Chapter 1605

Corentin came forward and asked, "Anne, are you alright?"

Anne nodded.

"You don't look too well. novelxo What happened?"

Tommy's dead," said Anthony.

"Have you found the cure?" asked Corentin.

Anne shook her head.

"Unfortunately, novel.xo the infected people would have to endure it a little longer."

Anne suddenly thought of something, and she immediately pushed Anthony away. "Don't touch me."

Only then, Corentin noticed a small patch of ulcer below Anne's cheek." Anne, did Tommy drug you?"

Anthony frowned. "I don't mind."

"I do. Both of us would not be able to have contact with the children, and they will worry." Anne rejected his touch.
