

"Laila, you are thinking too much again! We're only together because we love each other, and nothing else. You liked me even when I had nothing, so how could I possibly dislike you now?" Horace said, holding Laila's hand.

"Okay... But Horace, I feel like it is all a dream... And if it really is a dream, then I really don't want to wake up from it!" Laila said affectionately, staring into his eyes and leaning against his chest.

Scratching his chin, Horace pondered over Waldo's words for a few seconds before nodding.

"Alright. We'll ask for your assistance if Laila and I encounter some problems."

After saying that, he took out his phone to add Waldo's number to his contact list.

Horace had no idea about the ins and outs of Isido University and knew nothing about college life in general, so he thought it would be convenient to have an acquaintance whom he could turn to in case he ran into trouble.

"Done!"

Waldo could only gape at his phone, the corners of his mouth raising unconsciously.

"Hey, are you okay?" Horace asked when Waldo did not react for a long time.

Chapter 403 Please Apologize Now

Horace was very much capable of remaining silent and leaving the scene like he heard nothing whenever he was being insulted. However, the girl's words caused other people to throw jibes at Laila, and he could not let that go. After all, Laila was more important to him than anyone else, including himself.

Glaring at the girl as if he wanted to bore a hole in her head, Horace spat, "Miss, my words and clothing

have nothing to do with you. We're living in a free country, and you have no right to control me. I'm free to say and wear whatever I want."

Chapter 404 The Daughter Of The Salazar Family

"Miss, please watch your language. I thought that you didn't hear me at first, so I shouted. Besides, I just asked you to apologize and you ignored me!" Horace explained. "Well lady, now that you heard what I said, please apologize immediately. My girlfriend and I have something else to do, so quit wasting our time!"

"You brat! You keep asking me to apologize. Do you even know who I am? Aren't you afraid that I won't let

you leave Isido Station?"

The woman stared daggers at Horace. She was obviously infuriated with him.

He smirked at her and said, "I'm not afraid of you! Do you think you could keep me in Isido Station?"

"Oh, now you've really pissed me off!"

Chapter 405 Underwear Guy

"What are you doing?" Waldo abruptly shouted at the passengers, who had surrounded Horace.

In the impasse between Horace and Ivory, Waldo was the first one to speak up in support of Horace.

"Who are you?" Ivory scrutinized Waldo, who was behaving completely differently from the others, and asked.

"I'm Waldo Courtenay, the only son of Wesson Courtenay of Rinas."

"Waldo Courtenay? Why does this name seem familiar?"

A twinge of doubt appeared on Ivory's face.

"Waldo, are you the same fake rich boy who was taught a lesson by Mr. Turner?"

While Ivory was confused, a young woman pointed at Waldo and giggled. She seemed to be mocking him.

Chapter 406 Are You Serious

"Thank you, Mr. Warren!" Waldo answered as he smiled cheerily.

While he was speaking, Ivory scoffed. She then glared at Horace and said, "You really are an arrogant brat. What makes you think you could help Waldo? What a fucking joke!"

After Ivory spoke, all the passengers pointed at Horace and jeered, "Ha-ha, this young man is acting too smug. He thinks that he could save someone from the daughter of the Salazar family. This might be the

funniest joke I've heard this year! Ha-ha!"

"Well, you don't know Mr. Warren at all!" Hearing the passengers' jeers, Waldo sighed.

He then looked at Ivory and said, "Miss Salazar, I know that you're powerful, but you have to know that Mr. Warren is also powerful. I advise you to be nicer to him. Do it for the sake of everyone here!"

Chapter 407 Are You Making Fun Of Me

"Help the Salazar family, you say? You're so conceited. How can a young man like you help our family? Can you even make your own family listen to

you?" Ivory sneered, not believing a single word Horace said.

His social status might be high, but she doubted he could help the Salazar family. Even if he was the family head's son, he was still too young to make a decision for the family.

The Salazar family's problem was too great to be solved by just one person, even if he was the family head. Those who wanted to help them had to have enough authority that was equal to the Salazar family. Otherwise, they could get in trouble or even make matters worse. That was why not even the most distinguished families offered to help them.

"How is this possible?" Ivory exclaimed. The pupils of her eyes shook as they zeroed in on the card Horace was holding out.

Of course, she knew what it was. She also knew what the stars on the card represented. She had an unlimited bank card herself, but hers only had one star on it.

"Let me guess. You're going to claim that it's fake," Horace said with a chuckle.

Only the most powerful people in the world could own unlimited bank cards with nine stars on them. The one in Horace's hand was given to him by Randall.

However, the nine-star card did not have actual power

behind it. At least, that was the case in the Warren family. It symbolized the leader of the Warren family from Antawood, but that was all to it. That was why the Board Of Elders agreed to Randall when he proposed to give it to Horace.

Chapter 409 You're Very Handsome In Them

"Sure, I accept your apology. Horace doesn't think too much of what you said to him, so I shouldn't too as his girlfriend," Laila said softly.

Clinging to Horace's arm, she chirped, "Horace, let's go. I want to see our school as soon as possible. I can't wait to start my college life!"

"Yeah, let's go now," Horace agreed with a nod and clasped their hands together.

The two made their way to the exit while holding hands.

Chapter 410 | Can Take Care Of It Myself

About ten minutes later, Horace changed his clothes and returned.

"Well..."

When Ivory noticed Horace's different clothes, she felt

like they suited his temperament quite well. But after discovering his true identity, she didn't voice the thought out loud, leaving her at a loss for words. She just stood there in a daze.

"The clothes match my temperament well, right?"

Horace chuckled and put her thoughts into words when he saw her looking astonished.

Then he waved in her direction and said, "You can say it. If you're speaking the truth, wouldn't I accept it? These clothes match my personality because I'm always dressed in such clothes. After all, I have been dressing in this style since childhood."

"A family matter..." Ivory murmured.

She then sighed. The Warren family in Antawood really was powerful. Even the Turner family in Isido served the Warren family. She had lived in Isido for so long but had never noticed it!

As she tried to wrap her head around it, she said, "Okay, I understand now, Mr. Warren."

"Good!" Horace nodded. He didn't want to teach Collin a lesson to avenge Waldo. When he fought with Ivory, Waldo bravely stepped in and fought alongside him. For that, he was grateful. However, he wouldn't have interfered if Waldo hadn't asked him to get revenge on Collin. He wasn't sure if it was part of Waldo's plan.
