Chapter 291: XOXO

Leng Qirui quickly shook his head. "No!"

Fearing that he would be verbally attacked by Zhong Nuannuan again, he immediately changed the subject. "You're only starting to read Year 1 Junior books now, so how can you guarantee that you'll get first place in the final exams next month?"

"I'm revising." Zhong Nuannuan lied without blushing.

"Then... If I start revising things from Year 1 Senior now, can I get a good result by the time gaokao arrives?"

To prevent Zhong Nuannuan from chiding him, Leng Qirui added, "Actually I'm very smart."

"Do you have eidetic memory?"

"..." Do you? He almost blurted out this sentence, but in the end, he bit his lip and did not dare to answer.

Seeing Leng Qirui looking like an angry little girl, Zhong Nuannuan's tone softened a little. "As long as you work hard, you won't end up getting last place in the whole grade."

He was obviously in penultimate place!

Forget it, he felt that being calculative with the person who placed last in the whole year, who was even a girl, might make him appear a little inept.

After that, Leng Qirui turned off the game on his cell phone and began to listen to the lecture carefully.

When he tuned in, he realized that he could actually understand the lesson.

Thus, just like that, Young Master Leng began to study seriously.

Nearby, Zhong Nuannuan listened to the teacher's lecture while quickly memorizing the knowledge of Year 1 Junior at the speed at which one would browse the internet.

At the end of one class, she had already finished reading one Year 1 Junior mathematics textbook.

The second class was Luntanese language. Zhong Nuannuan gave up on it immediately and choose to continue working on mathematics.

Just like that, a day passed in the blink of an eye.

When school was about to end, Zhong Nuannuan received a text message from Chi Yang.

[Young lady, I've already arrived at the apartment, what would you like to eat tonight?]

Zhong Nuannuan was speechless.

She had already invited her roommates to dinner yesterday, if she stood them up again tonight, it would be very bad!

[Big Brother Chi Yang, I told three roommates that I'd go eat dinner with them today. However, I also want to be together with you now, so can you invite them to dinner too?]

The text message was sent out, and Chi Yang responded in seconds.

[Sure. It so happens that the apartment has just been set up, and it's the first time someone is moving in. How about you invite your roommates to come over to the apartment, and I'll make all of you some good food?]

In truth, her Big Brother Chi Yang's cooking was really extremely delicious, and Zhong Nuannuan felt that it was even better than what was prepared by chefs in five-star restaurants.

Therefore, when she saw him say that he would be cooking, she could not help but salivate. Her foodie nature was fully exposed.

[Okay! Then I'll tell them, they'll definitely be very happy.]

[So, I'll cook at home, and I won't come to pick you up after school. You and your roommates come straight here, okay?]

[Okay! O(∩_∩)O~~]

[Be careful on the road!]

[Okay! Thank you for your effort! XOXO!]

Very soon, Chi Yang replied.

[What is XOXO?]

Zhong Nuannuan was at a loss for words.

Her Big Brother Chi Yang was really an outdated man!

Hence, Zhong Nuannuan blushed slightly and sent an explanation. [It's like 2333, understand?] (TN: '2333' is a Chinese internet slang term used to describe laughter, similar to the English slang term 'lol'.)

Only

In order to prevent Big Brother Chi Yang from saying that she took the initiative to kiss him, Zhong Nuannuan added another line of text. [Actually, this is a term used when we say our goodbyes.]

Very quickly, Chi Yang replied to her text message.

[Okay.]

Zhong Nuannuan was taken aback. What did he mean by 'Okay'?

She curled her lips, thinking to herself that Big Brother Chi Yang really had no EQ.

As a girl, she had already said XOXO, so how could he say nothing back at all?

Forget it, it was fine even if his EQ was lower than average. After all, it did not change how well he treated her.

Chapter 292: 2333

Whether it was XOXO or 2333, Zhong Nuannuan was convinced that Chi Yang did not know what it meant. He only knew that it was a kind of modal particle like “Ah”, “Ya” and “Ma”, used when saying goodbye.

Suddenly, Zhong Nuannuan’s cell phone vibrated again, the message was still from Chi Yang. When she opened it——

[2333]

Zhong Nuannuan could not hold herself back and laughed out loud.

She could not imagine how Big Brother Chi Yang looked like when he made the 2333 expression.

Seeing Zhong Nuannuan texting away, Yan Fangfang blocked Zhong Nuannuan’s way as soon as the bell rang after class.

“Nuannuan, who are you texting that’s making you so happy? Your eyes are already crooked from smiling!”

Seeing the corners of Zhong Nuannuan’s lips still raised when she looked up, Mu Qingxuan, who had just walked over, smiled and said, “Is that even a question? It must be her director-general fiancé.”

Gu Xiaoli’s eyes narrowed slightly. “Are you going to stand us up again and go on a date tonight?”

Zhong Nuannuan packed the things on her table. “How could I? Let’s go, my Big Brother Chi Yang will be cooking and personally entertaining us today.”

The few girls’ eyes lit up.

“Your director-general fiancé can even cook?!”

“Yes, his end product is super good!” Zhong Nuannuan was humble at all as she praised her own fiancé.

Yan Fangfang looked at Zhong Nuannuan enviously. “Is there anything your director-general fiancé can’t do?”

Gu Xiaoli also wailed with jealousy. “Does your director-general fiancé have any brothers? Please introduce them to us!”

“He’s an only child.”

“Does he have any friends who are single then? Please introduce them to us!”

“Since you’ll also see him today, you can ask him directly. If he has any, he’d be glad to watch a relationship blossom.”

“Nuannuan, I love you! If I can find a person who has only half of his... one-fifth... No, one-tenth of his good qualities, I’ll be satisfied!” Gu Xiaoli’s eyes squinted as she smiled, looking delighted.

Zhong Qianqian, who was standing ahead, heard Zhong Nuannuan and the few girls’ conversation, and a hint of gloom flashed across her eyes.

“You’re inviting them to dinner? Well, aren’t you inviting me?” Leng Qirui asked eagerly.

Zhong Nuannuan was a little taken aback by Leng Qirui’s question, but still shot back very righteously, “Why should I invite you?”

“...” Leng Qirui was tongue-tied for a long time before he replied, “Well, I’m your good friend too!”

“Still, I’m inviting my roommates today, and you’re not my roommate.”

Leng Qirui was speechless. He felt as if he had received 10,000 poison and damage points.

Under Leng Qirui’s extremely resentful gaze, Zhong Nuannuan left with the three girls from her dormitory.

As soon as they walked out of the main gate, Zhong Nuannuan felt that someone was following them from behind, albeit not very skillfully.

That person probably did not expect the four of them to come out together, and even walk in a group. Thus, the person who was following them was forced to wait before making their move.

Only

Seeing that the person tailing behind them had fallen farther and farther behind, looking as if he was not ready to take action today, Zhong Nuannuan said to the three girls from her dormitory, “Oh no, I placed my cell phone into the drawer after using it earlier.”

Everyone was speechless.

“Why are you standing here stupefied then? Quickly, go back and get it!”

Gu Xiaoli spoke anxiously, while Mu Qingxuan, who stood aside, had a sorry expression on her face.

“You only remembered after walking all the way here... I think your cell phone will have already been taken by the time you get back.”

“People have been losing their belongings in class more often recently, not to mention that you placed it in the drawer just like that. Hurry, go back and have a look, maybe the sticky-fingered person has already left and your cell phone is still there.”

“Okay, I’ll go back and have a look then. Wait for me, I’ll be right back.”

“Nuannuan, there’s a fruit shop across the road, we’ll wait for you there.”

Chapter 293: Rogues

“Okay, sure.”

After Zhong Nuannuan promised her three roommates this before running back in the opposite direction. She looked quite anxious.

The stalkers, who were already prepared to retreat, then saw Zhong Nuannuan walk back toward the direction of the school. Their eyes lit up, and they quickly retreated into the dark.

Zhong Nuannuan was about to enter the school gate when she was cut off at a corner.

Five big and strong men suddenly emerged from the alley as they quickly surrounded Zhong Nuannuan.

“You... What are you doing?”

Seeing the fear in Zhong Nuannuan’s eyes, these people instantly forgot their employer’s words, who said that this woman was strong and very difficult to handle.

The boss, a man who wore a black tight-fitted shirt that squeezed his chest and belly fat, almost started drooling when he saw Zhong Nuannuan so close to him.

He had never encountered such a beauty during all the jobs he had received in the past.

She was such a stunning beauty. Even if she already had a fiancé and was no longer a virgin, it must be euphoric to have sex with her!

“Are you Zhong Nuannuan?”

The lustful gaze in the man’s eyes did not change, and Zhong Nuannuan felt a wave of nausea. The killing intent in her pupils popped up briefly, but she quickly covered it up.

With her weak appearance, and her big, watery eyes looking misty like a frightened kitten, she looked so helpless that the others could not help but want to pull her into their arms.

“Do you know that someone out there doesn’t like you?”

The leader especially liked girls who looked weak. The weaker she was, the more enjoyable her hoarse cries and trembling would be when he got her onto the bed later.

Thinking of this, the man felt his body undergo a physical reaction. Without waiting for Zhong Nuannuan to reply, he spoke again, “That person asked us to kill you.”

After he successfully saw the other party wince again in fright, the man continued, “However, you don’t have to worry, I don’t have any deep hatred for you. As long as you can afford to pay a higher amount than them, I will consider letting you go. How about that?”

Zhong Nuannuan’s eyes instantly lit up. “Big Brother, how much did they pay you? I can definitely pay a higher price than them!”

Only

The man looked at Zhong Nuannuan and thought for a moment. “Sure, there are many people here, follow us there and we’ll talk about it.”

“Okay.” Zhong Nuannuan nodded. Half-forced by the other party, she entered the small wooded area by the side.

“They gave me 50,000 dollars to take your life. If you can pay 200,000 dollars, I’ll let you go. How about that?”

Confirming that no one was around, Zhong Nuannuan was just getting ready to properly abuse this group of people and learn more about the person who had hired them. However, at the moment right before she was about to take action, she felt very light footsteps coming approaching. It sounded like this person was specially trained.

Remembering that Chi Yang had told her that he would send someone to protect her last night, Zhong Nuannuan already had a notion of the incoming person’s identity.

However, this group of idiots, who wanted to be corrupt and take advantage of her at the same time, clearly did not notice anyone approaching. The figurehead smiled, displaying a mouthful of disgusting, yellow teeth. “Little beauty, how about it? Have you considered our proposal? Do you want us to cut the main artery in your neck such that you won’t see the sun tomorrow, or give us 200,000 dollars now so that we can let you go?”

Zhong Nuannuan had a pitiful look on her face...

Chapter 294: The Person Following Her

“Big Brother... My father only gave me my card today, and I can only withdraw a maximum of 50,000 dollars from it every month, I... Can I pay in installments?”

The leader’s eyes lit up when he heard Zhong Nuannuan’s voice.

When Zhong Nuannuan noticed their gaze, she knew that they definitely only received 50,000 dollars at most, and most likely much lower than that. Otherwise their attitude would not be like this.

Besides that, these people had a strong roguish aura, so they were likely just ordinary street thugs.

Therefore, she could be certain that Ou Mingxi was not the one that had hired these people. After all, Ou Mingxi would not be so unprofessional.

“Of course! However, you have to give me the card now. Tell me the password and I’ll send someone to withdraw the money. If I can successfully withdraw 50,000 dollars, I’ll let you go, okay?”

Although he said this, he already struggled to contain the evil lewdness in his eyes, which was brimming with lust. At this point, he was basically drooling.

“O... Okay.”

Zhong Nuannuan put down her school bag, pulled out a card from it, and squeezed it in her hand timidly.

The thugs' eyes lit up, and the leader quickly approached her, reaching out to snatch the card in her hand.

Unexpectedly, Zhong Nuannuan raised her foot and aimed a powerful kick at the figurehead's crotch.

Only a muffled hum was heard. The other thugs had not managed to react before the man in the black shirt fell to the ground with his legs crossed, his eyes bulging.

'D*mnit, how dare you look down on me!'

'Even if someone is watching me right now, I'll make you die without an heir first.'

At that instant, while everyone was still dazed, Zhong Nuannuan refused to let her victim go. She jumped up and stomped in the direction of the man's nether regions.

"Ah——"

Hearing an unbearably tragic cry, everyone was completely stunned, and their legs subconsciously clamped down around their family jewels. With a look of horror and disbelief, they stared at the woman who had looked like a pitiful, little cat a moment ago, but had turned into a lion in the blink of an eye.

After Zhong Nuannuan had smashed the figurehead's gonads to smithereens, she realized that the person sent by Chi Yang still had not rushed in to save her. Therefore, she picked up her school bag and ran outside the woods with the speed of an ordinary schoolgirl.

The group of thugs only came back to their senses at this moment, and they shouted angrily, "Catch that b*tch, don't let her get away!"

After they said that, Zhong Nuannuan ran even faster.

She was about to run out of the woods, but the other party had already caught up to her.

"B*tch, you're looking to die!"

Only

The incoming person raised his fist, about to hit Zhong Nuannuan's face, but Zhong Nuannuan did not offer any resistance, save for that tremendous kick earlier. Hence, she could only instinctively use her arms to block the blow.

At this point, the person who had been following her in secret finally took action.

Before the rogue's fist landed on Zhong Nuannuan's face, a long and slender leg kicked the thug nearest to Zhong Nuannuan away.

Faced with this sudden change in the circumstances, the thugs were unable to react. Before they could make a move, the incoming person had already knocked the six people surrounding her to the ground with just a few blows, such that they could no longer get up.

Zhong Nuannuan was delighted when she saw the incoming person wearing Jia Yong's undergraduate uniform.

She did not know whether he was originally an undergraduate at Jia Yong or had just been arranged by Big Brother Chi Yang to come in today, but in any case... Big Brother Chi Yang was very thoughtful.

The person stepped on the leg of the hooligan who wanted to hit Zhong Nuannuan. A snapping sound was heard, and the hooligan let out a cry that was equal to volume and shrillness to his leader's screams.

Chapter 295: 3 Billion Dollars vs 20,000 Yuan

The next moment, the person walked up to the thugs and asked coldly, "Who sent you?"

The thug hesitated, thinking about whether he should sell his employer out, but the other party did not give him any time to consider. He raised his foot and stomped on the thug's leg.

Another miserable wail was heard.

The person walked up to a third thug.

The little thug was terribly frightened, and his face turned pale with fear. Afraid that the other party would also step down him, he quickly said, "I'll speak! I'll speak! Don't step on me! I'll speak!"

That person looked at him and did not say a word.

"Last night, our boss received news on the Internet telling us to deal with a student named Zhong Nuannuan, so we came to the school to do it today."

"Who posted the news? Which website was this posted on?"

"You have to ask our boss about this, we all follow our boss around to make a living."

After the person who rescued her went off to question the boss, Zhong Nuannuan took off her frightened kitten mask, kicked the man, and asked, "How much did the other party offer? What are you supposed to do to me?"

The man subconsciously reached out to cover his family jewels, and he grew paler as he watched Zhong Nuannuan's expression.

A broken leg could still be healed. At worse, he would just be a lame for the rest of his life. However, if his third leg was gone, then his whole life would be ruined.

"The... The other party paid 30,000 yuan, the intermediary received 10,000 yuan, so we only got 20,000 yuan."

Zhong Nuannuan's eyes widened.

20,000... Renminbi?

She thought back to the A-level assassination contract on the international dark web. The bounty for her head there had already reached 3 billion US dollars, and nobody had dared to reveal the list...

The other party thought that Zhong Nuannuan did not believe him and made a vow to the heavens. “We really only received 20,000 yuan! There are rules in our line of work, and the intermediary has to take 30% of the fee. If you don’t believe me, you can find someone and inquire about it!”

Zhong Nuannuan was already at a loss for words at this group of inferiors.

“What did the other party want you to do when they gave you 20,000 yuan? Did they really want you to kill me?”

“No, no, no! How could we dare to kill people? The other party just asked us to beat you up, then take some short pornographic videos. We were to let you go after your reputation is completely ruined.”

“Haha.” Zhong Nuannuan smiled, then slapped the man’s face. “You want to destroy me completely... What’s the difference between this and murder? Huh? How dare you carry out such deeds for just 20,000 yuan, and even split it among five people? Idiots!”

The person’s face instantly became crooked after Zhong Nuannuan’s slap.

“We didn’t want this either! We really can’t even survive anymore, which is why we followed our boss out to gain some income to buy some gaming equipment.”

Zhong Nuannuan did not want to say another word.

She felt that talking to these scumbags just was not worth it.

Zhong Nuannuan smiled as she walked to the senior. “Senior, have you been studying in Jia Yong all this while, or did you just arrive yesterday?”

Only

The senior’s face blushed slightly under Zhong Nuannuan’s gaze. “I’m a transfer student.”

“Oh. Did you just transfer here yesterday?”

“...”

“You’re one of his people, right? How old are you this year?”

Zhong Nuannuan felt that although this boy was not very old, his imposing demeanor was already very well-honed. Her Big Brother Chi Yang had good taste.

“What do you mean by ‘one of his people’? Female Student, I was just passing by and helped you by coincidence.”

Big Boss had said that he could only protect her in secret and could not let her know unless there was no other choice. If not for the sudden incident today in which she could not escape, he would not have even shown up.

[My Sweet Physician Wife Calls The Shots](#)

Chapter 296: Yang Yi

Unexpectedly, he had been discovered by the other party on just the first day of the job.

Zhong Nuannuan chuckled and burst out into laughter.

Addressing her as “student” was enough, but he still added the word “female” in front of it. From this, she already figured out that he rarely interacted with women.

She looked again at his straight posture and faintly visible calluses on his naturally lowered hands, which would only develop on a person who held guns all year round.

Therefore, from first glance, it was clear that this person was a soldier, or specialized personnel trained by militarized standards.

“Well, thank you for your help today, Senior. What’s your name, Senior? Since you’ve helped me, you can at least tell me your name, right?”

“Yang Yi.”

Yang Yi felt that the director-general’s future wife must have already known his identity, and he felt very depressed.

“Senior Yang Yi, thank you so much for your help today!”

“You’re welcome.”

Yang Yi kept a serious face and looked forward steadily, not even daring to glance at Zhong Nuannuan.

“If you have something to do, you can leave first, I’ll get the police to deal with this. As for these people, you can rest assured that they and the mastermind behind this will not escape.”

Now that she knew about him, Yang Yi was relieved. Half of the points from the “Secrecy of the task” criteria had already been failed on the first day, so he had to ensure that he did the rest of the work well and strive to pass the assessment with full marks.

Of course, Zhong Nuannuan felt extremely cared for to have Chi Yang’s people help her with the aftermath.

“Okay, thank you Senior Yang Yi. My friends are still waiting for me ahead, so I’ll leave first.”

Yang Yi nodded slightly and watched Zhong Nuannuan leave with a solemn expression on his face.

Zhong Nuannuan had only taken a few steps when her cell phone rang.

“Hello.”

“Nuannuan, are you okay? Did you get hurt?”

Chi Yang’s caring and anxious voice was heard through the phone.

“Don’t worry, Big Brother Chi Yang, nothing happened to me. Not only am I untouched, I even trampled on the gonads of the person who wanted to take some pornographic videos of me. I’m good at this, aren’t I?”

"Yes, my Nuannuan is the most powerful girl in the world." Chi Yang immediately praised her. After making sure that his kitten's fur was smoothed out, he said, "However Nuannuan, if you encounter such things in the future again, you must put your own safety first, understand? If the person I arranged for today was not in place, wouldn't you be in trouble?"

Chi Yang's words caused Zhong Nuannuan to chuckle.

Hearing that Zhong Nuannuan did not seem to be shaken in the slightest, the sullen, handsome face on the other end of the phone started to look better.

"What are you laughing at, girl?"

"I'm laughing at Yang Yi! I already knew that you sent him, but he refused to admit it the entire time. As a result, you just verified it."

Only

As soon as Zhong Nuannuan's voice fell, Chi Yang's soft laughter was heard from the other end of the phone. Although he only let out two chuckles, Zhong Nuannuan felt as if she was about to get an orgasm.

"You mischievous girl!" Chi Yang spoke helplessly, "Originally, I asked him to hide himself. If you didn't notice him throughout the operation, he would have gotten extra points for his assessment."

"... What about now?"

"Of course, his points will be deducted."

Zhong Nuannuan suddenly felt a little sorry for Yang Yi. No wonder he looked so dejected, it turned out that even though he saved her, his points were to be deducted.

Zhong Nuannuan felt that although he had shown up too obviously just now, at the end of the day, he had still helped her.

"Big Brother Chi Yang, can you not deduct his points for my sake?" Zhong Nuannuan started to speak coquettishly.

[My Sweet Physician Wife Calls The Shots](#)

Chapter 297: A Man's Apron

"No." Chi Yang refused without hesitating. "His main task is to protect you. In the process of carrying out his main task, he also has side tasks that I've stipulated for him. He can only pass the assessment if he completes each task well and gets a high comprehensive score."

"What happens if he passes the assessment?"

"If he passes the assessment, I can let him officially become my subordinate."

Originally, Zhong Nuannuan still wanted to plead for Yang Yi, but when she thought that this person would become Chi Yang's subordinate in the future and fight side by side with him, she stopped defending him.

After all, everything Chi Yang did involved important matters that were life and death situations, and being too lax now would be plain irresponsible.

Zhong Nuannuan returned to the place where she had originally agreed to meet up with her roommates, only to find that there was one more person.

"Leng Qirui, why are you here?"

"You dislocated my butler's arm, and he can't cook for me now. I want to go to your house to get a free meal."

"Is your flamboyant butler the one who usually cooks for you?" Could this guy voice out his reason for coming to scrounge for a free meal any more openly?

"I don't care, anyway, I just have no food to eat, and I want to eat at your house." Leng Qirui was shameless, he also wanted to eat the meals made by Big Brother Chi himself. The most important thing was that he was usually abused by Chi Yang, so this time, he wanted Chi Yang to serve him. Even if it was just this once, he would be happy.

"Nuannuan, did you manage to find your cell phone?"

"Yes, I found it. I was lucky, it didn't get stolen."

"That's good."

Looking at the various-sized bags of food in her roommates' hands, Zhong Nuannuan was stunned.

"What are you girls doing?"

"We're embarrassed to go to your house empty-handed. We just bought some food to eat. Don't reject it." Mu Qingxuan smiled.

"You're all too polite. Let's go."

The group of people went to the apartment and rang the doorbell.

When Chi Yang opened the door and appeared in front of everyone wearing casual clothes and an apron wrapped around his waist, everyone except Zhong Nuannuan was dumbfounded.

Especially Leng Qirui, who was accustomed to seeing Chi Yang with a Hades-like expression. His eyeballs almost popped out of his head from staring too long.

His character had done a 180!

"Big... Big Brother Chi, you're actually wearing an apron!" Even Leng Qirui's voice became sharper.

Mu Qingxuan glanced at Leng Qirui in surprise. It turned out that Young Master Leng and Nuannuan's Big Brother Director-General knew each other. No wonder the two of them got out of the same car yesterday morning.

The other two people looked at Zhong Nuannuan enviously.

They knew that tonight's food was to be cooked by Big Brother Director-General himself. However, when they saw how this man, who previously even had the school chairman bow and nod at him when he appeared in the classroom, had turned into such a family man for Zhong Nuannuan, they were completely blown away.

Only

Chi Yang ignored Leng Qirui. He looked at Zhong Nuannuan as his eyes softened into pools of water. "You've come home?"

As he asked the question, Chi Yang smoothly unloaded the school bag that was resting on Zhong Nuannuan's shoulder.

"Yeah." Zhong Nuannuan nodded and smiled as she introduced Chi Yang. "I want to introduce them to you. This is Mu Qingxuan, this is Yan Fangfang, this is Gu Xiaoli."

Chi Yang nodded to the three people. "Hello."

The three girls were slightly nervous, and they all greeted Chi Yang. After that, they lowered their heads and no longer dared to speak. This was completely different from their usual chattiness whenever she saw them.

"Please come in."

Chi Yang was also slightly anxious when he noticed their uneasy appearance, but he did not know what to do in order not to scare the girls, so he could only move aside quickly and invite them in.

Chapter 298: Miserable Young Master Leng

"Thank you, Director-General Chi."

Listening to the girls' tone, Zhong Nuannuan almost burst out in laughter.

"He's my boyfriend, just call him Big Brother Chi like Leng Qirui."

After hearing Zhong Nuannuan's words, the eyes of the three girls turned toward Chi Yang in unison. If he did not nod, they would not dare to do this!

Chi Yang was in a very good mood at this moment. He really liked it when Nuannuan declared that he was her boyfriend in front of her classmates.

Therefore, Chi Yang adopted a gentle approach toward Zhong Nuannuan's friends and nodded slightly.

With Chi Yang's permission, the girls smiled and greeted him as Big Brother Chi, then entered the house.

Leng Qirui was just about to follow them in, but he was blocked by Chi Yang at the door.

"What are you doing here?"

Faced with Chi Yang's instantly frosty aura, Leng Qirui disappointingly swallowed a mouthful of saliva in fright, threw back his shoulders, then said, "Zhong Nuannuan dislocated my butler's arm, and no one is home to cook for me, so I came here to scrounge for a free meal."

"You can get a free meal."

Leng Qirui's eyes lit up, he did not expect Big Brother Chi to be so hospitable today. He was just about to enter through the door when Chi Yang continued to say, "However, you have to work."

Leng Qirui looked surprised. "You... You're making me work?"

"Why? Is it possible that you still want me to serve you?"

"Did you not hire a housemaid?"

"No."

Leng Qirui looked defeated. "What do you want me to do then?"

"Sweep the floor, wipe the dust, wash, cut and serve the vegetables, and then wash the dishes."

Leng Qirui was speechless. Was he using him as a housemaid now?

At this moment, Ning Wenhao walked out of the kitchen while holding a broom. When he saw Zhong Nuannuan, he immediately greeted her in an orderly manner. "Hello, Sister-in-Law!"

"Hello, Big Brother Ning. Why are you here?"

"I didn't buy enough food before this, so I asked him to buy more. I allowed him to eat a free meal here in the meantime."

"Big Brother Ning, thank you very much!" Zhong Nuannuan thanked him sincerely.

"This isn't hard work. Anyway, don't I get a free meal out of this?" Ning Wenhao smiled brightly.

'Does it still count as scrounging a free meal when you're doing so many things?'

Leng Qirui glanced at the happy Ning Wenhao and curled his lips as he criticized him in silence.

Suddenly, Ning Wenhao saw Leng Qirui, and his eyes sparkled. "Why are you here?"

Before Leng Qirui had time to speak, Ning Wenhao stuffed the broomstick into his hands. "A kid like you can neither do physical work nor distinguish rice from wheat, if I ask you to do other things, you'll definitely not be able to do it well. I'll just leave these simple tasks to you."

Leng Qirui's tears flowed as he looked at the broomstick in his hand.

Was it too late for him to skip the meal and go back now?

"Um... Big Brother Chi, I suddenly remembered that I have something to do at home, so I'll leave now."

After he said that, he got ready to put the things down and leave quickly.

"What's happening in your house? Tell us about it."

Only

Chi Yang's dark voice rang out unhurriedly behind him, making the hairs on Leng Qirui's neck stand up in fright.

"Um... I... I forgot that I actually made an appointment with my dad to go visit him today."

Chi Yang took out his cell phone and said, "I'll give him a call and help you ask for leave. I'm busy here today, and since you're already here, stay and help."

Leng Qirui was taken aback!

He felt as if he had entered a wolf's den.

He saw that Chi Yang was about to dial the phone. Knowing that his fate would be worse if Chi Yang found out that he had been lying, Leng Qirui sighed and accepted his fate.

"No, no, hahaha... I suddenly remembered that the appointment with my dad is tomorrow."

Chapter 299: Young Family Man

Chi Yang put down the phone. "Then go sweep the floor and finish it in 15 minutes. If you can't complete it, or it isn't done well, go and do 200 push-ups for me. When that's done, you'll get to eat."

Leng Qirui was so frightened that his body stiffened. He unconsciously straightened his back and quickly replied, "Yes!"

Seeing the school tyrant, Young Master Leng, forced to work so hard, the three girls were so scared that they did not know where to place their hands.

Unexpectedly, after Leng Qirui was sent away, Chi Yang's face returned to its previous state. Although it was still serious, the girls felt that Director-General Chi's expression at the moment appeared very kind.

"Please sit down, I'll bring you some fruits."

There was no need to do any hard work, and there were even fruits to eat! This was so nice!

The girls had forgotten that they came here to visit instead of doing hard labor, so they all felt a little relieved.

"Thank you, Big Brother Chi!" Everyone said in unison.

"Nuannuan, sit with your classmates for a while, we'll start eating in about an hour."

"Sure."

After saying that, Chi Yang took out a few large bags from the cabinet under the dining bar. "Here are the snacks I just asked Ning Wenhao to buy. You can eat some if you're hungry."

"Okay."

Zhong Nuannuan happily took the few bags of snacks and scattered them on the table.

“Come, come, let’s eat, don’t hold back!”

The few girls’ eyes lit up. Zhong Nuannuan unceremoniously picked up a bag of spicy potato chips, opened it, and quickly stuffed a piece into her mouth.

Just as it entered her mouth, she stuffed another piece into her face.

Then she another piece.

She stuffed four pieces into her mouth at a time, and only felt satisfied after her mouth was full.

Watching his fiancée’s cheeks bulging when she ate, looking like a groundhog eating very in utter satisfaction, Chi Yang’s eyebrows could not help but soften further.

Finally, he could not help but squeeze his fiancée’s bulging cheeks lovingly in front of her classmates whilst saying, “Eat slowly, and eat less. I cooked all your favorite food, so don’t be too full for dinner.”

While he said this, Zhong Nuannuan stuffed two more pieces into her mouth, and nodded as her eyes narrowed into a smile. “Okay, don’t worry, I have a big stomach!”

Chi Yang tussled her hair fondly, and then went into the kitchen. Ning Wenhao hurriedly followed hi, in to help him.

“Wow, your Big Brother Chi Yang is so kind to you!”

“Yes, such an iron-blooded, tough guy is even feared by Young Master Leng, but when he faces you, he immediately becomes a softie. Not only does he personally cook for you, he also buys you so many snacks.”

Yan Fangfang and Gu Xiaoli were jealous, and they kept chatting in low voices.

Zhong Nuannuan enjoyed the envy of her classmates with a smile. She also felt very blessed.

Her gaze fell on Mu Qingxuan, who was looking at the kitchen, seemingly distractedly. Zhong Nuannuan followed her gaze to see Chi Yang in charge over there, with Ning Wenhao giving him a helping hand.

“Qingxuan, what’s the matter? What are you looking at?” Gu Xiaoli also felt that something was up with Mu Qingxuan.

Only

Mu Qingxuan quickly retracted her gaze, and her cheeks flushed slightly because of her gaffe.

“Nuannuan, can I ask you a question.”

Zhong Nuannuan nodded.

“Um... I heard you address Big Brother Chi’s friend as Big Brother Ning earlier. Is his surname Ning?”

It turned out that she was looking at Ning Wenhao.

Zhong Nuannuan breathed a sigh of relief.

She did not want all the women in the world to fall in love with her Big Brother Chi Yang.

Chapter 300: Mu Qingxuan's Childhood Sweethearts

"Well, yes, his surname is Ning, his name is Ning Wenhao, and he's Chi Yang's deputy. Why? Do you fancy him?"

Mu Qingxuan's face instantly turned red at a noticeable rate. "No, what nonsense! I just felt that he looked very similar to my childhood companion. I even thought it was him."

As she spoke of her childhood companion, Mu Qingxuan's eyes filled with loneliness.

"What was your companion's name?"

"Chen Ye. I was four years old at that time, and Big Brother Chen Ye was 10 years old when he moved to my house. We were neighbors."

"So, he's your childhood sweetheart!" Yan Fangfang joked. "I didn't expect our cold and untouchable Beauty Mu to already have a little sweetheart at just four years old."

Usually, Mu Qingxuan would have played together with Yan Fangfang, but today, after meeting Ning Wenhao, Mu Qingxuan's mind was fuzzy.

It was clear that even though it had just been a child's affection, Mu Qingxuan cherished these memories a lot.

"I'll help you ask."

Although Zhong Nuannuan was not a warm-hearted person, Mu Qingxuan was still her roommate.

After hearing Zhong Nuannuan's words, Mu Qingxuan became nervous and stared at Ning Wenhao, who was busy rushing around in the kitchen.

Upon seeing Zhong Nuannuan open the kitchen door, Chi Yang quickly spun around as if he was protecting a calf. "Nuannuan, there's a lot of oily smoke here, quickly close it and go to the living room."

Everyone was speechless.

This unexpected wave of affection!

This was especially true for Ning Wenhao, who glanced bitterly at his big boss.

He was so distressed when his fiancée merely opened the kitchen door. As his friend, he had been helping him out in the kitchen the entire time, so why did he not feel any sympathy for him?

Although he was a tough man, he was only tough on the outside, not on the inside! Why did he have to treat bachelors like this?

This was so suffocating!

"I'm here to look for Big Brother Ning."

When he heard that his fiancée was actually looking for Ning Wenhao instead of himself, Chi Yang shot a sharp gaze at the other man.

Ning Wenhao almost peed himself in fright, and he quickly displayed his loyalty. "Big Boss, sister-in-law and I are innocent! Our relationship is as clear as day!"

It was only then that Zhong Nuannuan noticed Chi Yang's resentful gaze. She hurriedly walked over, took his arm and spoke coquettishly, "I'm here to help Qingxuan ask Big Brother Ning a question."

When he heard that she was looking for Ning Wenhao on behalf of another woman, Chi Yang's jealousy immediately disappeared.

"Oh? What question? He has been with me for many years, and I basically know everything about him."

"When Qingxuan saw Big Brother Ning earlier, she said that he looks very similar to a friend she knew from when she was a child. Yet, her friend's name is Chen Ye. That's why I want to ask Big Brother Ning if he has ever used this name before."

Chi Yang shook his head affirmatively. "No."

After saying that, he looked at Ning Wenhao. "Have you used this name before?"

Ning Wenhao also shook his head in astonishment. "No, I've always been called Ning Wenhao."

The living room was not far from the kitchen. When Mu Qingxuan heard what Ning Wenhao said, her eyes reddened, and she started to feel a dull ache in her heart.

Only

In order not to hide any telltale signs, Mu Qingxuan could only blink her tears away quickly.

Why?

Why did Big Brother A Ye ignore her?

Why did Big Brother A Ye not admit his previous name?

Had he really forgotten about her?

Otherwise, was he angry with her, and did not want to interact with her anymore?

"Qingxuan, Big Brother Ning said that he has never used this name before. You may have gotten the wrong person."
