

Physicist 471

Chapter 471: Help Her

Not only was the spider lily blown away, but even Xue Fanxin and Ye Jiushang were the same. The two of them looked carefully and realized that they had returned.

“Ah Jiu, where is this?” Xue Fanxin was a little dizzy. She looked at the white space in front of her and had no idea where it was.

“This is your sea of consciousness. Don’t you know?” Ye Jiushang knocked Xue Fanxin’s head to wake her up.

“Sea of consciousness? This is my consciousness?”

“You haven’t started cultivating your divine sense yet, so you naturally don’t know about the sea of consciousness. Although your cultivation level is low, your talent is extraordinary and not something ordinary people can compare to. Knowing your sea of consciousness and cultivating the divine sense in advance shouldn’t be difficult for you. Your sea of consciousness is currently in chaos form. It’s the most powerful and mysterious form among all the sea of consciousness forms, but it’s also the most unstable. Whether the sea of consciousness in chaos form can become stronger will depend on your own fortune. It will be the strongest, and it will be the weakest.”

“I don’t quite understand.”

“You’ll comprehend in the future. Now is not the time to think about this. What do you plan to do with that flower?” Ye Jiushang looked ahead at the spider lily floating in the air.

It seemed like this flower was planning to stay in Xin’er’s sea of consciousness, wishing to use her power to protect its soul. If he was not wrong, that story just now was to gain their sympathy and make them willingly protect it.

No matter how tragic the woman called Luo Huaying was, it had nothing to do with him. He only cared about Xue Fanxin. If protecting the soul of this flower would harm Xin’er, he would never allow it.

“I seem to understand a little now. Because that woman called Luo Huaying was in love with her master, she suffered the punishment of having her soul destroyed. Later, that white-clothed man used some unknown method to protect a wisp of the Luo Huaying’s remnant soul, which is now in this spider lily. In that case, this flower is Luo Huaying.” Xue Fanxin was not stupid. She perceived a little after linking these things together.

Luo Huaying wanted to use her power to recover, or rather, someone wanted to use her power to help Luo Huaying.

She felt that the latter was more likely because the current Luo Huaying only had a little remnant soul left. It did not even have consciousness. How could it do these things?

Hence, someone must be up to no good.

If not for someone playing tricks, how could the spider lily appear in the Spirit Origin Mountain Range?

“It’s very difficult to protect an incomplete soul. It might absorb the power of your soul to nourish itself. After all, remnant souls are remnant souls. They no longer have their own bodies. When these remnant souls recover to a certain extent, if they have evil thoughts, they might possess you. Especially when they encounter a body with a treasure and extraordinary talent, not many remnant souls can resist such temptation.”

The more Ye Jiushang thought about it, the more he felt that this matter was too risky. Therefore, no matter what, he had to think of a way to extract the equinox flower out of Xin’er’s consciousness.

Just as he was thinking about how to get this flower out, he suddenly heard a voice.

“Help her.”

Xue Fanxin was extremely shocked. She shouted in surprise, “Master...”

Chapter 472: I Have Something to Say First

Xue Fanxin recognized her master’s voice. However, she did not understand why she could hear her master’s voice in her sea of consciousness.

“Master, is that you? Where are you?”

No matter how she shouted, there was no response from the surroundings. This made her think that the sound she had heard was an illusion.

If she was the only one who had heard it, it might have been an illusion, but it was unlikely that the two of them had both imagined it.

“Xin’er, was that person your master?” Ye Jiushang asked.

“Ah Jiu, did you hear Master’s voice too?”

Ye Jiushang nodded. He was certain that it was not an illusion. “I did hear it. If that voice is really your master’s, then this matter is probably not simple.”

He did not know who Xin’er’s master was, but someone who could let a soul pass through time and space was not simple.

“Master, what do you mean? Do you want me to help Luo Huaying?” Xue Fanxin could not obtain her master’s response and could only figure it out herself.

She was getting more and more confused about her master. She wondered what her master was up to.

“Senior, I don’t care why you insist on protecting a remnant soul, but I’ll say this first. If that remnant soul harms Xin’er at all, I’ll kill her.” Ye Jiushang’s tone was unyielding. It carried intense dissatisfaction, anger, and even killing intent.

He did not know where Xue Fanxin’s so-called master was, but he had a feeling that this master must know everything about Xin’er like the back of his hand. Perhaps he was hiding in a corner and watching them.

Whoever dared to hurt Xin'er, he would kill them and leave them without a burial place. Even Xin'er's master was no exception.

The elder, who was in a mysterious place, sensed Ye Jiushang's terrifying anger and killing intent. He could not help but tremble when he sensed his aura.

There were two other people beside him, and one of them was the white-clothed man in the Realm of Memory.

He was staring at Xue Fanxin through the water mirror. He was nervous and asked uneasily, "Are you sure that Huaying will be fine on that girl called Xue Fanxin?"

"Ruiyuan, please understand the current situation. It's not that Luo Huaying will be fine on Xin'er, but will Xin'er be fine with Luo Huaying on her? The reason we agreed to help you is because of the billions of lives in the Xiaoyao Domain. We don't want the people of the Xiaoyao Domain to be plunged into misery and suffering, so we let Xin'er take this risk. Just as Ye Jiushang said, if Luo Huaying dares to harm Xin'er or have ulterior motives, I, as her master, will personally make her soul dissipate without that punk surnamed Ye having to do anything. The evil deeds that your Xiaoyao Domain has done will be borne by your Xiaoyao Domain itself. We can't be bothered with the life and death of your Xiaoyao Domain."

After one of the elders finished speaking, the other elder said, "Ruiyuan, Xin'er is very important to us while Luo Huaying is only a stranger to us. Although she is worthy of sympathy, it is not worth us sacrificing Xin'er to fulfill her wish. I hope you can understand."

These two old men were the two who had appeared in the tomb. The two of them were not arguing but were on the same side. They both felt a little regretful.

They really shouldn't have agreed to this. After all, Xin'er had a special position. If anything happened because of this, they would be banging their heads against the wall.

Chapter 473: Believe Him Once

The white-clothed man was rendered speechless. Although he was still nervous, he felt that the man called Ye Jiushang was very dangerous.

Huaying was already weak and could not withstand any wind or waves. She had to be protected properly, or the remnant soul would dissipate.

Was entrusting Huaying to these people a wrong decision?

However, only the power of nirvana could save Huaying now. He had no choice.

He hoped that this girl called Xue Fanxin could save Huaying and the billions of living beings in the Xiaoyao Domain.

Xue Fanxin did not have so many considerations. She only knew that her master had asked her to protect the remnant soul in this spider lily, a pitiful young woman.

“Ah Jiu, forget it. Since this is Master’s idea, we’ll do as he says. This spider lily is in my consciousness, so there shouldn’t be any problem.”

“I don’t care whose idea it is. If it harms you, I’ll not allow them to exist.” Ye Jiushang’s attitude was firm. If not for the appearance of Xue Fanxin’s master, he would have long thought of a way to get rid of the equinox flower.

Xin’er had a supreme treasure on her and was a genius with an excellent foundation. If others found out about this, there would definitely be countless people spying on her. He could not let an unknown remnant soul stay on Xin’er forever.

“Don’t worry, I’ll be careful. If anything happens with that spider lily, I’ll kill her before you can do anything.”

Although the story of Luo Huaying was tragic and touching, it did not mean that she would sacrifice herself for a pitiful person. It was fine if she only paid a small price that she could bear, but if she hurt her roots or loved ones, that was impossible.

Xue Fanxin observed the spider lily carefully and realized that it was the same as the Supreme Badge in her dantian. It only stayed here quietly and did not affect her at all.

Perhaps she was thinking too much. Since her master had agreed to this, there shouldn’t be too much of a problem. How could her master harm her?

Ye Jiushang knew that this could only be put aside for the time being, so he did not say anything else. However, he had other plans.

After returning, the first thing he had to do was to find a way to deal with the remnant soul hidden in her sea of consciousness. Especially without harming her main body, he had to accurately and safely get that remnant soul out.

“Ah Jiu, let the nature take its course. Let’s not always think of things in a bad way. Perhaps there will be a good development. I choose to believe in Master and that he won’t harm me. Please believe in my master too. At least believe in him once.”

“Alright, I’ll believe him this once. I’ll let this equinox flower stay in your consciousness for the time being.” Although Ye Jiushang said that he believed her, he was still suspicious.

Perhaps he cared too much about Xin’er and could not tolerate anything happening to her; that was why he was so nervous.

No matter what the reason was, Xin’er was the most important. Nothing else mattered.

“Don’t worry, don’t worry. You have to believe me. In your opinion, am I someone who can be defeated so easily?” Xue Fanxin smiled playfully at Ye Jiushang and teased him, lest he always had a tense expression.

Ye Jiushang smiled helplessly and stroked Xue Fanxin’s head. He did not say anything.

Chapter 474: You’re the Most Useful

A bright red spider lily entered Xue Fanxin's consciousness just like that, but no one noticed that in the center of the spider lily, a beautiful woman in a red dress had slowly opened her eyes. She looked at the world in front of her in confusion and listened to the faint sounds in her surroundings. Her mind was blank, but soon, she closed her eyes and resumed her sleep.

Xue Fanxin had already left her sea of consciousness and returned to her main body. When she opened her eyes, she saw Little Lei staring at her. The young man's clear eyes were filled with sincerity.

"Hey, you're finally awake. You frightened me and Master just now. How can you faint just like that? How useless."

Although Little Lei was saying mean things, his tone was filled with concern.

"Yes, yes, yes. I'm useless. You're the most useful," Xue Fanxin retorted warmly. The feeling of being cared for made her feel happy. She swore to protect the people who had given her happiness.

She had a big heart and wanted everyone who loved her and the people she loved to be happy. Yet it was also very small. It could only contain the people she cherished. She couldn't care less about the others.

The wisp of divine sense that Ye Jiushang had sent into Xue Fanxin's consciousness had also returned. He first took a deep breath and adjusted the spirit energy in his body before opening his eyes. When he saw that Xue Fanxin was arguing with Little Lei, he was finally relieved.

After this incident, he understood that no matter how hard he tried to protect her, it was not as effective as Xin'er becoming stronger herself. Only when she got stronger could those monsters not hurt her.

It seemed like he had to spend more effort on Xin'er's cultivation path.

"My injuries are alright now. Let's return to the Lord's Estate," Ye Jiushang suddenly said.

Xue Fanxin was still bickering with Little Lei. Just as things were getting heated, she heard Ye Jiushang say that he wanted to go back. The duo did not react and stared at him in a daze.

"Ah Jiu, didn't you say that you wanted to play here for a few more days? Why have you suddenly decided to go back?"

"I want to settle the things here as soon as possible, then take you to the Mystic World. Only by going there can you really come into contact with the cultivation path, improving faster. Let's go, we'll go back now."

Ye Jiushang got Little Lei to cast a spell to bring them back to the Lord's Estate.

Of course, Little Lei followed the orders. Although he still wanted to play, he had to listen to his master. He could only take them to the Lord's Estate.

The Lord's Estate was not calm at this moment.

In the battle between Ye Jiushang and the Lord of the Nether City, half of the Lord's Estate had been destroyed. Such a huge commotion would definitely attract the attention of quite a few people in

Heavenly Saints City. If not for the fact that Xue Fanxin had caused a scene previously and that the Heavenly Treasure Trading Company, the four great clans, and even the three great sects stood up for her, after something happened to the Ninth Lord's Estate, some restless people would have already acted. There were some exceptions though

Over the past two days, Bai Wuchen had been visiting Xue Fanxin, but he was rejected for all kinds of reasons. Today was already the third time he had come to seek an audience. The outcome was still the same. In a rage, he barged into the Lord's Estate.

Zhuri led people to stop Bai Wuchen, but they were no match for him. All the Night Shadow Guards were beaten to the ground.

"I just want to see your consort. Can't I do that?"

"The consort didn't say that she wanted to see you, so that means no." Even if Zhuri had been defeated, he did not compromise. He glared at Bai Wuchen, looking like he could rush up and fight at any moment.

"What if I must see your consort today?"

"Then step over my corpse."

"You..."

Chapter 475: Unlucky Young Master (1)

Bai Wuchen only wanted to see Xue Fanxin and ask her for an answer. Who knew that meeting her would be so difficult? The people from the Ninth Lord's Estate blocked him left and right, refusing to let him in. Initially, he had wanted to patiently resolve this problem, but he was really angry today. His mind was a mess, and he started arguing with the people from the Lord's Estate. In the end, the matter blew up, and his anger surged.

To help that little woman, Xue Fanxin, he had not hesitated to mobilize the three great sects. After doing so much, did he not even have the right to see her?

Zhuri and the others did not spread the news that Xue Fanxin was not in the Lord's Estate. No matter who came to seek an audience, they rejected everyone with the excuse that she was in seclusion.

Bai Wuchen got furious after repeated attempts. Not only did he barge into the Ninth Lord's Estate, but he also fought. Many Night Shadow Guards were injured as a result. No one in the Ninth Lord's Estate was Bai Wuchen's match. Even Zhuri had been defeated.

"I must see your consort today, or I'll flatten this Ninth Lord's Estate."

Right then, Xue Fanxin happened to return to the Lord's Estate. Ye Jiushang was obviously here too. The moment he returned, he noticed the strange situation here. Although they were not present, with Ye Jiushang and Little Lei's ability, forget about a small Ninth Lord's Estate, they could sense even half of Heavenly Saints City if they wanted to. Therefore, they quickly knew who was causing trouble.

“Master, that Young Master Feces Pit is here. Should we throw him into the feces pit again?” When Little Lei thought of how Bai Wuchen had been soaked in the feces pit for a night, he found it funny. He couldn’t help but want to do it again.

This Young Master Feces Pit was really something. Of all people, he had to provoke his master. He was really stupid. He deserved to be unlucky.

“Young Master Feces Pit? Bai Wuchen is here?” Xue Fanxin’s cultivation level was not high, and her divine sense had not been cultivated, so she could not sense what was happening around the estate. However, after hearing Little Lei’s words, she could make a rough guess.

Presumably, Bai Wuchen, that guy with severe mysophobia and arrogance, was looking for trouble again. There was going to be a good show.

“Let’s go. I want to see if that Bai Wuchen wants to bathe in the feces pit again.”

Hearing Ye Jiushang’s sinister words, Xue Fanxin and Little Lei glanced at each other. Their bodies trembled as they mourned for a certain clean freak. That unlucky guy might end up in a feces pit again.

“Woman, do you think that Young Master is going to soak in the feces pit again?” Little Lei softly asked Xue Fanxin from behind.

Xue Fanxin replied in a low voice, “I think there’s an 80% chance. Ah Jiu doesn’t seem to be in a good mood.”

A certain lord was terrifying even when he was in a good mood, but when he was in a bad mood, he was like a demon from hell. Whoever provoked him at this time could only wait for death.

Bai Wuchen only knew that Xue Fanxin and Little Lei were related to the Nine Cloud Palace, but he did not know their relationship with it, nor did he know that a certain lord was the Lord of the Nine Cloud Palace. Therefore, he was still causing a ruckus in the outer courtyard. He had made up his mind to see Xue Fanxin today, or he would not let the matter rest.

But suddenly, he felt an incomparably powerful aura nearby. It seemed a little familiar as if he had seen it somewhere before.

Right, this was the aura of the Master of the Nine Cloud Palace.

Chapter 476: Unlucky Young Master (2)

A dignified and cold voice sounded. “I heard that you want to flatten my estate?”

These words were said calmly, and it was even a question, but it gave people the feeling that it was like the ice in the abyss of hell, able to freeze people until they trembled.

When Bai Wuchen saw Ye Jiushang, he was shocked. He asked in disbelief, “Master of the Nine Cloud Palace, why... why are you here?”

“This is my residence. Where should I be if not here?”

“Your residence, you...”

Bai Wuchen had already guessed Ye Jiushang’s identity, but he could not digest such important information for a moment. He was stunned and did not move. He looked at Ye Jiushang in shock as if he was looking at a terrifying person. His expression was twisted.

Oh my god! The lord of a small lord’s estate in the Tongxuan Realm is actually the master of the Nine Cloud Palace?

The dignified Master of the Nine Cloud Palace was not in his Nine Cloud Palace. He had come to such a small place to be a lord and imperial uncle. Was he playing a game of pretend?

This kind of game would kill people.

Perhaps things were not as he thought. Perhaps... Bai Wuchen still wanted to take a chance and think that the Lord of Nine Cloud Palace would not be wasting his time in a small country. However, Zhuri’s words destroyed his hope.

Zhuri got up from the ground and bowed to Ye Jiushang. “Greetings, Your Highness.”

Then, the other Night Shadow Guards knelt on one knee and bowed to Ye Jiushang. They shouted in unison, “Greetings, Your Highness.”

The Night Shadow Guards’ bow had already confirmed Ye Jiushang’s identity. He was the Ninth Lord of the Ninth Lord’s Estate and the Lord of the Nine Cloud Palace.

Bai Wuchen even had thoughts of dying. Ever since the feces pit incident two years ago, the Lord of Nine Cloud Palace had become the person he was most afraid of. It could even be said that he was his inner demon. He had once sworn that he would take a detour whenever he saw the Lord of Nine Cloud Palace in the future and never provoke him again. But today...

He really wanted to kill himself.

Wait, it didn’t seem to be that simple.

Bai Wuchen thought of something. He looked at Xue Fanxin, who was standing beside Ye Jiushang, in extreme horror. He wanted to bang his head against the wall even more now.

If the Master of the Nine Cloud Palace was the Ninth Lord, then wouldn’t Xue Fanxin, the Ninth Consort, be the mistress of the Nine Cloud Palace?

Back then, the mistress of the Nine Cloud Palace had personally come to visit him, but he had despised her for being dirty and even attacked her. If not for something that had happened later that made him change his mind, he might have already offended the two most important people in the Nine Cloud Palace.

“You... you guys...”

“Young Master Feces Pit, long time no see. How have you been?” Xue Fanxin greeted Bai Wuchen with a sinister smile.

Bai Wuchen panicked even more, almost falling from his wheelchair. If not for the attendant beside him helping him stabilize the wheelchair, he would have really fallen.

The attendant beside him knew that the person his Young Master was most afraid of was the Lord of the Nine Cloud Palace. In the past, once he heard that the Lord of the Nine Cloud Palace had appeared somewhere, he would never go to that place. Unexpectedly, when he went out this time, not only did he meet the Lord of the Nine Cloud Palace, but he also provoked him.

Their Young Master was really unlucky. They wondered if the Nine Cloud Palace would throw their Young Master into a feces pit again.

With the temper of the Lord of Nine Cloud Palace, there was an 80% chance that it would come true. Therefore, they had to be mentally prepared.

Chapter 477: Unlucky Young Master (3)

Bai Wuchen held some status in the Mystic World. However, when he saw Ye Jiushang, he lost his wits. That was why he was so panicked. He quickly controlled his emotions and relied on his willpower to maintain his composure.

“I didn’t expect the lord of a small Heavenly Saints Empire in the Tongxuan Realm to be the master of Nine Cloud Palace. This really shocked me!”

“What I like to do has nothing to do with Young Master Wuchen, right? Just now, Young Master Wuchen said that he wanted to raze my Lord’s Estate. I really want to ask how you want to do that.” Ye Jiushang did not give Bai Wuchen a chance to change the topic.

He was in a bad mood today and was worried that he had nowhere to vent. He had not expected this Young Master Feces Pit to come knocking on his door and help him vent his anger.

“I was just saying it out of anger. Why take it seriously, Your Highness?”

“But I took it seriously.”

“Well...”

“I heard that when I was not around, you bullied my woman.”

“No, that’s not what happened...”

“I heard that you despise my woman for being dirty?”

“No...”

“Then I want to see how clean you are.” Ye Jiushang did not give Bai Wuchen a chance to explain. As soon as he finished speaking, he waved his hand and sent out a powerful astral wind, sending him flying with his wheelchair.

Bai Wuchen knew that Ye Jiushang would attack, so he was already prepared. However, he had never expected his strength to increase so much after two years. He could not resist at all. His entire body was swept away. He spun in the air for a long time with his chair before finally falling into an extremely disgusting feces pit.

“Ah... It’s so dirty, so dirty, so dirty, ah...” Bai Wuchen let out a sharp cry. He wanted to leave this feces pit immediately, but he realized that he could not move. What had happened two years ago had repeated itself, making him almost go crazy.

This damned Lord of Nine Cloud Palace. Did he have to bully people like this?

“Ah... Ye Jiushang, you bastard. I’ll remember you.”

As Bai Wuchen’s screams spread, the people nearby ran over to take a look. When they saw a decent-looking young master soaking in a feces pit, they all asked in confusion, “Young Master, how did you fall into the feces pit?”

“How could a person casually fall into a feces pit? Furthermore, this feces pit is so remote. Not many people come here. How could he have fallen into it so easily?”

“Aiyo, it stinks!”

“All of you, get lost...” Bai Wuchen was so angry that he was about to lose himself. He wished he could bite his tongue and commit suicide. However, he could not do that. He could only continue to soak in the feces pit and curse Ye Jiushang thousands in his heart.

“This damned Ye Jiushang. Just you wait. I’ll definitely...”

Definitely what?

Bai Wuchen did not say anything else because he did not know what to say.

He knew very well what kind of existence the Nine Cloud Palace was. With just their Bai family’s strength, they were unable to contend with it. Furthermore, he was the one who had provoked them first. No matter what he said, he was in the wrong.

“Ah... Damn it, I’m so angry.”

Bai Wuchen’s followers were still in the Ninth Lord’s Estate. Looking in the direction Bai Wuchen had been sent flying, they thought to themselves, “Young Master is very unlucky!”

Chapter 478: Complete Ending

Although he was far away, Ye Jiushang could still hear Bai Wuchen’s heart-wrenching cries. However, he chose to ignore them. After sending that brat flying, he felt much better.

There were indeed some benefits to venting.

At this moment, apart from Bai Wuchen’s followers, everyone present felt refreshed, especially Little Lei. When he used his divine sense to see Bai Wuchen soaking in the feces pit, he could not help but laugh wildly. “Haha... Young Master Feces Pit is soaking in the feces pit again. Haha... It’s really too funny.”

Zhuri and the others did not know what was going on, but after hearing Little Lei’s laughter and words, they could already guess.

Presumably, that Young Master Wuchen was in a miserable state. To soak in a feces pit, even ordinary people could not bear such a thing, let alone a clean freak.

Ye Jiushang did not care how miserable Bai Wuchen was. He did not waste his time on this person. Now that he had returned to the Lord's Estate, he should start doing what he had to do. He had to finish things here as soon as possible and then take Xin'er to the Mystic World.

"Zhuri, has the Ghost King done anything recently?"

"Your Highness, there hasn't been much activity from the Ghost King recently. Although he saved Zhuiyue and Yi Fentian, he hasn't used them to do anything until now. I sent people to investigate the whereabouts of these two, but I couldn't find them. Previously, Little Lei chased after the Ghost King and brought back two people who were poisoned. If the consort hadn't reacted in time, I'm afraid..." Zhuri felt a lingering fear when he thought of the two people who had been reduced to poisonous blood that day.

He had always known that the Ghost King and their lord were not on good terms. However, the two of them had never fought openly. So he assumed that the Ghost King was afraid of their lord.

But he did not think so now. For the Ghost King to use such a terrifying method, he was definitely not a simple person. Perhaps he was planning something major.

Upon hearing about this Ghost King, Xue Fanxin felt depressed. Although she had never seen him, many things around her were related to this Ghost King. Especially the matter of Yi Fentian made her furious.

Keeping that Yi Fentian alive would definitely be a huge disaster. Initially, she could get rid of this potential disaster, but that Ghost King just had to come and cause trouble. How infuriating.

"Ah Jiu, the Ghost King saved Yi Fentian. I don't want to keep this person, so I hope you can help me." Xue Fanxin had never asked him to help her get rid of her enemy. She liked doing it on her own. Sometimes, Ye Jiushang would lend her a hand, so this was the first time she had taken the initiative to ask him for help.

With her current ability, she had no way of getting rid of Yi Fentian. The longer she kept him alive, the more troublesome it would be. She could only seek help from Ah Jiu.

With Ah Jiu around, he should be able to get rid of Yi Fentian as soon as possible, right?

"Don't worry. I'll help you," Ye Jiushang said coldly. The cold was not targeted at Xue Fanxin but Yi Fentian.

He had returned this time to end everything here. Even if Xin'er did not mention it, he would not let Yi Fentian off.

Since it was over, he had to settle everything cleanly and leave no future trouble.

If the Ghost King insisted on protecting Yi Fentian, it would be difficult.

Chapter 479: The Peak of the Mystic World

For some reason, the news that Ye Jiushang had thrown Young Master Wuchen into the latrine had spread. But the identity of the Lord of Ye Jiushang's Nine Cloud Palace was miraculously concealed. Not many people knew of it. Apart from a few trusted aides, even very few of the Night Shadow Guards in the Ninth Lord's Estate were aware of his other identity.

Xue Batian, on the other hand, knew. He was even more curious about Ye Jiushang's identity. During dinner, he asked, "Little Ye, what kind of identity is the Lord of the Nine Cloud Palace? I don't know you very well now. I'm not at ease handing my precious granddaughter to someone I don't know."

Before Ye Jiushang could answer, Xue Fanxin was anxious to explain for him. "Grandpa, I believe in Ah Jiu. No matter what his identity is, he is Ah Jiu. That's enough. Nothing else is important."

"Little brat, you're always on his side. Be careful not to suffer."

"Since I've chosen him, I have to trust him. True feelings have to be built on trust between each other, or problems will easily arise."

Ye Jiushang was touched and said, "Grandpa, my identity is a little complicated. It's not something that can be explained in a few words. Nine Cloud Palace is a force that I established at the peak of the Mystic World. In the future, I'll take you there."

"The peak of the Mystic World?" Xue Batian was shocked. He looked at Ye Jiushang in a daze, making everyone a little puzzled and nervous. Unexpectedly, he suddenly turned into an old urchin and said with a smile, "Future grandson-in-law! No matter where you go, you can't abandon an old man like me, okay?"

He had a feeling that following this grandson-in-law would definitely broaden his horizons.

The peak of the Mystic World was the highest place on the Tongxuan Continent. For people like them in the Tongxuan Realm, no one had been able to go to that place for hundreds or thousands of years. Many people did not even know that such a place even existed.

If he had not accidentally heard his parents mention it when he was young, he would not have known about it.

He had not expected to have the chance to go to the top of the Tongxuan Continent at his age. Just the thought of it made him excited.

"Grandpa, don't worry. No matter where I go, I'll take you with me. I won't leave you alone." Xue Fanxin only cared about Xue Batian. They had been together for so many years, so she could not leave Grandpa alone.

"Alright, alright, alright. Haha... I didn't dote on you for nothing." Xue Batian was too happy and kept laughing. He suddenly noticed that Little Lei was very quiet today, so he asked, "Little Lei, why aren't you saying anything? Are you in a bad mood?"

"I'm in a very good mood, but... you guys continue chatting. I'll continue eating..." Little Lei took advantage of the fact that everyone was chatting and kept eating. His mouth never stopped. He wished these people could talk more so that he could eat more.

If he went to the Mystic World in the future, that idiot woman would be busy cultivating. It might not be easy to eat the delicious food she made, so he had to eat when he had the chance.

Only then did Xue Batian realize that the dishes on the table had almost been cleaned. He immediately snatched the food from him. "You brat, you actually want to eat alone. How detestable. This plate of red braised meat is mine. You're not allowed to eat it again."

"Why? Is your name on it?"

"I'll write it down."

"Then we'll talk about it when you can write it." Little Lei flashed, snatched the red braised meat over, and started eating it quickly.

Xue Batian was indignant. "Return the red braised meat to me."

The old and young started to snatch food again.

Chapter 480: Raising a Tree with Blood

After dinner, Ye Jiushang went to do something else. He did not tell Xue Fanxin about it, only saying that he was going to the palace. She did not ask further. After eating and drinking her fill, she went to the Reverse Spirit Heaven Wheel's space.

Previously, she had planted quite a few fruits and vegetables in her space. Unexpectedly, in just a few days, they had all grown up and could be eaten.

"Do things grow faster with Breathing Earth?" Xue Fanxin plucked and stored all the ripe fruits and vegetables. Then, she turned the soil over and planted new seeds to see if they would grow faster this time.

Next, Xue Fanxin went to the side of the Tree of Life and watered it. "Little Divine Tree, I really have to thank you. If not for you, Ah Jiu might still be in a life and death crisis. You have to grow up quickly, so I can help Ah Jiu..."

Xue Fanxin suddenly recalled how the spider lily had bitten her finger and drunk her blood... If she let the Tree of Life drink her blood, she wondered what would happen?

Her blood contained the power of nirvana. Just by hearing the name, one could tell that it was a good thing. Why not give it a try first? Even if it had no effect, it shouldn't have any negative consequences, right?

Xue Fanxin pierced her finger with a silver needle and dripped a drop of her blood onto the Tree of Life. Then, she observed it carefully for a while. However, even after looking until her eyes were sleepy, she did not gain anything. She thought that her blood should be useless to the Tree of Life, so she went to sleep and forgot about it.

While Xue Fanxin was busy collecting and planting vegetables, Ye Jiushang was playing chess with the Heavenly Saints Emperor in the palace.

The Heavenly Saints Emperor faced Ye Jiushang with incomparable nervousness and panic. His entire body was drenched in a cold sweat, and his hand that was holding the chess piece was trembling. Even though Ye Jiushang was playing chess with him calmly, he was still so frightened that he was shaking like a leaf.

Back then, he had believed Su Baifeng's words and made things difficult for Xue Fanxin. He had not expected Ye Jiushang to come looking for him so quickly. It was really... depressing!

"Jiushang, you came to look for me so late at night. It should be about Xue Fanxin, right? That matter was indeed my fault. I shouldn't have listened to Su Baifeng's slander, nor should I have had any crooked thoughts. However, I've already mediated with Xue Fanxin. I hope you..."

"I'm not here for that." Ye Jiushang knew that the Heavenly Saints Emperor had attacked Xue Fanxin when he was not around.

If not for Xin'er having negotiated with Heavenly Saints Emperor, how could he have let him off so easily?

The Heavenly Saints Emperor relaxed a little, but he was still nervous. "Then why are you here tonight?"

"I'm here about Consort Qi."

The Heavenly Saints Emperor was so frightened that his hand trembled. He lost his grip on the chess piece, and it fell onto the chessboard, disrupting the game.

Ye Jiushang ignored it and continued to play his game. "You've watched so much drama for so many years. You've seen enough, right?"

"I... I don't understand what you mean."

"Do you not understand or are you unwilling to understand? The reason I kept the Ghost King alive until now is not that I can't kill him but because I don't want to take the blame for others. There is another reason for Consort Qi's death, and she has another identity. If she had not begged bitterly back then, I would not have hidden the truth for you until now."

"What... what are you talking about?" The Heavenly Saints Emperor panicked even more. He looked at Ye Jiushang in extreme fear as cold sweat flowed down his forehead.

If the Ghost King knew the real cause of Consort Qi's death, he would be dead.
