Pursuing My Ex-Wife Is not Easy chapter 2925—What Joshua said did not bring any comfort to Luna at all. Instead, she felt even more irritated. For some reason, she felt like Joshua was hiding something from her.

Nonetheless, she knew him well enough to know she would never get it from him if he did not want to tell her. In the end, she sighed and followed Joshua to the car to get her hair styled and makeup.

For some reason, the stylist was extra thoughtful today. It took nearly two hours for Luna to get her hair and makeup done. When she was finished, Joshua had already contacted Rosalyn and told her about Luna's situation.

As he heard sounds coming from his back, he looked back at where Luna was coming from. His eyes widened in surprise when he saw Luna.

It had been a long time since he saw Luna dressed up so beautifully. If he did not have to stall for time so Luna would forget about Anne, he would not insist on getting Luna all dolled up...

Anne came into his mind again when he looked at how beautiful Luna was, and at this thought, his feelings grew tumultuous.

Luna started to feel worried when she noticed the changes in Joshua's emotions.

"Joshua." She bit her lip and walked over carefully while lifting her evening gown. "Is something wrong? Or do you think I look ugly?"

When she looked into the mirror, she thought she was the most beautiful over the last few years. Thus, she did not understand the reaction she got from Joshua.

"It's nothing. You look beautiful." He tried to contain his real emotion, smiled, and grabbed her hand. "Let's go. We're going to be late."

Luna pursed her lips and nodded silently while letting Joshua lead her to the car.

It was 8 p.m. at Starhill Hotel. Everyone from the upper class of Banyan City was looking forward to the wedding.

"Do you think Joshua is going to show up?"

"The groom insisted he'll show up. Who knows if it is real or fake..."

"Joshua always makes a huge scene wherever he goes, but I don't hear anyone saying Joshua is back. Is Adrian trying to fool us?"

"I don't care. If Joshua doesn't show up today, I'm going to do whatever I can to get my money back from Adrian and Joshua!"

Adrian, standing on the stage in a well-fitted suit, trembled. He bit his lip and gave Jacqueline a worried look. "Jacqueline, do you think Joshua and Luna will show up? If they don't..."

The man in his fifties looked over at the people he owed money to who had attended his wedding, tears brimming in his eyes.

"Am I finished? I told you that we shouldn't throw such an extravagant wedding. We have a bad reputation..."

"There's nothing to panic about." Jacqueline, wearing a white wedding dress, looked at the time and said coldly, "Joshua will show up."

After that, she looked at her phone and sent a message to Willow.

[Send Luna the photo.]

Willow was still enjoying her moment daydreaming about being rich after collecting Vanessa's debt. When she read Jacqueline's message, she sneered and sent Luna the photo where Anne was tied up.

She had prepared the photo in advance. Although Anne was dead, she still used a photo-editing app to include the current time in the photo.

Luna's phone beeped when she opened the door to get out of the car. She turned around to get her phone when she heard the notification sound.

It was a message with a photo from an unknown number.

She furrowed her brows and opened the message-
