Chapter 3571

Levi Feels Pressured

Gloria stood with her chest puffed up and her hands clasped behind her back as though she was the almighty.

A fearsome aura crashed into Bone Grandmaster and Xylas like a tidal wave, keeping them down on their knees.

“Congratulation to Lord Gloria in conquering the world for generations to come,” they chorused.

The world is now ours.

“Rise!”

Gloria waved her hand haughtily, enjoying the feeling of being admired and worshiped.

“Xylas, you have devoured some energy from the deviant clan’s spiritual ley line. Has there been any progress in your cultivation?” Gloria asked.

Even though Gloria had drained the essence of the Cetus’ spiritual ley line, Xylas was the one who devoured the leftovers.

Xylas reported, “I’ve achieved breakthroughs in my cultivation, Master. I’m confident I can defeat Forlevia now.”

The Whereabouts Of The Minister

Even if Forlevia utilized the power of the universe, she might still end up badly injured.
After all, the gap between their abilities was too huge.
“If she successfully devours the spiritual ley line of the Cetus, she will be quite impossible to control!”
Levi massaged his temples.
His head was starting to hurt.
Back in the Ecclesiastic Order.
Ever since that upheaval where the core elites either ended up dead or injured, the various factions had decided to work together no matter what.
However, it was every man for himself again right now.
“Xylas is already so strong. How terrifying can the mysterious woman behind him be?”
“Apparently, even Levi cannot hold them back any longer. No wonder he is always rushing us to find the spiritual ley line of the Cetus.”
“If Levi is also scared of them, then how about us?”
“Maybe, we should consider joining the superpower that has emerged recently?”
All of them started whispering among themselves.

After receiving his order, there was an uproar among the high-rank officials of the Holy Guild.
They were delighted to hear that.

“There’s actually news from the Minister?”

“The Acting Minister will not joke about such matters.”

“It looks like there’s hope for the Holy Guild now.”

Nigel agreed with them too.

The fact that the seal had lit up meant that the Minister was still alive.

Nigel had also sent out a summary report of the ongoing matters of the Ecclesiastic Order and the Holy Guild.

He believed that the Minister must have received his message.

Perhaps, he would return very quickly to salvage the Ecclesiastic Order.

When the Minister left the Holy Guild, his cultivation level had already attained perfection.

After so many years of cultivation, he must have reached a new high.

Once the Minister returned, he would restore the Holy Guild to its former glory.

When that happened, no one had to be afraid of that superpower anymore.

Gloria Has Completed The Devouring Technique

Hiss! Floyd inhaled sharply and prayed that the devices would light up in the near future again.

In the center of Mount Cetus, Gloria’s devouring of the spiritual ley line had intensified.

Gloria continued to wield the devouring technique. It was as if she was equipped with a large engine in her body that kept extracting the energy from the spiritual ley line of the Cetus.

Vroom! Vroom! Vroom!

As the energy of her devouring increased, a black light flashed around Gloria’s body.

That dark and violent energy seemed to be able to devour everything.

“It’s about time. Another four hours, and the devouring process will be completed.”

With that, Gloria shut her eyes and increased the process of the technique.

The black flash became even more violent.

The spiritual ley line turned into fine powder upon contact with the flash.

Hiss! Hiss! Hiss!

As the core, Gloria’s body had turned into a gigantic energy vortex as the speed of the extraction of the spiritual ley line became faster.

The energy within the spiritual ley line was swept away in an instant and rushed into Gloria’s body rapidly.

Xylas, who was guarding Mount Cetus, was shocked beyond words.

Before she could finish her sentence, Gloria was shrouded by the Heavenly Thunder.

It was a blinding sight.

Xylas and Bone Grandmaster did not dare to directly look at it.

The destructive oppression made them feel the urge to get onto all fours to prostrate before it.

Crack!

When the Heavenly Thunder boomed, a wave of electricity surged through the surroundings.

However, that lasted just for a brief moment before peace returned.

When Xylas snapped his head upward, he saw Gloria floating midair.

Above her head were merely the remnants of the electricity.

The thick bolt of Heavenly Thunder was gone!

“Where did the Heavenly Thunder go?”

It was then Xylas studied his surroundings and found out that the sky was clear again.

The dark clouds, lightning, and thunder were all nowhere to be found.

Beyond His Control

Anyone who dared to question her would face the grim reaper.

Levi, The Ecclesiastic Order, and Yartran. Just you wait. I’m going to be your worse nightmare.

Following the seal, Nigel had brought dozens of elites and came to a plot of barren land in the north of Erudia.

“Sir, we can’t find a single soul in the area. Could it be that the seal has made an error? The Minister couldn’t have encountered trouble, right?”

The people who were all filled with delight earlier were all dispirited.

The Minister was their pillar of emotional support and their last hope.

Yet, it seemed like their lead had led them nowhere—their Minister was still nowhere to be found.

The people were disappointed.

Nigel then uttered, “The Minister was looking for the legendary world. Perhaps this place is related to that.”

The people did not reply to that, for the world was only talked about in the legends.

They were more concerned about the Minister’s whereabouts.

“All right, let’s not get disappointed. Maybe the Minister has something more important to do. Soon, he’ll return to us.”

Acting Minister could only temporarily reassure his people in

Even I Am Uncertain

The people of the Ecclesiastic Order and the Holy Guild had no choice but to heed Levi's order despite
their disgruntled feelings.

Even though they had discovered news about the Minister, the Minister never appeared.

Levi was still their mightiest support.

The pressure the mysterious woman and Xylas had on them was far too great.

“Don’t worry, Mr. Garrison. We definitely will do that,” said Nigel without a trace of hesitation.

Levi was currently the only being who could go against the mysterious woman.

That was why the Holy Guild was tempted to have Levi deal with any troubles they encountered.

That way, it would be unlikely that they would be targeted and crushed.

After making all the arrangements, Levi dashed back to the base.

He then informed the others about how the mysterious woman had devoured the Cetus’ spiritual ley line.

Levi Misses His Mentor

Forlevia reckoned it was high time to try and sound Floyd out again.

Meanwhile, Floyd was strolling aimlessly around the cultivation base in the underground base.

He was overcome with the dismal thought that everyone had abandoned him.

Azure Dragon and the others had been avoiding him these past few days.

Similarly, it had been a few days since Zoey and Forlevia looked for him.

Ever since Levi returned to the base, he had been busy constructing the defensive formation and did not look for Floyd either.

The others at the base were also swamped with other things and did not trouble Floyd.

Floyd was somehow coming to terms with the cold treatment.

After all, before he could confirm if the leak of the technique book had anything to do with Gloria, he did not have the heart to do anything else.

Floyd could live with the others treating him as if he did not exist. However, he could not come to terms with the fact that Gloria had disappeared without a trail.

Not only was he not able to contact her via text messages, but even those from West Pavillion did not know where she went.

Floyd had tried to find out where she went from multiple sources. Then, he managed to find out about the multiple men who allegedly had intimate relationships with Gloria.

To Extremes

A sense of impending doom filled everyone's hearts.

Not only were they of no help to Levi when the enemy was about to strike, but they had also become his burden.

Knowing that they were not strong enough to back Levi up, the others wallowed in guilt.

"If I had been more diligent in my cultivation practice, I might be able to help out now."

"If I had listened to Boss, I would not have lost my spiritual bone and let Xylas get his way."

"If we had been more accomplished in cultivation, we would not have become Boss' liabilities."

Azure Dragon and the others were anguished that they were of no help to Levi.

Even Floyd, who was feeling down, shared their sentiments.

"If I were stronger, not only will I be able to help Master defeat his enemy, but I will also truly gain Gloria's favor. I'm a useless man. Why am I still alive for?" Floyd said as he punched the ground repeatedly.

His fist was already bloody from the punches, but he did not seem to realize it.

Are You Willing To Die

Meanwhile, the network of intel that Azure Dragon and the others had set up reported a few key information.

They had discovered a dozen spies that had been mistaken as the Esoteric Guild by the Holy Guild.

They were all intricately related to Gloria, so much so that they were willing to die for her.

As a matter of fact, they were not spies, and they had never done anything to harm the Ecclesiastic Order.

Whatever they did, they did it to protect Gloria.

Hence, they had been under the radar of the Ecclesiastic Order.

The network of intel had their hands on the evidence that the “spies” were working for Gloria, but they still lacked concrete evidence that Gloria was the alleged mysterious woman.

Kirin, who always spoke his mind, looked for Floyd.

“Floyd, are you willing to die for Gloria? I want you to answer me honestly,” Kirin demanded.

“Yes,” Floyd replied without hesitation.
