhen!!! Huang tianyun cried out again.

However, he was not as lucky as last time.

Cang LAN star shrugged his shoulders indifferently, " the Huang family has nothing to do with me. If you want to do it, then do it, it's all up to your preferences."

"Xingxing, how can you say that? The Huang group will be yours in the future!"

However, Nangong Zheng and Cang LAN star did not bother with him.

"Alright. Since you've already said so, then leave the Huang group to me. After all, the heiress of the Huang group almost killed me today. Originally, the Nangong family disdained to deal with the Huang family, but since the Huang family doesn't even have the basic self-awareness and I don't need to give you face, I'll just let them die."

Huang tianyun didn't feel good. He had never expected that the son he didn't like at all would actually be able to cling onto Nangong Zheng, this big thigh. Even more so, he didn't expect that this big thigh would personally deal with the Huang family for the sake of this stinky brat from Cang LAN star.

This time, Huang tianyun truly regretted it.

He no longer felt that marrying Gu Wanwan was a wise move.

If he had known that Cang LAN star would have such a day, he would have treated him and Huang Yuhang equally.

However, it was too late to say anything now.

After leaving the Cang family as a guest, Nangong Zheng gave the order to the Imperial Group to acquire the Huang family at a low price.

Huang tianyun and Gu Yu had been chased out of the Cang family on Cang LAN star.

Gu Wanyan's entire body was shaking with anger, but she knew that after today's events, Huang tianyun's attitude towards her would definitely plummet. Therefore, even though she hated that b * tch Cang mingya and that b * stard from Cang LAN star to death, she didn't dare to say a word after they left. She trembled as she followed behind Huang tianyun.

Huang tianyun suffered a huge blow that night. He didn't expect that even after he offered to give the Huang group to Cang LAN star, the other party didn't want it. He also didn't expect Nangong Zheng to declare that he wanted to mess with the Huang group.

These were probably just Nangong Zheng's angry words, right? After all, the Nangong family didn't do anything to the Huang and Gu families before!

Seeing that Huang tianyun was about to get into the car, Gu Wanyan quickly followed.

"go to the guard post."

Gu Wanyan's eyes lit up. She thought that Huang tianyun had suffered a setback on Cang LAN star and would thus place his focus back on her son and daughter.

Chapter 2828

2828 Death notice (3)

however, before she could celebrate, huang tianyun gave her a backhanded slap when the car stabilized.

"Ah!"

Gu yiyi only had time to let out a tragic cry before she fell from her seat to the ground.

"Bitch! Are you satisfied now? Will you be happy if I completely destroy the Huang group?"

Although he had only said one sentence, Huang tianyun was already in the middle of his sentence. He kicked Gu Wanyan's chest hard, then pulled her face and slammed it into the car door. Finally, he punched Gu Wanyan's eye bone without any hatred.

Gu Wanyan had been unable to speak ever since she was kicked, so when Huang tianyun was scolding and beating her, Gu Wanyan didn't make a sound.

Soon, Gu youyan, who had been nourished by the Huang family for more than 20 years, was beaten beyond recognition by Huang tianyun and fainted.

Seeing that she had stopped moving, Huang tianyun didn't care if she was dead or not. He only unbuttoned the two buttons of his shirt in frustration. He sat in the back seat of the car, sulking as he thought of countermeasures.

The Cang LAN star was about an hour away from the Imperial Prefecture's guards. However, half an hour later, the special Assistant suddenly called him.

Seeing the call from his Special Assistant, Huang tianyun panicked for no reason. His face changed, and he answered the phone.

Before he could speak, the special Assistant's frightened voice came from the other side of the phone.

Chairman, bad news. Two minutes ago, the Imperial Group issued a notice to buy the Huang family's shares at a low price.

"what?"

Huang tianyun reflexively stood up, but his head hit the roof of the car and bounced back.

“Two minutes ago, the Imperial Group issued a notice to buy the shares of the Huang group at a low price. Chairman, what is going on? the office on duty was now flooded with calls from the reporters. How should we respond?”

huang tianyun sat in the car for a long time. he felt his entire body turn cold, but his clothes were already drenched in sweat.

“imperial palace wants to buy the huang group’s shares at a low price!”

Previously, Imperial Palace did not interfere with the Huang group. Those people only knew that after the Gu family took Nangong Nuannuan’s enemy’s sister, the Gu family went bankrupt, and the Huang family was on the verge of bankruptcy.

But no matter what, the Huang group was still running, and it would be pulled back one day.

but now, imperial palace had officially extended their hand to the huang group.

just because this woman in front of him had given him a good daughter?

How did things end up in such an irredeemable state?

Huang tianyun couldn’t come back to his senses for a long time.

“Chairman, once this announcement is out, the connections that we’ve built up with so much difficulty will immediately be destroyed.”

While the special Assistant was still talking, other incoming calls appeared on Huang tianyun’s phone. The caller ID showed that it was the partner who had just re-signed a strategic cooperation with the Huang group not long ago.

huang tianyun didn’t dare to hang up and answer the call. at this moment, his mind was completely blank and he didn’t know what to do.

Chairman, some of the directors sold their shares at a low price when the Huang group was in trouble. Now that ‘Imperial’ wants to buy it at a low price, those who still have shares will definitely sell their shares at the lowest price.

2829 Protecting the bastard (4)

” let’s not talk about anything else. just this announcement from ‘imperial’ alone will cause 2 billion of our company’s money in the stock market to evaporate. ”

2 billion RMB

Huang tianyun felt like the entire car was spinning.

Imperial Palace had made a move on the Huang group!

The Huang group was finished!

This was the only thing that Huang tianyun could think of.

After hanging up the phone, Huang tianyun was no longer in the mood to answer the endless calls.

He felt that the most important thing right now was to find out if Huang Yuhan was the one who was looking for trouble, and why she was looking for trouble. After that, he would hand Huang Yuhan over to planet Cang LAN to deal with, and try to get Nangong Zheng's forgiveness.

Otherwise, not to mention one Huang group, even ten Huang groups wouldn't be able to withstand the Nangong family's power.

Huang tianyun had no choice but to tell the driver to go faster. He had to see Huang Yuhan, that rebellious girl, immediately.

when they were about to reach the detention center, gu mingyan slowly woke up. huang tianyun had originally planned to go down and find her himself, but when he saw that gu mingyan had woken up, he sneered at gu mingyan. gu mingyan was so scared that she began to fight. she looked at huang tianyun with eyes full of fear.

"Since you're awake, let's go together. Go and ask your good daughter what she has done! Oh, 20 minutes ago, the Imperial Group had already issued a notice to acquire the Huang group at a low price. Our royal family has been completely destroyed by you and your daughter!"

Huang tianyun got off the car. Seeing that Gu youyan was still cowering in the car and unwilling to get out, he asked the driver to open the other door, reached out, grabbed the back of Gu youyan's collar, and dragged her out.

"I'll walk on my own! I'll walk on my own! Walk on your own! Heavenly fortune, I'll walk on my own!"

Gu Wanyan screamed as soon as she got out of the car. She was afraid that Huang tianyun would drag her in at the entrance of the detention center.

she would rather be beaten than let others see her, the dignified matriarch of the huang family, in such a sorry state.

Huang tianyun was also a man who cared about his face, so he let go.

After Gu Wanyan fell to the ground, she immediately stood up and took a hat and a mask from the back seat to cover her face. She tidied up her wrinkled clothes and then followed Huang tianyun into the detention center.

they waited for another half an hour in the meeting room before huang yuhan was finally brought in by the prison guard.

the fear in his eyes was replaced by joy the moment he saw huang tianyun and gu wanyan.

Huang Yuhan pounced over and grabbed Huang tianyun's hand, "Dad, you're here to save me, right? I can go now, right? Let's go! I don't want to stay here any longer."

Huang tianyun watched as Huang Yuhan grabbed his hand and shook it off in his ecstatic state. Then, he slapped Huang Yuhan's face.

Huang Yuhan was knocked to the ground, and he looked at Huang tianyun in disbelief. His face, which he had spent a lot of money on, was quickly turning red and swollen.

"Dad, why did you hit me? Why did you hit me? That b * stard from Cang LAN star got the police to arrest me and put me in this state, and you still hit me!" Huang Yuhan shouted, feeling wronged.

Huang tianyun's hands trembled with anger when he saw Huang Yuhan. Before he could say anything, Huang Yuhan had already stood up and rushed to Gu Wanyan's side.

Usually, Gu Jinyan doted on her the most. Huang Yuhan quickly grabbed her and said, "Mom, look at dad. He's actually defending that bastard. Don't tell me you're here to teach me a lesson and not to take me away from here?"

Chapter 2830

2830 idiot (5)

Huang Yuhan was getting more and more excited as he spoke, so she didn't notice that Gu Wanyan was trying to shake her hand off.

"You even asked your mother to help you? You still want to go out? Huang Yuhan, I'm warning you, tell me the whole story right now. If you miss anything, I'll make sure you'll be in jail for the rest of your life!"

seeing the furious huang tianyun, huang yuhan's eyes widened, and he had a "you're crazy" look.

"Dad, you're actually helping that bastard?"

"Pa--"

Another slap landed on Huang Yuhan's face. This was the second time he fell to the ground.

"Bastard? Huang Yuhan, I'm telling you, if it wasn't for your mother's mistress, Xingxing would have been the young master of the Huang family! He should be the successor of my Huang group!" speaking up to this point, huang tianyun was filled with regret.

Why didn't she want to keep Xingxing by her side? The Huang family wouldn't be short of that person's food. Why did he lose his mind and refuse to let Xingxing enter the Huang family?

huang tianyun slapped the defenseless gu wanyan across the face. After Gu Wanyan fell to the ground, her hat, sunglasses, and mask all fell off. A swollen, purple-red face appeared in front of Huang Yuhan.

"Mom, what happened to your face?" he asked. Huang Yuhan cried out.

Even in front of her own daughter, Gu Wanyan did not want her to see her in such a sorry state. She quickly picked up the mask from the ground with trembling hands and hurriedly put it on her mouth, not caring that it was dirty.

“Dad, did you hit him? You actually hit your mother for that bastard?” Huang Yuhan felt like the world had gone crazy.

“I hit her! Not only will I hit her, I’ll also hit you! You’re a jinx, how did our Huang family produce a prodigal like you?”

Huang tianyun gritted his teeth as he cursed at Huang Yuhan. He kicked Huang Yuhan’s body, and after she fell, he started punching her.

“It wasn’t easy for our Huang family to develop the Huang group for generations! it wasn’t easy for me to snatch the huang group from my brother’s hands, but it was destroyed by you two wastrels! Especially you! Don’t you know that the canglan Star Heart is brothers with Nangong Zheng? do you know that when you sent your men to kill cang lan star, nangong zheng was in his car? You idiot!”

huang yuhan had been stunned by the slap, but when he heard that nangong zheng was in the car, he immediately came back to his senses and looked at huang tianyun in a daze. he didn’t even feel the pain from the slap on his face.

Huang Yuhan grabbed Huang tianyun’s arm and kneeled on the ground. “what did you just say? Nangong Zheng was in the carriage? Did anything happen to Nangong Zheng? He can’t possibly know that I sent those people, right?”

she had fallen deeply in love with nangong zheng ever since she saw him at the hotpot restaurant.

She had always felt that the few young masters of the Nangong family were all very cold and aloof. In the end, she didn’t expect Nangong Zheng to be so gentle towards Cang LAN star that day.

If Nangong Zheng was so gentle to a man from planet Cang LAN, then as his half-sister from another mother, Huang Yuhan would naturally think that Nangong Zheng would like her.

But that day, not only did Cang LAN star not introduce her to Nangong Zheng, he even encouraged Selena to hurt her, causing her to be so embarrassed. In the end, Selina even splashed it with boiling water.
