#### Chapter 461: Speaking Civilly

“Not even a same-rank transfer is possible, so what are you boasting about, Sis? You’re talking as if all the people in Emperor District listen to brother-in-law.

“Brother-in-law, since you’re together with my sister, then you must take care of her. She’s a free-speaking person. By chance if she makes a mess in the future that you can’t clean up, then the ones who will suffer are you two.”

Zhong Nuannuan looked at Gu Mingzhe while gloating. They probably did not know this yet, otherwise they would not have remained so calm.

Zhong Qianqian was furious. “You...”

“Enough!”

Zhong Qianqian was angry and wanted to catfight with Zhong Nuannuan, but was stopped by Zhong Kuijun. He was feeling vexed.

“Qianqian, you’re now another family’s future daughter-in-law. Your words and actions have to be considered. Although Mingzhe belongs to a rich and powerful family in Emperor District, the rich and powerful families in Emperor District converge. Because of the family name, there are many rich and powerful families and bigshots that you can’t provoke. From now on, you have to use your brain when you talk and act, you know?”

Zhong Qianqian’s tears almost fell out of anger. She thought Zhong Kuijun was really being more than a bit biased.

“Dad, it’s clear that Zhong Nuannuan was stirring up trouble. Why am I being blamed?”

Zhong Kuijun looked at Zhong Nuannuan again. “Nuannuan, what you just said was out of line. Your sister had good intentions, so how could you say that to her?”

Zhong Nuannuan had not spoken before the wife guardian demon went online again.

Chi Yang’s face was cold. “Is showing off done with good intentions? Don’t tell me you didn’t catch it, Uncle Zhong.”

Zhong Kuijun, “...”

Chi Yang looked at Zhong Qianqian and scared Zhong Qianqian so much that she quickly stepped back behind Gu Mingzhe. However, Chi Yang turned his attention to Mingzhe.

“Watch your fiancée! You can get her out smoothly this time, but that is because I am sparing her once out of respect for Nuannuan. Next time, don’t blame me for disregarding family ties!

“Also, since you already found your ‘good match’, keep your eyes off my fiancée. If I notice your eyes harbouring malicious intentions again, I’ll show you the consequences of looking at other women.”

Chi Yang’s did not show Mingzhe any respect at all. Even Gu Mingzhe, who was always mild and gentle in front of others, was looking incredibly indignant at this moment.

He was merely a leader of the special forces of a small military base. Did he think he was so great for having some skills? Mingzhe looked down on these uncouth fellows the most.

“Mr. Chi is very hostile. Don’t you know the phrase that ‘no matter how good you are, there is always someone out there that is better than you?’”

“You should tell this to yourself, and even more so to your fiancée.”

“You...”

Gu Mingzhe was angry but could not find any words to rebut.

Only

On the side, Zhong Kuijun was anxious but he dared not say that Chi Yang was wrong.

Meanwhile, being protected by her Big Brother Chi Yang felt really good, and Zhong Nuannuan was very happy.

“Big Brother Chi Yang, let’s go. Don’t talk to disgusting people and lower ourselves anymore.”

The corner of Chi Yang’s lips lifted up into a nice arc. “Ok.”

Under the dark gazes of Zhong Qianqian and Gu Mingzhe, Zhong Nuannuan assisted Chi Yang and walked out.

“Dad, look at Zhong Nuannuan! What’s with her attitude? Do you actually care about her?”

Zhong Kuijun was thinking about something on the inside and was shocked by Zhong Qianqian’s roar. He scolded her to her face, “What attitude? Isn’t it all because of you? Why do you act so scared in front of Nuannuan when it’s no big deal? Aren’t you just embarrassing yourself?”

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 462: Crossing Lines**

“Nuannuan and Chi Yang definitely crossed the line on this matter,” Gu Mingzhe defended Zhong Qianqian. Zhong Qianqian was so touched her tears instantly fell.

Scolding Gu Mingzhe was not good, but neither was talking bad about Chi Yang. Hence, Zhong Kuijun realized that he was a loser either way, so he could only say, “You guys go inside to see your mom. I need to go to the military base, so I’ll leave first.”

Looking at Zhong Kuijun leaving, Zhong Qianqian cried harder.

Gu Mingzhe was upset but recalled that this was the little princess of Nangong Family, so the anger that had swelled up disappeared instantly.

He reached out and gently embraced Zhong Qianqian in his arms, patting her back gently while coaxing her, "Good girl, stop crying, I'm here."

"Bro Mingzhe, do you hate me? I really didn't mean to show off, I only had good intentions. I just wanted to help her, boo hoo...why did she say that to me?"

"No Qianqian, I won't hate you. You're my future wife; Someone I set my mind on. Even if the whole world hates you, I'll stand by your side. I know you just wanted to help Nuannuan, I know you had good intentions. It's okay, forget that she's ungrateful, someday she'll come to us and beg, you don't have to be sad. When that time comes, I'll help you talk to her, okay?"

"Okay." Zhong Qianqian nodded, but then thought of Chi Yang's threat just now and could not help but ask, "Bro Mingzhe, what's the situation with Xue Miqi? Will she continue to bite onto me and not let go like a mad dog?"

"You have to believe me, I really didn't do it! It was Xue Miqi who heard that the auction would be postponed and that the standards would become higher. She wanted to buy a nice evening gown and borrowed 30,000 yuan from me. I really have nothing to do with it! I..."

Gu Mingzhe looked at her crying face and felt as if 10,000 horses were stepping on his heart.

Finding the killer was a given, and everyone wanted to learn the truth. Was it necessary to explain it with such aggrievance?

"Qianqian, I believe you. You're the kindest girl in my heart. As for Xue Miqi, I have already taken care of her parents. With her parents as witness, she won't simply bite you again."

As soon as he finished talking, his stomach acid surged and he almost threw up his breakfast.

At this moment, Gu Mingzhe's phone rang.

"Qianqian, excuse me, I'm taking this call."

With that, Gu Mingzhe picked up the call. "Hello, dad, what's the matter? ...I'm accompanying Qianqian. We're getting ready to visit her mother, she fractured her rib. ...What?"

Gu Mingzhe was suddenly became alarmed while looking at Zhong Qianqian. Zhong Qianqian was so scared that her face turned pale. "Bro...Bro Mingzhe, is something wrong? Why are you looking at me like that?"

"Dad, are you sure that what you are saying is true?"

Zhong Qianqian listened to Gu Mingzhe's words which were directed at his father. Despite this, Gu Mingzhe was looking at her. Could it be that... their marriage fell through?

Instantly, Zhong Qianqian grew terrified scared. She almost lost her footing.

Only

“Okay dad, don’t worry, I’ll ask Qianqian about this matter first.”

With that, Gu Mingzhe looked at Zhong Qianqian and asked, “Qianqian, have you offended someone recently?”

“Huh?” Zhong Qianqian was a little confused.

There were actually many people that she offended but what did that have to do with Gu Mingzhe?

“Did you complain to anyone after you got engaged with me?”

Gu Mingzhe’s words really scared Zhong Qianqian.

Could it be that someone could not stand her and spoke ill of her in front of Gu Mingzhe’s father?

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 463: Smells Like Trouble**

Who hated her so much?

Who despised her so much that they wanted to mess with her?

Zhong Qianqian shook her head aggressively. “No! How could I have known a big shot who knows Uncle Gu, what more feuding with such a big shot? Is someone talking ill of me in front of Uncle Gu?”

Gu Mingzhe really wanted to strangle Zhong Qianqian, this brain-dead b\*tch, to death. He took a deep breath and tried to make his voice sound less angry. If he got angry, it would not be what Zhong Qianqian, an outwardly strong but inwardly brittle little white flower, could bear.

“Qianqian, do you know what my family relies on to keep its foothold in the Emperor District?”

“Your family relies on real estate.”

“Yes, my family relies on real estate, hotels, and jade. These three big industries allow us to keep our place in Emperor District. But, did you know, this morning, our business partners and top suppliers in the real estate, hotel, and jade industry have all proposed terminating their contract with us. Even if they have to pay us for the breach of contract, they still wanted to proceed. Do you know what this means?”

“Wh...what?” Zhong Qianqian was already so scared she could not think straight. What did these things have to do with her?

“If all the suppliers sever contact with us, all of our in-progress projects will come to a standstill. The bank’s loan cannot be paid off, and once that happens, even if we are the third most powerful family in Emperor District, we will quickly collapse within three months. When that happens, not only will we be permanently removed from the aristocratic circle, we’ll be debt-ridden, and in order to repay the huge debt, we’ll have to become fugitives.”

Zhong Qianqian’s face turned pale.

“Is...is it that bad?”

Then, when she gets married to Gu Mingzhe, would she not have to become a beggar?

“Yes, three months is actually being optimistic. You know, the bigger the business, the more reliant it becomes on a continuous stream of funds.”

“B-but, what does this have to do with me?” Zhong Qianqian was dumbfounded.

Gu Mingzhe took another deep breath and said, “Because, when all these matters surfaced at the same time, my dad asked why they had to do this. The answers they gave my dad were the same, they said it’s because Gu Family’s future daughter-in-law Zhong Qianqian offended someone she shouldn’t have offended.”

Zhong Qianqian stood unsteadily and fell backwards. Seeing that a cart was being pushed over from behind, Gu Mingzhe reached out and pulled her up.

Zhong Qianqian was soft as soap as she conveniently nestled in Gu Mingzhe’s arms, before sobbing tearfully.

“I didn’t do anything! I really didn’t do anything! Who would slander me like this? It’s Zhong Nuannuan, it must be Zhong Nuannuan! It must be because Zhong Nuannuan thinking that I tried to get someone to kill her, so she had Leng Qirui help her out. Yes, that must be it! How could she be so vicious? She’s my younger sister! How could she be so vicious? Not only does she want to kill me, but also the entire Gu Family!”

“Leng Qirui? Who is Leng Qirui?”

Only

“He is a young master of the second-most powerful family in Emperor District.”

Gu Mingzhe was alarmed.

“Leng Qirui? You mean he’s from the Leng Family of Emperor District?”

Zhong Qianqian replied, a little scared, “I don’t know if he’s from the Leng Family. I only heard that his family is the second most powerful family in Emperor District, and that his dad is the commander-in-chief of the Jiang District military base.”

Gu Mingzhe was horrified.

He felt like strangling Zhong Qianqian to death. What should he do?

She even dared to provoke Leng Jinpeng’s son!

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 464: Apologizing**

One had to know, Leng Jinpeng was a very prominent figure in Emperor District. He was the instructor of the Camino covert special forces, while it was often whispered that even the common members of that covert special forces were at least the rank of captain. That covert special forces could be said to be the

elite within the elite. The official members of the special forces teams of the military bases generally went to that special team to be gilded before commencing formal operations. After a year and a half of training the members of that special team, they would come out true masters of their craft.

And Leng Jinpeng was said to be No. 1 ranked member of the secret forces team before his body completely crumbled.

However, Zhong Nuannuan, the silly lady, had gone and offended Leng Jinpeng's son!

"Qianqian, can you go and apologize to Leng Qirui? Our family has had a hard time getting to this state. My parents are happy about me wanting to marry you, but... when something like this happens, if it's really because you that the other party wants to drive us to the death. I'm afraid my parents won't agree to this marriage. Think about it, you caused it. If my parents announce to the public that they had made a mistake, that we will not get married, then the other parties will not target our family anymore. But by then, what will you do? That day, I proposed to you in front of all your classmates, teachers, and even the headmaster. If we break up, where can you hide your face? Let's not talk about Emperor District, can you even still mix with the circle of nobles in Jiang District?"

Gu Mingzhe reasoned with her, and although Zhong Qianqian sadly cried and looked as if she had been wronged, in order to marry Gu Mingzhe, in order to be a young lady of the Gu family, she could only nod reluctantly. "Okay. Then, I will admit my mistake. I will apologize to Zhong Nuannuan and Leng Qirui, and ask him to take back what he did to the Gu family."

"Alright."

Meanwhile, Chi Yang had not rested well the night before, so Zhong Nuannuan was going to take him back home to rest.

There was a commanding officer at the military base keeping watch, so there was nothing to be worried about as this traitor could not be found in just a short period of time. Seeing that Chi Yang was able to rest at home, Zhong Nuannuan immediately asked for a leave from the school and stayed with Chi Yang in the apartment. After all, they did not normally spend much time together.

Not long after leaving the hospital, Zhong Nuannuan's phone rang. Seeing that it was Zhong Qianqian's call, she declined the call and blocked it.

When Zhong Nuannuan declined the call, Zhong Qianqian was even more sure that it must have been Zhong Nuannuan's instructions to target the Gu family. She then immediately started crying and called Zhong Kuijun to complain.

Only

No one knew what Zhong Kuijun was doing as it immediately declined the call.

She called again but it kept ringing. Even after calling for half an hour, it said that he was busy.

"Bro Mingzhe, my dad seems to have blacklisted me," Zhong Qianqian cried miserably as she nestled in Gu Mingzhe's arms, the latter of which had a face as dark as ink.

Gu Mingzhe caressed her back while reassuring her that she would definitely get the chance. At the same time, he was silently scolding this stupid b\*tch.

If it were not for him knowing of her secret identity, he would have given her a tight slap by now.

“If they are not answering, let it be. Let’s go, I will accompany you to school and go straight to apologize to Young Master Leng. At that point, regardless of if Young Master Leng Shao loses his temper, you cannot be angry, got it? As long as he can finally relax and withdraw the sanctions against the Gu family, then all is good.”

Zhong Qianqian’s eyes were swollen from crying. She was really unwilling to go to school to apologize. After all, it was really shameful to do this with so many students watching.

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 465: The Conspiracy**

After arriving at school, Zhong Qianqian waited for the class bell, and under the glaring stares of her classmates, she walked over to Leng Qirui with a grimace on her face.

“Young Master Leng, I apologize. Please spare the Gu family!”

Leng Qirui was deep in focus, memorizing the poem phrases for the upcoming exam. He heard Zhong Qianqian’s voice, and he looked up with displeasure.

At that moment, Gu Mingzhe entered the classroom and stood in front of Leng Qirui.

“Hello, Young Master Leng, I am Qianqian’s fiancé, Gu Mingzhe. Qianqian might cross the line when speaking sometimes, and might have offended you. I brought her over today to seek your forgiveness. I know you are a courteous person, so please, do not take offense.”

Leng Qirui stared at the two figures in front of him with suspicion. They must be crazy, apologizing all of a sudden. Still... now that they were asking for his forgiveness, how could he refuse?

“Young Master Gu, honestly speaking, do you know how I feel, seeing you and Zhong Qianqian together?”

Gu Mingzhe was affable. “Go ahead, Young Master Leng.”

“It’s like looking at a flower that’s – stuck on a piece of sh\*t. Of course, that piece of sh\*t refers to Zhong Qianqian.”

Zhong Qianqian, “...”

Gu Mingzhe, “...”

“Frankly speaking, Zhong Qianqian has neither the looks, nor a good figure, and with a useless brain to match it all. So naïve. Young Master Gu, you sure have good taste in women.”

The other students burst out in laughter following Young Master Leng’s snide comments.

Zhong Qianqian’s face was red with fury, as if it was bleeding from Young Master Leng’s humiliation. However, she was willing to do anything to become the Young Lady of the Gu family, even if it meant enduring this abuse.

Gu Mingzhe however, was not upset. Maintaining his composure, he then replied, "Perhaps everyone sees various flaws in Qianqian, but to me, they are no big deal, and these flaws can be excused. Young Master Leng. I brought Qianqian over to school today to explicitly apologize to you in the hopes that you will forgive her past transgressions. If you suppose that a verbal apology is insufficient and you need some form of compensation, I will try to the best of my ability to do so on behalf of Qianqian."

Gu Mingzhe's words drew awe from the girls. With this admirable act, Zhong Qianqian was redeemed and saved from complete shame.

It was a good feeling, to have someone love and shield you like Gu Mingzhe did, especially in front of your classmates. Zhong Qianqian felt a little smug at that moment.

Only

"Young Master Gu, you really are lovestruck. Alright then, I am not a petty guy. Although Zhong Qianqian is disgusting, she's not my girlfriend. Now that she has a boyfriend of her own, then she had better stay as far away from me as possible. Just stop bothering Nuannuan, as she disgusts her as well. If not, I will personally give her a beating every time I see her. When it comes to that, do not blame me, Young Master Gu, for embarrassing you."

Gu Mingzhe immediately nodded his head in delight. He did not expect this to be so easy. "Very well, I'll have her promise that she will not disturb Nuannuan or you again."

"Qianqian, don't you have anything to say?"

It seemed that Leng Qirui had already decided to forgive her, but Gu Mingzhe insisted that she expressed her apology again. Zhong Qianqian felt hurt because of that, and tears began flowing down her cheeks once more.

"Young Master Leng, I am sorry. Although I don't know why you dislike me so much, and I don't know what I've done to upset you this much..."

"Enough! Since you don't know anything, what the hell are you apologizing for? You must be Gu Mingzhe's clown, and you're here to disgust me on purpose, aren't you?"

Gu Mingzhe's eyes narrowed and his expression sank as he gripped Zhong Qianqian's hand firmly, as if to remind her what they were there for.

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 466: The Apology**

Zhong Qianqian immediately said, "Sorry, sorry! I'm sorry! I shouldn't have spoken ill of Zhong Nuannuan behind her back. I shouldn't have wandered around aimlessly in front of you and her. I... I promise not to walk around the both of you again, okay? If you two really can't stand the sight of me, I can also go to another class for my lessons.

"Then we're good." Leng Qirui agreed immediately, already growing sick of the sight of this disgusting woman.

“Young Master Leng, so what you’re saying is that you’ll forgive Qianqian as long as she does what she says, right?”

“Indeed.” Leng Qirui nodded.

“Good, then I’ll go now to have Qianqian’s class changed.”

With that, Gu Mingzhe brought Zhong Qianqian out.

This apology came strongly and bafflingly. However, Leng Qirui still dumbfoundedly received it. After all, Zhong Qianqian really disgusted him.

Meanwhile, with Gu Mingzhe’s help, Zhong Qianqian transferred classes.

Gu Mingzhe approached the school board, and the class transfer request was quickly approved.

By the time the next class ended, Zhong Qianqian was already a student of Ye Mengxi’s class.

When Ye Mengxi saw Zhong Qianqian walk in like a golden peacock as she was accompanied by Gu Mingzhe, the envy and jealousy in her heart...

Damn it, Gu Mingzhe really had sh\*t in his eyes!

She did not understand why Gu Mingzhe was interested in Zhong Qianqian and not her.

“Brother Mingzhe, this is really heavy. I can’t carry it.”

“I’ll help you get it.”

“Jeez, Brother Mingzhe, the table here is so dirty!”

“I’ll help you wipe it.”

“Brother Mingzhe, this bench is uncomfortable to sit on.”

“Why don’t I have the school board order a more comfortable chair for you?”

Because it had been so easy to please Leng Qirui, Gu Mingzhe was in a good mood. That was why he could tolerate all of Zhong Qianqian’s gripes. After all, she was the future princess of the Nangong Family, and had the right to be a bother.

Every word of Gu Mingzhe ticked Zhong Qianqian’s boxes, making her feel many times more honored. Thinking of how she would spend every day of the future under everyone’s envious gazes—especially Ye Mengxi—made Zhong Qianqian feel that life was beautiful.

“Never mind, there’s no need. I’ll just use it as it is. After all, the other students are using the same chair as me, so it wouldn’t be good for me to make special arrangements.

However, Zhong Nuannuan was oblivious to the fact that although she had successfully made Ye Mengxi jealous, she had also disgusted all the students in the class.

What if they wanted to beat this b\*tch to death?

The entire class was waiting in line urgently.

After everything was done, Gu Mingzhe brought Zhong Qianqian out to see Leng Qirui.

“Young Master Leng, Qianqian has already apologized to you, and I’ve arranged for her class transfer, so you should be okay now, right?”

Leng Qirui did not even look at Gu Mingzhe as he continued to do his own things. He simply grunted.

“Well, take her away, and don’t get in my way.”

Take?

Zhong Qianqian felt dejected.

Was she a dog?

She was the future Young Lady of the Gu Family, okay?!

Only

However, when facing Leng Qirui, Zhong Qianqian was completely unable to put up any form of resistance.

Even the Gu Family could be...

If only the person Leng Qirui liked was her!

Yet this person had sh\*t in his eyes and liked Zhong Nuannuan, that bumpkin.

“Don’t worry, Young Master Leng. She won’t wander about in front of you anymore. Then... can you revoke the punishment?”

“What punishment?” Leng Qirui did not understand.

“Because Young Master Shao disapproved of Qianqian, you sanctioned those of us at the Gu Family Enterprise and had our partners terminate their contracts with us.”

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 467: A Misunderstan**

“This has instantly put our business into a freefall. Now that your anger has subsided, can you revoke the sanctions against the Gu Family Enterprise?”

Upon hearing Gu Mingzhe’s words, the students immediately inhaled a breath of air.

Young Master Leng was so domineering!

Previously, they only knew that in the past, Young Master Leng had brought ruin to the family of the female student who had liked him.

Now, just because he disapproved of Zhong Qianqian, he actually immediately had the Gu Family Enterprise sanctioned.

The Gu Family!

That was not an ordinary family!

That was a high-class aristocratic family of Emperor District!

At this moment, the students started to view Leng Qirui differently.

Only then did Leng Qirui raise his head from the game he was playing. He looked around stupefied, reaping the many looks of adoration, then glanced at Gu Mingzhe and a grumpy-looking Zhong Qianqian.

“When did I sanction the Gu Family?”

Gu Mingzhe, “...!”

Zhong Qianqian, “...!”

“Young Master Leng, did you not have members of the Leng family threaten all the suppliers of the Gu Family Enterprise?” Gu Mingzhe, seeing Leng Qirui’s dumbfounded expression, was also taken aback.

“Do I look that free? Anyway, the Gu Family is also one of the high-class aristocratic families. Do I not have to spend money to do such things? Do you think Zhong Qianqian is worth me spending money on?”

Gu Mingzhe, “...”

Zhong Qianqian, “...”

“The most I’d do is slap her if I didn’t like how she looked. I wouldn’t waste a penny on her.”

“You really didn’t?”

“Why would I lie to you?”

Zhong Qianqian had heard enough.

“If it wasn’t you, then how could you accept my apology so pompously? Moreover, how could you demand that I be transferred to another class? You’re just too much!”

Leng Qirui sneered. “Do you have a problem? It was you who insisted on apologizing to me and seeking my forgiveness. It’s not like I begged for you to come b\*tching. Oh, so what you mean is that you shouldn’t have apologized to me because I didn’t screw you over? In that case, I think I should still mess you up! I might not be willing to spend money on you, but I can still get rid of the Gu Family even without spending a time. Do you want to test me?”

As the saying goes, if one did not fear a godlike adversary, they should fear at least fear a sh\*tty companion. Back when he was in the Jiang District, Gu Mingzhe was a myth to Jia Yong. Now, he was a noble son of an Imperial District’s aristocratic family. No matter what he did, he did it skillfully, easily and flawlessly. Having now met a sh\*tty companion in the form of Zhong Qianqian, he was simply unable to describe the sunny thought in his heart at this moment. In the end, he could only tug on Zhong Qianqian’s hand to ask her to correct her attitude toward Leng Qirui.

Only

If Leng Qirui also acted against the Gu Family, then he would truly have no place to cry.

“Young Master Leng, I’m terribly sorry. Qianqian didn’t know any better, so let me make amends to you here. Whether she provokes you or not, I assure you that our agreement from before still stands.”

With that, without giving Zhong Qianqian—who was teary-faced and glaring at Leng Qirui like she was staring at her foe—a chance to speak, he pulled her away.

Upon seeing the situation, Wu Wenqian and Li Shanshan also followed them out.

Gu Mingzhe pulled Zhong Qianqian to a secluded spot before stopping.

By the time the other two had caught up, Zhong Qianqian had already burst into tears and was hugging Gu Mingzhe. She ranted about how over-the-top Leng Qirui was and how humiliating it was for her.

Gu Mingzhe, no longer able to hold back the primordial emotions within himself, spoke softly to her with a hint of scorn. “Don’t cry. Those of us from the Gu Family Enterprise are in all sorts of trouble because of you, but I haven’t even cried yet.”

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 468: Irritable**

When he said that, Zhong Qianqian cried even harder.

“Brother Mingzhe, are you... are you blaming me? I don’t know who I’ve offended, I really don’t know. Boohoo... Could it be that Uncle made a mistake, or Uncle said that on purpose because he didn’t like me?”

Gu Mingzhe had already cursed Zhong Qianqian ten thousand times in his heart.

In truth, he had only been in contact with her for two or three days, but the little bit of affection he had for Zhong Qianqian disappeared at that moment.

If it had not been for the two DNA tests, he would have genuinely believed that he had gotten the wrong person.

How could the Jade Princess of the Nangong Family give birth to such a person who lacked good looks and a figure? Forget her peculiar thought process, one could even say that Zhong Qianqian’s basic brain functions were lacking!

Could it be that Nangong Yu had hit her stomach when she was conceived, causing the dirt in her intestines to flow backwards, such that Zhong Qianqian’s head was filled with sh\*t?

Did this woman really have no self-awareness? He was an outstanding young master from Emperor District who fancied a Cinderella who had nothing. He did not break up with her right away when something happened, but not only was she ungrateful and failed to behave herself properly, she even pretended to look pitiful and wronged in front of him the whole time.

Gu Mingzhe felt annoyed by the crying. “Qianqian, my father would never joke about things like this, but he is indeed very upset with you. If you still want our marriage to go on smoothly, you must find out

who you offended. After that, I can accompany you to apologize to the other party. If you can't even determine who the other party is, then we're not destined to be together."

"No, Brother Mingzhe, I don't want to lose you, boohoo... I don't want to lose you..."

"I don't want to lose you either. Qianqian, I'm true to you. However, as the only heir of Gu Family Enterprise, you also have to be considerate of my difficulties. I won't give up on you, but we must find this person and obtain their forgiveness, understand?"

"The thing is that I really don't know who I've offended! Boohoo... What should I do, Brother Mingzhe, do you think I'm useless? I'm usually very simple-minded, and my temperament is relatively straightforward; I speak whatever's on my mind, so I really don't know who I've offended."

Gu Mingzhe felt like killing someone!

Meanwhile, Wu Wenqian and Li Shanshan looked on with extreme jealousy. After a while, Li Shanshan asked, "Qianqian, could it be Selina?"

Only

Zhong Qianqian was stunned, and suddenly saw the light. "Yeah! I only said a few words to her that day, and she said that she would make it impossible for me to marry into the Gu Family. Ah! It's her! It must be her! How could she be so evil? She's too much!"

"Who is Selina?"

"I don't know either! I only know that Zhong Nuannuan once saved her life, so she's a diehard Zhong Nuannuan fan."

Gu Mingzhe was speechless.

Li Shanshan could not look on any longer and said, "Selina did not say who she is, but she's of mixed-race, and was featured in "Vampire 3"—she was the second female lead in it. She's probably a Hollywood actor."

Wu Wenqian curled her lips. "Who would've thought that a small actress like her would use such vicious methods? She must've hooked up with some powerful old man on the international stage, otherwise how could she dare to attack the Emperor District's Gu Family?"

Gu Mingzhe glanced at Wu Wenqian in disgust, exhaled a mouthful of bad breath and asked Zhong Qianqian, "What did you say to her?"

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 469: Driven Mad**

"I wasn't the one who scolded her, it was Qianqian who scolded her, and in the end, she bit us like a mad dog."

"Then, what did you scold her for?" Gu Mingzhe looked at Wu Wenqian again.

Wu Wenqian's face flushed, a good-tempered gentleman like Gu Mingzhe was also her favorite type. She did not understand what Gu Mingzhe saw in Zhong Qianqian, and finally decided that Zhong Qianqian simply knew how to act seductively, so she began to copy Zhong Qianqian and started to feign anger coquettishly.

"She completely deserved my scolding! We didn't provoke her, but she helped Zhong Nuannuan provoke us, saying that Qianqian was not as good as Zhong Nuannuan. She was just too much. Qianqian and I have always been good blablabla..."

Wu Wenqian did not get to the point despite saying so much, and Gu Mingzhe had to ask again, "I mean, what did you scold her for?"

"What can I scold her for? She was the one who scolded me, okay?! Not only did she scold me, she even hit me!"

Zhong Qianqian was also swayed by Xue Miqi, and nodded sharply. "Brother Mingzhe, she really cursed at us first, and even hit Miqi in front of the other classmates. She's really too much, she's too uneducated."

By now, Gu Mingzhe could not stand it anymore, and turned around to leave.

"Hey, Brother Mingzhe, where are you going? What's wrong with you? Are you angry?"

Gu Mingzhe was furious at this moment. He felt that if he did not leave, he might not want the Nangong Family anymore even if it was given to him on a silver platter.

Gu Mingzhe could no longer stand a woman who could be so repulsive and idiotic, who was even surrounded by a group of even-more disgusting friends like a swarm of flies. He was afraid that he would kill someone if he lost control of himself.

"Brother Mingzhe, you said that you loved me and wanted to spoil me for the rest of your life, but now that something has just happened, you're already giving me looks, you... Have you been lying to me when you said you liked me?"

'Haha, you managed to figure it out. It must've been tough for you.'

Seeing that Gu Mingzhe was still ignoring her, Zhong Qianqian became really scared. She stopped crying and stopped acting coquettishly, then ran in front of Gu Mingzhe to block his path.

"Brother Mingzhe, I was wrong. I really know that I was wrong now. Will you forgive me? I... I'll apologize, okay? I will do whatever you ask me to do. I definitely won't lose my temper anymore."

Gu Mingzhe finally stopped when he heard that she wanted to apologize.

"Really?"

Zhong Qianqian nodded as soon as he saw that there was still hope. "Yes, really! I'll definitely give a good performance."

“Okay, then you go to apologize to Selina and get her forgiveness by yourself. If she can’t forgive you, then in order to protect the Gu Family, I can only break up with you. However, I promise, as long as you can turn the tide and handle this matter sincerely, I’ll still treat you as well as ever.”

Zhong Qianqian’s face turned pale with fright, and she nodded quickly. “Okay.”

Only

Gu Mingzhe left without looking back. Zhong Qianqian looked at Wu Wenqian and yelled, “It’s all your fault! Why did you provoke Selina for no reason? What’s your problem?”

Wu Wenqian felt very depressed for being reproached.

For Zhong Qianqian’s sake, her face and feet had still not yet recovered, and not only was she unable to claim any medical expenses, she even got scolded.

“Let’s go, follow me and apologize to Selina.”

“Aren’t you afraid that I’ll offend her again?” Wu Wenqian was reluctant.

“How dare you! Wu Wenqian, if you dare to wreck my marriage, I’ll make sure you never forget it!”

Seeing that these two people were about to attacking each other, Li Shanshan quickly retreated. “Well, Qianqian, Qianqian, classes are about to start, so I’m going to return to class first.”

#### **Chapter 470: Confession**

Seeing that Li Shanshan was gone, and her relationship with Wu Wenqian was about to collapse, Zhong Qianqian became afraid that she would be left all alone, so she immediately adopted a gentler approach. “Qianqian, I wanted to wait for Li Shanshan to leave before telling you this. Once this matter is resolved and after I get married to Brother Mingzhe, I’ll ask him to introduce the heads of their branches to you.”

When Wu Wenqian heard this, her mood immediately brightened, and without even stopping to think for a second, her expression changed instantly. “Okay, I’ll accompany you to apologize to Selina.”

When they got to the undergraduate department, Selina was surrounded by a large wave of seniors from the computer science division.

All these people had roses in their hands.

‘Sh\*t, doesn’t Selina just look slightly prettier? Do so many people have to come to give her flowers?’ Zhong Qianqian felt depressed.

At this moment, Jiang Hongyi slowly walked up to Selina, kneeled on one knee, and stretched out his hand. A student in the back handed a velvet box to Jiang Hongyi.

Jiang Hongyi opened the box, and a diamond ring appeared in front of Selina.

“Selina, although you’ve only just transferred to our school, I’ve fallen in love with you ever since the first moment I saw you. I know this may sound very corny, but I still want to say: I want to be your boyfriend, no matter what your status is. Even if you’re poor, I’m willing to be with you and be your solid support structure. Selina, will you be my girlfriend? I will treat you well.”

“Say yes! Say yes! Say yes! ...”

The boys who had helped Jiang Hongyi confess to Selina began to kick up a fuss, and everyone eagerly awaited Selina’s reply.

Zhong Qianqian had already walked into the enclosed circle at this moment, and her eyes lit up.

If Selina could accept her third brother, would she no longer target the Gu Family?

For this reason, Zhong Qianqian also started chanting with the crowd, smiling very happily while looking at Selina expectantly.

Selina looked at Zhong Qianqian’s foolish appearance and laughed out loud.

Jiang Hongyi did not know that Zhong Qianqian was standing behind him. Thinking that Selina was smiling at him, he also displayed a gleeful smile.

He knew it—He was the third young master of the dignified Cloud Group, if he wanted to go after a woman, who in their right mind would not accept him?

When he saw Selina bend down, Jiang Hongyi hurriedly raised the diamond ring that was less than five carats to her eyes.

At this moment, a boy who did not particularly like Jiang Hongyi jeered.

Only

“Such a small diamond ring, are you sending a beggar off?”

Jiang Hongyi felt that his dignity was challenged, and immediately replied, “This is not a proposal ring, but just a ring to ask you to be in a relationship with me. When we get engaged, I’ll get my brother-in-law to make a bespoke jade ring for you.

“Oh, surely you still don’t know who my brother-in-law is? My brother-in-law is the only heir to the aristocratic Gu Family of Emperor District. The Gu Family’s jade jewelry business is well-known throughout Emperor District, so I definitely won’t treat you badly.”

Selina noticed that after being named by Jiang Hongyi, not only did Zhong Qianqian not show a trace of embarrassment on her face, but at this moment, under everyone’s curious-glance, she even raised her head proudly.

Now she finally knew why her big boss did not want to kill her immediately, and allowed her to fool around instead.

Zhong Qianqian really had a handicapped brain. It would be blasphemy and disgrace to one’s IQ to really regard her as an enemy.

This d\*mb\*ss. She must have come to see her now in order to ask for forgiveness, right?
