

Poor Husband 591

C591 The Relationship Between the Zhan Family and the Su Family

Even if Fu Heng really loved Jin Shenyue, it was not worth her mercy.

After all, not long ago, he and Ning Wei had sex.

If a person's love was so cheap, it was better not to publicize it.

She concluded that Fu Heng knew a lot of the truth back then.

She even knew that he was not the real culprit behind the scenes, and that he knew the mastermind behind the scenes

C592 He Had to Act

Fu Heng wasn't surprised by Hsu Yan's question. He had expected Hsu Yan to find out.

But his answer was surprising once again.

"This question, perhaps you should ask that person from the Zhan family. It is more appropriate than me."

The sky was gradually turning dark. Hsu Yan's expression suddenly froze under the light.

She was very unwilling to hear this surname from Fu Heng

C593 Let Go of Your Dirty Hands

Hsu Yan sat on the sofa and seemed to see Fu Heng's private house from afar. There were dozens of cars surrounding the place.

No matter how calm she was, she could not answer the following words.

At this time, Fu Heng suddenly walked over. He personally carried a bowl of steaming noodles.

It was unknown whether he did it on purpose or he did not see Hsu Yan making a phone call

C594 They Couldn't Help but Feel Heartache

Zhan Shishen rushed in. He had always liked cleanliness and cleanliness, but now he was covered in rain.

He saw that Hsu Yan was willing to eat Fu Heng's noodles.

Although Fu Heng was older, he took good care of himself and did not look old. Hsu Yan, on the other hand, was beautiful and quick-witted. She looked like an uncle and a young girl who was still warm

C595 I'm Not Messing Around with You

She thought Zhan Shishen wouldn't want to break up, but she always thought... This man's heart was more or less filled with Bai Xin, another woman. As the CEO of the Zhan's, there was no need to break up with him for her. He even beat up an elder who had a good relationship with the Fu family.

However, the situation had obviously gone out of control.

"Fu Heng, you asked for it!"

After a brawl

C596 They Fell in Love with Someone else

"Zhan Shishen, I have fallen in love with someone more suitable than you."

When she said the last sentence, she didn't dare to look at Ru Feng in front of her, afraid that he would see how low her lie was.

Her heart was beating fast. From the moment she left the Hsu family and was rescued by Zhan Shishen, to the moment she fell in love with this man. Every minute

C597 He also Had Times When He Was at a Loss for Words

"Eat it."

Hsu Yan answered like an obedient sheep. Those who did not know her thought that she was Zhan Shishen's obedient darling. Only the two of them knew how awkward it was.

"The latest checkup was done yesterday. Remember what the doctor said about the delivery date. Did you increase your workout?"

The man asked again

C598 Dream on If You Want to Get a Divorce

"Shishen, why are you so angry this morning? Come, have a sip of water."

Hsu Yan's expression suddenly changed. It seemed like the atmosphere over there was not bad. Zhan Shishen also said something like Why did you get off the bed when your legs were not good?

She concluded that the woman was probably Bai Xin.

It turned out that Zhan Shishen spent half a month in a beautiful bed

C599 What a Terrifying Idea

Looking at how Zhao Tongtong treated him like a lackey, she was the only woman who could make this unruly Eldest Miss lower herself so much.

Hsu Yan felt guilty and also apologized, "Tongtong, I shouldn't have been fierce to you just now. You came to help me but you even got involved in it. How is the investigation of Su family going? "

The two of them looked out of the room at the same time

C600 Preparing for a Rainy Day

Zhao Tongtong wanted to agree but was confused, "Then do you plan to continue the cold war with Zhan Shishen like this? This is also not a solution. Can you tell me now? What exactly is going on? Can you not let me be so muddle-headed? If you tell me, I can help you. I can't always be like a fool. You two should be kept in the dark
