The receptionist also saw the "Zhan" pig. She was frightened and apologized with her life, "Mr. Zhan, I didn't see it just now. That young lady ran too fast. Yes, I'm sorry, Mr. Zhan..."

Someone actually dared to describe Zhan Shishen as "pig"?

How much hatred did he have? Did he not want his life anymore?

Zhan Shishen personally removed the brush from the bottle and put the bottle aside

C712 He Was a Nouveau Riche

Hsu Yan came back to her senses and said apologetically, "No, the taste is very fresh and delicious! Writing. I'm thinking that I haven't decided whether I should stay or not."

She shook her head and tried to forget the memory of meeting Zhan Shishen yesterday.

Since returning to City J, her magnetic field seemed to have been affected. This was not a good thing

C713 I'll Never be Able to Escape from Him

She stepped on some shit luck and this man took the same map! As the largest City J in the capital, when would she be able to encounter it when she turned around?

What kind of bad karma? !

Why would Zhan Shishen appear here alone?

He didn't dare to think about it

C714 Even Worse the King of Jin City

Just as Hsu Yan stopped for a moment, Zhan Shishen suddenly approached her again. His hand speed was like a strong wind that could not be defied, and he pulled Hsu Yan closer to him once again.

The man's powerful aura blocked all of Hsu Yan's vision. The entire examination room was as quiet as a chicken

The venue of the competition was a youth palace stadium. The place where Zhan Shishen was staying shouldn't be able to fight either.

At such an honorable and proud moment, she wanted to stand together with Hsu Ziqian without any distractions. She wanted to let this child feel the joy of being recognized.

"Ah! Miss, you look so young

C718 Two Pairs Facing Each Other

Qii Ming saw Zhan Shishen suddenly stand up and quickly followed after him.

Qii Ming was Qii Zhan's biological brother, and he had a heroic look on his face. Ever since Qii Zhan started dating Su Wen a few years ago, apart from technical work and civil work, he had spent most of his time focusing on his family.

This Qii Ming would occasionally take Qii Zhan's place and follow men around

The woman dressed up was lovely and charming. Her face was shy and charming, and she also had some expectations of being praised.

As expected, Zhan Shishen looked at Bai Xin. It was as if fate could not escape him. At this moment, Hsu Yan, who had not occupied the clown position for a long time, suddenly appeared

C720 He Was Looked down upon by His Own Son

On the other side, Hsu Yan wasn't in the mood to celebrate with Chiang Wenshu.

She made up an excuse to give Hsu Ziqian medicine and returned to the neighborhood early.

Chiang Wenshu's car stopped and sent the mother and son upstairs.

"Ilan, I see that you are not in a good condition today. Did you just return to the country and not adjust the time difference? If it's too hard
