

Poor Husband 621

C621 Found the Usage of the Medicinal Herbs

The taste of the soup was very good. It was worthy of being chosen by Zhan Shishen himself.

If Zhan Shishen was by his side at this moment, perhaps it would be even better.

Because she received the old man's call, she suddenly thought it through.

From the beginning until now, the only one who had supported her in the Zhan family was Zhan Shishen.

Perhaps

C622 Zhan Shishen Once Again Misunderstood

Zhao Tongtong called.

Hsu Yan became serious when she heard the name of the medicine. " Yes, tell me. I'll listen."

The clue that Su Rongyin gave her was the name of the medicine.

But she could not recall the use of this medicine in the medicine book for a moment.

Hence, she asked Zhao Tongtong to help investigate.

She did not expect that this lass was quite attentive

C623 A Bureau

But how could Zhan Shishen agree?

When he saw that the woman was about to leave, the man's eyes suddenly turned cold.

"Hsu Yan, Fu Heng admitted it. He only went to find Su Rongyin after receiving your message!"

"Do you still think I'm worthy of your attention?"

Suddenly, the man raised his hand and the teacup on the table was smashed to the ground

C624 He Was on the Side of an Outsider

Zhan Shishen said, "This cheque was found in our room, in the closet, in your pocket. Only you and I can enter this room! "

"Rongyin was arranged by Grandpa to bring you the cheque. No one will know about her leaving the country. But you still don't trust Su Rongyin after receiving the cheque. You made her faint! Hsu Yan, you took the old man's cheque without permission and did so much

C625 Jiang Shu

Hsu Yan heard it and her face turned pale.

Zhan Shishen was trying to conform to her!

She was not allowed to contact Fu Heng again, otherwise, it would make her look even uglier.

Black lines appeared on Qii Zhan's forehead. "Yes, Director Zhan!"

This time, the husband and wife seemed to have completely overturned the jealousy jar.

Furthermore, the situation was quite tricky

C626 Escape Plan

Hsu Yan saw Chiang Wenshu at night.

Zhan Shishen had gone to the Zhan mansion. The matter was so big that it wouldn't be resolved in a day or two.

However, her body could not be delayed. No matter how angry that person was, he would not ignore the baby in her womb.

However, Qii Zhan told Hsu Yan that Chiang Hong would accompany Chiang Wenshu over. It was probably also arranged.

"Brother

C627 Favorability

She stared at the door. No one disturbed her. She quickly told Chiang Wenshu the real reason she had asked him to come.

She placed her hand on her bulging belly. Her eyes were filled with love and love that she would never let go of.

When she knew that she was about to give birth, there were many things that needed to be done together.

Perhaps when the local painting came out

"Maybe it's all fate. Your grandfather, Mr. Jin, used to be my favorite professor. Okay, I'll try my best to cooperate with you. "

The man's expression was full of risk and seriousness. He immediately calmed Hsu Yan's heart, who had turned around.

Hsu Yan looked at Chiang Wenshu and revealed a relaxed smile.

Zhao Tongtong's phone kept ringing

C629 Take It out

At night, Hsu Yan could not sleep at all and suddenly had a high fever.

When she was discovered and woke up, besides Zhao Tongtong's worried shouts, there were also some messy noises around her.

The woman was confused by the fever. She muttered something and could not hear clearly.

"Hsu Yan, what did you say? You finally woke up. You scared me to death

C630 Her Friends Are Not Allowed to be Bullied

Bai Xin saw this and stood in front of Nan Yun and said, "Miss, I'm afraid you have misunderstood. Aunt Zhan and I had just gone through the rehabilitation of fractures, so we had some feelings for each other. That was why we appeared here with her. Mrs Zhan and I are actually good friends, as long as she is willing. I can let bygones be bygones about the fracture. Young people
