Jasmine felt extremely indignant. Her eyes reddened and she was dumbfounded. She thought that the Jackson Group's clarification meant that Gabriel had decided to cut ties with Gina. But, it didn't seem to be the case.

She thought that she finally had a chance to regain Gabriel's heart.

Gabriel chased after Gina. He went forward to grab her a** and she was forced to stop. She turned around, her gaze falling on the hand he was holding onto..

Let go," Gina said calmly.

At that moment, Gabriel's heart ached.

He thought, "Is Gina despising me? Because Jasmine had hugged me just now.

However, Gabriel let go as he did not want Gina to feel uncomfortable.

"Gina, didn't you say that you wanted to come over and take a look around? I haven't shown you around yet. Don't go."

Gabriel's tone was very gentle.

This was the first time Gabriel's secretary, who was just watching the show, heard Gabriel speak to a woman with such a gentle tone. Her eyes almost popped out of their sockets.

"I shouldn't disturb you if you're busy, Gina said.

"No, I'm not busy at all. There was a hint of anxiety in Gabriel's tone. He took off his suit jacket and threw it to David. He instructed. "Throw that away."

Jasmine felt as if her heart was about to break when she saw this.

She thought, "Does Gabriel dislike me this much? It's all because of that bh **Gina!**

Jasmine took a deep breath angrily and yelled at David, "Don't throw it away!"

David looked at Jasmine in surprise and said speechlessly, "Miss Bush, I'm not your assistant." In other words, there was no need for him to listen to her. He would throw it away since Gabriel had told him to. He threw the suit jacket into the trash can. Jasmine went crazy. "Gabriel, she's a murderer! She even dared to kill her biological father. Aren't you afraid that she'll kill you in the future?" "I told you to get lost," Gabriel said to Jasmine without turning around. "I'm not leaving! I'm not leaving!" Jasmine began to throw a tantrum, completely disregarding her image. "She's the one who should leave! Gabriel's patience with Jasmine had reached its limit. He ordered David, "Throw her out. David nodded and gave the security department a call. 1/3 11:53 Fri, 24 May Chapter 124 At this moment, Gina's phone rang. "Hello?" "Miss Miller, hello, Where are you now? The police probably need me to cooperate with their investigation. It seems that I can't stay today. Goodbye," Gina said. Gina walked toward the elevator and prepared to go downstairs. Gabriel followed closely behind her, Jasmine also wanted to enter the elevator and stand between them. However, someone grabbed her just as the

elevator doors were about to close. Jasmine turned around and saw David pulling her back. Jasmine yelled. "Let go of me! Don't touch me with your dirty hands!" Seeing the elevator door close, Jasmine became even more anxious. She even stepped on David's foot with her high heels, causing him to scream in pain. However, he did not let go until the elevator door closed. "Bd! Bh! I won't let you off. You don't know what's good for you. When I marry Gabriel in the future, the first thing I'll do is get Gabriel to fire you!" Jasmine was hysterical. David rolled his eyes in disdain. "Miss Bush, it's still broad daylight. You're already dreaming at this time?" You Jasmine was so angry that her lungs were about to explode. She pressed the elevator button with all her might, hoping that the elevator would come up faster. She had to stop Gabriel from being alone with that bh.

In the elevator, Gabriel explained to Gina, "Gina, I have nothing to do with her."

"So she unilaterally pestered you?" Gina asked.

"You could say that," Gabriel added. "I've never hinted to her that there's a possibility between us."

Gina did not know how to describe her feelings, but she did feel a little uncomfortable when she saw Jasmine hugging Gabriel. However, she did not understand why she felt uncomfortable.

"Actually, you don't have to explain all of this to me. We're just friends," Gina said.

Gabriel's heart sank. Gina had misunderstood and was still a little unwilling to believe him. This made him, who was known as the emperor in the business world, feel a little helpless.

Gabriel took a deep breath, "Gina, do you want me not to have any contact with Jasmine? Don't worry, from now on, I won't give her a chance to get close to me. Trust me, can you give me a chance?"

Gabriel was a little vexed. This time, he had not acted promptly and disappointed Gina. Gina was a little surprised. "You can interact with anyone you want. I have no right to interfere."

Gabriel felt terrible. "Gina, you have the right. You can interfere."
