

Poor Husband 341

C341 Forcing Her to Eat

Hsu Yan got out of the car and held onto the rubbish bin. She started vomiting. She had even vomited out yesterday's sweet potato cake.

She vomited till the back and spat out gastric acid and tears.

In her dreams, she never thought that there would be a day when her relationship with Zhan Shishen would be so aggravated and Zhan Shishen would treat her in such a way.

"Wipe it off."

Behind her

C342 Ruthlessness

Hsu Yan did not pick up the chopsticks and frowned, "Zhan Shishen, I will not eat these things! I have a good meal at home. Mrs Yao only said one-sided words."

Seeing that Hsu Yan was still resisting, Zhan Shishen sunk for a few seconds and said, "Hsu Yan, is it not enough?"

This meant that she was not satisfied?

Hsu Yan only felt that this kind of nervousness was already suffocating

C343 Love Me Obediently from Now on

Hsu Yan was a little stunned. She had already confessed to him, but she could clearly feel that Zhan Shishen's anger was still burning.

What had she done to provoke him?

Hsu Yan and the man's gazes intertwined like a spark of lightning. Their gazes were filled with suspicion and alienation. Just by looking at each other, they were already covered in injuries

C344 It Was Just a Fun Thing for Him

Hsu Yan's voice was like thunder. When she woke up, her clothes were a little messy.

This place was not small enough to be used. Zhan Shishen did not exaggerate it. He directly asked for her here and also tidied up his coat. The two of them had a tacit understanding, but they walked out together. When they walked into the car, it was only a short distance, but Hsu Yan's face was completely red

C345 Working with Bai Xin

Lan was sent away, so she could warn Hsu Yan so unscrupulously.

But Hsu Yan also knew that since this person entered the villa under Zhan Shishen's watch, she did not dare to really plot against her.

She looked at this mean face, "Mrs Yao, listen to me. I don't care who you are, I, Hsu Yan, will remember today's score!"

Mrs Yao immediately laughed again, "You

C346 The Ceo Wants You to Make Coffee

Feeling Hsu Yan's resistance, Bai Xin suddenly coughed lightly. She deliberately let Peter walk away before walking closer to Hsu Yan. "Hsu Yan, my old problem these few days is asthma! After I was discharged from the hospital, I received a notice from the Zhan's to be on duty. That's why I didn't have time to visit you. I've always wanted to contact you again. Our fate is very hard to come by

C347 Did You Make It Yourself

Hsu Yan really hoped that it was her hearing and hearing, because there were only five minutes left before she got off work.

"Okay."

She got up and walked to the tea room that came with her. It was just a cup of coffee, so there should be no problem.

Drinking coffee at this time of the day also meant that Zhan Shishen might have to work overtime at night, so she could hide again tonight

C348 Old Grass Nut

Hsu Yan was even more at a loss. She did not want to reveal Bai Xin and said with pressure, "Did I soak it? Is there a problem?"

Zhan Shishen had very high requirements for coffee, just like how he was picky about food. Other than having to grind the best coffee beans, he also had to put some pure dried sea salt on it. He could not add anything with a bit of sweetness

C349 Framing

Hsu Yan's heart was pounding. This was simply unreasonable. Why did he say such unpleasant words?

She didn't have time to be sad and took advantage of the fact that the other party's anger had yet to surge. She quickly explained, "Zhan Shishen, can you be reasonable? I really don't know this Fu Heng! I just chatted with a customer called Daguang in the online store

C350 Mistook Him for a Traitor

"This is a little difficult, but uncle would like to help you. You are also very smart. I have indeed raised a very large carrier pigeon factory. This method of communication is the safest. After I take away the project that Zhan Shishen is working on, I will save you. "

Fu Heng's words were loud and clear. Hsu Yan's heart almost froze when she saw Zhan Shishen's dark face
