Chapter 3421: 135

3421 135

Baili Yue stopped and looked at Baili Xi. "Even your mom doesn't care about you, why should I? Baili Xi, you know best what you've done. From now on, our grudges are zero. You're lucky to be able to survive. However, don't ever provoke me again. You can't afford to offend them!"

After that, he turned around and left.

"So you brought me into the ruins to trick me?"

baili xi cried and shouted.

"Isn't it obvious?" The last disciple couldn't help but reply.

"....."

Seeing that the group of people had gone far away, and his side was completely dark, leaving only four pairs of green eyes, Bai Lixi's hair stood on end. He shouted angrily, "Bai Liyue, you're not human!"

"Bai Liyue, you'll die a horrible death for treating your own sister like this!"

"Bai Liyue, go to hell!"

"Bai Liyue, come back and save me! Otherwise, I won't let you off even if I become a ghost!"

"baili yue, qianqian."

Baili Xi's voice was like a demonic sound in the quiet mountain forest. Bai Liyue and the others could still hear it even after they had walked far away.

"young madam, your sister is in good spirits. You've been calling me that for almost 10 minutes and you're still hearing me. "

"She's full of energy. If she wants to scream, then just wait for her."

"young madam, this move of yours is simply very satisfying. your little sister is really a white lotus at first sight, and she's super black-hearted. You actually agreed to bring her in. The elders were afraid that she would harm you, so before we set off, they repeatedly told us to protect you."

The rest of the disciples hurriedly nodded.

"Don't worry. I'm not stupid. I'm a vengeful person," said Bai Liyue with a smile. I only brought her in to make her angry."

Bai Liyue didn't say that she was too annoying to be abandoned here. Otherwise, she would have abandoned her in the most dangerous place in the inner regions.

After Baili Yue and the others left, Baili Xi's true nature was exposed. originally, she had been fighting the four wolves with all her might, but now that she was alone, all the resentment in her heart erupted, and they were no longer her match.

"There's someone there."

Suddenly, Bai Liyue heard a voice and was overjoyed. She shouted, "Help! Help me!"

"Sect master, there's a woman who's being attacked by a few wolves."

The lights in the distance were slowly turning on, and the man in the lead was wearing a black suit.

Although the man's clothes blended in with the dark night, Bai Lixi was shocked by the man's aura with just a glance.

Bai Lixi was caught off guard and was scratched by the wolf. In an instant, blood stained his white clothes red.

The group of martial artists behind the man immediately stepped forward and dealt with the wolves in a few moves.

The disciples quickly picked up the black iron that fell on the ground and put it into their own space.

At this moment, the man was already in front of her, and Baili Xi could finally see his face clearly.

His extremely handsome face carried a pure and untainted air, like a banished immortal. He was definitely not someone Wei Yunsheng and Qin Luo could compare to. He was the most handsome man she had ever seen.

Although the black suit blended in with the dark night, he looked ethereal when he was wearing it.

His features were clear and cold, but he was completely different from those strong men who thought highly of themselves. He seemed to have a temperament that was somewhat out of place in this world.

Chapter 3422: 136

3422 136

Although he was wearing a modern black suit, he exuded a classical aura. Reserved, calm, and clear purity produced a strong collision on his body. It was a stark contrast of hormones that were both abstinent and desired.

Baili Xi looked at her intently. After so many years of being shy and introverted, she almost let out a destructive wolf howl.

Bai Lixi's face was pale, but she managed to squeeze out a fragile smile that could not be replicated when she was still red. "Thank you for saving me, young master. I can't repay you for saving my life. I, Qianqian,"

He felt that the next words he was going to say were something like "repay with your body." The man interrupted Baili Xi and asked, "Which sect are you from? Who were you with just now?"

baili xi thought that he was concerned about her, so she blushed in the dark and said, " I'm Yingluo, the legitimate daughter of the Baili family. I was with my sister just now.

"What about your sister?" The man asked.

" my sister qianqian. " baili xi lowered his head, his eyes filled with hatred. " she and her husband's disciples saw the wolves and left me behind to escape. "

"other than you and your sister, is there any other woman in her husband's family?"

baili xi was speechless.

"Our sect master is asking you a question. Just answer him."

A young man beside the man said.

Baili Xi felt that this group of people was more imposing than the flowing cloud sect, so he did not dare to question them. He shook his head and said, " "No, I haven't. Only me and my sister. The rest of her husband's family are all male."

"What's your sister's name?"

Seeing that the man had been asking about Baili Yue ever since he appeared, Baili Xi's heart seemed to be gnawed by jealousy.

"The young master is asking you a question. Answer."

The man's aura was intimidating, and Baili Xi urgently needed to find someone to back her up. Although she was reluctant, she could only answer, " "My sister's name is Baili Yue,"

However, the man's next question made Baili Xi heave a sigh of relief.

"Your sister is also from the Baili family? Which city is the Baili family from?"

Baili Xi's nerves jolted,'this person asked about Bai Liyue, but he doesn't know her name or sect. This definitely doesn't mean that they have an affair!'

"Young master, you've been asking about my sister. Don't tell me you don't know about her?"

"Just answer my question, why are you talking so much nonsense?" The man beside her spoke impatiently again. On the other hand, their master had always had a good temper.

"I'm just curious why she abandoned you, that's why I asked."

This was obviously perfunctory, but it was covered up by the other party's heaven-defying looks.

As the saying goes, good looks are justice.

At this moment, even if the man told Baili Xi that there was a strawberry smell in the feces, Baili Xi would not be able to resist the urge to smell it carefully to see if it really smelled like strawberry.

hence, baili xi told her everything he knew, " "my sister was bewitched by a villain and thought that i wasn't loyal to her, so she misunderstood me. After I followed her into the remains, when we

encountered danger, she thought that I might be disloyal to her, so she didn't want to care about me and felt that I was a burden. So, she left me behind."

"I'm asking if she's also from the baili family," the man said. Which city is the Baili family in?"

"She ran. She didn't have a good relationship with her family before and was kicked out. The Baili family is in heaven city."

"She was kicked out?"

Chapter 3423: 137

The man's voice was light, and there was no joy, anger, or sorrow in it.

"Yeah," Baili Xi nodded. Originally, the Baili family was built up by my father, but who knew that after my father died, the family started to treat us badly."

"Then why didn't you get kicked out?" the man asked.

Baili Xi took a good look at the man's expression. After making sure that he was not happy or sad, and that there was only curiosity in his eyes, she said, "Because Yingluo, because I'm a 3S grade talent, but big sister is only S grade. Plus, she's a strong-willed person, so she was chased out of the house."

"Then where did she get married to?" the man asked.

"Yingluo, you really don't know my sister?" Baili Xi was confused.

"You're afraid that I'll know her?" The man asked.

"No, no, no. If you know her, I'll be very happy too. After all, she's my only sister."

"I've never seen her, and she's never seen me. Go ahead." The man urged.

"Really? Then why do you keep asking about her?" Baili Xi did not believe it.

"My master is the sect master of the waiting moon sect, the leader of the four sects. Do you think he has the need to lie to you? Who are you? Say it or not!"

The people around the sect master of moon sect became irascible again.

Baili Xi's eyes widened, his face full of disbelief.

Waiting moon gate!

The leader of the four gates, the waiting moon gate!

you're so lucky! Baili Xi did not know what words to use to describe his luck.

"Are you really the sect master of the waiting moon sect?"

"Why are you so angry? You didn't answer our sect master's question, and you didn't believe him when he told you his identity. It's fine if you don't believe us, we don't need you to believe us."

"I believe! Trust! I believe you!" Baili Xi nodded and said, "Only the sect master of the waiting moon sect could have such a graceful bearing!"

"Then answer my question. Who is she married to?"

The sect master of the waiting moon sect had always been a legendary figure. Back then, he had appeared out of nowhere, and many sects and families had tried to slap his face. However, he had relied on his super powerful martial strength to persevere on Emperor moon.

Among the four sects, eight families, and seventy-two sects, the strength of the seventy-two sects was far inferior to the four sects and eight families.

however, there was a ranking among the families. And the highest ranked of the four gates was the waiting moon gate.

It was an extremely mysterious sect, and it was even more powerful than the heavenly return sect.

therefore, she was very sure that Bai Liyue did not know the sect master of the waiting moon sect, Jian Jia. It was impossible for Qianqian to know Bai Liyue.

My sister has married into the heavenly return sect. She is now the young lady of the heavenly return sect.

"Heavenly return sect? What's the sect master's surname?" The man looked at his assistant with confusion.

"Sect master, my surname is Feng."

The man was stunned. What? "

"Feng Kun,"

"Do you have a picture of him?"

"Cheng Yi, Feng Kun's photo."

The Deputy looked at the other Deputy who had not said a word. The one called Cheng Yi quickly opened his space ring and searched.

"I found it."

Cheng Yi handed the photo over with both hands.

He took the photo and looked at it. Old man? Your sister is married to an old man?"

Baili Xi quickly moved closer to the sect leader of the waiting moon sect before looking at the photo.

This is the second elder of the acting sect leader. My sister is married to the young master of the heavenly return sect.

Qianqian then looked at Cheng Yi and said, "I want to see young master's photo."

[My Sweet Physician Wife Calls The Shots](#)

Chapter 3424: 138

Cheng Yi didn't look for him this time and directly said, "Young master, we don't have a picture of the young master of the heavenly return sect. It is said that the young master of the heavenly return sect fell into a coma 67 years ago, and no one has his photo."

Lao Ai's expression was still indifferent as he looked at Baili Xi and said, "Where are you planning to go?"

"I don't know, Zhenzhen."

"Then I'll send you to your sister."

Lao Ai was like a god, and Baili Xi had no intention of refuting his words.

After all, Baili Yue was already married, and Yingluo had never seen Baili Yue before. After all, wasn't it up to her to decide whether Yingluo would find her?

"Alright!" Baili Xi nodded, a weak smile on his pale face. "Thank you," she said.

After saying that, she fainted.

She fell onto Yingying's body. According to the plot development, Yingying should have caught her and carried her horizontally. After that, they found a tent to stay in. He would accompany her and she would wake up slowly. After that, they chatted until the next day before leaving.

At that time, her relationship with the sect master of the waiting moon sect, Yingying, was already very good.

What Liuyun sect, what Wei family, she didn't need to care about them anymore.

However, the reality was that the ideal would be burned to ashes after death.

When she fell, she clearly felt that she was about to touch Yingying's clothes, but Yingying moved away.

"Bang!"

Baili Xi felt as if he had been thrown to the ground.

"....."

"Sect leader, miss Baili seems to have fainted. Are we bringing her along?"

"Then I won't bring it." Gong Jie's voice was cold.

Baili Xi was speechless.

"Yes. Then let's go."

Seeing that they were really going to leave her alone, Baili Xi was so anxious that she was about to cry.

"wait, wait, wait, wait, wait, wait, wait, wait ..."

"Oh, miss Baili, so you didn't faint?"

Baili Xi was so embarrassed by the deputy's taunting that she bit her lip and said, "I wonder what happened to me just now? Why am I on the ground? I just felt that my vision was a little dark, and then I was woken up by the pain."

Seeing that no one was paying attention to her, Baili Xi could only endure the pain from her wounds and get up from the ground with a pale face.

"Miss Baili, can you walk?"

"I can, I can!" Baili Xi didn't dare to act arrogantly anymore. He clutched his injured shoulder and looked pitiful.

"If you can, then please lead the way, miss Baili." the man said.

"Take Yingluo to lead the way?"

"It's fine if you don't want to lead the way. You just have to tell us which direction your sister went in."

"I'll lead! I'm willing to take you! It was master xiao who saved my life. I am willing to take you to my sister."

"Miss Baili, my name is Yue Jin'an. I was the one who ordered my subordinates to save you. It has nothing to do with my sect master."

hehe. Baili Xi bit her lip. thank you for saving me, young master Yue. I will definitely repay you.

"There's no need to repay us. Just take us to your sister or tell us which direction she left in."

"I'll take you there. I don't want my sister to misunderstand me. I also hope that we can make things clear. After all, my sister used to love me the most."

"Then let's go."

"Yes." Baili Xi nodded, then turned to the easy-going but quiet Yingying and said, "Master Xiao, please."

Although Youyou did not say anything, she walked in the direction that Baili Xi had pointed out.

Chapter 3425: 139

3425 139

"Miss Baili, is the direction you're pointing in correct?" Yue Jinan asked.

Baili Xi's heart skipped a beat, but he said without changing his expression, "Oh, that's good. But miss Baili, our sect leader hates being lied to the most. If he finds out that you've lied to him, you'll end up in a very miserable state."

Baili Xi's lips twitched stiffly as he said, "Why would I? I have no reason to lie to him. Baili Yue is my sister."

"that's good."

thus, the group set out, heading towards the depths of the forest, but in another place.

Baili Xi did not forget to strike up a conversation with her along the way.

“Master Xiao, since you don’t know my sister, why do you have to find her?”

isn’t she married to the heavenly return sect? ” jian jia asked.

“So you’re looking for the heavenly return sect?”

“Yes.”

Yingying’s attitude was very good and she was very gentle. In addition to his noble indifference, he looked like a perfect anime big Boss who had walked out of a misty painting with his own BJIM.

“Then, why are you looking for the heavenly return sect?”

“Isn’t this a relic? shouldn’t we find more allies?”

“so that’s how it is!” Bai Lixi nodded, then complimented, ” “But the moon gate is the leader of the four gates, and you’re already stronger than the heavenly return gate. Why do you need to go to them? My sister is the young mistress of the heavenly return sect. I knew it. The reason why the heavenly return sect is so powerful is that the four elders are all over 100 years old.

But because of this reason, I think the heavenly return sect will suffer a loss this time. After all, many sects, including the waiting moon sect, only had their sect leader or sect master enter. Their sect only had a few guardians. Even my sister has become the leader.”

“Your sister is very powerful?” Jian Jia asked.

“she’s only a 3S level talent, and she was kicked out of her family when she was 13 years old. her kung fu shouldn’t be that powerful, but i don’t know what kind of great opportunity she got on glory planet. Previously, she defeated the eldest miss of Yunsheng sect, Yun Miaomiao, in one move. Just now, I saw that she could kill a Wolf with one hammer. Oh, master Xiao, did you encounter any bats or wolves?”

“i did.”

then do you know that there are spirit stones in the heads of bats? ”

“I don’t know,”

“What? Don’t you know? How many bats did you guys kill before?”

“Two to three hundred.”

“Ah? What a pity! He actually gave up so many spirit stones.”

“i have plenty of spirit stones at the moon gate. as long as you can bring me to your sister, i can give you a lot of spirit stones.” Jian Jia said.

“Master Xiao, you don’t have to do this. I’m not helping you to get your spirit stones.”

After saying that, Baili Xi shyly glanced at Yingying. When he saw the corner of his lips curl up into a smile, his heart leaped with joy and he quickly lowered his head again.

an nai suppressed the screams in her heart and continued to chat with yingying.

seeing that the atmosphere was getting better and better, yingying's mood was also getting better and better. however, she suddenly stopped when she was about to enter the next plain.

"Master Xiao, why did you stop?"

Yingying's eyes were clear, cold, and Noble, but she didn't look as easy to communicate with as she did before.

He was only looking at her, but Baili Xi felt a dense chill in her heart. When the chill penetrated her whole body, her eyes began to turn from eager to panic.

Chapter 3426: 140

3426 140

"You're lying to me,"

"What?"

Qianmo said expressionlessly, "Jin 'an said that I hate being lied to." You're lying to me. "

"I'm Yingying!"

"who's in front?"

Someone shouted not far away, and a faint light appeared.

The people who came were rogue cultivators without any sect symbols. These rogue cultivators without any symbols were often the most rat sh * t existences in the remains.

After all, if it was a large sect, killing the people of another sect would be a bit of a burden, and they were afraid that the other sect would come to them. Therefore, even in the remains, everyone would think about it, to see if they should kill and Rob or to join forces.

However, these rogue cultivators were different. They loved to kill and Rob. If others didn't even know what sect they were from, they wouldn't be able to take revenge after they left.

at this moment, a group of wandering cultivators came from another direction.

When the person saw Wanwan and the others, he shone his flashlight at them. Seeing that they were a group of young people, he instantly looked down on them.

"Who are you people? Which sect are you from?" the other party's vile voice asked.

Seeing that Yingying didn't have any intention to speak, the other party said, " "Why didn't you answer my question?"

"Who are you?" Bai Lixi snorted coldly. This was the sect master of the waiting moon sect. What do you want to do?"

When the other party heard this, he laughed out loud.

“Little girl, we might believe you if you tell us about another sect. Waiting moon sect? If the sect master of the waiting moon sect was as young as him, would he have become the leader of the four sects?”

I heard that the sect master of the waiting moon sect in Moon City is at least a few hundred years old. I heard that even the elders of the heavenly return sect couldn't enter this time. How could the sect master of the waiting moon sect, the leader of the four sects, enter? ”

Baili Xi was speechless.

So she had been deceived?

baili xi looked at lao ai. “What do you want?” Jian Jia sneered.

“hand over your things for us to use.”

Qianqian glanced at them, reached out her hand, and pushed Bai Lixi away. Under Bai Lixi's disbelieving gaze, she said, “ “I don't have anything, so I'll give this woman to you.”

After saying that, he turned around and prepared to leave.

“master xiao, how can you do this?”

“Who told you to lie to my sect leader?” Yue Jin 'an sneered at the other party and said, “ “My sect master has said that this woman is for you. You can do whatever you want with her.”

Seeing that Lao Ai had already turned around and returned, Yue Jin 'an and the other disciples of moon gate also left.

The leader of the other party saw that these people actually gave the woman away after saying a sentence and were about to leave. He was probably from an unranked sect. He shouted, “ “Stop right there! Did I let you go?”

Just as he was about to step forward, an unremarkable disciple at the back suddenly exuded a terrifying pressure.

Although there was no spiritual power here, the pressure could still be emitted. The amount of pressure represented how powerful the other party's spiritual power was, and how deep the physical strength was behind the spiritual power.

The huge pressure made the leader stop in his tracks instantly. He watched in horror as Xi Jue and the others left, not daring to say another word.

“Master Xiao, wait for me! How could you leave me here alone?”

Baili Xi cried out and was about to follow, but the leader was stunned and did not dare to stop him.

Hehe ... That was the name of the mysterious sect master of the waiting moon sect.

So how unlucky was he to have provoked such a terrifying existence?

[My Sweet Physician Wife Calls The Shots](#)

Chapter 3427:

Baili Xi still tried to run to look for Qianqian, but she was stopped by the two disciples at the back. One of them kicked Baili Xi in the stomach without any mercy, and the powerful body forging directly sent her flying.

"If you can't even take care of a woman, our sect master doesn't mind showing you how to take care of a woman."

The Rogue cultivators were so frightened that they quickly nodded, "yes, yes, yes!" Don't worry, sect master Xiao, we'll definitely take good care of the people you've asked us to take care of."

brothers, " he said to his brothers, " let me play with the woman the sect master has given me!

"Yes!"

"Don't! Don't come over! I'm the daughter of the first wife of the Baili family. If you dare to touch a single hair on my head, the Baili family will never let you off."

"baili family? What was the Baili family? I've never even heard of it!"

" boss, please take good care of her. it's sect master yi's words. when the time comes, even if the baili family comes, sect master yi will have his back. "

"Besides, if we play with her, who would know who we are?"

"Hahahaha!"

this bunch of rogue cultivators were truly the most shameless and despicable existences in the pugilistic world.

Under his instructions, no matter how much Baili Xi begged for mercy, they had no intention of letting her go.

In the outside world, there were still law enforcement personnel from every city to take care of the cultivators. However, once they entered the remains, it was a heaven for crime. Life and death were determined by fate.

No matter how Baili Xi screamed and begged for mercy, the other party had no intention of letting them go.

Spiritual power was also sealed inside. Even if Bai Lixi used all his strength, he would not be able to fight against the dozens of fierce individual cultivators in front of him.

In the end, Baili Xi's outcome was predictable.

"Bai Liyue, I hate you! i hate you! why are you doing this to me? I hate you!"

Yingying, who had already walked far away, suddenly stopped.

"She just said she hated Baili Yue?"

"Yes, sect master," Yue Jinan nodded respectfully.

"If I had known earlier, I wouldn't have given her away. I should tear her flesh off bit by bit."

Everyone was speechless.

“Sect master, can you guarantee that the person you’re looking for is Bai Liyue?”

Yingying’s eyes instantly lit up again. “Yes,” he nodded. My sixth sense is definitely her. ”

“Then I’ll take the initiative to congratulate sect master. Your sixth sense has always been strong.”

“Of course,” Yingying said with a smile.

On the other side, the Wei family arrived not long after Qianqian left, amidst Baili Xi’s screams.

Although these rogue cultivators were powerful, they were no match for the next Wei clan master. although the wei family was not ranked 72nd in the entire emperor moon planet, they were still a well-known family and were stronger than a group of rogue cultivators.

At first, Baili Xi was pleasantly surprised to see the Wei family. However, when she saw Wei Yunsheng looking at her with a look of disgust, she felt as if the sky had collapsed.

brother Wei, I wasn’t humiliated by them. Fortunately, you came in time. I’m still a Virgin!

Baili Xi explained as he tried to pull up his clothes.

However, her clothes had already been torn by the group of rogue cultivators. She had just pulled them up when they fell apart again.

Baili Xi could only hold on to the clothes to prevent them from sliding down.

Wei Yunsheng ignored Baili Xi. After seeing the group of secret practitioners being subdued, he ordered, ” “kill them all!”

It was strange. If he had seen Baili Xi being bullied like this before, he would only feel heartache and go crazy.

3428 142

However, at this moment, he realized that apart from the anger of being cheated on, he actually felt a strong sense of disgust when he looked at Baili Xi.

It was a feeling of dirtied organs that came from the inside out.

“No, you can not kill me! This woman was given to us by the sect leader of the moon sect, Qianmo.”

“waiting moon sect?” Wei Tianjin frowned.

“That’s right, this woman has provoked the sect master of the waiting moon sect, and it was the sect master who asked us to take good care of her. We’re sect Master Yi’s people. If you save this woman from our hands and kill us, you’ll be offending sect Master Yi!”

Wei Tianjin looked at Baili Xi and asked unhappily, ” “how did you offend sect master yi?”

Baili Xi's eyes were brimming with tears. I followed my sister here, but she abandoned me when the wolves came. sect master yi saved me, but he asked me to take him to my sister. He didn't even know my sister, but he kept asking me to bring him there. I was afraid that he would do something bad to my sister, so I led him to a random place. In the end, he knew that I had lied to her and pushed me to these people. Wuwuwuwu, uncle Wei, you must help me!"

"Impossible! Big sister is such a good person. Since she brought you here, why would she abandon you? You must have done something shameful to provoke big sister, that's why she's treating you like this!"

in the crowd, wei yunjie stood with his disciples, but now he stood up with a face full of anger.

Baili Xi, are you sure you're not lying? " Wei Tianjin asked.

Baili Xi hated Wei Yunjie to the core, but she still looked pitiful and harmless on the surface.

"Uncle Wei, I'm not lying. Think about it, my sister has been on glory planet for the past 13 years and has never returned to the contracted planet. How did she know sect Master Yi? Sect Master Yi has been looking for my sister for a long time, so he must have other intentions. i didn't dare to bring him to my sister directly, so he found out. that's why he gave me to these people."

the individual cultivators who had been captured also reacted at this time. the leader knelt on the ground and said, " "She's lying! At that time, I heard sect Master Jin say that she lied to me and that I hated being lied to. The way she treated sect master Xiao back then clearly showed that she had feelings for him. Sect Master Jin found her disgusting, so he gave her to us in a fit of anger. Since sect Master Yi asked us to take good care of her, we didn't dare to not do so. Also, her name was Baili Xi, right? Is her sister called Baili Yue?"

After getting everyone's approval, the man said, " "When we were tearing her clothes, she even said, 'Baili Yue, I hate you'. The poison in her eyes is about to burn me, and she still has the cheek to say that she doesn't hate her sister?"

that's right, guys, " another individual cultivator said. think about it. You saved this woman, but you've offended the waiting moon sect and the heavenly return sect.

"Shut up! You guys shut up!" Baili Xi was terrified.

The Wei family was her last straw of hope. Now that the Baili family didn't want her, she couldn't attack the liuyun sect, and the moon gate was going to punish her, Baili Yue played with her for fun.

She only had the Wei family.

Wei Tianjin pondered for a moment and said,"let's forget about this matter. You can leave." However, you are not to touch this girl."

baili xi's eyes lit up, and then he looked at the group of individual cultivators, his eyes full of hatred.

the wandering cultivator kept his life and did not dare to insult baili xi again. he quickly pulled up his pants and ran away.

“Thank you, uncle Wei.”

Baili Xi knelt on the ground, stammering. As he thanked Wei Tianjin, he tried to stand up, but he knelt down again. He tried to get Wei Yunsheng to help him.

However, Wei Yunsheng just stood there, not having the slightest desire to touch her.

Baili Xi's heart sank when he saw that he was not moving at all.

“Big brother Wei Zhenzhen, are you angry with me?”

wei tianjin looked at wei yunsheng and gave him a signal.

” sister xi, ” wei yunsheng said, ” i've calmed down and thought about it for a long time. i don't think we're suitable for each other, wanwan. ”

When Wei Yunsheng said this, Wei Tianjin and Mrs. Wei both heaved a sigh of relief.

baili xi's eyes widened in disbelief. he thought he had heard wrong.

“Big brother Wei, Zhenzhen, what did you say?”

sister Xi, I've calmed down during this time, and I've realized that we're really not suitable for each other.

Baili Xi was speechless.

“Perhaps I was blinded by love in the past, so I couldn't see the discord between our personalities many times. I'm going to inherit the Wei family's business in the future, and I'm shouldering the heavy burden of revitalizing the Wei family. As my wife, the other party must be a woman with both virtue and talent, beautiful on the outside and intelligent on the inside. She doesn't have to come from a good family background, and she doesn't have to have top-notch aptitudes, but there's one thing she has to do, and that is to never bring shame to the Wei family.”

“I didn't!” I didn't bring any trouble to the Wei family, ” Baili Xi sobbed. they didn't defile me. I'm still innocent.

“Sister Xi, our Wei family's temple is small and can't accommodate your big heart.”

Since he had already said it, Wei Yunsheng did not want to drag it out any longer. He directly expressed his greatest dissatisfaction.

“Big brother Wei, what do you mean by that? Do you think I'm not worthy? But you didn't think so before? I really didn't hurt my sister, you know that! Ever since my sister came back, she has been rebuking me nine out of ten times. She didn't even give me a good look. You also thought that my sister was too much!”

“What about the Wei family's maidservants? Your mother is only a yiniang, but you're so harsh on my Wei family's head maidservant. Is this worthy of the identity of the Wei family's matriarch?”

Baili Xi's face looked as if it had been bitten by a dog. you broke up with me for a servant girl? "

"Sister Xi, you should know that I'm not joking with you, and you should also know my personality. I won't change my mind once I've decided on something. We're not married. We're not even engaged. That's why I'm only informing you on one side.

We're all adults, let's part on good terms. I noticed that you seduced Qin Luo on purpose during the martial arts competition in the flowing cloud sect. At that time, I was just sad. I felt that our relationship of so many years could not compare to Qin Luo's good family background and martial arts.

Just now, those loose cultivators said that you seduced the sect master of the waiting moon sect. I do. sister xi, your heart is too big, so big that my place can't accommodate you. In the future, you'll only be yiniang's daughter. Let's not meet in private."

"Big brother Wei, hehe."

"Miss Baili, this place isn't too far from the edge of the ruins. You can go back from here. We've already dealt with the wild beasts here, so it's very safe. Although you won't be able to leave before the relic is taken, you won't be in any danger of dying. Do as you please."

Chapter 3430: 144

mrs. wei finally got her revenge.

For so many years, her son had been bewitched by this woman, and she didn't even dare to say a word against her. She was clearly a super precious lotus flower, and her thoughts were not pure since she was young, yet she still had to speak nicely to her.

Mrs. Wei finally felt that she could hold her head high for once.

However, as the Wei family's Madam, no matter how much she disliked it or how much she hated it, she still had to maintain her dignity in front of her husband and son.

Wei Yunsheng, seeing that he had treated his mother like that before and that he did not make things difficult for Baili Xi, felt that he deserved to die even more.

Baili Xi felt as if he had been struck by lightning when he saw that everyone from the Wei family was ignoring him.

was this the result of losing the desire spirit?

a man who had loved her for 13 years, without the support of a lustful spirit, could not even last more than two meetings with her?

Baili Xi looked at Wei Yunjie and begged, " "Jie, please help me beg uncle Wei! It's so dangerous here, I'll die Here alone!"

Although Wei Yunjie hated Baili Xi, she was still his sister.

He was only a bastard son in the Wei family. When Wei Yunsheng praised him, he could still say something. Now that Wei Yunsheng no longer liked Baili Xi, there was no need to praise him anymore.

“Dad, the spirit energy here has been sealed. If my second sister is alone in the remains, it’s easy for some loose practitioners to covet her. Otherwise, I won’t go in and stay at the edge of the ruins with Yingluo. Wait for the relic to be taken and I’ll meet you with her outside?”

In fact, Wei Tianjin still wanted to bring Wei Yunsheng along. Although Wei Yunsheng was only an illegitimate son, he had a good aptitude. However, he really didn’t want to bring Bai Lixi along, so he could only wave his hand in frustration. ” “Then let’s do this.”

then, he left with Wei Yunsheng and the Wei family disciples without looking back.

“Big brother Wei!”

.....

“Big brother Wei!”

.....

“Brother Wei, how can you be so cruel? Are you going to abandon me like this?”

.....

“Wuwuwuwu!”

“That’s enough. They’ve gone far away and can’t hear you crying. If you knew this would happen, why did you do it? My big brother is already good enough to you, so why are you looking up to another mountain? Do you think that everyone else is a fool who will marry no one but you and let you have whatever you want?”

“You shut up!” shut up! Baili Xi scolded.

The gentleness from before had disappeared. He pointed at Wei Yunjie and said, ” “It’s all your fault! If they didn’t slander me, why would I be driven away by them? Wei Yun Jie, I have had enough of you! You don’t come from a good family, so you can’t bear to see me living better than you. You!!!”

“That’s enough, Baili Xi!” I’m your brother, not your father,” Wei Yunjie rebuked. I have no obligation to protect you, nor do I have an obligation to listen to your nonsense. I’m just worried that you’ll be bullied if you’re alone. If you don’t need it and find me annoying, I’ll go after my dad now.”

Baili Xi:

“If it’s only one person who has a problem with you, then it might be someone else’s problem. But think about it, why doesn’t the Baili family want you, the Wei family doesn’t want you, and even big sister, who is willing to go to planet glory for you, doesn’t want to accept you now? You’re just a selfish person who only thinks about yourself!”

Bai Lixi was too lazy to argue with Wei Yunjie, so he turned around and left.

Although Wei Yunjie was angry, he still left with Baili Xi.

In the end, he didn't walk far before the flashlight given by the Wei family broke and ran out of power.
