

Poor Husband 781

C781 Zhao Tong Tong Who Was Stalling for Time

Tears, flowing down.

This is fate, right?

How lucky she was to have Hsu Ziqian and Zhan Nian, two sensible and smart children.

"If there is a chance, I will definitely bring her to see you again if there is a chance."

She swore in her heart.

"Okay."

The mother and son hugged each other for a while and soon reached an agreement. They returned to the rented house to tidy up

C782 Each One of Them Was More Capable than the Last

After dinner, Hsu Yan and Zhao Tongtong got up and walked to the hotel entrance without any hesitation. "Tongtong, thank you for your hospitality. You have been good to Zhan Nian. I appreciate it. It is this child's fortune to have an aunt like you. I could tell that the elders of the Lu family took good care of you at yesterday's wedding

C783 Jiang Shu Proposed

She made a gesture at the corner, deliberately speaking very loudly.

At the same time that Hsu Yan was surprised, Zhan Shishen and Bai Xin also heard it.

Hsu Yan pressed her eyebrows, "Miss Zhao..."

She did not want to create a disturbance.

Meeting Zhan Shishen like this was already very awkward

C784 It Was Already Sold to Him

The pressing atmosphere made Hsu Yan unable to breathe.

Zhao Tongtong looked at her anxiously, "Quickly agree! Hsu Yan, don't miss out on happiness again. Don't you want to vent your hatred in front of a scumbag man and a bad woman?"

She was afraid that Hsu Yan would once again have the same soft-hearted habit as before.

Hsu Yan's eyes were cold

C785 I Can't Stand It

Such a casual and casual remark from Zhan Shishen's mouth caused everyone to turn pale with fright.

Hsu Yan clenched her hands tightly, and all the men's eyes fell on her! The ones who hated her, the strong ones, were the announcements of the victor, as well as an inexplicable warning

C786 He Had a Good Time with Them

Lu Hee, the saving king, suddenly appeared with a group of young masters. Although he was still a little wobbly before he woke up, he was still able to receive Zhao Tongtong's signal quickly.

He pretended not to see that Hsu Yan looked the same as him and smiled happily as a prospective groom. " Happy, wife, I'm happy! Marriage is a big thing in life. I don't want to drink on this day

C787 Ironclad Friendship

Bai Xin panicked.

Zhao Tongtong continued, "I have already gathered the evidence. It was Ning Wei who received the colored letter from you. She deliberately used it to show Hsu Yan that she wanted to take revenge on Yan. If Ning Wei and Fu Heng had not smuggled money to earn money and were found to have falsified the company's accounts, the mobile phone had been destroyed and could not be found

C788 Jiang Shu Confessed

The surrounding people had already been cleared. Lu Hee kissed Zhao Tongtong on the face. It was rare for him to be serious, "Of course I support you. You have my baby in your womb. Can I not listen to you? The things that happened back then were very strange, even if it was Old Zhan who forced him to confess, I will not give him a small report, you can rest assured

C789 Volunteer

Hsu Yan,...

Chiang Wenshu's face already had some traces of being older, but when it was funny, it was like a spring breeze. He suddenly laughed, "When Miss Zhao came looking for me to put on a show, I originally did not want to agree with her. But what she said was right, the best way to change fear. It's actually fear. All these years, I've seen that you've been too tired

C790 Not Allowed to Leave the Country

At this point, even if Hsu Yan was a rock, she was still touched.

A man who was willing to use everything to marry a single woman who took other people's children was no better than using his greatest courage.

All these years, she only had Chiang Wenshu by her side.

If one said that they had to use the method of marriage to end the past, then without a doubt, he was the best candidate
