Chapter 3: The actress who had a rumor with him

-Andrea Solis?

Mariana turned around in surprise:

-The popular actress?

-Yes!

When talking about this, Ana wanted to scream on the spot:

-Who doesn't know that Andrea has a bad temper! I can hardly imagine how miserable I'm going to be afterwards.

Hearing her best friend's miserable complaints, Mariana rested her chin, deep in thought.

The only reason I knew this popular actress was because she was now full of advertisements and promotions for Andrea. In addition, this actress was the only woman who had been rumored to be with Leopoldo, and at the same time, she was also a female artist in the Los Durán Entertainment group.

It had so many layers of connections that it was hard for Mariana not to remember it.

After the lunch break, Mariana returned to her office and continued working, printing the design that had taken her several days to draw and making some more detailed changes.

When it was time to leave work, the manager called her out of the blue and asked her to come in.

The director was a woman in her forties, fair-skinned and delicate and elegantly dressed, she could not tell her real age at all.

-Mariana, this time it's the meaning of the headquarters side, and that's exactly what I mean.

-I'm afraid Ana alone cannot complete this task, so take her with you to take over Andrea's wardrobe design for a week. All expenses during that time will be on the company.

-If you have any other needs now, you can talk to me now and I'll pass them on to the boss for you.

The director said, pushing a document in front of her:

-If there are no questions, sign.

The director had always been clear and decisive, and never procrastinated.

But this did not give her the opportunity to refuse at all. If she could refuse, Ana wouldn't have had to complain for so long this morning. It was just that Mariana didn't expect that the company would suddenly let her take over Andrea's clothes.

-Director, if it's arranged like this, I don't have time for my previous design....

-Don't worry about that one, I will arrange for another designer to take over, there will be no delay.

With just one sentence, he left her speechless!

-Okay, I know.

Mariana did not have the opportunity to evade further, she took the pen and carefully signed her name on the document.

The director nodded in satisfaction,

-Mariana, I hope you remember that Andrea is the promoter that the company has hired with great difficulty, you must take care of her clothing properly, no problems can occur, make sure she is satisfied.

-Understood.

Andrea's parade was in a week, and the company had booked her and Ana's tickets three days in advance, so they could go early and prepare.

Mariana took a vacation and spent some time at home to get to know Andrea better and to pack all her luggage.

“Jacket, shoes, cosmetics...”

“What else do I need to bring?”

He looked around the bedroom and his eyes inadvertently caught the photo album placed on the bedside table.

The photo showed Mariana, who was a bit more childlike than she is now, leaning slightly sideways on a young man’s shoulder.

Naturally, this man was not Leopoldo.
