Novel Chapter 531

531 Chapter 531: Fair-skinned, Beautiful, and Long-legged

The atmosphere immediately became awkward, as Nidya Hughes and Anna Campbell's mouths twitched slightly. 1

Nidya Hughes endured her anger, gritting her teeth and saying, "I tell you, Xaviera, if you don't divorce now, you will regret it one day!"

Anna Campbell also tried to persuade Xaviera kindly, "Sister, Mom is afraid that at you will be hurt in the future. How can you refuse? You and Mr. Caleb Mamet are not right for each other, there should be a more outstanding woman to marry him."

Xaviera laughed sarcastically, raising her eyebrows, "That more outstanding woman wouldn't be you, would it? You want to marry Caleb? That's why Mrs. Campbell announced that you admired Caleb at the banquet?"

Nidya Hughes argued, "Anna is a well-bred lady, while you grew up in the countryside and are vulgar. Mr. Caleb is only interested in you now because you are pretty. In a few years, he will be completely tired of you and won't even give you a second glance. But Anna is different; she is knowledgeable and skilled to keep a man's interest so that Caleb will fall for her."

What the hell!

Steve Price couldn't help but spit outside the door.

Xaviera looked coldly at Nidya Hughes, "You are really confident!"

Nidya knew Xaviera was mocking her and her face turned green with anger.

After a long silence, Anna Campbell spoke gently, "Sister, actually, I have liked Mr. Caleb for a long time. After my mother found out, she couldn't bear to see me in an unrequited love, so she persuaded you to divorce."

"Moreover, you and Mr. Caleb are not suitable for each other. Rather than being hurt later, it's better to divorce early and cut your losses. Besides, you are

already betrothed and are not a suitable wife for Mr. Caleb. Please let Mr. Caleb go and let me have my chance, okay?"

Xaviera widened her eyes, shocked by this mother and daughter's audacity.

Not only was Xaviera angry, but Steve Price also wanted to rush in and beat up Anna Campbell when he heard her demand Xaviera give up Mr. Caleb.

Xaviera scoffed, "Mrs. Campbell, it's not that I'm unwilling, but Mr. Caleb likes beautiful women with fair skin and long **legs** like me. Your looks are inferior to mine, so if Caleb has to settle for second-best, I don't think he would be willing. Even if I get a divorce, I'm afraid it won't be your turn,

sister!"

Upon hearing this, Anna Campbell's face paled.

Nidya Hughes was so **angry** that she clenched her teeth and smashed the coffee cup Xaviera had just used on the floor, accompanied by her furious howl.

"Shut **up!** How is your **sister** not as good as you! Your sister is **not** only beautiful but **also** a *top* noble lady, countless times better than you! You are the ugly **one!**"

Xaviera's expression turned cold.

Such a great mother indeed! To favor an adopted daughter, she would force her own daughter to divorce and even say that her daughter is inferior to Anna Campbell.

Xaviera's eyes were indifferent as she said slowly, "That's right, I am your daughter. If I am ugly, it's because your genes are so bad!"

"You!" Nidya Hughes had no way to refute, her face turning red with anger. She picked up a coffee cup from the table and threw it at Xaviera.

"You little bitch! How dare you curse me? Apologize to Anna right now! What makes you think Anna isn't as beautiful as you? Look at your rascal

I face; you are not even worth a single hair of Anna's head! You are just a slum rat... Ah!"

Suddenly, a stone flew in from the door and hit Nidya Hughes's wrist hard.

H

Caleb slowly walked in, his gaze cold and his voice calm but with a hint of chill, "Mrs. Campbell, since

you

insult my

wife like this, there is no need for us to continue this conversation. Xaviera, let's go!

As soon as Jeremy Campbell heard this, he rushed over, "Nidya Hughes! Are you out of your mind?" Nidya Hughes was panic-stricken and couldn't help but glance at Caleb. She felt his stare was like a sharp sword, making her tremble all over.

Caleb's face was calm, but his deep eyes were suffocating her.

Nidya Hughes tried to compose herself, "I... I was just joking with Xaviera. Mr. Caleb, don't

misunderstand. Xaviera is a bit mischievous. As her mother, it's okay for me to scold her, isn't it? I am doing this for her own good."

Jeremy Campbell immediately roared, "I told you to shut up! Did you hear me?"

532 Chapter 532: Anna Campbell was despised

Nidya Hughes was so frightened that she didn't dare to speak. Then, Jeremy Campbell looked at Caleb Mamet with a flattering smile, "Mr. Caleb Mamet, please take a seat, don't just stand there!"

Anna Campbell

looked shy, she was certain that Caleb was the most perfect man she had ever seen. If she could marry him, she would be willing to pay any price.

Instead of paying attention to everyone, Caleb held Xaviera Evans' hand and sat in the main seat, casually asking, "I'm very curious, Mrs. Campbell, why did you scold *my* wife? What did she do wrong?"

Jeremy's heart was pounding nervously.

Nidya thought it was her chance, and quickly explained, "Mr. Caleb Mamet, I must have a reason for scolding her. Xaviera isn't good enough for you. By marrying her, you've really wronged yourself."

The room fell silent.

After a few seconds, Caleb quirked his lips, "So?"

Nidya thought Caleb agreed with her, so she continued, "Xaviera grew up in the countryside.

She doesn't have the temperament of a noble lady, isn't familiar with etiquette, and has no culture. It's not suitable for you to marry her."

"I've been thinking, Anna would be more suitable for you. Since she was young, Jeremy and I have had high expectations for her and cultivated her into a top noble lady. She has now graduated from a prestigious university, skilled in various musical instruments, calligraphy, painting, and dancing. Although she isn't our biological daughter, Jeremy and I have always treated her like our own. I think only Anna is worthy of a successful man like you."

As the words fell, the air turned still, and the only sound was Steve Price grinding his teeth.

But Nidya didn't think there was anything wrong with what she said, she pushed Anna forward like a matchmaker, "Anna, go and greet Mr. Caleb Mamet."

Anna's face turned red, "Mr. Caleb Mamet."

Her tone was gentle, her demeanor shy but reserved.

However, Caleb didn't respond, and the atmosphere became incredibly awkward.

gradually

Anna's shyness gradually turned into embarrassment, "Mr. Caleb Mamet, I...

"**Mrs.** Campbell." Caleb's eyes darkened, his expression indifferent.

"What kind of person do you think I am? You think you can throw any tom, dick, or harry at me? My taste isn't that bad that I find anyone appealing."

Silence, a deadly silence.

The expressions on Nidya and Anna's faces gradually stiffened, turning pale as paper.

Tom, dick, **or** harry? How dare he call her that? She... she was Miss Campbell, a **top** noble lady in

upper-class society.

"Mrs. Campbell, your biological daughter is already married to our CEO, and yet you're eagerly pushing your adopted daughter towards him too. Isn't this deliberately ruining our CEO's reputation? Modern society practices monogamy, don't you know that?"

Steve mocked with a sneer, "Even if it was ancient times, our CEO has already married a wife. How is it appropriate for the Campbell family to send his wife's sister over too? The Campbell family is an aristocratic family, surely you don't still practice such outdated customs!"

Nidya's breathing grew rapid.

Mr. Caleb Mamet and Assistant Steve Price, whether they dislike Anna or not, they shouldn't have belittled her like this. What do they mean by tom, dick, or harry? What do they mean by outdated customs? They sent Anna to be Mrs. Mamet. Xaviera doesn't deserve that position at all!

"Mr. Campbell, our CEO isn't here to listen to your explanations. Since you don't like our CEO's wife, then he will take her away to rest."

Steve snorted coldly, "It's so late, and yet the birth mother called her daughter here to force her to divorce our CEO. Does the Campbell family gain any honor from that?"

As Caleb was about to leave, Jeremy approached quickly, "Mr. Caleb Mamet, my wife and daughter were just upset for a moment. Please don't hold it against them. I just wanted to talk to Xaviera about her brother's affairs. After all, Adrian is Xaviera's brother. Can we just..."

"What happened before was Adrian's fault, but... we are still family after all. Mr. Caleb Mamet, please be magnanimous and don't hold it against him. How about we talk in the study?"

Caleb raised his eyebrows, nodding slightly.

Steve followed the two men upstairs, leaving only the mother and daughters downstairs.

Xaviera didn't even look at the other two, got up, and walked outside.

"Wait!"

533 Chapter 533: You Want to Get Beaten, I'll Fulfill Your Wish

Anna Campbell hurriedly followed her, her eyes filled with tears, "Sister, I know you hate me and think I've stolen your identity, but I'm innocent too. Mom is also caught in the middle, torn between her own biological daughter and the adopted daughter who has spent twenty years with her. Why can't we get along? Sister, let's go out and talk, okay?"

Anna's face was full of sadness, but a touch of sinister smile flashed in her eyes.

Xaviera Evans knew she had ill intentions, but her curiosity about what Anna wanted to do got the better of her, so she nodded, "Fine."

The Flack family's courtyard was quite large, and Anna led Xaviera around a circle to a secluded corner.

With each step, Anna calculated her next move. Now that everyone knew she had arranged for Xaviera to be placed in the basement room and even planned to kill her, she had to clear her name. The best way to do that was to pin all the blame on Xaviera.

Before leaving, Anna had already found out that the Flack family's courtyard was full of cameras, but there was no audio. As long as she deliberately provoked Xaviera, making her unable to resist the anger and lash out, all the guests of the Flack family would see Xaviera's ugly face.

Miss Campbell could only be her, and Mrs. Mamet could only be her!

1

So, Anna earnestly advised, "Sister, do you know why Mr. Caleb Mamet would marry a country girl like you? I reckon it's because he thinks you know nothing, so he can simply kick you away after a few years without any trouble. If you don't get a divorce now, you'll regret it later. As your sister, why would I lie to you?"

“Mom arranged for me to marry Mr. Mamet, not because she favors me, but because she thinks that I can hold onto him better and bring more benefits to the Campbell family. But you... You don’t have the ability to be Mrs. Mamet.”

“Besides, Mom and Dad said Miss Campbell can only be me. You’re just a country wild girl, you’re not even fit to be the Campbell family’s daughter. Bringing you back is just for...”

Xaviera interrupted, “Anna Campbell, you asked me to come here alone just to provoke me, right? You want me to attack you so that you can use **it** as an opportunity to accuse me of assaulting my sister. I’m violent and irritable while you’re innocent, and this way you can completely destroy my

reputation?”

Anna’s eyes darkened, and she feigned aggrievement, “Sister, that’s not what I meant. What I said is the truth. Do you think you’re fit to be Miss Campbell? Our parents originally didn’t want to find you.

It’s because...’

Slap!

Before she could finish speaking, a slap whistled through the air and landed heavily on Anna’s face.

Xaviera hooked her lips up in a smile, “Since you really wanted to be hit, then I’ll oblige!”

The slap left Anna’s face burning hot, but there was no visible mark on her skin.

1132

Anna wanted to provoke Xaviera, but she didn’t expect her to actually be so bold as to slap her right

away.

She gritted her teeth, suppressing her anger. Now that Xaviera was falling into her trap, she was pleased. She then quickly put on tearful eyes, “Sister, why did you hit me? I know you resent me for taking your place, but someone swa

pped us back then, and at that time, I was only a baby in swaddling clothes. How can you blame me?”

“Although you’re married to Mr. Mamet, I know you’re not happy. You just won’t tell our family about it, so Mom wants me to take your place in marrying him, which is...”

Slap!

Xaviera raised her hand and slapped her again.

Anna looked astonished. In just a short time, she had already been slapped twice by Xaviera.

“You... you just wait!”

Xaviera smoothed her hair, “Do you even know how annoying you are!”

“I may be an adopted daughter, but I’ve been with Mom and Dad for twenty years. They think of me as their own. How dare you hit me? I won’t let you bully me like this!”

“Bullying? You think I’m the one who’s bullying you?”

Xaviera crossed her arms, her laughter cold.

A chill ran down Anna’s spine, and she tried to suppress her anger as she prepared to cry out.

“What’s next? Cry, make a scene, try to hang yourself, and let everyone see the slap marks on your face? Accuse me of hitting you for no reason in front of everyone, saying I’m jealous and trying to drive you, the adopted daughter, out of the house? Saying I’m targeting you?” Xaviera asked.
