

Poor Husband 201

C201 The Xu Family's Press Conference

"Tongtong, slow down. How did you two end up in the same bed?"

Hsu Yan listened for a long time before she finally understood. It was not that Zhao Tongtong did not come that night when KTV hammer Ning Ya. It was that she was invited by Lu Hee to drink.

Who knew that after drinking

C202 How about Getting Married First

Hsu Yan was innocent, so of course she wouldn't take the blame. "Uncle Ma, it has always been you guys who have ulterior motives and collaborated with treacherous people. You are delusional to sell everything that belongs to the Hsu family. That's why today's situation has become my fault. Why did it all become my fault? The Hsu family is my home! Without my permission

C203 Wasn't This Shameful

Doesn't matter if it's someone else's hotel aisle!

"Zhan Shishen, who said I was anxious?! If I didn't want to, it would be useless even if you cooked popcorn! Stop it, I haven't done anything about Su Rongyin... "

Hsu Yan instantly became embarrassed again. She was just joking! Zhan Shishen evilly pressed her against the wall

C204 Did I Make You Drunk

Hsu Yan had a helpless look on her face. She should have known that her only best friend was not someone with Lin Dayu's personality. She would never do anything that would make things difficult for her.

Maybe Lu Hee was in a worse situation...

"Tell me! Now that Ning Ya has received her retribution, I have heard about it

C205 The More Low-key the Better

When Zhao Tongtong was mentioned, Lu Hee was at a loss for words. "I told you, I didn't sleep with her on purpose! Who knew that your wife's best friend would be so warm to me after drinking? I also drank too much..."

Before the two of them could finish their conversation, they suddenly heard a woman scolding them.

"What a cowardly turtle

C206 They Were Forever United

Zhao Tongtong held Hsu Yan's hand and chose the most expensive ones for her. " What's there to be afraid of? With a marriage certificate, you are the legal husband and wife! Even if that Ninth Master is

the Emperor, he cannot separate the two of you from each other. Who knows, you might even have a chauffeur in your womb!"

Zhan Shishen and Lu Hee walked around

C207 Madam Zhan Is Here Again

Which woman wouldn't love a man who spoiled her like this?

"I just saw that the idea of this chocolate is pretty good, and I thought of Tongtong's suggestion. I thought that if I could open my own studio and sell some of the current online e-commerce products, would it reduce our burden a little earlier? Zhan Shishen, you don't think I still care about Su Rongyin's matter

C208 Jiu Ye's Condolences

Hsu Yan felt apprehensive when she heard Nan Yun's name!

Su Wen, on the other hand, immediately took out her battle preparations and said to Hsu Yan, "Assistant Hsu, Mrs. Zhan recently did not see you guys go back to Zhan family. Her concern is chaotic. She came here a few times! She was afraid that her words would be too harsh! I will deal with this side

C209 I Have Troubled You

She looked at the respectful and honest Hsu Yan! The man had already made up his mind that if he used Zhan Shishen's identity... This woman would definitely pounce on him and talk to him with a pale face. "It's all your fault, Zhan Shishen. You made my stomach hurt even more. It's all your fault! It's all your fault!"

Obviously

C210 I Made a Big Mistake will

The CEO's password door suddenly opened automatically! Qii Zhan quickly walked in and gave a warning.

"Ninth Master, we have already told Madam that Miss Hsu is not here. What do you think now?"

The crime of cheating was even worse. Nan Yun was afraid that she would get to the bottom of it! In the future
