

"How dare you slap me?"

Feeling a sharp pain on the right side of her face, Karin widened her eyes, glaring at Jenifer.

"For people like you, a slap is too merciful!" Jenifer hissed. "Karin, didn't you want to see our chairman? He is here now!"

Saying that, Jenifer pointed at Horace.

"Is he really the chairman? This must be some conspiracy to deceive me! I don't believe that this delivery guy is the chairman. I don't believe it!"

"A

Chapter 362 Mr. Warren Truly Is Amazing

"Mr. Warren, you bought me lunch today and now you're going to pay for my dinner? Let me pay for the bill!" Jenifer chuckled and continued, "Even though I can't afford anything fancy, I can at least pay you for the meal."

Jenifer smiled cheerfully.

"Jenifer, I know that you haven't gotten your salary for this month. Can you really afford it?" Horace looked at her and teased, "Well, Jenifer. Don't fight with me on this. You know who I am. I can afford to spend a lot

for dinner!"

"If you say so, Mr. Warren. Besides, you're the chairman so you make the call!" Jenifer nodded in agreement. She knew that she must show him respect for he was the chairman.

"O

Chapter 363 This Is Our Chairman

All three of them were lost in thought when Jenifer said, "Indeed, we have known Mr. Warren for less than a day. Yet, we already respect and admire him deeply. Having a chairman like Mr. Warren was one of the best things that could have happened to us."

"Wow! That's amazing! Mr. Warren's personality and character is the best one can find out here!"

Raquel was surprised by all of what she was hearing. She could tell from the way Jenifer spoke that she really meant what she was saying.

Raquel came to realize that all of the employees of Melton Network Technology Limited, Jenifer was most grateful to Horace. She had been the first person to reach him, and he had helped her the most too.

Chapter 364 You Are Dead For Sure

"Do you honestly think you can scare me with that made up chairman story?" The man whom Jenifer had just questioned laughed disdainfully.

"Bitch, I was nice to you at first, but if you continue to treat me like this, then don't blame me for being ruthless! Anyway, you're all just a bunch of tarts that are slightly better than ordinary ones. How dare you act all high and mighty before me? Do you have any idea of how many bitches like you have slept with me in just the past year?"

As soon as Zeke Braxton finished his words, Horace punched his face.

Chapter 365 I've Never Heard Of I

"You've heard of our family, right?" Zeke said proudly to the woman and then pulled her into his arms possessively and let his hands roam everywhere on her body.

"You look not bad. Let me touch you," he said in a husky voice.

"Of course I have. Soubor is the provincial capital of Ylanbu Province, and it is also the biggest city in our province. The Braxton family is the third largest family in Soubor. Having spent a majority of my life in Ylanbu Province, I know the power of the Braxton family," the woman said in a flattering tone, and then

let a seductive sound escape her lips when Zeke touched her in a sensitive area.

"Sir, you are so bad!"

Zeke chuckled evilly and pressed her even harder.

"Which woman doesn't like a bad man? But tell me, beauty, am I too bad for you? Don't you like this?"

"O

Chapter 366 I'm Not Dying

"Are you seriously threatening me right now?" Zeke said and let out a short mocking laugh.

Then he glared at his men and shouted, "What are you doing? How are four big men with weapons unable to take down one young man?"

"Sorry, Mr. Braxton. We're going to kill him now," Zeke's men said and mumbled some other inaudible words as they tried to reinforce their attack on Horace.

"You really want to die!" Raul shouted above the fighting noise to Zeke as he saw what was happening.

However, Horace wasn't without defense. The bodyguards that came with Raul mobilized themselves and tried to fight off Zeke's men.

Unfortunately, these guards didn't expect it when one

of Zeke's men threw his dagger at Horace.

Before they knew it, four daggers had been flying towards Horace with the obvious aim of drawing some blood.

Chapter 367 I'd Rather Not Fight To Have This Money

"What a touching scene! You guys will make me cry!" Zeke said mockingly as he watched Raul, Horace and Jenifer.

When they didn't pay him any mind, he clapped

exaggeratedly and added, "If I was to rate your acting, you would get a hundred. This is very good! You know what, if you guys ever think of going into acting in the future, just let me know and I'll sponsor you. I believe I don't need to tell you that with my support, you'll become very famous very quickly."

"You need to shut your mouth now!"

Raul finally exploded, tired of hearing the young man's voice.

He then turned to face him and said in disbelief, "I can't remember the last time someone dared to talk to me this way. Worse still, a brat like you? I've never heard of this Braxton family of Soubor you're so proud of, but I know one thing—If the leader of your family sees me, he will show me respect."

Chapter 368 Your Family Is Nothing

"What is the meaning of this?"

Zeke was shocked by what he was seeing in front of him. It wasn't supposed to happen like that.

Raul gave him a condensing look and chuckled dryly before answering, "Are you blind? Your Braxton family might be important in Soubor, but here in Rinas, you mean nothing at all."

As if it wasn't enough, the passers-by echoed Raul's words, "That's true. Your family is nothing compared

to Mr. Warren here in Rinas."

Zeke couldn't believe what he was hearing. No matter how much he thought about it, he could not understand what was happening and why it was happening. Since when did the people in Rinas become so arrogant that they could challenge a person like him from Soubor? Zeke tried to stay calm, thinking that he was still the boss in this situation. Their town was trash and if they wanted, he could show them what a real big city was.

He

Chapter 369 Are You Telling Me The Truth

"You rascal, why are you shocked?" Don't you think you should be beaten?"

Raul snorted derisively after hearing Zeke's words. He then proceeded to address his employees while pointing at Zeke.

"Beat him! Trash him hard! Don't show any pity!"

Raul then continued by saying, "Everyone, listen to me carefully. After you trash this imp, I'll invite you to join me at the Sea Pavilion for dinner, my treat. You are doing me a favor, and you will surely be exhausted afterward. This is an offer you can't refuse!"

"We are so grateful!"

When they heard Raul's invitation, there was a hint of

excitement in their eyes. Simultaneously, they started to shout at him. The Sea Pavilion was the best restaurant in Rinas. Raul's treat would save them at most tens of thousands of dollars.

Chapter 370 Have They Already Started Healing

"Don't make me laugh. Why would I reduce myself to lying to you?" Raul said, still glaring at Zeke before adding, "I'd advise you to call your family now and ask if they know someone from our family. That way, you can ask them to come and plead for forgiveness in your stead. If you call and no one comes to help you

out, I'm afraid we'll have no choice but to wipe you and your family out."

Zeke shook his head vehemently, still refusing to accept what was in front of him.

"You don't expect me to believe that he is the son of the Warren family just because you say so, do you? I wouldn't trust you even if I were dying. The Warren family is the most powerful family in Antawood. I doubt their descendant will choose to stay in such a small and shabby city!" Zeke couldn't bring himself to agree that Horace could be the son of the head of what was the strongest family in the whole country... Hell, in the whole world even.
