

Physicist 361

Chapter 361: Siblings

Yi Fentian's departure did not cause much of a stir. The people from the other three families were busy enjoying themselves. Even if a few people had noticed him, they did not care.

However, Xue Hanxi paid special attention to Yi Fentian. After he left, he came to Xue Fanxin and reminded her with concern, "Yi Fentian hates you and will definitely cause trouble for you in the future. You have to be on the lookout."

"He's just an ungrateful clown. I can handle him," Xue Fanxin replied politely, her attitude towards Xue Hanxi quite friendly.

"I believe you have the ability. Thank you very much for this time. If not for you and your companions, we don't know how long we would have been trapped in that place. I was the one who was there the longest. Although it's only been a month outside, I've spent more than a year. It's really long."

"Didn't you save me too? You don't have to be so polite. No matter what, we're related by blood."

"Yes, we are related by blood. You're my younger sister from the same clan." Xue Hanxi was so happy that his face was filled with a smile. It was a smile that came from the bottom of his heart and was incomparably sincere.

"It's not easy to be my brother. You might be scammed by me at any time. Are you prepared?" Xue Fanxin teased.

Those who could be teased by her were equivalent to obtaining her affirmation and acceptance.

Xue Hanxi naturally could hear the true meaning in Xue Fanxin's words. He smiled gently and said, "Alright, I'll wait for you, my younger sister, to come and scam me."

"Who would look forward to being scammed so much?"

"That depends on who the scammer is. Alright, I'll end the chat here. I've left for so long; there must be some trouble in the family waiting for me to deal with. Don't worry, I'll definitely get the Xue family to give you an explanation about the ban." Xue Hanxi left with his subordinates after giving Xue Fanxin his word.

Then, Lian Fangcheng and Bai Han also came to thank Xue Fanxin. Although these two left with heavy emotions, there were no grudges, unlike Yi Fentian, who was filled with resentment.

Everyone had left, except for one person.

Xiao Muyan stood there in a sorry state. He walked up to Xue Fanxin and asked solemnly, "You haven't told me what the acupuncture technique you used is. Also, where did that pill come from?"

Xue Fanxin did not expect Xiao Muyan to still be stuck on her acupuncture technique and pills. His clothes were dirty and torn, and his hair was in a mess. How was he still the young master he used to be?

When ordinary people reached such a situation, the first thing they cared about would be themselves. However, this Xiao Muyan was a weirdo. After surviving a calamity, he did not find a place to refresh himself like others. Instead, he ran over to ask things that he should not have asked. Didn't he know that those mysterious needle techniques were not to be taught to outsiders?

"Young Master Xiao, give me a reason to tell you what that acupuncture technique is. Have you seen anyone who will casually tell others about their family's secrets?"

"I must know what that acupuncture technique is, so you must tell me." Xiao Muyan was very domineering.

"Must? Why should I?"

"Because—"

"Because you're from that Blue Sea Villa? I'm sorry, but I don't care. Get lost now."

"You..." Xiao Muyan could not win against Xue Fanxin, but he was unwilling to give up. Hence, he turned his attention to Gu Jinyuan. "Gu Jinyuan, I want you to help me settle this matter. Otherwise, the Blue Sea Villa will no longer provide medicinal pills to the Heavenly Treasure Trading Company."

1

Chapter 362: Mission Completed

Xiao Muyan was putting Gu Jinyuan in a tough spot, using threats to force his hand.

This was not the first time Gu Jinyuan had encountered Xiao Muyan's ungentlemanly actions. He had used a similar method to force him to find the pill furnace. Unfortunately, he got trapped in the tomb of the Spacetime Emperor later, so this matter was left unsettled.

Based on his understanding of Xiao Muyan, once they went out, he would definitely be forced to find the Nine Revolutions Burning Yang Furnace. However, Xiao Muyan seemed to be more interested in Xue Fanxin's needle technique now. The pill furnace could be delayed for the time being.

He thought he could be tension-free for some time, but unexpectedly, Xiao Muyan used another matter to force him...

"Young Master Xiao, I have now decided that the Heavenly Treasure Trading Company will no longer cooperate with the Blue Sea Villa."

1

"What did you say?" Xiao Muyan did not expect Gu Jinyuan to make such a decision. "Gu Jinyuan, if you don't have the pills provided by the Blue Sea Villa, your Heavenly Treasure Trading Company will suffer massive losses. You might not even be able to protect your status. Do you understand?"

"You're not the only alchemist in this world. With our resources and influence, we will be able to find other alchemists to provide us with supplies. Besides, we do not earn much by cooperating with you. Every year, the pills auctioned are not enough to pay for the goods of the Blue Sea Villa. There are other fees too. In other words, we only earn a little reputation and no profits to speak of in our cooperation.

You can look for other merchants and see if they can give you the same treatment. If you don't cooperate with our Heavenly Treasure Trading Company, do you really think the Blue Sea Villa can find a better partner? Even if you can find one, the profits won't be much."

"Hmph, you're only comforting yourself. Without our pills, the Heavenly Treasure Trading Company's position as the richest company will be lost. There are many people in the Tongxuan Realm who want to pull you down, so you'd best think carefully before talking big."

"You just have to wait and see if I'm talking big."

"Gu Jinyuan, don't regret it."

"You never consider others in troubled times. You're always thinking about yourself. After experiencing so much, you're still so self-righteous and arrogant. If not for Xin'er, do you think you could have left that place alive?"

1

"You..."

"There's no need to say more. After I return, I'll report the fact that the Blue Sea Villa will no longer provide medicinal pills to the Heavenly Treasure Trading Company. I'll find another alchemist." Gu Jinyuan and Xiao Muyan argued for a long time, but he did not expose the fact that Xue Fanxin was an alchemist.

Xue Fanxin secretly praised Gu Jinyuan. She really did not intend to expose her identity as an alchemist too early.

It was not necessarily a good thing for a person to be too dazzling. She understood the principle that the wind would destroy the tallest tree in the forest.

"Little Lei, throw this person far away," Xue Fanxin suddenly said.

Little Lei was 'torturing' the little white tiger and messing with its fur. Hearing Xue Fanxin's words, he immediately stood up and kicked Xiao Muyan far away.

"Ah..." Xiao Muyan's tragic cry tore through the sky and quickly disappeared with his people.

Little Lei returned and reported, "Sister, I kicked him away. Mission accomplished."

Chapter 363: Nothing to Fear

Gu Jinyuan knew how powerful Little Lei's leg force was. Xiao Muyan was kicked so ruthlessly. Even if he did not die, he would be heavily injured. This made him a little worried. However, he was not worried about Xiao Muyan but about themselves.

"Xin'er, I have to remind you of something. If Xiao Muyan gets injured, the Blue Sea Villa will come for us. Little Lei is very powerful. Kicking Xiao Muyan away like this, I'm worried... Forget it. Since things have come to this, we can only go with the flow."

"Do you think I'm afraid of the Blue Sea Villa?" Xue Fanxin smiled coldly. She really did not take the Blue Sea Villa seriously.

Wasn't it just a place to refine pills? What was so great about it?

Once her pill cultivating skills improved, she would not have to be afraid of the Blue Sea Villa at all.

Recalling her skills, Gu Jinyuan was no longer as worried, but he still had to warn her. "The Blue Sea Villa has an important position in the Tongxuan Realm. Even those otherworldly sects have to give them some face, so you should be careful."

"Just a villa that relies on medicinal pills and pill cultivating techniques to survive. Once they are surpassed by others, what do you think the outcome will be? Although my current pill cultivating skill is not high, I am very confident in my ability."

She had confidence in her ability, even more so in the Nine Revolutions Burning Yang Furnace.

If Xiao Muyan really wanted to use the influence of the Blue Sea Villa, then he better wait for her counterattack.

"There's nothing to fear about the Blue Sea Villa. Alright, let's go back." Ye Jiushang had been studying Shui Qianrou's grave just now. He spoke to end the matter.

Little Lei read his hint. He used his secret technique, and Purple light appeared, enveloping everyone. In the blink of an eye, they had returned to the Ninth Lord's Estate.

Gu Jinyuan and Ah Wei looked at the changed environment in a daze. They were shocked and confused as they asked weakly, "Are we trapped in an illusion again?"

"What idiots. I'm going to sleep. I don't care about you." Little Lei rolled his eyes at the duo, then left with the little white tiger.

Although the little white tiger's fur was a mess, it still followed him. As for Xue Fanxin... forget it. With a certain lord around, its master's arms were out of the picture.

"This is the Ninth Lord's Estate. We've returned. Zhuri, send them back—" Before Xue Fanxin could finish speaking, a huge commotion sounded from a room in the courtyard. Then, excited laughter came from the room.

"Haha... I actually advanced to the Spirit Master Realm in one go. How satisfying! Haha..."

Xue Batian's advancement to the Spirit Master Realm caused quite a stir. He even ran to the courtyard to let all his aura out, wrecking the flowers and trees.

"Little Xin'er, I've advanced to the Spirit Master Realm. I'm powerful, right?" Xue Batian saw Xue Fanxin the moment he left the courtyard and went to her to report the good news. He even picked up his granddaughter and spun her around. "Haha... I'm already a Spirit Master."

"Grandpa, stop spinning. I'm getting dizzy."

"Alright, alright, alright. I won't spin anymore. Little Xin'er, look at me. Am I much younger now? I'm at least twenty years younger, right?"

"Er..." Xue Fanxin was speechless at her overly excited grandfather.

Chapter 364: So Warm

After Xue Batian calmed down, he realized that there were quite a few people present. Even Gu Jinyuan was here, which really shocked him.

“Young Master Gu, why are you here? Oh my, my future grandson-in-law is also here! Thank you so much. If not for you, how could I have advanced to the Spirit Master Realm so quickly?” Xue Batian grinned from ear to ear when he saw Ye Jiushang. He called him his grandson-in-law very warmly.

Without him, he would never have had any hope of advancing to the Spirit Master Realm in his life. His precious granddaughter had actually found him such a powerful grandson-in-law. Not bad, not bad!

“Grandpa, we’re all family. There’s no need to be so polite.” Ye Jiushang knew how important Xue Batian was to Xue Fanxin. To win the beauty’s heart, he naturally had to treat her grandfather better.

“Yes, yes, yes. We’re family. Haha, we’re family.”

“Grandpa, congratulations on becoming a Spirit Master.” Xue Fanxin knew that the Spirit Master Realm was not that big of a deal, but in the Heavenly Saint Empire, it meant that one stood at the top. The four great families only had one or two Spirit Masters.

“Hehe! Little Xin’er, I’ve become stronger now. I’ll protect you in the future.”

“Sure, sure! With Grandpa backing me, I can boldly cause trouble.”

“You brat, what nonsense are you talking about?”

“Hehe!”

Only then did Xue Batian realize that Xue Fanxin was already in the Spirit Refining Realm. He said in extreme shock, “Little Xin’er, when did you advance to the Spirit Refining Realm? While I was in seclusion, you were only in the Spirit Awakening Realm. Did I spend a long time in there?”

Although he was in seclusion, he still had a concept of time. It had not been long, at most half a month.

In just half a month, his precious granddaughter had jumped from the Spirit Awakening Realm to the Spirit Refining Realm. He felt that she had advanced even faster than him.

Did she have to hit him so hard?

“Grandpa, a lot has happened while you were in seclusion. I’ll tell you later. Let me make a delicious meal first. Congratulations for advancing to the Spirit Master Realm.”

“Sure, sure! I’ve been in seclusion for so long; I’m famished. Quickly get me a delicious meal.”

Gu Jinyuan was about to return to the Heavenly Treasure Trading Company. As soon as he heard she was cooking, he started salivating. He was in no hurry to go back and stayed for the meal.

“Xin’er, look, we’re all tired and hungry. Why don’t you let us eat too?” Gu Jinyuan said shamelessly.

Who would have thought that the dignified Young Master of the Heavenly Treasure Trading Company and the Young Master of the First Restaurant would actually abandon his principles for food?

He really could not be blamed. After all, Xue Fanxin's food was worth that much.

"Alright! Then you can stay for dinner," Xue Fanxin said generously. She would not be stingy with real friends.

Ye Jiushang stood there expressionlessly. He suddenly frowned, and his expression got a little ugly. He said coldly, "You guys chat. I'll go deal with some things."

Everyone was stunned. Even Xue Fanxin did not say a word. By the time she reacted, Ye Jiushang had already disappeared.

"What's wrong with the Ninth Imperial Uncle?" Ah Wei asked weakly. He suspected that Ye Jiushang did not want them to stay for dinner, so he left unhappily.

However, Xue Fanxin knew that things were not like that.

What on earth happened?

Chapter 365: A Tricky Matter

Ye Jiushang's expression had turned ugly because he had received the message from Ruying and Suixing. He hurriedly came to find them to understand the situation.

"What's going on with Nine Cloud Palace? Tell me immediately."

Ruying and Suixing knelt on one knee as one of them reported, "Master, I also received the news not long ago. I don't know where the Sacred Fire Sect found out that Master is not in the Nine Cloud Palace. They sent people to attack the Nine Cloud Palace and also spread a lot of rumors that are disadvantageous to us. Since Master hasn't appeared for a long time, more and more people believe that you are not in the Nine Cloud Palace. A few sects have already formed an alliance and plan to destroy the Nine Cloud Palace in one fell swoop."

"They want to destroy my Nine Cloud Palace? They're overestimating themselves. What about the Shadow Clan?"

"There has been no movement from the Shadow Clan yet, but I heard that they are looking for the whereabouts of the Shadow Clan's Old Ancestor. I have investigated the matter. The last time the Shadow Clan's Old Ancestor appeared was ten thousand years ago. He challenged the Spacetime Emperor and disappeared after that battle."

2

"The Shadow Clan's ancestor challenged the Spacetime Emperor?" When Ye Jiushang heard this, for some reason, he suddenly thought of the vengeful spirit suppressed under Tomb Two of the Spacetime Emperor.

The Shadow Clan was famous for the power of darkness, and the tomb had exactly that.

The power of darkness and the power of holy light were extremely rare elemental powers in the world. As far as he knew, only the Shadow Clan could cultivate the power of darkness.

If the vengeful spirit that ran out of the tomb was the Shadow Clan's ancestor, then things would get tricky.

The more Ye Jiushang thought about it, the more he felt that this matter was troublesome. He asked solemnly, "Do you have any news about Su Baifeng?"

"Master, Su Baifeng set off for the Red Maple Forest half a day ago. There's no news of her yet."

"Send someone to pay attention to her every move. Once you find any traces of her, inform me at once."

"Yes."

"Master, the trouble with the Nine Cloud Palace is a little big. I'm afraid you'll have to intervene. The Sacred Fire Sect has invested heavily this time and insists on destroying our Nine Cloud Palace."

"I have my own arrangements for this. Prepare yourselves. We'll return to Nine Cloud Palace tomorrow." Ye Jiushang's eyes revealed a cold and murderous intent.

It seemed that the Sacred Fire Sect had been very free recently. He had to find something for them to do.

"Master, there's one more thing," Ruying said nervously, "Zhuiyue was saved by the Ghost King. I failed to complete the mission. Please punish me."

Although it was only a small mission, he had failed to kill Zhuiyue. He had failed in a mission, no matter how big or small it was.

"Why did the Ghost King save Zhuiyue?"

"I haven't found out the reason yet. Zhuiyue was saved yesterday, and there's no news today, so..."

"Yesterday?" Ye Jiushang was a little shocked, but he quickly came to a realization.

Although he had been trapped in the tomb of the Spacetime Emperor for seven to eight days, it had only been a day outside. In that case, he had only left yesterday and returned today. Many things in Heavenly Saints City had not changed.

Be it the Ghost King or Zhuiyue, they were not important now. What was important was Su Baifeng and the vengeful spirit on her.

Chapter 366: We're All Handsome

Xue Fanxin did not know what was going on with Ye Jiushang, but she had absolute trust in him. She believed that no event in this world could stump this omnipotent lord. Therefore, she happily prepared a sumptuous dinner for everyone.

Little Lei was originally going to sleep. When he found out that Xue Fanxin was cooking, he immediately ran back. Even if there was no food yet, he had to guard it.

Xue Batian hadn't met Little Lei before. Seeing such a handsome young man, he liked him a lot. "Little Xin'er, whose family is this child from? He's so handsome that he looks like he's carved from jade. He's really good-looking!"

"Grandpa, his name is Little Lei. He's Ah Jiu's..." Xue Fanxin wanted to introduce Little Lei properly, but halfway through, she realized that she had no idea what Little Lei and Ye Jiushang's relationship was.

Little Lei called Ah Jiu master. Could it be that they were master and servant?

Because of her pause, Xue Batian's thoughts ran wild. His face tensed up with displeasure as he asked solemnly, "He can't be Ye Jiushang's son, right?"

Little Lei originally wanted to ignore Xue Batian and drink his tea, but hearing his words, he spat out all his tea. "Pfft..."

The tea sprayed right on Xue Batian's face.

However, Little Lei did not feel guilty. Instead, he said angrily, "Grandpa, don't harm me. If Master finds out that I'm pretending to be his son, he'll definitely skin me alive."

"Aren't you Ye Jiushang's son? I think you look a little similar, so..."

"How are we similar? How? We're not similar at all, okay? I'm much more handsome." After Little Lei finished bragging, he felt that something was wrong and immediately changed his words. "I'm very handsome, but Master is also very handsome. We're all handsome."

He could not say that his master was inferior to him, not even in terms of looks. Otherwise, his skin would suffer.

"As long as you're not Ye Jiushang's son." When Xue Batian first saw Little Lei, he suspected that he was Ye Jiushang's son, getting uncomfortable and depressed. After learning otherwise, he heaved a sigh of relief.

If Ye Jiushang had a son, wouldn't his precious granddaughter become someone's stepmother if she married over?

No, no, no. No matter what, he could not let Little Xin'er suffer like that.

Fortunately, Little Lei was not Ye Jiushang's son. He was relieved.

"Master doesn't even have a woman. How could he have a son? Grandpa, you're thinking too much!" Little Lei saw through Xue Batian's thoughts at a glance and even exposed him directly.

Xue Batian got extremely embarrassed. However, after their exchange, he liked Little Lei even more.

"You're called Little Lei, right? Why are you following Ye Jiushang? Where are your parents?"

"My parents don't want me anymore and threw me to Master. Hmph, if they don't want me, I don't want them either."

“Which parent doesn’t want their child? There must be some misunderstanding, or your parents have some difficulties. Good child, don’t think too much. There are no parents in the world who don’t love their child, so...” Xue Batian stroked Little Lei’s head and comforted him, but unexpectedly...

Little Lei was not thinking about his parents at all. All his attention was on the delicious food in Xue Fanxin’s hand. He was about to drool. He did not seem to be sad that his parents did not want him.

In fact, in Little Lei’s world, his master was the only person. Not long ago, another person appeared, Xue Fanxin. The others were unimportant to him.

Xue Fanxin looked at the carefree Little Lei and became increasingly curious about his background.

She had to find a chance to ask Ah Jiu, but the premise was that he was willing to tell her.

Chapter 367: Confessing Her Identity

Xue Fanxin spent a lot of effort preparing a sumptuous dinner. At night, everyone gathered together to eat happily. Most of the dishes were made with Electric Water Eels, pickled fish, spicy fish, sweet and sour fish, roasted fish, and so on. It was almost an all-fish banquet.

Yet every fish dish had its own characteristics. The taste was also extraordinary. They were so delicious that people wanted to eat their tongues. They displayed their gluttonous nature and swept the table clean like a whirlwind. In the end, they almost ate the plates too.

“Burp... Little Xin’er, when did your culinary skills improve so much?” Xue Batian ate a lot and even snatched food from Little Lei. After eating his fill, he stroked his bloated stomach and asked in satisfaction. Although he had doubts, he believed in his precious granddaughter.

No matter what his granddaughter had become, she would always be his precious treasure. This was a fact that would never change.

Although Little Xin’er had changed a lot recently, he could sense that she was his biological granddaughter.

Xue Fanxin knew that it was best to clarify some things early and confess her identity. Otherwise, it would be easy for someone with ulterior motives to cause trouble, especially Yi Fentian, who was already suspicious of her identity.

“Grandpa, I have to tell you something.”

“What is it?”

“Before we talk about that, take a look at this letter first.” Xue Fanxin took out the letter Xue Feichen had left for her.

“What letter?” Xue Batian had a feeling that this was a serious matter. He tensed up as he took the letter over. Upon reading the contents, he was shocked. “What... what’s going on?”

Although there were only a few words in the letter, the general meaning was still clear.

What otherworldly soul returning, my daughter returning...

What Reverse Spirit Heaven Wheel, Nirvana Rebirth...

What did that mean?

“Grandpa, in the past, I was actually not complete. A part of my soul was missing; that’s why I was so stupid. When I was pushed down the cliff by Li Yaoyao, the other part of my soul returned. Only then did my soul get complete and I became normal. That’s why I’m not stupid anymore. Grandpa, do you understand what I’m saying?” Xue Fanxin roughly explained, but she did not mention the Reverse Spirit Heaven Wheel.

The Reverse Spirit Heaven Wheel was very important. The fewer people who knew, the better. If her grandfather did not ask, she would choose not to say.

Xue Batian was not stupid. Even if he did not know what the Reverse Spirit Heaven Wheel was, he could guess that it was something sensitive. Therefore, he did not mention it, nor did he want to. He only wanted to know what was going on with his precious granddaughter.

“Little Xin’er, you mean that in the past, your soul was incomplete, hence your silliness? Now that your soul is complete, you’re smart? Be it the past you or the current you, they’re all you.”

“Grandpa, you’re so smart! That’s what I mean. Be it the past or the current me, they’re both me. No matter what I become, I’ll always be your precious granddaughter.”

“Little Xin’er, were you worried that Grandpa would suspect your identity?”

“I’m not, but I’m afraid that someone will use it.”

“Who?”

“Yi Fentian, or Yi Tian.”

Chapter 368: Ten Meals

Xue Fanxin told Xue Batian everything about Yi Fentian in detail, including what had happened in the tomb of the Spacetime Emperor.

Xue Batian was unable to restrain his anger. He slammed the table and scolded, “That damned Yi Tian. If I had known that he was such a heartless guy, I wouldn’t have saved him back then. Two years ago, you almost lost your life to save him, yet he helped Li Yaoyao bully you everywhere. Later, when he found out the truth, he disappeared without saying a word. So be it. Who asked him to be trapped in that Spacetime Emperor’s tomb? But look at what he did there. He’s simply inhumane.

“Back in the Duke’s Estate, I quite admired him. Who knew that he was a bastard?”

His precious granddaughter had suffered so much because of Yi Fentian, but what about him?

What a scumbag. Fortunately, Xue Fanxin was no longer infatuated with that scumbag. Otherwise, it would be really infuriating.

“Grandpa, don’t be angry. It’s not worth it to lose your cool over that scum.”

“He’s just a weak little chicken. What’s there to be angry about? If you really don’t like him, I’ll slap him to death later,” Little Lei said with a disdainful expression. He did not take Yi Fentian seriously at all. He could not understand the anger of Xue Batian and the others either.

1

Since she hated that person so much and he was also a problem, just kill him. Why make it look so complicated?

These people’s thoughts were all over the place. He could not understand them.

“Alright! If you see him again in the future, just slap him to death. Why don’t you go to the Yi family yourself and be finished with it?” Xue Fanxin definitely agreed with Little Lei. Anyway, he had the ability. She really did not want to keep Yi Fentian anymore.

Her intuition told her that keeping him alive would lead to a huge problem, just like Su Baifeng.

However, she had a feeling that a scourge like Yi Fentian would not die too easily, because he was shameless enough.

“Sure! If I go to the Yi family and kill that Yi Fentian, you have to treat me to another feast.” Despite eating to his heart’s content, he was still thinking about the next meal. It was as if eating was the only thing in his world and nothing else mattered.

“No problem. As long as you can kill Yi Fentian, I can treat you to ten meals.”

“Really?”

“When have I ever lied to you?”

“Alright, it’s settled then. When I kill that Yi Fentian, you’ll make give me ten treats.” Just the thought of those ten feasts got him excited. He wished he could kill Yi Fentian right now.

Anyway, he was going to take this Yi guy’s life.

Yi Fentian did not know that a young man had already set his sights on his life for ten feasts. If he learned that his life was only worth that, how angry would he be?

Gu Jinyuan and Ah Wei ate quietly the entire time. Even after learning Xue Fanxin’s special identity, they remained silent. They chatted with Xue Fanxin for a while before leaving. As for Xue Fanxin wanting Little Lei to slap Yi Fentian to death, they would keep it a secret.

1

Yi Fentian was really stupid. He knew that Xue Fanxin had Ye Jiushang and Little Lei by her side, yet he still provoked her. Wasn’t he courting death?

Chapter 369: Avoid If You Can

After Gu Jinyuan and Ah Wei left, Little Lei brought the little white tiger to rest. Xue Batian and Xue Fanxin chatted for a while before returning to their rooms.

The sky was already dark. At the dinner table, Xue Fanxin could already tell that Ye Jiushang had something on his mind. So when everyone dispersed, she invited him to stargaze.

The night was beautiful. The sky was filled with stars, and there was actually a meteor shower.

“Ah Jiu, look, look. It’s actually a meteor shower. Quickly make a wish. Don’t miss such a good opportunity.” Xue Fanxin made a wish sincerely when she saw the meteor shower.

Ye Jiushang sat there without moving, just glancing at the meteor shower. All his attention was on Xue Fanxin. He watched her make a wish and found the scene prettier than the sky.

His Little Xin’er was already a little beauty. In another year or two, she would definitely stun others.

Xue Fanxin realized that Ye Jiushang was staring at her and had not made a wish. She said regretfully, “Ah Jiu, why didn’t you make a wish? It’s very difficult to encounter a meteor shower. Make a wish to a meteor, and it will be fulfilled.”

“If I want to fulfill my wish, I will do it with my own hands. I won’t entrust it to a few stars. Xin’er, I have something to tell you,” Ye Jiushang said solemnly. He did not seem to be in a good mood.

“I could tell that something was wrong with you at dinner. Tell me, what’s bothering you? No matter what it is, I’ll face it with you.”

Ye Jiushang smiled gently and rubbed Xue Fanxin’s little head. “Something happened at my base camp. I have to go back tomorrow, but I can’t take you with me. We’ll have to separate for a while. Though I don’t want to.”

“Your base camp?”

“It’s a faction I established called Nine Cloud Palace. That place is very, very far from here. Your cultivation level is too low. Even with me leading you, forcefully passing through layers of obstacles to get there is still perilous. I can only leave you here for the time being.”

“Oh, I understand. How long will you be gone?” Although Xue Fanxin was unwilling, she understood that everyone had something to do. Even husband and wife could not be tied together at all times.

She could not ignore her cultivation just because she had Ah Jiu. On the contrary, in order to walk further with him, she had to work even harder.

If the two of them wanted to walk the path of life hand in hand, it would be tough if there was too much difference between the two.

Even if not for Ah Jiu, she had to work hard to become stronger for herself.

“At least a month, at most two months. I’ll leave Little Lei behind. He can guarantee your safety. When I’m not around, if you meet Su Baifeng, don’t fight her head-on. Avoid her as much as you can.”

“Why?”

She had wanted to tear Su Baifeng into pieces after coming out of the Spacetime Emperor’s tomb!

“The current Su Baifeng might not be the past her. She has a powerful vengeful spirit on her. You are no match for it.”

“A vengeful spirit? Is it the one from the tomb of the Spacetime Emperor?”

Although she did not know what kind of vengeful spirit was suppressed in the tomb of the Spacetime Emperor, she could sense it was powerful, so much so that even the Spacetime Emperor could only imprison it.

With her current ability, she definitely could not deal with it.

That Su Baifeng’s luck was extraordinary. She actually encountered a vengeful spirit at such a time. Indeed, a scourge lived for a thousand years!

Chapter 370: Little Lei’s Origin

Thinking of the vengeful spirit, Ye Jiushang had a bad feeling. For safety reasons, he took out a purple bracelet from his interspatial ring and personally placed it on Xue Fanxin’s hand. “This is the Purple Buddha Bracelet. It is a Dharma artifact that counters vengeful spirits. When I’m not around, you have to wear it at all times. You are not to take it off, and you can’t let others use it. I’ve set a secret technique on this bracelet. Only you can use it. Others might not even be able to touch it.”

The reason he did this was to ensure Xin’er’s absolute safety.

1

This girl was too kind. For the sake of her family and friends, she would take any risk. He did not want anything to happen to her, so he could only use this method to protect her.

“Ah Jiu, I know what you mean. Thank you! Do you have any other artifacts that have similar effects?” To not make him worry for her safety, she wore the Purple Buddha Bracelet obediently. She would think of another way to protect the others.

“There are some spirit talismans, but they are useless against powerful vengeful spirits. Furthermore, the method of using them is a little complicated. Your cultivation level is too low. You can’t activate the power of the talisman. It’s useless even if I give it to you.”

“Er... Am I that weak?”

“You just haven’t become stronger yet.”

Ye Jiushang was really good at talking. He looked oblivious to fancy talk, but every word and action of his could tug at one’s heartstrings.

Xue Fanxin leaned on Ye Jiushang’s shoulder. She stayed quietly with him and cherished the time they had together. “Ah Jiu, I’ll work hard to become stronger and fight alongside you.”

Ye Jiushang hugged her back, pulling her onto his body. He tilted his head slightly and pressed it against her head. “I believe you. One day, you will stand beside me shoulder to shoulder.”

“I’ll definitely become that person as soon as possible. Ah Jiu, I know that the Nine Cloud Palace is too far away from me. I won’t understand even if you tell me, so I won’t ask. But can you tell me Little Lei’s identity?”

“Little Lei?”

“Yes, Little Lei. I want to know his story.”

Ye Jiushang seemed a little hesitant. In the end, he said, “Little Lei is a little special. He’s not a human.”

“Then what is he?”

“To be precise, he’s not a complete human.”

“What do you mean? Can you be more detailed?”

“Little Lei’s father was the ancient divine beast, the Purple Lightning Divine Dragon. His mother was a human, so his bloodline was not pure. The Divine Dragon Clan could not tolerate his presence among them. His father found me and entrusted Little Lei to me. After that day, Little Lei’s father never appeared again. Little Lei has been following me ever since.”

“I see.”

No wonder Little Lei did not care about his parents. It was really as he had said. His parents did not want him anymore.

Poor Little Lei. If not for his strong willpower, he would not be so carefree and energetic.

“The Divine Dragon Clan values the purity of the bloodline the most. Even if Little Lei has their bloodline and the divine power of the Divine Dragon Clan has been awakened, they just can’t accept him. The Divine Dragon Clan is too mysterious. I was lucky to see them once, so I can’t help Little Lei find out what’s going on with his parents.”

If not for a coincidence back then, he probably would not have seen that divine dragon.

Perhaps this was fate. It was precisely because he had seen that dragon back then that he had entrusted Little Lei to him.

Actually, Little Lei was not bad.
