C16 Just Take It as You Agree

Liu Yanqiu told Ning Ya about the Zhan's's sudden purchase of Rujin Hospital and the doctor who replaced Hsu Yan's grandmother, as well as the situation that Hsu Yunshan could not do anything about.

It turned out that Hsu Yan not only did not ask Hsu Yunshan for help.

Now, it was Hsu Yunshan's turn. He was afraid that he would ask Hsu Yan for help for a hundred million yuan deficit.

"Mom, that slut Hsu Yan, could it be that she really got into Ninth Master's good graces? I offended her so much, then I... What should I do in my future days?"

Ning Ya grabbed Liu Yanqiu's hand and started to cry. It was not easy for her to live a comfortable life.

In the end, she failed to steal the chicken. Not only did Hsu Yan not die in Zhan family, but she was also personally sent to be the richest wife. How could she accept it?

"What are you panicking for? If we can squeeze out that mother of hers together, we can still kill her now! Only my Ya Ya is worthy of living the best life as a princess. "

The viciousness in Liu Yanqiu's eyes was even greater as she consoled her daughter with experience.

"Mom, do you have any other good ideas?" Ning Ya looked at her mother excitedly. Although Liu Yanqiu was a cleaner, she had many sinister methods.

Liu Yanqiu had a good plan, "That night at the Marcel Hotel... That Ninth Master Zhan was inhumane, but it did not mean that the entire Zhan family was blind! My good daughter, the most important thing right now is to protect the investment given by the Zhan family. Endure a moment of peace and prosperity."

"Haha, that's right! As long as we can prove that she's not a virgin, how can a family like the Zhan family tolerate sand in their eyes? If she's discovered, she'll be kicked out of the house! "

Ning Ya also immediately laughed.

Rui Jin Hospital, ward.

Hsu Yan saw her grandmother. Her grandmother was out of danger and slept soundly. She did not expect Zhan Shishen to finish things so quickly and send her here.

It was not easy for a newly married rich wife to go out alone.

"Thank you!"

When she walked out the door, Hsu Yan suddenly felt a little embarrassed to face the handsome man in front of her, who looked like he had walked out of a painting.

She was the one who provoked him from the beginning.

"Mrs Zhan, words of thanks are not sincere."

Zhan Shishen's face was like that of a god as he looked at Hsu Yan with a probing gaze. He was unfathomable!

Hsu Yan seemed to have made up her mind and suddenly took out a bank card. She had long prepared it. "Of course! Since honesty is the basic, this card contains all my savings of five hundred thousand. Take this as my thanks and compensation for these two times. To tell you the truth, I don't like Ninth Master. I married him for the sake of my grandmother. That's all I can give you."

Even skin kissing had happened... Now, she wasn't afraid that the other party would know what she was thinking!

Zhan Shishen stared at the woman for dozens of seconds. After confirming that the woman was not lying, he suddenly opened his mouth and said, "So, you can be my woman now?"

"You are the driver and I am your boss's wife. How can we be together?"

Hsu Yan's face was red like an apple waiting to be picked. She looked exceptionally beautiful! In her heart, she was thinking, Is there something wrong with this person's brain?

Zhan Shishen's face suddenly turned cold. "After talking for a long time, you still dislike me as a driver!"

"Hey, I didn't say that!"

Hsu Yan frowned. She had a good impression of Zhan Shishen. She even had a special feeling that she had never felt for anyone, including Gu Yun.

As long as they made contact with each other, they would always be able to spark like a spark.

But even if Ninth Master was not at home for a long time, he was still her husband in name.

She could not possibly maintain an unfair relationship with his subordinates!

However, Zhan Shishen suddenly held her hand. With a mysterious asura like handsome face, he let out a slight smile that made people's minds chaotic, "Yan, then I'll take it as you agreeing!"

Her ex-boyfriend had never called her so intimately before. Hsu Yan was shocked. "When did I agree?"

Zhan Shishen pushed the bank card back and suddenly moved closer to Hsu Yan's face. "You became my woman and you are my woman. If my boss can give you, I can give you what I can. If I can't give it to you, I can still let you enjoy it! As for whether you are someone else's wife or not, I don't care."

The reverse was his.

"You, rogue!"

Hsu Yan followed the man's line of sight and immediately realized what he meant by enjoyment. She shyly pushed him away.

If not for the nurse suddenly calling her, she would have scolded Zhan Shishen.

She had seen people who were bold with lust, but she had never seen someone so bold.
