Chapter 661

The Lopez family in South City did not expect the Southern Union to come after their blood.

The most important thing was that they had nothing to do with that matter.

And now, the Southern Union's army was at the Lopez residence, quickly defeating the guards stationed at the Lopez mansion were quickly defeated.

Patriarch Leon Lopez, the eldest brother of Sebastian Lopez, hurriedly brought the entire Lopez family outside.

The outside of the luxurious manor was densely packed with members of the Southern Union, and they were all dressed in red.

Six masked men, who stood in front of the crowd, were carrying a crystal coffin.

The first four brave men standing in front glanced at everyone in the Lopez family with a domineering look. They were preventing the Lopez family members from running away.

Behind the huge crowd, a car was heading towards them. The word "Heimler" was engraved on the car.

The Lopez family fell into a frightened silence.

They were completely bewildered.

Who could these people be?

Since the fall of Sebastian Lopez, the Lopez family had laid low and stayed away from unwanted attention.

They had never encountered any enemies thereafter.

Why then was there such a powerful adversary at their doorstep?

"Who...who are you people?" Leon Lopez asked, trembling with fear.

"Johnny Lawrence, of Southern Union."

Hades chuckled, “God of War, you and your wife are on the list. By then, you will all be buried alive.”

“How bold of them to threaten to bury me,” Levi sneered.

Azure Dragon and Kirin laughed. “God of War, the Southern Union is indeed powerful. They are completely different from the Gates family and the Caesar family.”

“That’s right. They are more organized.”

“Grover can gather the disciples of Southern Union from all places, with just a wave of his hand.”

White Tiger smiled insolently. "Very well. The funeral is in three days? Then, I will fight them all the way to the end. Oh, and this time, you can't transfer your men to do your bidding." White Tiger pleaded.

"Yes, I won't. I have a plan in mind. We'll talk about that later."

Levi had earlier on mapped out a strategy for a situation such as this.

"Hades, I'm assigning you to protect my wife. She has finally settled down in her work, so I don't want her to know anything about this or to be disturbed," Levi ordered.

"Understood. I will risk my life to protect her."

In the narrow and dark alley.

Hades and the Southern Union's Four Kings attacked one another.

Southern Union had always prided themselves to be a homage of strength.

There were three ways to obtain a high position.

First, martial arts.

Second, financial resources.

Third, brains.

To possess one of the criteria was frightening enough. What more if someone possessed all three criteria.

There was a way of saying in the Southern Union about the Four Kings and the Eight Slaves that represented the three most powerful echelons.

The strength of the Four Kings was unmatched, and that was the key to the Southern Union's expeditions, resulting in countless territories being claimed.

Thump! Thump! Thump!

Boom! Boom! Boom!

In the long and narrow alley, an earth-shaking battle was going on.

Both sides of the alley walls collapsed from the fight. Even the surrounding buildings, one after another, were extensively damaged.

Hades was able to fight off the Four Kings. But gradually, he with similar strengths. With the four of them combined, he

The disciples of the Southern Union burst into laughter from what the old man had said.

“Forbidden? For people like us in Southern Union, there is no place where we can’t set foot in.”

“Young men, listen to me. You have no right to enter this area,” the old man persuaded.

The old man was not only a gatekeeper but a veteran as well.

“We are going in. So what are you going to do about it?”

The Southern Union’s martial arts masters stepped further in brazenly.

“This lot has a death wish.” The old man sighed in exasperation as he watched the men’s retreating shadows.

As the men went further in the area, people along the way persuaded them to leave, emphasizing that this was the forbidden area.

This puzzled the Southern Union’s martial arts masters.

Very quickly, they reached the Warzone compound.

“Look, it’s Zoey’s car. They are here.”

After seeing a car that was parked at the entrance, one of the martial arts masters exclaimed.

Just when they were about to rush in, a man suddenly appeared in front of them. He was casually dressed and holding a cigarette between his lips.

Grover was fuming mad. "I don't care if it's a forbidden area. Bring them back to me!"
The Southern Union was known to be arrogant and self-confident about themselves.
Thus, it wouldn't make sense for them not to enter a small city like South City.
To them, this was all just a joke.
With that, the Four Kings said, "Master, we promise to bring them back here."

Immediately, Johnny and Yadriel of the Four Kings led hundreds of martial arts experts to that particular block.

“Attack!”

Johnny’s eyes flashed, and with a wave of his hand, he sent hundreds of martial arts experts into that block.

The men approached closer to the Warzone compound swiftly, preparing to infiltrate.

It was a spectacular sight.

Soon, the men came to a crossroad.

“Left, left, left, right, left...”

But at that moment, they heard loud commands being shouted out.

The other three Kings immediately turned to look at him and asked anxiously.

"I don't believe she will hide here forever. We'll just wait here until she comes out," Johnny said.

"Sounds like a plan. That's all we can do for now then."

Yadriel ordered his men, "All of you stay undercover here, and keep an eye at all times. Notify me immediately once she comes out from hiding."

Soon after that, the Four Kings returned to the Lopez residence and updated Grover on what happened.

Grover was furious. "What? Hiding in the Warzone compound? That's outrageous! You ordered your men to be undercover near the Warzone compound without consulting me. Did you think that I couldn't think of any other way?"

"Master, if we were to fight with them, we're as good as dead," his students immediately consoled him.

They were actually afraid that Grover would charge over without thinking.

"Master, we can't be too impulsive."

"The only option now is to wait. Sooner or later, she's bound to come out from hiding," Johnny said.

Grover sighed heavily, his face contorted in anger.

Chapter 667

The Southern Union had a total of thirty-nine branches scattered around the southern region of the country.

On that very day, all members of the union gathered to attend Jacky Lawson's funeral.

"I'm Walter Holton from Bellwater, and I'm here to see Mr. Lawson off! Mr. Cooke, I'm sorry for your loss."

"I'm Frank Carson from Faircrest, here to see Mr. Lawson off! Mr. Cooke, please accept my sincere condolences!"

"I'm Tommy Johnson from Dawnfrost, and I'm here to see Mr. Lawson off! Mr. Cooke, please don't be too sad and take care!"

...

Not only the members of the Southern Union were there, but even all the big shots from the southern region of the country were also there to attend the funeral too.

In comparison to them, the families from Quebec did not even have the right to be there.

This showed how huge and respectable an organization the Southern Union was.

But if the funeral were held in South Hampton, the event would be several times more crowded.

Meanwhile, Grover had been looking ominous throughout the whole process.

He had been much bothered by his failure to capture Levi, Zoey, and Sylas here himself.

“Grover, all the guests are here,” Johnny whispered next to his ear.

The voice was loud and clear enough to be heard by everyone.

In an instant, it caught the attention of all members present there.

Right then, two figures emerged at the door of Lopez Villa.

It was Levi and White Tiger.

Even Grover appeared genuinely surprised to see them there because he didn't expect Levi would actually be here.

"They've got some guts! Johnny sneered.

"I suppose he's trying to bear the responsibility himself so that his wife won't get implicated," Yadriel opined.

"That seems to be the case because I can't see any other reason for him to be here."

Under the watchful gazes of nearly two thousand people, Levi and White Tiger made their way into the mourning hall one step at a time.

At last, they stopped around ten meters away from Grover.

Levi questioned, "Are you Grover Cooke, the leader of Southern Union?"

"Yes, I am!" Grover nodded at him before he bellowed, "Don't you think you should get on your knees now?"

"Why should I do that?" Levi countered.

"You killed my disciple as well as my other subordinates! Now, you must kneel in front of him to repent your mistakes. He shouldn't have died!" Grover yelled at the top of his lungs.

Chapter 669

Everyone gasped in shock when they heard him.

Most of the martial arts masters of Southern Union were a bunch of cocky men themselves, but even they had not come across someone as arrogant as the two.

Did White Tiger just threaten to kill them all on his own?

How prominent his martial arts skill must be to be so full of confidence?

"Today, I'll leave my buddy here to handle you guys. His failure will be deemed as mine!" Levi declared with a smile.

"Very well. I must say your attitude is admirable, young man!"

Shortly later, Grover waved his hands at his men and shouted, "Guys, kill him!"

"Joshua, the Iron Fist, from the thirty-sixth branch of Southern Union volunteering for this mission!"

"Gregory, the Golden Sword, from the seventeenth branch of Southern Union reporting for duty!"

"Finnley, the Crippled Man, from the twenty-eighth branch of Southern Union volunteering for this mission!"

...

Immediately all the martial arts masters of the union were fervently asking to be assigned the mission.

Meanwhile, White Tiger beckoned them over and barked, "You guys may fight me together!"

"He's clearly tired of living!"

Soon, around ten martial arts masters of the union charged toward him.

Chapter 670

Being the leader of the Southern Union, Grover managed to detect some issues after observing the battle the whole time.

In fact, martial arts skills were learned to kill instead of to perform.

Therefore, all the martial arts masters of Southern Union were taught only moves that were lethal enough to kill.

Yet, he found that White Tiger's moves were simpler yet more efficient.

None of his moves were redundant, and every movement of his was capable to kill.

Anyone who was attacked by him would end up either getting injured or dying.

Also, he noticed that White Tiger's movements were more inclined to practicality.

Anyone who knew enough about martial arts could discern that White Tiger's moves were honed to be both efficient and practical through countless battles.

In short, only someone from the army could have such a straightforward combat style.

Immediately, Grover realized that Levi and White Tiger must be two prominent fighters from the army.

At first, he only assumed Levi and Zoey were protected by the army, but little did he know, Levi turned out to be from the military himself.

The rest of the members of Southern Union took a sharp intake of breath when the truth struck them.

"You're really observant!" White Tiger complimented in astonishment.
