### **C241 Jin Family's Uncle and Aunt**

Granny Pee had no impression of Su Rongyin, either. "Hmph, my granddaughter-in-law didn't even complain when she washed my feet. She can't even stand this little bit of mosquito bites. Is she worthy of saying that for my grandson's sake? ! And she even said that she was kind enough to remind me that Hsu Yan was disloyal to the Zhan family. She is not suitable to be with Shen

### **C242 She Confessed to Zhan Shishen's Wet Nurse**

Hsu Yan didn't want to continue listening. "I'm going to sleep. Goodbye!"

But after hanging up the phone, her calm heart suddenly became uneasy again.

In order to obtain all the shares of Jin family, Hsu Yunshan had also put in a lot of effort.

Now that she knew that the road would not work, she thought of her daughter, and even found Xu Lili and Jin Cong Shang to attack her

### **C243 They Are Asking for a Marriage**

She looked at the change in the old lady's expression and felt pain in her heart, but she held it in and said, "If you have any objections, I can divorce him! I don't want anything! "

A marriage without the blessing of an elder would not be happy! If it was really her life, she wanted to be a straightforward person and not implicate Zhan Shishen.

The old lady was not surprised for long and said

### **C244 She Saw Them Hugging Each Other**

On this side, Hsu Yan was also walking towards the scenic area. Along the way, she met a female villager who was leading the way. It was said that she was the tour guide of this area.

Zhan Shishen's phone couldn't get through, so she could only follow the tour guide.

"Little Missy, why did you make this hairstyle for me? I'm going to see my husband. I'll be fine as long as I'm normal

### **C245 His Heart Ached**

Seeing such a scene, Hsu Yan's mind couldn't help but start to think about it.

Zhan Shishen did it on purpose. He liked Su Rongyin from the beginning to the end? Using such a method to force her to leave? Or was he using her feelings all the time? For Su Rongyin?!

"Yan, it's not what you see!" Zhan Shishen immediately let go of Su Rongyin. His handsome face was tense and serious

### **C246 The Strange Zhao Tongtong**

Hearing that crying word, the man's voice is heavier by a lot.

Hsu Yan had always been a strong person when she knew her. Even if she was betrayed by her family and married into a husband's family that had no one to rely on, this woman would be smart enough to resolve it. She had never said that her eyes had turned red like now.

This little woman was really sad!

Qii Zhan nodded. "Boss

### **C247 Work to Earn Extra Money**

"Ah, it's not Hsu Yan! I have some urgent matters to attend to. I won't talk to you about it for now. You stay outside and watch your safety. We'll meet again when you come back!"

Zhao Tongtong hung up the phone in a strange tone.

"Tongtong? Tongtong?"

Other than Zhao Tongtong's phone number which was easy to remember, the only thing Hsu Yan remembered was Zhan Shishen's

### **C248 Who Dares to Let Ceo Zhan's Wife Wash the Dishes**

"Nonsense! If you dare to ask her to wash a bowl for you, just wait for the door to close! "

Qii Zhan couldn't help but roll his eyes at the boss.

When he received the news, he rushed over immediately. Zhan Shishen was already in the restaurant.

Wasn't it crazy to ask Zhan Shishen's wife to do dishes for him?

"Mr. Qi, I was wrong

### **C249 He Had a Direct Confrontation with Lord Jiu**

Perhaps it was because of Zhan Shishen's incident that she became more ruthless than usual. She wanted everyone to know that she was not that easy to bully!

"Hahaha, what a joke! A waiter is actually quite domineering. What are you still standing there for? Hit her, tie her up for me! Let's see who dares to speak! "

The drunk man also had some wealth and shouted loudly

### **C250 She Doesn't Want to Spend the Night with This Person**

The first thing she considered was the reputation of the Zhan's.

This man who had almost become her husband and her superior, of course she wouldn't dare to be careless.

As expected, she did not intend to reveal any real emotions for outsiders to see.

"Did you quarrel with your boyfriend?" Zhan Shishen covered his face with his mask and spoke in a tone as if he was asking an old friend
