

Poor Husband 371

C371 Ironic

"Mrs Zhan?"

After the doctor checked her health, he suddenly sent an invitation to Hsu Yan.

Hsu Yan, on the other hand, was immersed in her emotions. After a while, she stood up and said, "Sorry, we are very busy with work. We don't have time to attend this class. Please don't mention this to Mr. Zhan."

A woman who would be divorced after giving birth

C372 Zhan Shi Hinted Deeply

Her heart is not without feeling as this person takes a pinch.

Zhan Shishen actually still said patiently, "I don't think you have the guts either! That day at the coffee base, I had already tested Fu Heng. No matter if it was women or business, he would only die if he went against me!"

The man's eyes flashed with a cold light when he said the last sentence.

"Of course

C373 How Insecure Was She

He hasn't touched her in a long time.

No matter how much he endured, he had no intention of hiding a man's desire for a woman.

Hsu Yan almost walked into the wrong room when she heard this.

Furthermore, she clearly felt that there was a malicious gaze in the corner looking at her.

It was Mrs Yao's!

Hsu Yan walked a few steps to the second bedroom and closed the door tightly

C374 Talk to Another Man

Early in the morning, Zhan Shishen sat in front of her bed. Because of her nightmares, he came over to say comforting words.

He actually said that she was the mother of the child and that he was here to see her.

Hsu Yan endured the surging jealousy and said even more unaccustomed, "Zhan Shishen, I have nothing to do. I won't disturb you anymore. You, you can go out

C375 She Had Implicated Zhan Shi

What kind of brain did this woman have?

Hsu Yan saw Zhan Shishen getting angry and confirmed that this was her test. She could only clench her teeth and explain, "Zhan Shishen, I used to like Uncle Fu Heng a lot, but that was when I was young! No matter how bad I am in your eyes

C376 Nan Yun Came to Deliver Tonics

Now, Zhan Shishen didn't care about Hsu Yan anymore. His only chance was gone. In their eyes, Hsu Yan was a piece of mud. Not only would she not be accepted, she would also be cleaned out!

The mission was about to be completed, so how could Mrs Yao not be arrogant and proud?

In the blink of an eye, Nan Yun had already walked into the villa from the business car that had stopped

C377 They All Thought Bai Xin Was the Champion

Nan Yun continued, "Yes... The old man's 70th birthday is about to arrive. What I want to see the most is to have many children! I brought some wild lotus seeds over. It was originally used to boil lotus seed water for Shishen. This thing usually has a clear effect when eaten! Today, sit down and peel off all the lotus seeds that I brought

C378 Peel the Lotus Seeds and Faint

When Nan Yun mentioned the good stuff, she couldn't help but love it.

"This soap is really useful. I still need to order some next time."

The sample of the soap was sent to Zhan mansion by someone later on, and it just so happened that Nan Yun used it. After using it, she got rid of the neck marks that had been troubling her for many years

C379 Bai Xin Was Very Familiar with Him

Hsu Yan woke up and saw this scene. She was also a little puzzled. She also did not know why she was so weak.

Logically speaking, it was just a dream. Would mental exhaustion be more hurtful than mental exhaustion?

But at this time, a woman suddenly opened her mouth, "Shishen, Hsu Yan woke up too good."

She looked at Hsu Yan with concern, "Hsu Yan

C380 Even Nan Yun Was Stunned

Zhan Shishen left, leaving Nan Yun and Mrs Yao behind.

Hsu Yan did not expect these two to be good to her at all. Sure enough, the moment Zhan Shishen left, Mrs Yao secretly said to Nan Yun, "Madam, you see that Director Zhan did not blame you at all. This kinship is much more important than a woman. Madam, she will have to learn the rules when she enters the Zhan family sooner or later
