Pursuing My Ex-Wife Is not Easy chapter 3032-Gwen lowered the broom and slumped against the wall behind her, still clutching the handle tightly.

After a few moments of catching her breath, she finally glanced at the man before her.

Ben was sprawled across the ground in a grotesque position, bleeding from a wound in his head. She could not tell whether he was dead or just rendered unconscious.

This sight shocked Gwen greatly, and she instinctively took a small step back. She was so preoccupied with defending herself against Ben that she never once stopped to see what was happening.

Now that he was unresponsive, she felt her chest tighten, and the broomstick clattered onto the ground.

Did she perhaps beat him to death?

At the thought of this, Gwen kneeled and reached out to feel for Ben's breathing.

As much as she wanted to escape from him, she never once intended to kill him!

However, the moment she reached out her fingers, Ben leaped up from the ground, grabbed hold of her arm, and tackled her to the ground.

By the time Gwen finally realized what was happening, she was already pinned to the ground.

"How dare you attack me, you bitch?" Ben did not seem to notice the blood spilling down his face and instead reached out to tug at Gwen's shirt. "How dare you do this to me?"

"You're going to pay the price for this!"

After a moment's stupor, Gwen started clinging desperately to her shirt. "Get away from me, bastard! I thought."

"You thought you killed me, so you put down your broom to come to check on me, didn't you?" Ben sneered but did not pause in his motion. "Do you think I'd be so easily killed, not to mention by someone like you? You've underestimated me, Gwen!"

"Not only am I as healthy as a horse, but I'm going to make you pay the price for hurting me!"

As he said this, he tugged even harder at her shirt, and with a loud rip, her shirt was torn open.

Gwen instinctively covered her chest, then glared at Ben with a murderous look. "Don't you dare lay a finger on me! I'll get you back for this!"

"Get me back for this? With what? You're barely able to cover for yourself!" Ben sneered. "There's no way you can escape now, Gwen! After having fun, I'm going to turn you into Tyson and get a nice, hefty reward! He's going to use you as leverage to climb to the top!"

"He said that he's just pretending to take revenge on you; the truth is, he's going to kill you and dispose of the heart Luke has given to you, that way, every last trace of Luke will be erased from this earth!"

Gwen froze when she heard this, staring at Ben with a dazed look.

It turned out.

It turned out that Tyson was not after her at all, but the heart that was beating in her chest.

Although Luke always treated Kurt better than Tyson, he was still a decent boss, and she never once thought that Tyson would go to such sickening lengths to climb to the top.

"You're just as beautiful as I remember." Ben narrowed his eyes and cackled as he stared at Gwen's partially shielded bosom. "I wonder if you taste the way you used to."

With that, he lowered his head.

"No-" Just as his lips were about to make contact with her skin, Gwen let out a bloodcurdling scream.
