

## **Poor Husband 731**

### **C731 Hide**

It's probably the warmest image she's ever seen in her country.

However, the woman had no choice but to immediately pull the curtain aside and leave the piano.

"Waiter, I would like to ask, is there any piano service in your restaurant? Why did the music stop? Can you call out the person who just played the piano? I want to see her."

Hearing that the music stopped

### **C732 He Was Caught**

Zhao Tongtong looked at the piano sadly and nodded, "Maybe I really miss her too much."

She suddenly shed tears, "Hsu Yan, you bad woman, you promised to be my bridesmaid and my friend for the rest of my life. You broke your promise!"

"Alright, alright baby. If you really miss Hsu Yan, we will go to the Zhan family to see Zhan Nian in two days

### **C733 Dressed in a Disguise to Zhan Shi**

Hsu Yan was able to be Hsu Ziqian's mother, so of course she wasn't someone who could be fooled.

Such a high-quality formal dress, even if it was a rich training camp, they would not do such a thing.

But she could not let Hsu Ziqian become a person who casually took things from others. Even if it was to take care of her son's mood, she could not do such a thing.

Therefore

### **C734 The Confrontation**

The other party's eyes revealed some desire for Hsu Yan, "In our Zhan's, other than the beautiful fiancée of Director Zhan, Miss Bai, I've worked here for so many years, but this is the first time I've seen someone more beautiful than her."

The two of them walked towards the elevator that was returning to the warehouse, and Hsu Yan suddenly stopped in her tracks

### **C735 The Director from the Banquet**

The Zhan's had no blind spots. This was common knowledge for an office worker.

Hsu Yan mocked Bai Xin for pretending to be smart. She wanted to test her, but she was still too inexperienced!

Of course, Bai Xin would not accept it. There was something wrong with her slandering the Zhan's.

In her heart, she was also slightly shocked by this woman's intelligence

### **C736 Discovered the Fake**

This person is the famous, low-profile but talented director of the "banquets," Sayhan!

The perfume and perfume that she produced were things that every country's royal family was fighting to buy. It was often difficult to get even a single one of them even if it was a thousand gold coins.

That was why it attracted such a wealthy group like the Zhan's to work together

### **C737 A Familiar Feeling**

Hsu Yan used her fastest speed and ran away. As long as she stayed far away from this person, she pressed the elevator button.

It will be safe soon...

However, when she walked to the open and bright elevator entrance, that kind of terrifying feeling still came from behind.

He didn't let it go!

"You snuck into my territory right in front of me, bullied the people of my Zhan's

### **C738 Suspected a Spy**

Every time, it's because I met this woman!

Hsu Yan did not know that Zhan Shishen was suffering from amnesia. Perhaps she had sensed it in her heart.

She took the opportunity to push the man's hand away and said coldly again, "It seems that Director Zhan's plan is not going to work. Since you can't do it, then let's not waste time!"

After that, she immediately grabbed the handle of the car

### **C739 Zhan Nian Had a Fever**

Hsu Yan was forced into a corner. She knew that she would not be able to escape if she did not give a good reason.

She suddenly held Zhan Shishen's neck with both hands. "I am just tired of being a small director. I want to cling to a powerful person like Director Zhan. Isn't it much faster than working hard with a child and earning money? What? Mr. Zhan

### **C740 She Took the Initiative to Help**

"Keep that girl busy, I'll be right back."

The man threw his phone directly into the passenger seat. It was obvious that his anger had increased.

The heavy force caused the phone to flash in front of his eyes like a ray of light. It almost shook Hsu Yan's eyes behind him. She did not know whether she could not get past the phone or herself
