Pursuing My Ex-Wife Is not Easy chapter 3041-Stefan narrowed his eyes but kept quiet. Kurt, on the other hand, began to panic. He gulped nervously and turned to stare at Stefan questioningly.

This was Diablo's first time seeing them, and there was no point lying to them.

Could he be telling the truth?

Was Gwen captured by Tyson's men? What were they going to do?

Since Diablo had confiscated their phones, they had no way of confirming Gwen's safety, nor could they get in touch with Joshua to ask for his help finding Gwen. What would they do if Gwen truly got caught?

Although Stefan and Kurt were strong, steadfast men, it was hard enough for them to be able to rescue Andy from the other guards, much less another person.

Kurt could not even begin to imagine what they would do to get out of this predicament.

"Why are you so quiet all of a sudden?" Diablo asked, frowning when he noticed how silent they were.

Kurt paused for a moment and was about to answer when Stefan replied, "We're just surprised, that's all. We didn't expect that we'd need to stand guard over another woman."

As he said this, he strode over to Diablo and plopped down next to him. Then, he took a swig of beer and smiled at Diablo. "Do you know what this woman looks like? Is she pretty? Where did Boss even find her, anyway?"

Diablo snickered, then took another swig and gestured for Kurt to join them. "I don't know either, but I'm sure she must be pretty. Otherwise, why would that idiot Luke be willing to sacrifice himself for her?"

The smile froze on Kurt's face when he heard this.

Stefan, on the other hand, was surprisingly calm. He drank from his bottle again and added, "Well, I'd like to take a good look at this woman when she arrives. I haven't come across many beauties in my unfortunate life."

With that, he raised his bottle to Diablo and asked, "How did they catch her anyway? Do you know the full story? We heard that the others had been searching the entire city for her and even almost caught her one time, but she slipped away at the last minute."

Diablo snickered. "Well, this is a story you'd like."

"I'm not sure if any of you know this, but this woman has a best friend who's married to that Joshua Lynch fellow from Banyan City. Apparently, he used to be close to Luke."

"Anyway, this morning, Boss suddenly noticed that Joshua and his wife had arrived in Sea City. There are only three people they know from Sea City: one is Luke, and the other happens to be Gwen Larson and her father."

"We're fairly certain that Joshua Lynch knows about Andy Larson's arrest, so there are only two reasons he'd come to

Sea City; to find Gwen, or to rescue Andy."

"Therefore, Boss deliberately caused congestion to stall them while he analyzed their route, and realized that they were headed toward a house that Gwen used to own in Sea City."

"Fortunately for all of us, Boss visited this house previously when he was trying to track Gwen down, so he was familiar with the location. He sent a team of men over immediately, and caught her right then and there!"

Stefan's heart sank when he heard this.

He had been trying to make small talk with Diablo in hopes that he would reveal more information that could tell them whether or not they had truly caught Gwen.

It turned out...Diablo was telling the truth.

There was no doubt about it; they had Gwen.

"By the way, do you guys know what she was doing when they caught her?"

Kurt shook his head with a frown. "What?"

"She was in bed with her ex-husband!"
