Pursuing My Ex-Wife Is not Easy chapter 2929—Father.”

sua and Luna were standing in front of the stage.

He curled his lips and smiled ambiguously. “It’s been a while.”

“Yes, it has been.” Adrian quickly rushed down from the stage and shook Joshua’s hand excitedly when he saw Joshua and Luna standing in front of the stage. “You two are really here! Aunt Jacqueline said you were going to be here, but I find it hard to believe...but she’s right! You still care about me!”

Joshua looked at Adrian. When Adrian said ‘Aunt Jacqueline’, he frowned.

According to their age, Jacqueline and Joshua should be around the same age.

‘He’s marrying someone around my age and expects me to address her as my aunt... He squinted.

Although he was not happy, he still politely looked at Jacqueline. “Ms. Grace.”

Jacqueline curled up her lips and smiled. “Mr. Lynch, we finally meet.”

She had worked so hard over the year for this day. Ever since she knew Joshua and Luna were the ones

who killed Fiona, she toiled rigorously to meet the nasty couple. Finally, that day arrived!

After that, she looked at Luna and acted surprised. “Mrs. Lynch is as beautiful as how I imagined it.”

She had read through Luna’s information and photo before, but she did not expect to see Luna looking more stunningly in person. It was not hard to understand why her sister lost to Luna.

However...

Jacqueline squinted, and a trace of coldness flashed in her eyes.

It was inappropriate and wrong of Luna and Joshua to kill Fiona after they had gotten Fiona’s bone

marrow.

“Are you saying you have gone through my photo or information before?” Luna asked with a raised eyebrow.

Jacqueline smiled and turned to grab Adrian’s arm. “Adrian and I are getting married. You are her daughter-in-law, so it’s only natural for me to see your photo before.”

She smiled and looked at Adrian. “Isn’t that right?”

Adrian was still immersed in the excitement of Joshua coming to his wedding and did not react immediately. After a while, he nodded sluggishly. “Yes, yes. I’ve shown both of your photos to Jacqueline before! She’s really looking forward to being part of the family. We’re going to get along as a family in the future!”

“Get along?” Joshua curled his lip and walked up the stage with Luna. “I’m afraid there won’t be any chance for that.”

As he said that, he took away the mic from the emcee.

Luna and he walked to the center of the stage. He looked at the guests with his deep, dark eyes. “Hello, everyone. You were asking if I’d help Adrian to pay back the money he owed all of you. I said I’d deal with

it.”

The crowd got excited.

“That’s right!”

“Are you going to pay us back now?”

“How are you going to pay? I’m all ears.”

“Let’s sign a contract!”

However, Joshua merely smiled indifferently. “I said I’ll explain the situation, but I never said I’m going to pay for him. I hereby inform all of you that I will not be liable for any debts that Adrian Lynch owes...”

As he said that, he looked at Adrian and Jacqueline.

“The reason why I come back today is to cut ties with Mr. Adrian Lynch.”
