Chapter 4031 Settle The Score

Over at Void Sect, everyone looked dispirited and unkempt after receiving the two warning arrows Levi sent toward Eclipse and Eclipse Academy.

Gloria had also returned to Void Sect from Eclipse. At that moment, she was in charge of the entire sect. However, she couldn't bring herself to feel happy.

She was infuriated because she had to use a lot of magical herbs to restore her original appearance after the robber almost disfigured her.

However, she didn't dare to take revenge because of how strong the robber was. At the same time, she was worried that others would find out about her framing the robber. She had been feeling utterly frustrated.

Fortunately, Heptino would occasionally give her dragon ley lines to help her cultivate. That was how she had been keeping her mood lifted.

Suddenly, Heptino rushed in excitedly and said, "Gloria, Lord Long is back! Let's welcome him!"

Gloria's heart skip a beat, but she managed to keep a straight face. After that, she followed Heptino out to welcome Roy.

Soon, they saw Roy coming out of a cloudship, dressed in a robe. He was also holding a long sword in his hand.
