

Poor Husband 611

C611 Enemies Who Are Happy and Cause Trouble

According to the background, it was a very old photo, which meant that this person must be at the old man's age now.

When she thought of Old Master Zhan again, Hsu Yan suddenly turned the photo over quickly.

She saw that there was a word Pei written at the back of the photo! It was so familiar!

In her mind, she instantly thought of Zhan Shishen's wet nurse

C612 One Person Admitted His Mistake

At this time, an unfamiliar voice suddenly mixed up.

"Yes, this lady is right! The concert is just a random one, how would I know which guests there are? Miss Zhao, can you pay me my salary first, it's over time..."

The one who spoke was a fake pregnant woman pretending to be Hsu Yan. She was waiting anxiously at the side, afraid that she would go back on her words

C613 She Was the One Who Kept Acting Stupid

"It was my idea alone."

The two of them faced each other face to face. The heavy atmosphere was much more striking than the rhythm of the concert.

The female lead actors took the opportunity to pick up the pillow on the floor, and then they crawled away without a trace.

Lu Hee and Zhao Tongtong walked over from the side. When Zhao Tongtong saw Zhan Shishen grab her

C614 You and Her Are in Love

But Hsu Yan knew she had to say it now, so she said it seriously. "Recently, some fragments have appeared in my mind, as if I have recalled the missing part of the medicinal manual. The data of this medicinal book is related to a medicinal island that my grandfather mentioned to me. I feel that this matter is very important. It is possible to find the location of that island

C615 He Was Almost Found out about the Twins

Open your eyes, it's the man's old, charming, handsome face.

"I just told you to get up. Do you want to be warm to your husband?"

Zhan Shishen was sitting by the bed, and the window was already bright. The man was holding an item and cotton swab in his hand, and he was wearing a man's wide pajamas.

It was rare for him to be so dull, and it made people feel very fresh

C616 I'll Satisfy You All

He's worried about her body.

Hsu Yan, however, could not completely believe it. Her heart was clogged. She mumbled, "Under Mr. Zhan's eyes, I can't escape no matter where."

She suddenly laughed lightly. "However, could it be that because I'm tired, you won't let me continue? The missing part of the medicinal formula? The location of that island is very important to you

C617 Is Second Uncle the Most Troublesome Enemy

Hsu Yan felt that the expectations in her heart seemed to have missed a lot.

She smiled even more forcefully, "Hur hur, can I still refuse? Mr. Zhan rest assured. Since I have agreed, I must definitely complete the mission. After all, this is the most important thing to you. If I don't complete it, why would you spare me?"

After she finished speaking, she got out of bed

C618 A Gentle Side

At this point, he suddenly added, "Yan, I promise you that when all of this is over, I will take you and the child to choose a place you like and complete our wedding."

A solemn and beautiful promise was like the dawn that rose after the darkness. It made people yearn for it at first glance, and they wished they could chase after it forever!

Hsu Yan looked up and their eyes met..

C619 Discovered Important Secrets

She was so nervous that she thought it was going to happen at any moment.

She sat down and slowed down. Hsu Yan hugged her stomach and smiled. She felt sad and helpless. "Baby, you also don't want Mom to leave Dad?"

She kept a low voice, afraid that she would be heard, "But there is no other way. There is still someone in your Dad's heart that he can't let go of."

"Your great-grandfather..

C620 You Think You're a Poisonous Woman

The servant had already told her that it was Old Master Zhan.

"Hey, Grandpa Zhan."

She greeted him first.

The vigorous voice on the other side was no longer as patient as before. Instead, it sounded a little more urging, "Hsu Yan, I heard that you are going to have premature labor. It is not long before the premature delivery, right?"

Hsu Yan's mood was shaken
