C251 Give Her a Black Card and Spend It as She Pleased

The one who had done the wrong thing was Zhan Shishen. What had happened to her?

The man pointed at the table. "Don't worry. A cripple with a leg problem can't do anything to you. You're just working! My computer is there. I'll bring it back to the company tomorrow to file the case. This information is very important. If it's done well, your salary for this month will be doubled. "

" Yes..

C252 Unkindly Uncle and Aunt

The first time Hsu Yan entered the police station, she still had some respect. She took the initiative to show her identity and explain the reason.

Seeing that she was aware of it, the guard who received her had a clear attitude. " You are Hsu Yan and Miss Hsu? We are at the City Gate Police Station

C253 Only a Husband Is Qualified

Xu Lili was soft and hard. "Hsu Yan, don't be so unreasonable. All these years, thanks to your father sponsoring us, we were able to live until today! He said that if you don't go back to see him

C254 You Never Liked Me Right

The decision was given to Hsu Yan.

"Marriage certificate! I don't need to tell you whether it's real or fake! My wife and I had an argument because of some trivial matters. I have already paid her debt. Also, the lie that the driver said has a car dealership as a license."

Zhan Shishen took out a marriage certificate valiantly and placed it in front of the police without any hesitation

C255 Cold War

If it was Zhan Shishen's temper, he would never turn back when he heard such words!

If it wasn't for the fact that he saw her covetously at the Fairy Temple that day, he would have been deceived by this woman's damn acting skills!

Hsu Yan pretended to be a passerby and said in an embarrassed manner, "Huh, when did I say such words? Zhan Shishen, you and I just have no choice but to live

C256 Insomnia

Don't all women have to be coaxed right away when they're angry?

Who said that only women's hearts were like needles at the bottom of the sea? He looked at his own CEO, who was also quite unfathomable.

Zhan Shishen sat in the car and did not seem to hear it. He returned to his usual solemn expression, "Inform the shareholders to have a meeting

"Aroma, wood, clove, vanilla... Aroma, wood, clove, caramelum... Aroma, caramelum, caramelum, caramelum... Aroma, caramelum, caramelum, caramelum, caramelum..."

A week passed in the blink of an eye. Zhan Shishen really did not come to harass Hsu Yan again. Other than her professional work, Hsu Yan even muttered the name of the medicine in her afternoon nap

C258 The Second Young Mistress of the Zhan Family

After a while, Hsu Yan changed into better clothes than usual and sat in the backseat of the car with Ninth Master Zhan.

Perhaps seeing the woman's awkwardness, Zhan Shishen suddenly took the initiative to speak to her, "Miss Hsu, I see that you seem to be absent-minded

C259 Zhan Lianchen Attacked Again

"Madam, don't bother with these people! Let's go in and greet Madam and the old man! Every family has gifts for this Mid-Autumn Festival. The old chairman has urged you several times. He has been thinking about you and Ninth Master." Lan was afraid that Hsu Yan would care and said to her.

"What is a servant talking about here? Hsu Yan, your stomach is not really unable to hatch

C260 His Husband Was so Protective of Her

Zhan Lianchen only felt that every time he saw Hsu Yan, this woman's attitude towards the world would make him even more curious.

Perhaps subconsciously, he wanted to attract her attention, but he also imitated her tone and said, "Otherwise, if you make such a mess now and I, Ninth Brother, don't come out
